RE: Corrections to Board Rule 400, 3 CCR 713-7,

Rule Opinion Correction, SOS Tracking No. 2016-00441

Dear Ms. Maiolo:

Pursuant to C.R.S. § 24-4-103(11)(d)(II), the correction to the above-reference rule is not a substantive change, but is a correction to a non-substantive error in the rule as filed.

During the rulemaking hearing, the Board voted to replace the requirements set out in former subparagraph (b) from Section 3.A of the rule with new requirements. The new requirements were reflected in subparagraphs (c) and (d) of Section 3.A of the rule as filed, but subparagraph (b) was inadvertently not stricken from the rule when it was filed. The corrected rule removes former subparagraph (b) from Section 3.A of the rule, and renumbers the remaining subparagraphs under that section.

Thank you for your assistance with correcting these errors. Please call me if I can provide you with any additional information.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ Ashley Moller Klein
