RE: Correction Request Tracking No. 2020-00468

Dear Secretary of State Griswold:

On March 24, 2020, the Colorado Department of Public Health and Environment (“CDPHE”) submitted SOS Tracking No. 2020-00149, Amendments to 6 C.C.R. 1007-1, Part 7, Use of Radionuclides in the Healing Arts, for adoption. The board adopted the proposed permanent rule on June 17, 2020.

It has come to CDPHE’s attention that the adopted rule filed under this tracking number contained a typo in a link contained in the regulation. Currently, there is an extra “e” in the link and it does not direct to the correct website. Fixing this error would correct the link.

On July 10, 2020, CDPHE requested an administrative change to SOS Tracking No. 2020-00149 in order to correct the errors designated above. A corrected version has been submitted.

This correction is technical and non-substantive in nature and is submitted to you for publishing in the C.C.R. pursuant to C.R.S. § 24-4-103(11)(d)(II) of the State Administrative Procedure Act.

Please contact me at 720-508-6145 if you require further information. Thank you for your assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
