The testimony may be under oath and may embrace any matters which the Commission or its agents consider relevant to the discharge of its official duties. Testimony so taken may be used by the Commission as evidence in any proceeding or matter then before it or which may later come before it. Failure to appear and testify fully at the time and place designated, unless excused, may constitute grounds for disciplinary action against a license held by the person summoned, that person's principal or that person's employer.

### **3.3 Applications.**

- (1) An applicant for any type of license must apply on forms provided by the Division. Such application forms shall be completed under penalty of perjury. The application forms may include questions concerning the following:
  - (a) Personal background information;

  - (d) Financial information;
  - (e) Participation in legal or illegal activities in Colorado or other jurisdictions, including foreign countries;

- (f) Criminal record information;

- (h) Other information as required.

The application forms shall be accompanied and supplemented by such documents and information as may be specified or required. Failure to supply the information requested within five days after the request has been made by the Division constitutes grounds for delaying consideration of the application.

- (2) Renewal applications for licenses may be submitted and renewed upon the filing and approval of an application for renewal. Renewal applications for master licenses, sports betting operator licenses, internet sports betting operator licenses, vendor major licenses, and vendor minor licenses must be received by the Division 120 days before the expiration of the current license. Renewal applications for support employee and key employee licenses must be received by the Division 30 days before the expiration of the current license. - (3) When a key employee license or support employee license expires prior to renewal, the applicant for re-licensure shall file an original license application and shall pay the fee for an original application, and the Division shall process the application as an original license application.
- (4) Applicants, licensees, and others who submit documents to the Division or the Commission in connection with any investigation or inquiry are advised to keep a complete and detailed record of all such submissions. Once submitted, the documents become part of the Division's investigative files and work papers, and are presumed to be confidential and protected pursuant to section 44-30-1507, C.R.S. Because of the inconvenience to the Division in segregating this information from the investigative files, and in filtering confidential materials, disclosure to the person who initially submitted the record is not favored. The Commission may grant such a request only upon a showing of compelling cause.

### **3.4 License fees.**

- (1) A non-refundable fee for issuance of a two-year license must accompany an application for any license required by this Rule.
- (2) The amount of the fee required by subsection (1) shall be set pursuant to the annual fee schedule proposed by the Director and approved by the Commission.

### **3.5 Investigation and background check costs.**

- (1) All applicants for licenses shall pay the costs of investigations into their backgrounds, suitability, and qualifications for licensure.
  - (a) The cost of such investigations shall be at the current hourly rate set by the formula prepared by the Director and approved by the Commission for each hour spent by investigators of the Division, the Colorado Bureau of Investigation, or the Department of Revenue investigating the applicants until the conclusion of the investigation.

- (b) All such applicants shall also pay the Division for the following actual costs incurred in conducting the background investigations: transportation, lodging, meals, and other expenses associated with traveling; significant office expense; document reproduction costs, preparation time; time necessary for administration of the investigation (including additional staffing on a temporary basis); and other similar expenses incurred until the conclusion of the investigation.
  - (c) An investigation concludes upon the issuance by the Commission of an initial order concerning the issuance or denial of the license, upon the issuance by either the Commission or the Division of an order approving the withdrawal of the application, or upon the issuance by the Division of an order of denial of the license which is not appealed to the Commission.
- (2) Additionally, applicants shall submit a set of fingerprints to the Division, except that an applicant whose primary residence is located outside of the United States is not required to satisfy this requirement unless the Commission determines otherwise. The Division shall forward the fingerprints to the Colorado Bureau of Investigation for the purpose of conducting a state and national fingerprint-based criminal history record check utilizing records of the Colorado Bureau of Investigation and the Federal Bureau of Investigation. The applicant for a sports betting license shall be responsible for the actual costs of submitting such fingerprints for investigation. The total amount of the fee for issuance of a license, investigation fees, and fees for the background check for an applicant for a sports betting license may not exceed one hundred and twenty-five thousand dollars.
- (3) Before any such investigations are conducted, each original applicant for a sports betting operator license or internet sports betting operator license, or vendor major license shall pay a deposit of \$10,000 to the sports betting fund. Upon notice to the applicant, all other license types may be required to pay a deposit to the sports betting fund in an amount, which, in the Director's discretion, is sufficient to enable the investigation to be conducted.
- (4) As expenses are incurred, the Division shall draw upon the respective deposits in the sports betting fund. Upon request, a statement of costs, draws upon deposit, and deposit balance shall be sent to the applicant making the request.
- (5) When a deposit balance approaches zero dollars, or is forecasted to reach zero dollars due to anticipated or known expenses which will be incurred in the future, the Division may request a further deposit of an amount sufficient to cover the anticipated expenses and which will prevent the account balance from becoming negative. Until receipt of such further deposit, investigation of the application may cease.
- (6) Where an applicant disputes any investigative charges, or the necessity for further deposits, the applicant may request relief from the Commission, by declaratory order or other appropriate motion, regarding the matters in dispute.
- (7) No license, finding of suitability, or other approvals sought, shall be issued until payment for the full amount of any negative deposit balance has been received from the applicant.
- (8) Within 90 days of the conclusion of the investigation, any deposit balance shall be returned to the applicant. A statement of costs, also called an account detail report, draws upon deposit, and deposit balance shall accompany the return of the deposit balance to the applicant.

**3.6 Contract approvals.**

Applicants for a master license, sports betting operator license, internet sports betting operator license, and vendor major license must provide, at the time of application, contracts or proposed contracts with all other sports betting licensees or applicants for a sports betting license, in a form as specified by the Division.

**3.7 Retail gaming licenses.**

Any applicant who holds a retail gaming license may apply for a master license. Upon the applicant's submission of an application and payment of all applicable fees, the Commission may issue one master license for each retail gaming license the applicant holds.

**3.8 Waiver of privilege.**

An applicant may claim any privilege afforded by the Constitution of the United States, or of the State of Colorado in refusing to answer questions by the Division and the Commission. However, a claim of privilege with respect to any testimony or evidence pertaining to an application may constitute sufficient grounds for denial of an application or revocation of a license.

**3.9 Waiver of application requirements.**

Business applicants for a sports betting license and licensees, or holding, intermediate or subsidiary companies of an applicant or licensee, may petition the Division for a waiver of the requirements listed in sections 44-30-1504(1) or (2), C.R.S. Waivers may be granted in the discretion of the Director upon a showing of good cause, subject to Commission approval.

**3.10 Untrue statements.**

The Commission may refuse to grant a license to an applicant who makes deliberate misstatements, deliberate omissions, misrepresentations, or untruths in the application or in connection with the applicant's background investigation. Such conduct may also constitute a class 6 felony.

**3.11 Designated gaming area.**

(1) An applicant for a master license must specify the designated gaming area(s) within the casino, if any, where sports betting will take place by providing the following information:

- (a) An 8 1/2" x11" drawing to scale of the building, and each floor thereof, in which sports betting shall be conducted.

A diagram, outlined in red, of the proposed designated gaming area(s) on each floor within the building, and including the placement of any self-service sports betting devices. No sports betting, except online sports betting by a customer using his or her own computer or mobile or interactive device, shall be conducted or permitted outside of the designated gaming area(s). All persons participating in sports betting, except online sports betting by a customer using his or her own computer or mobile or interactive device, must stand or sit within the designated gaming area(s); and no licensee shall permit any person to conduct or participate in sports betting, except online sports betting by a customer using his or her own computer or mobile or interactive device, who is not within the designated gaming area(s). Nothing in this section, however, shall be construed to permit violation of any fire safety, health or building codes by any licensee. The designated gaming area(s) must be clearly marked as such so that the patrons of each establishment licensed to operate sports betting can readily discern the designated gaming area(s).

- (b) A certificate of compliance approved by the local fire and building officials which has been approved, or deemed approved, by the Colorado Division of Fire Prevention and Control; and a written statement by the appropriate local official that handicapped access to the designated gaming area(s) has been provided.
- (2) Any master licensee may change the configuration of its designated gaming area(s) upon prior approval of the Division. Application to modify the designated gaming area(s) must be made on forms furnished by the Division. **BASIS AND PURPOSE FOR RULE 10**

The purpose of Rule 10 is to establish procedures and articulate grounds for disciplinary actions and informal resolution of allegations of violations of the provisions of article 30 of title 44 C.R.S., or any Rules and Regulations promulgated pursuant to such article, to provide procedures to impose sanctions for violations, and to provide for certain conditions to be met for reissuance of licenses to persons who formerly held a license. The statutory basis for Rule 10 is found in sections 44-30-201, C.R.S., 44-30-202, C.R.S., 44-30-203, C.R.S., 44-30-302, C.R.S., 44-30-504, C.R.S., 44-30-523, C.R.S., 44-30-524, C.R.S., 24-4-104, C.R.S. and part 15 of article 30 of title 44, C.R.S.

**RULE 10        GROUNDS AND PROCEDURES FOR DISCIPLINARY ACTIONS**

**10.1        Grounds for disciplinary action.**

The Commission may levy a monetary penalty or may suspend or revoke, any license issued by it or the Director for any violations by the person holding the license, or such licensee's employees or agents, of any of the provisions of article 30 of title 44, C.R.S., or any of the Rules and Regulations promulgated thereunder. Acceptance of a state sports betting license or renewal thereof by a licensee constitutes an agreement on the part of the licensee to be bound by all the Regulations of the Commission as the same now are or may hereafter be amended or promulgated. It is the responsibility of the licensee to keep the licensee self-informed of the content of all such Regulations, and ignorance thereof will not excuse violations.

**10.2        Initiation of disciplinary proceedings.**

- (1)        Upon its own motion, upon motion of the Director, or upon written complaint signed and sworn to by the complainant, the Commission may determine to initiate disciplinary proceedings against any person licensed pursuant to article 30 of title 44, C.R.S. Disciplinary proceedings, as used herein, shall mean those procedures undertaken by the Commission to suspend or revoke any license issued by it or the Director, to levy a monetary penalty against any licensee, or to otherwise sanction violations of sports betting laws and Rules.
- (2)        The Commission may initiate disciplinary proceedings against a license where it determines that there is probable cause to believe: that the licensee, the licensee's employees, or agents have violated any of the provisions of article 30 of title 44, C.R.S., or the Rules and Regulations thereunder; that the licensee or persons associated with the licensee are of unsatisfactory moral character; or that violations by the licensee, the licensee's employees, or agents, of laws other than the sports betting laws make the licensee no longer suitable for licensing by the Commission or Director.
- (3)        Disciplinary proceedings shall be initiated by the Commission, or the Director, sending to the licensee by first class mail at the last known mailing address of the licensee, a list of the grounds for the proposed disciplinary action and a notice containing at least the time and place for any hearing before the Commission concerning the proposed disciplinary action. Said list and notice shall be mailed to the licensee at least 30 days prior to the hearing.

**10.3        Citizen complaints authorized — procedure following filing.**

Any person claiming that a licensee has engaged or is engaging in conduct constituting grounds for disciplinary action may file with the Director a sworn written complaint stating the name and address of the licensee complained against. The complaint must fully detail the conduct, alleged to violate a specified sports betting statute or regulation or other legal requirement, upon which the complaint is made. If the Director determines the complaint has merit, the Director must immediately serve by first class mail on the licensee complained against and any other affected parties a copy of the complaint. The licensee complained against has 20 days to answer after service of the complaint on the licensee, which answer shall be filed with the Director, on behalf of the Division and the Commission. The Director may reject a complaint if it does not meet the requirements of this section. If the licensee answers the complaint, the licensee must serve an original and one (1) copy.

#### **10.4 Dismissal of citizen complaint.**

After receipt of the answer to the complaint, after the time has expired to answer, or after having determined that no answer is necessary, the Director must examine the complaint, any answer, and other supporting documents to determine whether the complaint has merit or is frivolous or whether it charges conduct constituting grounds for disciplinary action. If the Director determines that the complaint is without merit or is frivolous or that it does not charge conduct constituting grounds for disciplinary action, the Director must dismiss the complaint and notify in writing the complainant, the licensee complained against, and other affected parties, stating the reasons for dismissal. The Director may investigate the complaint and use extrinsic evidence to determine if the complaint has merit.

#### **10.5 Informal consultation.**

If the Director considers the citizen complaint, or any other allegations, to be grounds for disciplinary action, the Director may consult with the licensee and the parties affected in an effort to resolve the matter satisfactorily without a formal hearing. The Director must notify in writing the complainant, the licensee complained against, and affected parties of the results of the informal consultation. The informal consultation does not prevent the Commission from conducting a formal hearing.

#### **10.6 Assurance of voluntary compliance.**

The Director may accept an assurance of voluntary compliance regarding any act or practice alleged to violate article 30 of title 44, C.R.S., or the Rules and Regulations thereunder, from a person who has engaged in, is engaging in, or is about to engage in such acts or practices. The assurance must be in writing and may include a stipulation for the voluntary payment of the costs of the investigation and an amount necessary to restore to a person money or property which may have been acquired by the alleged violator because of the acts or practices. An assurance of voluntary compliance may not be considered an admission of a violation for any purpose; however, proof of failure to comply with the assurance of voluntary compliance is prima facie evidence of a violation of article 30 of title 44, C.R.S., or the Rules and Regulation thereunder. The Commission may approve or review an assurance of voluntary compliance.

#### **10.7 Decision to initiate disciplinary action.**

At any time during the review and investigation of a citizen complaint, the Director or the Commission may decide to initiate formal disciplinary proceedings where grounds exist to sustain their initiation.

#### **10.8 Criminal convictions as grounds for revocation or suspension.**

The Commission may revoke or suspend the sports betting license of any person who is convicted of a crime, even though the convicted person's post-conviction rights and remedies have not been exhausted, if the crime or conviction involves a felony, gambling, or sports betting or if it discredits or tends to discredit the State of Colorado, sports betting or gaming industry.

#### **10.9 Facts of criminal charge.**

The charge in any jurisdiction of a licensee with a felony or with a misdemeanor involving moral turpitude is grounds for disciplinary action. The Commission may find the licensee guilty of a violation of this article based on the facts of the criminal charge even though the licensee has been acquitted on the criminal charge.

**10.10 Per diem and mileage.**

The Commission may authorize per diem and mileage for complainants, witnesses, and affected parties at informal consultations and for complainants and witnesses at formal hearings. The per diem and the mileage may not exceed the amounts authorized by laws generally applicable to state disciplinary proceedings.

**10.11 Final action by Commission.**

After hearing the evidence and reaching a decision in connection with any disciplinary proceeding, the Commission may find the licensee not guilty of any of the grounds alleged for disciplinary action; in which event the disciplinary proceedings shall be terminated. The Commission may, however, find the licensee guilty by a preponderance of the evidence of some or all of the grounds alleged for disciplinary action; in which event the Commission may revoke the license, may suspend the license for a particular period of time, may impose a monetary penalty as provided in section 44-30-524 (1), C.R.S., may issue a public or private letter of reprimand to be placed in the file of the licensee, or may take any combination of these actions. This section does not prevent the Commission from compromising or settling at any time a formal hearing, and the Commission may also allow an assurance of voluntary compliance. Written findings of fact, conclusions of law, and an order must be entered before any decision of the Commission to suspend or revoke a license shall be considered final. The Commission may allow or require briefs of law before making any decision.

**10.12 Summary Suspension.**

- (1) Where the Commission has reasonable grounds to believe and finds that any person licensed under article 30 of title 44, C.R.S., has been guilty of a deliberate or willful violation of any of the provisions of article 30 of title 44, C.R.S., or the Rules and Regulations thereunder, or that the licensee has been charged with a felony in Colorado or in another state, or that due to other violations of law by the licensee or its patrons, the public health, safety, or welfare imperatively requires emergency action, and where the Commission incorporates such findings in its order, the Commission may summarily suspend the licensee's license pending disciplinary proceedings for suspension or revocation. Any such disciplinary proceedings shall be promptly instituted and determined.
- (2) The summary suspension of a license without notice pending a public hearing shall be for a period not to exceed thirty days except that a licensee may waive the thirty day hearing requirement by requesting a continuance in writing no later than five (5) business days prior to the scheduled hearing. In no event, however, shall the requested continuance be granted unless the licensee requesting the continuance has complied with the order of summary suspension by surrendering such licensee's license or license identification badge to a Division office.

**10.13 Notice.**

The Director or designee must have delivered a notice of summary suspension personally or by mail to the licensee who has been suspended. The notice must state when the suspension will begin and end and must state the reasons for the suspension.

**10.14 Disciplinary proceeding notice required.**

The Director must have served upon the summarily suspended licensee a formal notice initiating disciplinary proceedings and a notice of hearing within five (5) days after receipt by the licensee of the notice of summary suspension. The notice initiating disciplinary proceedings and the notice of hearing may be issued by the Director without prior Commission approval. The Commission shall hear the matter on an expedited basis, but in no event later than 30 days after the imposition of the summary suspension unless such licensee has requested a later date pursuant to regulation 10.12 (2).

**10.15 Conditions imposed by Commission for reissuance of license.**

The Commission or Director may require a person who formerly held a license to meet certain conditions before reissuing a license to that person, including but not limited to the following:

- (1) Restitution of money;
- (2) Restitution of property; and
- (3) Making periodic reports to the Commission or Director as required.

**10.16 Costs.**

- (1) In addition to the sanction, denial, or granting or issuance by the Commission of any license or other affirmative approval, the Commission may direct the payment by the applicant of any reasonable costs incurred by the Commission, by the Division, or by any applicant, party, or witness regarding the application.
  - (a) The Commission may enter any such order of its own initiative, or upon timely application and showing by the Division or any other party or witness in the action prior to the expiration of any time for appealing the underlying order.
  - (b) The filing of such an application does not stay the effectiveness of the underlying order.
- (2) Reimbursable costs shall include, but are not limited to: witness fees and per diem; expert witness fees; duplication costs; court reporter, transcription, and other costs incurred in administering or preserving any record; extraordinary staffing costs of the Division; legal fees; Commissioner per diem pursuant to § 44-30-301(1)(f), C.R.S.; expenses incurred in commencing, accommodating, or conducting the hearing; investigative costs; exhibit costs; and any other judicially or statutorily recognized cost, whether incurred prior or subsequent to the conclusion of the investigation of the matter.
- (3) The Commission reserves the discretion to deny, in whole or in part, any request for reimbursement of costs.
- (4) Unless otherwise ordered, costs must be paid to the ordered recipient on or before the thirtieth day from the date of the order awarding the costs, unless stayed by the Commission or other court of competent jurisdiction. Failure to pay and tender costs as ordered shall constitute grounds for sanction, including fine and revocation of any license or other affirmative approval.
