RE: Tracking Number 2018-0086
Revision to
Rule 7.710.33.L.3, 12 CCR 2509-8

Dear Mr. Williams:

I have reviewed the correction to the accompanying Rule 7.710.33.L.3 and determined that the matter being corrected is a nonsubstantive error that occurred after final adoption, during preparation of the rule for publication, and that the correction is necessary to insure that the published rule and corresponding opinion conform to the adopted rule, pursuant to section 24-4-103(11)(d)(II), C.R.S. (2017).

The correction addresses an editing error in the rule, adopted August 4, 2017, submitted under Tracking Number 2017-00193. In preparing the adopted rule for publication, subsection 7.710.33.L.3 was inadvertently deleted in its entirety, with corresponding changes in numbering to subsequent subsections, when the adopted rule actually replaced subsection 7.710.33.L.3 with the revised language on page 21 of the enclosed clean version (see also page 22 of the enclosed redlined version).

Please do not hesitate to contact me if I may be of further assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
