

STATE OF COLORADO
DEPARTMENT OF THE TREASURY

Walker R. Stapleton
State Treasurer

Brett J. Johnson
Deputy Treasurer

October 16, 2013

To Whom it may Concern,

As required by statute, the purpose of this memo is to discuss the Department of Treasury's 2014 Regulatory Agenda.

Senate Bill 12-150, codified in part as section 24-36-121., C.R.S., authorizes the State Treasurer to promulgate by rule, a state public financing policy and to act as the centralized issuing manager for certain financial obligations of the State of Colorado.

Based on the recommendations by the legislative council to amend the State Public Financing Policy rule promulgated in 2012, the Treasury submitted emergency rules on June 14, 2013. Permanent rules were filed on June 4, 2013. The permanent rule was adopted on July 16, 2013 and became effective September 14, 2013. The rule has been reviewed by the Office of Legislative Legal Services staff and no objections have been made.

The Department of the Treasury has no immediate regulatory agenda for 2014.

Sincerely,

A handwritten signature in blue ink that reads "Brett Johnson".
