COLORADO EDUCATOR LICENSING ACT OF 1991

1 CCR 301-37

[Editor's Notes follow the text of the rules at the end of this CCR Document.]

1.00 Statement of Basis and Purpose

The statutory basis for these rules is found in section 22-60.5-101, et seq, C.R.S., the Colorado Educator Licensing Act of 1991, and section 22-2-109(1) State board of education – additional duties. These rules establish the standards and criteria for the issuance of licenses and authorizations to teachers, special services providers, principals and administrators. The Act calls for the State Board of Education to adopt rules for a three-tiered system of licensure for education personnel which includes an initial license for entry-level educators, a professional license for experienced educators, and a voluntary master certificate for outstanding educators.

These rules also provide for the issuance of special authorizations to educators as necessary to meet the needs of Colorado schools and students. Standards and processes for the approval of educator preparation programs through institutions of higher education and at alternative sites are provided. Criteria for the renewal of licenses and authorizations are established, which provide for significant involvement of practicing educators. Standards for endorsement in subject areas or other areas of educational specialization are prescribed.

These rules provide a process for the recognition of educator preparation programs in other states to facilitate the movement of educators among states. The rules establish the requirements for induction programs to assist new educators through support, supervision, ongoing professional development and evaluation.

The rules establish the standards and processes by which licenses may be denied, suspended, annulled or revoked for conviction of certain criminal offenses, unethical behavior, professional incompetence, and other reasons enumerated by statute. Other miscellaneous provisions are included to meet the requirements of the Act.

The Department of Education must supply necessary complaint forms and information for the filing of adverse information to any aggrieved person or party in interest.
- 10.03(1)(b) A written complaint must be delivered personally, sent by mail or sent in a secured electronic environment to the Department by the complainant. The Department must provide such opportunity by sending a formal written letter of inquiry by first-class mail to the applicant or license holder, explaining the allegations against him or her and requesting a response within twenty (20) days. The Department must include a notification of such person's right to return a response within 20 days. If the Department knows that the person is an employee of a Colorado charter school, BOCES, or school district, the Department must notify the charter school, BOCES, or school district of the inquiry.
- 10.03(3)(c) After the expiration of the 20 day period allowed for a response or upon receipt of the response, whichever is sooner, the Department will review the allegations and response and determine whether to pursue the charges for denial, revocation or annulment of the license. In any case where, based on the response of the license-holder or applicant to the letter of inquiry, the Department determines probable cause does not exist, the Department must withdraw or dismiss the complaint and notify the person complained against and the school district, charter school, or BOCES of the Department's action. Any handling of the complaint must be consistent with the laws on confidentiality unless contrary to statute.
- 10.03(3)(d) The Department is authorized to grant extensions to any of the processing deadline dates in sections 10.03(3) and (4) of these rules, based upon sufficient cause shown.

- 10.03(3)(e)(ii) if denial is recommended and accepted by the State Board of Education, the Department must notify by first-class mail the applicant of the denial and the applicant's right to request a hearing conducted in accordance with section 24-4-105, C.R.S.

10.03(3)(f) The Department must notify by first-class mail the person charged of the decision of the State Board of Education to conduct a hearing. 10.03(3)(g) If the State Board of Education decides to refer the matter for a formal hearing, or if the applicant timely requests a formal hearing concerning the Board's denial of his or her application, the hearing and subsequent proceedings must be conducted by an administrative law judge appointed by the Colorado Division of Administrative Hearings in accordance with section 24-4-105(3), C.R.S. If the State Board of Education decides not to refer the matter for a formal hearing, the Department must dismiss the complaint and notify the person complained against and the complainant of the Department's action. Any handling of the complaint must be consistent with the laws on confidentiality unless contrary to statute.

10.03(3)(h) Pursuant to section 24-4-105(14), C.R.S., the decision of the administrative law judge must include a statement of findings and conclusions and the appropriate order, sanction, relief or denial thereof. The decision of the administrative law judge must result in revocation of the license or, in the case of an application, denial of the license if the charge is sustained.

10.04 Application for License Following Suspension, Revocation, Annulment or Denial

10.04(1) The holder of a license that has been suspended or revoked may submit an application for a new license, the renewal of the expired license or the reinstatement of the license to the Department for review by the State Board of Education. Said application will include justification for issuance, renewal, or reinstatement, with evidence as to rehabilitation appropriate to the basis for the prior suspension, revocation, annulment, or denial. 11.00 Standards for the Approval of Educator Preparation Programs

The Colorado State Board of Education will submit its recommendation to the Colorado Commission on Higher Education (CCHE), regarding an educator preparation program, based on whether or not it approves of the content of the program.

11.01 Design of the Professional Education Programs

The CDE Educator Talent Division promotes high-quality programs that are based on the Colorado State Board of Education-approved standards sections 5.00 and 6.00 of these rules, and sections 4.00 through 7.00 of 1 CCR 301-101, and reflect the best practices outlined in for educator preparation programs developed by the Department of Higher Education and Department of Education pursuant to section 23-78-104(1), C.R.S., "Best in Class: Five Principles of Effective Educator Preparation." These principles herein incorporated by reference were published by the Department of Higher Education and Department of Education in January 2020 and are available at highered.colorado.gov. Later amendments to the principles are not incorporated. The Colorado Department of Education maintains a copy of the principles readily available for public inspection at 201 East Colfax Avenue, Denver, Colorado, during regular business hours. The programs are coherent and consistent with the Colorado Department of Education and the educator preparation institution's missions and are continuously evaluated for authorization and reauthorization.

11.02 The CDE Educator Talent Division, Office of Educator Preparation and Licensing Support Office

The CDE Educator Talent Division will evaluate all new and established teacher preparation programs for consistency with the Colorado State Board of Education-approved rules outlined in 1 CCR 301-37 and 1 CCR 301-101, including the assessment of the content of those programs, based on section 22-2-109, C.R.S., and provide recommendations to the state board as to whether the board should recommend to CCHE approval, conditional approval, or disapproval of such programs. Such evaluations will occur no more than once every five years.

The purpose of these evaluations and approval is to assure the public that educators who complete their educator preparation in the state of Colorado are prepared to educate public education students according to the Colorado Revised Statutes, the rules set forth by the Colorado State Board of Education, and the Colorado Academic Standards. To accomplish this, all educator preparation programs must prepare candidates to meet or exceed the standards for licensure that are specified in sections 5.00 and 6.00 of these rules and the corresponding standards in sections 4.00 through 7.00 of 1 CCR 301-101, including any approved content tests required by state board rule.
