**Cc:** Jack Arrowsmith  
**Subject:** Recommended wording for New Rule 10.9

Good afternoon,

I am submitting the recommended wording for new rule 10.9 on behalf of Jack Arrowsmith, Douglas County Clerk & Recorder.

10.9 Tracking Ballot Batches. The county clerk must implement a process to dissociate batch numbers from the counted ballots after the contest period has expired or any contest of the election has concluded.

Regards,

Sheri Davis  
Election Manager  
Douglas County Clerk & Recorder
