Pursuant to sections 24-4-103, 44-3-201, and 44-3-202, C.R.S., I, Heidi Humphreys, Deputy Executive Director/Chief Operating Officer of the Department of Revenue and State Licensing Authority, hereby adopt the aforementioned Colorado Liquor Rule, which is attached hereto.

Section 24-4-103(6), C.R.S., authorizes the State Licensing Authority to issue an emergency rule if the State Licensing Authority finds that the immediate adoption of the rule is imperatively necessary to comply with a state or federal law or federal regulation or for the preservation of public health, safety, or welfare and compliance with the requirements of section 24-4-103, C.R.S., would be contrary to the public interest.

I find: (1) the adoption of this rule, effective immediately, is necessary to comply with the statutory mandates of the Colorado Liquor Code sections 44-3-101 to 44-3-1002, C.R.S.; (2) the adoption of this rule is necessary to preserve the public health, safety, and welfare; and (3) compliance with the notice and public hearing requirements of section 24-4-103, C.R.S., would be contrary to the public interest.

Authority for this regulation also includes executive order D 2020 093 – Amending Executive Order D 2020 011, D 2020 029, D 2020 052, and D 2020 084, Concerning the Temporary Suspension of Certain Regulatory Statutes Due to the Presence of COVID-19.

Purpose

The State Licensing Authority is adopting this rule on an emergency basis due to the ongoing threat to public health in the state of Colorado caused by the spread of novel coronavirus 2019 (COVID-19). On March 11, 2020, the Governor of Colorado declared a State of Emergency related to the presence of COVID-19 in the state of Colorado. On March 13, 2020, the President of the United States declared a National Emergency due to COVID-19.

In order to minimize the economic impacts of governmental response to the COVID-19 pandemic, the Governor of Colorado has issued Executive Order D 2020 093 – Amending

Executive Order D 2020 011, D 2020 029, D 2020 052, and D 2020 084, Concerning the Temporary Suspension of Certain Regulatory Statutes Due to the Presence of COVID-19. As relevant to emergency Regulation 47-1103, Executive Order D 2020 093 suspends certain provisions of articles 3 and 4 of title 44 to allow certain persons licensed to sell alcohol beverages for on-premises consumption to participate in communal outdoor dining areas. The Order further suspends prohibitions on public consumption of alcohol beverages on duly authorized public right of ways.

In accordance with the legislative declaration of section 44-3-102, C.R.S., the Colorado Liquor Code is deemed an exercise of the police powers of the State of Colorado for the protection of the economic and social welfare and the health, peace, and morals of the people of the State of Colorado. Regulation of the manufacture, distribution, and sale of alcohol beverages is regulated by the Colorado Liquor Code, Colorado Beer Code, and Special Event Liquor Permits Code as a matter of statewide concern. In light of Executive Order D 2020 093, the adoption of this emergency rule is imperatively necessary to ensure continued proper regulation and control over the administration and enforcement of articles 3, 4, and 5 of title 44 to meet these legislative charges and responsibilities in order to preserve the public health, safety, and welfare of the State of Colorado. In particular, adopting this rule on an emergency basis will ensure the preservation of the public health, safety, and welfare of the State of Colorado by establishing requirements for businesses licensed under articles 3 and 4 of title 44 to participate in communal outdoor dining areas. The requirements established in this emergency rule address topics including acceptable service control plans for alcohol consumed in communal outdoor dining areas and licensee liability for violations of the Liquor Code and Rules.

Adoption, Effective Date, and Expiration

The State Licensing Authority hereby adopts the forgoing rule on an emergency basis, effective immediately. The attached emergency rule which will remain in effect until its expiration upon 120 days from the adoption date unless sooner terminated or replaced by a permanent rule.
