Division of Fire Prevention and Control

8 CCR 1507-16

FIRST RESPONDER CERTIFICATION PROGRAM

STATEMENT OF BASIS, STATUTORY AUTHORITY, AND PURPOSE

Pursuant to Section 24-33.5-1203.5, C.R.S., the Director of the Colorado Division of Fire Prevention and Control shall promulgate rules as necessary to carry out the duties of the Division of Fire Prevention and Control. This rule repeal is proposed pursuant to this authority and is intended to be consistent with the requirements of the State Administrative Procedure Act, Section 24-4-101, et seq., C.R.S.

The purpose of this rule change is to repeal the rule in its entirety. In 2016, House Bill 16-1034 changed the name of “first responders” to “emergency medical responders” and transferred the registration program for the emergency medical responders from Department of Public Safety to the Department of Public Health and Environment (CDPHE). Certification of emergency medical responders is now controlled by rules promulgated by the Board of Health at 8 CCR 1015-3 (Emergency Medical Services). Therefore, 8 CCR 1507-16 is now superseded and obsolete. This rulemaking repeals 8 CCR 1507-16 in its entirety.
