RE: Correction Request Tracking Nos. 2020-00228

Dear Secretary of State Griswold:

On December 18, 2019, the Colorado Department of Public Health and Environment (“CDPHE”) submitted SOS Tracking No. 2019-00747, Proposed Amendments to 6 CCR 1011-1, Standards for Hospitals and Health Facilities, Chapter 2 – General Licensure Standards for adoption on an emergency basis. On March 2, 2020, CDPHE submitted SOS Tracking No. 2019-00747 for adoption of the permanent rule. The board adopted the proposed permanent rule on February 19, 2020.

It has come to CDPHE’s attention that the adopted rule filed under this tracking number did not contain the changes included in the emergency rulemaking. It only contained changes incorporated between the emergency rulemaking hearing and the permanent rulemaking hearing. The correct version of the adopted rule was included in the redline presented to the Board of Health in the February permanent rulemaking hearing, and the Board of Health adopted the rule on February 19, 2020. Fixing this error would align the filed rule with what the Board of Health intended to adopt.

On April 10, 2020, CDPHE requested an administrative change to SOS Tracking No. 2019-00747 in order to correct the errors designated above. A corrected version has been submitted.

This correction is technical and non-substantive in nature and is submitted to you for publishing in the C.C.R. pursuant to C.R.S. § 24-4-103(11)(d)(II) of the State Administrative Procedure Act.

Please contact me at 720-508-6145 if you require further information. Thank you for your assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
