### **Amendment of 6 CCR 1007-3, Part 7 - Deletion and Replacement of Existing Part 7 - Procedural Rules of the Solid and Hazardous Waste Commission**

This hearing was originally noticed to be held on November 17, 2015. Due to inclement weather, the commission continued the following matter until Tuesday, February 16, 2016 at 9:30 a.m. at the Colorado Department of Public Health and Environment, Sabin Conference Room, Denver, CO 80246. These modifications are made pursuant to the authority granted to the Solid and Hazardous Waste Commission in Section 25-15-302(7)(b) C.R.S. The purpose of these rules is to establish procedural rules by which the Solid and Hazardous Waste Commission ("Commission") shall conduct its meetings, formal rulemaking, reviews of administrative penalties and informal hearings. The rules also set forth any prehearing proceedings and procedures that the Commission may impose. The rules are intended to assure that such procedures and hearings before the Commission are fair and impartial, comply with the requirements of the Colorado Administrative Procedures Act, Sections 24-4-101, *et seq.*, C.R.S., the Colorado Hazardous Waste Act, Sections 25-15-301, *et seq.*, C.R.S., and the Solid Waste Disposal Sites and Facilities Act, Sections 30-20-101 *et seq.*, and to foster substantive discussion on the issues and minimize burdensome procedures. The proposed procedural rules will fully replace the current rules.

Any alternative proposals for rules or written comments relating to the proposed amendment of the regulation will be considered. The Solid and Hazardous Waste Commission will accept written testimony and materials regarding the proposed alternatives. **The Commission strongly encourages interested parties to submit written testimony or materials to the Solid and Hazardous Waste Commission Office, via email to [brandy.valdezmurphy@state.co.us](mailto:brandy.valdezmurphy@state.co.us) by Friday, January 15, 2016 at 11:59 p.m. Written materials submitted in advance will be distributed to the Commission members prior to the day of the hearing.** Submittal of written testimony and materials on the day of the hearing will be accepted, but is strongly discouraged. Any information that is incorporated by reference in these proposed rules is available for review at the Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division and any state publications depository library.

Pursuant to C.R.S. §24-4-103(3), a notice of proposed rule-making was submitted to the Secretary of State on November 20, 2015.
