BALLOT TITLES

This document contains two lists of the ballot titles for statewide initiatives and referred measures. The first list is in English, and the second list is in Spanish. The Spanish language translation was obtained from the Legislative Council Staff.

All of the titles, except for Referenda A, B, C, D, and E are stated in the form of a question. Referenda A through E are in the form of statements as specified in the applicable legislation.

"Ballot issues referred by the general assembly or any political subdivision are listed by letter, and ballot issues initiated by the people are listed numerically. A 'yes' vote on any ballot issue is a vote in favor of changing current law or existing circumstances, and a 'no' vote on any ballot issue is a vote against changing current law or existing circumstances." - Section 1-40-115 (2), Colorado Revised Statutes

Shall there be an amendment to the Colorado constitution concerning English-language education in Colorado public schools, and, in connection therewith, requiring children to be taught by using the English language in their classrooms and requiring children who are learning English to be placed in an English immersion program that is intended to last one year or less and, if successful, will result in placement of such children in ordinary classrooms; exempting from such requirements those children whose parents or legal guardians obtain annual waivers allowing the children to transfer to classes using bilingual education or other educational methodologies, but making such waivers very difficult to obtain because the school can grant them only in very restrictive circumstances and can deny them for any reason or no reason thereby reducing the likelihood that bilingual education will be used; requiring schools that grant any waivers to offer bilingual education or other educational methodologies when they have at least 20 students in the same grade who receive a waiver and in all other cases permitting students to transfer to a public school in which bilingual education or other methodologies are offered, with the cost of such transfer, excluding transportation, to be provided by the state; allowing a parent or legal guardian to sue public employees granting a waiver if the parent or guardian later concludes that the waiver was granted in error and injured the child's education; creating severe legal consequences identified in the amendment for such public employees who willfully and repeatedly refuse to implement the amendment; and requiring schools to test children learning English, enrolled in second grade or higher, to monitor their progress, using a standardized nationally-normed test of academic subject matter given in English?

Enmienda 31

¿Debera aprobarse una enmienda a la constitución de Colorado con respecto a la educación en el idioma inglés en las escuelas públicas de Colorado y, en relación con la misma, exigir que los niños sean enseñados usando el idioma inglés en sus salones de clase y exigir que los niños que están aprendiendo el inglés sean colocados en un programa de sumersión de inglés diseñado para durar un año o menos y, de ser exitoso, conduzca a la colocación de dichos niños en los salones de clase regulares; eximir de dichos requisitos a aquellos niños cuyos padres o tutores legales obtengan exenciones anuales que permiten a los niños transferirse a clases usando la educación bilingüe u otras metodologías, pero haciendo que dichas exenciones sean muy difíciles de obtener, ya que la escuela sólo podrá concederlas bajo circunstancias muy restrictivas y podrá negarlas por cualquier motivo o sin motivo, reduciendo así la probabilidad de que se use la educación bilingüe; exigir a las escuelas que concedan exenciones que ofrezcan educación bilingüe u otras metodologías docentes cuando tienen por lo menos 20 estudiantes en el mismo grado que reciben una exención, y en todos los demás casos, que permitan que los estudiantes se transfieran a una escuela pública en la cual se ofrece la educación bilingüe u otras metodologías, siendo el costo de dicha transferencia, excluyendo el transporte, sufragado por el estado; permitir al padre / madre o tutor legal a demandar a los empleados públicos que conceden una exención si el padre / madre o tutor legal posteriormente llega a la conclusión que la exención se concedió por error y perjudicó la educación del menor; crear consecuencias legales severas identificadas en la enmienda para dichos empleados públicos que intencional y repetidamente se niegan a implementar la enmienda; y exigir a las escuelas que hagan exámenes de los niños que sean estudiantes de inglés inscritos en el segundo grado o más alto, para vigilar su evolución usando una prueba estándar de normalización nacional de materias académicas impartidas en inglés?
