**Subject:** Written comments - bingo rulemaking hearing 6/16/2014

*Good Morning,*

Please use the opportunity of these upcoming changes to the bingo rules to simplify reporting requirements. Currently the *Games Manager* is required to file reports (on pain of \$50/day fines) for his entire term. These reports have to be filed even if no games are being conducted. Because of the amount of reporting required, many smaller groups are ignoring the Bingo and Raffle rules entirely.

Please reduce and simplify the reporting burden by not requiring reports when there is no activity.
