RE: Correction Request Tracking No. 2015-00293

Dear Secretary of State Williams:

In November 2014, the Medical Services Board adopted MSB 14-06-04-A, Revision to the Medical Assistance Home and Community Based Services Home Modification Rule for Persons with Brain Injury Waiver, Community Mental Health Supports Waiver, Spinal Cord Injury Waiver, and Elderly, Blind and Disabled Waiver, Section 8.493.3, which amended various subsections of the rule to add a new client type, clean up and clarify existing language and increase the lifetime cap from \$10,000 to \$12,500.

In March 2015, the Medical Services Board adopted MSB 14-04-15-A, which was a clean-up of rule sections beginning at section 8.400 through the end of section 8.499. The text used for this revision was obtained prior to December 31, 2014 and, therefore, inserted old language back into the rule. It was not the intent of MSB 14-04-15-A to make any substantive changes and this was simply an error in publication instructions provided to the Secretary of State's Office.

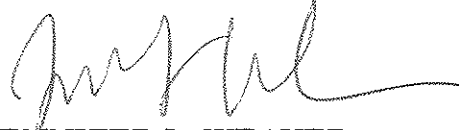

The Department of Health Care Policy and Financing is requesting a technical correction to 10 CCR 2505-10, Section 8.493 to reinsert rule text that was published on December 30, 2014.

This correction is technical and non-substantive in nature and is submitted to you for publishing in the CCR pursuant to C.R.S. § 24-4-103 of the State Administrative Procedure Act.

Please contact me at (720) 508-6145 if you require further information. Thank you for your assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
