Dear District President:

This is to notify you that the Department of Local Affairs' Division of Local Government (Division) has not yet received a copy of the Board of Canvassers' Certificate of Election Results, or a copy of the Notice of Cancellation from your district's May 8, 2012, regular biennial election required pursuant to C.R.S. § 1-11-103 and 1-5-208.

Please check your records and provide us with a copy of the Board of Canvassers' Certificate of Election Results or Notice of Cancellation as soon as possible to properly finalize the election. If the Division does not receive this election result certification, the Division may file for the District's dissolution by administrative action pursuant to C.R.S. § 32-1-710(1)(a)(I).

As a reminder, within 30 days following the date of each regular election, please file the following:

- Board of Canvassers' Certificate of Election Results or a copy of the Notice of Cancellation
- Copy of an Oath and individual, schedule, or blanket surety bond for each newly elected director
- District's business address, telephone number, and contact person
- If applicable, the language for any ballot issue or ballot question voted at the election.

Please note, if any director fails to take the oath or furnish the requisite bond within 30 days of being elected or appointed as a director, their office shall be deemed vacant, and the vacancy thus created shall be filled in the same manner as other vacancies in the office of the director (C.R.S. § 32-1-905).

Other missing election related information for this district may be identified by the "Special District Directors" report on the back of this letter. If any of this information is either incomplete or inaccurate, please forward the appropriate documents using the Division's electronic filing instructions or by mail. Following the Division's receipt and processing of any missing documents, you may view an updated "Directors Report" for your district.

The district must annually submit by January 15th, the contact person, telephone number and business address of the district. If any of this contact information is boxed, then one or more of the following reasons exists:

a. Contact name is unknown. b. Contact certified more than one year ago or is unknown. c. Phone number is unknown.

Number of directors: 5 *Reason 1* Number of compliant directors: 0 *Reason 2-7*

If any of the director information is boxed you may have an invalid board for one of the following reasons:

1. The district must have either 5 or 7 directors as determined at the district's organizational election.
   'Number of directors' will be boxed if the number of directors is not 5 or 7.
2. The district must have one director listed as chair.
   'Chair' will be boxed if no director is identified as the chair or if more than one chair is identified.
3. Each Elected director's length of term must be 4 or fewer years.
   An Elected director's 'Term Length' will be boxed if it is missing or is not between 1 and 4 years.
4. Each Appointed director must have a term that is for two years or less.
   An Appointed director's 'Term Length' will be boxed if it is not 1 or 2 years.
5. Each director must have a valid, unexpired term.
   A director's 'Term Expires' will be boxed if their term is missing or ends during or prior to the current year.
   Please remember director positions should be staggered; a 5 member board has three four year terms up for one election and then two four year terms for the following election. However, due to appointments to vacancies several directors or even the entire board may be required to run for election at the same time for a combination of four year terms and two year terms.
6. Each director must have an oath that is for the current term.
   A director's 'Oath Date' will be boxed if it is missing or is prior to the year the current term began.
7. Each director must have a current bond filed with the oath.
   A director's 'Bond' will be boxed if it wasn't filed with the director's oath.
