**Colorado Department of Revenue
Adoption of New Emergency Rule
Emergency Regulation 1 CCR 204-10, Rule 36
Auctioned Registration Numbers**

Statement of Emergency Justification and Adoption

Pursuant to sections 24-4-103(6) and 42-1-204, C.R.S., I Barbara J. Brohl, Executive Director of the Department of Revenue, hereby adopt the aforementioned new emergency rule.

Section 24-4-103(6), C.R.S., authorizes the Executive Director of the Department of Revenue to issue an emergency rule if the Executive Director finds that the immediate adoption of the rule is imperatively necessary to comply with a state law or for the preservation of public health, safety, or welfare and compliance with the requirements of section 24-4-103, C.R.S., would be contrary to the public interest.

I find that the immediate adoption of this rule is imperatively necessary to establish requirements for the Department of Revenue's compliance with the statutory provisions of title 42, article 1, part 4, pursuant to which the license plate auction group, created in section 42-1-403., C.R.S., plans to conduct an on-line auction of registration numbers on August 21, 2014.

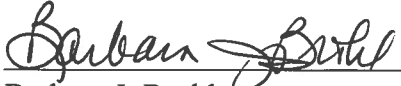

Statutory Authority

The statutory authority for creation of this new rule is cited above. See also 42-3-201, 42-3-202, 42-3-203, 42-3-211, and throughout title 42, article 1, part 4.

Purpose

To establish requirements for the Department's reservation of those registration numbers that the license plate auction group has requested be reserved, for placement of auctioned registration numbers on license plates, and for registering license plates with auctioned registration numbers to vehicles.

This emergency rule shall be effective on the date of its adoption and will remain in effect until the earlier of the date on which it is replaced by a permanent rule adopted in accordance with section 24-4-104, C.R.S., or 120 days from the date of adoption.
