receive any Perquisite except as provided by State statute or this Fiscal Rule. Monetary allowances shall not be given to State employees in lieu of Fringe Benefits, except as provided by State statute or approved by the State Controller. Where State statutes provide allowances for maintenance and ordinary expenses incurred in the performance of duty, it is the responsibility of the Chief Executive Officer of the State Agency or Institution of Higher Education to establish specific expenses that are covered by the allowance so that the same expenses are not also directly reimbursed. A State Agency or Institution of Higher Education may provide any payment, benefit, or privilege to a State employee, that is not considered a Perquisite, in its sole discretion. If a State Agency or Institution of Higher Education provides a Perquisite allowed under this Fiscal Rule, then it shall equitably determine which State employees are eligible to receive such Perquisites.

Such instructional courses and job related training may include, without limitation, continuing education courses for licensed professionals, regardless of whether such license is a mandatory requirement of the employee's position; courses provided by private entities to enhance job-related skills; and courses provided by public or private colleges and

universities, including State Institutions of Higher Education.

3.1.6. De Minimis Employee Appreciation Items – A State Agency or Institution of Higher Education may provide non-cash awards, items of clothing, meals and other items intended to show employee appreciation, so long as those items are de minimis. The State Controller may issue policies regarding the frequency with which such items may be provided and the value of those items that are considered de minimis. Cash awards or cash equivalents, for example gift cards, in any amount are not de minimis and are taxable to the employee.

3.1.7. Bookstore Discounts – An Institution of Higher Education may provide equitable discounts for its faculty members and employees for purchases at its bookstores.

3.1.8. Commuter Use of State Owned Vehicles – A State Agency or Institution of Higher Education may provide a State owned vehicle to an employee to use for commuting purposes when the State Agency or Institution of Higher Education determines that the employee requires the use of the State owned vehicle for work purposes and also allowing the employee to use the State owned vehicle for commuting is the most efficient use of State fleet resources, as described in Fiscal Rule 9-6 (Miscellaneous Compensation).

4. PAYMENTS FOR PERQUISITES

4.1. A State Agency or Institution of Higher Education that provides any Perquisite to a State employee may choose to either provide that Perquisite without cost to the employee or may charge the employee for that Perquisite. For each Perquisite offered by a State Agency or Institution of Higher Education for which an employee is charged, the Chief Executive Officer of that State Agency or Institution of Higher Education shall annually determine the amount that the agency will charge its employees. All such charges shall be equitable for all employees to whom the Perquisite is offered.

Prior to entering into Commitment Vouchers for proposed expenditures, State Agencies and Institutions of Higher Education shall ensure the following:

3.1.1. The purchase satisfies all appropriate procurement requirements;

3.1.2. The Commitment Voucher used meets the requirements for that type of Commitment Voucher, as defined by Fiscal Rules; and

3.1.3. The purchase complies with applicable statutes, executive orders, rules, and policies.

3.2.In addition to the requirements in §3.1 of this Fiscal Rule, State Agencies and Institutions of Higher Education shall ensure the following for all Commitment Vouchers, other than Small Purchase Documentation:

3.2.1. The Commitment Voucher adequately defines all parties involved in the transaction, the respective performance obligations of the parties, the maximum

amount payable and pricing, the required performance date, the timing of payments, and the entity responsible for payments;

3.2.2. The Commitment Voucher terms and conditions represent a commercially reasonable allocation of risks between the parties and any risks to the State are outweighed by the benefits to the State; and

3.2.3. The expenditure is encumbered prior to or concurrently with the execution of the Commitment Voucher.

3.2.3.1. The Encumbrance of funds is not required for the following:

3.2.3.1.1. Agreements related to the issuance of Financing where the payment for that work will be paid out of the proceeds of the Financing and the State is not obligated to pay if the Financing is never received by the State;

3.2.3.1.2. Agreements where the total amount of payments are calculated as a portion of revenues received, and the State is not obligated to pay until after the revenues are actually collected; and

3.2.3.1.3. Any of the items specified in §5.4 of this Fiscal Rule.

3.2.3.2. Regardless of the total term of a Commitment Voucher, a State Agency or Institution of Higher Education shall only encumber funds for the current State fiscal year of the Commitment Voucher, unless the Agency or Institution of Higher Education has continuous spending authority for the Commitment Voucher.

4. COMMITMENT VOUCHERS

4.1. Purchase Orders – When State Agencies and Institutions of Higher Education are required to use a PO as the Commitment Voucher under this Fiscal Rule, the State Agency or Institution of Higher Education shall use the PO in accordance with Fiscal Rule 3-2 (Purchase Orders) and shall comply with all requirements of that Rule.

4.3. Grants – When State Agencies and Institutions of Higher Education are required to use a Grant Agreement or Small Dollar Grant Award as the Commitment Voucher under this Fiscal Rule, the State Agency or Institution of Higher Education shall use the Grant Agreement or Small Dollar Grant Award in accordance with Fiscal Rule 3-4 (Grants) and shall comply with all requirements of that Rule.

4.4. Interagency Agreements – When State Agencies and Institutions of Higher Education are required to use an Interagency Agreement under this Fiscal Rule, the State Agency or Institution of Higher Education shall use the Interagency Agreement in accordance with Fiscal Rule 3-5 (Interagency Agreements) and shall comply with all requirements of that Rule.

4.5. Small Purchase Documentation – When State Agencies and Institutions of Higher Education use Small Purchase Documentation as the Commitment Voucher under this Fiscal Rule, the State Agency or Institution of Higher Education shall ensure that the Small Purchase Documentation describes the following:

- 4.5.1.** The goods or services being purchased and the reason for the disbursement of funds if the description of the goods or services doesn't otherwise clearly specify the reason;
 - 4.5.2.** The total amount due for the goods delivered or services provided and sufficient detail or itemization to ensure that the proper amount will be paid and the prices are fair and reasonable; and
 - 4.5.3.** Sufficient detail to determine if the delivery of goods or provision of services was successfully completed and accepted.
- 4.6.** Separate Small Purchase Documentation is not required for purchases made by Travelers, defined in Fiscal Rule 5-1 (Travel), that do not require a receipt under Fiscal Rule 5-1(Travel), as the travel authorization constitutes the Small Purchase Documentation for those purchases. As the Commercial Card is only a method of payment, purchases made with a Commercial Card require Small Purchase Documentation and also may require another form of Commitment Voucher.

5. DOLLAR LIMITS AND REQUIREMENTS

5.1. The following table describes the required Commitment Voucher for the different types of agreements.

<u>TYPE OF AGREEMENT</u>	<u>DOLLAR LIMIT</u>	<u>REQUIRED DOCUMENT FOR COMMITMENT VOUCHER</u>

State Agencies and Institutions of Higher Education shall use a single Commitment Voucher for purchases in accordance with the State Controller Contract, Grant, and Purchase Order Policies regarding single purchases.

5.3.Dollar Limits and Price Agreements – The dollar limits apply to orders of goods or services using price agreements.
