

REDLINE

~~CHAPTER 3: CONSERVATION EASEMENT DONATIONS MADE ON OR AFTER JANUARY 1, 2011, BUT PRIOR TO JANUARY 1, 2014~~

- ~~3.1.— A valid deed of conservation easement must be recorded before a claim can be submitted and a tax credit certificate issued.~~
- ~~3.2.— A claim for a tax credit certificate must include the following:~~
- ~~A.— A signed and completed form titled: "Application for a Conservation Easement Tax Credit Certificate," approved by the Division;~~
 - ~~B.— A signed and completed form titled: "Affidavit for Conservation Easement Appraisals," approved by the Colorado Board of Real Estate Appraisers; and~~
 - ~~C.— A copy of the recorded deed of conservation easement.~~
- ~~3.3.— A taxpayer who submits a claim for a tax credit certificate to the Division must pay a nonrefundable fee as prescribed by the Division.~~
- ~~3.4.— An alternative document may be substituted for the copy of the recorded deed of conservation easement as evidence a conservation easement was conveyed. The alternative document must originate from the county or counties in which the conservation easement was recorded and disclose the following:~~
- ~~A.— The reception number;~~
 - ~~B.— A description of the property;~~
 - ~~C.— The date and time which the easement was recorded; and~~
 - ~~D.— The name of the grantor and grantee.~~
- ~~3.5.— A claim for a tax credit certificate is deemed received by the Division for purposes of section 39-22-522 (2.5), C.R.S., when the application and all other required documents are signed and initialed, properly filled out, and date-stamped by the Division upon receipt. The Division is not responsible for any claims not received. Only after the claim is deemed to be received will the claim be applied towards the limit for the applicable year.~~
- ~~3.6.— The taxpayer must sign, understand, and adhere to all disclosures listed in part three of the form titled: "Application for a Conservation Easement Tax Credit Certificate," in the form approved by the Division at the time the claim is made.~~

- ~~3.7. After the tax credit certificate has been issued, the Department of Revenue has the authority to determine if the conservation easement tax credit does not comply with statutory and regulatory requirements under its jurisdiction. The Division is not responsible should the Department of Revenue determine a conservation easement tax credit does not comply with statutory and regulatory requirements under its jurisdiction.~~
- ~~3.8. A claim for a tax credit certificate is ineligible to receive a tax credit certificate and will not be applied towards the limit for the applicable year if it is based on a conservation easement donation where:~~
- ~~A. The appraiser who conducted the appraisal submitted with the application does not hold a valid active license as a certified general appraiser or fails to meet all of the education and experience requirements established in accordance with section 12-61-704(1)(k), C.R.S. as of the effective date of value in the appraisal report or the certified general appraiser has a practice restriction prohibiting that appraiser from conducting an appraisal for a conservation easement; or~~
- ~~B. The conservation easement holder is not certified by the Division at the time of the donation.~~
- ~~3.9. A tax credit certificate may not be used to claim an income tax credit with the Department of Revenue prior to the year for which the tax credit certificate is issued by the Division.~~
- ~~3.10. If more than one claim is submitted to the Division on the same day, the tax credit certificates with respect to those claims will be issued in the order that the conservation easement deeds were first recorded with the appropriate county or counties.~~
- ~~3.11. In the event a portion of a claim does not qualify under the aggregate limit for 2011 or 2012, a second certificate will be issued for the remaining tax credit amount for the subsequent year.~~
- ~~3.12. In the event a tax credit certificate has been issued for a conservation easement donation and the donation value increases pursuant to a revised appraisal, the taxpayer may submit a second claim to the Division for the increased amount. A second claim must be submitted to the Division in accordance with this rule and will be assigned a tax credit certificate in the order received among all other claims submitted to the Division. A second tax credit certificate for a second claim may be issued for a different year.~~
- ~~3.13. The Division may consult with the taxpayer, the taxpayer's authorized representative, the conservation easement holder, appraiser, the~~

~~Commission and the Department of Revenue regarding a claim for a tax credit certificate.~~

~~3.14. In the event the aggregate limit for a given calendar year is not exceeded and the Division receives and approves a complete application for a tax credit certificate for a conservation easement donated on or after January 1, 2011, the Division may issue a tax credit certificate from the remaining limit. Issuance of the tax credit certificate in this circumstance can only occur if the conservation easement donation was recorded prior to or during the year in which the aggregate limit was not reached.~~
