The Honorable Wayne Williams
and Pilot Election Review Committee
State of Colorado – Department of State
1700 Broadway, Suite 200, Denver, CO 80290

Dear Secretary Williams and esteemed members of the Pilot Election Review Committee:

Please accept this letter as my personal and professional endorsement of Dominion Voting as an outstanding business partner to the Arapahoe County Clerk and Recorder’s Office.

I had the good fortune of working with a team from Dominion during my tenure as the Weber County Elections Director in Utah from 2012 to 2015. They consistently provided superior election night support and worked closely with the Utah Clerks to provide options for maintaining and extending the life of our voting equipment. I found their organization to be world-class in many ways.

It has been a pleasure to continue that relationship as the Deputy of Elections & Records for Arapahoe County in 2015. Dominion’s team consistently helped Arapahoe County to conduct a successful election and are always prepared to proactively identify options and solutions to any challenges we encounter.

One area where I have been particularly impressed with Dominion is their flexibility in adapting to county-specific needs and occasional variations, such as a candidate who withdrew right on the deadline after our Coordinated Election ballot had already been programmed. Their knowledge and experience was extremely helpful as they guided us through our options to ensure votes cast for the withdrawn candidate would not be counted.

Dominion has regularly provided seamless customer support, all the way from our sales representative to the front-line technicians. They are easy to work with and provide consistent and strong communication with our county – an essential element of successfully administering an election.

Again, I highly recommend Dominion Voting and would welcome their selection as the sole provider of election equipment in the state of Colorado. Thank you for your consideration.

Sincerely,

Jennifer Morrell
Deputy of Elections & Records
