EMERGENCY RULE CONCERNING 7 CCR 1101-8, Emergency Conveyance Regulations

STATEMENT OF EMERGENCY JUSTIFICATION AND ADOPTION

Pursuant to the State Administrative Procedure Act, Title 24, Article 4, C.R.S., as amended, I, Mahesh Albuquerque, Director of the Division of Oil and Public Safety, am adopting this emergency rule on behalf of the Division of Oil and Public Safety. I find the immediate adoption of this rule is imperatively necessary to comply with state or federal law or federal regulation.

Statutory Authority:

This Emergency regulation is promulgated under the authority of 9-5.5-116(1) C.R.S.

Purpose:

The purpose of this emergency regulation is to change the qualifications for obtaining and renewing the conveyance mechanic license, which must be issued for these individuals to perform work on conveyances in Colorado after January 1, 2008, pursuant to 9-5.5-106 C.R.S. These emergency rules are necessary so that existing and potential licensees are not unduly prohibited from conducting their business until permanent rules are promulgated.

This emergency rule is adopted and shall be effective on this 11th day of September, 2009.
