On August 5, 2013, the proponents and designated representatives of Proposed Initiative 2013-2014 #22, "Funding for Public Schools," submitted 165,710 petition signatures to the Secretary of State. After reviewing a five percent random sample of the submitted signatures, the Secretary of State projected the number of valid signatures to be less than 110 percent but more than 90 percent of the total number of signatures required for placement on the ballot. Therefore, the Secretary ordered the examination and verification of each signature filed.

**Line-by-line verification summary:**

Total number of qualified signatures lines	165,710
Total number of signatures required for placement on ballot	86,105
Total number of entries rejected (invalid)	75,890

Because the petition for Proposed Initiative 2013-2014 #22 contains more than 86,105 valid signatures, it will be certified to the 2013 coordinated election ballot.

Dated September 4, 2013.
