Please accept this as my motion for a Rehearing for Initiatives 2023-2024 #186, 187, 188, 189, 180, 191: Concerning the Conduct of Elections Title approved March 7, 2024

Grounds for a rehearing based on Multiple subjects as follows:

Creates new designation of offices elected by Single Choice Voting, Creates a new designation for offices elected by Ranked Voting Method (Ranked Choice Voting, or Instant Runoff), Created an All-Candidate Primary which abolished the existing Party Primary elections, Creates a new deadline for candidates to designate Party affiliation, Creates new standard for candidates to be listed on the ballot with a method of chance called a "Lot", Limits the number of candidates to appear on the general election ballot to 4 candidates regardless of party, Eliminates the mandatory recount by replacing it with a method of chance called a "Lot", Creates a new method of advancing candidates who previously lost in the All-Candidate Primary to fill any vacancy on the General election ballot, Eliminates In Person voting in the All-Candidate Primary election, Creates a new standard for verifying a candidates residency requirements, Creates new restriction on how "covered candidates" can gain access to the ballot as a candidate, Creates a standard of Ranked Voting Method (Ranked Choice Voting, or Instant Runoff) for "Covered" State and Federal office.

These initiatives are clearly not a single subject and require a rehearing to review the Boards decision on March 7, 2024.
