

A MESSAGE FROM THE SECRETARY

Dear Voter,

As Colorado's chief elections official, it is my pleasure to welcome you to the "Military and Overseas Electors" page of our website. This section provides military and overseas voters with the information and forms necessary to vote in Colorado's elections.

Colorado has a long history of encouraging and empowering overseas voters. Historically, Colorado has one of the highest turnout rates in the country for overseas and military voters, topping 70% in the 2012 general election. We were the first state in the country to make electronic ballot delivery available to our overseas residents. We are committed to providing every possible resource to make sure that voters who will be stationed or travelling abroad can register to vote and cast a ballot. We will continue to work with the General Assembly and the military to find efficient and practical avenues for our overseas voters to exercise their right to vote.

This page is provided as a resource to you, to give ample time to plan for the receipt and return of your ballot. Please know that my office and the offices of the county clerks stand ready to assist in any way possible to ensure that your ballot is relayed in an efficient and timely manner. I hope this website helps to answer or resolve any issues or questions that may arise. If it doesn't, please contact my office at elections@sos.state.co.us or at 303-894-2200.

Lastly, I want to extend my personal thanks to you for your willingness to serve our country.

Sincerely,

Wayne Williams
Secretary of State
