

DEPARTMENT OF PUBLIC SAFETY  
DIVISION OF STATE PATROL

RULES AND REGULATIONS  
CONCERNING  
MINIMUM STANDARDS FOR THE OPERATION  
OF COMMERCIAL VEHICLES

STATEMENT OF BASIS, STATUTORY AUTHORITY, AND PURPOSE

Pursuant to §42-4-235 (4) (a) (I), CRS, the Chief of the Colorado State Patrol has the authority to promulgate rules and regulations establishing minimum standards for the operation of commercial vehicles within Colorado.

Amendments are being proposed to 8 CCR 1507-1:

- Updating references to state statutes, the CFR, and CVSA OOS Criteria;
- Updating references to the current Memorandum of Understanding between the Colorado State Patrol and the CVSA;
- Updating website references and related document information; and to
- Reconcile minor grammatical and formatting errors.

It has been declared by the General Assembly that the safe operation of commercial vehicles is a matter of statewide concern. The absence of rules implemented to carry out the purpose of these statutes would be contrary to public health, peace, safety, and the welfare of the state of Colorado. For these reasons, it is necessary that these rules, inclusive of the amendments proposed, be adopted.

Colonel Matthew C. Packard  
Chief, Colorado State Patrol.
