I. Basis and Purpose

This statement explains amendments to the Colorado Secretary of State Election Rules. The amendments are intended to ensure uniform and proper administration, implementation, and enforcement of Federal and Colorado election laws,¹ improve elections administration in Colorado, and increase the transparency and security of the election process.

Temporary Rule 2.16.3 is necessary given the close proximity of the 2017 Coordinated Election. The Secretary of State must adopt rules to provide clear guidance to county clerks regarding election systems security requirements.

II. Rulemaking Authority

The constitutional and statutory authority is as follows:

1. Section 1-1-107(2) (a), C.R.S., (2017), which authorizes the Secretary of State “[t]o promulgate, publish and distribute...such rules as the secretary finds necessary for the proper administration and enforcement of the election laws.”
2. Section 1-1.5-104(1)(b), C.R.S., (2017), which authorizes the Secretary of State to “[p]romulgate, oversee, and implement changes in the statewide voter registration system as specified in part 3 of article 2 of this title.”

New Rule 2.16.3

In accordance with Colorado election law,¹ the Secretary of State finds that certain amendments to the existing election rules must be adopted and effective immediately to ensure the uniform and proper administration and enforcement of Colorado election laws.

Temporary adoption is necessary both to comply with law and to preserve the public welfare given the close proximity of the 2017 Coordinated Election. The Secretary of State must adopt rules to provide clear guidance to county clerks regarding election systems security requirements.

For these reasons, and in accordance with the State Administrative Procedure Act, the Secretary of State finds that adoption and immediate effect of the amendments to existing election rules is imperatively necessary to comply with state and federal law and to promote public interests.²
