Please consider the following comment regarding election rules to be implemented in 2016:

Rule 6.4.2 is confusing. Is it saying that counties with fewer than 5,001 active electors by the 90th day before Election Day may use regular county staff that are sworn in as election judges to conduct signature verification, or is it saying that counties with fewer than 5,001 active electors by the 90th day before Election Day **that have obtained written consent by each major party county chair** may use regular county staff that are sworn in as election judges to conduct signature verification? If the latter is the case, then Rule 6.4.1. should be removed as Rule 6.4.2. basically says the same thing.
