**Subject:** Colorado Opportunity Scholarship Initiative Rulemaking

As part of the Colorado Administrative Procedure Act (APA), the Colorado Opportunity Scholarship Initiative posted rules for the administration of the COSI program. These rules can be found [here](#) on the Secretary of State website. Our external process will include a public hearing on July 15, 2020 at 10:00am. Location details are still pending due to social distancing recommendations; the agenda and location will be published on our website by July 1, 2020.

As a member of the community, we value your opinion on the development of our program. If after reading the proposed rules you have any feedback to share by phone or in person with our team - or as written or oral testimony for our public hearing on July 15 - please reach out to me directly.
