RE: Tracking Number 2017-00024
Revision to 2509 Social Services Rules, Staff Manual Volume 7, Child
Welfare, Child Care Facilities
Rule 7.304.2
12 CCR 2509-4
SOS Tracking NO. 2017-00024

Dear Mr. Williams,

I have reviewed the correction to the accompanying Rule and determined that the matter being corrected is a nonsubstantive error and that the correction is necessary to insure that the published rule and the corresponding opinion conform to the adopted rule, pursuant to section 24-4-103(11)(d)(II), C.R.S. (2016).

The correction addresses editing errors in the rule, adopted November 4, 2016, submitted under tracking Number 2016-00431 that inadvertently noted a revision date as being effective 1/1/16 instead of 1/1/17. The rule was filed correctly and the effective date is truly 2017, just the text within for tracking was not updated to the new year. In addition a few items were missed from redline version and not changed from ALL CAPS to regular caps.

Sincerely,

FOR THE ATTORNEY GENERAL
