Division of Fire Prevention and Control

8 CCR 1507- 53

**UNIFORM STANDARDS AND MINIMUM FIRE AND LIFE SAFETY
REQUIREMENTS FOR WASTE TIRE FACILITIES**

STATEMENT OF BASIS, STATUTORY AUTHORITY, AND PURPOSE

Pursuant to Section 24-33.5-1203.5(2)(b), C.R.S., the Director of the Colorado Division of Fire Prevention and Control shall promulgate rules adopting nationally recognized standards that the Director reasonably finds necessary to carry out the purposes and provisions of Part 14 of Article 20 of Title 30 (Strategies for Waste Tires). This rule is proposed pursuant to this authority and is intended to be consistent with the requirements of the State Administrative Procedures Act, Section 24-4-101, *et seq.*, C.R.S.

The purpose of this rule change is threefold. First, this rule change removes direct references to adopted Codes and Standards under Article 3 and replace it with a reference to 8 CCR 1507-101 (BUILDING AND FIRE CODE ADOPTION AND CERTIFICATION OF INSPECTORS FOR FIRE & LIFE SAFETY PROGRAMS ADMINISTERED BY THE STATE OF COLORADO), which is a consolidation of all Codes and Standards referenced in the rules promulgated for the programs administered by the Department of Public Safety, Division of Fire Prevention & Control.

Second, this rule change updates the name of the Division to “Division of Fire Prevention and Control” and updates the citations within the rule for the Waste Tire Strategies statute to “30-20-1401, *et seq.*, C.R.S.” Third and finally, this rule change adds a new Article 5 regarding inquiries to the Division.
