**Statement of Emergency Justification and Adoption**

Pursuant to sections 24-4-103 and 44-7-104(5), C.R.S., I, Mark Ferrandino, Executive Director/Chief Executive Officer of the Department of Revenue, hereby adopt the aforementioned rules, which are attached hereto.

Section 24-4-103(6), C.R.S., authorizes the Executive Director of the Department of Revenue to issue an emergency rule if the Executive Director finds that the immediate adoption of the rule is imperatively necessary to comply with a state or federal law or federal regulation or for the preservation of public health, safety, or welfare and compliance with the requirements of section 24-4-103, C.R.S., would be contrary to the public interest.

I find: (1) the adoption of these rules effective June 30, 2021 is necessary to comply with the statutory mandates of Article 7 of Title 44, C.R.S.; (2) the adoption of this rule is necessary to preserve the public health, safety, and welfare; and (3) compliance with the notice and public hearing requirements of section 24-4-103, C.R.S., would be contrary to the public interest.

## Statutory Authority

The statutory authority for these rules is identified in the statement of basis and purpose preceding each rule. Statutory Authority for these rules includes, but is not limited to, subsections 44-7-103, 44-7-104(3), 44-7-104(5), 44-7-104.5(1), 44-7-104.7(3)(b), 44-7-105, 44-7-106, 24-4-104, and 24-4-105, C.R.S.

## Purpose

The Executive Director is adopting these new and revised rules on an emergency basis to implement the new licensing scheme, created by House Bill 20-1001, for retailers selling cigarettes, tobacco products, and nicotine products in accordance with statutory requirements and the needs of the Liquor Enforcement Division.

Pursuant to section 44-7-104.5(1)(a)(I), C.R.S., on or after July 1, 2021, no retailer may sell cigarettes, tobacco products, or nicotine products without a state license. Existing retailers may continue to sell cigarettes, tobacco products, or nicotine products after July 1, 2021 if they apply for a license on or before July 1, 2021. *See* § 44-7-104.5(2)(b), C.R.S. The Liquor Enforcement Division is tasked with enforcing this new licensing requirement and statutory restrictions on sales of cigarettes, tobacco products, or nicotine products, including the prohibition on sales to persons under twenty-one years of age. *See* §§ 44-7-104, -105, C.R.S. Retailers who violate these requirements and prohibitions are subject to statutory penalties. *See* § 44-7-106, C.R.S. Pursuant to section 44-7-104(5), C.R.S., and to ensure the protection of public health, the Executive Director is required to promulgate rules concerning the Liquor Enforcement Division's enforcement of Article 7 of Title 44.

The Liquor Enforcement Division began stakeholder engagement in preparation for the adoption of permanent rules. However, due to the impacts of COVID-19, there was not sufficient time to adopt permanent rules before the July 1, 2021 effective date of the retailer licensing requirement. These rules are necessary to meet the legislative charges and responsibilities and to ensure the protection of public health. The rules establish licensing requirements and standards that retailers will have to meet to obtain and maintain a license as of the July 1, 2021 deadline. These rules also ensure that adequate procedures are in place to ensure due process for retailers in administrative actions for violations of Article 7 of Title 44. It is imperatively necessary to adopt these new rules to ensure that regulatory standards exist as soon as the retailer licensing requirement becomes effective. It is also imperatively necessary to readopt, with minor changes, the fees established in Rule 7-500, 1 C.C.R. 203-1, in order to ensure adequate fees, reflecting the Liquor Enforcement Division's direct and indirect costs, are collected to exercise proper regulation and control over the administration and enforcement of Article 7 of Title 44, C.R.S.

The Liquor Enforcement Division has held four stakeholder working groups to discuss these rules. The Executive Director will file a permanent rulemaking notice in conjunction with this Statement of Emergency Justification and Adoption. The permanent rulemaking process will include the opportunity for additional stakeholder comments and public participation.

### **Adoption, Effective Date, and Expiration**

The Executive Director is adopting these rules on an emergency basis to comply with section 44-7-104(5), C.R.S., requiring the promulgation of rules concerning the Liquor Enforcement Division's enforcement of Article 7 of Title 44 to ensure the protection of public health.

These emergency rules are effective June 30, 2021. The attached emergency rules will remain in effect pursuant to section 24-4-103(6), C.R.S., until their expiration 120 days from the adoption date unless sooner terminated or replaced by a permanent rule.

The purpose of this rule is to establish clear and comprehensive procedures and considerations required for a statement of position and/or a declaratory order.

- B. **Service of Petition for Statement of Position.** A letter for petition for a statement of position shall be served on the Division by mailing or emailing such petition to the Division with a copy sent on the same date to the local licensing authority in the county or municipality where the petitioner's retail location or proposed retail location is located, if applicable. - C. **Time to Respond.** The Division shall respond to a petition for a statement of position in writing setting forth its position and the reasons therefore within forty-five (45) days of receiving such petition.
- D. **Declaratory Orders.** Any person who has petitioned the Division for a statement of position and who is dissatisfied with the statement of position may petition the Executive Director within forty-five (45) days of the issuance of the statement of position, or any amended statement of position, for a declaratory order pursuant to section 24-4-105(11), C.R.S. Any person who has not received a statement of position response within forty-five (45) days, may petition the Executive Director for a declaratory order pursuant to section 24-4-105(11), C.R.S. The parties to any petition for a declaratory order pursuant to this rule shall be the petitioner and the Division.
- E. **Requirements of Petition for Declaratory Order.** Each petition for a declaratory order shall set forth the following:

Each petition for a declaratory order shall contain a certification that the service requirements of this paragraph have been met.
- G. **Acceptance.** The Executive Director will determine whether to entertain any petition for declaratory order. If the Executive Director decides it will not entertain a petition for declaratory order, it shall promptly notify the petitioner in writing of its decision and the reasons for that decision. Any of the following grounds may be sufficient reason to refuse to entertain a petition:
  - 1. The petitioner has failed to petition the Division for a statement of position, or if a statement of position has been issued, the petition for declaratory order was filed with the Executive Director more than forty-five (45) days after issuance of the statement of position.
  - 2. A ruling on the petition will not terminate the controversy nor remove uncertainties concerning the applicability to petitioner of the statute, rule, or order in question.
  - 3. The petition involves a subject, question or issue which is currently involved in a court action, an administrative action before the state or any local licensing authority, an ongoing investigation conducted by the Division, or a written complaint filed with the Executive Director or Division.
  - 4. The petition seeks a ruling on a moot or hypothetical question, having no applicability to the petitioner.

5. Petitioner has some other adequate legal remedy, other than an action for declaratory relief pursuant to Colo.R.Civ.P. 57, which will terminate the controversy or remove any uncertainty concerning applicability of the statute, rule, or order.

H. Determination. If the Executive Director determines that it will entertain the petition for declaratory order, it shall promptly so notify all parties involved, and the following procedures shall apply:

1. The Executive Director may expedite the hearing, where the interests of the petitioner will not be substantially prejudiced thereby, by ruling on the basis of the facts and legal authority presented in the petition, or by requesting the petitioner or the Division to submit additional evidence and legal argument in writing. Any such request for additional information shall be served on all parties.
2. If the Executive Director determines that an evidentiary hearing or legal argument is necessary to a ruling on the petition, the Executive Director shall issue a Notice to Set to all parties and on the date so set, a hearing shall be conducted in conformance with section 24-4-105, C.R.S.
3. In ruling on a petition for declaratory order, the Executive Director may take administrative notice of general, technical, or scientific facts within its knowledge, so long as the fact is specified in the record or is brought to the attention of the parties before final decision and every party is afforded an opportunity to controvert the fact so noticed.
4. Every declaratory order shall be promptly decided and issued in writing, specifying the basis in fact and law for the order.
5. Any other interested person may seek leave of the Executive Director to intervene in the proceeding and such leave may be granted if the Executive Director determines that such intervention will make unnecessary a separate petition for declaratory order by the interested person.
6. A declaratory order shall constitute final agency action subject to judicial review pursuant to section 24-4-106, C.R.S.

I. Record Retention and Reliability. Files of all requests, statements of position, and declaratory orders will be maintained and relied upon by the Division. Except with respect to any material required by law to be kept confidential, such files shall be available for public inspection.

**Rule 7-300. Large-Operators.**

**Basis and Purpose.** The statutory authority for this rule includes, but is not limited to, subsections 44-7-104(5)(a)(I), and 44-7-104(5)(a)(II), C.R.S. The purpose of this rule is to establish large-operator application requirements and associated license fees for retail locations under the same corporate or business entity.

- A. A retailer that operates ten or more retail locations under the same corporate or business entity, including franchises, may, subject to the requirements of this Rule 7-300, apply as a large-operator and use one application to obtain licenses for each retail location.
- B. A large-operator application shall be made upon forms prescribed by the Division. The Division will not consider an application that is not complete in every material detail, or which is not accompanied by the remittance in full of the whole amount of the large-operator license fee established in Rule 7-500. Every large-operator application shall identify each retail location operated by the large-operator and shall include the business address, owner/manager information, phone number, and email address for each retail location.
- C. The large-operator applicant must provide approved local licenses for any and all retail locations subject to local licensing with the application.
- D. The large-operator license fee shall be considered a single fee, and it shall be paid in one transaction. In order to cover the direct and indirect costs of administration and enforcement of article 7, of title 44, C.R.S, the large-operator license fee shall be calculated based on the number of retail locations operated by the large-operator.
- E. Notwithstanding the use of a large-operator application and the payment of the relevant large-operator application fee, each retail location operated by the large-operator shall be issued a separate license from the Division. The use of a large-operator application and payment of a large-operator fee shall not preclude the Division from conducting compliance checks and investigations for each separate retail location and pursuing administrative penalties on each separate license possessed and operated by the large-operator.

**Rule 7-305. Temporary State Licenses.**

Basis and Purpose. The statutory authority for this rule includes, but is not limited to, subsection 44-7-104(5), C.R.S. - B. A temporary state license application shall be made upon forms prescribed by the Division. The Division will not consider an application that is not complete in every material detail, or which is not accompanied by the remittance in full of the whole amount of the temporary state license fee established in Rule 7-500. Every temporary state license application shall include the business address, owner/manager information, phone number, and email address for the retail location.
- C. A temporary state license is not renewable, and shall remain in effect until the earlier of:
  - 1. Thirty (30) days from the date a temporary state license application is approved for a specific retail location; or
  - 2. The date the Division approves or denies an application for a state license under section 44-7-104.5, C.R.S., for the same specific retail location.
- D. An application for a temporary state license may be denied for good cause. The Division shall deny any application for a temporary state license submitted by a retailer that is subject to an order issued by the Division pursuant to subsection 44-7-106(1)(c)(III), C.R.S., prohibiting a retailer from selling cigarettes, tobacco products, or nicotine products, which order renders the retailer ineligible to apply for a state license for three years following the date of the order.
- E. The Division shall approve or deny a temporary state license application within five (5) business days after receiving the application.

### **B. Notices of Denial and Requests for a Hearing.**

1. Applicant Bears the Burden of Proving it Meets Licensure Requirements. A license or permit is a revocable privilege. The Division shall approve or deny a state license application within sixty (60) days after receiving the application.
2. Applicants Must Provide Information to the Division in a Full, Faithful, Truthful, and Fair Manner. An application may be denied where the applicant made misstatements, omissions, misrepresentations, or untruths in the application. Providing misstatements, misrepresentations, omissions, or untruths to the Division also may be the basis for administrative action.
3. Good Cause for Denial. The Division may deny an application, including an initial or renewal application, only for good cause. Good cause shall include the following:
  - a. During any period in which an applicant is ineligible to apply, or prohibited from applying, for a license pursuant to a penalty imposed under section 44-7-106, C.R.S., and Rule 7-601;

The request must be sent to the mailing address of the Division's headquarters, as listed on the Division's website. Include "Attn: Hearing Request" in the mailing address. - b. A respondent that has been served with an order to show cause shall be entitled to a hearing regarding the matters addressed therein.

D. Voluntary Withdrawal of Application.

1. The Division and applicant may mutually agree to allow the voluntary withdrawal of an application in lieu of a denial proceeding.
2. Applicants must first submit a form to the Division requesting the voluntary withdrawal of the application. Applicants will submit the form with the understanding that they were not obligated to request the voluntary withdrawal and that any right to a hearing in the matter is waived once the voluntary withdrawal is approved.
3. The Division will consider the request along with any circumstances at issue with the application in making a decision to accept the voluntary withdrawal. The Division may at its discretion grant or deny the request.
4. The Division will notify the applicant of its acceptance of the voluntary withdrawal and the terms thereof.

If a denied applicant fails to file a required answer, the hearing officer, upon motion, may enter a default against the denied applicant pursuant to section 24-4-105(2)(b), C.R.S. For good cause, as described in this rule, shown, the hearing officer may set aside the entry of default within ten (10) days after the date of such entry.
2. A respondent shall file a written answer with the Hearings Division and the Division

within thirty (30) days after the date of mailing of any order to show cause. The written answer shall comply with the requirements of Rule 8 of the Colorado Rules of Civil Procedure. For good cause, as described in this rule, shown, the hearing officer may set aside the entry of default within ten (10) days after the date of such entry.

F. Hearing Notices.

1. Notice to Set. After issuance of a notice of grounds for denial or an order to show cause, the Division shall promptly file a notice to set with the Hearings Division, and shall send a copy of the notice to set a hearing to the denied applicant or respondent in writing by first-class mail to the last mailing address of record.
2. Notice of Hearing. The Hearings Division shall notify the Division and denied applicant or respondent of the date, place, time, and nature of the hearing regarding denial of the license application or whether discipline should be imposed against the respondent's license at least thirty (30) days prior to the date of such hearing, unless otherwise agreed to by both parties. This notice shall be sent to the denied applicant or respondent in writing by first-class mail to the last mailing address of record. Hearings shall be scheduled and held as soon as is practicable.
  - a. If an order of summary suspension has been issued by the Division, the hearing on the order to show cause will be scheduled and held promptly.
3. Continuances. Continuances may be granted for good cause shown. A motion for a continuance must be timely.
  - a. Good cause for continuances. Good cause for a continuance may include but is not limited to: death or incapacitation of a party or an attorney for a party; a court order staying proceedings or otherwise necessitating a continuance; entry or substitution of an attorney for a party a reasonable time prior to the hearing, if the entry or substitution reasonably requires a postponement of the hearing; a change in the parties or pleadings sufficiently significant to require a postponement; a showing that more time is clearly necessary to complete authorized discovery or other mandatory preparation for the hearing; or agreement of the parties to a settlement of the case. Good cause normally will not include the following: unavailability of counsel because of engagement in another judicial or administrative proceeding, unless the other proceeding was involuntarily set subsequent to the setting in the present case; unavailability of a necessary witness, if the witness' testimony can be taken by telephone or by deposition; or failure of an attorney or a party timely to prepare for the hearing.

G. Prehearing Matters Generally.

1. Prehearing Conferences Once a Hearing is Set. Prehearing conferences may be held at the discretion of the hearing officer upon request of any party, or upon the hearing officer's own motion. If a prehearing conference is held and a prehearing order is issued by the hearing officer, the prehearing order will control the course of the proceedings. Such prehearing conferences may occur by telephone or video conference.
2. Depositions. Depositions are generally not allowed; however, a hearing officer has discretion to allow a deposition if a party files a written motion and can show why such deposition is necessary to prove its case. When a hearing officer grants a motion for a deposition, C.R.C.P. 30 controls. Hearings will not be continued because a deposition is allowed unless (a) both parties stipulate to a continuance and the hearing officer grants the continuance, or (b) the hearing officer grants a continuance over the objection of any party in accordance with subsections (D)(2)(b) and (c) of this Rule.

3. Prehearing Statements Once a Hearing is Set. Prehearing Statements are required and unless otherwise ordered by the hearing officer, each party shall file with the hearing officer and serve on each party a prehearing statement no later than ten (10) calendar days prior to the hearing. 4. Prehearing Statements Binding. The information provided in a party's prehearing statement shall be binding on that party throughout the course of the hearing unless modified to prevent manifest injustice. New witnesses or exhibits may be added only if: (1) the need to do so was not reasonably foreseeable at the time of filing of the prehearing statement; (2) it would not prejudice other parties; and (3) it would not necessitate a delay of the hearing.
5. Consequence of Not Filing a Prehearing Statement Once a Hearing is Set. If a party does not timely file a prehearing statement, the hearing officer may impose appropriate sanctions including, but not limited to, striking proposed witnesses and exhibits.

#### H. Conduct of Hearings.

1. The hearing officer shall cause all hearings to be electronically recorded.

Electronic filings will be accepted at: dor\_regulatoryhearings@state.co.us.
3. The hearing officer shall administer oaths to all witnesses at hearing. The hearing officer may question any witness.

Any party may move the hearing officer to seal an exhibit or order other appropriate relief if necessary to safeguard the confidentiality of evidence.
5. Court Rules.
  - a. To the extent practicable, the Colorado Rules of Evidence apply. Unless the context requires otherwise, whenever the word "court," "judge," or "jury" appears in the Colorado Rules of Evidence, such word shall be construed to

- b. To the extent practicable, the Colorado Rules of Civil Procedure apply. However, Colorado Rules of Civil Procedure 16 and 26-37 do not apply, although parties are encouraged to voluntarily work together to resolve the case, simplify issues, and exchange information relevant to the case prior to a hearing. Unless the context otherwise requires, whenever the word “court” appears in a rule of civil procedure, that word shall be construed to mean a hearing officer.

6. Exhibits.

- a. All documentary exhibits must be paginated by the party offering the exhibit into evidence.
- b. The Division shall use numbers to mark its exhibits.
- c. The denied applicant or respondent shall use letters to mark its exhibits.

7. The hearing officer may proceed with the hearing or enter default judgment if any party fails to appear at hearing after proper notice.
