

DEPARTMENT OF PUBLIC SAFETY

Division of Fire Prevention and Control

8 CCR 1507- 11

FIRE SUPPRESSION RULES

STATEMENT OF BASIS, STATUTORY AUTHORITY, AND PURPOSE

Pursuant to Section 24-33.5-1203.5, C.R.S., the Director of the Colorado Division of Fire Prevention and Control shall promulgate rules as necessary to carry out the duties of the Division of Fire Prevention and Control. This rule is proposed pursuant to this authority and is intended to be consistent with the requirements of the State Administrative Procedures Act, Section 24-4-101, *et seq.*, C.R.S.

The purpose of this rule change is several fold. First, the rule change addresses deficiencies identified in Sections 3.9.1.4, 5.5.1.4, and 10 of 8 CCR 1507-11. Sections 3.9.1.4 and 5.5.1.4 incorporate by reference the procedure for denial of a registration from the State Administrative Procedures Act. Section 10 incorporates by reference the procedure for suspension or revocation of a registration from the State Administrative Procedures Act. These changes to the rule are required in order to ensure that Sections 3.9.1.4, 5.5.1.4, and 10 fully comply with the statutory requirements for the procedures for the suspension, denial, or revocation of a license, codified at C.R.S. 24-4-104 (6).

Second, this rule removes direct references to adopted codes and standards under Section 4.2 and replace it with a reference to 8 CCR 1507-101 (BUILDING AND FIRE CODE ADOPTION AND CERTIFICATION OF INSPECTORS FOR FIRE & LIFE SAFETY PROGRAMS ADMINISTERED BY THE STATE OF COLORADO), which is a consolidation of all Codes and Standards referenced in the rules promulgated for the programs administered by the Department of Public Safety, Division of Fire Prevention & Control.

Third, this rule change removes the rules and procedures for certifying fire inspectors and plan reviewers under Section 4 and replace it with a reference to 8 CCR 1507-101 (BUILDING AND FIRE CODE ADOPTION AND CERTIFICATION OF INSPECTORS FOR FIRE & LIFE SAFETY PROGRAMS ADMINISTERED BY THE STATE OF COLORADO), which is a consolidation of all inspector certifications referenced in the rules promulgated for the programs administered by the Department of Public Safety, Division of Fire Prevention & Control.

Mike Morgan, Division Director
