

Instructions: Statement of Correction of Trademark Information Correcting the Description of the Goods or Services and/or Applicable Class

Use these instructions when completing a Statement of Correction of Trademark Information Correcting the Description of the Goods or Services and/or Applicable Class pursuant to [§ 7-90-305](#) of the Colorado Revised Statutes (C.R.S.). The required form/cover sheet must be used when submitting the document for filing. Mistakes may have legal consequences: review the information provided carefully. The Colorado Secretary of State's office cannot provide legal advice. Questions should be addressed to the user's legal, business or tax advisor(s). Only provide information that is required or permitted to be included in the document. Information included in the document must be in English, typewritten or machine printed, and must state the name and address of at least one individual causing the document to be delivered for filing. In order to obtain a copy of the filed document or access additional information, including Frequently Asked Questions (FAQs), visit our Web site, www.sos.state.co.us.

Instructions

Note: If the pre-filled information is incorrect, the appropriate form must be submitted for filing to change or correct the information. Pre-filled fields are noted below.

Entity ID Number: The ID Number field will be pre-filled with the 11 digit number assigned to the record by the Colorado Secretary of State.

Trademark ID Number: The ID Number field will be pre-filled with the 11 digit number assigned to the record by the Colorado Secretary of State.

True Name: The True Name field will be pre-filled with the true name of the trademark registrant exactly as such name is recorded by the Colorado Secretary of State's Office.

Trademark: The Trademark field will be pre-filled with the trademark exactly as it is recorded by the Colorado Secretary of State's Office. If the trademark is a standard character trademark, the field will be pre-filled with the characters constituting the trademark. If the trademark is a special form trademark, the field will be pre-filled with the description of the trademark.

Document Number: The number of the document being corrected will be pre-filled with the document number selected on the Available Documents screen.

Correction of the Description of the Goods or Services: Select the "Yes" button if the statement of the description of the goods or services is incorrect as stated in the document identified above.

Description of Goods or Services: Enter a detailed description of the type(s) of goods or services with which the trademark is used if description was previously incorrect.

Correction of the Class Code: Select the "Yes" button if the statement of the class is incorrect as stated in the document identified above.

Class of Goods or Services: Select the class code corresponding to the goods or services as stated in the document identified above or as described in the corrected description. (A list of class codes can be found at the end of these instructions.) If you have questions regarding the different classes, the United States Patent and Trademark Office provides information about the classes on their Web site, <http://www.uspto.gov>. In addition, a search may be performed at <http://tess2.uspto.gov/netahtml/tidm.html> to help determine the proper class for the goods or services.

Additional Information: Select the “No” button if no additional information will be attached. Select the “Yes” button if additional information is permitted or required by law to be included in the document. After selecting “Submit” at the bottom of the online form, the Manage Attachments page will appear and allow for the attachment of the additional information as a plain text, PDF, or JPEG document.
