Colorado Register

39 CR 3 Volume 39 , No. 3 February 10, 2016

Introduction

The *Colorado Register* is published pursuant to C.R.S. 24-4-103(11) and is the sole official publication for state agency notices of rule-making, proposed rules, attorney general's opinions relating to such rules, and adopted rules. The register may also include other public notices including annual departmental regulatory agendas submitted by principal departments to the secretary of state.

"Rule" means the whole or any part of every agency statement of general applicability and future effect implementing, interpreting, or declaring law or policy or setting forth the procedure or practice requirements of any agency. "Rule" includes "regulation". C.R.S. 24-4-102(15). Adopted rules are effective twenty days after the publication date of this issue unless otherwise specified.

The *Colorado Register* is published by the office of the Colorado Secretary of State twice monthly on the tenth and the twenty-fifth. Notices of rule-making and adopted rules that are filed from the first through the fifteenth are published on the twenty-fifth of the same month, and those that are filed from the sixteenth through the last day of the month are published on the tenth of the following month. All filings are submitted through the secretary of state's electronic filing system.

For questions regarding the content and application of a particular rule, please contact the state agency responsible for promulgating the rule. For questions about this publication, please contact the Administrative Rules Program at rules@sos.state.co.us.

Subjects and issues involved

The purpose of this amendment is to remove an inaccurate sentence which states that state-administered special districts must levy sales tax on occasional sales by charitable organizations, sales that benefit a Colorado school, and sales by an association or organization of parents and teachers of public school students that is a charitable organization.

Statutory authority

CHARITABLE AND OTHER EXEMPT ORGANIZATIONS

39-26-718

(1) General Rule.

- (a) Purchases by charitable organizations are exempt from state sales and use taxes and state-administered local sales and use taxes if the purchases are part of the charitable organization's regular charitable functions and activities.
- (b) Sales by charitable organizations generally are not exempt from sales tax, except for occasional sales, sales where a portion of the purchase price is a donation, and sales by certain school-related entities.
- (c) The following are common situations where the acquisition of property by a charitable organization is not subject to sales tax.
 - (i) The charitable organization does not pay the donor for the donation (sales tax does not apply to transactions when consideration is not paid), or
 - (ii) The purchase was part of its regular charitable function and activity, or
 - (iii) The purchase was made with the intention of reselling the item at a fundraising event, in which case the charitable organization's purchase is exempt as a wholesale purchase for resale.

(2) Types of Charitable Organizations.

- (a) Charitable organizations must serve a public rather than a private interest and be organized and operated exclusively for one or more of the following purposes or functions:
 - (i) Religious; to the extent consistent with Catholic Health Initiatives Colo. v. City of Pueblo, 207 P.3d 812, (Colo. 2009).
 - (ii) Charitable;
 - (iii) Scientific;
 - (iv) Literary;
 - (v) Educational;
 - (vi) Testing for public safety;
 - (vii) Fostering national or international amateur sports competition, as long as no part of its activities involves providing athletic facilities or equipment:
 - (viii) Preventing cruelty to children or animals;

- (b) Limited Purpose Charitable Organizations. A veterans' organization registered under section 501(c)(19) of the Internal Revenue Code of 1986 is a charitable organization only when sponsoring a special event, meeting or other function in the State of Colorado, so long as such event, meeting or function is not part of such organization's regular activities in the state.
- (c) Charitable, as used in (2)(a)(ii) of this rule, is used in its generally accepted legal sense and is, therefore, not to be construed as limited by the separate enumeration of other tax-exempt purposes which may fall within the broad outlines of *charity* as developed by judicial decisions. Charitable includes:
 - (i) Relief of the poor and distressed or of the underprivileged:
 - (ii) Advancement of education or science;
 - (iii) Erection or maintenance of public buildings, monuments, or works;
 - (iv) Lessening of the burdens of government;
 - (v) Care of the sick, infirm, or aged;
 - (vi) Lessen neighborhood tensions;
 - (vii) Eliminate prejudice and discrimination;
 - (viii) Defend human and civil rights secured by law; or
 - (ix) Combat community deterioration and juvenile delinquency.
- (d) Educational, as used in (2)(a)(v) of this rule, relates to:
 - The instruction or training of the individual for the purpose of improving or developing his capabilities; or
 - (ii) The instruction of the public on subjects useful to the individual and beneficial to the community.
- (e) Testing for public safety, as used in (2)(a)(vi) of this rule, includes the testing of consumer products to determine whether they are safe for use by the general public.
- (f) Scientific, as used in (2)(a)(iii) of this rule, includes carrying on of scientific research in the public interest. For research to be scientific, it must be carried on in furtherance of the scientific purpose.
- (g) IRS 501(c)(3) Certificates. A charitable organization that holds a 501(c)(3) determination letter from the Internal Revenue Service is provisionally presumed to qualify as a charitable organization that is exempt from Colorado sales and use tax. However, the Department is not bound by an IRS determination of an organization's charitable status, and the Department may independently evaluate whether the entity qualifies as a charitable entity.
- (h) Religious Organization. The IRS does not require religious organizations to apply for a 501(c)(3) certificate in order to qualify as a tax-exempt charitable organization. In such cases, the Department will issue a sales tax exemption certificate to a religious charitable

entity, even in the absence of an 501(c)(3) certificate, if the organization has a charitable purpose and meets the conditions set forth below. In lieu of the 501(c)(3) certificate, a religious organization shall provide to the Department a copy of its IRS No Record of Exempt Organization letter and Department Form DR 0716, "Statement of Nonprofit Church, Synagogue, or Organization".

- (i) If the applicant is a religious organization that is an affiliate of a national organization that holds a Colorado exemption certificate, applicant may submit, in lieu of such a determination letter, documentation from the national organization demonstrating that applicant is an affiliate of such organization.
- (i) Nonprofit Organizations. An organization that is a nonprofit or an organization that performs some charitable services or provides funding to a qualified charitable organization does not automatically qualify as a charitable organization for sales and use tax purposes. In order to qualify, the organization must be established and operated exclusively for one or more of the charitable purposes listed above. Examples of organizations that do not typically qualify as a charitable organization for purposes of this exemption are nonprofit country clubs, private clubs, employees or social clubs or organizations, nonprofit recreational organizations, lodges, patriotic organizations (veteran organizations have a limited exemption, discussed below), fraternities, sororities, professional and trade associations, civic organizations, labor unions, political organizations, and other nonprofit entities.

(3) Application for Exemption Certificates.

- (a) Applicants must submit a completed application for a sales tax exemption certificate and include a copy of the organization's federal 501(c)(3) determination.
- (b) Notwithstanding a determination by the IRS of an applicant's charitable status, the Department may conduct, either before or after the issuance of an exemption certificate, an independent review of whether the organization qualifies as a charitable organization.

(4) Restrictions on Charitable Organization Activities.

- (a) Exclusively. An organization will be regarded as operating exclusively for one or more exempt purpose only if the organization exclusively engages in activities in furtherance of its exempt purpose. A charitable organization will not lose its exempt charitable status if its non-charitable activities are insubstantial.
 - (i) Examples.
 - (A) If the religious organization operates a restaurant or coffee shop for the public unrelated to its charitable propose, then the organization does not qualify for the exemption because this activity is not considered part of the organization's charitable function. Note that sales by a charitable organization are not generally exempt from sales tax. For example, sales by a church in a coffee shop operated on church property are subject to sales tax even if the revenues from such sales are insubstantial, unless the sales qualify under the occasional sale exemption or the donation exemption, discussed below.
 - (B) Providing meals to the poor or homeless for free or below cost is generally considered a charitable activity.

- (b) Other Restrictions. A charitable organization, excluding veterans' organizations, is subject to the following limitations in order to qualify for the sales and use tax exemption certificate:
 - (i) No part of an organization's net earnings can benefit any private shareholder or individual. Compensation paid by the organization for services rendered, including services performed by employees or officers of the charitable organization, must be reasonable.
 - (A) The fact that an organization charges a fee for its goods or services is not fatal to a claim that it is a charitable organization. However any profit that a charitable organization generates must be used for charitable purposes. Factors that the Department will consider with respect to whether an organization that charges fees is a charitable organization include: (i) whether such fees vary depending on the need of the recipient of the goods or services; and (ii) the extent to which such fees show material reciprocity or *quid pro quo* transactions between the organization and those it serves.
 - (B) Example: A mutual benefit society is an organization whose benefits are available only to its members and/or their beneficiaries and requires payment by its members as a condition to receiving such benefits. A mutual benefit society is not organized for a charitable purpose, and is not a charitable organization exempt from sales and use taxes under this exemption.
 - (ii) No substantial part of an organization's activities can be carrying-on propaganda or otherwise attempting to influence legislation. For example, an organization whose main activity is scientific is not a charitable organization for sales and use tax purposes if a substantial portion of the organization's activities involves dissemination of propaganda that is favorable to its political objectives or consists of lobbying for legislation that supports the organization's activities and mission.
 - (iii) An organization may not participate in, or intervene in, a political campaign on behalf of any candidate for public office (including the publishing or distributing of statements).

(5) Purchases by Charitable Organizations.

Purchases by charitable organizations are exempt from sales and use taxes if the goods (a) or services are used exclusively in the conduct of the charitable organization's regular charitable functions and activities. Purchases must be made directly from the organization's funds and, for purchases over one-hundred dollars, must be made with a check or credit card issued in the organization's name. Purchases made with funds other than the organization's own funds or purchases made with a charitable organization's funds but reimbursed by someone who is not a qualified charitable organization are not exempt from sales or use tax. Whenever a charitable organization purchases tangible personal property (such as cards, food, cars, etc.) that is to be transferred to anyone else for personal use and all or part of the price of the goods is recouped from the user through direct payment, donation or games of chance (but not including a sale), the organization's exempt status does not apply and sales tax must be paid to the vendor by the exempt organization. If such purchases are made outside Colorado or in Colorado without payment of Colorado sales tax, the tax must be paid directly to the Department by the organization.

- (i) Examples.
 - (A) A purchase made on behalf of a charitable organization with a credit card issued in the name of an individual is not exempt.
 - (B) An educational charitable organization's purchase of computers is not exempt if the computers are given to members of the organization who use the computers for their own personal use or who reimburse the organization.
 - (C) An educational institution's purchase of athletic equipment or uniforms is not exempt from sales and use tax if the educational institution is reimbursed for the equipment or uniforms from students or their families.
- (b) Veterans' Organizations. Purchases by veterans' organizations that are registered under section 501(c)(19) of the Internal Revenue Code are exempt only if the goods are used for a special event, meeting, or other function that is not part of the organization's regular activities in Colorado. The Department does not issue an exemption certificate to veterans' organizations. Instead, veterans' organizations must apply for a special event license for each special event or function. Veterans' organizations make exempt purchases by presenting the special events license to the vendor. Because veterans' organizations are only a charitable organization when sponsoring a special event, meeting, or other function so long as such event, meeting, or function is not part of the organization's regular activities in this state and because the occasional sales exemption requires that the funds be used in the regular course of the organization's charitable activities, sales by veterans' organizations do not qualify for the occasional sales exemption.

(6) **Donor's Obligation for Sales and Use Tax.**

- (a) A donor who purchases tangible personal property for the purpose of donating it to a charity must pay sales or use tax on the purchase and cannot claim the charitable organization's exemption. The donor cannot claim a sale for resale exemption because the property is donated, not resold, to the charitable organization.
- (b) A retailer who initially makes a wholesale (exempt) purchase of an item for resale (e.g., retailer buys an item for its inventory it plans to resale) and later withdraws that item from inventory and donates it to a charitable organization incurs use tax on the withdrawal from inventory. However, see the cross reference (5) for information on the exemption for donations of manufactured goods by manufacturers.

(7) Sales by Charitable Organization.

(a) General Rule. Sales made by charitable organizations are generally not exempt from sales tax, unless the sale qualifies for the occasional sale exemption, as a donation, or for any other exemption that may apply (see paragraphs (8) and (9) of this rule). For that reason, a charitable organization that makes repeated sales of tangible personal property to the public and otherwise meets the definition of a retailer must have a sales tax license and collect and remit tax in the same manner as any other retailer. For example, a charitable organization that operates a gift or book shop, rummage store, or coffee shop must collect sales tax on sales. The fact that the merchandise sold may have been acquired by gift or donation, or that the proceeds are to be used for charitable purposes, does not make the sales exempt from tax.

- (b) Occasional Sale Exemption. Occasional sales of taxable tangible personal property by a charitable organization that holds a Colorado exemption certificate are exempt from sales and use taxes. See paragraph (10), below, for information of local taxes. An occasional sale must meet the following criteria:
 - (i) The charitable organization conducts sales for a total of twelve days or less during a calendar year, <u>and</u>
 - (A) Each day a sale occurs is counted as an entire day, even if the sale occurs for less than a full day or the organization characterizes a multiday sale as one event.
 - (ii) The "net proceeds" from all these events do not exceed twenty-five thousand dollars in that calendar year. "Net proceeds" means the total gross receipt(s) minus expenses directly attributable to the event(s).
 - (A) "Directly attributable" generally means those expenses that would not have arisen but for the occurrence of the event and do not include indirect and overhead costs, such as administrative staff wages, insurance unless purchased for the specific event, rent otherwise due even if no event was held, property taxes, and other expenses that would be incurred even in the absence of the event.
 - (B) Payment by the charitable organization to acquire any goods that are later sold at a fundraising event is an expense that is deducted from the gross proceeds to determine net proceeds.
 - (C) When a charitable organization exceeds either threshold described in paragraph (7)(b)(i)or (ii), then <u>all</u> sales that occur in that calendar year are subject to tax, including sales in that calendar year that were previously exempt prior to the date when the threshold was exceeded. Sales tax applies to the gross proceeds, not the net proceeds. The charitable organization must have a sales tax license if and when either of these limits is exceeded.
 - (I) Example 1. Charitable organization conducts one auction sale which generates \$30,000 in gross proceeds and \$20,000 in net proceeds. Because neither threshold was exceeded, the charitable organization does not collect, report, or remit sales tax.
 - (II) Example 2. Same facts as Example No. 1, but net proceeds are \$26,000. Charitable organization has exceeded the \$25,000 threshold, and, therefore, must collect, report, and remit sales tax on the gross proceeds of \$30,000.
 - (iii) The funds retained by the charitable organization are used in the course of the organization's charitable service.
 - (iv) Living accommodations and other taxable services. The exemption for occasional sales applies only to the sale of tangible personal property. Therefore, sales of taxable services by a charitable organization are subject to tax. For example, a charitable organization conducts a silent auction at which it auctions a weekend rental of a timeshare or hotel room. The sale of living

accommodations is a sale of a service. The sale is subject to state and local sales taxes applicable to where the accommodation is located even if the charitable organization has not exceeded the twelve day or twenty-five thousand dollar thresholds. The sale of the living accommodation is not included in the calculation of the twenty-five thousand dollar threshold.

- (A) If the auction is not conducted in the same state-administered local jurisdiction in which the living accommodation is located, then the charitable organization must register with the Department for the local jurisdiction where the accommodation is located and collect the local sales taxes, including any lodging or local marketing district taxes, applicable to the rental of living accommodations.
- (v) Goods sold on consignment. Goods given by a retailer to a charitable organization for sale at a fundraising event with the understanding that the goods will be offered for sale at a minimum price and the minimum price is paid to the retailer, and with the further understanding that the goods would be returned to the retailer if not sold at the event are subject to sales tax on the minimum price even if the twenty-five thousand dollar threshold is not met. For example, a bike shop offers a bike to a charitable organization to be sold at a fundraising auction, but the bike shop requires the charitable organization to pay the bike shop a portion of the purchase price in the event the bike is sold. The charitable organization must collect sales tax from the successful bidder for the payment made to the bike shop, even if the net proceeds from the event do not exceed the twenty-five thousand dollar threshold.
- (c) Donations. A portion of the purchase price for a sale made by a charitable organization may be a donation if the amount paid exceeds the fair market value of the good purchased.
 - (i) The exclusion of donations from the tax base applies even if the charitable organization exceeds the twelve day / twenty-five thousand dollar threshold of the occasional sale exemption. This rule also applies to state-administered local sales taxes even if the local tax jurisdiction elected to tax occasional sales of charitable organizations.
 - (ii) The donation amount is not included in the calculation of the twenty-five thousand dollar net proceeds threshold for the occasional sale exemption.
 - (iii) Examples.
 - (A) An electronic retailer donates a laptop computer that it sells for \$700 at retail. The charitable organization offers the laptop computer at a silent auction and discloses that the fair market value of the laptop computer is \$700. The winning bid is \$1,000. \$300 is a donation not subject to tax.
 - (B) Charitable organization sells 300 tickets for \$100 for a dinner and silent auction event. This is the charitable organization's only event that calendar year. Organization discloses to ticket purchasers that \$75 of the \$100 ticket price is a donation. Each dinner costs the charitable organization \$10. Charitable organization generates \$33,000 in silent auction gross sale proceeds (\$30,000 derived from the auction of taxable tangible personal property, \$1,000 from the auction of non-taxable services and gift certificates, and \$2,000 from the auction of taxable vacation rentals), \$20,000 in net proceeds from the silent auction, and

\$4,500 from the sale of dinner ((\$25-\$10) X 300), for a total in net-style="net-style-type: 150%. Because the \$75 is a donation and not proceeds from a sale of what would otherwise be taxable goods, the \$22,500 (\$75 X 300) in donations from ticket sales is not added to the \$24,500 in net proceeds to determine whether the \$25,000 in net proceeds threshold is exceeded. Sales tax is not due on the net proceeds because the charity has not exceeded the \$25,000 threshold. The \$1,000 in non-taxable services and gift certificates and the \$2,000 in taxable living accommodations are excluded from the net proceeds calculations because the services and gift certificates are not taxable and the living accommodations do not qualify under the occasional sales exemption, which applies only to taxable tangible personal property and not taxable services. (Tax must be collected on the living accommodations.)

- (I) Local Sales Taxes. If the state-administered local tax jurisdiction in which the sale occurred elected not to exempt occasional sales by charitable organizations, then the local tax applies to the gross proceeds from the sale of dinner and auction items, even if the organization did not exceed the \$25,000 net proceeds threshold, but local tax does not apply to the \$75 per ticket because a donation is not subject to state or local sales taxes.
- (C) Same facts as Example No. 2, except the net proceeds from the auction sale are \$23,000. Because the net proceeds threshold is exceeded (\$23,000+\$4,500), sale tax applies to the gross price, not just the net proceeds, for all dinners (\$25 X 300) and to the gross price all of the sales at auction (\$30,000 + \$2,000). Sales tax is not collected on the \$1,000 in the sales of non-taxable services and gift cards and not on the \$22,500 in donations.
- (iv) In order to claim a sales tax exemption for a donation included in the buyer's purchase price, the buyer and charitable organization must establish the following:
 - (A) the fair market value of the taxable item or service, and
 - (B) that the buyer knowingly paid in excess of the fair market value with the intent to donate that excess portion of the price to the charitable organization.
- (v) The Department will presume that the price paid for an item sold at auction is the item's fair market value and that the buyer did not knowingly pay in excess of the fair market value. These presumptions can be rebutted by reasonable evidence, such as the price for comparable goods sold by a retailer in its regular course of business and that buyer knew the fair market value of the goods at the time of the purchase. For example, the fair market value of a signed professional sports jersey sold at auction will be presumed to be the price paid by the successful bidder, but the presumption can be rebutted by documentation of the sales price of a comparable signed jersey sold to the public at the professional team's or other retail store.
 - (A) Examples.
 - (I) A charitable organization holds a fundraising dinner for which patrons purchase a ticket for \$100 per person. The organization

compiles information that establishes that the fair market value of the dinner is \$25 and the cost per meal is \$10. The organization establishes that purchasers knowingly paid in excess of the fair market value of the item by disclosing to patrons, at the time tickets are sold, that the fair market value of the dinner is \$25 (or that \$75 of the \$100 purchase price is a donation). State sales tax is due on the \$25 if the organization exceeded the \$25,000 net proceeds threshold.

- (II) The fair market value of an item sold at auction is not based on the cost to the organization to acquire the item. For example, a donor may donate a set of golf clubs or a night stay at a condominium to the organization to be auctioned at a fundraising event. The fair market value of the golf clubs or room is not zero even though the organization acquired the golf clubs or room for free. The fair market value is the price at which the item would sell on the open market.
- (III) A charitable organization holds a fundraising auction. The organization previously conducted concession sales and other fundraising sales for twelve days in the same year. The organization compiles information of the fair market value of each of the items sold at auction. The organization establishes that the purchaser knowingly paid in excess of the fair market value of the item by disclosing the fair market value of the auctioned items to potential bidders prior to bidding. The organization does not collect sales tax on that portion of the purchase price that exceeds the fair market value.
- (vi) The Department will presume that any donation that qualifies as a donation for federal income tax purposes also qualifies as a donation for sales tax purposes.
- (8) **Parent-Teacher Associations.** Sales by associations or organizations of parents and teachers of public school students are exempt from sales tax if:
 - (a) The association or organization is a charitable organization, and;
 - (b) The sale proceeds are used for the benefit of a <u>public</u> school, an organized public school activity, or to pay reasonable expenses of the association or organization.
 - (c) The exemption does not apply to sales by private schools. However, sales by private schools that qualify as charitable organizations are exempt as occasional sales or are not taxable to the extent the purchase price is a donation, or are exempt pursuant to paragraph 9, below. §39-26-718(1)(c), C.R.S. See paragraph (10), below, for information on local taxes.
 - (d) Occasional Sales Restrictions Do Not Apply. This exemption applies even if the sale has exceeded the occasional sale exemption threshold (twelve days / twenty-five thousand dollar as discussed in (7)(b) "Occasional Sale Exemption").
 - (i) Example. A public school parent-teacher association can raise funds by selling candy exempt from sales tax in order to purchase school sports uniforms. However, if the parent-teacher association is supporting a private school, its sales are taxable, unless the association is a charitable organization for

educational purposes. In addition, if students reimburse the school for the uniforms, then tax must be collected on the amount paid by students.

- (9) Sales by Public, Private Schools and Supporting Organizations. Sales by public and private schools and supporting organizations are exempt from sales tax if the conditions described in paragraphs (a) to (d) are met. See paragraph (10), below, for information on local taxes.
 - (a) The school is for students in kindergarten through twelfth grade.
 - (b) Preschools, trade schools and post-secondary schools do not qualify.
 - (c) The sale is made by any of the following:
 - (i) the school;
 - (ii) an association or organization of parents and school teachers;
 - (iii) booster club or other club, group or organization whose primary purpose is to support a school activity; or
 - (iv) a school class, student club, group or organization.

These organizations qualify for this exemption even if they are not charitable organizations. Examples include: concession sales by booster club or a silent auction sales conducted by a parent-teacher association or school are exempt if all the proceeds are donated to the school or school-approved student organization

- (d) All the proceeds from the sale, except the actual cost incurred by a person or entity to acquire the good or service sold, must be donated to the school or school-approved student organization. Actual costs incurred to acquire the goods or services include, payment facility charges (rent for space, furniture or equipment), labor (wages for security, independent contractors, employees), transportation, meals, insurance, and other costs.
- (e) Sales by a parent-teacher association that are not exempt under this paragraph (9) may, nevertheless, be as exempt if the sale meets the requirements for an exempt sale as a charitable organization or as a public school parent-teacher association or organization.
- (f) Occasional Sales Restrictions do not apply. This exemption applies even if the sale has exceeded the thresholds for the occasional sale exemption (twelve days / twenty-five thousand dollar as discussed in (7)(b) "Occasional Sale Exemption,").
- (g) Purchases by public schools are exempt from sales tax. §39-26-704(4), C.R.S. Purchases by private schools are not exempt unless the private school is a charitable organization.
- (10) **State-Administered Local Tax Jurisdictions.** State-administered cities and counties have the option to adopt the following exemptions from sales tax (1) occasional sales by charitable organizations, (2) sales that benefit a Colorado school, and (3) sales by an association or organization of parents and teachers of public school students that is a charitable organization. See, §29-2-105(1)(d)(I)(E), (K), and (L) C.R.S., respectively. However, state-administered special districts, such as the Regional Transportation District, must always exempt such sales from sales tax in conformity with state sales tax exemptions. must levy sales tax on these exemptions. Unless exempt, charitable organizations are responsible for collecting state-

administered city and county sales taxes for the local jurisdiction in which the sale occurs. If the state-administered city or county taxes occasional sales, then the charitable organization must obtain a Colorado sales tax license prior to such sales so that the organization can report and remit the local sales tax to the Department, even though these sales are exempt from Colorado state sales tax. Home rule cities are not governed by these rules and procedures and should be contacted directly for more information on their procedures

(11) Other Tax Exempt Organizations. Other tax-exempt organizations (including governmental entities) that sell tangible personal property (for example, through a secondhand goods retail store, a fundraiser sales event or routine sales of organization-related items) must obtain a sales tax license and collect all applicable state and local sales taxes.

COLORADO DEPARTMENT OF REVENUE STATEMENT OF BASIS AND PURPOSE

1 CCR 201-4 CHARITABLE ORGANIZATIONS 39-26-718

Basis

The statutory basis for this rule is §39-21-112(1), §39-26-718, §39-26-102, and §39-26-725, C.R.S.

Purpose

The purpose of this amendment is to remove an inaccurate sentence which states that state-administered special districts must levy sales tax on occasional sales by charitable organizations, sales that benefit a Colorado school, and sales by an association or organization of parents and teachers of public school students that is a charitable organization. Pursuant to §§ 32-9-119 (2) (a) and 32-13-107 (1)(a), C.R.S., charitable sales that are exempt from the state sales tax are also exempt from any state-administered special district sales tax. Therefore, the amendment makes clear that occasional sales by charitable organizations, sales that benefit a Colorado school, and sales by an association or organization of parents and teachers of public school students that is a charitable organization are also exempt by special districts.

REFUNDS OF GASOLINE AND SPECIAL FUEL TAX

39-27-103

(1) Definitions.

- (a) Account Percentage: a percentage assigned to a particular account, representing the proportion of taxable fuel used for purposes other than the operation of a motor vehicle upon the highways of this state.
- (b) Alternate-Jurisdiction Percentage: an exempt-use percentage used in another state.
- (c) Default Percentage: an exempt-use percentage to be assigned to new account-holders whose activities closely mirror that of the average industry participant.
- (d) Established Account Percentage: an exempt-use percentage previously assigned to an account by the Department of Revenue.
- (e) Industry-Group Proffered Standard: the percentage obtained from an industry association, or other disinterested party.
- (f) Industry Segment: a group of companies or businesses engaged in similar activities using similar vehicles and/or equipment.
- (g) Industry Segment Historical Average: a percentage derived from the historical, non-highway fuel usage of previously established accounts identified as being in the industry.
- (h) Refund Permit Account: an account established for an entity allowing it to claim refunds for exempt use of fuel.
- Refundable Gallons: the account percentage multiplied by the gallons purchased and used for the period.
- (2) **Qualifying Fuel.** The gallons included in the percentage calculations, on the refund claims, and in all other aspects of the refund process under §39-27-103, C.R.S. can only be those upon which Colorado motor fuel excise tax was paid. Red-dyed diesel, fuel purchased in another jurisdiction, fuel purchased tax-exempt, and fuel used in vehicles licensed and plated for on-road use in Colorado do not qualify as exempt fuel.
- (3) Establishing the Default Percentage for a Given Industry.
 - (a) Based on the Department of Revenue's determination of the most reliable information, the default percentage shall be:
 - (i) The Industry Segment Historical Average;
 - (ii) An Industry-Group Proffered Standard; or
 - (iii) An Alternate-Jurisdiction Percentage.
 - (b) The Department will calculate percentages of exempt and non-exempt fuel ("default percentages") for various industries. These percentages shall be used by the taxpayer

unless the taxpayer demonstrates that a different percentage should apply. The denominator shall be the total amount of fuel used by the industry, excluding any International Fuel Tax Agreement ("IFTA") gallonage, and the numerator shall be the amount of tax paid fuel used by the industry that qualifies for a refund but that excludes any IFTA gallonage. Fuel used for idling or for powering air conditioning and electrical systems on a vehicle are on road uses and, therefore, are not included in the numerator. However, fuel used for a power take off unit mounted on a vehicle for the refrigeration of a trailer while the trailer is attached to the vehicle, for mixing on a truck hauling concrete, or for other similar uses shall be included in the numerator. This ratio is then multiplied by the total amount of fuel purchased, including both exempt and non-exempt fuel, but excludes IFTA gallons.

(c) The Department of Revenue may update default percentages, should it obtain information deemed to be more reliable.

(4) Assigning an Account Percentage to a New Account.

- (a) A default percentage shall be assigned to entities based on activities that closely mirror the average industry participant.
- (b) Otherwise:
 - (i) A weighted average of the relevant industry default percentages shall be assigned to entities whose activities span more than one industry.
 - (ii) Entities whose activities are not representative of established industry segments must provide documentation enabling the Department of Revenue to assign a percentage. Documentation must include information concerning actual use of fuel, equipment used, mileage over the road, miles per gallon, etc. This documentation must span one year of activity.

(5) **Documentation for an Industry-Group Proffered Standard.**

- (a) Proposal documentation shall include:
 - (i) A definition of the segment;
 - (ii) An explanation of typical business operations for the segment:
 - (iii) Identification of the typical equipment used;
 - (iv) Information concerning any seasonal or cyclical events that might affect the industry;
 - (v) An explanation of the measuring method used. Information and testing results provided by a manufacturer may be considered;
 - (vi) Fuel records and other data;
 - (vii) Identification of the period of time involved in the study. To be valid, a period of study must span one year, as well as any relevant cyclical or seasonal patterns.
- (6) Protests of the Assigned Percentage.

- (a) An applicant may file a protest with the Department of Revenue if the applicant disagrees with the assigned percentage. Supporting documentation must be included with any request for a change of percentage. Documentation must include sufficient information to support an alternative percentage. Documentation must include information concerning actual use of fuel, equipment used, mileage over the road, miles per gallon, etc. This documentation must span one year of activity.
- (b) Subsequent appeal procedures will be handled under the provision of §39-21-104 C.R.S and §39-21-105 C.R.S.

(7) Audits of Accounts.

- (a) If the Department of Revenue, through the examination of records concerning actual use of fuel, equipment used, mileage over the road, miles per gallon, etc. of an established account holder, finds that the account has an incorrect percentage, the Department may adjust the percentage both retroactively and prospectively.
- (b) The new percentage shall be arrived at as if a new account were being established.
- (c) The Department may make assessments or issue refunds using a percentage other than the default percentage for any period open for assessment if the default percentage does not fairly reflect the amount of exempt use of fuel.

(8) **Penalty.**

- (a) The Department may suspend, cancel, revoke, or deny a refund permit in accordance with the Colorado Administrative Procedures Act (§24-4-104, C.R.S.).
- (b) A taxpayer cannot claim a refund of gasoline and special fuel taxes purchased during a period in which the taxpayer's refund permit was suspended, cancelled, revoked, or denied, even if the taxpayer is subsequently granted a new or reinstated permit. However, if the taxpayer's application for refund permit is denied for reasons other than making a false statement in the application (e.g., clerical errors) or if the permit is cancelled because no refund claim was submitted for twenty-four consecutive months, then the taxpayer is not prohibited from filing a refund claim for the period the application was denied or cancelled if the taxpayer is subsequently granted a permit and the claim is otherwise valid.
- (c) Applications for a permit or claims for a refund made in violation of statute shall be denied and, as a penalty, the amount so claimed shall also be deducted from any future claim for refund. For example, any applicant for refund who makes a false statement on an application for permit or credit for refund, or submits any invoices on which erasures, changes, alterations, or additions have been made, or that are otherwise incorrect shall be denied and the penalty described above shall be applied.
- (d) The suspension of a refund permit shall be for a period not longer than one year. After the suspension period expires, the permit is automatically reinstated and taxpayer is not required to apply for a new refund permit.
- (e) Except as provided for in (8)(b), a cancellation, revocation, or denial of a refund permit shall be effective for a period of one year after which the taxpayer may apply for a new permit pursuant to (8)(f), below.
- (f) Any taxpayer whose refund permit was cancelled, revoked, or denied may apply for a new refund permit after the effective period of such cancellation, revocation, or denial has

expired. The Department may impose conditions, limitations, and qualifications to the granting of a new refund permit as the Department determines, in the exercise of its discretion, are necessary to ensure the proper administration of taxes. However, if a permit was cancelled because taxpayer had not filed a refund claim for twenty-four consecutive months or if an application was denied as a result of clerical errors, then taxpayer can apply for a new permit at any time.

(9) Change in Business Operations by an Established Account Holder.

- (a) Entities whose business operations change, in such a manner that a refund issued under the previously-set percentage would be incorrect, must notify the Department of Revenue.
- (b) The Department will require a new application.
- (c) The new application will be processed, and the previously-held account shall be closed.

(10) Filing Quarterly Claims.

- (a) Only one claim can be filed each calendar quarter. Missing gallons on a claim for refund cannot be resubmitted or amended to include those missing gallons if a claim was already filed in that calendar quarter. The missing gallons shall be claimed in a subsequent calendar quarter within twelve months of the date of purchase by including a copy of the prior quarter's claim and showing the missing fuel on such claim. Gallons claimed for refund must be submitted in a claim postmarked within twelve months of the date of purchase or the claim will be denied.
- (b) Except in the case of a first time applicant for a permit, aA taxpayer cannot file a claim for refund for any period unless taxpayer holds a refund permit at the time of filing the claim for refund. However, if the taxpayer's application for refund permit is denied for reasons other than making a false statement in the application (e.g., clerical errors) or if the permit is cancelled because no refund claim was submitted for twenty-four consecutive months, then the taxpayer is not prohibited from filing a refund claim for the period the application was denied or cancelled if the taxpayer is subsequently granted a permit and the claim is otherwise valid.

(11) Taxpayers Holding International Fuel Tax Agreement (IFTA) Licenses.

- (a) Taxpayers may separately file a claim for refund for nontaxable fuel used in Colorado in an IFTA-plated vehicle. Such a claim must demonstrate the actual amount of fuel used in Colorado in taxable and nontaxable applications. Taxpayers wishing to receive a refund on fuel placed in the ordinary fuel tank of a vehicle whose miles are reported on an IFTA return must obtain an account with the Department specifically for this purpose.
- (b) Taxpayers wishing to receive a refund on fuel placed in the ordinary fuel tank of a vehicle whose miles are reported on an IFTA return, and also receive a refund on fuel used in other equipment, must file two separate refund claims one for IFTA gallons described in this paragraph (11), and one for non-IFTA gallons described in paragraphs (1) through (10) of this rule. Taxpayers must separate each reported activity.
- (c) Gallons used in an IFTA-plated vehicle are not eligible for a refund using the industry default percentage as defined in paragraphs (1) through (9) of this rule.
- (d) Out-of-state IFTA licensees holding an account upon which they shall receive a refund of fuel placed in the ordinary fuel tank of a vehicle whose miles are reported on an IFTA

- return must attach a copy of the corresponding IFTA return to each quarterly claim for refund.
- (e) For the purposes of this regulation, the ordinary fuel tank of a vehicle is that which is drawn upon to propel the vehicle down the road.

(12) Invoice Record-Retention Requirements.

- (a) Invoices are the delivery tickets issued at the time of the sale and delivery. Billing invoices prepared subsequent to the sale and delivery of the fuel are not acceptable, unless accompanied by a delivery ticket. Invoices must be retained for a period of three years from the date of the purchase of the fuel or the date of the refund claim, whichever is later. These invoices must be available for audit or review upon request by the Department.
- (b) Invoices must show the following information:
 - (i) Dealer's name and address, and the address of the delivery;
 - (ii) Purchaser's name and address;
 - (iii) Correct date of sale and delivery, as to month, day, and year;
 - (iv) Bill of lading number, if applicable;
 - (v) Delivery ticket number;
 - (vi) Type and quantity of gasoline or special fuel sold;
 - (vii) Price per gallon, total amount of Colorado tax, and total amount paid.

COLORADO DEPARTMENT OF REVENUE STATEMENT OF BASIS AND PURPOSE

REFUNDS OF GASOLINE AND SPECIAL FUEL TAXES 39-27-103 1 CCR 201-16

Basis

The basis for this rule is §39-21-112(1) and §39-27-103, C.R.S.

Purpose

The purpose of the amendment to this rule is to clarify language regarding the filing of quarterly claims for refunds. Specifically, the statute makes clear that a first time applicant for a refund permit is allowed to file a claim for refund without first obtaining a refund permit. As the regulation is currently written, it does not account for a first time applicant making a claim for refund without a refund permit. In addition, this amendment makes clear that if the refund permit is denied for reasons other than making a false statement in the application or if the permit is cancelled because no refund claim was submitted for twenty-four consecutive months, then the taxpayer is not prohibited from filing a refund claim for the period the application was denied or refund permit was cancelled if the taxpayer is subsequently granted a permit and the claim is otherwise valid.

DEPARTMENT OF REVENUE

Division of Motor Vehicles – Title and Registration Section 1 CCR 204-10

RULE 10. DISPOSITION OF OBTAINING TITLE FOR A MOTOR VEHICLES ABANDONED AT A MOTOR VEHICLE REPAIR SHOPS FACILITY

Basis: The statutory bases for this rule are 38-20-116, 42-1-204, 42-6-102, 42-6-104, 42-6-115(3)(a), 42-6-116, 42-6-136, 42-6-136, 42-6-137, and 42-9-102, C.R.S.

Purpose: The purpose of this rule is to establish requirements for obtaining a Colorado certificate of title for a motor vehicle that has been abandoned at a Motor Vehicle Repair Facility.

1.0 Definitions

- 1.1 "Abandoned Motor Vehicle" for the purposes of this rule means the same as it is defined in 38-20-116(2.5)(b), C.R.S.
- 1.2 "Last Good Faith Effort" for the purpose of this rule means notifying the vehicle owner as required pursuant to 38-20-116(2), C.R.S.
- 1.3 "Motor Vehicle Repair Facility" means the same as it is defined in 42-9-102(3), C.R.S.
- 1.4 "Work Day" for the purposes of this rule means Monday through Friday, excluding Colorado State Government recognized holidays.
- 1.5 "Work Order" means the same as it is defined in 42-9-102(6), C.R.S.

2.0 Requirements

- 2.1 A Motor Vehicle Repair Facility in possession of an Abandoned Motor Vehicle may obtain a Colorado certificate of title in its name by completing the steps below. The below steps are the recommended order of completion, the Motor Vehicle Repair Facility may complete the steps in any order, but all steps must be completed before the Motor Vehicle Repair Facility can obtain a Colorado certificate of title in its name.
 - a. Complete a title record search pursuant to 38-20-116(2.5)(c)(III), C.R.S.
 - If the Abandoned Motor Vehicle is a motor vehicle registered in Colorado, submit form DR 2489A Motor Vehicle Record Requestor Release And An Affidavit of Intended Use and attach thereto a copy of the Work Order.
 - A certified Vehicle Identification Number (VIN) inspection may be submitted in lieu of a Work Order when the Work Order is not available.
 - ii. If the Abandoned Motor Vehicle is registered in another jurisdiction, a title and lien search from the other jurisdiction is required. The results of that search shall be submitted with the application for a Colorado certificate of title.
 - b. Notify the owner(s) and all lienholders in accordance with subsection 38-20-116(2.5) (c)(IV), C.R.S.

- c. Complete a certified VIN inspections pursuant to 38-20-116(2.5)(c)(II)(A) and (B), C.R.S. on form DR 2704 Colorado Certified VIN Inspection.
- d. Establish the retail fair market value of the Abandoned Motor Vehicle pursuant to section 38-20-116(2.5)(c)(l), C.R.S.
- e. Purchase a surety bond pursuant to 42-6-115(3)(a) and 38-20-116(2.5)(c)(V), C.R.S.
- f. Disclose current or previous salvage information.
 - I. If the Colorado certificate of title record search indicates the Abandoned Motor Vehicle is branded as salvage, the DR 2704 Colorado Certified VIN Inspection form must indicate that the Abandoned Motor Vehicle is "Not Roadworthy".
 - If an Abandoned Motor Vehicle previously having a salvage brand has been repaired to a roadworthy condition, the Motor Vehicle Repair Facility may apply for a Colorado rebuilt from salvage certificate of title by completing the requirements listed in form DR 2415 Rebuilt Title Established by Salvage Title Checklist and completing form DR 2424 Salvage Title Statement of Fact indicating what repairs were made to the Abandoned Motor Vehicle to bring it to a roadworthy condition as defined in section 42-6-102(15), C.R.S.
 - After making repairs to bring the branded salvage Abandoned Motor Vehicle to a roadworthy condition, a new form DR 2704 Colorado Certified VIN Inspection must be submitted with the application for Colorado certificate of title.
 - If the salvage branded Abandoned Motor Vehicle is not repaired to a roadworthy condition, the Motor Vehicle Repair Facility may apply for a salvage branded title using form DR 2410 Application for Salvage Title or Nonrepairable Title.
 - 3. If the Colorado certificate of title record search indicates that the Abandoned Motor Vehicle was branded as "Previous Salvage (Rebuilt from Salvage)" and the form DR 2704 indicates that the Abandoned Motor Vehicle is roadworthy, the Motor Vehicle Repair Facility must request a salvage history on the Abandoned Motor Vehicle from the Department.
 - Upon determination of the reason for the vehicle being branded salvage, the Motor Vehicle Repair Facility must complete form DR 2710 Branded Title Disclosure Statement.
 - b. If the reason for the vehicle being branded salvage is indeterminate, the Motor Vehicle Repair Facility must complete form DR 2710 Branded Title Disclosure Statement, marking the "Other" box on the form and must write "Purchased as an abandoned vehicle, unable to obtain a salvage history, reason for salvage unknown" in the space provided to the right of the "Other" box.
- g. Complete form DR 2438 Storage Lien Bond Statement Guide or form DR 2444 Statement of Fact, providing the information required pursuant to section 38-20-116(c)(VI), C.R.S.

- 2.2 After completion of all steps in paragraph 2.1 above, the Motor Vehicle Repair Facility may apply for a Colorado certificate of title or salvage branded title. The application and related forms must be filed in the name of the Motor Vehicle Repair Facility, and in the county where the Motor Vehicle Repair Facility is located. The County Clerk and Recorder will issue the Colorado certificate of title in the Motor Vehicle Repair Facilities name using the previous title code of "BOS REP" (Bill of Sale Repair Facility) and assess the appropriate fees pursuant to 42-6-137, C.R.S.
 - a. An Abandoned Motor Vehicle with a retail fair market value of less than \$200.00 can be sold only for the purposes of junking, scrapping, or dismantling. No certificate of title will be issued. The sale must be executed in accordance with subsection 38-20-116(2.5)(c)(VII)(B), C.R.S.
- 2.3 After the Motor Vehicle Repair Facility has obtained a Colorado certificate of title for the Abandoned Motor Vehicle, the vehicle must be sold in a commercially reasonably manner pursuant to section 38-20-116(d)(I), C.R.S.

3.0 Agents Acting on Behalf of the Motor Vehicle Repair Facility

- 3.1 An agent may obtain title to an Abandoned Motor Vehicle in a Motor Vehicle Repair Facility's name upon presenting a Power of Attorney or Permission Letter authorizing the agent to act on the Motor Vehicle Repair Facility's behalf.
- 3.2 The Permission Letter listed in paragraph 3.1 must include the make, model, model year, and VIN of the Abandoned Motor Vehicle; the business name, address, and telephone number of the Motor Vehicle Repair Facility; and a statement that "[Name of Motor Vehicle Repair Facility] hereby authorizes [agent's name] to act on my behalf in processing the title application for the above-referenced motor vehicle." The permission letter must be either (1) signed under penalty of perjury or (2) notarized.

Basis: The statutory bases for these regulations are sections 38-20-116(2.5)(e), 42-4-2104, 42-4-2109, 42-6-104 and 42-6-136 C.R.S.

Purpose: The following rules and regulations are promulgated to establish requirements for processing of certificates of title for vehicles that have been abandoned at a motor vehicle repairshop.

Definitions:

Abandoned Motor Vehicle - a motor vehicle:

- (1) that has been left at a repair shop by the motor vehicle's owner, the owner's agent, or an operator hired by the owner or owner's agent;
- (2) that the repair shop has offered to repair and for which the repair shop has prepared an estimate of repair costs;
- (3) that the owner or the owner's agent has refused to authorize repairs to, has refused to pay for authorized and completed repairs to, or has refused to remove from the repair shop upon request. If a repair shop is unable, despite good faith efforts, to obtain a response from the owner or the owner's agent regarding the authorization of repairs, payment forauthorized and completed repairs, or the removal of a motor vehicle, the owner orowner's agent shall be deemed to have refused to authorize repairs, pay for authorized and completed repairs, or remove the motor vehicle.
- (4) that is not the subject of sale negotiations or a sale agreement between the owner or the owner's agent and the repair shop.

Department - the Department of Revenue, Division of Motor Vehicles (DMV).

Operator – a person or firm licensed by the Public Utilities Commission (PUC) as a towing operator, which includes auto parts recyclers that tow vehicles for remuneration.

Repair Shop — a person or firm that offers major motor vehicle repair services of more than one-thousand dollars in value per motor vehicle repair to the public on a commercial basis and-complies with all federal, state, county and municipal laws that require the person or firm to-possess business or tax licenses.

Salvage Certificate of Title — a document issued under the authority of the director to indicateownership of a salvage vehicle.

Salvage Vehicle — any motor vehicle as defined in section 42-6-102 (10) and (23), which is damaged as defined by section 42-6-102 (17) which shall include any reference to "salvage vehicle" or "salvage motor vehicle".

- 1. This process may be followed by repair shop owners for those vehicles that have an appraised value of two thousand dollars or less and have been abandoned at their facility.
- 2. If a tow operator is also an owner of a repair shop, an abandoned vehicle must be processed in accordance with the terms of the abandonment. If the vehicle was abandoned on private property, the vehicle must be processed in accordance with the requirements of 42-4-2102 CRS. If the vehicle is abandoned at a repair shop and meets the specified requirements, the vehicle must be processed in accordance with the requirements of 42-4-2104.5 CRS.

- 3. A copy of the repair order will be required to substantiate that an estimate of repair costs was completed.
- 4. The repair shop shall conduct or cause to be conducted an appraisal of the vehicle not less—than fifteen days nor more than thirty days from the date that the owner or owner's agent—refused to authorize repairs, pay for completed repairs or remove the vehicle from the—repair shop upon request. The appraisal must be conducted by a licensed Colorado—dealer. If the repair shop owner is also a licensed Colorado dealer, he may conduct the—appraisal on a vehicle that has been abandoned at his repair shop.
- 5. The vehicle will be considered abandoned if the vehicle owner or the vehicle owner's agentdoes not respond to the repair shop within five working days from the last "good faitheffort" made by the repair shop to contact the owner.
- 6. For purposes of this procedure, a "good faith effort" is defined as mailing a certified letter which includes a copy of the repair order and notification that if the repair shop does not receive a response within ten working days from the postmark date of the certified letter, the vehicle will be considered abandoned and will be subject to sale.
- 7. The vehicle must be appraised at \$2,000.00 or less to follow this procedure. If the vehicle is appraised for \$2,001.00 or more, the Mechanic and Storage Lien procedure must be completed to obtain a Colorado certificate of title.
- 8. The requirement for notification to the Department by a repair shop upon a vehicle becoming abandoned at a repair shop shall be satisfied by the repair shop owner initiating a search through the State website.
- 9. Repair shop owners shall notify the law enforcement in accordance with Part 21, Article 4 of Title 42 C.R.S.
- 10. Report of the abandonment of the motor vehicle shall be conducted no later than ten working days following notification from law enforcement that the vehicle has not been reported stolen, and a case number has been assigned. This report must be conducted electronically through the Department's internet communication. The Department will not provide printed forms. The search is not considered complete until the repair shop-receives a Colorado record or verification from the Department that no Colorado record exists.
- 11. Notification must be mailed to all addresses recorded in the Department's records in addition to the address on the repair order if it is different.
- 12. The repair shop must make a reasonable effort to obtain out-of-state owner and lienholder-information if there is any indication that the vehicle is registered in another state. For-purposes of this procedure, a reasonable effort is considered obtaining a record search from the state of which the vehicle appears to be registered.
- 13. A sale must be commercially reasonable in accordance with 42-4-2104.5, C.R.S. Commercially reasonable is defined as a good faith attempt to dispose of the item to the parties' mutual best advantage. A sale is not commercially reasonable if the vehicle's appraisal value is more than \$200.00 and is sold to an officer or partner of the repair shop or to any other person with a proprietary interest in the repair shop.
- 14. Upon the sale and application for title of a vehicle appraised for \$2,000.00 or less and more than \$200.00 whose model year is less than six years, a salvage title must be issued.

- 15. Upon the sale of the vehicle, the repair shop shall provide the purchaser with a Motor Vehicle Bill of Sale (DR2146), the original of the report (DR2147), a copy of the title search results including a copy of the e-mail verification when no record is found, a copy of the repair order, a copy of the certified letter return receipt requested, the original Vehicle Identification Number verification and the appropriate application for title.
- 16. Upon receiving record search information from the department, if the record indicates that the vehicle is salvage and the vehicle appears to have been made roadworthy, the repair—shop owner shall disclose to the buyer that the vehicle has a salvage title record, and that no repairs have been made by the repair shop to make the vehicle roadworthy. The buyer shall follow the established procedure to apply for a roadworthy title. The buyer—shall complete a DR2424 Salvage Title Statement of Fact by stating that the vehicle was purchased from a repair shop as a vehicle abandoned at a repair shop and that no repairs have been made. All subsequent title applications will indicate the same—information on the DR2710, Rebuilt from Salvage Disclosure. If the repair shop has—made the repairs required for the vehicle to be deemed roadworthy, the buyer will—complete the DR2424 Salvage Title Statement of Fact to indicate what repairs were—made and that they were made by the repair shop.

If the vehicle is in salvage condition and/or less than six model years old at the time of sale, as determined and disclosed in writing by the repair shop owner and appraised formore than \$200.00, the buyer must apply for a salvage title and state that the vehicle was purchased as an abandoned vehicle from a repair shop. Repair shop owners are required to disclose to the buyer that the vehicle is a salvage vehicle. However, because the vehicle was abandoned and there are no records to indicate the reason for salvage, repair shop owners will not be required to disclose the reason for the salvage designation.

If the record obtained from the department indicates that the vehicle was previously salvage, the repair shop owner shall make all reasonable attempts to determine the cause of the salvage designation. A reasonable attempt is considered obtaining a title-history to determine the reason for salvage. Once the reason for salvage has been determined, the repair shop owner will complete the DR2710 Rebuilt from Salvage-Disclosure to provide the salvage information. If the reason for salvage is indeterminate, the repair shop owner will complete the DR2710 by marking the box "vehicle abandoned at a repair shop" and stating "purchased as an abandoned vehicle at a repair shop, reason for salvage unknown".

- 17. Access to the Department's electronic system requires registration with the Department pursuant to 42-4-1806 (2)(a) C.R.S.
- 18. All searches of the electronic system will require the statutory search fee pursuant to 42-1-206 (2)(a). These fees will be collected through a billing process determined by the department. Failure to remit payment required for services provided may result in suspension of access of the department's electronic system.
- 19. The electronic system registration and billing process will be completed as determined by the department.
- 20. Repair shop owners shall utilize the electronic system provided by the department to obtain the owner and lienholder information of abandoned vehicles. Use of the electronic system shall only be for the purpose of obtaining required information to process vehicles abandoned at their repair shop. Repair shop owners must register with the Department for use of the electronic system. A separate repair shop registration will be required for those repair shop owners that are registered with the Department as a tow operator.

1	 If the vehicle does not sell within the time frames as defined in 42-4-210 fees or charges may apply. 	04.5, no additional

DEPARTMENT OF REVENUE

Division of Motor Vehicles – Title and Registration Section 1 CCR 204-10

RULE 10. OBTAINING TITLE FOR A MOTOR VEHICLE ABANDONED AT A MOTOR VEHICLE REPAIR FACILITY

Basis: The statutory bases for this rule are 38-20-116, 42-1-204, 42-6-102, 42-6-104, 42-6-115(3)(a), 42-6-116, 42-6-136, 42-6-136, 42-6-137, and 42-9-102, C.R.S.

Purpose: The purpose of this rule is to establish requirements for obtaining a Colorado certificate of title for a motor vehicle that has been abandoned at a Motor Vehicle Repair Facility.

1.0 Definitions

- 1.1 "Abandoned Motor Vehicle" for the purposes of this rule means the same as it is defined in 38-20-116(2.5)(b), C.R.S.
- 1.2 "Last Good Faith Effort" for the purpose of this rule means notifying the vehicle owner as required pursuant to 38-20-116(2), C.R.S.
- 1.3 "Motor Vehicle Repair Facility" means the same as it is defined in 42-9-102(3), C.R.S.
- 1.4 "Work Day" for the purposes of this rule means Monday through Friday, excluding Colorado State Government recognized holidays.
- 1.5 "Work Order" means the same as it is defined in 42-9-102(6), C.R.S.

2.0 Requirements

- 2.1 A Motor Vehicle Repair Facility in possession of an Abandoned Motor Vehicle may obtain a Colorado certificate of title in its name by completing the steps below. The below steps are the recommended order of completion, the Motor Vehicle Repair Facility may complete the steps in any order, but all steps must be completed before the Motor Vehicle Repair Facility can obtain a Colorado certificate of title in its name.
 - a. Complete a title record search pursuant to 38-20-116(2.5)(c)(III), C.R.S.
 - If the Abandoned Motor Vehicle is a motor vehicle registered in Colorado, submit form DR 2489A Motor Vehicle Record Requestor Release And An Affidavit of Intended Use and attach thereto a copy of the Work Order.
 - A certified Vehicle Identification Number (VIN) inspection may be submitted in lieu of a Work Order when the Work Order is not available.
 - ii. If the Abandoned Motor Vehicle is registered in another jurisdiction, a title and lien search from the other jurisdiction is required. The results of that search shall be submitted with the application for a Colorado certificate of title.
 - b. Notify the owner(s) and all lienholders in accordance with subsection 38-20-116(2.5) (c)(IV), C.R.S.

- c. Complete a certified VIN inspections pursuant to 38-20-116(2.5)(c)(II)(A) and (B), C.R.S. on form DR 2704 Colorado Certified VIN Inspection.
- d. Establish the retail fair market value of the Abandoned Motor Vehicle pursuant to section 38-20-116(2.5)(c)(l), C.R.S.
- e. Purchase a surety bond pursuant to 42-6-115(3)(a) and 38-20-116(2.5)(c)(V), C.R.S.
- f. Disclose current or previous salvage information.
 - **i.** If the Colorado certificate of title record search indicates the Abandoned Motor Vehicle is branded as salvage, the DR 2704 Colorado Certified VIN Inspection form must indicate that the Abandoned Motor Vehicle is "Not Roadworthy".
 - If an Abandoned Motor Vehicle previously having a salvage brand has been repaired to a roadworthy condition, the Motor Vehicle Repair Facility may apply for a Colorado rebuilt from salvage certificate of title by completing the requirements listed in form DR 2415 Rebuilt Title Established by Salvage Title Checklist and completing form DR 2424 Salvage Title Statement of Fact indicating what repairs were made to the Abandoned Motor Vehicle to bring it to a roadworthy condition as defined in section 42-6-102(15), C.R.S.
 - a. After making repairs to bring the branded salvage Abandoned Motor Vehicle to a roadworthy condition, a new form DR 2704 Colorado Certified VIN Inspection must be submitted with the application for Colorado certificate of title.
 - If the salvage branded Abandoned Motor Vehicle is not repaired to a roadworthy condition, the Motor Vehicle Repair Facility may apply for a salvage branded title using form DR 2410 Application for Salvage Title or Nonrepairable Title.
 - 3. If the Colorado certificate of title record search indicates that the Abandoned Motor Vehicle was branded as "Previous Salvage (Rebuilt from Salvage)" and the form DR 2704 indicates that the Abandoned Motor Vehicle is roadworthy, the Motor Vehicle Repair Facility must request a salvage history on the Abandoned Motor Vehicle from the Department.
 - Upon determination of the reason for the vehicle being branded salvage, the Motor Vehicle Repair Facility must complete form DR 2710 Branded Title Disclosure Statement.
 - b. If the reason for the vehicle being branded salvage is indeterminate, the Motor Vehicle Repair Facility must complete form DR 2710 Branded Title Disclosure Statement, marking the "Other" box on the form and must write "Purchased as an abandoned vehicle, unable to obtain a salvage history, reason for salvage unknown" in the space provided to the right of the "Other" box.
- g. Complete form DR 2438 Storage Lien Bond Statement Guide or form DR 2444 Statement of Fact, providing the information required pursuant to section 38-20-116(c)(VI), C.R.S.

- 2.2 After completion of all steps in paragraph 2.1 above, the Motor Vehicle Repair Facility may apply for a Colorado certificate of title or salvage branded title. The application and related forms must be filed in the name of the Motor Vehicle Repair Facility, and in the county where the Motor Vehicle Repair Facility is located. The County Clerk and Recorder will issue the Colorado certificate of title in the Motor Vehicle Repair Facilities name using the previous title code of "BOS REP" (Bill of Sale Repair Facility) and assess the appropriate fees pursuant to 42-6-137, C.R.S.
 - a.An Abandoned Motor Vehicle with a retail fair market value of less than \$200.00 can be sold only for the purposes of junking, scrapping, or dismantling. No certificate of title will be issued. The sale must be executed in accordance with subsection 38-20-116(2.5)(c)(VII)(B), C.R.S.
- 2.3 After the Motor Vehicle Repair Facility has obtained a Colorado certificate of title for the Abandoned Motor Vehicle, the vehicle must be sold in a commercially reasonably manner pursuant to section 38-20-116(d)(I), C.R.S.

3.0 Agents Acting on Behalf of the Motor Vehicle Repair Facility

- 3.1 An agent may obtain title to an Abandoned Motor Vehicle in a Motor Vehicle Repair Facility's name upon presenting a Power of Attorney or Permission Letter authorizing the agent to act on the Motor Vehicle Repair Facility's behalf.
- 3.2 The Permission Letter listed in paragraph 3.1 must include the make, model, model year, and VIN of the Abandoned Motor Vehicle; the business name, address, and telephone number of the Motor Vehicle Repair Facility; and a statement that "[Name of Motor Vehicle Repair Facility] hereby authorizes [agent's name] to act on my behalf in processing the title application for the above-referenced motor vehicle." The permission letter must be either (1) signed under penalty of perjury or (2) notarized.

RULES FOR EVIDENCE OF LAWFUL PRESENCE

1 CCR 201-17 204-30 - Rule 5

[Editor's Notes follow the text of the rules at the end of this CCR Document.]

BASIS: This rule is promulgated under the authority of section 24-76.5-103, C.R.S.

PURPOSE: The following rule is promulgated to provide a list of documents recognized by the federal government to prove lawful presence, and to establish a waiver process to ensure that those persons seeking federal public benefits or state and local public benefits, who prove lawful presence in the United States, receive authorized public benefits.

1. Definitions

- 1.1 ____Applicant AnyA natural person eighteen years of age or older seeking non-exempt Public Benefits for himself as set forth in §24-76.5-102 and 103 C. R. S. Reference to Applicant includes actions through the Designated Representative, defined below.
- 1.2 ____Benefit Agency An agency of the State or of any political subdivision of the State of Colorado, or other organization that administers, determines eligibility for, or assists persons within applying for Public Benefits as defined in §24-76.5-102 C.R.S..
- 1.3 ____Department The Colorado Means the Department of Revenue -
- 1.4-Director The Executive Director of the Colorado Department of Revenue
- 1.5 <u>Designated Representative A natural person submitting a Request for Waiver Request form (attached as on behalf of an exhibit to these rules Applicant.</u>
- 1.5 Public Benefit For purposes of this Rule, "Public Benefit" means "federal public benefit" and incorporated herein) "state and local benefit" as those terms are defined in 8 U.S.C. secs. 1611 and 1621, respectively.
- 1.6 Request for Waiver Means form DR 4678 "Request for Waiver Restrictions on Public Benefits" completed by an Applicant or Applicant's representative-seeking a determination of lawful presence by the Department. The Request for Waiver must be accompanied by all documents that the Applicant can produce to verify name and proof of lawful presence.
- 1.6 Waiver An exemption from identification requirements, issued by the Department of Revenue.
- **2. Identification Documents**

- 2.1 A first time Applicant or Applicant seeking to reapply for Public Benefits on or after August 1, 2006—may demonstrate lawful presence by both executing the affidavit required in §24-76.5-103(4)(b)—C.R.S. and producing: a Benefit Agency has been unable to verify the Applicant's lawful presence.
 - 2.1.1 One of the forms of identification set forth in §24-76.5-103(4)(a) C.R.S. as amended:
- 1.7 Systematic Alien Verification for Entitlements ("SAVE") A web-based service administered by the U.S Citizenship and Immigration Service to assist federal, state, and local benefit-issuing agencies, institutions, and licensing bureaus in determining the immigration status of benefit applicants.
 - 1.8 Valid Colorado driver license or a valid Colorado identification card For purposes of section 24-76.5-103(4)(a)(I. A valid), C.R.S., means a current Colorado driver's driver license, minor driver license, commercial driver license, restricted driver license, instruction permit, or a Colorado identification card, but does not include a document issued pursuant to part 5 of article 2 of title 42, C.R.S., or
 - II. A United States military or a military dependent's identification card, or
 - III. A United States Coast Guard Merchant Mariner card, or
 - IV. A Native American tribal document, or
 - V. A document described in paragraphs 2.1.3 or 2.1.4 below.
 - 2.1.2 For purposes of §24-76.5-103(4)(a)(I), a valid Colorado driver's license or identification cardincludes only a current driver's license, minor driver's license, probationary driver's license, commercial driver's license, restricted driver's license, instruction permit or identificationcard.
- 2.1.2.1 In the case of a resident of another state, the driver's license or a state-issued identification cardfrom the state of residence, if that state requires on the front of the document that the applicantprove lawful presence prior to issuance of a document. it is "NOT VALID FOR FEDERAL
 IDENTIFICATION, VOTING, OR PUBLIC BENEFIT PURPOSES".
 - 2.1.3 Benefit Agencies may also accept the listed forms of identification published by the Office of the Federal Register, National Archives and Records Administration, in the full Code of Federal Regulations (CFR) governing the specific services provided. In the absence of specific governing CFR regulations, Benefit Agencies shall accept the listed forms of identification published in Attorney General's Order Number 2129-97 Interim Guidance on Verification of Citizenship, Qualified Alien Status and Eligibility Under Title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, as issued by the Department of Justice, Federal Register, November 17, 1997, Vol.62, No. 221 and which are incorporated by reference. Attachments A and B provide lists of documents acceptable perthis federal publication.

Material incorporated by reference in this rule does not include later amendments to or editions of the incorporated material. Copies of the material incorporated by reference may be obtained by contacting the Director, Motor Vehicle Division, of the Department of Revenue, 1881 Pierce Street, Room 100, Lakewood, Colorado, tele: 303-205-5935 during regular business hours. Copies of materials may also be examined at any state publication depository library. Certified copies shall be provided at cost, upon request.

3. Waiver Process

3.1 1.9 Waiver – Means a Department decision that an Applicant has proven lawful presence by means other than the document requirements under subsection 2.1 of this Rule.

2. Verification Requirements

- A first time Applicant or <u>an Applicant seeking to reapply for Public Benefits on or after August 1, 2006, may demonstrate lawful presence by executing both must execute the affidavit required in <u>\$section 24-76.5-103(4)(b) C.R.S.</u>, and <u>by executing demonstrate lawful presence by providing:</u></u>
 - 2.1.1 A document listed in section 24-76.5-103(4)(a Request for Waiver. The Request form, seeking a determination of lawful presence by) C.R.S. (2014);
 - 2.1.2 In the Department, may be completed by case of a resident of another state, the Applicant driver license or a state-issued identification card from the Applicant's representative. The Request for Waiver must be accompanied by all documents state of residence, if that state requires that the Applicant is then able prove lawful presence prior to produce to verify name issuance of the license or identification card;
 - 2.1.3 A document listed in the Code of Federal Regulations (CFR) as providing proof of lawful presence;
 - 2.1.4 A document listed in Attachments A and B, incorporated herein and made part of this Rule;
 - 2.1.5 Any document authorized as proof of lawful presence. The Request for Waiver may be filed in person, by mail, or on-line. pursuant to the statutes, regulations, or agency guidance governing the Benefit Agency; or
 - 2.1.6 Any document recognized by the Federal government as proof of lawful presence that is not listed or referenced within this Rule.

3. Waiver Process

- 43.1 An Applicant who has been denied a Public Benefit Agencies shall refer those Applicants who doby a Benefit Agency because the Applicant could not have any identification documents provide a document listed or referenced in Sections 2.1, 2.1.3, or 2.1.4 to this Rule may request that the Department grant the Applicant a Waiver by submitting a Request for Waiver and a copy of the document from the Benefit Agency denying benefits unless unavailable.
 - 3.1.1 The Request for Waiver may be completed and/or submitted by an Applicant or by the Applicant's Designated Representative.
 - 3.1.2 The Request for Waiver must be accompanied by all documents the Applicant wants the Department to consider to request a waiver.prove lawful presence.
 - 3.1.2 Upon3 The Applicant must submit the Request for Waiver to the Colorado Department of Revenue, Division of Motor Vehicles or any Colorado Department of Revenue, Division of Motor Vehicles Driver License office and send a copy to the Benefit Agency.

- 3.2 Pursuant to section 24-76.5-103(5)(a), C.R.S., the Department may grant an Applicant's Request for Waiver of the requirement that the Applicant prove lawful presence through the documents referenced in subsection 2.1 of this Rule if the Department determines that the Applicant has proven lawful presence by other means.
 - 3.3 Subsequent to receipt of a Request for Waiver, the Department will verify lawful presence of the Applicant.
- 3.1.3 The Department shall make a decision approving or denying a waiver within one business day of receipt of the response from federal databases or other verifying entities. Information as to the waiver decision shall be made available to the benefit agency, if known_determination of the lawful presence of the Applicant and will issue a Waiver or a Notice of Denial of Waiver. The Waiver or a Notice of Denial of Waiver will be mailed to the Applicant at the address provided on the Request for Waiver.

3.1.4 The following constitute reasons 4. Denial of Request for Waiver

4.1	<u>Reasons</u> for a	denial of a waive	rRequest for	Waiver include	e, but are not limited to:	
3.1.4.1.1The _("SAVE") verification fails to clear the Applicant; or					e Applicant <u>; or</u>	

- 34.1.4.2 _____The documents presented by the Applicant cause the Department to reasonably believe that the documents appear to have been tampered with, altered, or are not otherwise not genuine; or
- 34.1.4.3 _____The statements and/or documents provided by the Applicant are inconsistent and the Applicant is unable to reasonably explain the inconsistencies.-

3.1.5 The referring

5. Hearing and Final Agency Action

- 5.1 An Applicant, or his or her Designated Representative, may, within 60 days of the date of mailing of a Notice of Denial, or any Benefit Agency may, within 60 days of the date of mailing of a Waiver, request a hearing on the Department's decision by filing a written request for hearing with the Hearings Division of the Department at 1881 Pierce St. #106, Lakewood, CO 80214.
- 5.2 Hearings shall be held in accordance with the provisions of the State Administrative Procedure
 Act and the provisions of title 42 of Colorado Revised Statutes.
- 5.3 The only issues at hearing will be whether and when the Applicant has established lawful presence in the United States by a preponderance of the evidence.
 - 5.3.1 The Hearing Officer may consider any credible evidence, whether documents, witnesses, or other evidence offered by any party. For purposes of this rule, "party" means the Applicant, the Department, or any Benefit Agency.
 - 5.3.2 If the Hearing Officer cannot determine the actual date that the Applicant became lawfully present in the United States, the Applicant shall be deemed lawfully present as of the date provided by the statutes, regulations, or agency guidance governing the Benefit Agency, or if none, as of the date the original application denied was filed with the Benefit Agency.

- The Hearing Officer shall issue an Initial Decision within 15 business days of the completion of the hearing. If the Hearing Officer finds that the Applicant has not established lawful presence, then if a Denial of Waiver was previously issued, the Denial of Waiver will be sustained, or if a Waiver was previously granted, the Waiver will be rescinded. If the Hearing Officer finds that the Applicant is lawfully present, then if a Denial of Waiver was previously issued, the Denial of Waiver will be rescinded and the Department will be directed to issue a Waiver, or a Waiver was previously issued, the Waiver will be sustained.
- 5.5 Administrative Hearing Appeals/Exceptions to Initial Decision.
 - 5.5.1 Exception(s) Process. Any party may appeal an Initial Decision pursuant to the Colorado Administrative Procedure Act by filing written exception(s) with the Executive Director within 30 days after the date of mailing of the Initial Decision to the Applicant, the Benefit Agency, and the Department. The address of the Executive Director is: Department of Revenue, Executive Director, 1375 Sherman Street, 4th Floor, Denver, CO 80203.
 - 5.5.2 The written exception(s) must include a statement giving the basis and grounds for the exception(s). A party who fails to properly file written exception(s) within the time provided in this Rule is deemed to have waived the right to an appeal. A copy of the exception(s) must be served on all parties by personal service or via U.S. Mail, first class postage-prepaid. Any other party may file a response to the written exceptions within 21 days of the date on which the party appealing mailed or personally served written exceptions.
 - 5.5.3 Designation of Record. The party filing an appeal must file a designation of the record with the Executive Director within 20 days after the mailing of the Initial Decision. The designation of the record must designate those parts of the record and the hearing transcript that the party appealing wishes to have considered on appeal. The Department will arrange for the transcription of the hearing upon written request and payment in advance of the costs therefore by the party appealing the Initial Decision. The party appealing the Initial Decision must serve a copy of the designation on all parties by personal service or via U.S. Mail, first class postage-prepaid. Within 10 days after such service, any other party may file a designation of additional parts of the record and the hearing transcript to be considered and must advance the cost therefore. A copy of the additional designation of record must be served on all parties. No transcript is required if the review is limited to a pure question of law. Any party who fails to properly file a designation or additional designation of the record within the time provided in these Rules is deemed to have waived the right to file such designation.
 - 5.5.3 Deadline Modifications. The Executive Director may modify deadlines and procedures related to the filing of exceptions to the Initial Decision upon motion by either party for good cause shown.
 - 5.5.4 No Oral Argument. No oral argument will be allowed.
 - 5.5.5 The Executive Director will issue a final decision within 30 days following the later of the date on which all pleadings have been filed or all motions have been resolved. If the Executive Director does not issue a final decision within 30 days, the Initial Decision will be deemed the final decision of the Executive Director, effective as of 30th day after the

date of the Initial Decision. The final decision is final agency action for all purposes, and is subject to judicial review as provided in section 24-4-106, C.R.S.

5.6 An appeal under this Rule does not toll or otherwise affect any Benefit Agency appeal or other procedure or process unless expressly authorized by the Benefit Agency.

6. General Provisions

- <u>Each</u> Benefit Agency is responsible for verifying that the Applicant is the same individual indicated as the person who is requesting the waiverreceived a Waiver.
- 3.1.6-.2 Waivers are assumed to be permanent, but may be rescinded and may be cancelled by the Department, if, at any time, the Department becomes aware of subsequently determines that the Applicant's violation of immigration laws. Applicant was not or is not lawfully present. Upon making cancelling a decision to rescind and cancel a waiver Waiver, the Department will notify the Applicant and the appropriate County Department of Human Services Benefit Agencies.
- 3.1.6.1 Individuals A person whose waivers are rescinded and Waiver has been cancelled shall have the right to appeal such decision by the Department. Individuals may appeal the Department's decision by requesting a hearing within thirty60 days of following the waiver being rescinded or cancelled by makingmailing date of the notice cancelling the Waiver. The person must submit a written request for hearing to the Hearings Section Division of the Department at 1881 Pierce St. #106, Lakewood, CO 80214.
 - 3.1.6.2 The Hearings Section shall hold the hearing in accordance the provisions of the State Administrative Procedure Act and the provisions of Title 42 of the Colorado Revised Statutes.
 - 3.1.6.3 The only issue at hearing shall be whether the applicant has violated immigration laws.
 - 3.1.6.4 The hearing officer shall issue a written decision within fifteen (15) business days of the completion of the hearing, and shall constitute final agency action, and issubject to judicial review as provided by §24-4-106, C.R.S.
- 3.1.7 ___Waivers issued by the Department since August 1, 2006, but prior to approval of this <u>ruleRule</u>, will continue in effect unless <u>otherwise rescindedexpired</u>, or <u>cancelled cancelled by the Department</u>
- 7.1 The materials in this Rule incorporated by the Department, as authorized reference do not include later amendments to or editions of the materials. The materials incorporated in Section 3.1.6. this Rule are on file and available for inspection by contacting the Driver License Section of the Department of Revenue in person at, 1881 Pierce Street, Room 128, Lakewood, Colorado, 80214, or by telephone at 303-205-5600, and copies of the materials may be examined at any state publication depository library.

ATTACHMENT A

THE FOLLOWING LIST DOES NOT INCLUDE ALL DOCUMENTS THAT MAY BE ACCEPTED TO ESTABLISH LAWFUL PRESENCE - SEE ALSO RULE 5, SUBSECTIONS 2.1.3 THRU 2.1.6.

The following documents are acceptable as proof of lawful presence pursuant to AG Order Number 2129-97, Federal Register, Vol. 62, No. referenced in 2.1.3. of this rule. 221, November 17, 1997, incorporated herein by reference (the "AG Order").

A. A. Primary Evidence (

One document of the following documents - when combined with satisfactory proof of identification — demonstrates that the Applicant is needed):a U.S. citizen or non-citizen national. Identity can be proven by these same documents if they bear a picture of the applicant. Applicant:

- Copy of applicant's Applicant's birth certificate from any state, the District of Columbiaand, or all United States territories.

- 3. _____Report of Birth Abroad of a United States Citizen, form FS-20.240;
- 4. ____Certificate of Birth issued by a foreign service post (FS-545) or Certification of Report of Birth (DS-1350). These are available from the Department of State-;
- 5. ____Certification of Naturalization (N-550 or N-570). The N-570 is issued upon loss or damage to the original document or following an individual's name change:
- 6. ____Certificate of Citizenship (N-560 or N-561). This document is issued to those persons who derive U. S. <u>Citizenshipcitizenship</u> through a parent. The N-561 is issued upon loss or damage of the original document or following an individual's name change.:
- 7. ____U. S. Citizen Identification Card (I-97). These were 197), last issued in 1983, or Form I-
 <u>179,</u> last issued in 1974.
- 8. _____Northern Mariana Identification Card. Those born in the Northern Mariana Islands prior to November 3, 1986, were collectively naturalized.
- 9. ____Statement provided by a USU.S. consular officer certifying that the individual is a USU.S. citizen. (This document is provided to an individual born outside the USU.S. who derived citizenship through a parent but does not have form FS-240, FS-545 or DS-1350-)):
- American Indian Card with Classification classification code "KIC" and a statement on the back (identifying US Citizen U.S. citizen members of the Texas Band of Kickapoos.) living near the U.S./Mexican border).

B. _Secondary Evidence

If the applicant cannot present one of the documents listed above, the following may be relied upon to establish USU.S. citizenship or nationality:

1.-____Religious recordsrecord recorded in one of the 50 states, the District of Columbia and U.S. territories, within three months after birth, showing that the birth occurred in such jurisdiction, and the date of the birth or the individual's age at the time the record was made::

Evidence of Civil Service Employment civil service employment by the USU.S. Government before June 1, 1976; Early school records (preferably from the first school) showing the date of admission to the school, the child's date and place of birth and the names'names and places of birth of the parents; Census record showing name, USU.S. citizenship or a USU.S. place of birth or age of applicant Applicant; Adoption Finalization Papers showing the child's name and place of birth in one of the 50 states, DC, Washington D.C., or USU.S. territories or, where the adoption is not finalized and the State or other jurisdiction listed above in which the child was born will not release a birth certificate prior to final adoption, a statement from a state-approved adoption agency showing the child's name and place of birth in one of such jurisdictions (-NOTE: the source of the information must be an original birth certificate and must be indicated in the statement); or Any other documents that establish a USU.S. place of birth or in some way indicates USU.S. citizenship. C.- If an individual is unable to present any of the above documents, the following options are available: Accept a written declaration, made under penalty of perjury, and possibly subject to later verification of status, from one or more third parties, indicating a reasonable basis for personal knowledge that the applicant is a USU.S. citizen or non-citizen national. Accept the applicant's Applicant's written declaration, made under penalty of perjury and possibly subject to later verification of status, that he or she is a USU.S. citizen or noncitizen national. Note: These options (C 1 and C 2) should be used with caution in appropriate circumstances. For example, before using these options, a provider might require the applicant Applicant to demonstrate why a document evidencing that he or she is a USU.S. citizen or non-citizen national does not exist or cannot be readily obtained. D. _ Collective Naturalization If the applicant Applicant cannot present one of the documents listed in A or B above, the following will establish USU.S. citizenship for collectively naturalized individuals: 1. ____Puerto Rico (PR): Evidence of birth in PR on or after April 11, 1899, and the applicants' Applicant's

January 13, 1941; or

take an oath of allegiance to Spain;

statement that he or she was residing in the US, U.S., a USU.S. possession, or PR on

Evidence that the applicant was a PR citizen and the applicant's Applicant's statement that he or she was residing in PR on March 1, 1917; and that he or she did not

2. US U.S. Virgin Islands:

Evidence of birth in the <u>USU.S.</u> Virgin Islands (<u>VIUSVI</u>) and the <u>applicant's Applicant's</u> statement of residence in the <u>US,U.S.</u> a <u>USU.S.</u> possession, or the <u>US VIUSVI</u> on February 25, 1927;

The applicant's Applicant's statement indicating residence in the US VIUSVI as a Danish citizen on January 17, 1917and 1917, and that he or she did not make a declaration to maintain Danish citizenship-; or

Evidence of birth in the <u>US VIUSVI</u> and the <u>applicant's Applicant's</u> statement indicating residence in the <u>US, USU.S., U.S.</u> Possession or Territory or the Canal Zone on June 28, 1932.

3.-____Northern Mariana Islands (NMI) (formerly part of the Trust Territory of the Pacific Islands_ (TTPI):)):

Evidence of birth in <u>the_NMI</u>, TTPI citizenship and residence in the NMI, the <u>US,U.S.</u>, or a <u>USU.S.</u> territory or possession on November 3, 1986 (NMI local time)_and the <u>applicant's Applicant's</u> statement that he or she did not owe allegiance to a foreign state on November 4, 1986 (NMI local time);

Evidence of TTPI citizenship, continuous residence in the NMI since before November 3, 1981_(NMI local time), voter registration prior to January 1, 1975, and the applicant's Applicant's statement that he or she did owe allegiance to a foreign state on November 4, 1986 (NMI local time);); or

Evidence of continuous domicile in the NMI since before January 1, 1974, and the applicant's Applicant's statement that he or she did not owe allegiance to a foreign state on November 4, 1986 (NMI local time).

Note: If a person entered the NMI as a nonimmigrant and lived in the NMI since January 1, 1974, this does not constitute continuous domicile, and the individual is not a USU.S. citizen.

E. _Derivative Citizenship

If the <u>applicant Applicant</u> cannot present one of the above documents, you should make a determination of <u>Derivative USderivative U.S.</u> citizenship in the following situations:

Applicant born abroad to two USU.S. citizen parents:

Evidence of USU.S. citizenship of the parents and the relationship of the applicantApplicant to the parents, and the evidence that at least one parent resided in the USU.S. or an outlying possession prior to the applicant's birth.

Applicant born abroad to a USU.S. citizen parent and a USU.S. non-citizen national parent:

Evidence that one parent is a <u>USU.S.</u> citizen and the other is a <u>USU.S.</u> non-citizen national, evidence of the relationship of the <u>applicantApplicant</u> to the <u>USU.S.</u> citizen parent, and the evidence <u>that</u> the <u>USU.S.</u> citizen parent resided in the <u>USU.S.</u> a <u>USU.S.</u>

possession, American Samoa or Swain's Island for a period of at least one year prior to the applicant's Applicant's birth.

Applicant born out of wedlock abroad to a USU.S. citizen mother:

Evidence of USU.S. citizenship of the mother, evidence of the relationship to the applicantApplicant and, for births on or before December 24, 1952, evidence that the mother resided in the USU.S. prior to the applicant's Applicant's birth or, for births after December 24, 1952, evidence that the mother hashad resided, prior to the child's birth, in the USU.S. possession for a period of one year.

Applicant born in the Canal Zone or the Republic of Panama:

A birth certificate showing birth in the Canal Zone on or after February 26, 1904, and before October 1, 1979, and evidence that one parent was a USU.S. citizen at the time of the applicant's Applicant's birth; or

or

A birth certificate showing birth in the Republic of Panama on or after February 26, 1904, and before October 1, 1979, and evidence that at least one parent was a USU.S. citizen and employed by the USU.S. government or the Panama Railroad Company or its successor in title;

All other situations where an applicant claims to have a USU.S. citizen parent and an alien parent, or claims to fall within one of the above categories but is unable to present the listed documentation:

If the applicantApplicant is in the US, U.S., refer him or her to the local INSU.S. Citizenship and Immigration Services (USCIS) office for determination of USU.S. citizenship;

If the $\frac{applicant}{Applicant}$ is outside the $\frac{US,U.S.}{A}$, refer him or her to the State Department for a $\frac{USU.S.}{A}$ citizenship determination.

F. _Adoption of Foreign-Born Child by USU.S. Citizen:

If the birth certificate shows a foreign place of birth and the applicant cannot be determined to be a naturalized citizen under any of the above criteria, obtain other evidence of USU.S. citizenship;

Since foreign_born adopted children do not automatically acquire <u>U.S.</u> citizenship by virtue of adoption by <u>USU.S.</u> citizens, refer the <u>applicantApplicant</u> to the local <u>INSUSCIS</u> district office for a determination of <u>USU.S.</u> citizenship if the <u>applicantApplicant</u> provides no evidence of <u>USU.S.</u> citizenship [the law changed several years ago to allow such children to obtain automatic citizenship].

G. U.S. Citizenship By Marriage

A woman acquired USU.S. citizenship through marriage to a USU.S. citizen before September 22, 1922.

Note: If the husband was an alien at the time of the marriage and became naturalized before September 22, 1922, the wife also acquired naturalized citizenship. If the marriage terminated, the wife maintained her <u>U.S.</u> citizenship if she was residing in the <u>USU.S.</u> at <u>the that</u> time and continued to reside in the <u>USU.S</u>.

H. _ Applicants with Disabilities and Non-discrimination

If an applicant has a disability that limits the applicant's ability to provide the required evidence of citizenship or nationality (e.g. mental retardation, amnesia, or other cognitive, mental or physical impairment), you should make every effort to assist the individual to obtain the required evidence. In addition, you should not discriminate against applicants_Applicants on the basis of race, national origin, gender, religion, age or disability. See Non-discrimination Advisory, Attachment 2 to Interim Guidanceof the AG Order.

ATTACHMENT B

For specific detailed descriptions of the Immigration Documents referred to below see Exhibit A to Attachment 5 of US AG Order.

Instructions:

THE FOLLOWING LIST DOES NOT INCLUDE ALL DOCUMENTS THAT MAY BE ACCEPTED TO ESTABLISH LAWFUL PRESENCE - SEE ALSO RULE 5, SUBSECTIONS 2.1.3 THRU 2.1.6.

The documents listed below, will<u>if not expired</u>, when combined with satisfactory proof of identity (which will come from the document itself if it bears a photograph of the person to whom it relates), establish that an applicant falls within one of the categories of "qualified alien" Applicant is lawfully present for purposes of title IV this rule. For specific detailed descriptions of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, as amended by the Illegal Immigration Reform and Immigrant Responsibility Act of 1996 Documents referred to below see Exhibit A to Attachment 5 of the AG Order.

Each of the documents listed below will demonstrate lawful status and you should not require-presentation of a registration document if the applicant presents one of the other legally-acceptable documents that reasonably appears on its face to be genuine and to relate to the-person presenting it. However, if the document presented is not a registration document and doesnot on its face reasonably appear to be genuine or to relate to the person presenting it, it is-appropriate to ask the applicant to produce his or her registration document as additional evidence of immigration status so long as the request is not made for a discriminatory reason.

Presentation of a registration document listed below that reasonably appears on its face to begenuine and to relate to the person presenting it (or to satisfy higher applicable standards) will often obviate the need to verify the applicant's immigration status with the INS; if the applicant presents a registration document that does not meet this standard, sending the INS a copy of the document will assist it in verifying the applicants' status quickly and accurately.

Alien Lawfully Admitted for Permanent Residence

- 1. INS_ Form I-551 (Alien Registration Receipt Card, commonly called or known as a "green card";"); or
- 2. _Unexpired Temporary I-551 Stampstamp in foreign passport or on INS-Form I-94.

Asylee

- 3. INS form Form I-94 annotated with stamp showing grant of asylum under section 208 of the Immigration and Nationality Act (INA):
- 4. INS_ Form I-688B (Employment Authorization Card) annotated "274a.12(a)(5)")";
- 5. INS From Form I-776 (Employment Authorization Document) annotated "A5" or";

6.-_Grant Letter from the Asylum Office or INSUSCIS; or 7. Order of an immigration judge granting asylum. Refugee 7. INS-8. Form I-94 annotated with stamp showing admission under Section 207 of the INA; Form I-688B (Employment Authorization Card) annotated "274a.12(a)(3)")"; or 8. INS-9. 9. INS-10. Form I-766 (Employment Authorization Document) annotated "A3"; or 11. 10. INS Form I-571 (Refugee Travel Document). Alien Paroled into the USU.S. for a Least One Year 12. 11. INS Form I-94 with stamp showing admission for at least one year under Section 212(d) (5) of the INA. (Applicant cannot aggregate periods of admission for less than one year to meet the one-year requirement). Alien whose Whose Deportation or Removal Was Withheld Form I-688B (Employment Authorization Card) annotated 274a.12(a)(10): 12. INS-13. 14. 13. INS-Form I-766 (Employment Authorization Document) annotated "A10"; or 15. 14. Order from an immigration Judgejudge showing deportation withheld under Section 243(h) of the INA as in effect prior to April 1, 1997, or removal withheld under Section 241(b) (3) of the INA. Alien Granted Conditional Entry 15. INS 16. Form I-94 with stamp showing admission under Section 203(a)(7) of the INA: 17. 16. INS-Form I-688B (Employment Authorization Card) annotated "A3"274a.12(a)(3)"; or 18. 17. INS-Form I-766 (Employment Authorization Document) annotated "A3"... Cuban-/Haitian Entrant 19. 18. INS-Form I-551 (Alien Registration Receipt Card, commonly known as the "Green Card"a. "green card,") with the code CU6, CU7, or CH6; 20. 19. Unexpired temporary I-551 stamp in foreign passport or on INS-Form I-94 with the code CU6, CU7, or CH6CU7; 21. 20. INS-Form I-94 with stamp showing parole as "Cuba/Haitian Entrant" under Section 212(d) (5) of the INA. Alien Who has Has Been Battered or Subjected to Extreme Cruelty

See Attachment 5, Exhibit B, at Section II, of the AG Order No. 2129-97.

The documentation for Violence Against Women Act self--petitioners is the **INSUSCIS** issued "Notice of Prima Facie Determination" or "Notice of Approval".

NOTES:

Expired or Absent Documentation

If an applicantApplicant presents expired documents or is unable to present any documentation evidencing his or her immigration status, refer the applicantApplicant to the local INSUSCIS office to obtain documentation of status. In unusual circumstances involving applicantsApplicants who are hospitalized or medically disabled, or who can otherwise show good cause for their inability to present documentation and for whom securing such documentation would constitute undue hardship, if the applicantApplicant can provide an alien registration number, you may file INS Form G-845 and Supplement, along with the alien registration number and a copy of any expired INSUSCIS document_presented, with the local INSUSCIS office to verify status.

Receipt for Replacement Document

If an applicant presents a receipt indicating that he or she has applied to the INS-USCIS for a replacement document for one of the deesdocuments identified above, file INS-USCIS office to verify status. Upon return receipt of information from INSUSCIS, confirm that it pertains to the applicant whose identity you have verified. You should ask to see the Replacement document at a later date.

Applicants with Disabilities

If an applicant has a disability that limits the <a href="mailto:applicant's Applicant's Applicant's Applicant's Applicant's Applicant's ability to provide the required evidence of immigration status (e.g., mental retardation, amnesia, or other cognitive, mental, or physical impairment), you should make every effort to assist the individual to obtain the required evidence.

In addition, you should not discriminate against applicants on the basis of race, national origin, gender, religion, age, or disability.

DEPARTMENT OF REVENUE

EVIDENCE OF LAWFUL PRESENCE

1 CCR 204-30 - Rule 5

[Editor's Notes follow the text of the rules at the end of this CCR Document.]

BASIS: This rule is promulgated under the authority of section 24-76.5-103, C.R.S.

PURPOSE: The following rule is promulgated to provide a list of documents recognized by the federal government to prove lawful presence, and to establish a waiver process to ensure that those persons seeking federal public benefits or state and local public benefits, who prove lawful presence in the United States, receive authorized public benefits.

1. Definitions

- 1.1 Applicant A natural person eighteen years of age or older seeking non-exempt Public Benefits. Reference to Applicant includes actions through the Designated Representative, defined below.
- 1.2 Benefit Agency An agency or political subdivision of the State of Colorado that administers, determines eligibility for, or assists persons in applying for Public Benefits.
- 1.3 Department Means the Department of Revenue.
- 1.4 Designated Representative A natural person submitting a Request for Waiver on behalf of an Applicant.
- 1.5 Public Benefit For purposes of this Rule, "Public Benefit" means "federal public benefit" and "state and local benefit" as those terms are defined in 8 U.S.C. secs. 1611 and 1621, respectively.
- 1.6 Request for Waiver Means form DR 4678 "Request for Waiver Restrictions on Public Benefits" completed by an Applicant seeking a determination of lawful presence by the Department after a Benefit Agency has been unable to verify the Applicant's lawful presence.
- 1.7 Systematic Alien Verification for Entitlements ("SAVE") A web-based service administered by the U.S Citizenship and Immigration Service to assist federal, state, and local benefit-issuing agencies, institutions, and licensing bureaus in determining the immigration status of benefit applicants.
- 1.8 Valid Colorado driver license or a valid Colorado identification card For purposes of section 24-76.5-103(4)(a)(I), C.R.S., means a current Colorado driver license, minor driver license, commercial driver license, restricted driver license, instruction permit, or identification card, but does not include a document issued pursuant to part 5 of article 2 of title 42 that state on the front of the document that it is "NOT VALID FOR FEDERAL IDENTIFICATION, VOTING, OR PUBLIC BENEFIT PURPOSES".
- 1.9 Waiver Means a Department decision that an Applicant has proven lawful presence by means other than the document requirements under subsection 2.1 of this Rule.

2. Verification Requirements

- 2.1 A first time Applicant or an Applicant seeking to reapply for Public Benefits on or after August 1, 2006, must execute the affidavit required in section 24-76.5-103(4)(b) C.R.S., and demonstrate lawful presence by providing:
 - 2.1.1 A document listed in section 24-76.5-103(4)(a) C.R.S. (2014);
 - 2.1.2 In the case of a resident of another state, the driver license or a state-issued identification card from the Applicant's state of residence, if that state requires that the Applicant prove lawful presence prior to issuance of the license or identification card;
 - 2.1.3 A document listed in the Code of Federal Regulations (CFR) as providing proof of lawful presence;
 - 2.1.4 A document listed in Attachments A and B, incorporated herein and made part of this Rule;
 - 2.1.5 Any document authorized as proof of lawful presence pursuant to the statutes, regulations, or agency guidance governing the Benefit Agency; or
 - 2.1.6 Any document recognized by the Federal government as proof of lawful presence that is not listed or referenced within this Rule.

3. Waiver Process

- 3.1 An Applicant who has been denied a Public Benefit by a Benefit Agency because the Applicant could not provide a document listed or referenced in this Rule may request that the Department grant the Applicant a Waiver by submitting a Request for Waiver and a copy of the document from the Benefit Agency denying benefits unless unavailable.
 - 3.1.1 The Request for Waiver may be completed and/or submitted by an Applicant or by the Applicant's Designated Representative.
 - 3.1.2 The Request for Waiver must be accompanied by all documents the Applicant wants the Department to consider to prove lawful presence.
 - 3.1.3 The Applicant must submit the Request for Waiver to the Colorado Department of Revenue, Division of Motor Vehicles or any Colorado Department of Revenue, Division of Motor Vehicles Driver License office and send a copy to the Benefit Agency.
- 3.2 Pursuant to section 24-76.5-103(5)(a), C.R.S., the Department may grant an Applicant's Request for Waiver of the requirement that the Applicant prove lawful presence through the documents referenced in subsection 2.1 of this Rule if the Department determines that the Applicant has proven lawful presence by other means.
- 3.3 Subsequent to receipt of a Request for Waiver, the Department will make a determination of the lawful presence of the Applicant and will issue a Waiver or a Notice of Denial of Waiver. The Waiver or a Notice of Denial of Waiver will be mailed to the Applicant at the address provided on the Request for Waiver.

4. Denial of Request for Waiver

4.1 Reasons for denial of a Request for Waiver include, but are not limited to:

- 4.1.1 The ("SAVE") verification fails to clear the Applicant; or
- 4.1.2 The documents presented by the Applicant appear to have been tampered with, altered, or otherwise not genuine; or
- 4.1.3 The statements and/or documents provided are inconsistent and the Applicant is unable to reasonably explain the inconsistencies.

5. Hearing and Final Agency Action

- An Applicant, or his or her Designated Representative, may, within 60 days of the date of mailing of a Notice of Denial, or any Benefit Agency may, within 60 days of the date of mailing of a Waiver, request a hearing on the Department's decision by filing a written request for hearing with the Hearings Division of the Department at 1881 Pierce St. #106, Lakewood, CO 80214.
- 5.2 Hearings shall be held in accordance with the provisions of the State Administrative Procedure Act and the provisions of title 42 of Colorado Revised Statutes.
- 5.3 The only issues at hearing will be whether and when the Applicant has established lawful presence in the United States by a preponderance of the evidence.
 - 5.3.1 The Hearing Officer may consider any credible evidence, whether documents, witnesses, or other evidence offered by any party. For purposes of this rule, "party" means the Applicant, the Department, or any Benefit Agency.
 - 5.3.2 If the Hearing Officer cannot determine the actual date that the Applicant became lawfully present in the United States, the Applicant shall be deemed lawfully present as of the date provided by the statutes, regulations, or agency guidance governing the Benefit Agency, or if none, as of the date the original application denied was filed with the Benefit Agency.
- 5.4 The Hearing Officer shall issue an Initial Decision within 15 business days of the completion of the hearing. If the Hearing Officer finds that the Applicant has not established lawful presence, then if a Denial of Waiver was previously issued, the Denial of Waiver will be sustained, or if a Waiver was previously granted, the Waiver will be rescinded. If the Hearing Officer finds that the Applicant is lawfully present, then if a Denial of Waiver was previously issued, the Denial of Waiver will be rescinded and the Department will be directed to issue a Waiver, or a Waiver was previously issued, the Waiver will be sustained.
- 5.5 Administrative Hearing Appeals/Exceptions to Initial Decision.
 - Exception(s) Process. Any party may appeal an Initial Decision pursuant to the Colorado Administrative Procedure Act by filing written exception(s) with the Executive Director within 30 days after the date of mailing of the Initial Decision to the Applicant, the Benefit Agency, and the Department. The address of the Executive Director is: Department of Revenue, Executive Director, 1375 Sherman Street, 4th Floor, Denver, CO 80203.
 - 5.5.2 The written exception(s) must include a statement giving the basis and grounds for the exception(s). A party who fails to properly file written exception(s) within the time provided in this Rule is deemed to have waived the right to an appeal. A copy of the

- exception(s) must be served on all parties by personal service or via U.S. Mail, first class postage-prepaid. Any other party may file a response to the written exceptions within 21 days of the date on which the party appealing mailed or personally served written exceptions.
- 5.5.3 Designation of Record. The party filing an appeal must file a designation of the record with the Executive Director within 20 days after the mailing of the Initial Decision. The designation of the record must designate those parts of the record and the hearing transcript that the party appealing wishes to have considered on appeal. The Department will arrange for the transcription of the hearing upon written request and payment in advance of the costs therefore by the party appealing the Initial Decision. The party appealing the Initial Decision must serve a copy of the designation on all parties by personal service or via U.S. Mail, first class postage-prepaid. Within 10 days after such service, any other party may file a designation of additional parts of the record and the hearing transcript to be considered and must advance the cost therefore. A copy of the additional designation of record must be served on all parties. No transcript is required if the review is limited to a pure question of law. Any party who fails to properly file a designation or additional designation of the record within the time provided in these Rules is deemed to have waived the right to file such designation.
- 5.5.3 Deadline Modifications. The Executive Director may modify deadlines and procedures related to the filing of exceptions to the Initial Decision upon motion by either party for good cause shown.
- 5.5.4 No Oral Argument. No oral argument will be allowed.
- 5.5.5 The Executive Director will issue a final decision within 30 days following the later of the date on which all pleadings have been filed or all motions have been resolved. If the Executive Director does not issue a final decision within 30 days, the Initial Decision will be deemed the final decision of the Executive Director, effective as of 30th day after the date of the Initial Decision. The final decision is final agency action for all purposes, and is subject to judicial review as provided in section 24-4-106, C.R.S.
- An appeal under this Rule does not toll or otherwise affect any Benefit Agency appeal or other procedure or process unless expressly authorized by the Benefit Agency.

6. General Provisions

- 6.1 Each Benefit Agency is responsible for verifying that the Applicant is the same individual indicated as the person who received a Waiver.
- 6.2 Waivers may be cancelled by the Department, if the Department subsequently determines that the Applicant was not or is not lawfully present. Upon cancelling a Waiver, the Department will notify the Applicant and appropriate Benefit Agencies.
- A person whose Waiver has been cancelled by the Department may appeal the Department's decision by requesting a hearing within 60 days following the mailing date of the notice cancelling the Waiver. The person must submit a written request for hearing to the Hearings Division of the Department at 1881 Pierce St. #106, Lakewood, CO 80214.

6.4 Waivers issued by the Department since August 1, 2006, but prior to approval of this Rule, will continue in effect unless expired, or cancelled by the Department7.1 The materials in this Rule incorporated by reference do not include later amendments to or editions of the materials. The materials incorporated in this Rule are on file and available for inspection by contacting the Driver License Section of the Department of Revenue in person at, 1881 Pierce Street, Room 128, Lakewood, Colorado, 80214, or by telephone at 303-205-5600, and copies of the materials may be examined at any state publication depository library.

ATTACHMENT A

THE FOLLOWING LIST DOES NOT INCLUDE ALL DOCUMENTS THAT MAY BE ACCEPTED TO ESTABLISH LAWFUL PRESENCE - SEE ALSO RULE 5, SUBSECTIONS 2.1.3 THRU 2.1.6.

The following documents are acceptable as proof of lawful presence pursuant to AG Order Number 2129-97, Federal Register, Vol. 62, No. 221, November 17, 1997, incorporated herein by reference (the "AG Order").

A. Primary Evidence

One of the following documents - when combined with satisfactory proof of identification – demonstrates that the Applicant is a U.S. citizen or non-citizen national. Identity can be proven by these same documents if they bear a picture of the Applicant:

- 1. Copy of Applicant's birth certificate from any state, the District of Columbia, or all United States territories;
- 2. United States Passport, except for "limited" passports, issued for less than five years;
- 3. Report of Birth Abroad of a United States Citizen, form FS-240;
- 4. Certificate of Birth issued by a foreign service post (FS-545) or Certification of Report of Birth (DS-1350). These are available from the Department of State;
- 5. Certification of Naturalization (N-550 or N-570). The N-570 is issued upon loss or damage to the original document or following an individual's name change;
- 6. Certificate of Citizenship (N-560 or N-561). This document is issued to those persons who derive U. S. citizenship through a parent. The N-561 is issued upon loss or damage of the original document or following an individual's name change;
- 7. U. S. Citizen Identification Card (I-197), last issued in 1983, or Form I-179, last issued in 1974.
- 8. Northern Mariana Identification Card. Those born in the Northern Mariana Islands prior to November 3, 1986, were collectively naturalized;
- 9. Statement provided by a U.S. consular officer certifying that the individual is a U.S. citizen. (This document is provided to an individual born outside the U.S. who derived citizenship through a parent but does not have form FS-240, FS-545 or DS-1350);

10. American Indian Card with classification code "KIC" and a statement on the back (identifying U.S. citizen members of the Texas Band of Kickapoos living near the U.S./Mexican border).

B. Secondary Evidence

If the Applicant cannot present one of the documents listed above, the following may be relied upon to establish U.S. citizenship or nationality:

- Religious record recorded in one of the 50 states, the District of Columbia and U.S. territories, within three months after birth, showing that the birth occurred in such jurisdiction, and the date of the birth or the individual's age at the time the record was made;
- 2. Evidence of civil service employment by the U.S. Government before June 1, 1976;
- Early school records (preferably from the first school) showing the date of admission to the school, the child's date and place of birth and the names and places of birth of the parents;
- 4. Census record showing name, U.S. citizenship or a U.S. place of birth or age of Applicant;
- 5. Adoption Finalization Papers showing the child's name and place of birth in one of the 50 states, Washington D.C., or U.S. territories or, where the adoption is not finalized and the State or other jurisdiction listed above in which the child was born will not release a birth certificate prior to final adoption, a statement from a state-approved adoption agency showing the child's name and place of birth in one of such jurisdictions (NOTE: the source of the information must be an original birth certificate and must be indicated in the statement); or
- 6. Any other documents that establish a U.S. place of birth or in some way indicates U.S. citizenship.
- C. If an individual is unable to present any of the above documents, the following options are available:
 - Accept a written declaration, made under penalty of perjury, and possibly subject to later verification of status, from one or more third parties, indicating a reasonable basis for personal knowledge that the Applicant is a U.S. citizen or non-citizen national.
 - Accept the Applicant's written declaration, made under penalty of perjury and possibly subject to later verification of status, that he or she is a U.S. citizen or non-citizen national.

Note: These options (C 1 and C 2) should be used with caution in appropriate circumstances. For example, before using these options, a provider might require the Applicant to demonstrate why a document evidencing that he or she is a U.S. citizen or non-citizen national does not exist or cannot be readily obtained.

D. Collective Naturalization

If the Applicant cannot present one of the documents listed in A or B above, the following will establish U.S. citizenship for collectively naturalized individuals:

1. Puerto Rico (PR):

Evidence of birth in PR on or after April 11, 1899, and the Applicant's statement that he or she was residing in the U.S., a U.S. possession, or PR on January 13, 1941; or

Evidence that the Applicant was a PR citizen and the Applicant's statement that he or she was residing in PR on March 1, 1917; and that he or she did not take an oath of allegiance to Spain.

2. U.S. Virgin Islands:

Evidence of birth in the U.S. Virgin Islands (USVI) and the Applicant's statement of residence in the U.S., a U.S. possession, or the USVI on February 25, 1927;

The Applicant's statement indicating residence in the USVI as a Danish citizen on January 17, 1917, and that he or she did not make a declaration to maintain Danish citizenship; or

Evidence of birth in the USVI and the Applicant's statement indicating residence in the U.S., U.S. Possession or Territory or the Canal Zone on June 28, 1932.

3. Northern Mariana Islands (NMI) (formerly part of the Trust Territory of the Pacific Islands (TTPI)):

Evidence of birth in the NMI, TTPI citizenship and residence in the NMI, the U.S., or a U.S. territory or possession on November 3, 1986 (NMI local time) and the Applicant's statement that he or she did not owe allegiance to a foreign state on November 4, 1986 (NMI local time);

Evidence of TTPI citizenship, continuous residence in the NMI since before November 3, 1981 (NMI local time), voter registration prior to January 1, 1975, and the Applicant's statement that he or she did owe allegiance to a foreign state on November 4, 1986 (NMI local time); or

Evidence of continuous domicile in the NMI since before January 1, 1974, and the Applicant's statement that he or she did not owe allegiance to a foreign state on November 4, 1986 (NMI local time).

Note: If a person entered the NMI as a nonimmigrant and lived in the NMI since January 1, 1974, this does not constitute continuous domicile, and the individual is not a U.S. citizen.

E. Derivative Citizenship

If the Applicant cannot present one of the above documents, you should make a determination of derivative U.S. citizenship in the following situations:

Applicant born abroad to two U.S. citizen parents:

Evidence of U.S. citizenship of the parents and the relationship of the Applicant to the parents, and evidence that at least one parent resided in the U.S. or an outlying possession prior to the Applicant's birth.

Applicant born abroad to a U.S. citizen parent and a U.S. non-citizen national parent:

Evidence that one parent is a U.S. citizen and the other is a U.S. non-citizen national, evidence of the relationship of the Applicant to the U.S. citizen parent, and the evidence that the U.S. citizen parent resided in the U.S., a U.S. possession, American Samoa or Swain's Island for a period of at least one year prior to the Applicant's birth.

Applicant born out of wedlock abroad to a U.S. citizen mother:

Evidence of U.S. citizenship of the mother, evidence of the relationship to the Applicant and, for births on or before December 24, 1952, evidence that the mother resided in the U.S. prior to the Applicant's birth or, for births after December 24, 1952, evidence that the mother had resided, prior to the child's birth, in the U.S. or a U.S. possession for a period of one year.

Applicant born in the Canal Zone or the Republic of Panama:

A birth certificate showing birth in the Canal Zone on or after February 26, 1904, and before October 1, 1979, and evidence that one parent was a U.S. citizen at the time of the Applicant's birth; or

A birth certificate showing birth in the Republic of Panama on or after February 26, 1904, and before October 1, 1979, and evidence that at least one parent was a U.S, citizen and employed by the U,S, government or the Panama Railroad Company or its successor in title.

All other situations where an Applicant claims to have a U.S. citizen parent and an alien parent, or claims to fall within one of the above categories but is unable to present the listed documentation:

If the Applicant is in the U.S., refer him or her to the local U.S. Citizenship and Immigration Services (USCIS) office for determination of U.S. citizenship;

If the Applicant is outside the U.S., refer him or her to the State Department for a U.S. citizenship determination.

F. Adoption of Foreign-Born Child by U.S. Citizen:

If the birth certificate shows a foreign place of birth and the Applicant cannot be determined to be a naturalized citizen under any of the above criteria, obtain other evidence of U.S. citizenship;

Since foreign-born adopted children do not automatically acquire U.S. citizenship by virtue of adoption by U.S. citizens, refer the Applicant to the local USCIS district office for a determination of U.S. citizenship if the Applicant provides no evidence of U.S. citizenship [the law changed several years ago to allow such children to obtain automatic citizenship].

G. U.S. Citizenship By Marriage

A woman acquired U.S. citizenship through marriage to a U.S. citizen before September 22, 1922.

Note: If the husband was an alien at the time of the marriage and became naturalized before September 22, 1922, the wife also acquired naturalized citizenship. If the marriage terminated, the wife maintained her U.S. citizenship if she was residing in the U.S. at that time and continued to reside in the U.S.

H. Applicants with Disabilities and Non-discrimination

If an Applicant has a disability that limits the Applicant's ability to provide the required evidence of citizenship or nationality (e.g. mental retardation, amnesia, or other cognitive, mental or physical impairment), you should make every effort to assist the individual to obtain the required evidence. In addition, you should not discriminate against Applicants on the basis of race, national origin, gender, religion, age or disability. See Non-discrimination Advisory, Attachment 2 of the AG Order.

ATTACHMENT B

THE FOLLOWING LIST DOES NOT INCLUDE ALL DOCUMENTS THAT MAY BE ACCEPTED TO ESTABLISH LAWFUL PRESENCE - SEE ALSO RULE 5, SUBSECTIONS 2.1.3 THRU 2.1.6.

The documents listed below, if not expired, when combined with satisfactory proof of identity (which will come from the document itself if it bears a photograph of the person to whom it relates), establish that the Applicant is lawfully present for purposes of this rule. For specific detailed descriptions of the Immigration Documents referred to below see Exhibit A to Attachment 5 of the AG Order.

Alien Lawfully Admitted for Permanent Residence

- Form I-551 (Alien Registration Receipt Card, commonly called or known as a "green card");
 or
- 2. Unexpired Temporary I-551 stamp in foreign passport or on Form I-94.

Asylee

- 3. Form I-94 annotated with stamp showing grant of asylum under section 208 of the Immigration and Nationality Act (INA);
- 4. Form I-688B (Employment Authorization Card) annotated "274a.12(a)(5)";
- 5. Form I-776 (Employment Authorization Document) annotated "A5";
- 6. Grant Letter from the Asylum Office or USCIS; or
- 7. Order of an immigration judge granting asylum.

Refugee

- 8. Form I-94 annotated with stamp showing admission under Section 207 of the INA;
- 9. Form I-688B (Employment Authorization Card) annotated "274a.12(a)(3)"; or
- 10. Form I-766 (Employment Authorization Document) annotated "A3"; or
- 11. Form I-571 (Refugee Travel Document).

Alien Paroled into the U.S. for a Least One Year

12. Form I-94 with stamp showing admission for at least one year under Section 212(d)(5) of the INA. (Applicant cannot aggregate periods of admission for less than one year to meet the one-year requirement).

Alien Whose Deportation or Removal Was Withheld

13. Form I-688B (Employment Authorization Card) annotated 274a.12(a)(10);

- 14. Form I-766 (Employment Authorization Document) annotated "A10"; or
- 15. Order from an immigration judge showing deportation withheld under Section 243(h) of the INA as in effect prior to April 1, 1997, or removal withheld under Section 241(b)(3) of the INA.

Alien Granted Conditional Entry

- 16. Form I-94 with stamp showing admission under Section 203(a)(7) of the INA;
- 17. Form I-688B (Employment Authorization Card) annotated "274a.12(a)(3)"; or
- 18. Form I-766 (Employment Authorization Document) annotated "A3".

Cuban/Haitian Entrant

- 19. Form I-551 (Alien Registration Receipt Card, commonly known as a "green card,") with the code CU6, CU7, or CH6;
- 20. Unexpired temporary I-551 stamp in foreign passport or on Form I-94 with the code CU6 or CU7;
- 21. Form I-94 with stamp showing parole as "Cuba/Haitian Entrant" under Section 212(d)(5) of the INA.

Alien Who Has Been Battered or Subjected to Extreme Cruelty

See Attachment 5, Exhibit B, Section II, of the AG Order.

The documentation for Violence Against Women Act self-petitioners is the USCIS issued "Notice of Prima Facie Determination" or "Notice of Approval".

NOTES:

Expired or Absent Documentation

If an Applicant presents expired documents or is unable to present any documentation evidencing his or her immigration status, refer the Applicant to the local USCIS office to obtain documentation of status. In unusual circumstances involving Applicants who are hospitalized or medically disabled, or who can otherwise show good cause for their inability to present documentation and for whom securing such documentation would constitute undue hardship, if the Applicant can provide an alien registration number, you may file Form G-845 and Supplement, along with the alien registration number and a copy of any expired USCIS document presented, with the local USCIS office to verify status.

Receipt for Replacement Document

If an Applicant presents a receipt indicating that he or she has applied to the USCIS for a replacement document for one of the documents identified above, file Form G-845 and Supplement along with a copy of the receipt with the local USCIS office to verify status. Upon return receipt of information from USCIS, confirm that it pertains to the Applicant whose identity you have verified. You should ask to see the replacement document at a later date.

Applicants with Disabilities

If an Applicant has a disability that limits the Applicant's ability to provide the required evidence of immigration status (e.g., mental retardation, amnesia, or other cognitive, mental, or physical impairment), you should make every effort to assist the individual to obtain the required evidence.

In addition, you should not discriminate against Applicants on the basis of race, national origin, gender, religion, age, or disability.

RULE-MAKING NOTICE PARKS AND WILDLIFE COMMISSION MEETING March 9-10, 2016

In accordance with the State Administrative Procedure Act, section 24-4-103, C.R.S., the Parks and Wildlife Commission gives notice that regulations will be considered for adoption at their next meeting on March 9-10, 2016. The Parks and Wildlife Commission meeting will be held at the offices of Colorado Parks and Wildlife, Hunter Education Building, 6060 Broadway, Denver, CO 80216. The following regulatory subjects and issues shall be considered pursuant to the Commission's authority in sections 33-9-101 to 111, C.R.S. ("Administration of Parks and Wildlife"), in sections 33-1-101 to 33-6-209, C.R.S. (the "Wildlife Act"), and especially sections 33-1-104, 33-1-106, 33-1-107, 33-1-108, 33-1-121, 33-2-104, 33-2-105, 33-2-106, 33-3-104, 33-4-101, 33-4-102 and 33-5.5-102, 33-6-107, 33-6-109, 33-6-112, 33-6-113, 33-6-114, 33-6-117, 33-6-119, 33-6-207, 33-6-208, 33-6-209, C.R.S., and in sections 33-10-101 to 33-33-113, C.R.S. (the "Parks Act"), and especially sections 33-10-106, 33-10-107, 33-10-5-107, 33-11-109, 33-12-101, 33-12-103, 33-12-103.5, 33-12-106, 33-12-5-103, 33-13-103, 33-13-104, 33-13-106, 33-13-109, 33-13-110, 33-13-111, 33-14-107, 33-14.5-107, 33-2-103 and 33-33-105. C.R.S.

FINAL REGULATORY ADOPTION - March 9-10, 2016 beginning at 8:00 a.m.*

EFFECTIVE DATE OF REGULATIONS approved during the March 2016 Parks and Wildlife Commission meeting: May 1, 2016, unless otherwise noted.

FINAL REGULATIONS

PARKS REGULATIONS

Chapter P-1 - "Parks and Outdoor Recreation Lands" 2 CCR 405-1 and those related provisions of Chapter W-5 ("Small Game and Migratory Game Birds" 2 CCR 406-5) necessary to accommodate changes to or ensure consistency with Chapter P-1

Open for annual review of the entire chapter including, but not limited to, generally-applicable and property-specific requirements for, or restrictions on use of, parks properties controlled by Colorado Parks and Wildlife, including, but not limited to, the following:

- Allowing regulated weekend waterfowl hunting on James M. Robb-Colorado River State Park's 34 Road Section parcel from two reservable blinds.
- Opening a portion of Highline Lake State Park to small game hunting on weekdays.
- Establishing park-specific regulations on the archery range at Trinidad Lake State Park.

Chapter P-2 - "Boating" - 2 CCR 405-2

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering boats in Colorado.

^{*}Please reference the Commission agenda, to be posted on or after February 29, 2016, to ensure when each regulatory item will be addressed by the Commission. The agenda will be posted at http://cpw.state.co.us/aboutus/Pages/CommissionMeetings.aspx.

Chapter P-3 - "River Outfitters" - 2 CCR 405-3

Open for consideration of changes to regulations requiring hands-on cardiopulmonary resuscitation ("CPR") training for river guides, trip leaders, and guide instructors.

Chapter P-4 - "Snowmobile Regulations" - 2CCR 405-4

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering snowmobiles in Colorado.

Chapter P-5 – "Off-Highway Vehicle Regulations" - 2 CCR 405-5

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering OHV's in Colorado.

Chapter P-7 - "Passes, Permits and Registrations" - 2 CCR 405-7

Open for annual review of the entire chapter including, but not limited to, regulations pertaining to eligibility requirements and fees for individual and vehicle park passes; use permits; vessel, snowmobile and off-highway vehicle registrations; and license agent requirements, including, but not limited to, the following:

- Expanding eligibility for a volunteer parks pass to all CPW volunteers who have donated 48 hours of approved service within a twelve month period.
- Adding definitions of "camping/to camp", "camping unit" and "passenger vehicle" to chapter P-7.
- Making camping permits purchased before 5am, only valid until noon on the same day.
- Administrative clean-ups to camping regulations to comply with reservation system requirements.

WILDLIFE REGULATIONS

Chapter W-0 - "General Provisions" - 2 CCR 406-0

Open for consideration of changes to the no release provision for terrestrial invasive species, specifically giving the Director authority to grant exemptions.

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of any necessary corrections or administrative clean-ups to regulations previously adopted by the Parks and Wildlife Commission for the 2016 big game seasons, including, but not limited to, game management unit boundaries, season dates, limited license areas and manner of take provisions for bighorn sheep, mountain goat, deer, elk, pronghorn, moose, bear and mountain lion, and regulations otherwise necessary for implementation of the 2016 big game seasons.

Chapter W-3 - "Furbearers and Small Game, Except Migratory Birds" - 2 CCR 406-3

Open for consideration of annual changes to game bird seasons, excluding turkey, and other small game seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including the following:

- Reopening GMU 201 to greater sage-grouse hunting.
- Removing the chukar hunting closure in GMUs 9, 19, and 191.

Chapter W-5 - "Small Game and Migratory Game Birds" - 2 CCR 406-5

Open for consideration of annual changes to waterfowl and migratory bird hunting seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including, but not limited to, the following:

 Establishing new Pacific Flyway hunting zones (eastern and western) for both ducks and geese.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

Open for annual review of the entire chapter, including, but not limited to:

- · Prohibiting fireworks on all SWA properties.
- Prohibiting any SWA user from blocking or impeding any boat ramp.
- Eliminating the requirement that all waterfowl and small game hunters must check-out of Bravo SWA and Bravo State Trust Land (STL).
- Allowing more vehicle parking at Brush Prairie Ponds SWA.
- Establishing a seasonal closure on Cimarron State Wildlife Area (SWA) from January 1 to June 30 to protect mating and nesting Gunnison sage grouse and wintering big game.
- Prohibiting hunting of dusky grouse and ruffed grouse on the Upper Baldy Tract of Garfield Creek SWA beginning in 2016.
- Modifying the open dates for the Grace Creek access road at Hohnholz Lake SWA.
- Removing fall boating and fishing restrictions at Jumbo Reservoir SWA and Red Lion SWA.
- Adding regulations for the Woodard Unit of the Jumping Cow SWA, including, but limited to restricting hunting and fishing access to permitted individuals only.
- Modifying regulations at Melon Valley SWA to open the property to all hunters on weekdays.
- Establishing specific regulations at Rio Blanco Lake SWA to limit big game hunting to archery equipment only, limit the Roselund Unit to day use only, and require parking in designated areas.
- Allowing the release of game birds at Mike Higbee SWA for education or training purposes.
- Prohibiting Off-Highway Vehicles use on Tarryall SWA.
- Prohibiting the shooting of firearms, pellet guns and bows in established campgrounds at Tarryall SWA.
- Prohibiting campfires at Tarryall SWA.
- Adopting property-specific regulations for Twin Spruce Ponds SWA, including, but not limited to prohibiting camping, fires, glass containers, alcoholic beverages, hunting, discharge of firearms or bows, and boating except for float tubes or craft propelled by hand.
- Adding Aqua Ramon STL to the Public Access Program with general STL regulations.
- Removing Lapin Creek and Deep Creek STLs from Chapter W-9.
- Limiting Columbian sharp-tailed grouse hunter numbers on the Dry Fork STL parcel on weekends and Labor Day to reduce conflicts with agriculture.

- Modifying the open hunting dates for McArthur Gulch STL, including when specific species may be hunted.
- Modifying opening date for Moosehead Mountain STL to August 15 annually.
- Enrolling the Zapata Falls STL into the Public Access Program with property-specific regulations.

Chapter W-16- "Procedural Rules" - 2 CCR 406-16 and those related provisions of Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to or ensure consistency with Chapter W-16

Open for consideration of final regulations pertaining to reissuance of returned limited licenses.

CITIZEN PETITIONS:

Final action may be taken on rule-making petitions at any step of the Commission's generally applicable two-step rule-making process.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Properties, as follows:

 A Citizen Petition for rulemaking requesting the Commission remove the access restrictions for the Mount Evans SWA that begin the day after Labor Day and run through the end of the 4th regular rifle season.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Parks and Unregulated Wildlife, as follows:

 A Citizen Petition for rulemaking requesting the Commission consider adding both species of two-toed sloth to the unregulated wildlife list in Chapter W-11.

The Commission may accept all or a portion of these petitions for final action, further consideration or otherwise reject the petitions at the March Commission meeting. A copy of any petition may be obtained by contacting Danielle Isenhart (303) 866-3203 ext. 4625, Regulations Manager, Colorado Parks and Wildlife.

ISSUE IDENTIFICATION

WILDLIFE REGULATIONS

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of modifications to Ranching for Wildlife regulations to clarify when Dream Hunt or Youth Outreach licenses may be used on enrolled ranches.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter W-9

Open for consideration of adopting new regulations to streamline the process for approving normal utility easements, lease extensions/renewals and amendments from the Colorado Parks and Wildlife Real Estate section.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

Open for consideration to amending the regulations pertaining to citizen petitions requesting to unregulate, list, or delist a species within Chapter W-11.

Except for the day and time indicated for when the meeting is scheduled to begin, the order indicated for each agenda item is approximate and subject to change when necessary to accommodate the Commission's schedule.

Viewing of Proposed Rules: copies of the proposed rules (together with a proposed statement of basis and purpose and specific statutory authority), will be available for inspection and distribution at the Office of the Regulations Manager, Division of Parks and Wildlife, 1313 Sherman St., Denver, Colorado, at least five (5) days prior to the date of hearing. Such copies, however, are only proposals to be submitted to the Commission by the Division of Parks and Wildlife.

Modification of Proposed Rules prior to adoption: subject to the provisions of Section 24-4-103, C.R.S., modification of these proposals may be made by the Division of Parks and Wildlife or the Commission before the Commission promulgates final rules and regulations on the above topics.

Comment deadlines: Comments will be accepted at any time prior to, or as part of the meeting. However, to ensure sufficient time for consideration prior to the meeting, <u>comments should be provided to the Division of Parks and Wildlife by noon on the following date</u>:

<u>February 24, 2015,</u> for mailing by the Division of Parks and Wildlife to the Parks and Wildlife Commission on **February 25, 2016.**

Comments received by the Division after noon on **February 24**, **2016**, will be provided to the Commission on the day of the meeting.

Opportunity to submit alternate proposals and provide comment: the Commission will afford all interested persons an opportunity to submit alternate proposals, written data, views or arguments and to present them orally at the meeting unless it deems such oral presentation unnecessary. Written alternate proposals, data, views or arguments and other written statements should be submitted to the Division of Parks and Wildlife at 1313 Sherman St., Denver, CO 80203; or e-mailed to dnr.cpwcommission@state.co.us.

Use of Consent Agenda:

In order to increase the Parks and Wildlife Commission's efficiency and allow more time for consideration of parks and wildlife policy and contested issues, some or all of this regulatory

agenda may be listed for action by the Commission as part of a "Consent Agenda" for this meeting.

The process for placing matters on the Consent Agenda is as follows:

The Director identifies matters where the recommended action follows established policy or precedent, there has been agreement reached or the matter is expected to be uncontested and non-controversial.

Regulatory Matters on the Consent Agenda are noticed for hearing at the same time and in the same manner as other Consent Agenda items. If a member of the Commission requests further consideration of an item on the Consent Agenda, that item will be withdrawn from the Consent Agenda and discussed at the end of the meeting or at the next meeting. The Consent Agenda may be voted on without the necessity of reading individual items. Any Commission member may request clarification from the Director of any matter on the Consent Agenda.

OTHER AGENDA ITEMS: The Parks and Wildlife Commission may consider and make policy, program implementation, and other non-regulatory decisions, which may be of public interest at this meeting. A copy of the complete meeting agenda may be viewed on the Division of Parks and Wildlife's internet home page at http://cpw.state.co.us, on or after **February 29, 2016**.

RULE-MAKING NOTICE PARKS AND WILDLIFE COMMISSION MEETING March 9-10, 2016

In accordance with the State Administrative Procedure Act, section 24-4-103, C.R.S., the Parks and Wildlife Commission gives notice that regulations will be considered for adoption at their next meeting on March 9-10, 2016. The Parks and Wildlife Commission meeting will be held at the offices of Colorado Parks and Wildlife, Hunter Education Building, 6060 Broadway, Denver, CO 80216. The following regulatory subjects and issues shall be considered pursuant to the Commission's authority in sections 33-9-101 to 111, C.R.S. ("Administration of Parks and Wildlife"), in sections 33-1-101 to 33-6-209, C.R.S. (the "Wildlife Act"), and especially sections 33-1-104, 33-1-106, 33-1-107, 33-1-108, 33-1-121, 33-2-104, 33-2-105, 33-2-106, 33-3-104, 33-4-101, 33-4-102 and 33-5.5-102, 33-6-107, 33-6-109, 33-6-112, 33-6-113, 33-6-114, 33-6-117, 33-6-119, 33-6-207, 33-6-208, 33-6-209, C.R.S., and in sections 33-10-101 to 33-33-113, C.R.S. (the "Parks Act"), and especially sections 33-10-106, 33-10-107, 33-10-5-107, 33-11-109, 33-12-101, 33-12-103, 33-12-103.5, 33-12-106, 33-12-5-103, 33-13-103, 33-13-104, 33-13-106, 33-13-109, 33-13-110, 33-13-111, 33-14-107, 33-14.5-107, 33-2-103 and 33-33-105. C.R.S.

FINAL REGULATORY ADOPTION - March 9-10, 2016 beginning at 8:00 a.m.*

EFFECTIVE DATE OF REGULATIONS approved during the March 2016 Parks and Wildlife Commission meeting: May 1, 2016, unless otherwise noted.

FINAL REGULATIONS

PARKS REGULATIONS

Chapter P-1 - "Parks and Outdoor Recreation Lands" 2 CCR 405-1 and those related provisions of Chapter W-5 ("Small Game and Migratory Game Birds" 2 CCR 406-5) necessary to accommodate changes to or ensure consistency with Chapter P-1

Open for annual review of the entire chapter including, but not limited to, generally-applicable and property-specific requirements for, or restrictions on use of, parks properties controlled by Colorado Parks and Wildlife, including, but not limited to, the following:

- Allowing regulated weekend waterfowl hunting on James M. Robb-Colorado River State Park's 34 Road Section parcel from two reservable blinds.
- Opening a portion of Highline Lake State Park to small game hunting on weekdays.
- Establishing park-specific regulations on the archery range at Trinidad Lake State Park.

Chapter P-2 - "Boating" - 2 CCR 405-2

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering boats in Colorado.

^{*}Please reference the Commission agenda, to be posted on or after February 29, 2016, to ensure when each regulatory item will be addressed by the Commission. The agenda will be posted at http://cpw.state.co.us/aboutus/Pages/CommissionMeetings.aspx.

Chapter P-3 - "River Outfitters" - 2 CCR 405-3

Open for consideration of changes to regulations requiring hands-on cardiopulmonary resuscitation ("CPR") training for river guides, trip leaders, and guide instructors.

Chapter P-4 - "Snowmobile Regulations" - 2CCR 405-4

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering snowmobiles in Colorado.

Chapter P-5 – "Off-Highway Vehicle Regulations" - 2 CCR 405-5

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering OHV's in Colorado.

Chapter P-7 - "Passes, Permits and Registrations" - 2 CCR 405-7

Open for annual review of the entire chapter including, but not limited to, regulations pertaining to eligibility requirements and fees for individual and vehicle park passes; use permits; vessel, snowmobile and off-highway vehicle registrations; and license agent requirements, including, but not limited to, the following:

- Expanding eligibility for a volunteer parks pass to all CPW volunteers who have donated 48 hours of approved service within a twelve month period.
- Adding definitions of "camping/to camp", "camping unit" and "passenger vehicle" to chapter P-7.
- Making camping permits purchased before 5am, only valid until noon on the same day.
- Administrative clean-ups to camping regulations to comply with reservation system requirements.

WILDLIFE REGULATIONS

Chapter W-0 - "General Provisions" - 2 CCR 406-0

Open for consideration of changes to the no release provision for terrestrial invasive species, specifically giving the Director authority to grant exemptions.

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of any necessary corrections or administrative clean-ups to regulations previously adopted by the Parks and Wildlife Commission for the 2016 big game seasons, including, but not limited to, game management unit boundaries, season dates, limited license areas and manner of take provisions for bighorn sheep, mountain goat, deer, elk, pronghorn, moose, bear and mountain lion, and regulations otherwise necessary for implementation of the 2016 big game seasons.

Chapter W-3 - "Furbearers and Small Game, Except Migratory Birds" - 2 CCR 406-3

Open for consideration of annual changes to game bird seasons, excluding turkey, and other small game seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including the following:

- Reopening GMU 201 to greater sage-grouse hunting.
- Removing the chukar hunting closure in GMUs 9, 19, and 191.

Chapter W-5 - "Small Game and Migratory Game Birds" - 2 CCR 406-5

Open for consideration of annual changes to waterfowl and migratory bird hunting seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including, but not limited to, the following:

 Establishing new Pacific Flyway hunting zones (eastern and western) for both ducks and geese.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

Open for annual review of the entire chapter, including, but not limited to:

- · Prohibiting fireworks on all SWA properties.
- Prohibiting any SWA user from blocking or impeding any boat ramp.
- Eliminating the requirement that all waterfowl and small game hunters must check-out of Bravo SWA and Bravo State Trust Land (STL).
- Allowing more vehicle parking at Brush Prairie Ponds SWA.
- Establishing a seasonal closure on Cimarron State Wildlife Area (SWA) from January 1 to June 30 to protect mating and nesting Gunnison sage grouse and wintering big game.
- Prohibiting hunting of dusky grouse and ruffed grouse on the Upper Baldy Tract of Garfield Creek SWA beginning in 2016.
- Modifying the open dates for the Grace Creek access road at Hohnholz Lake SWA.
- Removing fall boating and fishing restrictions at Jumbo Reservoir SWA and Red Lion SWA.
- Adding regulations for the Woodard Unit of the Jumping Cow SWA, including, but limited to restricting hunting and fishing access to permitted individuals only.
- Modifying regulations at Melon Valley SWA to open the property to all hunters on weekdays.
- Establishing specific regulations at Rio Blanco Lake SWA to limit big game hunting to archery equipment only, limit the Roselund Unit to day use only, and require parking in designated areas.
- Allowing the release of game birds at Mike Higbee SWA for education or training purposes.
- Prohibiting Off-Highway Vehicles use on Tarryall SWA.
- Prohibiting the shooting of firearms, pellet guns and bows in established campgrounds at Tarryall SWA.
- Prohibiting campfires at Tarryall SWA.
- Adopting property-specific regulations for Twin Spruce Ponds SWA, including, but not limited to prohibiting camping, fires, glass containers, alcoholic beverages, hunting, discharge of firearms or bows, and boating except for float tubes or craft propelled by hand.
- Adding Aqua Ramon STL to the Public Access Program with general STL regulations.
- Removing Lapin Creek and Deep Creek STLs from Chapter W-9.
- Limiting Columbian sharp-tailed grouse hunter numbers on the Dry Fork STL parcel on weekends and Labor Day to reduce conflicts with agriculture.

- Modifying the open hunting dates for McArthur Gulch STL, including when specific species may be hunted.
- Modifying opening date for Moosehead Mountain STL to August 15 annually.
- Enrolling the Zapata Falls STL into the Public Access Program with property-specific regulations.

Chapter W-16- "Procedural Rules" - 2 CCR 406-16 and those related provisions of Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to or ensure consistency with Chapter W-16

Open for consideration of final regulations pertaining to reissuance of returned limited licenses.

CITIZEN PETITIONS:

Final action may be taken on rule-making petitions at any step of the Commission's generally applicable two-step rule-making process.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Properties, as follows:

 A Citizen Petition for rulemaking requesting the Commission remove the access restrictions for the Mount Evans SWA that begin the day after Labor Day and run through the end of the 4th regular rifle season.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Parks and Unregulated Wildlife, as follows:

 A Citizen Petition for rulemaking requesting the Commission consider adding both species of two-toed sloth to the unregulated wildlife list in Chapter W-11.

The Commission may accept all or a portion of these petitions for final action, further consideration or otherwise reject the petitions at the March Commission meeting. A copy of any petition may be obtained by contacting Danielle Isenhart (303) 866-3203 ext. 4625, Regulations Manager, Colorado Parks and Wildlife.

ISSUE IDENTIFICATION

WILDLIFE REGULATIONS

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of modifications to Ranching for Wildlife regulations to clarify when Dream Hunt or Youth Outreach licenses may be used on enrolled ranches.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter W-9

Open for consideration of adopting new regulations to streamline the process for approving normal utility easements, lease extensions/renewals and amendments from the Colorado Parks and Wildlife Real Estate section.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

Open for consideration to amending the regulations pertaining to citizen petitions requesting to unregulate, list, or delist a species within Chapter W-11.

Except for the day and time indicated for when the meeting is scheduled to begin, the order indicated for each agenda item is approximate and subject to change when necessary to accommodate the Commission's schedule.

Viewing of Proposed Rules: copies of the proposed rules (together with a proposed statement of basis and purpose and specific statutory authority), will be available for inspection and distribution at the Office of the Regulations Manager, Division of Parks and Wildlife, 1313 Sherman St., Denver, Colorado, at least five (5) days prior to the date of hearing. Such copies, however, are only proposals to be submitted to the Commission by the Division of Parks and Wildlife.

Modification of Proposed Rules prior to adoption: subject to the provisions of Section 24-4-103, C.R.S., modification of these proposals may be made by the Division of Parks and Wildlife or the Commission before the Commission promulgates final rules and regulations on the above topics.

Comment deadlines: Comments will be accepted at any time prior to, or as part of the meeting. However, to ensure sufficient time for consideration prior to the meeting, <u>comments should be provided to the Division of Parks and Wildlife by noon on the following date</u>:

<u>February 24, 2015,</u> for mailing by the Division of Parks and Wildlife to the Parks and Wildlife Commission on **February 25, 2016.**

Comments received by the Division after noon on **February 24**, **2016**, will be provided to the Commission on the day of the meeting.

Opportunity to submit alternate proposals and provide comment: the Commission will afford all interested persons an opportunity to submit alternate proposals, written data, views or arguments and to present them orally at the meeting unless it deems such oral presentation unnecessary. Written alternate proposals, data, views or arguments and other written statements should be submitted to the Division of Parks and Wildlife at 1313 Sherman St., Denver, CO 80203; or e-mailed to dnr.cpwcommission@state.co.us.

Use of Consent Agenda:

In order to increase the Parks and Wildlife Commission's efficiency and allow more time for consideration of parks and wildlife policy and contested issues, some or all of this regulatory

agenda may be listed for action by the Commission as part of a "Consent Agenda" for this meeting.

The process for placing matters on the Consent Agenda is as follows:

The Director identifies matters where the recommended action follows established policy or precedent, there has been agreement reached or the matter is expected to be uncontested and non-controversial.

Regulatory Matters on the Consent Agenda are noticed for hearing at the same time and in the same manner as other Consent Agenda items. If a member of the Commission requests further consideration of an item on the Consent Agenda, that item will be withdrawn from the Consent Agenda and discussed at the end of the meeting or at the next meeting. The Consent Agenda may be voted on without the necessity of reading individual items. Any Commission member may request clarification from the Director of any matter on the Consent Agenda.

OTHER AGENDA ITEMS: The Parks and Wildlife Commission may consider and make policy, program implementation, and other non-regulatory decisions, which may be of public interest at this meeting. A copy of the complete meeting agenda may be viewed on the Division of Parks and Wildlife's internet home page at http://cpw.state.co.us, on or after **February 29, 2016**.

RULE-MAKING NOTICE PARKS AND WILDLIFE COMMISSION MEETING March 9-10, 2016

In accordance with the State Administrative Procedure Act, section 24-4-103, C.R.S., the Parks and Wildlife Commission gives notice that regulations will be considered for adoption at their next meeting on March 9-10, 2016. The Parks and Wildlife Commission meeting will be held at the offices of Colorado Parks and Wildlife, Hunter Education Building, 6060 Broadway, Denver, CO 80216. The following regulatory subjects and issues shall be considered pursuant to the Commission's authority in sections 33-9-101 to 111, C.R.S. ("Administration of Parks and Wildlife"), in sections 33-1-101 to 33-6-209, C.R.S. (the "Wildlife Act"), and especially sections 33-1-104, 33-1-106, 33-1-107, 33-1-108, 33-1-121, 33-2-104, 33-2-105, 33-2-106, 33-3-104, 33-4-101, 33-4-102 and 33-5.5-102, 33-6-107, 33-6-109, 33-6-112, 33-6-113, 33-6-114, 33-6-117, 33-6-119, 33-6-207, 33-6-208, 33-6-209, C.R.S., and in sections 33-10-101 to 33-33-113, C.R.S. (the "Parks Act"), and especially sections 33-10-106, 33-10-107, 33-10-107, 33-11-109, 33-12-101, 33-12-103, 33-12-103.5, 33-12-106, 33-12-5-103, 33-13-103, 33-13-104, 33-13-106, 33-13-109, 33-13-110, 33-13-111, 33-14-107, 33-14.5-107, 33-2-103 and 33-33-105. C.R.S.

FINAL REGULATORY ADOPTION - March 9-10, 2016 beginning at 8:00 a.m.*

EFFECTIVE DATE OF REGULATIONS approved during the March 2016 Parks and Wildlife Commission meeting: May 1, 2016, unless otherwise noted.

FINAL REGULATIONS

PARKS REGULATIONS

Chapter P-1 - "Parks and Outdoor Recreation Lands" 2 CCR 405-1 and those related provisions of Chapter W-5 ("Small Game and Migratory Game Birds" 2 CCR 406-5) necessary to accommodate changes to or ensure consistency with Chapter P-1

Open for annual review of the entire chapter including, but not limited to, generally-applicable and property-specific requirements for, or restrictions on use of, parks properties controlled by Colorado Parks and Wildlife, including, but not limited to, the following:

- Allowing regulated weekend waterfowl hunting on James M. Robb-Colorado River State Park's 34 Road Section parcel from two reservable blinds.
- Opening a portion of Highline Lake State Park to small game hunting on weekdays.
- Establishing park-specific regulations on the archery range at Trinidad Lake State Park.

Chapter P-2 - "Boating" - 2 CCR 405-2

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering boats in Colorado.

^{*}Please reference the Commission agenda, to be posted on or after February 29, 2016, to ensure when each regulatory item will be addressed by the Commission. The agenda will be posted at http://cpw.state.co.us/aboutus/Pages/CommissionMeetings.aspx.

Chapter P-3 - "River Outfitters" - 2 CCR 405-3

Open for consideration of changes to regulations requiring hands-on cardiopulmonary resuscitation ("CPR") training for river guides, trip leaders, and guide instructors.

Chapter P-4 - "Snowmobile Regulations" - 2CCR 405-4

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering snowmobiles in Colorado.

Chapter P-5 – "Off-Highway Vehicle Regulations" - 2 CCR 405-5

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering OHV's in Colorado.

Chapter P-7 - "Passes, Permits and Registrations" - 2 CCR 405-7

Open for annual review of the entire chapter including, but not limited to, regulations pertaining to eligibility requirements and fees for individual and vehicle park passes; use permits; vessel, snowmobile and off-highway vehicle registrations; and license agent requirements, including, but not limited to, the following:

- Expanding eligibility for a volunteer parks pass to all CPW volunteers who have donated 48 hours of approved service within a twelve month period.
- Adding definitions of "camping/to camp", "camping unit" and "passenger vehicle" to chapter P-7.
- Making camping permits purchased before 5am, only valid until noon on the same day.
- Administrative clean-ups to camping regulations to comply with reservation system requirements.

WILDLIFE REGULATIONS

Chapter W-0 - "General Provisions" - 2 CCR 406-0

Open for consideration of changes to the no release provision for terrestrial invasive species, specifically giving the Director authority to grant exemptions.

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of any necessary corrections or administrative clean-ups to regulations previously adopted by the Parks and Wildlife Commission for the 2016 big game seasons, including, but not limited to, game management unit boundaries, season dates, limited license areas and manner of take provisions for bighorn sheep, mountain goat, deer, elk, pronghorn, moose, bear and mountain lion, and regulations otherwise necessary for implementation of the 2016 big game seasons.

Chapter W-3 - "Furbearers and Small Game, Except Migratory Birds" - 2 CCR 406-3

Open for consideration of annual changes to game bird seasons, excluding turkey, and other small game seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including the following:

- Reopening GMU 201 to greater sage-grouse hunting.
- Removing the chukar hunting closure in GMUs 9, 19, and 191.

Chapter W-5 - "Small Game and Migratory Game Birds" - 2 CCR 406-5

Open for consideration of annual changes to waterfowl and migratory bird hunting seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including, but not limited to, the following:

 Establishing new Pacific Flyway hunting zones (eastern and western) for both ducks and geese.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

Open for annual review of the entire chapter, including, but not limited to:

- · Prohibiting fireworks on all SWA properties.
- Prohibiting any SWA user from blocking or impeding any boat ramp.
- Eliminating the requirement that all waterfowl and small game hunters must check-out of Bravo SWA and Bravo State Trust Land (STL).
- Allowing more vehicle parking at Brush Prairie Ponds SWA.
- Establishing a seasonal closure on Cimarron State Wildlife Area (SWA) from January 1 to June 30 to protect mating and nesting Gunnison sage grouse and wintering big game.
- Prohibiting hunting of dusky grouse and ruffed grouse on the Upper Baldy Tract of Garfield Creek SWA beginning in 2016.
- Modifying the open dates for the Grace Creek access road at Hohnholz Lake SWA.
- Removing fall boating and fishing restrictions at Jumbo Reservoir SWA and Red Lion SWA.
- Adding regulations for the Woodard Unit of the Jumping Cow SWA, including, but limited to restricting hunting and fishing access to permitted individuals only.
- Modifying regulations at Melon Valley SWA to open the property to all hunters on weekdays.
- Establishing specific regulations at Rio Blanco Lake SWA to limit big game hunting to archery equipment only, limit the Roselund Unit to day use only, and require parking in designated areas.
- Allowing the release of game birds at Mike Higbee SWA for education or training purposes.
- Prohibiting Off-Highway Vehicles use on Tarryall SWA.
- Prohibiting the shooting of firearms, pellet guns and bows in established campgrounds at Tarryall SWA.
- Prohibiting campfires at Tarryall SWA.
- Adopting property-specific regulations for Twin Spruce Ponds SWA, including, but not limited to prohibiting camping, fires, glass containers, alcoholic beverages, hunting, discharge of firearms or bows, and boating except for float tubes or craft propelled by hand.
- Adding Aqua Ramon STL to the Public Access Program with general STL regulations.
- Removing Lapin Creek and Deep Creek STLs from Chapter W-9.
- Limiting Columbian sharp-tailed grouse hunter numbers on the Dry Fork STL parcel on weekends and Labor Day to reduce conflicts with agriculture.

- Modifying the open hunting dates for McArthur Gulch STL, including when specific species may be hunted.
- Modifying opening date for Moosehead Mountain STL to August 15 annually.
- Enrolling the Zapata Falls STL into the Public Access Program with property-specific regulations.

Chapter W-16- "Procedural Rules" - 2 CCR 406-16 and those related provisions of Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to or ensure consistency with Chapter W-16

Open for consideration of final regulations pertaining to reissuance of returned limited licenses.

CITIZEN PETITIONS:

Final action may be taken on rule-making petitions at any step of the Commission's generally applicable two-step rule-making process.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Properties, as follows:

 A Citizen Petition for rulemaking requesting the Commission remove the access restrictions for the Mount Evans SWA that begin the day after Labor Day and run through the end of the 4th regular rifle season.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Parks and Unregulated Wildlife, as follows:

 A Citizen Petition for rulemaking requesting the Commission consider adding both species of two-toed sloth to the unregulated wildlife list in Chapter W-11.

The Commission may accept all or a portion of these petitions for final action, further consideration or otherwise reject the petitions at the March Commission meeting. A copy of any petition may be obtained by contacting Danielle Isenhart (303) 866-3203 ext. 4625, Regulations Manager, Colorado Parks and Wildlife.

RULE-MAKING NOTICE PARKS AND WILDLIFE COMMISSION MEETING March 9-10, 2016

In accordance with the State Administrative Procedure Act, section 24-4-103, C.R.S., the Parks and Wildlife Commission gives notice that regulations will be considered for adoption at their next meeting on March 9-10, 2016. The Parks and Wildlife Commission meeting will be held at the offices of Colorado Parks and Wildlife, Hunter Education Building, 6060 Broadway, Denver, CO 80216. The following regulatory subjects and issues shall be considered pursuant to the Commission's authority in sections 33-9-101 to 111, C.R.S. ("Administration of Parks and Wildlife"), in sections 33-1-101 to 33-6-209, C.R.S. (the "Wildlife Act"), and especially sections 33-1-104, 33-1-106, 33-1-107, 33-1-108, 33-1-121, 33-2-104, 33-2-105, 33-2-106, 33-3-104, 33-4-101, 33-4-102 and 33-5.5-102, 33-6-107, 33-6-109, 33-6-112, 33-6-113, 33-6-114, 33-6-117, 33-6-119, 33-6-207, 33-6-208, 33-6-209, C.R.S., and in sections 33-10-101 to 33-33-113, C.R.S. (the "Parks Act"), and especially sections 33-10-106, 33-10-107, 33-10-107, 33-11-109, 33-12-101, 33-12-103, 33-12-103.5, 33-12-106, 33-12-5-103, 33-13-103, 33-13-104, 33-13-106, 33-13-109, 33-13-110, 33-13-111, 33-14-107, 33-14.5-107, 33-2-103 and 33-33-105. C.R.S.

FINAL REGULATORY ADOPTION - March 9-10, 2016 beginning at 8:00 a.m.*

EFFECTIVE DATE OF REGULATIONS approved during the March 2016 Parks and Wildlife Commission meeting: May 1, 2016, unless otherwise noted.

FINAL REGULATIONS

PARKS REGULATIONS

Chapter P-1 - "Parks and Outdoor Recreation Lands" 2 CCR 405-1 and those related provisions of Chapter W-5 ("Small Game and Migratory Game Birds" 2 CCR 406-5) necessary to accommodate changes to or ensure consistency with Chapter P-1

Open for annual review of the entire chapter including, but not limited to, generally-applicable and property-specific requirements for, or restrictions on use of, parks properties controlled by Colorado Parks and Wildlife, including, but not limited to, the following:

- Allowing regulated weekend waterfowl hunting on James M. Robb-Colorado River State Park's 34 Road Section parcel from two reservable blinds.
- Opening a portion of Highline Lake State Park to small game hunting on weekdays.
- Establishing park-specific regulations on the archery range at Trinidad Lake State Park.

Chapter P-2 - "Boating" - 2 CCR 405-2

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering boats in Colorado.

^{*}Please reference the Commission agenda, to be posted on or after February 29, 2016, to ensure when each regulatory item will be addressed by the Commission. The agenda will be posted at http://cpw.state.co.us/aboutus/Pages/CommissionMeetings.aspx.

Chapter P-3 - "River Outfitters" - 2 CCR 405-3

Open for consideration of changes to regulations requiring hands-on cardiopulmonary resuscitation ("CPR") training for river guides, trip leaders, and guide instructors.

Chapter P-4 - "Snowmobile Regulations" - 2CCR 405-4

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering snowmobiles in Colorado.

Chapter P-5 – "Off-Highway Vehicle Regulations" - 2 CCR 405-5

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering OHV's in Colorado.

Chapter P-7 - "Passes, Permits and Registrations" - 2 CCR 405-7

Open for annual review of the entire chapter including, but not limited to, regulations pertaining to eligibility requirements and fees for individual and vehicle park passes; use permits; vessel, snowmobile and off-highway vehicle registrations; and license agent requirements, including, but not limited to, the following:

- Expanding eligibility for a volunteer parks pass to all CPW volunteers who have donated 48 hours of approved service within a twelve month period.
- Adding definitions of "camping/to camp", "camping unit" and "passenger vehicle" to chapter P-7.
- Making camping permits purchased before 5am, only valid until noon on the same day.
- Administrative clean-ups to camping regulations to comply with reservation system requirements.

WILDLIFE REGULATIONS

Chapter W-0 - "General Provisions" - 2 CCR 406-0

Open for consideration of changes to the no release provision for terrestrial invasive species, specifically giving the Director authority to grant exemptions.

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of any necessary corrections or administrative clean-ups to regulations previously adopted by the Parks and Wildlife Commission for the 2016 big game seasons, including, but not limited to, game management unit boundaries, season dates, limited license areas and manner of take provisions for bighorn sheep, mountain goat, deer, elk, pronghorn, moose, bear and mountain lion, and regulations otherwise necessary for implementation of the 2016 big game seasons.

Chapter W-3 - "Furbearers and Small Game, Except Migratory Birds" - 2 CCR 406-3

Open for consideration of annual changes to game bird seasons, excluding turkey, and other small game seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including the following:

- Reopening GMU 201 to greater sage-grouse hunting.
- Removing the chukar hunting closure in GMUs 9, 19, and 191.

Chapter W-5 - "Small Game and Migratory Game Birds" - 2 CCR 406-5

Open for consideration of annual changes to waterfowl and migratory bird hunting seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including, but not limited to, the following:

 Establishing new Pacific Flyway hunting zones (eastern and western) for both ducks and geese.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

Open for annual review of the entire chapter, including, but not limited to:

- · Prohibiting fireworks on all SWA properties.
- Prohibiting any SWA user from blocking or impeding any boat ramp.
- Eliminating the requirement that all waterfowl and small game hunters must check-out of Bravo SWA and Bravo State Trust Land (STL).
- Allowing more vehicle parking at Brush Prairie Ponds SWA.
- Establishing a seasonal closure on Cimarron State Wildlife Area (SWA) from January 1 to June 30 to protect mating and nesting Gunnison sage grouse and wintering big game.
- Prohibiting hunting of dusky grouse and ruffed grouse on the Upper Baldy Tract of Garfield Creek SWA beginning in 2016.
- Modifying the open dates for the Grace Creek access road at Hohnholz Lake SWA.
- Removing fall boating and fishing restrictions at Jumbo Reservoir SWA and Red Lion SWA.
- Adding regulations for the Woodard Unit of the Jumping Cow SWA, including, but limited to restricting hunting and fishing access to permitted individuals only.
- Modifying regulations at Melon Valley SWA to open the property to all hunters on weekdays.
- Establishing specific regulations at Rio Blanco Lake SWA to limit big game hunting to archery equipment only, limit the Roselund Unit to day use only, and require parking in designated areas.
- Allowing the release of game birds at Mike Higbee SWA for education or training purposes.
- Prohibiting Off-Highway Vehicles use on Tarryall SWA.
- Prohibiting the shooting of firearms, pellet guns and bows in established campgrounds at Tarryall SWA.
- Prohibiting campfires at Tarryall SWA.
- Adopting property-specific regulations for Twin Spruce Ponds SWA, including, but not limited to prohibiting camping, fires, glass containers, alcoholic beverages, hunting, discharge of firearms or bows, and boating except for float tubes or craft propelled by hand.
- Adding Aqua Ramon STL to the Public Access Program with general STL regulations.
- Removing Lapin Creek and Deep Creek STLs from Chapter W-9.
- Limiting Columbian sharp-tailed grouse hunter numbers on the Dry Fork STL parcel on weekends and Labor Day to reduce conflicts with agriculture.

- Modifying the open hunting dates for McArthur Gulch STL, including when specific species may be hunted.
- Modifying opening date for Moosehead Mountain STL to August 15 annually.
- Enrolling the Zapata Falls STL into the Public Access Program with property-specific regulations.

Chapter W-16- "Procedural Rules" - 2 CCR 406-16 and those related provisions of Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to or ensure consistency with Chapter W-16

Open for consideration of final regulations pertaining to reissuance of returned limited licenses.

CITIZEN PETITIONS:

Final action may be taken on rule-making petitions at any step of the Commission's generally applicable two-step rule-making process.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Properties, as follows:

 A Citizen Petition for rulemaking requesting the Commission remove the access restrictions for the Mount Evans SWA that begin the day after Labor Day and run through the end of the 4th regular rifle season.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Parks and Unregulated Wildlife, as follows:

 A Citizen Petition for rulemaking requesting the Commission consider adding both species of two-toed sloth to the unregulated wildlife list in Chapter W-11.

The Commission may accept all or a portion of these petitions for final action, further consideration or otherwise reject the petitions at the March Commission meeting. A copy of any petition may be obtained by contacting Danielle Isenhart (303) 866-3203 ext. 4625, Regulations Manager, Colorado Parks and Wildlife.

ISSUE IDENTIFICATION

WILDLIFE REGULATIONS

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of modifications to Ranching for Wildlife regulations to clarify when Dream Hunt or Youth Outreach licenses may be used on enrolled ranches.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter W-9

Open for consideration of adopting new regulations to streamline the process for approving normal utility easements, lease extensions/renewals and amendments from the Colorado Parks and Wildlife Real Estate section.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

Open for consideration to amending the regulations pertaining to citizen petitions requesting to unregulate, list, or delist a species within Chapter W-11.

Except for the day and time indicated for when the meeting is scheduled to begin, the order indicated for each agenda item is approximate and subject to change when necessary to accommodate the Commission's schedule.

Viewing of Proposed Rules: copies of the proposed rules (together with a proposed statement of basis and purpose and specific statutory authority), will be available for inspection and distribution at the Office of the Regulations Manager, Division of Parks and Wildlife, 1313 Sherman St., Denver, Colorado, at least five (5) days prior to the date of hearing. Such copies, however, are only proposals to be submitted to the Commission by the Division of Parks and Wildlife.

Modification of Proposed Rules prior to adoption: subject to the provisions of Section 24-4-103, C.R.S., modification of these proposals may be made by the Division of Parks and Wildlife or the Commission before the Commission promulgates final rules and regulations on the above topics.

Comment deadlines: Comments will be accepted at any time prior to, or as part of the meeting. However, to ensure sufficient time for consideration prior to the meeting, <u>comments should be provided to the Division of Parks and Wildlife by noon on the following date</u>:

<u>February 24, 2015,</u> for mailing by the Division of Parks and Wildlife to the Parks and Wildlife Commission on **February 25, 2016.**

Comments received by the Division after noon on **February 24**, **2016**, will be provided to the Commission on the day of the meeting.

Opportunity to submit alternate proposals and provide comment: the Commission will afford all interested persons an opportunity to submit alternate proposals, written data, views or arguments and to present them orally at the meeting unless it deems such oral presentation unnecessary. Written alternate proposals, data, views or arguments and other written statements should be submitted to the Division of Parks and Wildlife at 1313 Sherman St., Denver, CO 80203; or e-mailed to dnr.cpwcommission@state.co.us.

Use of Consent Agenda:

In order to increase the Parks and Wildlife Commission's efficiency and allow more time for consideration of parks and wildlife policy and contested issues, some or all of this regulatory

agenda may be listed for action by the Commission as part of a "Consent Agenda" for this meeting.

The process for placing matters on the Consent Agenda is as follows:

The Director identifies matters where the recommended action follows established policy or precedent, there has been agreement reached or the matter is expected to be uncontested and non-controversial.

Regulatory Matters on the Consent Agenda are noticed for hearing at the same time and in the same manner as other Consent Agenda items. If a member of the Commission requests further consideration of an item on the Consent Agenda, that item will be withdrawn from the Consent Agenda and discussed at the end of the meeting or at the next meeting. The Consent Agenda may be voted on without the necessity of reading individual items. Any Commission member may request clarification from the Director of any matter on the Consent Agenda.

OTHER AGENDA ITEMS: The Parks and Wildlife Commission may consider and make policy, program implementation, and other non-regulatory decisions, which may be of public interest at this meeting. A copy of the complete meeting agenda may be viewed on the Division of Parks and Wildlife's internet home page at http://cpw.state.co.us, on or after **February 29, 2016**.

RULE-MAKING NOTICE PARKS AND WILDLIFE COMMISSION MEETING March 9-10, 2016

In accordance with the State Administrative Procedure Act, section 24-4-103, C.R.S., the Parks and Wildlife Commission gives notice that regulations will be considered for adoption at their next meeting on March 9-10, 2016. The Parks and Wildlife Commission meeting will be held at the offices of Colorado Parks and Wildlife, Hunter Education Building, 6060 Broadway, Denver, CO 80216. The following regulatory subjects and issues shall be considered pursuant to the Commission's authority in sections 33-9-101 to 111, C.R.S. ("Administration of Parks and Wildlife"), in sections 33-1-101 to 33-6-209, C.R.S. (the "Wildlife Act"), and especially sections 33-1-104, 33-1-106, 33-1-107, 33-1-108, 33-1-121, 33-2-104, 33-2-105, 33-2-106, 33-3-104, 33-4-101, 33-4-102 and 33-5.5-102, 33-6-107, 33-6-109, 33-6-112, 33-6-113, 33-6-114, 33-6-117, 33-6-119, 33-6-207, 33-6-208, 33-6-209, C.R.S., and in sections 33-10-101 to 33-33-113, C.R.S. (the "Parks Act"), and especially sections 33-10-106, 33-10-107, 33-10-107, 33-11-109, 33-12-101, 33-12-103, 33-12-103.5, 33-12-106, 33-12-5-103, 33-13-103, 33-13-104, 33-13-106, 33-13-109, 33-13-110, 33-13-111, 33-14-107, 33-14.5-107, 33-2-103 and 33-33-105. C.R.S.

FINAL REGULATORY ADOPTION - March 9-10, 2016 beginning at 8:00 a.m.*

EFFECTIVE DATE OF REGULATIONS approved during the March 2016 Parks and Wildlife Commission meeting: May 1, 2016, unless otherwise noted.

FINAL REGULATIONS

PARKS REGULATIONS

Chapter P-1 - "Parks and Outdoor Recreation Lands" 2 CCR 405-1 and those related provisions of Chapter W-5 ("Small Game and Migratory Game Birds" 2 CCR 406-5) necessary to accommodate changes to or ensure consistency with Chapter P-1

Open for annual review of the entire chapter including, but not limited to, generally-applicable and property-specific requirements for, or restrictions on use of, parks properties controlled by Colorado Parks and Wildlife, including, but not limited to, the following:

- Allowing regulated weekend waterfowl hunting on James M. Robb-Colorado River State Park's 34 Road Section parcel from two reservable blinds.
- Opening a portion of Highline Lake State Park to small game hunting on weekdays.
- Establishing park-specific regulations on the archery range at Trinidad Lake State Park.

Chapter P-2 - "Boating" - 2 CCR 405-2

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering boats in Colorado.

^{*}Please reference the Commission agenda, to be posted on or after February 29, 2016, to ensure when each regulatory item will be addressed by the Commission. The agenda will be posted at http://cpw.state.co.us/aboutus/Pages/CommissionMeetings.aspx.

Chapter P-3 - "River Outfitters" - 2 CCR 405-3

Open for consideration of changes to regulations requiring hands-on cardiopulmonary resuscitation ("CPR") training for river guides, trip leaders, and guide instructors.

Chapter P-4 - "Snowmobile Regulations" - 2CCR 405-4

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering snowmobiles in Colorado.

Chapter P-5 – "Off-Highway Vehicle Regulations" - 2 CCR 405-5

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering OHV's in Colorado.

Chapter P-7 - "Passes, Permits and Registrations" - 2 CCR 405-7

Open for annual review of the entire chapter including, but not limited to, regulations pertaining to eligibility requirements and fees for individual and vehicle park passes; use permits; vessel, snowmobile and off-highway vehicle registrations; and license agent requirements, including, but not limited to, the following:

- Expanding eligibility for a volunteer parks pass to all CPW volunteers who have donated 48 hours of approved service within a twelve month period.
- Adding definitions of "camping/to camp", "camping unit" and "passenger vehicle" to chapter P-7.
- Making camping permits purchased before 5am, only valid until noon on the same day.
- Administrative clean-ups to camping regulations to comply with reservation system requirements.

WILDLIFE REGULATIONS

Chapter W-0 - "General Provisions" - 2 CCR 406-0

Open for consideration of changes to the no release provision for terrestrial invasive species, specifically giving the Director authority to grant exemptions.

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of any necessary corrections or administrative clean-ups to regulations previously adopted by the Parks and Wildlife Commission for the 2016 big game seasons, including, but not limited to, game management unit boundaries, season dates, limited license areas and manner of take provisions for bighorn sheep, mountain goat, deer, elk, pronghorn, moose, bear and mountain lion, and regulations otherwise necessary for implementation of the 2016 big game seasons.

Chapter W-3 - "Furbearers and Small Game, Except Migratory Birds" - 2 CCR 406-3

Open for consideration of annual changes to game bird seasons, excluding turkey, and other small game seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including the following:

- Reopening GMU 201 to greater sage-grouse hunting.
- Removing the chukar hunting closure in GMUs 9, 19, and 191.

Chapter W-5 - "Small Game and Migratory Game Birds" - 2 CCR 406-5

Open for consideration of annual changes to waterfowl and migratory bird hunting seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including, but not limited to, the following:

 Establishing new Pacific Flyway hunting zones (eastern and western) for both ducks and geese.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

Open for annual review of the entire chapter, including, but not limited to:

- · Prohibiting fireworks on all SWA properties.
- Prohibiting any SWA user from blocking or impeding any boat ramp.
- Eliminating the requirement that all waterfowl and small game hunters must check-out of Bravo SWA and Bravo State Trust Land (STL).
- Allowing more vehicle parking at Brush Prairie Ponds SWA.
- Establishing a seasonal closure on Cimarron State Wildlife Area (SWA) from January 1 to June 30 to protect mating and nesting Gunnison sage grouse and wintering big game.
- Prohibiting hunting of dusky grouse and ruffed grouse on the Upper Baldy Tract of Garfield Creek SWA beginning in 2016.
- Modifying the open dates for the Grace Creek access road at Hohnholz Lake SWA.
- Removing fall boating and fishing restrictions at Jumbo Reservoir SWA and Red Lion SWA.
- Adding regulations for the Woodard Unit of the Jumping Cow SWA, including, but limited to restricting hunting and fishing access to permitted individuals only.
- Modifying regulations at Melon Valley SWA to open the property to all hunters on weekdays.
- Establishing specific regulations at Rio Blanco Lake SWA to limit big game hunting to archery equipment only, limit the Roselund Unit to day use only, and require parking in designated areas.
- Allowing the release of game birds at Mike Higbee SWA for education or training purposes.
- Prohibiting Off-Highway Vehicles use on Tarryall SWA.
- Prohibiting the shooting of firearms, pellet guns and bows in established campgrounds at Tarryall SWA.
- Prohibiting campfires at Tarryall SWA.
- Adopting property-specific regulations for Twin Spruce Ponds SWA, including, but not limited to prohibiting camping, fires, glass containers, alcoholic beverages, hunting, discharge of firearms or bows, and boating except for float tubes or craft propelled by hand.
- Adding Aqua Ramon STL to the Public Access Program with general STL regulations.
- Removing Lapin Creek and Deep Creek STLs from Chapter W-9.
- Limiting Columbian sharp-tailed grouse hunter numbers on the Dry Fork STL parcel on weekends and Labor Day to reduce conflicts with agriculture.

- Modifying the open hunting dates for McArthur Gulch STL, including when specific species may be hunted.
- Modifying opening date for Moosehead Mountain STL to August 15 annually.
- Enrolling the Zapata Falls STL into the Public Access Program with property-specific regulations.

Chapter W-16- "Procedural Rules" - 2 CCR 406-16 and those related provisions of Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to or ensure consistency with Chapter W-16

Open for consideration of final regulations pertaining to reissuance of returned limited licenses.

CITIZEN PETITIONS:

Final action may be taken on rule-making petitions at any step of the Commission's generally applicable two-step rule-making process.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Properties, as follows:

 A Citizen Petition for rulemaking requesting the Commission remove the access restrictions for the Mount Evans SWA that begin the day after Labor Day and run through the end of the 4th regular rifle season.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Parks and Unregulated Wildlife, as follows:

 A Citizen Petition for rulemaking requesting the Commission consider adding both species of two-toed sloth to the unregulated wildlife list in Chapter W-11.

The Commission may accept all or a portion of these petitions for final action, further consideration or otherwise reject the petitions at the March Commission meeting. A copy of any petition may be obtained by contacting Danielle Isenhart (303) 866-3203 ext. 4625, Regulations Manager, Colorado Parks and Wildlife.

ISSUE IDENTIFICATION

WILDLIFE REGULATIONS

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of modifications to Ranching for Wildlife regulations to clarify when Dream Hunt or Youth Outreach licenses may be used on enrolled ranches.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter W-9

Open for consideration of adopting new regulations to streamline the process for approving normal utility easements, lease extensions/renewals and amendments from the Colorado Parks and Wildlife Real Estate section.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

Open for consideration to amending the regulations pertaining to citizen petitions requesting to unregulate, list, or delist a species within Chapter W-11.

RULE-MAKING NOTICE PARKS AND WILDLIFE COMMISSION MEETING March 9-10, 2016

In accordance with the State Administrative Procedure Act, section 24-4-103, C.R.S., the Parks and Wildlife Commission gives notice that regulations will be considered for adoption at their next meeting on March 9-10, 2016. The Parks and Wildlife Commission meeting will be held at the offices of Colorado Parks and Wildlife, Hunter Education Building, 6060 Broadway, Denver, CO 80216. The following regulatory subjects and issues shall be considered pursuant to the Commission's authority in sections 33-9-101 to 111, C.R.S. ("Administration of Parks and Wildlife"), in sections 33-1-101 to 33-6-209, C.R.S. (the "Wildlife Act"), and especially sections 33-1-104, 33-1-106, 33-1-107, 33-1-108, 33-1-121, 33-2-104, 33-2-105, 33-2-106, 33-3-104, 33-4-101, 33-4-102 and 33-5.5-102, 33-6-107, 33-6-109, 33-6-112, 33-6-113, 33-6-114, 33-6-117, 33-6-119, 33-6-207, 33-6-208, 33-6-209, C.R.S., and in sections 33-10-101 to 33-33-113, C.R.S. (the "Parks Act"), and especially sections 33-10-106, 33-10-107, 33-10-5-107, 33-11-109, 33-12-101, 33-12-103, 33-12-103.5, 33-12-106, 33-12-5-103, 33-13-103, 33-13-104, 33-13-106, 33-13-109, 33-13-110, 33-13-111, 33-14-107, 33-14.5-107, 33-2-103 and 33-33-105. C.R.S.

FINAL REGULATORY ADOPTION - March 9-10, 2016 beginning at 8:00 a.m.*

EFFECTIVE DATE OF REGULATIONS approved during the March 2016 Parks and Wildlife Commission meeting: May 1, 2016, unless otherwise noted.

FINAL REGULATIONS

PARKS REGULATIONS

Chapter P-1 - "Parks and Outdoor Recreation Lands" 2 CCR 405-1 and those related provisions of Chapter W-5 ("Small Game and Migratory Game Birds" 2 CCR 406-5) necessary to accommodate changes to or ensure consistency with Chapter P-1

Open for annual review of the entire chapter including, but not limited to, generally-applicable and property-specific requirements for, or restrictions on use of, parks properties controlled by Colorado Parks and Wildlife, including, but not limited to, the following:

- Allowing regulated weekend waterfowl hunting on James M. Robb-Colorado River State Park's 34 Road Section parcel from two reservable blinds.
- Opening a portion of Highline Lake State Park to small game hunting on weekdays.
- Establishing park-specific regulations on the archery range at Trinidad Lake State Park.

Chapter P-2 - "Boating" - 2 CCR 405-2

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering boats in Colorado.

^{*}Please reference the Commission agenda, to be posted on or after February 29, 2016, to ensure when each regulatory item will be addressed by the Commission. The agenda will be posted at http://cpw.state.co.us/aboutus/Pages/CommissionMeetings.aspx.

Chapter P-3 - "River Outfitters" - 2 CCR 405-3

Open for consideration of changes to regulations requiring hands-on cardiopulmonary resuscitation ("CPR") training for river guides, trip leaders, and guide instructors.

Chapter P-4 - "Snowmobile Regulations" - 2CCR 405-4

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering snowmobiles in Colorado.

Chapter P-5 – "Off-Highway Vehicle Regulations" - 2 CCR 405-5

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering OHV's in Colorado.

Chapter P-7 - "Passes, Permits and Registrations" - 2 CCR 405-7

Open for annual review of the entire chapter including, but not limited to, regulations pertaining to eligibility requirements and fees for individual and vehicle park passes; use permits; vessel, snowmobile and off-highway vehicle registrations; and license agent requirements, including, but not limited to, the following:

- Expanding eligibility for a volunteer parks pass to all CPW volunteers who have donated 48 hours of approved service within a twelve month period.
- Adding definitions of "camping/to camp", "camping unit" and "passenger vehicle" to chapter P-7.
- Making camping permits purchased before 5am, only valid until noon on the same day.
- Administrative clean-ups to camping regulations to comply with reservation system requirements.

WILDLIFE REGULATIONS

Chapter W-0 - "General Provisions" - 2 CCR 406-0

Open for consideration of changes to the no release provision for terrestrial invasive species, specifically giving the Director authority to grant exemptions.

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of any necessary corrections or administrative clean-ups to regulations previously adopted by the Parks and Wildlife Commission for the 2016 big game seasons, including, but not limited to, game management unit boundaries, season dates, limited license areas and manner of take provisions for bighorn sheep, mountain goat, deer, elk, pronghorn, moose, bear and mountain lion, and regulations otherwise necessary for implementation of the 2016 big game seasons.

Chapter W-3 - "Furbearers and Small Game, Except Migratory Birds" - 2 CCR 406-3

Open for consideration of annual changes to game bird seasons, excluding turkey, and other small game seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including the following:

- Reopening GMU 201 to greater sage-grouse hunting.
- Removing the chukar hunting closure in GMUs 9, 19, and 191.

Chapter W-5 - "Small Game and Migratory Game Birds" - 2 CCR 406-5

Open for consideration of annual changes to waterfowl and migratory bird hunting seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including, but not limited to, the following:

 Establishing new Pacific Flyway hunting zones (eastern and western) for both ducks and geese.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

Open for annual review of the entire chapter, including, but not limited to:

- · Prohibiting fireworks on all SWA properties.
- Prohibiting any SWA user from blocking or impeding any boat ramp.
- Eliminating the requirement that all waterfowl and small game hunters must check-out of Bravo SWA and Bravo State Trust Land (STL).
- Allowing more vehicle parking at Brush Prairie Ponds SWA.
- Establishing a seasonal closure on Cimarron State Wildlife Area (SWA) from January 1 to June 30 to protect mating and nesting Gunnison sage grouse and wintering big game.
- Prohibiting hunting of dusky grouse and ruffed grouse on the Upper Baldy Tract of Garfield Creek SWA beginning in 2016.
- Modifying the open dates for the Grace Creek access road at Hohnholz Lake SWA.
- Removing fall boating and fishing restrictions at Jumbo Reservoir SWA and Red Lion SWA.
- Adding regulations for the Woodard Unit of the Jumping Cow SWA, including, but limited to restricting hunting and fishing access to permitted individuals only.
- Modifying regulations at Melon Valley SWA to open the property to all hunters on weekdays.
- Establishing specific regulations at Rio Blanco Lake SWA to limit big game hunting to archery equipment only, limit the Roselund Unit to day use only, and require parking in designated areas.
- Allowing the release of game birds at Mike Higbee SWA for education or training purposes.
- Prohibiting Off-Highway Vehicles use on Tarryall SWA.
- Prohibiting the shooting of firearms, pellet guns and bows in established campgrounds at Tarryall SWA.
- Prohibiting campfires at Tarryall SWA.
- Adopting property-specific regulations for Twin Spruce Ponds SWA, including, but not limited to prohibiting camping, fires, glass containers, alcoholic beverages, hunting, discharge of firearms or bows, and boating except for float tubes or craft propelled by hand.
- Adding Aqua Ramon STL to the Public Access Program with general STL regulations.
- Removing Lapin Creek and Deep Creek STLs from Chapter W-9.
- Limiting Columbian sharp-tailed grouse hunter numbers on the Dry Fork STL parcel on weekends and Labor Day to reduce conflicts with agriculture.

- Modifying the open hunting dates for McArthur Gulch STL, including when specific species may be hunted.
- Modifying opening date for Moosehead Mountain STL to August 15 annually.
- Enrolling the Zapata Falls STL into the Public Access Program with property-specific regulations.

Chapter W-16- "Procedural Rules" - 2 CCR 406-16 and those related provisions of Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to or ensure consistency with Chapter W-16

Open for consideration of final regulations pertaining to reissuance of returned limited licenses.

CITIZEN PETITIONS:

Final action may be taken on rule-making petitions at any step of the Commission's generally applicable two-step rule-making process.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Properties, as follows:

 A Citizen Petition for rulemaking requesting the Commission remove the access restrictions for the Mount Evans SWA that begin the day after Labor Day and run through the end of the 4th regular rifle season.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Parks and Unregulated Wildlife, as follows:

 A Citizen Petition for rulemaking requesting the Commission consider adding both species of two-toed sloth to the unregulated wildlife list in Chapter W-11.

The Commission may accept all or a portion of these petitions for final action, further consideration or otherwise reject the petitions at the March Commission meeting. A copy of any petition may be obtained by contacting Danielle Isenhart (303) 866-3203 ext. 4625, Regulations Manager, Colorado Parks and Wildlife.

ISSUE IDENTIFICATION

WILDLIFE REGULATIONS

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of modifications to Ranching for Wildlife regulations to clarify when Dream Hunt or Youth Outreach licenses may be used on enrolled ranches.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter W-9

Open for consideration of adopting new regulations to streamline the process for approving normal utility easements, lease extensions/renewals and amendments from the Colorado Parks and Wildlife Real Estate section.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

Open for consideration to amending the regulations pertaining to citizen petitions requesting to unregulate, list, or delist a species within Chapter W-11.

Except for the day and time indicated for when the meeting is scheduled to begin, the order indicated for each agenda item is approximate and subject to change when necessary to accommodate the Commission's schedule.

Viewing of Proposed Rules: copies of the proposed rules (together with a proposed statement of basis and purpose and specific statutory authority), will be available for inspection and distribution at the Office of the Regulations Manager, Division of Parks and Wildlife, 1313 Sherman St., Denver, Colorado, at least five (5) days prior to the date of hearing. Such copies, however, are only proposals to be submitted to the Commission by the Division of Parks and Wildlife.

Modification of Proposed Rules prior to adoption: subject to the provisions of Section 24-4-103, C.R.S., modification of these proposals may be made by the Division of Parks and Wildlife or the Commission before the Commission promulgates final rules and regulations on the above topics.

Comment deadlines: Comments will be accepted at any time prior to, or as part of the meeting. However, to ensure sufficient time for consideration prior to the meeting, <u>comments should be provided to the Division of Parks and Wildlife by noon on the following date</u>:

<u>February 24, 2015,</u> for mailing by the Division of Parks and Wildlife to the Parks and Wildlife Commission on **February 25, 2016.**

Comments received by the Division after noon on **February 24**, **2016**, will be provided to the Commission on the day of the meeting.

Opportunity to submit alternate proposals and provide comment: the Commission will afford all interested persons an opportunity to submit alternate proposals, written data, views or arguments and to present them orally at the meeting unless it deems such oral presentation unnecessary. Written alternate proposals, data, views or arguments and other written statements should be submitted to the Division of Parks and Wildlife at 1313 Sherman St., Denver, CO 80203; or e-mailed to dnr.cpwcommission@state.co.us.

Use of Consent Agenda:

In order to increase the Parks and Wildlife Commission's efficiency and allow more time for consideration of parks and wildlife policy and contested issues, some or all of this regulatory

agenda may be listed for action by the Commission as part of a "Consent Agenda" for this meeting.

The process for placing matters on the Consent Agenda is as follows:

The Director identifies matters where the recommended action follows established policy or precedent, there has been agreement reached or the matter is expected to be uncontested and non-controversial.

Regulatory Matters on the Consent Agenda are noticed for hearing at the same time and in the same manner as other Consent Agenda items. If a member of the Commission requests further consideration of an item on the Consent Agenda, that item will be withdrawn from the Consent Agenda and discussed at the end of the meeting or at the next meeting. The Consent Agenda may be voted on without the necessity of reading individual items. Any Commission member may request clarification from the Director of any matter on the Consent Agenda.

OTHER AGENDA ITEMS: The Parks and Wildlife Commission may consider and make policy, program implementation, and other non-regulatory decisions, which may be of public interest at this meeting. A copy of the complete meeting agenda may be viewed on the Division of Parks and Wildlife's internet home page at http://cpw.state.co.us, on or after **February 29, 2016**.

RULE-MAKING NOTICE PARKS AND WILDLIFE COMMISSION MEETING March 9-10, 2016

In accordance with the State Administrative Procedure Act, section 24-4-103, C.R.S., the Parks and Wildlife Commission gives notice that regulations will be considered for adoption at their next meeting on March 9-10, 2016. The Parks and Wildlife Commission meeting will be held at the offices of Colorado Parks and Wildlife, Hunter Education Building, 6060 Broadway, Denver, CO 80216. The following regulatory subjects and issues shall be considered pursuant to the Commission's authority in sections 33-9-101 to 111, C.R.S. ("Administration of Parks and Wildlife"), in sections 33-1-101 to 33-6-209, C.R.S. (the "Wildlife Act"), and especially sections 33-1-104, 33-1-106, 33-1-107, 33-1-108, 33-1-121, 33-2-104, 33-2-105, 33-2-106, 33-3-104, 33-4-101, 33-4-102 and 33-5.5-102, 33-6-107, 33-6-109, 33-6-112, 33-6-113, 33-6-114, 33-6-117, 33-6-119, 33-6-207, 33-6-208, 33-6-209, C.R.S., and in sections 33-10-101 to 33-33-113, C.R.S. (the "Parks Act"), and especially sections 33-10-106, 33-10-107, 33-10-5-107, 33-11-109, 33-12-101, 33-12-103, 33-12-103.5, 33-12-106, 33-12-5-103, 33-13-103, 33-13-104, 33-13-106, 33-13-109, 33-13-110, 33-13-111, 33-14-107, 33-14.5-107, 33-2-103 and 33-33-105. C.R.S.

FINAL REGULATORY ADOPTION - March 9-10, 2016 beginning at 8:00 a.m.*

EFFECTIVE DATE OF REGULATIONS approved during the March 2016 Parks and Wildlife Commission meeting: May 1, 2016, unless otherwise noted.

FINAL REGULATIONS

PARKS REGULATIONS

Chapter P-1 - "Parks and Outdoor Recreation Lands" 2 CCR 405-1 and those related provisions of Chapter W-5 ("Small Game and Migratory Game Birds" 2 CCR 406-5) necessary to accommodate changes to or ensure consistency with Chapter P-1

Open for annual review of the entire chapter including, but not limited to, generally-applicable and property-specific requirements for, or restrictions on use of, parks properties controlled by Colorado Parks and Wildlife, including, but not limited to, the following:

- Allowing regulated weekend waterfowl hunting on James M. Robb-Colorado River State Park's 34 Road Section parcel from two reservable blinds.
- Opening a portion of Highline Lake State Park to small game hunting on weekdays.
- Establishing park-specific regulations on the archery range at Trinidad Lake State Park.

Chapter P-2 - "Boating" - 2 CCR 405-2

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering boats in Colorado.

^{*}Please reference the Commission agenda, to be posted on or after February 29, 2016, to ensure when each regulatory item will be addressed by the Commission. The agenda will be posted at http://cpw.state.co.us/aboutus/Pages/CommissionMeetings.aspx.

Chapter P-3 - "River Outfitters" - 2 CCR 405-3

Open for consideration of changes to regulations requiring hands-on cardiopulmonary resuscitation ("CPR") training for river guides, trip leaders, and guide instructors.

Chapter P-4 - "Snowmobile Regulations" - 2CCR 405-4

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering snowmobiles in Colorado.

Chapter P-5 – "Off-Highway Vehicle Regulations" - 2 CCR 405-5

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering OHV's in Colorado.

Chapter P-7 - "Passes, Permits and Registrations" - 2 CCR 405-7

Open for annual review of the entire chapter including, but not limited to, regulations pertaining to eligibility requirements and fees for individual and vehicle park passes; use permits; vessel, snowmobile and off-highway vehicle registrations; and license agent requirements, including, but not limited to, the following:

- Expanding eligibility for a volunteer parks pass to all CPW volunteers who have donated 48 hours of approved service within a twelve month period.
- Adding definitions of "camping/to camp", "camping unit" and "passenger vehicle" to chapter P-7.
- Making camping permits purchased before 5am, only valid until noon on the same day.
- Administrative clean-ups to camping regulations to comply with reservation system requirements.

WILDLIFE REGULATIONS

Chapter W-0 - "General Provisions" - 2 CCR 406-0

Open for consideration of changes to the no release provision for terrestrial invasive species, specifically giving the Director authority to grant exemptions.

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of any necessary corrections or administrative clean-ups to regulations previously adopted by the Parks and Wildlife Commission for the 2016 big game seasons, including, but not limited to, game management unit boundaries, season dates, limited license areas and manner of take provisions for bighorn sheep, mountain goat, deer, elk, pronghorn, moose, bear and mountain lion, and regulations otherwise necessary for implementation of the 2016 big game seasons.

Chapter W-3 - "Furbearers and Small Game, Except Migratory Birds" - 2 CCR 406-3

Open for consideration of annual changes to game bird seasons, excluding turkey, and other small game seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including the following:

- Reopening GMU 201 to greater sage-grouse hunting.
- Removing the chukar hunting closure in GMUs 9, 19, and 191.

Chapter W-5 - "Small Game and Migratory Game Birds" - 2 CCR 406-5

Open for consideration of annual changes to waterfowl and migratory bird hunting seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including, but not limited to, the following:

 Establishing new Pacific Flyway hunting zones (eastern and western) for both ducks and geese.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

Open for annual review of the entire chapter, including, but not limited to:

- · Prohibiting fireworks on all SWA properties.
- Prohibiting any SWA user from blocking or impeding any boat ramp.
- Eliminating the requirement that all waterfowl and small game hunters must check-out of Bravo SWA and Bravo State Trust Land (STL).
- Allowing more vehicle parking at Brush Prairie Ponds SWA.
- Establishing a seasonal closure on Cimarron State Wildlife Area (SWA) from January 1 to June 30 to protect mating and nesting Gunnison sage grouse and wintering big game.
- Prohibiting hunting of dusky grouse and ruffed grouse on the Upper Baldy Tract of Garfield Creek SWA beginning in 2016.
- Modifying the open dates for the Grace Creek access road at Hohnholz Lake SWA.
- Removing fall boating and fishing restrictions at Jumbo Reservoir SWA and Red Lion SWA.
- Adding regulations for the Woodard Unit of the Jumping Cow SWA, including, but limited to restricting hunting and fishing access to permitted individuals only.
- Modifying regulations at Melon Valley SWA to open the property to all hunters on weekdays.
- Establishing specific regulations at Rio Blanco Lake SWA to limit big game hunting to archery equipment only, limit the Roselund Unit to day use only, and require parking in designated areas.
- Allowing the release of game birds at Mike Higbee SWA for education or training purposes.
- Prohibiting Off-Highway Vehicles use on Tarryall SWA.
- Prohibiting the shooting of firearms, pellet guns and bows in established campgrounds at Tarryall SWA.
- Prohibiting campfires at Tarryall SWA.
- Adopting property-specific regulations for Twin Spruce Ponds SWA, including, but not limited to prohibiting camping, fires, glass containers, alcoholic beverages, hunting, discharge of firearms or bows, and boating except for float tubes or craft propelled by hand.
- Adding Aqua Ramon STL to the Public Access Program with general STL regulations.
- Removing Lapin Creek and Deep Creek STLs from Chapter W-9.
- Limiting Columbian sharp-tailed grouse hunter numbers on the Dry Fork STL parcel on weekends and Labor Day to reduce conflicts with agriculture.

- Modifying the open hunting dates for McArthur Gulch STL, including when specific species may be hunted.
- Modifying opening date for Moosehead Mountain STL to August 15 annually.
- Enrolling the Zapata Falls STL into the Public Access Program with property-specific regulations.

Chapter W-16- "Procedural Rules" - 2 CCR 406-16 and those related provisions of Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to or ensure consistency with Chapter W-16

Open for consideration of final regulations pertaining to reissuance of returned limited licenses.

CITIZEN PETITIONS:

Final action may be taken on rule-making petitions at any step of the Commission's generally applicable two-step rule-making process.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Properties, as follows:

 A Citizen Petition for rulemaking requesting the Commission remove the access restrictions for the Mount Evans SWA that begin the day after Labor Day and run through the end of the 4th regular rifle season.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Parks and Unregulated Wildlife, as follows:

 A Citizen Petition for rulemaking requesting the Commission consider adding both species of two-toed sloth to the unregulated wildlife list in Chapter W-11.

The Commission may accept all or a portion of these petitions for final action, further consideration or otherwise reject the petitions at the March Commission meeting. A copy of any petition may be obtained by contacting Danielle Isenhart (303) 866-3203 ext. 4625, Regulations Manager, Colorado Parks and Wildlife.

ISSUE IDENTIFICATION

WILDLIFE REGULATIONS

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of modifications to Ranching for Wildlife regulations to clarify when Dream Hunt or Youth Outreach licenses may be used on enrolled ranches.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter W-9

Open for consideration of adopting new regulations to streamline the process for approving normal utility easements, lease extensions/renewals and amendments from the Colorado Parks and Wildlife Real Estate section.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

Open for consideration to amending the regulations pertaining to citizen petitions requesting to unregulate, list, or delist a species within Chapter W-11.

Except for the day and time indicated for when the meeting is scheduled to begin, the order indicated for each agenda item is approximate and subject to change when necessary to accommodate the Commission's schedule.

Viewing of Proposed Rules: copies of the proposed rules (together with a proposed statement of basis and purpose and specific statutory authority), will be available for inspection and distribution at the Office of the Regulations Manager, Division of Parks and Wildlife, 1313 Sherman St., Denver, Colorado, at least five (5) days prior to the date of hearing. Such copies, however, are only proposals to be submitted to the Commission by the Division of Parks and Wildlife.

Modification of Proposed Rules prior to adoption: subject to the provisions of Section 24-4-103, C.R.S., modification of these proposals may be made by the Division of Parks and Wildlife or the Commission before the Commission promulgates final rules and regulations on the above topics.

Comment deadlines: Comments will be accepted at any time prior to, or as part of the meeting. However, to ensure sufficient time for consideration prior to the meeting, <u>comments should be provided to the Division of Parks and Wildlife by noon on the following date</u>:

<u>February 24, 2015,</u> for mailing by the Division of Parks and Wildlife to the Parks and Wildlife Commission on **February 25, 2016.**

Comments received by the Division after noon on **February 24**, **2016**, will be provided to the Commission on the day of the meeting.

Opportunity to submit alternate proposals and provide comment: the Commission will afford all interested persons an opportunity to submit alternate proposals, written data, views or arguments and to present them orally at the meeting unless it deems such oral presentation unnecessary. Written alternate proposals, data, views or arguments and other written statements should be submitted to the Division of Parks and Wildlife at 1313 Sherman St., Denver, CO 80203; or e-mailed to dnr.cpwcommission@state.co.us.

Use of Consent Agenda:

In order to increase the Parks and Wildlife Commission's efficiency and allow more time for consideration of parks and wildlife policy and contested issues, some or all of this regulatory

agenda may be listed for action by the Commission as part of a "Consent Agenda" for this meeting.

The process for placing matters on the Consent Agenda is as follows:

The Director identifies matters where the recommended action follows established policy or precedent, there has been agreement reached or the matter is expected to be uncontested and non-controversial.

Regulatory Matters on the Consent Agenda are noticed for hearing at the same time and in the same manner as other Consent Agenda items. If a member of the Commission requests further consideration of an item on the Consent Agenda, that item will be withdrawn from the Consent Agenda and discussed at the end of the meeting or at the next meeting. The Consent Agenda may be voted on without the necessity of reading individual items. Any Commission member may request clarification from the Director of any matter on the Consent Agenda.

OTHER AGENDA ITEMS: The Parks and Wildlife Commission may consider and make policy, program implementation, and other non-regulatory decisions, which may be of public interest at this meeting. A copy of the complete meeting agenda may be viewed on the Division of Parks and Wildlife's internet home page at http://cpw.state.co.us, on or after **February 29, 2016**.

RULE-MAKING NOTICE PARKS AND WILDLIFE COMMISSION MEETING March 9-10, 2016

In accordance with the State Administrative Procedure Act, section 24-4-103, C.R.S., the Parks and Wildlife Commission gives notice that regulations will be considered for adoption at their next meeting on March 9-10, 2016. The Parks and Wildlife Commission meeting will be held at the offices of Colorado Parks and Wildlife, Hunter Education Building, 6060 Broadway, Denver, CO 80216. The following regulatory subjects and issues shall be considered pursuant to the Commission's authority in sections 33-9-101 to 111, C.R.S. ("Administration of Parks and Wildlife"), in sections 33-1-101 to 33-6-209, C.R.S. (the "Wildlife Act"), and especially sections 33-1-104, 33-1-106, 33-1-107, 33-1-108, 33-1-121, 33-2-104, 33-2-105, 33-2-106, 33-3-104, 33-4-101, 33-4-102 and 33-5.5-102, 33-6-107, 33-6-109, 33-6-112, 33-6-113, 33-6-114, 33-6-117, 33-6-119, 33-6-207, 33-6-208, 33-6-209, C.R.S., and in sections 33-10-101 to 33-33-113, C.R.S. (the "Parks Act"), and especially sections 33-10-106, 33-10-107, 33-10-5-107, 33-11-109, 33-12-101, 33-12-103, 33-12-103.5, 33-12-106, 33-12-5-103, 33-13-103, 33-13-104, 33-13-106, 33-13-109, 33-13-110, 33-13-111, 33-14-107, 33-14-5-107, 33-2-103 and 33-33-105. C.R.S.

FINAL REGULATORY ADOPTION - March 9-10, 2016 beginning at 8:00 a.m.*

EFFECTIVE DATE OF REGULATIONS approved during the March 2016 Parks and Wildlife Commission meeting: May 1, 2016, unless otherwise noted.

FINAL REGULATIONS

PARKS REGULATIONS

Chapter P-1 - "Parks and Outdoor Recreation Lands" 2 CCR 405-1 and those related provisions of Chapter W-5 ("Small Game and Migratory Game Birds" 2 CCR 406-5) necessary to accommodate changes to or ensure consistency with Chapter P-1

Open for annual review of the entire chapter including, but not limited to, generally-applicable and property-specific requirements for, or restrictions on use of, parks properties controlled by Colorado Parks and Wildlife, including, but not limited to, the following:

- Allowing regulated weekend waterfowl hunting on James M. Robb-Colorado River State Park's 34 Road Section parcel from two reservable blinds.
- Opening a portion of Highline Lake State Park to small game hunting on weekdays.
- Establishing park-specific regulations on the archery range at Trinidad Lake State Park.

Chapter P-2 - "Boating" - 2 CCR 405-2

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering boats in Colorado.

^{*}Please reference the Commission agenda, to be posted on or after February 29, 2016, to ensure when each regulatory item will be addressed by the Commission. The agenda will be posted at http://cpw.state.co.us/aboutus/Pages/CommissionMeetings.aspx.

Chapter P-3 - "River Outfitters" - 2 CCR 405-3

Open for consideration of changes to regulations requiring hands-on cardiopulmonary resuscitation ("CPR") training for river guides, trip leaders, and guide instructors.

Chapter P-4 - "Snowmobile Regulations" - 2CCR 405-4

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering snowmobiles in Colorado.

Chapter P-5 – "Off-Highway Vehicle Regulations" - 2 CCR 405-5

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering OHV's in Colorado.

Chapter P-7 - "Passes, Permits and Registrations" - 2 CCR 405-7

Open for annual review of the entire chapter including, but not limited to, regulations pertaining to eligibility requirements and fees for individual and vehicle park passes; use permits; vessel, snowmobile and off-highway vehicle registrations; and license agent requirements, including, but not limited to, the following:

- Expanding eligibility for a volunteer parks pass to all CPW volunteers who have donated 48 hours of approved service within a twelve month period.
- Adding definitions of "camping/to camp", "camping unit" and "passenger vehicle" to chapter P-7.
- Making camping permits purchased before 5am, only valid until noon on the same day.
- Administrative clean-ups to camping regulations to comply with reservation system requirements.

WILDLIFE REGULATIONS

Chapter W-0 - "General Provisions" - 2 CCR 406-0

Open for consideration of changes to the no release provision for terrestrial invasive species, specifically giving the Director authority to grant exemptions.

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of any necessary corrections or administrative clean-ups to regulations previously adopted by the Parks and Wildlife Commission for the 2016 big game seasons, including, but not limited to, game management unit boundaries, season dates, limited license areas and manner of take provisions for bighorn sheep, mountain goat, deer, elk, pronghorn, moose, bear and mountain lion, and regulations otherwise necessary for implementation of the 2016 big game seasons.

Chapter W-3 - "Furbearers and Small Game, Except Migratory Birds" - 2 CCR 406-3

Open for consideration of annual changes to game bird seasons, excluding turkey, and other small game seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including the following:

- Reopening GMU 201 to greater sage-grouse hunting.
- Removing the chukar hunting closure in GMUs 9, 19, and 191.

Chapter W-5 - "Small Game and Migratory Game Birds" - 2 CCR 406-5

Open for consideration of annual changes to waterfowl and migratory bird hunting seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including, but not limited to, the following:

 Establishing new Pacific Flyway hunting zones (eastern and western) for both ducks and geese.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

Open for annual review of the entire chapter, including, but not limited to:

- · Prohibiting fireworks on all SWA properties.
- Prohibiting any SWA user from blocking or impeding any boat ramp.
- Eliminating the requirement that all waterfowl and small game hunters must check-out of Bravo SWA and Bravo State Trust Land (STL).
- Allowing more vehicle parking at Brush Prairie Ponds SWA.
- Establishing a seasonal closure on Cimarron State Wildlife Area (SWA) from January 1 to June 30 to protect mating and nesting Gunnison sage grouse and wintering big game.
- Prohibiting hunting of dusky grouse and ruffed grouse on the Upper Baldy Tract of Garfield Creek SWA beginning in 2016.
- Modifying the open dates for the Grace Creek access road at Hohnholz Lake SWA.
- Removing fall boating and fishing restrictions at Jumbo Reservoir SWA and Red Lion SWA.
- Adding regulations for the Woodard Unit of the Jumping Cow SWA, including, but limited to restricting hunting and fishing access to permitted individuals only.
- Modifying regulations at Melon Valley SWA to open the property to all hunters on weekdays.
- Establishing specific regulations at Rio Blanco Lake SWA to limit big game hunting to archery equipment only, limit the Roselund Unit to day use only, and require parking in designated areas.
- Allowing the release of game birds at Mike Higbee SWA for education or training purposes.
- Prohibiting Off-Highway Vehicles use on Tarryall SWA.
- Prohibiting the shooting of firearms, pellet guns and bows in established campgrounds at Tarryall SWA.
- Prohibiting campfires at Tarryall SWA.
- Adopting property-specific regulations for Twin Spruce Ponds SWA, including, but not limited to prohibiting camping, fires, glass containers, alcoholic beverages, hunting, discharge of firearms or bows, and boating except for float tubes or craft propelled by hand.
- Adding Aqua Ramon STL to the Public Access Program with general STL regulations.
- Removing Lapin Creek and Deep Creek STLs from Chapter W-9.
- Limiting Columbian sharp-tailed grouse hunter numbers on the Dry Fork STL parcel on weekends and Labor Day to reduce conflicts with agriculture.

- Modifying the open hunting dates for McArthur Gulch STL, including when specific species may be hunted.
- Modifying opening date for Moosehead Mountain STL to August 15 annually.
- Enrolling the Zapata Falls STL into the Public Access Program with property-specific regulations.

Chapter W-16- "Procedural Rules" - 2 CCR 406-16 and those related provisions of Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to or ensure consistency with Chapter W-16

Open for consideration of final regulations pertaining to reissuance of returned limited licenses.

CITIZEN PETITIONS:

Final action may be taken on rule-making petitions at any step of the Commission's generally applicable two-step rule-making process.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Properties, as follows:

 A Citizen Petition for rulemaking requesting the Commission remove the access restrictions for the Mount Evans SWA that begin the day after Labor Day and run through the end of the 4th regular rifle season.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Parks and Unregulated Wildlife, as follows:

 A Citizen Petition for rulemaking requesting the Commission consider adding both species of two-toed sloth to the unregulated wildlife list in Chapter W-11.

The Commission may accept all or a portion of these petitions for final action, further consideration or otherwise reject the petitions at the March Commission meeting. A copy of any petition may be obtained by contacting Danielle Isenhart (303) 866-3203 ext. 4625, Regulations Manager, Colorado Parks and Wildlife.

ISSUE IDENTIFICATION

WILDLIFE REGULATIONS

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of modifications to Ranching for Wildlife regulations to clarify when Dream Hunt or Youth Outreach licenses may be used on enrolled ranches.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter W-9

Open for consideration of adopting new regulations to streamline the process for approving normal utility easements, lease extensions/renewals and amendments from the Colorado Parks and Wildlife Real Estate section.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

Open for consideration to amending the regulations pertaining to citizen petitions requesting to unregulate, list, or delist a species within Chapter W-11.

Except for the day and time indicated for when the meeting is scheduled to begin, the order indicated for each agenda item is approximate and subject to change when necessary to accommodate the Commission's schedule.

Viewing of Proposed Rules: copies of the proposed rules (together with a proposed statement of basis and purpose and specific statutory authority), will be available for inspection and distribution at the Office of the Regulations Manager, Division of Parks and Wildlife, 1313 Sherman St., Denver, Colorado, at least five (5) days prior to the date of hearing. Such copies, however, are only proposals to be submitted to the Commission by the Division of Parks and Wildlife.

Modification of Proposed Rules prior to adoption: subject to the provisions of Section 24-4-103, C.R.S., modification of these proposals may be made by the Division of Parks and Wildlife or the Commission before the Commission promulgates final rules and regulations on the above topics.

Comment deadlines: Comments will be accepted at any time prior to, or as part of the meeting. However, to ensure sufficient time for consideration prior to the meeting, <u>comments should be provided to the Division of Parks and Wildlife by noon on the following date</u>:

<u>February 24, 2015,</u> for mailing by the Division of Parks and Wildlife to the Parks and Wildlife Commission on **February 25, 2016.**

Comments received by the Division after noon on **February 24**, **2016**, will be provided to the Commission on the day of the meeting.

Opportunity to submit alternate proposals and provide comment: the Commission will afford all interested persons an opportunity to submit alternate proposals, written data, views or arguments and to present them orally at the meeting unless it deems such oral presentation unnecessary. Written alternate proposals, data, views or arguments and other written statements should be submitted to the Division of Parks and Wildlife at 1313 Sherman St., Denver, CO 80203; or e-mailed to dnr.cpwcommission@state.co.us.

Use of Consent Agenda:

In order to increase the Parks and Wildlife Commission's efficiency and allow more time for consideration of parks and wildlife policy and contested issues, some or all of this regulatory

agenda may be listed for action by the Commission as part of a "Consent Agenda" for this meeting.

The process for placing matters on the Consent Agenda is as follows:

The Director identifies matters where the recommended action follows established policy or precedent, there has been agreement reached or the matter is expected to be uncontested and non-controversial.

Regulatory Matters on the Consent Agenda are noticed for hearing at the same time and in the same manner as other Consent Agenda items. If a member of the Commission requests further consideration of an item on the Consent Agenda, that item will be withdrawn from the Consent Agenda and discussed at the end of the meeting or at the next meeting. The Consent Agenda may be voted on without the necessity of reading individual items. Any Commission member may request clarification from the Director of any matter on the Consent Agenda.

OTHER AGENDA ITEMS: The Parks and Wildlife Commission may consider and make policy, program implementation, and other non-regulatory decisions, which may be of public interest at this meeting. A copy of the complete meeting agenda may be viewed on the Division of Parks and Wildlife's internet home page at http://cpw.state.co.us, on or after **February 29, 2016**.

RULE-MAKING NOTICE PARKS AND WILDLIFE COMMISSION MEETING March 9-10, 2016

In accordance with the State Administrative Procedure Act, section 24-4-103, C.R.S., the Parks and Wildlife Commission gives notice that regulations will be considered for adoption at their next meeting on March 9-10, 2016. The Parks and Wildlife Commission meeting will be held at the offices of Colorado Parks and Wildlife, Hunter Education Building, 6060 Broadway, Denver, CO 80216. The following regulatory subjects and issues shall be considered pursuant to the Commission's authority in sections 33-9-101 to 111, C.R.S. ("Administration of Parks and Wildlife"), in sections 33-1-101 to 33-6-209, C.R.S. (the "Wildlife Act"), and especially sections 33-1-104, 33-1-106, 33-1-107, 33-1-108, 33-1-121, 33-2-104, 33-2-105, 33-2-106, 33-3-104, 33-4-101, 33-4-102 and 33-5.5-102, 33-6-107, 33-6-109, 33-6-112, 33-6-113, 33-6-114, 33-6-117, 33-6-119, 33-6-207, 33-6-208, 33-6-209, C.R.S., and in sections 33-10-101 to 33-33-113, C.R.S. (the "Parks Act"), and especially sections 33-10-106, 33-10-107, 33-10-5-107, 33-11-109, 33-12-101, 33-12-103, 33-12-103.5, 33-12-106, 33-12-5-103, 33-13-103, 33-13-104, 33-13-106, 33-13-109, 33-13-110, 33-13-111, 33-14-107, 33-14-5-107, 33-2-103 and 33-33-105. C.R.S.

FINAL REGULATORY ADOPTION - March 9-10, 2016 beginning at 8:00 a.m.*

EFFECTIVE DATE OF REGULATIONS approved during the March 2016 Parks and Wildlife Commission meeting: May 1, 2016, unless otherwise noted.

FINAL REGULATIONS

PARKS REGULATIONS

Chapter P-1 - "Parks and Outdoor Recreation Lands" 2 CCR 405-1 and those related provisions of Chapter W-5 ("Small Game and Migratory Game Birds" 2 CCR 406-5) necessary to accommodate changes to or ensure consistency with Chapter P-1

Open for annual review of the entire chapter including, but not limited to, generally-applicable and property-specific requirements for, or restrictions on use of, parks properties controlled by Colorado Parks and Wildlife, including, but not limited to, the following:

- Allowing regulated weekend waterfowl hunting on James M. Robb-Colorado River State Park's 34 Road Section parcel from two reservable blinds.
- Opening a portion of Highline Lake State Park to small game hunting on weekdays.
- Establishing park-specific regulations on the archery range at Trinidad Lake State Park.

Chapter P-2 - "Boating" - 2 CCR 405-2

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering boats in Colorado.

^{*}Please reference the Commission agenda, to be posted on or after February 29, 2016, to ensure when each regulatory item will be addressed by the Commission. The agenda will be posted at http://cpw.state.co.us/aboutus/Pages/CommissionMeetings.aspx.

Chapter P-3 - "River Outfitters" - 2 CCR 405-3

Open for consideration of changes to regulations requiring hands-on cardiopulmonary resuscitation ("CPR") training for river guides, trip leaders, and guide instructors.

Chapter P-4 - "Snowmobile Regulations" - 2CCR 405-4

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering snowmobiles in Colorado.

Chapter P-5 – "Off-Highway Vehicle Regulations" - 2 CCR 405-5

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering OHV's in Colorado.

Chapter P-7 - "Passes, Permits and Registrations" - 2 CCR 405-7

Open for annual review of the entire chapter including, but not limited to, regulations pertaining to eligibility requirements and fees for individual and vehicle park passes; use permits; vessel, snowmobile and off-highway vehicle registrations; and license agent requirements, including, but not limited to, the following:

- Expanding eligibility for a volunteer parks pass to all CPW volunteers who have donated 48 hours of approved service within a twelve month period.
- Adding definitions of "camping/to camp", "camping unit" and "passenger vehicle" to chapter P-7.
- Making camping permits purchased before 5am, only valid until noon on the same day.
- Administrative clean-ups to camping regulations to comply with reservation system requirements.

WILDLIFE REGULATIONS

Chapter W-0 - "General Provisions" - 2 CCR 406-0

Open for consideration of changes to the no release provision for terrestrial invasive species, specifically giving the Director authority to grant exemptions.

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of any necessary corrections or administrative clean-ups to regulations previously adopted by the Parks and Wildlife Commission for the 2016 big game seasons, including, but not limited to, game management unit boundaries, season dates, limited license areas and manner of take provisions for bighorn sheep, mountain goat, deer, elk, pronghorn, moose, bear and mountain lion, and regulations otherwise necessary for implementation of the 2016 big game seasons.

Chapter W-3 - "Furbearers and Small Game, Except Migratory Birds" - 2 CCR 406-3

Open for consideration of annual changes to game bird seasons, excluding turkey, and other small game seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including the following:

- Reopening GMU 201 to greater sage-grouse hunting.
- Removing the chukar hunting closure in GMUs 9, 19, and 191.

Chapter W-5 - "Small Game and Migratory Game Birds" - 2 CCR 406-5

Open for consideration of annual changes to waterfowl and migratory bird hunting seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including, but not limited to, the following:

 Establishing new Pacific Flyway hunting zones (eastern and western) for both ducks and geese.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

Open for annual review of the entire chapter, including, but not limited to:

- · Prohibiting fireworks on all SWA properties.
- Prohibiting any SWA user from blocking or impeding any boat ramp.
- Eliminating the requirement that all waterfowl and small game hunters must check-out of Bravo SWA and Bravo State Trust Land (STL).
- Allowing more vehicle parking at Brush Prairie Ponds SWA.
- Establishing a seasonal closure on Cimarron State Wildlife Area (SWA) from January 1 to June 30 to protect mating and nesting Gunnison sage grouse and wintering big game.
- Prohibiting hunting of dusky grouse and ruffed grouse on the Upper Baldy Tract of Garfield Creek SWA beginning in 2016.
- Modifying the open dates for the Grace Creek access road at Hohnholz Lake SWA.
- Removing fall boating and fishing restrictions at Jumbo Reservoir SWA and Red Lion SWA.
- Adding regulations for the Woodard Unit of the Jumping Cow SWA, including, but limited to restricting hunting and fishing access to permitted individuals only.
- Modifying regulations at Melon Valley SWA to open the property to all hunters on weekdays.
- Establishing specific regulations at Rio Blanco Lake SWA to limit big game hunting to archery equipment only, limit the Roselund Unit to day use only, and require parking in designated areas.
- Allowing the release of game birds at Mike Higbee SWA for education or training purposes.
- Prohibiting Off-Highway Vehicles use on Tarryall SWA.
- Prohibiting the shooting of firearms, pellet guns and bows in established campgrounds at Tarryall SWA.
- Prohibiting campfires at Tarryall SWA.
- Adopting property-specific regulations for Twin Spruce Ponds SWA, including, but not limited to prohibiting camping, fires, glass containers, alcoholic beverages, hunting, discharge of firearms or bows, and boating except for float tubes or craft propelled by hand.
- Adding Aqua Ramon STL to the Public Access Program with general STL regulations.
- Removing Lapin Creek and Deep Creek STLs from Chapter W-9.
- Limiting Columbian sharp-tailed grouse hunter numbers on the Dry Fork STL parcel on weekends and Labor Day to reduce conflicts with agriculture.

- Modifying the open hunting dates for McArthur Gulch STL, including when specific species may be hunted.
- Modifying opening date for Moosehead Mountain STL to August 15 annually.
- Enrolling the Zapata Falls STL into the Public Access Program with property-specific regulations.

Chapter W-16- "Procedural Rules" - 2 CCR 406-16 and those related provisions of Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to or ensure consistency with Chapter W-16

Open for consideration of final regulations pertaining to reissuance of returned limited licenses.

CITIZEN PETITIONS:

Final action may be taken on rule-making petitions at any step of the Commission's generally applicable two-step rule-making process.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Properties, as follows:

 A Citizen Petition for rulemaking requesting the Commission remove the access restrictions for the Mount Evans SWA that begin the day after Labor Day and run through the end of the 4th regular rifle season.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Parks and Unregulated Wildlife, as follows:

 A Citizen Petition for rulemaking requesting the Commission consider adding both species of two-toed sloth to the unregulated wildlife list in Chapter W-11.

The Commission may accept all or a portion of these petitions for final action, further consideration or otherwise reject the petitions at the March Commission meeting. A copy of any petition may be obtained by contacting Danielle Isenhart (303) 866-3203 ext. 4625, Regulations Manager, Colorado Parks and Wildlife.

ISSUE IDENTIFICATION

WILDLIFE REGULATIONS

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of modifications to Ranching for Wildlife regulations to clarify when Dream Hunt or Youth Outreach licenses may be used on enrolled ranches.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter W-9

Open for consideration of adopting new regulations to streamline the process for approving normal utility easements, lease extensions/renewals and amendments from the Colorado Parks and Wildlife Real Estate section.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

Open for consideration to amending the regulations pertaining to citizen petitions requesting to unregulate, list, or delist a species within Chapter W-11.

Except for the day and time indicated for when the meeting is scheduled to begin, the order indicated for each agenda item is approximate and subject to change when necessary to accommodate the Commission's schedule.

Viewing of Proposed Rules: copies of the proposed rules (together with a proposed statement of basis and purpose and specific statutory authority), will be available for inspection and distribution at the Office of the Regulations Manager, Division of Parks and Wildlife, 1313 Sherman St., Denver, Colorado, at least five (5) days prior to the date of hearing. Such copies, however, are only proposals to be submitted to the Commission by the Division of Parks and Wildlife.

Modification of Proposed Rules prior to adoption: subject to the provisions of Section 24-4-103, C.R.S., modification of these proposals may be made by the Division of Parks and Wildlife or the Commission before the Commission promulgates final rules and regulations on the above topics.

Comment deadlines: Comments will be accepted at any time prior to, or as part of the meeting. However, to ensure sufficient time for consideration prior to the meeting, <u>comments should be provided to the Division of Parks and Wildlife by noon on the following date</u>:

<u>February 24, 2015,</u> for mailing by the Division of Parks and Wildlife to the Parks and Wildlife Commission on **February 25, 2016.**

Comments received by the Division after noon on **February 24**, **2016**, will be provided to the Commission on the day of the meeting.

Opportunity to submit alternate proposals and provide comment: the Commission will afford all interested persons an opportunity to submit alternate proposals, written data, views or arguments and to present them orally at the meeting unless it deems such oral presentation unnecessary. Written alternate proposals, data, views or arguments and other written statements should be submitted to the Division of Parks and Wildlife at 1313 Sherman St., Denver, CO 80203; or e-mailed to dnr.cpwcommission@state.co.us.

Use of Consent Agenda:

In order to increase the Parks and Wildlife Commission's efficiency and allow more time for consideration of parks and wildlife policy and contested issues, some or all of this regulatory

agenda may be listed for action by the Commission as part of a "Consent Agenda" for this meeting.

The process for placing matters on the Consent Agenda is as follows:

The Director identifies matters where the recommended action follows established policy or precedent, there has been agreement reached or the matter is expected to be uncontested and non-controversial.

Regulatory Matters on the Consent Agenda are noticed for hearing at the same time and in the same manner as other Consent Agenda items. If a member of the Commission requests further consideration of an item on the Consent Agenda, that item will be withdrawn from the Consent Agenda and discussed at the end of the meeting or at the next meeting. The Consent Agenda may be voted on without the necessity of reading individual items. Any Commission member may request clarification from the Director of any matter on the Consent Agenda.

OTHER AGENDA ITEMS: The Parks and Wildlife Commission may consider and make policy, program implementation, and other non-regulatory decisions, which may be of public interest at this meeting. A copy of the complete meeting agenda may be viewed on the Division of Parks and Wildlife's internet home page at http://cpw.state.co.us, on or after **February 29, 2016**.

RULE-MAKING NOTICE PARKS AND WILDLIFE COMMISSION MEETING March 9-10, 2016

In accordance with the State Administrative Procedure Act, section 24-4-103, C.R.S., the Parks and Wildlife Commission gives notice that regulations will be considered for adoption at their next meeting on March 9-10, 2016. The Parks and Wildlife Commission meeting will be held at the offices of Colorado Parks and Wildlife, Hunter Education Building, 6060 Broadway, Denver, CO 80216. The following regulatory subjects and issues shall be considered pursuant to the Commission's authority in sections 33-9-101 to 111, C.R.S. ("Administration of Parks and Wildlife"), in sections 33-1-101 to 33-6-209, C.R.S. (the "Wildlife Act"), and especially sections 33-1-104, 33-1-106, 33-1-107, 33-1-108, 33-1-121, 33-2-104, 33-2-105, 33-2-106, 33-3-104, 33-4-101, 33-4-102 and 33-5.5-102, 33-6-107, 33-6-109, 33-6-112, 33-6-113, 33-6-114, 33-6-117, 33-6-119, 33-6-207, 33-6-208, 33-6-209, C.R.S., and in sections 33-10-101 to 33-33-113, C.R.S. (the "Parks Act"), and especially sections 33-10-106, 33-10-107, 33-10-5-107, 33-11-109, 33-12-101, 33-12-103, 33-12-103.5, 33-12-106, 33-12-5-103, 33-13-103, 33-13-104, 33-13-106, 33-13-109, 33-13-110, 33-13-111, 33-14-107, 33-14-5-107, 33-2-103 and 33-33-105. C.R.S.

FINAL REGULATORY ADOPTION - March 9-10, 2016 beginning at 8:00 a.m.*

EFFECTIVE DATE OF REGULATIONS approved during the March 2016 Parks and Wildlife Commission meeting: May 1, 2016, unless otherwise noted.

FINAL REGULATIONS

PARKS REGULATIONS

Chapter P-1 - "Parks and Outdoor Recreation Lands" 2 CCR 405-1 and those related provisions of Chapter W-5 ("Small Game and Migratory Game Birds" 2 CCR 406-5) necessary to accommodate changes to or ensure consistency with Chapter P-1

Open for annual review of the entire chapter including, but not limited to, generally-applicable and property-specific requirements for, or restrictions on use of, parks properties controlled by Colorado Parks and Wildlife, including, but not limited to, the following:

- Allowing regulated weekend waterfowl hunting on James M. Robb-Colorado River State Park's 34 Road Section parcel from two reservable blinds.
- Opening a portion of Highline Lake State Park to small game hunting on weekdays.
- Establishing park-specific regulations on the archery range at Trinidad Lake State Park.

Chapter P-2 - "Boating" - 2 CCR 405-2

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering boats in Colorado.

^{*}Please reference the Commission agenda, to be posted on or after February 29, 2016, to ensure when each regulatory item will be addressed by the Commission. The agenda will be posted at http://cpw.state.co.us/aboutus/Pages/CommissionMeetings.aspx.

Chapter P-3 - "River Outfitters" - 2 CCR 405-3

Open for consideration of changes to regulations requiring hands-on cardiopulmonary resuscitation ("CPR") training for river guides, trip leaders, and guide instructors.

Chapter P-4 - "Snowmobile Regulations" - 2CCR 405-4

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering snowmobiles in Colorado.

Chapter P-5 – "Off-Highway Vehicle Regulations" - 2 CCR 405-5

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering OHV's in Colorado.

Chapter P-7 - "Passes, Permits and Registrations" - 2 CCR 405-7

Open for annual review of the entire chapter including, but not limited to, regulations pertaining to eligibility requirements and fees for individual and vehicle park passes; use permits; vessel, snowmobile and off-highway vehicle registrations; and license agent requirements, including, but not limited to, the following:

- Expanding eligibility for a volunteer parks pass to all CPW volunteers who have donated 48 hours of approved service within a twelve month period.
- Adding definitions of "camping/to camp", "camping unit" and "passenger vehicle" to chapter P-7.
- Making camping permits purchased before 5am, only valid until noon on the same day.
- Administrative clean-ups to camping regulations to comply with reservation system requirements.

WILDLIFE REGULATIONS

Chapter W-0 - "General Provisions" - 2 CCR 406-0

Open for consideration of changes to the no release provision for terrestrial invasive species, specifically giving the Director authority to grant exemptions.

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of any necessary corrections or administrative clean-ups to regulations previously adopted by the Parks and Wildlife Commission for the 2016 big game seasons, including, but not limited to, game management unit boundaries, season dates, limited license areas and manner of take provisions for bighorn sheep, mountain goat, deer, elk, pronghorn, moose, bear and mountain lion, and regulations otherwise necessary for implementation of the 2016 big game seasons.

Chapter W-3 - "Furbearers and Small Game, Except Migratory Birds" - 2 CCR 406-3

Open for consideration of annual changes to game bird seasons, excluding turkey, and other small game seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including the following:

- Reopening GMU 201 to greater sage-grouse hunting.
- Removing the chukar hunting closure in GMUs 9, 19, and 191.

Chapter W-5 - "Small Game and Migratory Game Birds" - 2 CCR 406-5

Open for consideration of annual changes to waterfowl and migratory bird hunting seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including, but not limited to, the following:

 Establishing new Pacific Flyway hunting zones (eastern and western) for both ducks and geese.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

Open for annual review of the entire chapter, including, but not limited to:

- · Prohibiting fireworks on all SWA properties.
- Prohibiting any SWA user from blocking or impeding any boat ramp.
- Eliminating the requirement that all waterfowl and small game hunters must check-out of Bravo SWA and Bravo State Trust Land (STL).
- Allowing more vehicle parking at Brush Prairie Ponds SWA.
- Establishing a seasonal closure on Cimarron State Wildlife Area (SWA) from January 1 to June 30 to protect mating and nesting Gunnison sage grouse and wintering big game.
- Prohibiting hunting of dusky grouse and ruffed grouse on the Upper Baldy Tract of Garfield Creek SWA beginning in 2016.
- Modifying the open dates for the Grace Creek access road at Hohnholz Lake SWA.
- Removing fall boating and fishing restrictions at Jumbo Reservoir SWA and Red Lion SWA.
- Adding regulations for the Woodard Unit of the Jumping Cow SWA, including, but limited to restricting hunting and fishing access to permitted individuals only.
- Modifying regulations at Melon Valley SWA to open the property to all hunters on weekdays.
- Establishing specific regulations at Rio Blanco Lake SWA to limit big game hunting to archery equipment only, limit the Roselund Unit to day use only, and require parking in designated areas.
- Allowing the release of game birds at Mike Higbee SWA for education or training purposes.
- Prohibiting Off-Highway Vehicles use on Tarryall SWA.
- Prohibiting the shooting of firearms, pellet guns and bows in established campgrounds at Tarryall SWA.
- Prohibiting campfires at Tarryall SWA.
- Adopting property-specific regulations for Twin Spruce Ponds SWA, including, but not limited to prohibiting camping, fires, glass containers, alcoholic beverages, hunting, discharge of firearms or bows, and boating except for float tubes or craft propelled by hand.
- Adding Aqua Ramon STL to the Public Access Program with general STL regulations.
- Removing Lapin Creek and Deep Creek STLs from Chapter W-9.
- Limiting Columbian sharp-tailed grouse hunter numbers on the Dry Fork STL parcel on weekends and Labor Day to reduce conflicts with agriculture.

- Modifying the open hunting dates for McArthur Gulch STL, including when specific species may be hunted.
- Modifying opening date for Moosehead Mountain STL to August 15 annually.
- Enrolling the Zapata Falls STL into the Public Access Program with property-specific regulations.

Chapter W-16- "Procedural Rules" - 2 CCR 406-16 and those related provisions of Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to or ensure consistency with Chapter W-16

Open for consideration of final regulations pertaining to reissuance of returned limited licenses.

CITIZEN PETITIONS:

Final action may be taken on rule-making petitions at any step of the Commission's generally applicable two-step rule-making process.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Properties, as follows:

 A Citizen Petition for rulemaking requesting the Commission remove the access restrictions for the Mount Evans SWA that begin the day after Labor Day and run through the end of the 4th regular rifle season.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Parks and Unregulated Wildlife, as follows:

 A Citizen Petition for rulemaking requesting the Commission consider adding both species of two-toed sloth to the unregulated wildlife list in Chapter W-11.

The Commission may accept all or a portion of these petitions for final action, further consideration or otherwise reject the petitions at the March Commission meeting. A copy of any petition may be obtained by contacting Danielle Isenhart (303) 866-3203 ext. 4625, Regulations Manager, Colorado Parks and Wildlife.

ISSUE IDENTIFICATION

WILDLIFE REGULATIONS

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of modifications to Ranching for Wildlife regulations to clarify when Dream Hunt or Youth Outreach licenses may be used on enrolled ranches.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter W-9

Open for consideration of adopting new regulations to streamline the process for approving normal utility easements, lease extensions/renewals and amendments from the Colorado Parks and Wildlife Real Estate section.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

Open for consideration to amending the regulations pertaining to citizen petitions requesting to unregulate, list, or delist a species within Chapter W-11.

Except for the day and time indicated for when the meeting is scheduled to begin, the order indicated for each agenda item is approximate and subject to change when necessary to accommodate the Commission's schedule.

Viewing of Proposed Rules: copies of the proposed rules (together with a proposed statement of basis and purpose and specific statutory authority), will be available for inspection and distribution at the Office of the Regulations Manager, Division of Parks and Wildlife, 1313 Sherman St., Denver, Colorado, at least five (5) days prior to the date of hearing. Such copies, however, are only proposals to be submitted to the Commission by the Division of Parks and Wildlife.

Modification of Proposed Rules prior to adoption: subject to the provisions of Section 24-4-103, C.R.S., modification of these proposals may be made by the Division of Parks and Wildlife or the Commission before the Commission promulgates final rules and regulations on the above topics.

Comment deadlines: Comments will be accepted at any time prior to, or as part of the meeting. However, to ensure sufficient time for consideration prior to the meeting, <u>comments should be provided to the Division of Parks and Wildlife by noon on the following date</u>:

<u>February 24, 2015,</u> for mailing by the Division of Parks and Wildlife to the Parks and Wildlife Commission on **February 25, 2016.**

Comments received by the Division after noon on **February 24**, **2016**, will be provided to the Commission on the day of the meeting.

Opportunity to submit alternate proposals and provide comment: the Commission will afford all interested persons an opportunity to submit alternate proposals, written data, views or arguments and to present them orally at the meeting unless it deems such oral presentation unnecessary. Written alternate proposals, data, views or arguments and other written statements should be submitted to the Division of Parks and Wildlife at 1313 Sherman St., Denver, CO 80203; or e-mailed to dnr.cpwcommission@state.co.us.

Use of Consent Agenda:

In order to increase the Parks and Wildlife Commission's efficiency and allow more time for consideration of parks and wildlife policy and contested issues, some or all of this regulatory

agenda may be listed for action by the Commission as part of a "Consent Agenda" for this meeting.

The process for placing matters on the Consent Agenda is as follows:

The Director identifies matters where the recommended action follows established policy or precedent, there has been agreement reached or the matter is expected to be uncontested and non-controversial.

Regulatory Matters on the Consent Agenda are noticed for hearing at the same time and in the same manner as other Consent Agenda items. If a member of the Commission requests further consideration of an item on the Consent Agenda, that item will be withdrawn from the Consent Agenda and discussed at the end of the meeting or at the next meeting. The Consent Agenda may be voted on without the necessity of reading individual items. Any Commission member may request clarification from the Director of any matter on the Consent Agenda.

OTHER AGENDA ITEMS: The Parks and Wildlife Commission may consider and make policy, program implementation, and other non-regulatory decisions, which may be of public interest at this meeting. A copy of the complete meeting agenda may be viewed on the Division of Parks and Wildlife's internet home page at http://cpw.state.co.us, on or after **February 29, 2016**.

RULE-MAKING NOTICE PARKS AND WILDLIFE COMMISSION MEETING March 9-10, 2016

In accordance with the State Administrative Procedure Act, section 24-4-103, C.R.S., the Parks and Wildlife Commission gives notice that regulations will be considered for adoption at their next meeting on March 9-10, 2016. The Parks and Wildlife Commission meeting will be held at the offices of Colorado Parks and Wildlife, Hunter Education Building, 6060 Broadway, Denver, CO 80216. The following regulatory subjects and issues shall be considered pursuant to the Commission's authority in sections 33-9-101 to 111, C.R.S. ("Administration of Parks and Wildlife"), in sections 33-1-101 to 33-6-209, C.R.S. (the "Wildlife Act"), and especially sections 33-1-104, 33-1-106, 33-1-107, 33-1-108, 33-1-121, 33-2-104, 33-2-105, 33-2-106, 33-3-104, 33-4-101, 33-4-102 and 33-5.5-102, 33-6-107, 33-6-109, 33-6-112, 33-6-113, 33-6-114, 33-6-117, 33-6-119, 33-6-207, 33-6-208, 33-6-209, C.R.S., and in sections 33-10-101 to 33-33-113, C.R.S. (the "Parks Act"), and especially sections 33-10-106, 33-10-107, 33-10-5-107, 33-11-109, 33-12-101, 33-12-103, 33-12-103.5, 33-12-106, 33-12-5-103, 33-13-103, 33-13-104, 33-13-106, 33-13-109, 33-13-110, 33-13-111, 33-14-107, 33-14-5-107, 33-2-103 and 33-33-105. C.R.S.

FINAL REGULATORY ADOPTION - March 9-10, 2016 beginning at 8:00 a.m.*

EFFECTIVE DATE OF REGULATIONS approved during the March 2016 Parks and Wildlife Commission meeting: May 1, 2016, unless otherwise noted.

FINAL REGULATIONS

PARKS REGULATIONS

Chapter P-1 - "Parks and Outdoor Recreation Lands" 2 CCR 405-1 and those related provisions of Chapter W-5 ("Small Game and Migratory Game Birds" 2 CCR 406-5) necessary to accommodate changes to or ensure consistency with Chapter P-1

Open for annual review of the entire chapter including, but not limited to, generally-applicable and property-specific requirements for, or restrictions on use of, parks properties controlled by Colorado Parks and Wildlife, including, but not limited to, the following:

- Allowing regulated weekend waterfowl hunting on James M. Robb-Colorado River State Park's 34 Road Section parcel from two reservable blinds.
- Opening a portion of Highline Lake State Park to small game hunting on weekdays.
- Establishing park-specific regulations on the archery range at Trinidad Lake State Park.

Chapter P-2 - "Boating" - 2 CCR 405-2

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering boats in Colorado.

^{*}Please reference the Commission agenda, to be posted on or after February 29, 2016, to ensure when each regulatory item will be addressed by the Commission. The agenda will be posted at http://cpw.state.co.us/aboutus/Pages/CommissionMeetings.aspx.

Chapter P-3 - "River Outfitters" - 2 CCR 405-3

Open for consideration of changes to regulations requiring hands-on cardiopulmonary resuscitation ("CPR") training for river guides, trip leaders, and guide instructors.

Chapter P-4 - "Snowmobile Regulations" - 2CCR 405-4

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering snowmobiles in Colorado.

Chapter P-5 – "Off-Highway Vehicle Regulations" - 2 CCR 405-5

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering OHV's in Colorado.

Chapter P-7 - "Passes, Permits and Registrations" - 2 CCR 405-7

Open for annual review of the entire chapter including, but not limited to, regulations pertaining to eligibility requirements and fees for individual and vehicle park passes; use permits; vessel, snowmobile and off-highway vehicle registrations; and license agent requirements, including, but not limited to, the following:

- Expanding eligibility for a volunteer parks pass to all CPW volunteers who have donated 48 hours of approved service within a twelve month period.
- Adding definitions of "camping/to camp", "camping unit" and "passenger vehicle" to chapter P-7.
- Making camping permits purchased before 5am, only valid until noon on the same day.
- Administrative clean-ups to camping regulations to comply with reservation system requirements.

WILDLIFE REGULATIONS

Chapter W-0 - "General Provisions" - 2 CCR 406-0

Open for consideration of changes to the no release provision for terrestrial invasive species, specifically giving the Director authority to grant exemptions.

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of any necessary corrections or administrative clean-ups to regulations previously adopted by the Parks and Wildlife Commission for the 2016 big game seasons, including, but not limited to, game management unit boundaries, season dates, limited license areas and manner of take provisions for bighorn sheep, mountain goat, deer, elk, pronghorn, moose, bear and mountain lion, and regulations otherwise necessary for implementation of the 2016 big game seasons.

Chapter W-3 - "Furbearers and Small Game, Except Migratory Birds" - 2 CCR 406-3

Open for consideration of annual changes to game bird seasons, excluding turkey, and other small game seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including the following:

- Reopening GMU 201 to greater sage-grouse hunting.
- Removing the chukar hunting closure in GMUs 9, 19, and 191.

Chapter W-5 - "Small Game and Migratory Game Birds" - 2 CCR 406-5

Open for consideration of annual changes to waterfowl and migratory bird hunting seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including, but not limited to, the following:

 Establishing new Pacific Flyway hunting zones (eastern and western) for both ducks and geese.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

Open for annual review of the entire chapter, including, but not limited to:

- · Prohibiting fireworks on all SWA properties.
- Prohibiting any SWA user from blocking or impeding any boat ramp.
- Eliminating the requirement that all waterfowl and small game hunters must check-out of Bravo SWA and Bravo State Trust Land (STL).
- Allowing more vehicle parking at Brush Prairie Ponds SWA.
- Establishing a seasonal closure on Cimarron State Wildlife Area (SWA) from January 1 to June 30 to protect mating and nesting Gunnison sage grouse and wintering big game.
- Prohibiting hunting of dusky grouse and ruffed grouse on the Upper Baldy Tract of Garfield Creek SWA beginning in 2016.
- Modifying the open dates for the Grace Creek access road at Hohnholz Lake SWA.
- Removing fall boating and fishing restrictions at Jumbo Reservoir SWA and Red Lion SWA.
- Adding regulations for the Woodard Unit of the Jumping Cow SWA, including, but limited to restricting hunting and fishing access to permitted individuals only.
- Modifying regulations at Melon Valley SWA to open the property to all hunters on weekdays.
- Establishing specific regulations at Rio Blanco Lake SWA to limit big game hunting to archery equipment only, limit the Roselund Unit to day use only, and require parking in designated areas.
- Allowing the release of game birds at Mike Higbee SWA for education or training purposes.
- Prohibiting Off-Highway Vehicles use on Tarryall SWA.
- Prohibiting the shooting of firearms, pellet guns and bows in established campgrounds at Tarryall SWA.
- Prohibiting campfires at Tarryall SWA.
- Adopting property-specific regulations for Twin Spruce Ponds SWA, including, but not limited to prohibiting camping, fires, glass containers, alcoholic beverages, hunting, discharge of firearms or bows, and boating except for float tubes or craft propelled by hand.
- Adding Aqua Ramon STL to the Public Access Program with general STL regulations.
- Removing Lapin Creek and Deep Creek STLs from Chapter W-9.
- Limiting Columbian sharp-tailed grouse hunter numbers on the Dry Fork STL parcel on weekends and Labor Day to reduce conflicts with agriculture.

- Modifying the open hunting dates for McArthur Gulch STL, including when specific species may be hunted.
- Modifying opening date for Moosehead Mountain STL to August 15 annually.
- Enrolling the Zapata Falls STL into the Public Access Program with property-specific regulations.

Chapter W-16- "Procedural Rules" - 2 CCR 406-16 and those related provisions of Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to or ensure consistency with Chapter W-16

Open for consideration of final regulations pertaining to reissuance of returned limited licenses.

CITIZEN PETITIONS:

Final action may be taken on rule-making petitions at any step of the Commission's generally applicable two-step rule-making process.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Properties, as follows:

 A Citizen Petition for rulemaking requesting the Commission remove the access restrictions for the Mount Evans SWA that begin the day after Labor Day and run through the end of the 4th regular rifle season.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Parks and Unregulated Wildlife, as follows:

 A Citizen Petition for rulemaking requesting the Commission consider adding both species of two-toed sloth to the unregulated wildlife list in Chapter W-11.

The Commission may accept all or a portion of these petitions for final action, further consideration or otherwise reject the petitions at the March Commission meeting. A copy of any petition may be obtained by contacting Danielle Isenhart (303) 866-3203 ext. 4625, Regulations Manager, Colorado Parks and Wildlife.

ISSUE IDENTIFICATION

WILDLIFE REGULATIONS

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of modifications to Ranching for Wildlife regulations to clarify when Dream Hunt or Youth Outreach licenses may be used on enrolled ranches.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter W-9

RULE-MAKING NOTICE PARKS AND WILDLIFE COMMISSION MEETING March 9-10, 2016

In accordance with the State Administrative Procedure Act, section 24-4-103, C.R.S., the Parks and Wildlife Commission gives notice that regulations will be considered for adoption at their next meeting on March 9-10, 2016. The Parks and Wildlife Commission meeting will be held at the offices of Colorado Parks and Wildlife, Hunter Education Building, 6060 Broadway, Denver, CO 80216. The following regulatory subjects and issues shall be considered pursuant to the Commission's authority in sections 33-9-101 to 111, C.R.S. ("Administration of Parks and Wildlife"), in sections 33-1-101 to 33-6-209, C.R.S. (the "Wildlife Act"), and especially sections 33-1-104, 33-1-106, 33-1-107, 33-1-108, 33-1-121, 33-2-104, 33-2-105, 33-2-106, 33-3-104, 33-4-101, 33-4-102 and 33-5.5-102, 33-6-107, 33-6-109, 33-6-112, 33-6-113, 33-6-114, 33-6-117, 33-6-119, 33-6-207, 33-6-208, 33-6-209, C.R.S., and in sections 33-10-101 to 33-33-113, C.R.S. (the "Parks Act"), and especially sections 33-10-106, 33-10-107, 33-10-5-107, 33-11-109, 33-12-101, 33-12-103, 33-12-103.5, 33-12-106, 33-12-5-103, 33-13-103, 33-13-104, 33-13-106, 33-13-109, 33-13-110, 33-13-111, 33-14-107, 33-14.5-107, 33-2-103 and 33-33-105. C.R.S.

FINAL REGULATORY ADOPTION - March 9-10, 2016 beginning at 8:00 a.m.*

EFFECTIVE DATE OF REGULATIONS approved during the March 2016 Parks and Wildlife Commission meeting: May 1, 2016, unless otherwise noted.

FINAL REGULATIONS

PARKS REGULATIONS

Chapter P-1 - "Parks and Outdoor Recreation Lands" 2 CCR 405-1 and those related provisions of Chapter W-5 ("Small Game and Migratory Game Birds" 2 CCR 406-5) necessary to accommodate changes to or ensure consistency with Chapter P-1

Open for annual review of the entire chapter including, but not limited to, generally-applicable and property-specific requirements for, or restrictions on use of, parks properties controlled by Colorado Parks and Wildlife, including, but not limited to, the following:

- Allowing regulated weekend waterfowl hunting on James M. Robb-Colorado River State Park's 34 Road Section parcel from two reservable blinds.
- Opening a portion of Highline Lake State Park to small game hunting on weekdays.
- Establishing park-specific regulations on the archery range at Trinidad Lake State Park.

Chapter P-2 - "Boating" - 2 CCR 405-2

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering boats in Colorado.

^{*}Please reference the Commission agenda, to be posted on or after February 29, 2016, to ensure when each regulatory item will be addressed by the Commission. The agenda will be posted at http://cpw.state.co.us/aboutus/Pages/CommissionMeetings.aspx.

Chapter P-3 - "River Outfitters" - 2 CCR 405-3

Open for consideration of changes to regulations requiring hands-on cardiopulmonary resuscitation ("CPR") training for river guides, trip leaders, and guide instructors.

Chapter P-4 - "Snowmobile Regulations" - 2CCR 405-4

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering snowmobiles in Colorado.

Chapter P-5 – "Off-Highway Vehicle Regulations" - 2 CCR 405-5

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering OHV's in Colorado.

Chapter P-7 - "Passes, Permits and Registrations" - 2 CCR 405-7

Open for annual review of the entire chapter including, but not limited to, regulations pertaining to eligibility requirements and fees for individual and vehicle park passes; use permits; vessel, snowmobile and off-highway vehicle registrations; and license agent requirements, including, but not limited to, the following:

- Expanding eligibility for a volunteer parks pass to all CPW volunteers who have donated 48 hours of approved service within a twelve month period.
- Adding definitions of "camping/to camp", "camping unit" and "passenger vehicle" to chapter P-7.
- Making camping permits purchased before 5am, only valid until noon on the same day.
- Administrative clean-ups to camping regulations to comply with reservation system requirements.

WILDLIFE REGULATIONS

Chapter W-0 - "General Provisions" - 2 CCR 406-0

Open for consideration of changes to the no release provision for terrestrial invasive species, specifically giving the Director authority to grant exemptions.

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of any necessary corrections or administrative clean-ups to regulations previously adopted by the Parks and Wildlife Commission for the 2016 big game seasons, including, but not limited to, game management unit boundaries, season dates, limited license areas and manner of take provisions for bighorn sheep, mountain goat, deer, elk, pronghorn, moose, bear and mountain lion, and regulations otherwise necessary for implementation of the 2016 big game seasons.

Chapter W-3 - "Furbearers and Small Game, Except Migratory Birds" - 2 CCR 406-3

Open for consideration of annual changes to game bird seasons, excluding turkey, and other small game seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including the following:

- Reopening GMU 201 to greater sage-grouse hunting.
- Removing the chukar hunting closure in GMUs 9, 19, and 191.

Chapter W-5 - "Small Game and Migratory Game Birds" - 2 CCR 406-5

Open for consideration of annual changes to waterfowl and migratory bird hunting seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including, but not limited to, the following:

 Establishing new Pacific Flyway hunting zones (eastern and western) for both ducks and geese.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

Open for annual review of the entire chapter, including, but not limited to:

- · Prohibiting fireworks on all SWA properties.
- Prohibiting any SWA user from blocking or impeding any boat ramp.
- Eliminating the requirement that all waterfowl and small game hunters must check-out of Bravo SWA and Bravo State Trust Land (STL).
- Allowing more vehicle parking at Brush Prairie Ponds SWA.
- Establishing a seasonal closure on Cimarron State Wildlife Area (SWA) from January 1 to June 30 to protect mating and nesting Gunnison sage grouse and wintering big game.
- Prohibiting hunting of dusky grouse and ruffed grouse on the Upper Baldy Tract of Garfield Creek SWA beginning in 2016.
- Modifying the open dates for the Grace Creek access road at Hohnholz Lake SWA.
- Removing fall boating and fishing restrictions at Jumbo Reservoir SWA and Red Lion SWA.
- Adding regulations for the Woodard Unit of the Jumping Cow SWA, including, but limited to restricting hunting and fishing access to permitted individuals only.
- Modifying regulations at Melon Valley SWA to open the property to all hunters on weekdays.
- Establishing specific regulations at Rio Blanco Lake SWA to limit big game hunting to archery equipment only, limit the Roselund Unit to day use only, and require parking in designated areas.
- Allowing the release of game birds at Mike Higbee SWA for education or training purposes.
- Prohibiting Off-Highway Vehicles use on Tarryall SWA.
- Prohibiting the shooting of firearms, pellet guns and bows in established campgrounds at Tarryall SWA.
- Prohibiting campfires at Tarryall SWA.
- Adopting property-specific regulations for Twin Spruce Ponds SWA, including, but not limited to prohibiting camping, fires, glass containers, alcoholic beverages, hunting, discharge of firearms or bows, and boating except for float tubes or craft propelled by hand.
- Adding Aqua Ramon STL to the Public Access Program with general STL regulations.
- Removing Lapin Creek and Deep Creek STLs from Chapter W-9.
- Limiting Columbian sharp-tailed grouse hunter numbers on the Dry Fork STL parcel on weekends and Labor Day to reduce conflicts with agriculture.

- Modifying the open hunting dates for McArthur Gulch STL, including when specific species may be hunted.
- Modifying opening date for Moosehead Mountain STL to August 15 annually.
- Enrolling the Zapata Falls STL into the Public Access Program with property-specific regulations.

Chapter W-16- "Procedural Rules" - 2 CCR 406-16 and those related provisions of Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to or ensure consistency with Chapter W-16

Open for consideration of final regulations pertaining to reissuance of returned limited licenses.

CITIZEN PETITIONS:

Final action may be taken on rule-making petitions at any step of the Commission's generally applicable two-step rule-making process.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Properties, as follows:

 A Citizen Petition for rulemaking requesting the Commission remove the access restrictions for the Mount Evans SWA that begin the day after Labor Day and run through the end of the 4th regular rifle season.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Parks and Unregulated Wildlife, as follows:

 A Citizen Petition for rulemaking requesting the Commission consider adding both species of two-toed sloth to the unregulated wildlife list in Chapter W-11.

The Commission may accept all or a portion of these petitions for final action, further consideration or otherwise reject the petitions at the March Commission meeting. A copy of any petition may be obtained by contacting Danielle Isenhart (303) 866-3203 ext. 4625, Regulations Manager, Colorado Parks and Wildlife.

ISSUE IDENTIFICATION

WILDLIFE REGULATIONS

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of modifications to Ranching for Wildlife regulations to clarify when Dream Hunt or Youth Outreach licenses may be used on enrolled ranches.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter W-9

Open for consideration of adopting new regulations to streamline the process for approving normal utility easements, lease extensions/renewals and amendments from the Colorado Parks and Wildlife Real Estate section.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

Open for consideration to amending the regulations pertaining to citizen petitions requesting to unregulate, list, or delist a species within Chapter W-11.

Except for the day and time indicated for when the meeting is scheduled to begin, the order indicated for each agenda item is approximate and subject to change when necessary to accommodate the Commission's schedule.

Viewing of Proposed Rules: copies of the proposed rules (together with a proposed statement of basis and purpose and specific statutory authority), will be available for inspection and distribution at the Office of the Regulations Manager, Division of Parks and Wildlife, 1313 Sherman St., Denver, Colorado, at least five (5) days prior to the date of hearing. Such copies, however, are only proposals to be submitted to the Commission by the Division of Parks and Wildlife.

Modification of Proposed Rules prior to adoption: subject to the provisions of Section 24-4-103, C.R.S., modification of these proposals may be made by the Division of Parks and Wildlife or the Commission before the Commission promulgates final rules and regulations on the above topics.

Comment deadlines: Comments will be accepted at any time prior to, or as part of the meeting. However, to ensure sufficient time for consideration prior to the meeting, <u>comments should be provided to the Division of Parks and Wildlife by noon on the following date</u>:

<u>February 24, 2015,</u> for mailing by the Division of Parks and Wildlife to the Parks and Wildlife Commission on **February 25, 2016.**

Comments received by the Division after noon on **February 24**, **2016**, will be provided to the Commission on the day of the meeting.

Opportunity to submit alternate proposals and provide comment: the Commission will afford all interested persons an opportunity to submit alternate proposals, written data, views or arguments and to present them orally at the meeting unless it deems such oral presentation unnecessary. Written alternate proposals, data, views or arguments and other written statements should be submitted to the Division of Parks and Wildlife at 1313 Sherman St., Denver, CO 80203; or e-mailed to dnr.cpwcommission@state.co.us.

Use of Consent Agenda:

In order to increase the Parks and Wildlife Commission's efficiency and allow more time for consideration of parks and wildlife policy and contested issues, some or all of this regulatory

agenda may be listed for action by the Commission as part of a "Consent Agenda" for this meeting.

The process for placing matters on the Consent Agenda is as follows:

The Director identifies matters where the recommended action follows established policy or precedent, there has been agreement reached or the matter is expected to be uncontested and non-controversial.

Regulatory Matters on the Consent Agenda are noticed for hearing at the same time and in the same manner as other Consent Agenda items. If a member of the Commission requests further consideration of an item on the Consent Agenda, that item will be withdrawn from the Consent Agenda and discussed at the end of the meeting or at the next meeting. The Consent Agenda may be voted on without the necessity of reading individual items. Any Commission member may request clarification from the Director of any matter on the Consent Agenda.

OTHER AGENDA ITEMS: The Parks and Wildlife Commission may consider and make policy, program implementation, and other non-regulatory decisions, which may be of public interest at this meeting. A copy of the complete meeting agenda may be viewed on the Division of Parks and Wildlife's internet home page at http://cpw.state.co.us, on or after **February 29, 2016**.

RULE-MAKING NOTICE PARKS AND WILDLIFE COMMISSION MEETING March 9-10, 2016

In accordance with the State Administrative Procedure Act, section 24-4-103, C.R.S., the Parks and Wildlife Commission gives notice that regulations will be considered for adoption at their next meeting on March 9-10, 2016. The Parks and Wildlife Commission meeting will be held at the offices of Colorado Parks and Wildlife, Hunter Education Building, 6060 Broadway, Denver, CO 80216. The following regulatory subjects and issues shall be considered pursuant to the Commission's authority in sections 33-9-101 to 111, C.R.S. ("Administration of Parks and Wildlife"), in sections 33-1-101 to 33-6-209, C.R.S. (the "Wildlife Act"), and especially sections 33-1-104, 33-1-106, 33-1-107, 33-1-108, 33-1-121, 33-2-104, 33-2-105, 33-2-106, 33-3-104, 33-4-101, 33-4-102 and 33-5.5-102, 33-6-107, 33-6-109, 33-6-112, 33-6-113, 33-6-114, 33-6-117, 33-6-119, 33-6-207, 33-6-208, 33-6-209, C.R.S., and in sections 33-10-101 to 33-33-113, C.R.S. (the "Parks Act"), and especially sections 33-10-106, 33-10-107, 33-10-5-107, 33-11-109, 33-12-101, 33-12-103, 33-12-103.5, 33-12-106, 33-12-5-103, 33-13-103, 33-13-104, 33-13-106, 33-13-109, 33-13-110, 33-13-111, 33-14-107, 33-14-5-107, 33-2-103 and 33-33-105. C.R.S.

FINAL REGULATORY ADOPTION - March 9-10, 2016 beginning at 8:00 a.m.*

EFFECTIVE DATE OF REGULATIONS approved during the March 2016 Parks and Wildlife Commission meeting: May 1, 2016, unless otherwise noted.

FINAL REGULATIONS

PARKS REGULATIONS

Chapter P-1 - "Parks and Outdoor Recreation Lands" 2 CCR 405-1 and those related provisions of Chapter W-5 ("Small Game and Migratory Game Birds" 2 CCR 406-5) necessary to accommodate changes to or ensure consistency with Chapter P-1

Open for annual review of the entire chapter including, but not limited to, generally-applicable and property-specific requirements for, or restrictions on use of, parks properties controlled by Colorado Parks and Wildlife, including, but not limited to, the following:

- Allowing regulated weekend waterfowl hunting on James M. Robb-Colorado River State Park's 34 Road Section parcel from two reservable blinds.
- Opening a portion of Highline Lake State Park to small game hunting on weekdays.
- Establishing park-specific regulations on the archery range at Trinidad Lake State Park.

Chapter P-2 - "Boating" - 2 CCR 405-2

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering boats in Colorado.

^{*}Please reference the Commission agenda, to be posted on or after February 29, 2016, to ensure when each regulatory item will be addressed by the Commission. The agenda will be posted at http://cpw.state.co.us/aboutus/Pages/CommissionMeetings.aspx.

Chapter P-3 - "River Outfitters" - 2 CCR 405-3

Open for consideration of changes to regulations requiring hands-on cardiopulmonary resuscitation ("CPR") training for river guides, trip leaders, and guide instructors.

Chapter P-4 - "Snowmobile Regulations" - 2CCR 405-4

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering snowmobiles in Colorado.

Chapter P-5 – "Off-Highway Vehicle Regulations" - 2 CCR 405-5

Open for consideration of changes to regulations defining acceptable forms of "proof of ownership" for registering OHV's in Colorado.

Chapter P-7 - "Passes, Permits and Registrations" - 2 CCR 405-7

Open for annual review of the entire chapter including, but not limited to, regulations pertaining to eligibility requirements and fees for individual and vehicle park passes; use permits; vessel, snowmobile and off-highway vehicle registrations; and license agent requirements, including, but not limited to, the following:

- Expanding eligibility for a volunteer parks pass to all CPW volunteers who have donated 48 hours of approved service within a twelve month period.
- Adding definitions of "camping/to camp", "camping unit" and "passenger vehicle" to chapter P-7.
- Making camping permits purchased before 5am, only valid until noon on the same day.
- Administrative clean-ups to camping regulations to comply with reservation system requirements.

WILDLIFE REGULATIONS

Chapter W-0 - "General Provisions" - 2 CCR 406-0

Open for consideration of changes to the no release provision for terrestrial invasive species, specifically giving the Director authority to grant exemptions.

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of any necessary corrections or administrative clean-ups to regulations previously adopted by the Parks and Wildlife Commission for the 2016 big game seasons, including, but not limited to, game management unit boundaries, season dates, limited license areas and manner of take provisions for bighorn sheep, mountain goat, deer, elk, pronghorn, moose, bear and mountain lion, and regulations otherwise necessary for implementation of the 2016 big game seasons.

Chapter W-3 - "Furbearers and Small Game, Except Migratory Birds" - 2 CCR 406-3

Open for consideration of annual changes to game bird seasons, excluding turkey, and other small game seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including the following:

- Reopening GMU 201 to greater sage-grouse hunting.
- Removing the chukar hunting closure in GMUs 9, 19, and 191.

Chapter W-5 - "Small Game and Migratory Game Birds" - 2 CCR 406-5

Open for consideration of annual changes to waterfowl and migratory bird hunting seasons and related provisions, including season dates, bag and possession limits and manner of take provisions, including, but not limited to, the following:

 Establishing new Pacific Flyway hunting zones (eastern and western) for both ducks and geese.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

Open for annual review of the entire chapter, including, but not limited to:

- · Prohibiting fireworks on all SWA properties.
- Prohibiting any SWA user from blocking or impeding any boat ramp.
- Eliminating the requirement that all waterfowl and small game hunters must check-out of Bravo SWA and Bravo State Trust Land (STL).
- Allowing more vehicle parking at Brush Prairie Ponds SWA.
- Establishing a seasonal closure on Cimarron State Wildlife Area (SWA) from January 1 to June 30 to protect mating and nesting Gunnison sage grouse and wintering big game.
- Prohibiting hunting of dusky grouse and ruffed grouse on the Upper Baldy Tract of Garfield Creek SWA beginning in 2016.
- Modifying the open dates for the Grace Creek access road at Hohnholz Lake SWA.
- Removing fall boating and fishing restrictions at Jumbo Reservoir SWA and Red Lion SWA.
- Adding regulations for the Woodard Unit of the Jumping Cow SWA, including, but limited to restricting hunting and fishing access to permitted individuals only.
- Modifying regulations at Melon Valley SWA to open the property to all hunters on weekdays.
- Establishing specific regulations at Rio Blanco Lake SWA to limit big game hunting to archery equipment only, limit the Roselund Unit to day use only, and require parking in designated areas.
- Allowing the release of game birds at Mike Higbee SWA for education or training purposes.
- Prohibiting Off-Highway Vehicles use on Tarryall SWA.
- Prohibiting the shooting of firearms, pellet guns and bows in established campgrounds at Tarryall SWA.
- Prohibiting campfires at Tarryall SWA.
- Adopting property-specific regulations for Twin Spruce Ponds SWA, including, but not limited to prohibiting camping, fires, glass containers, alcoholic beverages, hunting, discharge of firearms or bows, and boating except for float tubes or craft propelled by hand.
- Adding Aqua Ramon STL to the Public Access Program with general STL regulations.
- Removing Lapin Creek and Deep Creek STLs from Chapter W-9.
- Limiting Columbian sharp-tailed grouse hunter numbers on the Dry Fork STL parcel on weekends and Labor Day to reduce conflicts with agriculture.

- Modifying the open hunting dates for McArthur Gulch STL, including when specific species may be hunted.
- Modifying opening date for Moosehead Mountain STL to August 15 annually.
- Enrolling the Zapata Falls STL into the Public Access Program with property-specific regulations.

Chapter W-16- "Procedural Rules" - 2 CCR 406-16 and those related provisions of Chapter W-2 ("Big Game" 2 CCR 406-2) necessary to accommodate changes to or ensure consistency with Chapter W-16

Open for consideration of final regulations pertaining to reissuance of returned limited licenses.

CITIZEN PETITIONS:

Final action may be taken on rule-making petitions at any step of the Commission's generally applicable two-step rule-making process.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Properties, as follows:

 A Citizen Petition for rulemaking requesting the Commission remove the access restrictions for the Mount Evans SWA that begin the day after Labor Day and run through the end of the 4th regular rifle season.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

At its March meeting, the Parks and Wildlife Commission will consider a Citizen Petition for Rulemaking related to Wildlife Parks and Unregulated Wildlife, as follows:

 A Citizen Petition for rulemaking requesting the Commission consider adding both species of two-toed sloth to the unregulated wildlife list in Chapter W-11.

The Commission may accept all or a portion of these petitions for final action, further consideration or otherwise reject the petitions at the March Commission meeting. A copy of any petition may be obtained by contacting Danielle Isenhart (303) 866-3203 ext. 4625, Regulations Manager, Colorado Parks and Wildlife.

ISSUE IDENTIFICATION

WILDLIFE REGULATIONS

Chapter W-2 - "Big Game" - 2 CCR 406-2

Open for consideration of modifications to Ranching for Wildlife regulations to clarify when Dream Hunt or Youth Outreach licenses may be used on enrolled ranches.

Chapter W-9 - "Wildlife Properties" - 2 CCR 406-9 and those related provisions of Chapter P-1 ("Parks and Outdoor Recreation Lands" 2 CCR 405-1) necessary to accommodate changes to or ensure consistency with Chapter W-9

Open for consideration of adopting new regulations to streamline the process for approving normal utility easements, lease extensions/renewals and amendments from the Colorado Parks and Wildlife Real Estate section.

Chapter W-11- "Wildlife Parks and Unregulated Wildlife" - 2 CCR 406-11

Open for consideration to amending the regulations pertaining to citizen petitions requesting to unregulate, list, or delist a species within Chapter W-11.

Except for the day and time indicated for when the meeting is scheduled to begin, the order indicated for each agenda item is approximate and subject to change when necessary to accommodate the Commission's schedule.

Viewing of Proposed Rules: copies of the proposed rules (together with a proposed statement of basis and purpose and specific statutory authority), will be available for inspection and distribution at the Office of the Regulations Manager, Division of Parks and Wildlife, 1313 Sherman St., Denver, Colorado, at least five (5) days prior to the date of hearing. Such copies, however, are only proposals to be submitted to the Commission by the Division of Parks and Wildlife.

Modification of Proposed Rules prior to adoption: subject to the provisions of Section 24-4-103, C.R.S., modification of these proposals may be made by the Division of Parks and Wildlife or the Commission before the Commission promulgates final rules and regulations on the above topics.

Comment deadlines: Comments will be accepted at any time prior to, or as part of the meeting. However, to ensure sufficient time for consideration prior to the meeting, <u>comments should be provided to the Division of Parks and Wildlife by noon on the following date</u>:

<u>February 24, 2015,</u> for mailing by the Division of Parks and Wildlife to the Parks and Wildlife Commission on **February 25, 2016.**

Comments received by the Division after noon on **February 24**, **2016**, will be provided to the Commission on the day of the meeting.

Opportunity to submit alternate proposals and provide comment: the Commission will afford all interested persons an opportunity to submit alternate proposals, written data, views or arguments and to present them orally at the meeting unless it deems such oral presentation unnecessary. Written alternate proposals, data, views or arguments and other written statements should be submitted to the Division of Parks and Wildlife at 1313 Sherman St., Denver, CO 80203; or e-mailed to dnr.cpwcommission@state.co.us.

Use of Consent Agenda:

In order to increase the Parks and Wildlife Commission's efficiency and allow more time for consideration of parks and wildlife policy and contested issues, some or all of this regulatory

agenda may be listed for action by the Commission as part of a "Consent Agenda" for this meeting.

The process for placing matters on the Consent Agenda is as follows:

The Director identifies matters where the recommended action follows established policy or precedent, there has been agreement reached or the matter is expected to be uncontested and non-controversial.

Regulatory Matters on the Consent Agenda are noticed for hearing at the same time and in the same manner as other Consent Agenda items. If a member of the Commission requests further consideration of an item on the Consent Agenda, that item will be withdrawn from the Consent Agenda and discussed at the end of the meeting or at the next meeting. The Consent Agenda may be voted on without the necessity of reading individual items. Any Commission member may request clarification from the Director of any matter on the Consent Agenda.

OTHER AGENDA ITEMS: The Parks and Wildlife Commission may consider and make policy, program implementation, and other non-regulatory decisions, which may be of public interest at this meeting. A copy of the complete meeting agenda may be viewed on the Division of Parks and Wildlife's internet home page at http://cpw.state.co.us, on or after **February 29, 2016**.

TC15 Suspicious Activity Reports [Section 11-109-103, C.R.S.]

- A. A federally insured state chartered institution shall file with the State Bank Commissioner (Commissioner) a copy of the form filed to report apparent criminal violations, FFIEC Form-Suspicious Activity Report, with the U.S. Department of the Treasury's Financial-Crimes Enforcement Network (FinCen) pursuant to 12 U.S.C. 324, 334, et. al. The form-shall be filed with the Commissioner within three (3) business days of the filing of said-form with the FinCen. The fact that a report is required by this Rule should not in any case deter the institution from first informing the Commissioner by telephone or other-expeditious means of an apparent violation when such is deemed fitting.
- B. A non-insured state chartered institution shall promptly file with the Commissioner a copy of any criminal referral filed with any state or federal prosecutorial agency. The referral shall be filed with the Commissioner within three (3) business days of the filing of said form with the prosecutorial agency. The fact that a report is required by this Rule should not in any case deter the institution from first informing the Commissioner by telephone or other expeditious means of an apparent violation when such is deemed fitting.
- C. Failure to comply with this Rule may result in a levy by the Banking Board of a penalty of up to \$25.00 per day for each day the report is not filed.

D. Reference:

- 1. 12 U.S.C. 324, 334 and 12 U.S.C. 93a are federal statutes granting authority to the Board of Governors of the Federal Reserve System and the Federal Deposit Insurance Corporation.
- 2. This Rule does not include amendments to or editions of the referenced material later than March 2, 2006. Copies of 12 U.S.C. 324, 334 and 12 U.S.C. 93a may be examined at any State Publication Depository.
- 3. For more detailed information pertaining to this Rule, please contact the Secretary to the Colorado State Banking Board at 1560 Broadway, Suite 1175, Denver, CO 80202, 303-894-7584.

January 22, 2016

BEFORE THE COLORADO STATE BANKING BOARD

IN THE MATTER OF)	
)	NOTICE OF PROPOSED RULEMAKING
RULE REPEAL)	

I. Notice of hearing

PLEASE BE ADVISED THAT, as required by Section 24-4-103, C.R.S., of the State Administrative Procedures Act, the Colorado State Banking Board (Banking Board) hereby gives notice of proposed rulemaking. A hearing is scheduled for March 17, 2016, commencing at 10:00 a.m., at the Division of Banking (Division), DORA 975 Conference Room, 1560 Broadway, Suite 975, Denver, Colorado.

II. Purpose of the proposed rulemaking

The purpose of the hearing is to hear comments concerning the proposed repeal of Banking Board Rule TC15 – Suspicious Activity Reports, which requires Colorado state-chartered trust companies to provide a copy of the Suspicious Activity Report (SAR) to the Commissioner. The reports are now accessible to regulators online; therefore, paper submissions are no longer necessary.

III. Statutory authority for proposed rulemaking

The proposed repeal of the rule is being held under the authority given the Banking Board by the Colorado Banking Code in accordance with Section 11-102-104(1), C.R.S., which states "the banking board is the policy-making and rule-making authority for the division of banking and has the power to: (a) make, modify, reverse, and vacate rules for the proper enforcement and administration of this code..."

IV. Opportunity to testify and submit written comments

Any interested person(s) has the right to submit written comments or data, view, or argument. Written information should be filed with the Division no later than January 11, 2016. To submit written comments, please contact Diana Gutierrez, Banking Board Secretary, at diana.gutierrez@state.co.us. In addition, any interested person(s) has the right to make an oral presentation at the Hearing, unless the Banking Board deems any oral presentation unnecessary.

SUBMITTED ON BEHALF OF THE COLORADO STATE BANKING BOARD

Chris R. Myklebust

State Bank Commissioner

1560 Broadway, Suite 975 Denver, CO 80202

January 21, 2016

STATE BANKING BOARD RULE TC 15 PERTAINING TO TITLE 11, ARTICLE 109, SECTION 103 COLORADO REVISED STATUTES

STATEMENT OF BASIS, PURPOSE, AND SPECIFIC AUTHORITY

Statement of Basis

A federally insured or non-insured state-chartered institution is required to file a Suspicious Activity Report (SAR) with the United States Department of the Treasury's Financial Crimes Enforcement Network (FinCEN) when it suspects criminal violations, money laundering, or other illegal activities. Banking Board Rule TC 15 – Suspicious Activity Reports, requires a copy of the SAR or criminal referral to be filed with the Commissioner within three (3) business days of the filing with FinCEN.

Beginning in 2012, FinCEN required the electronic filing of SARs and other reports related to the Bank Secrecy Act/Anti-money Laundering (BSA/AML) regulations. Financial institutions complete the electronic filing but then must print a copy of the form and send it to the attention of the Commissioner. The Division of Banking (Division) has the ability to access SARs through FinCEN's SAR database; therefore, it is no longer necessary for the financial institution to provide a copy of the SAR in order for the Division to complete its compliance review of the institution's BSA/AML compliance program.

Purpose of this Rulemaking

The purpose of this rulemaking is to repeal Banking Board Rule TC15 – Suspicious Activity Reports, which requires Colorado state-chartered trust companies to provide a copy of the SAR to the Commissioner.

AR6 Notice of Hearing [Section 11-108-302(2), C.R.S.]

A. When a hearing is required pursuant to Section 11-108-302(2), C.R.S., a notice thereof shall be given, by the Commissioner, to the party requesting the hearing, to other persons to whom notice must be given, and to such other persons as the Commissioner, in his discretion, may specify. Such notice shall state the time, place, and nature of the hearing; the legal authority and jurisdiction under which the hearing is to be held; the matters constituting grounds for the hearing; and shall be delivered to such persons entitled to notice by this Rule by personal service, by registered or certified mail, or by other appropriate means, sufficiently in advance of the date set for hearing in order to comply with the appropriate provisions of both Section 11-108-302(2), C.R.S., and the State Administrative Procedures Act.

January 22, 2016

BEFORE THE COLORADO STATE BANKING BOARD

IN THE MATTER OF)	
)	NOTICE OF PROPOSED RULEMAKING
RULE REPEAL)	

I. Notice of hearing

PLEASE BE ADVISED THAT, as required by Section 24-4-103, C.R.S., of the State Administrative Procedures Act, the Colorado State Banking Board (Banking Board) hereby gives notice of proposed rulemaking. A hearing is scheduled for March 17, 2016, commencing at 10:00 a.m., at the Division of Banking (Division), DORA 975 Conference Room, 1560 Broadway, Suite 975, Denver, Colorado.

II. Purpose of the proposed rulemaking

The purpose of the hearing is to hear comments concerning the proposed repeal of Banking Board Rule AR6 – Notice of Hearing, which applies only to Industrial Banks. The Industrial Bank provision of the Colorado Banking Code was repealed in 2013 with the passage of SB13-154; therefore, this rule is no longer necessary.

III. Statutory authority for proposed rulemaking

The proposed repeal of the rule is being held under the authority given the Banking Board by the Colorado Banking Code in accordance with Section 11-102-104(1), C.R.S., which states "the banking board is the policy-making and rule-making authority for the division of banking and has the power to: (a) make, modify, reverse, and vacate rules for the proper enforcement and administration of this code..."

IV. Opportunity to testify and submit written comments

Any interested person(s) has the right to submit written comments or data, view, or argument. Written information should be filed with the Division no later than January 11, 2016. To submit written comments, please contact Diana Gutierrez, Banking Board Secretary, at diana.gutierrez@state.co.us. In addition, any interested person(s) has the right to make an oral presentation at the Hearing, unless the Banking Board deems any oral presentation unnecessary.

SUBMITTED ON BEHALF OF THE COLORADO STATE BANKING BOARD

Chris R. Myklebust

State Bank Commissioner

1560 Broadway, Suite 975 Denver, CO 80202

January 21, 2016

STATE BANKING BOARD RULE AR 6 PERTAINING TO TITLE 11, ARTICLE 108, SECTION 302 COLORADO REVISED STATUTES

STATEMENT OF BASIS, PURPOSE, AND SPECIFIC AUTHORITY

Statement of Basis

Effective July 1, 2013, Title 11, Article 108 of the Colorado Revised Statutes, the Industrial Bank provision of the Colorado Banking Code, was repealed in its entirety pursuant to Section 4 of Senate Bill 13-154. Banking Board Rule AR6 - Notice of Hearing (AR6), which was established as required by Section 11-108-302(2), C.R.S., is no longer necessary.

Purpose of this Rulemaking

The purpose of this rulemaking is to repeal AR6 in response to the repeal of Title 11, Article 108.

DEPARTMENT OF REGULATORY AGENCIES DIVISION OF REAL ESTATE BOARD OF REAL ESTATE APPRAISERS 4 CCR 725-2

NOTICE OF PROPOSED PERMANENT RULEMAKING HEARING March 3, 2016

CHAPTER 11: STANDARDS OF PROFESSIONAL APPRAISAL PRACTICE

Pursuant to and in compliance with Title 12, Article 61 and Title 24, Article 4, C.R.S. as amended, notice of proposed rulemaking is hereby given, including notice to the Attorney General of the State of Colorado and to all persons who have requested to be advised of the intention of the Colorado Board of Real Estate Appraisers (the "Board") to promulgate rules, or to amend, repeal or repeal and re-enact the present rules of the Board.

STATEMENT OF BASIS

The statutory basis for the rules titled <u>Rules of the Board of Real Estate Appraisers</u> is Part 7 of Title 12, Article 61, Colorado Revised Statutes, as amended.

STATEMENT OF PURPOSE

The purpose of this rule is to effectuate the legislative directive to promulgate necessary and appropriate rules in conformity with the statute and the provisions of the federal Financial Institutions Reform, Recovery and Enforcement Act of 1989.

SPECIFIC PURPOSE OF THIS RULEMAKING

The specific purpose of this rule is to amend or repeal existing rules with respect to the applicable version of the uniform standards of professional appraisal practice.

Proposed New, Amended and Repealed Rules

[Deleted material shown struck through, new material shown ALL CAPS. Rules, or portions of rules, which are unaffected are reproduced. Readers are advised to obtain a copy of the complete rules of the Board at www.dora.colorado.gov/dre

CHAPTER 11: STANDARDS OF PROFESSIONAL APPRAISAL PRACTICE

11.1 Pursuant to Section 12-61-713(1)(g), C.R.S. (as amended), the Board adopts, and incorporates by reference in compliance with Section 24-4-103(12.5), C.R.S., as the generally accepted standards of professional appraisal practice the definitions, preamble, rules, standards, and standards rules and statements of the Uniform Standards of Professional Appraisal Practice as promulgated by the Appraisal Standards Board of the Appraisal Foundation on January 30, 1989 and amended through February 1, 2013 FEBRUARY 6, 2015 and known as the 2014-2015 2016-2017 edition. Amendments to the Uniform Standards of Professional Appraisal Practice subsequent to February 1, 2013 FEBRUARY 6, 2015 are not included in this Rule. A certified copy of the Uniform Standards of Professional Appraisal Practice is on file and available for public inspection at the offices of the Board of Real Estate Appraisers at 1560 Broadway, Suite 925, Denver, Colorado. Copies of the Uniform Standards of Professional Appraisal Practice adopted under this rule may be examined at any state publications depository library. The 2014-2015 2016-2017 edition of the Uniform Standards of Professional Appraisal Practice may be examined at the

Internet website of The Appraisal Foundation at www.appraisalfoundation.org, and copies may be ordered through that mechanism. The Appraisal Foundation may also be contacted at 1155 15th Street, NW, Suite 1111, Washington, DC 20005, or by telephone at (202) 347-7722 or by telefax at (202) 347-7727. The 2012-2013 2014-2015 edition of the Uniform Standards of Professional Appraisal Practice, incorporating the amendments made through April 8, 2011 FEBRUARY 1, 2013 shall remain in effect through December 31, 2013 JANUARY 6, 2016. Beginning January 1, 2014, JANUARY 7, 2016, the 2014-2015 2016-2017 edition of the Uniform Standards of Professional Appraisal Practice shall be in effect.

A hearing on the above subject matter will be held on Thursday, March 3, 2016, at the Colorado Division of Real Estate, 1560 Broadway, Suite 1250-C, Denver, Colorado 80202 beginning at 9:00 a.m.

Any interested person may participate in the rule making through submission of written data, views and arguments to the Division of Real Estate. Persons are requested to submit data, views and arguments to the Division of Real Estate in writing no less than ten (10) days prior to the hearing date and time set forth above. However, all data, views and arguments submitted prior to or at the rulemaking hearing or prior to the closure of the rulemaking record (if different from the date and time of hearing), shall be considered.

Please be advised that the rule being considered is subject to further changes and modifications after public comment and formal hearing.

Marriage and Family Therapist Examiners

RULE 12 -- LICENSURE BY ENDORSEMENT (C.R.S. § 12-43-206)

- (a) <u>General.</u> To be considered for licensure by endorsement under C.R.S. §12-43-206, an applicant must submit a completed application form, all supporting documentation, and the appropriate fee.
- (b) <u>Complaints/inquiries</u>, investigations, disciplinary actions. The Board may decline to issue a license to an applicant for licensure by endorsement against whom disciplinary action has been taken or is pending, against whom an investigation is being conducted in connection with her/his practice, or who is the subject of an unresolved complaint.
- (c) <u>Criteria.</u> The Board has established the following criteria for determining whether an applicant possesses credentials and qualifications that are substantially equivalent to C.R.S. § 12-43-504. An applicant must submit sufficient information to establish that her/his credentials and qualifications meet the statutory requirements. The applicant has the burden of proof. The Board may require additional information from the applicant. An applicant who possesses a current and unrestricted license, in good standing, to practice marriage and family therapy under the laws of another state, territory or foreign country may can apply for licensure by endorsement.

All of the following factors must be shown certified attested to at the time of application for Colorado licensure by endorsement in order for the applicant to establish that her/his credentials and qualifications are substantially equivalent to the requirements of C.R.S. § 12-43-504:

(1) Applicant is at least 21 years of age;

(2) Applicant must attest that they:

- (A) Have reported to the Board any injunction entered against her/him and any injunctive action pending against her/him on any license.
- (B) Have reported any malpractice judgment, settlement, or claim, and any pending action or claim.
- (C) Have reported any pending complaint, investigation, or disciplinary proceeding before the licensing, grievance, or disciplinary Board of any jurisdiction in which a license, registration or certification to practice marriage and family therapy is held and where the complaint, investigation, or proceeding concerns the practice of marriage and family therapy.

(D) Have reported any applicable misdemeanor or felony conviction(s). (E) Have reported to the Board any prior disciplinary action by another jurisdiction. (2) Applicant must certify that: (A) Applicant has reported to the Board any injunction action entered against her/him and knows of no injunctive action pending against her/him or her/his license, certificate, listing or registration to practice marriage and family therapy where the injunction or injunctive action relates to her/his practice of marriage and family therapy or psychotherapy; (B) Applicant has reported to the Board any malpractice judgment against her/him, and knows of no settlement of a malpractice action or claim against her/him, and knows of no malpractice action or claim pending against her/him where the malpractice alleged relates to her/his practice of marriage and family therapy or psychotherapy; (C) Applicant has reported to the Board any complaint pending before, investigation being conducted by, or disciplinary proceeding pending before the licensing, grievance, or disciplinary board of any jurisdiction in which s/he is licensed, registered, or certified to practice marriage and family therapy where the complaint, investigation, or proceeding concerns practice as a licensed marriage and family therapist or psychotherapy. (D) Applicant has reported to the Board any misdemeanor or felony conviction(s). (E) Applicant has reported to the Board any prior disciplinary action against applicant by another jurisdiction. (3) Submit verification of licensure from each jurisdiction(s) in which applicant has ever been licensed, registered, listed or certified. The verification can be retrieved by the applicant from the jurisdiction's web-site as long as the following information is included and can be verified if necessary: (A) Date license was originally issued. (B) Date of license expiration. (C) Disciplinary history, if applicable.

If the complete information is not available then the Verification of License Form must be completed by each state

- (4) Applicant holds a master's or doctoral degree in marriage and family therapy from an accredited program or holds a master's or doctoral degree from a program that was equivalent to an accredited program in marriage and family therapy.
- (5) Applicant demonstrates attests to having passed an examination, the content of which tested competence to practice marriage and family therapy.
- (6) Except as provided below, aApplicant demonstrates attests that s/he had at least two (2) years of post-master's or one year of post-doctoral practice in individual and marriage and family therapy under supervision prior to licensure, certification, listing or registration in the jurisdiction through which applicant seeks licensure in Colorado; or applicant provides information satisfactoryattests to the Board demonstrating her/his active practice of marriage and family therapy for two (2) years (as defined below).
 - (A) "Active practice of marriage and family therapy" means applicant has engaged in the practice of marriage and family therapy at least twenty (20) hours per week, averaged over the entire time s/he has been in practice, with no more than a six month absence from the practice of marriage and family therapy. If applicant has taught marriage and family therapy, applicant may count the hours spent teaching marriage and family therapy (including time spent in preparation, meeting with students, and related activities) as hours of active practice of marriage and family therapy provided such teaching was in courses in the same or similar field of marriage and family therapy as the competence area claimed by applicant; teaching of marriage and family therapy shall not count more than one-third (1/3) of the number of active practice hours claimed by applicant.
- (7) Applicant attests that post-degree experience hours obtained for licensure in another jurisdiction has substantially similar requirements to what is outlined in Board Rule 14

 Licensure by Examination. The Board may consider a combination of post-degree hours and practice experience on a case-by-case basis.
- (d) <u>Licenses, certifications, listings or registrations from outside the United States.</u> Applicants who are licensed, certified, listed or registered marriage and family therapists in a jurisdiction outside the United States must submit their educational credentials for evaluation, including disclosure of any prior or pending disciplinary action against applicant by any jurisdiction, and satisfy the requirements of this Rule.

(e) Jurisprudence Examination. Each applicant shall pass a Board developed jurisprudence examination.

Dedicated to protecting and improving the health and environment of the people of Colorado

To: Members of the State Board of Health

From: Laurie Schoder, Policy Analyst, Health Facilities and Emergency Medical Services

Division

Through: D. Randy Kuykendall, MLS; Director \mathcal{DRK}

Date: January 20, 2016

Subject: Proposed Amendments to 6 CCR 1011-1, Standards for Hospitals and Health Facilities,

Chapter 5, Long Term Care Facilities and Conforming and Technical Amendments to Chapter 2, General Licensure, with a Request for the Rulemaking Hearing to occur on

March 16, 2016.

In 2014, the Division conducted a regulatory review of Chapter 5 and determined that many of those rules were outdated, confusing and/or inconsistent with state or federal law. Therefore, the Division pledged to initiate a community stakeholder process to thoroughly review the entire rule.

The Division has been meeting with stakeholders every month for over a year to revise the Chapter 5 regulations. All stakeholder meetings were open to the public and routinely included the state long-term care ombudsman, a nursing care facility resident, members of the Colorado Medical Directors Association and other licensed medical professionals, owners and administrators of licensed nursing care facilities, and representatives of the Colorado Health Care Association, Leading Age Colorado, the Legal Center and the Colorado Hospital Association.

Due to the extensive nature of the revisions, the Division proposal is that the current chapter be stricken in its entirety and replaced with a new version that has also been reorganized and renumbered. The Division also proposes changing the title of Chapter 5 from Long Term Care Facilities to Nursing Care Facilities to align with the Department's statutory authority.

One proposed revision to the pharmacy section of Chapter 5, along with conforming changes to Chapter 2, is being made to align with statutory changes brought about by House Bill 15-1039 which addressed the donation of prescription medications by licensed health care facilities. In addition, language throughout the entire chapter has been revised to reflect technological advances; make it more person-centered; and reflect that a nursing care facility is not merely a health care institution but also a resident's home.

STATEMENT OF BASIS AND PURPOSE AND SPECIFIC STATUTORY AUTHORITY

For Amendments to 6 CCR 1011-1, Standards for Hospitals and Health Facilities, Chapter 5, Long Term Care Facilities and Conforming and Technical Amendments to Chapter 2, General Licensure January 20, 2016

Basis and Purpose:

In 2014, pursuant to Section 24-4-103.3, C.R.S., the Division conducted a regulatory review of Chapter 5 and determined that many of those standards were outdated, confusing and/or inconsistent with state statute. Since then the Division has conducted monthly meetings with stakeholders to completely overhaul the regulations regarding nursing care facilities. Due to the extensive nature of the revisions, the Division is proposing that the current regulation set be stricken in its entirety and replaced with a new version that has also been renamed, reorganized and renumbered.

The major highlights of the changes include adding language to require at-risk elder abuse reporting; revising the medical services section to allow for expanded use of non-physician practitioners consistent with federal and state law; updating therapist and other staff qualifications to align with state law and/or reflect current professional standards; updating the subsection on disposition of medication to align with changes made by House Bill 15-1039; requiring a security officer or other designated staff person to oversee health information security; and requiring a facility to petition the court for appointment of a guardian for any resident placed in secure unit if that resident lacks decisional capacity and has no designated representative.

The following is a brief summary of the changes to Chapter 5 by section:

- Section 1 Updated to include reference to medical waste disposal regulations.
- **Section 2** Several new definitions added.
- Section 3 Clarification of governing body role and reworded quality assurance subsection.
- Section 4 Reworded for clarity and addition of language regarding at-risk elder abuse reporting.
- **Section 5** Primarily reworded.
- **Section 6** Primarily reworded.
- **Section 7** Reorganized and time frames revised to align with federal requirements. Individual responsible for nursing care planning changed to registered nurse to align with federal requirement.
- **Section 8** Revised to allow for expanded use of non-physician practitioners consistent with federal and state law; added requirement that medical director personally visit facility at least every three months; added requirements regarding the contents of practitioner's notes and time frame for inclusion in health information record; expanded medical director's responsibilities to be consistent with remainder of rule and allowed for practitioner use of telehealth within certain parameters.
- **Section 9** Reworded and clarified the subsection on restraints to align with statute. Reworded and clarified the subsections on medication administration and safety devices.
- **Section 10** Time for social services staff to review and update assessment and care plan shortened to guarterly. Updated and clarified staff qualifications.
- **Section 11** Primarily reworded.
- **Section 12** Added requirements that each resident must be informed about the consequences of undiagnosed oral health issues and about the availability of public benefits for dental services.
- **Section 13** Revised to reflect proposed federal language regarding meal times; expanded qualifications for individual overseeing dietary services; updated menu reference requirements;

clarified requirements for refrigerator safety and feeding of residents in isolation; and deleted subsection on milk because that is covered in the retail food regulations with which facilities are also required to comply.

Section 14 - Reorganized and reworded to eliminate duplicative and obsolete subsections and better align with federal requirements.

Section 15 - Reworded for clarity and to better align with state law.

Section 16 - Revised to require that facilities complete a risk assessment for emergencies using an all hazards approach. Addition of items to be addressed in facility policies and procedures regarding various emergencies and addition of items to be addressed in facility disaster plans.

Section 17 - Revised language to reflect current technology; reworded section on health information staff responsibilities; added requirement for security officer or other designated staff person to oversee health information security and updated staff qualifications to reflect current professional standards.

Section 18 - Updated therapist qualifications to align with state law and consolidated sections to eliminate duplication.

Section 19 - Reworded duties of consulting pharmacist to better align with federal law; added subsection on the use of investigational medications and updated subsection on disposition of medication to align with state law.

Section 20 - Current time frame for inclusion of diagnostic reports in health information record shortened from thirty days to two days and requirement relocated to Section 17.1(A).

Section 21 - The only change is correction of the hyperlink.

Section 22 - Removal of footnotes and obsolete language along with clarification of resident communication system requirements.

Section 23 - Reorganized and reworded for clarity; updated statutory references and added requirement that if resident lacks decisional capacity and has no representative, facility must petition court for appointment of guardian within 30 days of resident's placement in secure unit.

Section 24 - Primarily reworded.

Section 25 - Reworded and reorganized.

Section 26 - Reworded, reorganized and references updated to include various CDC guidelines.

Section 27 - Primarily reworded.

Section 28 - Updated reference for disposal of medical waste.

Section 29 - Substantially unchanged.

Section 30 - Statutory reference added and slightly reworded.

Section 31 - Reorganized and reworded for clarity and to better align with state law.

Section 32 - No change.

The proposed changes to Chapter 2 update the address for submitting a waiver application and the donation of prescription medications by licensed health care facilities as authorized by House Bill 15-1039. These changes ensure alignment with Chapter 5, Sections 4.6 and 19.8 respectively. In addition, Chapter 2, Sections 8.103 and 10.5 references to Chapter 5 were updated to reflect the proposed Chapter 5 title. The statutory references and terminology in Chapter 2, Section 8.102 and 8.103 were also updated for overall alignment with Chapter 5.

These rules are promulgated pursuant to the following statutes:

Section 25-1.5-103, C.R.S. (2015)

Section 25-1-107.5, C.R.S. (2015)

Section 25-1-120, C.R.S. (2015)

Section 25-3-101, et seq., C.R.S. (2015)

Section 18-6.5-108(1)(b)(V), C.R.S. (2015)

SUPPLEMENTAL QUESTIONS

Is this rulemaking due to a change in state statute?
X Yes, partially. Revisions to Chapter 5, Section 19 with conforming changes to Chapter 2 were necessitated by House Bill 15-1039.No
Is this rulemaking due to a federal statutory or regulatory change?
Yes No
Does this rule incorporate materials by reference?
Does this rule create or modify fines or fees
Yes No

REGULATORY ANALYSIS

For Amendments to 6 CCR 1011-1, Standards for Hospitals and Health Facilities, Chapter 5, Long Term Care Facilities and Conforming and Technical Amendments to Chapter 2, General Licensure January 20, 2016

1. A description of the classes of persons who will be affected by the proposed rule, including classes that will bear the costs of the proposed rule and classes that will benefit from the proposed rule.

The proposed rule changes will affect many classes of persons. They will affect the owners, operators, staff and residents of nursing care facilities as well as other licensed professionals that serve the residents of nursing care facilities. The costs of the proposed rule will be borne primarily by the licensees and the Department. The affected nursing care facilities, their residents and the public will all benefit from amending this regulation to reflect current industry standards, align with state and federal law and clarify Department expectations.

2. To the extent practicable, a description of the probable quantitative and qualitative impact of the proposed rule, economic or otherwise, upon affected classes of persons.

The short-term quantitative impact of the proposed revisions will be most apparent in the time required by facility owners and staff to familiarize themselves with the revised standards and the reorganization of the entire regulation set. The expectation is that this will be offset by the anticipated long-term quantitative impact of greater staff efficiency due to the changes allowing greater use of non physician practitioners, telehealth and other electronic methods for care delivery.

The major qualitative impacts of the revisions for residents will be achieved through the use of more person centered language and higher standards of care in certain areas such as dental services, medical record entries, resident rights, and admission into a secured unit.

3. The probable costs to the agency and to any other agency of the implementation and enforcement of the proposed rule and any anticipated effect on state revenues.

The Department will incur some costs primarily associated with administrative tasks such as rewriting the feeding assistant program protocols to align with the revised regulations and revising the software program that allows for electronic entry of survey and plan of correction data. The Department does not anticipate that these amendments will result in any costs to other agencies.

4. A comparison of the probable costs and benefits of the proposed rule to the probable costs and benefits of inaction.

The probable costs and benefits of the proposed amendments far outweigh the probable costs and benefits of inaction since inaction would result in continued conflict between the regulations and various state and federal laws, along with the continuation of many now antiquated requirements and obsolete language. The proposed amendments will benefit the

industry and public alike because everyone will have a better understanding of the nursing care facility licensing requirements.

5. A determination of whether there are less costly methods or less intrusive methods for achieving the purpose of the proposed rule.

The Department has determined that there are no less costly or intrusive methods for achieving the purposed of the revised rule. Neither Departmental policies nor guidance would have accomplished the goal of updating the regulations to reflect current industry standards, align with state and federal law and eliminate obsolete requirements.

6. Alternative rules or alternatives to rulemaking considered and why rejected.

Initially the Department considered revising only one section of the regulation chapter, but it became evident after consultation with stakeholders that the entire chapter needed to be rewritten. Although the complete rewrite required a larger time commitment from both stakeholders and Department personnel, it was determined to be the preferable method to avoid any unintended consequences that might result from a patchwork approach.

7. To the extent practicable, a quantification of the data used in the analysis; the analysis must take into account both short-term and long-term consequences.

The Department analyzed the type and number of health care entities affected by these amendments, as well as the number of resident beds involved. There are approximately 219 currently licensed nursing care facilities with a total of 20,316 beds. The majority of facilities are dually certified to serve both Medicare and Medicaid residents, so they are also subject to federal standards. Five facilities, however, serve only private pay residents. Therefore the proposed amendments had to be drafted so that they would apply to all types of nursing care facilities regardless of payment source.

In the short-term, both Department and facility personnel will need to spend extra time familiarizing themselves with the changes. However, in the long term, regulations that reflect current industry standards, align with state and federal law and are easier to navigate will benefit everyone that interacts with a nursing care facility from staff to residents and their family members.

STAKEHOLDER COMMENTS

For Amendments to 6 CCR 1011-1, Standards for Hospitals and Health Facilities, Chapter 5, Long Term Care Facilities with conforming amendments to Chapter 2, General Licensure

The following individuals and/or entities were included in the development of these proposed rules:

Anne Meier, Colorado Long-Term Care Ombudsman; Shannon Gimbel, Denver Regional Council of Governments; Vinni Ferrara, Older Americans Program Assistant for Disability Law Colorado; a nursing care facility resident; Gregory Gahm, M.D., Leslie Eber, M.D., and other members of the Colorado Medical Directors Association; Joshua Zucker, N.P., Alan Miller, R.Ph., Candace Johnson, R.D., and other licensed medical professionals; various owners, administrators, staff and consultants of licensed nursing care facilities; Ann Kokish, Arlene Miles and Doug Farmer for the Colorado Health Care Association; Janice Brenner for Leading Age Colorado; Gail Finley and Joshua Ewing for the Colorado Hospital Association; Dr. Katya Mauritson, Oral Health Unit Manager, Prevention Services Division; Dan Goetz, Hazardous Waste Compliance Assurance Officer, Hazardous Materials and Waste Management Division; and various representatives of the Colorado Department of Health Care Policy and Financing.

The following individuals and/or entities were notified that this rule-making was proposed for consideration by the Board of Health:

The individuals and entities listed above along with all licensed health care entities and subscribers to the Health Facilities and Emergency Medical Services information blog.

Summarize Major Factual and Policy Issues Encountered and the Stakeholder Feedback Received. If there is a lack of consensus regarding the proposed rule, please also identify the Department's efforts to address stakeholder feedback or why the Department was unable to accommodate the request.

The stakeholder group and Division representatives tackled many factual and policy issues and were able to come to consensus on all. Examples include expanding the role of non-practitioners to align with the Colorado Nurse Practice Act but not violate certain federal requirements for facilities providing Medicare services, allowing for the use of telehealth in certain circumstances, shortening the time frame for practitioner visit details to be entered into the health information record, and requiring facilities to inform residents about public dental benefits and to provide assistance in accessing such benefits and services. At the final stakeholder meeting, the Ombudsman voiced concerns that the resident grievance process, which conforms to Colorado law, might be in conflict with federal law. The Department has referred this issue to its legal counsel and expects to have the issue resolved by the rule-making hearing.

Please identify health equity and environmental justice (HEEJ) impacts. Does this proposal impact Coloradoans equally or equitably? Does this proposal provide an opportunity to advance HEEJ? Are there other factors that influenced these rules?

The Division believes that the proposed rule amendments will advance HEEJ in a number of ways. Because physicians in Colorado's rural and frontier areas are often in short supply, nursing care facilities in those communities will benefit from the amendments that allow for expanded use of non-physician practitioners and telehealth. Low income residents will have enhanced access to dental care because of a new requirement that nursing care facilities provide information about the

availability of publicly funded dental services and assist residents in accessing such services. Additionally, the resident rights section contains new requirements for facilities to make accommodation residents with limited English proficiency or sensory impairments that inhibit daily communications.

1 DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT 2 Health Facilities and Emergency Medical Services Division 3 STANDARDS FOR HOSPITALS AND HEALTH FACILITIES: CHAPTER V - LONG TERM CARE FACILITIES 4 6 CCR 1011-1 Chap 05 5 6 Copies of these regulations may be obtained at cost by contacting: 7 **Division Director** 8 Colorado Department of Public Health and Environment 9 **Health Facilities Division** 10 4300 Cherry Creek Drive South 11 Denver, Colorado 80222-1530 12 Main switchboard: (303) 692-2800 13 These chapters of regulation incorporate by reference (as indicated within) material originally published 14 elsewhere. Such incorporation, however, excludes later amendments to or editions of the referenced material. 15 Pursuant to 24 4 103 (12.5), C.R.S., the Health Facilities Division of the Colorado Department of Public Health 16 And Environment maintains copies of the incorporated texts in their entirety which shall be available for public 17 inspection during regular business hours at: 18 **Division Director** 19 Colorado Department of Public Health and Environment 20 **Health Facilities Division** 21 4300 Cherry Creek Drive South 22 Denver, Colorado 80222-1530 23 Main switchboard: (303) 692-2800 24 Certified copies of material shall be provided by the division, at cost, upon request. Additionally, any material 25 that has been incorporated by reference after July 1, 1994 may be examined in any state publications 26 depository library. Copies of the incorporated materials have been sent to the state publications depository and 27 distribution center, and are available for interlibrary loan. 28 Part 01. STATUTORY AUTHORITY AND APPLICABILITY 29 01.1 The statutory authority for the promulgation of these rules is set forth in sections 25-1-107.5, 25-1.5-103 30 and 25-3-101, et. seq., C.R.S. 31 01.2 A long term care facility shall comply with all applicable federal and state statutes and regulations, 32 including but not limited to, the following:

1 (a) This Chapter V; 2 (b) 6 CCR 1011-1, Chapter II, General Licensure Standards; and 3 (c) 6 CCR 1010-2, Colorado Retail Food Establishment Rules and Regulations. 4 Part 1. GOVERNING BODY 5 **Definitions** 6 Department - The Department of Public Health and Environment. 7 LONG-TERM CARE FACILITY. A long-term care facility is a health facility that holds itself out as a nursing 8 home, nursing facility, nursing care facility or intermediate care facility or a health facility that is planned, 9 organized, operated, and maintained to provide supportive, restorative, and preventive services to persons who, 10 due to physical and/or mental disability, require continuous or regular inpatient care. 11 (a) a long term care facility is a nursing care facility, or a nursing facility serving residents who require 12 continuous medical and nursing care and supervision. 13 (b) a long-term care facility is an intermediate care facility serving residents who require regular, but not 14 continuous nursing care and supervision. 15 1.1 GOVERNING BODY. The governing body is the individual, group of individuals, or corporate entity that has 16 ultimate authority and legal responsibility for the operation of the long-term care facility. 17 1.1.1 The governing body shall provide the necessary facilities, qualified personnel, and services to 18 meet the total needs of the facility's residents. 19 1.1.2 The governing body shall appoint for the facility a full-time administrator, qualified as provided in 20 Section 2.1, and delegate to that officer the executive authority and full responsibility for day to-21 day administration of the facility. 22 1.1.3 The governing body is responsible for the performance of all persons providing services within the 23 24 1.2 STRUCTURE. If the governing body includes more than one individual, the group shall be formally 25 organized with written constitution or articles of incorporation and by-laws; hold regular, periodic 26 meetings; and maintain meeting records. 27 1.2.1 The facility shall disclose its ownership as required in Part 2, chapter II of these regulations. 28 1.2.2 The governing body shall provide a formal means of obtaining local community involvement and 29 opportunity to communicate with the administrator on issues of residents' rights. The means of 30 community input shall provide opportunity for regular input and such input shall be documented. 31 (a) The input may come through a formally organized community advisory committee that is 32 33 given the opportunity to comment and advise the governing body on matters of facility policy; is composed of members, a majority of whom reside in the facility's service area, 34 and none of whom are owners or employees of or consultants to the facility. 35 (b) The input may come through membership of at least 25% of the governing body 36 representing citizens in the facility's service area, none of whom are owners or 37 employees of or consultant? to the facility.

2	(c) The facility may request Department approval of an alternative means of obtaining community input on residents' rights.
3 4 5 6	1.3 QUALITY ASSURANCE. The governing body shall assure that there is an effective quality assurance program to evaluate the availability, appropriateness, effectiveness, and efficiency of resident care, including without limitation, a continuous program of evaluating medical, nursing care, social services, activities, dietary, housekeeping, maintenance, infection control, and pharmacy services.
7 8 9	1.3.1 The quality assurance plan shall be in writing and shall include objectives; personnel involved; responsibility for reviewing critical incidents; methods for monitoring and evaluating care; and methods for monitoring effectiveness of actions taken to improve quality of resident care.
10 11	1.3.2 The facility shall maintain evidence of actions taken in response to quality assurance activity and their effectiveness and shall report annually to the governing body.
12 13 14 15	1.4 EXCEPTIONS TO RULES. The requirements of these regulations do not prohibit the use of alternate concepts, methods, procedures, techniques, equipment, or personnel qualifications or conducting pilot projects. A facility may request waivers or exceptions to these regulations pursuant to 6 CCR 1011-1, Chapter II, General Licensure Standards, Part 4, waiver of regulations for health care entities.
16 17 18	1.5 POSTING DEFICIENCIES. The facility shall post conspicuously in public view either the statement of deficiencies following its most recent survey or a notice stating the location and times at which the statement can be reviewed.
19	Part 2. ADMINISTRATION
20 21	2.1 ADMINISTRATOR. The administrator is responsible to the governing body for planning, organizing, developing, and controlling the operations of the facility.
22	2.1.1 The administrator shall be licensed in the State of Colorado.
23 24 25 26 27	2.1.2 The administrator's responsibilities: 1) liaison among the governing body, medical staff, and physicians whose patients reside in. the facility, 2) financial and personnel management, 3) providing for appropriate resident care; and 4) maintaining relationships with the community and with other health care facilities, organizations, and services; 5) assuring facility and staff compliance with all regulations; and 6) any responsibilities prescribed by facility policy.
28 29	2.2 ORGANIZATION. The facility shall be organized formally to carry out its responsibilities with a plan of organization clearly defining the authority, responsibilities, and functions of each category of personnel.
30 31 32 33 34 35 36 37	2.3 POLICIES. In consultation with the Medical Advisor and one or more registered nurses and other related health care professionals, the administrator shall develop and at least annually review written resident care policies and procedures that govern resident care in the following areas: nursing, housekeeping, maintenance sanitation, medical, dental, dietary, diagnostic, emergency, and pharmaceutical care; social services; activities; rehabilitation; physical, occupational, and speech therapy; resident admission, transfer, and discharge; notification of physician and family or other responsible party of resident's incidents, accidents and changes of status; disasters; and health records and any other policies the department determines the facility needs based on its characteristics of its resident population.
38 39 40	2.4 FACILITY STAFFING PLAN. The facility shall have a master staffing plan for providing staffing in compliance with these regulations, distribution of personnel, replacement of personnel, and forecasting future personnel needs.
41	2.5 OCCURRENCE REPORTING.

1 Notwithstanding any other reporting required by state regulation, each facility shall report the following to the 2 department within 24 hours of discovery by the facility. 3 (1) Any occurrence involving neglect of a resident by failure to provide goods and services necessary to 4 avoid the resident's physical harm or mental anguish. 5 (2) Any occurrence involving abuse of a resident by the willful infliction of injury, unreasonable 6 confinement, intimidation, or punishment with resulting physical harm, pain or mental anguish. (3) Any occurrence involving an injury of unknown source where the source of the injury could not be 8 explained and the injury is suspicious because of the extent or location of the injury. 9 (4) Any occurrence involving misappropriation of a resident's property including the deliberate 10 misplacement, exploitation, or wrongful use of a resident's belongings or money without the 11 resident's consent. 12 Part 3 ADMISSIONS 13 3.1 RESTRICTIONS. The facility shall admit only those persons whose needs it can meet within the 14 accommodations and services it provides. 15 3.1.1 No resident shall be admitted for inpatient care to any room or area other than one regularly 16 designated and equipped as a resident bedroom. 17 3.1.2 There shall be no more than four residents admitted to a bedroom. 18 3.2 BED HOLD POLICIES. The facility shall develop policies for holding beds available for residents who are 19 temporarily absent therefrom, provide a copy of the policy upon admission, and explain these policies to 20 residents upon admission and before each temporary absence. 21 3.3 RESIDENT IDENTIFICATION. Upon admission, each resident shall have a visible means of identification 22 place and maintained on his or her person and property. 23 Part 4. PERSONNEL 24 4.1 POLICIES. The facility shall maintain written approved personnel policies, job descriptions, and rules 25 prescribing the conditions of employment, management of employees, and quality and quantity of 26 resident care to be provided. 27 4.1.1 The facility shall provide job specific orientation to all new employees within 90 days of 28 employment. 29 4.1.2 All personnel shall be informed of the purpose and objectives of the facility. 30 4.1.3 All personnel shall be provided access to the facility's personnel policies and the facility shall 31 provide evidence that each employee has reviewed them. 32 4.2 DEPARTMENTS. Each department of the facility shall be under the direction of a person qualified by 33 training, experience, and ability to direct effective services. 34 4.2.1 The facility shall provide a sufficient number of qualified personnel in each department to operate 35 the department. 36 37 4.2.2 All persons assigned to direct resident care shall be prepared through formal education or on the job training in the principles, policies, procedures, and appropriate techniques of resident care.

1 2	The facility shall provide educational programs for employees to be informed of new methods and techniques.
3	4.3 STAFF DEVELOPMENT COORDINATOR. The long term care facility shall employ a staff development coordinator who shall be responsible for coordinating orientation, inservice, on the job training, and
5	continuing education programs and for determining that staff have been properly trained and are
6	implementing results of their training. The objective of this standard is that staff be appropriately trained
7	in necessary aspects of resident care to carry out their job responsibilities.
8	4.3.1 The coordinator shall have experience in and ability to prepare and coordinate inservice education and training programs for adult learners in the area of geriatrics.
0	4.3.2. The facility shall employ a staff development coordinator for a sufficient amount of time to meet
1	4.3.2 The facility shall employ a staff development coordinator for a sufficient amount of time to meet
ユ	inservice, orientation, training, and supervision needs of staff. The facility shall provide for
2	appropriate staff follow-up.
3	4.3.3 The facility shall provide annual inservice education for staff in at least the following areas:
4	infection control, fire prevention and safety, accident prevention, confidentiality of resident
.5	information, rehabilitative nursing, resident rights, dietary, pharmacy, dental, behavior
6	management, disaster preparedness, and, if it has developmentally disabled residents,
.7	developmental disabilities, residents with Alzheimer's conditions, those conditions, or mentally ill
8	residents, mental illness.
9	4.3.4 The facility shall maintain attendance records with original signatures on inservice programs and course materials or outlines that staff who are unable to attend the program may review.
21	4.4 RECORDS. The facility shall maintain personnel records on each employee, including an employment
22	application, that includes training and past experience, verification of credentials, references of past
23	work experience, orientation, and evidence that health status is appropriate to perform duties in the
24	employee's job description.
25	4.5 REFERENCE MATERIALS. The facility shall provide current reference material related to the care that is
26	provided in the facility for use by all personnel.
27	4.6 STAFF IDENTIFICATION. All facility staff shall wear name and title badges while on duty, except where
28	they may pose a danger to staff or residents due to the nature of resident conditions.
29	Part 5. RESIDENT CARE
30	5.1 RESIDENT CARE. Residents shall receive the care necessary to meet individual physical, psycho-social,
31	and rehabilitative needs and assistance to achieve and maintain their highest possible level of
32	independence, self-care, and self-worth and well-being. Provision of care shall be documented in the
33	health record.
34	5.1.1 QUALITY OF LIFE. Residents shall be provided: a safe, supportive, comfortable, homelike
35	environment; freedom and encouragement to exercise choice over their surroundings,
86	schedules, health care, and life activities; the opportunity to be involved with the members of
37	their community inside and outside the nursing home; and treatment with dignity and respect.
88	5.1.2 PRESSURE ULCER PREVENTION AND CARE. (See also 7.7)
39	(1) For regidents where proceure ulgors developed while the regident was in the facility the
10	(1) For residents whose pressure ulcers developed while the resident was in the facility, the facility shall have:
L 1	(a) assessed the potential for skin breakdown, and

1 2 3 4 5	(b) provided preventive measures before the ulcer developed to residents identified in the assessment required in section 5.2 as at risk of pressure ulcers (i.e., a resident exhibiting three or more of the following symptoms: underweight, incontinence, dehydration, disorientation or unconsciousness, or limited mobility).
6	(2) For all residents with pressure ulcers, the facility shall:
7 8	(a) have developed an individualized treatment plan (as prescribed by section 5.7) designed to alleviate the condition;
9 10	(b) be providing active treatment to improve the condition in accordance with the treatment plan;
11 12	(c) be evaluating the resident's progress and treatment at least weekly and revising the treatment plan as needed and required by section 5.7;
13 14	(d) be providing proper nutrition and hydration to promote healing and prevent further breakdown.
15	5.1.3 ACCIDENT PREVENTION AND ATTENTION.
16	(1) The facility shall:
17	(a) investigate causes of accidents;
18 19	(b) monitor the resident's response to the accident, and obtain physician's or mental health evaluation, if needed;
20 21	(c) have developed and implemented an individualized plan as part of the care plan prescribed by Section 5.7 for prevention of future accidents;
22	(d) evaluate and revise the plan as needed.
23 24 25 26 27	(2) For residents at high risk for accidents, the facility shall have identified the risk in the care plan and taken reasonable precautions to prevent common accidents before the accident occurred. Residents at high risk of accidents include the blind, the deaf, those with seizure disorders, those with accidents in the last 6 months, the totally confused but ambulatory, new amputees, and residents on psychoactive drugs.
28	5.1.4 BEHAVIOR PROBLEM CARE.
29	(1) For residents with behavior problems the facility shall:
30 31	(a) have noted the behavioral problem and evaluated it in the initial assessment required by Section 5.2;
32 33	(b) develop and implement an individualized treatment plan as part of the care plan prescribed by Section 5.7;
34 35	(c) develop and implement a behavior management plan as part of the care plan prescribed by Section 5.7;
36	(d) obtain a mental health evaluation in appropriate cases;

2	(e) evaluate the resident's progress and revise the plan, as needed and required by Section 5.7;
3 4 5 6	(2) For residents receiving behavior modification drugs, the facility shall indicate in nurses' notes both positive and/or negative effects of the drug and that alternatives or adjuncts to the drugs in care planning were considered. These evaluations shall meet requirements of Section 7.10.8.
7	5.1.5 CONTRACTURE CARE. (See also 7.7)
8 9	(1) For residents with contractures upon admission, the facility shall have noted the problem, evaluated it, and undertaken restorative nursing intervention.
1 1 2 3 4	(2) For residents with contractures that occurred while in the facility, the facility shall have documented that range of motion and/or repositioning was performed before the contracture developed; if the resident refused treatment or preventive measures, the. facility shall have documented that such measures and the consequences of the refusal were explained to the resident.
5 6 7 8	(3) For all other residents with the potential for contracture, the facility shall have developed and be implementing an individualized treatment plan as part of the care plan prescribed in Section 5.7 to prevent or manage contractures and be periodically evaluating the progress. The plan shall be reviewed and revised at least annually as needed.
20	5.1.6 PROMOTION OF MOBILITY. (See also 7.7)
21 22 23 24	(1) For all residents, the facility shall have assessed each resident's ambulation potential and capability at least monthly, designed a plan of care as part of the care plan prescribed in section 5.7 to encourage mobility, be implementing the plan, regularly evaluate progress and revise the plan as needed.
25 26 27	(2) For residents requiring devices and/or personal assistance to ambulate, the facility shall provide and maintain devices in good repair, assist the resident to obtain appropriate footwear, and provide assistance to residents to move and transfer.
28	5.1.7 INDWELLING CATHETER CARE.
29	(1) For residents with any indwelling catheter, the facility shall have:
30	(a) evaluated appropriateness of continued use at least monthly;
31	(b) assessed the reason for the incontinence;
32 33	(c) evaluated the potential of bladder retraining, implementing it, if indicated, or documenting reasons if retraining was not indicated;
34	(d) implemented any physician order for irrigation or catheter replacement.
35 36 37	(2) For residents exhibiting signs or symptoms of urinary tract infection, the facility shall have notified the physician, obtained orders for treatment and implemented such treatment plan.
88	5.1.8 WEIGHT CHANGES. The facility shall:

1	(1) evaluate the resident to determine the cause of the weight change;
2 3 4	(2) develop and implement an individualized plan of care as part of the care plan prescribed by Section 5.7 (including appropriate intervention by other appropriate disciplines); evaluate resident progress as required by Section 5.7, and revise the plan, as needed;
5	(3) observe food and fluid intake and provide encouragement to residents with eating problems;
6	(4) provide reasonable choices of foods to meet personal preferences and religious needs;
7 8	(5) if nourishments are provided as part of the care plan, between meals and at bedtime, document the nourishments provided and whether they are consumed;
9 10	(6) provide assistance in eating or adaptive eating devices and assist residents in obtaining dentures, or dental care, as appropriate to the individual resident;
11	(7) for residents with mouth or gum problems, meet the requirements of part 10.
12	5.1.9 GROOMING.
13 14 15	(1) The facility shall assist the resident to obtain appropriate materials for personal care for the resident, provide personal care in a manner that preserves resident dignity and privacy, and provide social services intervention, if needed.
16 17 18	(2) For residents with inappropriate, unclean, or poorly maintained clothing and/or assistive devices, the facility shall assist the residents to obtain clothing, shoes and devices. Such clothing, shoes and devices shall fit properly, be clean, and be in good repair.
19	(3) For residents with poor oral hygiene, the facility shall meet the requirements of Part 10.
20	5.1.10 EXCORIATION PREVENTION AND GARE. (See also 7.7)
21 22	(1) For all residents who are incontinent or immobile, have impaired sensation, compromised nutritional or fluid status, or inadequate hygiene, the facility shall:
23 24	(a) have completed an initial skin evaluation upon admission and re-evaluated the condition at least weekly;
25	(b) be providing measures to prevent the excoriation, including:
26	(1) maintenance of clean, dry well lubricated skin;
27 28	(2) taking incontinent residents to the bathroom on a regular individualized schedule;
29	(3) evaluating the need for daily baths;
30 31	(4) determining potential trouble spots where microbial growth may occur (breasts, gluteal folds, skin folds).
32	(2) For residents with excoriations, the facility shall:
33 34	(a) develop and be implementing an individualized treatment plan as part of the care

1 2	 (b) evaluate the resident's progress at least daily and review and revise the treatment plan as needed;
3	(c) enter a progress note at least weekly in the health record.
4 5	5.1.11 FLUID MANAGEMENT. The facility shall provide fluid in quantities needed to maintain hydration and body weight and shall:
6	(1) assess each resident's hydration needs;
7 8	(2) observe and evaluate food and fluid intake daily and record and report deviations from sufficient food and fluid intake;
9 10	(3) provide assistance and encouragement to residents requiring assistance to meet their food and fluid requirements;
11	(4) provide self-help adaptive devices and encourage their use.
12 13 14 15	5.1.12 PERSONAL ENVIRONMENT. The facility shall allow for personalization of rooms through the use of residents' personal furniture, appliances, decorations, plants, and memorabilia. The facility may limit the number of furniture items in resident rooms if to do so is necessary to accommodate roommate preferences, fire codes, housekeeping, or safe movement in the room.
16	5.1.13 PERSONAL CHOICE. The facility shall:
17 18	(1) make reasonable efforts to accommodate preferences of roommate, including the right of each resident so requesting to be assigned to a room with non-smokers;
19 20	(2) allow residents flexibility in times to eat main meals, consistent with requirements of Section 11.2 and with its own reasonable staffing and scheduling requirements;
21 22	(3) allow residents flexibility in times to bathe, rise and retire, consistent with its own reasonable staffing and scheduling requirements;
23 24	(4) provide at least one alternative menu choice for each meal of similar nutritive value. The same alternative shall not be used for two consecutive meals.
25 26 27 28 29	5.1.14 PROBLEM RESOLUTION. The facility shall inform residents of the resident council and grievance procedures, the name, address, and phone number of the Long-Term Care Ombudsman, and the phone number and address of the Departments of Health and Social Services and the Colorado Foundation for Medical Care. Staff shall assist residents in raising problems to the facility's administration or appropriate outside agencies.
30 31 32 33 34 35 36 37	5.2 RESIDENT ASSESSMENT. Within twenty-four hours of admission to the long-term care facility, a licensed nurse shall assess each resident's physical, mental, and functional status, including strengths, impairments, rehabilitative needs, special treatments, capability for self administration of medications, and dependence and independence in activities of daily living. The initial assessment shall form the basis of the preliminary care plan. Within seven days of admission, the nurse shall also collaborate with social services staff in assessing discharge potential and shall coordinate assessments with social services, dietetic, and activity staff. These assessments shall form the basis of the interdisciplinary care plan prescribed by Section 5.7.
38	5.2.1 The continuing assessment shall at all times reflect resident status.

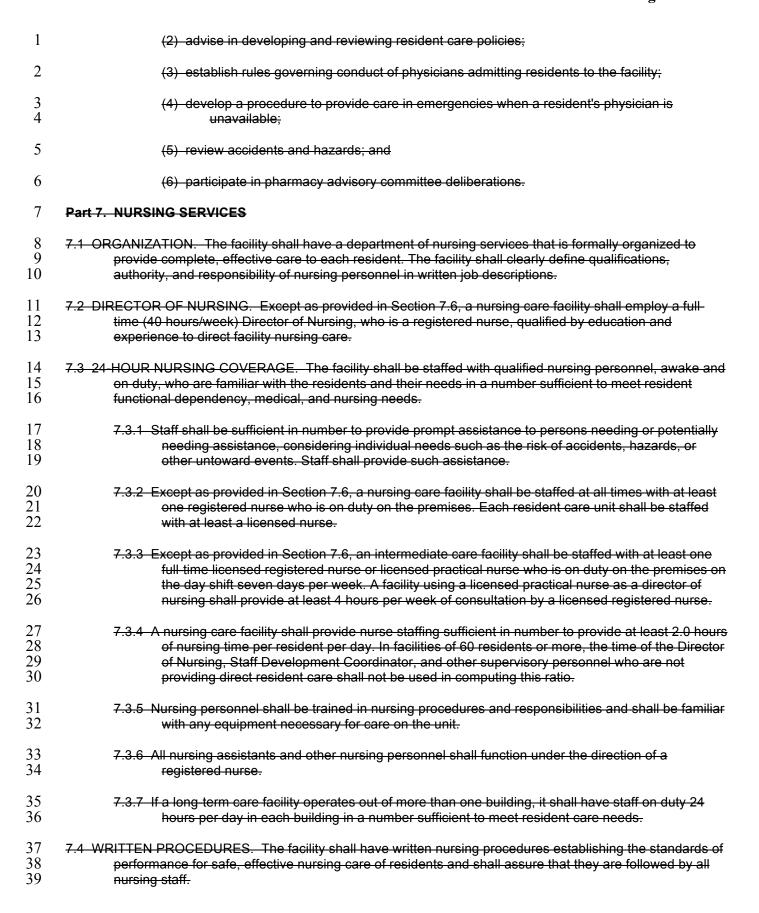

1 2	5.2.2 The assessment shall be updated at least at three month intervals, but in any event whenever a significant change of resident condition occurs.
3 4	5.2.3 The current resident assessment shall be a part of the resident's health record and available for all direct care staff to use.
5 6 7 8	5.3 NURSING CARE PLANNING. A licensed nurse shall prepare an individualized nursing care plan for each resident based on the resident assessment prescribed by Section 5.2 and applicable physician treatment orders. The purpose of the care plan is to create an individualized tool for carrying out preventive, therapeutic, and rehabilitative nursing care.
9 10	5.3.1 Within 24 hours of admission, nursing staff shall prepare and implement a preliminary nursing care plan to meet each resident's immediate needs.
11 12	5.3.2 Within one week of admission, nursing staff shall prepare and implement a comprehensive nursing care plan for each resident.
13 14 15	5.3.3 The plan shall meet each resident's unique needs, problems, and strengths by identifying resident strengths, needs, and problems; specifying care interventions to capitalize on the strengths and meet those needs or problems; and defining the frequency of each intervention.
16 17	5.3.4 The nursing care plan shall be current and evaluated and revised following each assessment and whenever the resident's condition changes.
18 19	5.4 SOCIAL SERVICES CARE PLANNING. Social services staff shall assess social services needs within one week of admission and develop a social services care plan to meet each resident's needs.
20 21	5.5 ACTIVITIES CARE PLANNING. Activities staff shall assess activities needs within one week of admission and shall develop an activities care plan to meet each resident's needs.
22	5.6 NUTRITIONAL CARE PLANNING.
23 24 25 26	(a) The Dietary supervisor or consultant shall prepare an initial nutritional history and assessment for each resident within two weeks of admission that includes special needs, likes and dislikes, nutritional status, and need for adaptive cutlery and dishes and develop a plan of care to meet these needs.
27 28 29 30 31 32 33	(b) In the event the facility elects to utilize paid feeding assistants or feeding assistant volunteers pursuant to Part 11.001 of this Chapter V, as part of the history and assessment conducted pursuant to paragraph (a) of this 5.6, the interdisciplinary team shall evaluate each resident regarding the suitability of the resident to be fed and hydrated by a feeding assistant. Such evaluation shall include, but need not be limited to each resident's level of care, functional status concerning feeding and hydration, and, the resident's ability to cooperate and communicate with staff.
34 35 36	5.7 INTERDISCIPLINARY CARE PLANNING. Within two weeks of admission, an interdisciplinary long-term care facility staff team shall develop a personalized overall care plan for each resident based on the resident assessments and applicable physician orders.
37 38	5.7.1 The overall care plan shall contain a list of resident problems and the discipline that will address each problem in its own more detailed plan of care.
39 40	5.7.2 The overall care plan shall be evaluated according to the goals set out in the plan, following each assessment and whenever the resident's condition changes.

Page 19 of 123

5.7.3 The interdisciplinary team shall consist of representatives of resident services inside and outside the facility, as appropriate, including at least nursing, social services, activities, and dietetic staff. Other persons, such as medical, pharmacy, and special therapies, shall be included as appropriate. Residents and their representatives shall be invited to participate in care planning. Refusal to participate shall be documented.

Part 6. MEDICAL CARE SERVICES

- 6.1 PHYSICIAN CARE. Each facility resident shall be admitted to the facility by a physician and have the benefit of continuing health care under supervision of a physician. The facility shall have written policies developed by the medical advisor to coordinate and designate responsibility when more than one physician is treating a resident. [See Part 26 exceptions]
 - 6.1.1 The facility shall take all necessary steps to assure that upon admission, the physician provides to the facility sufficient information to validate the admission and identify the resident and a medical plan of therapy to include diet, medications, treatments, special procedures, activities, specialized rehabilitative services, if applicable, and potential for discharge.
 - 6.1.2 The facility shall take all necessary steps to assure that the admitting physician provides to the facility on admission the anticipated schedule of visits to meet resident needs, which shall be no less often than every 6 months. Acknowledgement of the visit schedule by the resident or authorized representative shall be documented in the health record.
 - 6.1.3 The facility shall take all necessary steps to assure that telephone orders are received by a physician, licensed nurse or other appropriate disciplines as authorized by their professional licensure and are countersigned by the attending physician or dentist and entered in the record within 2 weeks.
 - 6.1.4 The facility shall take all necessary steps to assure that the attending physician authenticates medical histories and physical examinations completed by other authorized personnel.
 - 6.1.5 The facility shall take all necessary steps to assure that a licensed dentist authenticates dental examinations and dental histories completed by other authorized personnel and signs dental treatment records.
 - 6.1.6 The facility shall take all necessary steps to assure that the attending physician writes a progress note following each visit, and at least once per year provides a written evaluation of the resident's current medical status compared to the previous year's status.
 - 6.1.7 The facility shall take all necessary steps to assure that all drugs and therapies ordered by the physician are supported by diagnoses indicating the use of those drugs and therapies.
- 6.2 MEDICAL DIRECTOR. The facility shall retain by written agreement a physician to serve as medical director to the facility.
 - 6.2.1 The medical director is responsible for overall coordination of medical care in the facility and for systematic review of the quality of the health care provided by the facility and the medical services provided by the physicians in the facility. The medical director shall develop policies and procedures for medical care and for the physicians admitting residents to the facility.
 - 6.2.2 The medical director is responsible to:
 - (1) be a liaison between the facility and admitting physicians on matters related to attendance on residents, prompt writing of orders, and responding to requests by facility staff;

2	7.4.1 Procedures shall include the requirement that medications be administered in compliance with applicable Colorado law.
3 4	7.4.2 The nursing procedures shall be evaluated and revised as necessary, but no less often than annually.
5 6	7.5 NURSE STAFF RESPONSIBILITIES. Nursing staff shall participate in resident assessment, resident care planning, and resident nursing care, as prescribed by this Part and Part 5.
7 8 9 10 11	7.6 EXCEPTIONS. Nothing contained in this Part shall require any rural long-term care facility certified as a Skilled Nursing Facility or an Intermediate Care Facility under Medicaid to employ nursing staff beyond current federal certification requirements. Since federal standards require that nurse staffing be sufficient to meet the total nursing needs of all residents, resident conditions will in all events determine the specific numbers and qualifications of staff that each facility must provide.
12	7.6.1 A rural facility is one that is located in:
13	(1) a county of fewer than fifteen thousand population; or
14 15	(2) a municipality of fewer than fifteen thousand population that is located ten miles or more from a municipality of fifteen thousand population or over; or
16 17	(3) the unincorporated part of a county ten miles or more from a municipality of fifteen thousand population or more.
18 19 20 21	7.6.2 To the extent that these regulations require any facility to employ a registered nurse more than 40 hours per week, the Department may waive such requirements for such periods as it deems appropriate if, based on findings consistent with Part 4 of chapter II of these regulations it determines that:
22	(1) The facility is located in a rural area as defined in Subsection 7.6.1;
23 24	(2) The facility has at least one full time registered nurse who is regularly on duty 40 hours per week;
25 26 27 28 29 30	(3) The facility has only residents whose attending physicians have indicated in orders or admission notes that each resident does not require the services of a registered nurse for a 48 hour period or the facility has made arrangements for a professional nurse or physician to spend such time at the facility as is determined necessary by the resident's attending physician to provide needed services on days when the regular full-time registered nurse is not on duty; and
31 32 33	(4) The facility has made and continues to make a good faith effort to comply with the more than 40 hour registered nurse requirement, but registered nurses are unavailable in the area.
34 35 36	7.7 SUPPLIES AND EQUIPMENT. The facility shall provide the supplies and equipment necessary to conduct the preventive, therapeutic, and rehabilitative nursing program. Equipment includes devices to assist residents to perform activities of daily living.
37	7.7.1 Equipment shall be maintained in clean and proper functioning condition.
38 39	7.7.2 The facility shall provide or assist residents to obtain walkers, crutches, canes, and wheelchairs (with appropriate padding), all of which shall fit residents properly.

1 2	7.7.3 Nursing staff shall be trained in rehabilitative nursing procedures, including preventive nursing care measures, and in the proper use of prosthetic devices and equipment.
3	7.8 CARE POLICIES. The facility shall have written resident care policies approved by the governing body,
4	which staff shall follow.
5	7.9 RESIDENT SOCIALIZATION. Except where contraindicated by physician order or resident preference,
6 7	residents shall be dressed, encouraged to be active, be out of bed for reasonable periods of time each day, and encouraged to eat in a dining room.
8	7.10 MEDICATION ADMINISTRATION. Medications shall be identified as provided in Subsection 16.3.2. Staff
9 10	shall verify identification of the medication when the medication is prepared as well as when it is administered.
11	7.10.1 Medications and treatments shall be given only as ordered by a physician.
	7.10.1 Medications and treatments shall be given only as ordered by a physician.
12	7.10.2 Medication shall be administered in a form that can be most easily tolerated by, the resident.
13	Staff shall not mask the medication or alter its form, through crushing or dissolving or other
14	means, if to do so would be hazardous and not without first informing the resident or
15	responsible party.
16	7.10.3 Medications that are prepared but unused shall be disposed of in accordance with state law and
17	the facility's written procedures.
18	7.10.4 All administered medications shall be recorded in the resident's health record, indicating the
19	name, strength, dosage, and mode of administration of the medication, the date and time of
20	administration, and the signature of the person administering the medication.
21	7.10.5 To encourage independence and prepare residents for discharge, the facility shall permit self-
22	administration of medications in appropriate cases upon the order of the attending physician
23	and under the guidance of a registered or a licensed practical nurse.
24	7.10.6 If facility policy permits medications to be kept at the bedside, the pharmaceutical advisory
25	committee shall approve such types of medications. The facility shall assure that each such
26	medication is ordered by the physician to be kept at the bedside, it is used properly, use is
27	documented, and it is stored in a secure manner that protects all residents.
28	7.10.7 Drug reactions and significant medication errors shall be reported within thirty minutes to the
29	resident's physician. A call to the office or answering service does not meet the facility's
30	responsibility to provide emergency care. The resident's condition shall be monitored for 72
31	hours and observations documented in the health record.
32	7.10.8 If a resident is administered psychoactive medications, he or she snail be evaluated for
33	symptoms of tardive dyskinesia at least every three months.
34	7.11 RESTRAINTS.
35	(A) A PHYSICAL RESTRAINT is any manual method or physical or mechanical device,
36	material or equipment attached or adjacent to the resident's body that the individual
37	cannot remove easily which restricts freedom of movement or normal access to one's
38	body.
39	(B) A CHEMICAL RESTRAINT is anything that is used for discipline or convenience and not
40	required to treat medical symptoms. Any medication that can be used both to treat a
41	medical condition and to alter or control behavior shall be evaluated to determine its

1 use for the resident. If a medication is used solely or primarily to treat a medical 2 condition, it is not a chemical restraint. 3 7.11.1 Linen shall not be used as restraints. 4 7.11.2 The facility shall establish written policies and procedures governing the use of physical and 5 chemical restraints and shall assure that they are followed by all staff members. 6 7.11.3 Physical and chemical restraints shall only be used upon the order of a physician and only when necessary to prevent injury to the resident or others, based on a physical, functional, emotional 8 and medication assessment. 9 7.11.4 Restraints shall not be used for disciplinary purposes, for staff convenience or to reduce the 10 need for care of residents during periods of understaffing. 11 7.11.5 Whenever restraints are used, a call signal switch or similar device within reach or other 12 appropriate method of communication shall be provided to the resident. 13 7.11.6 If the resident needs emergency care, restraints may be used for brief periods to permit medical 14 treatment to proceed, unless the resident or legal representative has previously made a valid 15 refusal of the treatment in question. A resident whose unanticipated violent or aggressive 16 behavior places the resident or others in imminent danger does not have the right to refuse the 17 use of restraints as long as those restraints are used as a last resort to protect the safety of the 18 resident or others and use is limited to the immediate episode. 19 7.11.7 Residents in physical restraints shall be monitored at least every 15 minutes to assure that the 20 resident is properly positioned, blood circulation is not restricted, and other resident needs are 21 22 7.11.8 At least every two hours during waking hours, residents shall have the physical restraint 23 removed and shall have the opportunity to: drink fluids, be toileted, and be exercised, moved, or 24 repositioned, which activity shall be documented in the health record. 25 7.12 SAFETY DEVICES. A safety device such as an alarm, helmet or pillow is used to protect the resident from 26 injury to self, maintain body alignment, or facilitate comfort. Prior to using any safety device, the facility 27 shall assess the resident to properly identify the resident's needs and medical symptom/s that the safety 28 device is being employed to address. The facility shall also evaluate whether any safety device being 29 used meets the definition of a physical restraint as defined at section 7.11(A). 30 7.12.1 Linen shall not be used as safety devices. 31 7.12.2 Safety devices shall not be used for disciplinary purposes, for the convenience of staff, or to reduce the need for care of residents during periods of understaffing. 33 7.12.3 The facility shall establish written policies and procedures governing the use of safety devices 34 and shall assure that they are followed by all staff members. 35 7.12.4 If a safety device meets the definition of a restraint, then all regulations under section 7.11 apply. 36 37 A registered nurse may order a safety device after assessing and determining the need exists. Through the nursing assessment, if the need is ongoing, a comprehensive, documented 38 physical and functional assessment shall be completed no less often than after the first 24 39 hours, at the end of the week, and monthly thereafter. 40 7.12.5 At least every two hours residents with safety devices shall be monitored and such monitoring 41 shall be documented.

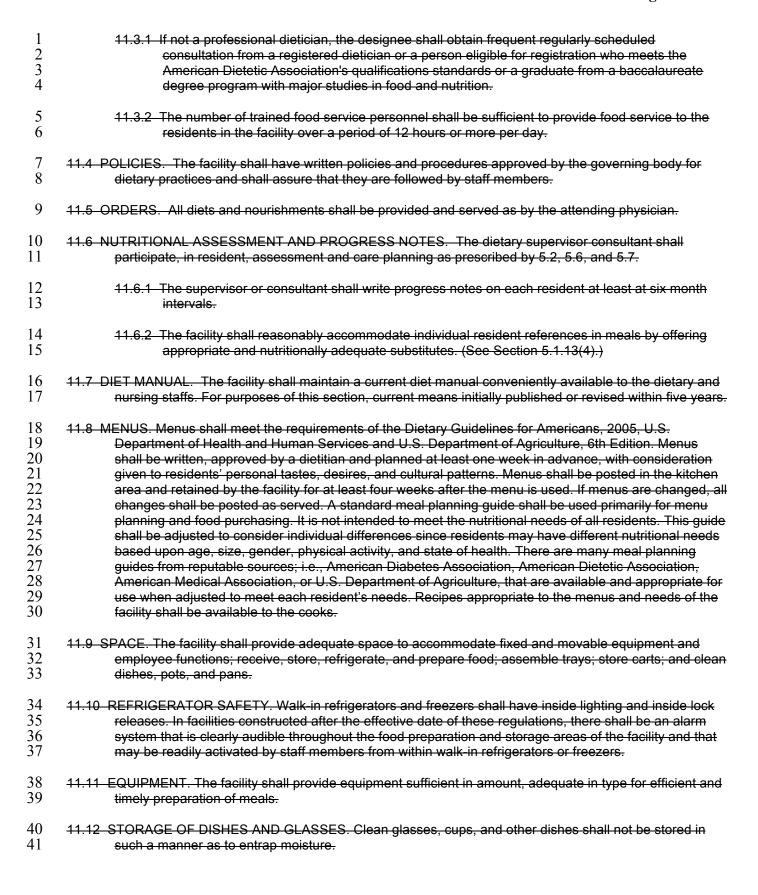

Page 22 of 123

1 7.12.6 Residents with safety devices shall have either a call signal switch or similar device within reach 2 or some other appropriate means of communication provided. 3 7.13 PHYSICIAN NOTIFICATION. Facility staff shall notify the attending physician promptly in cases of 4 significant change in resident status and any incident or accident involving the resident. 5 Part 8. SOCIAL SERVICES 6 8.1 SOCIAL SERVICES. The facility shall identify, plan care for, and meet the identified emotional and social 7 needs of each resident to enhance resident psycho-social health and well-being. 8 8.1.1 Social services staff shall be involved in the pre-admission process, providing input as to appropriateness of placement from a psycho-social perspective, except in emergency 10 admissions. Such involvement may include contact with the prospective resident or family 11 member, or interdisciplinary conferences that consider psycho-social issues as well as 12 medical/nursing criteria. 13 8.1.2 Social services staff shall provide for addressing needs of individuals or groups, either directly by 14 staff or by referral to community agencies. 15 8.1.3 Social services staff shall assist residents and families in coping with the medical and psycho-16 social aspects of the resident's illness and disability and the stay in the facility. 17 8.1.4 Social services staff shall assist residents in planning, for discharge by coordinating service 18 delivery with the nursing staff and by assessing availability and facilitating use of financial and 19 social support services in the community. 20 8.1.5 When services, such as community mental health services, are available in the community to 21 meet special residents' social and emotional needs, social services staff shall provide 22 appropriate referrals to community services. 23 8.1.6 Social services staff shall coordinate transfers (other than medical transfers) within and out of the facility and assist residents in adjusting to intra-facility. transfers. 25 8.1.7 Social services staff shall participate in resident assessment and care planning as prescribed by 26 5.2, 5.4, and 5.7, and shall provide social services to residents. Staff shall review and update 27 the assessment and care plan at least every six months. 28 8.1.8 Social services staff shall record information on social history in the health record and review it at 29 least annually. 30 8.1.9 Social services staff shall record progress notes in the resident's health record at least quarterly 31 for the first six months that a resident is in a long-term care facility and at least semi-annually 32 thereafter. 33 8.1.10 Social services staff shall participate in developing policies and procedures pertaining to social 34 services in the facility. 35 8.1.11 Social services staff shall provide orientation to new residents and their families (including 36 explanation of residents' rights) and assistance to residents and families in raising concerns 37 about resident care. 38 8.2 STAFFING. The facility shall employ social services staff qualified as provided in Subsections 8.2.1 and 39 8.2.2 and sufficient in number to meet the social and emotional needs of the residents.

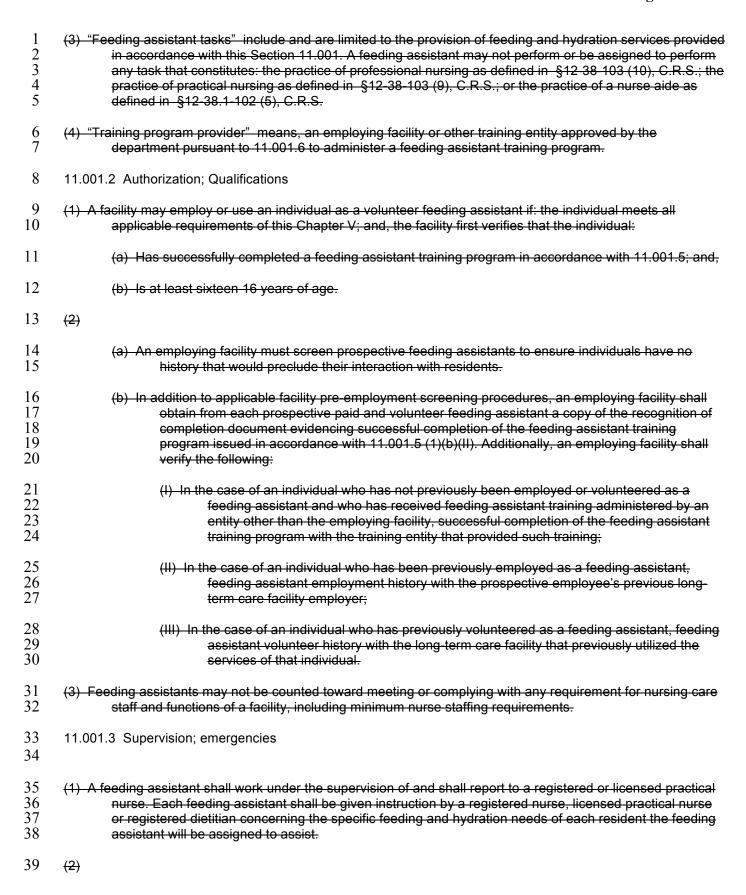

1 2	8.2.1 A qualified social work staff member of a public or private non-profit facility* is a person who is either:
3 4	(1) A social worker licensed or authorized expressly by state law to practice under supervision of a licensed social worker; or
5 6	(2) a person with a Master's or Bachelor's Degree in social work; or
7 8 9 10	(3) a person with a Master's or Bachelor's Degree in a related human services field who has monthly consultation from a person meeting the qualifications in subsections 1, or 2. The consultation shall be sufficient in amount to assist the social work staff to meet resident needs.
11 12 13 14 15	8.2.2 A qualified social work staff member of a for-profit facility* is a person who is either a social worker licensed or authorized expressly by state law to practice under supervision of a licensed social worker or a person with a Master's or Bachelor's Degree in social work or other human services field who has monthly consultation from a person so licensed or authorized; the consultation shall be sufficient in amount to assist the social work staff to meet resident needs.
16 17 18	8.2.3 Any facility that on the effective date of these regulations employed a person with a high school degree or GED as social services staff may continue to employ that individual with prescribed consultation.
19 20 21 22	8.2.4 Any facility located in a rural area as defined by subsection 7.6.1 may apply for a waiver under Part 4 of chapter II of the qualifications for a social services staff member under this section if it demonstrates that it has made a good faith effort to hire staff with the required qualifications, but that qualified social services staff are unavailable in the area.
23 24 25 26	8.3 FACILITIES AND EQUIPMENT. The facility shall provide for social services staff suitable space, equipped with a telephone, for confidential interviews with residents and families. The space shall provide visual and auditory privacy and locked storage for confidential records and be accessible to non-ambulatory persons.
27	Part 9. RESIDENT ACTIVITIES
28 29 30 31	9.1 ACTIVITIES PROGRAM. The facility shall offer a program of organized activities that promotes residents' physical, social, mental, and intellectual well-being, encourages resident independence and pursuit of interests, maintains an optimal level of psycho-social functioning, and retains in residents a sense of continuing usefulness to themselves and the community.
32 33 34 35	9.1.1 Activities shall be broad enough in scope to stimulate participation of all residents, including residents with mental and emotional impairments, but no resident shall be compelled to participate in any activity. Each month, activities shall include at least one from each of the following categories: social/recreational, intellectual, physical, spiritual, and creative.
36 37	9.1.2 The facility shall provide individual and group activities designed to meet each resident's individual needs.
38 39	9.1.3 Activities staff shall participate in resident assessment and care planning as prescribed by 5.2, 5.5, and 5.7, and shall implement activity programs.
40 41 42	9.1.4 The facility shall develop programs to encourage community contact, including use of community volunteers inside the facility and activities for residents outside the facility. The facility shall make reasonable arrangements for transportation for residents to such activities.

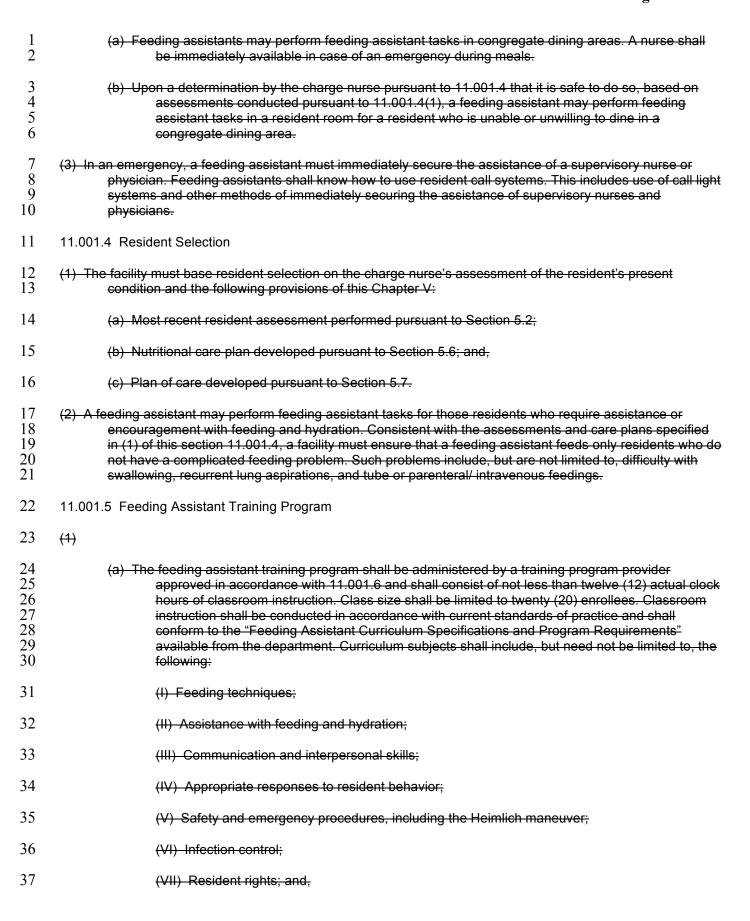

1 2	9.1.5 The facility shall provide activities daily, including at least one evening per week. Activities in addition to religious services shall be provided on weekends each week.
3 4	9.1.6 The facility shall post a monthly activities schedule where it is visible to all residents and families indicating date and time of each activity that is open to all residents.
5 6	9.1.7 The facility shall retain activity attendance records, maintained in a location other than the health record.
7 8	9.2 STAFFING. The facility shall employ activities staff sufficient in number to meet resident needs and qualified as either:
9 10	(1) an activity professional certified by the National Certification Council for Activity Professionals as an Activity Director Certified or Activity Consultant Certified;
11 12 13	(2) an occupational therapist or occupational therapy assistant meeting the requirements for certification by the American Occupational Therapy Association and having at least one year of experience in providing activity programming in a long term care facility;
14 15 16	(3) a therapeutic recreation specialist (registered by the National Therapeutic Recreation Society) having at least one year of experience in providing activity programming in a long term care facility;
17 18 19	(4) a person with a Master's or Bachelor's degree in the social or behavioral sciences who has at least one year of experience in providing activity programming in a long term care facility;
20 21 22 23	(5) a person who has completed, within a year of employment, a training course for activity professionals in an accredited state facility [if available] and who has at least two years experience in social or recreational program work, at least one year of which was full- time in an activities program in a health care setting; or
24 25 26	(6) a person with monthly consultation from a person meeting the qualifications set forth in subsections (1) through (5). The consultation shall be sufficient in amount to assist the activity staff members to meet resident needs.
27 28 29	9.3 RELIGIOUS SERVICES. The facility shall assist residents who are able and wish to do so to attend religious services of their choice. The facility shall honor resident requests to see their clergy and provide private space for such visits.
30 31 32 33	9.4 SPACE AND EQUIPMENT. The facility shall make available the supplies, space, and equipment to provide an activities program that meets each resident's individual needs. The facility shall provide an activities and recreation area and provide at least: books, current newspapers, games, stationery, radio, and television.
34	Part 10. DENTAL SERVICES
35 36 37	10.1 DENTAL EXAMINATION. Upon admission, each resident of a facility upon his/her consent or upon the consent of a responsible person, shall have an oral examination by a licensed dentist or an initial oral inspection by a licensed dental hygienist designated by a dentist.
38 39	10.1.1 The facility shall take all necessary steps to assure that the dental examination is conducted according to current dental practice.
40	10.1.2. The facility is not responsible to pay for such services.

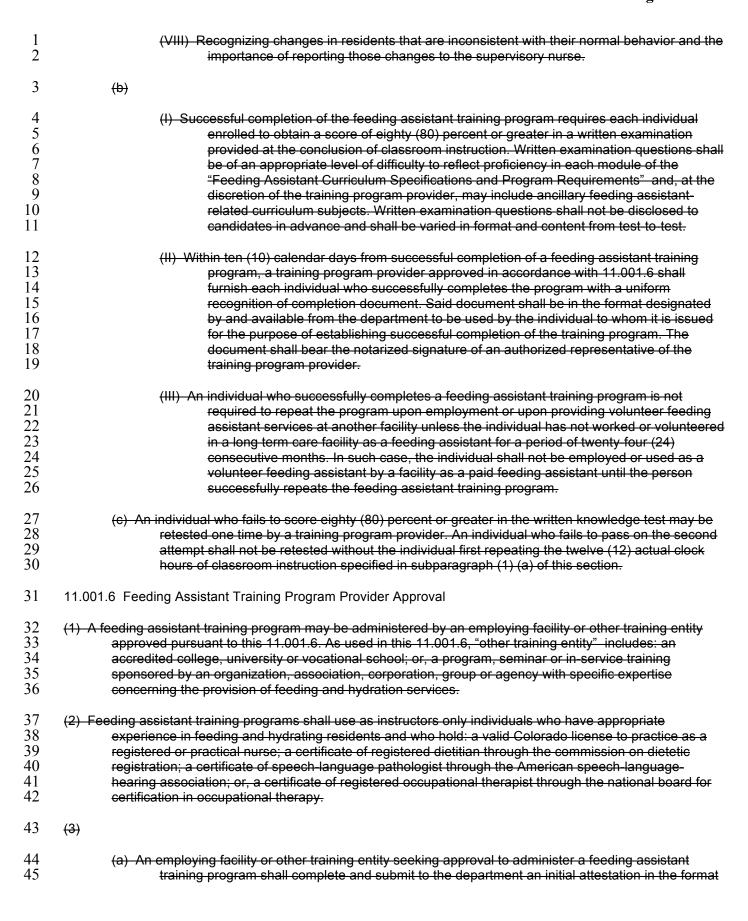

2	10.1.3 If the local dental society provides a list of dentists who are willing to participate, the facility shall make the list available to the residents.
3 4 5	10.1.4 In lieu of the admission examination, the resident may present written results, for entry into his/her medical record, of an oral examination administered during a period not to exceed six months prior to admission.
6 7 8	10.2 DENTAL RECORDS. The dentist or the designated dental hygienist is responsible for the dental record. For residents agreeing to participate in the program, the facility shall take all necessary steps to assure that there are complete, accurate dental records that include the following:
9	10.2.1 Results of all current dental examinations and plans for treatment.
10	10.2.2 One of the following to document provision of planned treatment:
11	(1) Record of treatment provided pursuant to a plan for treatment.
12 13 14 15	(2) A document signed by each resident of a nursing care facility or responsible party that states that the resident or responsible party is aware of any and all specific oral pathology identified during an oral examination of the resident, but elects not to obtain treatment because of cost or other reasons.
16 17 18	(3) In the event that the resident or responsible party elects not to obtain the initial oral examination, a signed statement to that effect in the resident's permanent medical record, which substitutes for the dental record requirement.
19 20 21 22	10.3 ORAL APPLIANCES. Upon consent, all residents' removable oral appliance and personal hygiene appliances (including without limitation, full dentures, partial dentures, and toothbrushes) shall be clearly identified and marked in a permanent manner with the user's name, as recommended by the dentist designated as advisory dentist to the facility.
23 24	10.4 DENTAL HYGIENE. Each facility shall implement policies for an oral hygiene for its residents, in consultation with the advisory dentist or the designated dental hygienist.
25 26 27	10.4.1 Direct care staff from each facility shall have at least annual inservice training course in preventive dentistry and oral hygiene, conducted by a dentist, dental hygienist, or preventive dental aide.
28	Part 11. DIETARY SERVICES
29 30 31	11.1 DIETARY SERVICES. The facility shall provide meals that are nutritious, attractive, well balanced, in conformity with physician orders, and served at the appropriate temperature in order to enhance residents' health and well being. It shall also offer nourishing snacks.
32 33 34 35 36 37	11.2 ORGANIZATION. The facility shall have an organized food service, appropriately planned, equipped, and staffed to prepare and serve the number of meals created in the kitchen. The facility shall offer at least three meals or their equivalent per day, at regular times, with not more than 14 hour between the beginning of the evening meal and breakfast. Routine seatings shall be no later than 8 A.M. for breakfast and no earlier than 5 P.M. for the evening meal. Timing of meals shall generally comport with cultural practices in the community, unless inconsistent with these regulations.
38 39 40	11.3 PERSONNEL. The administrator shall designate a dietician or person qualified by training and experience to be responsible for the dietary services.

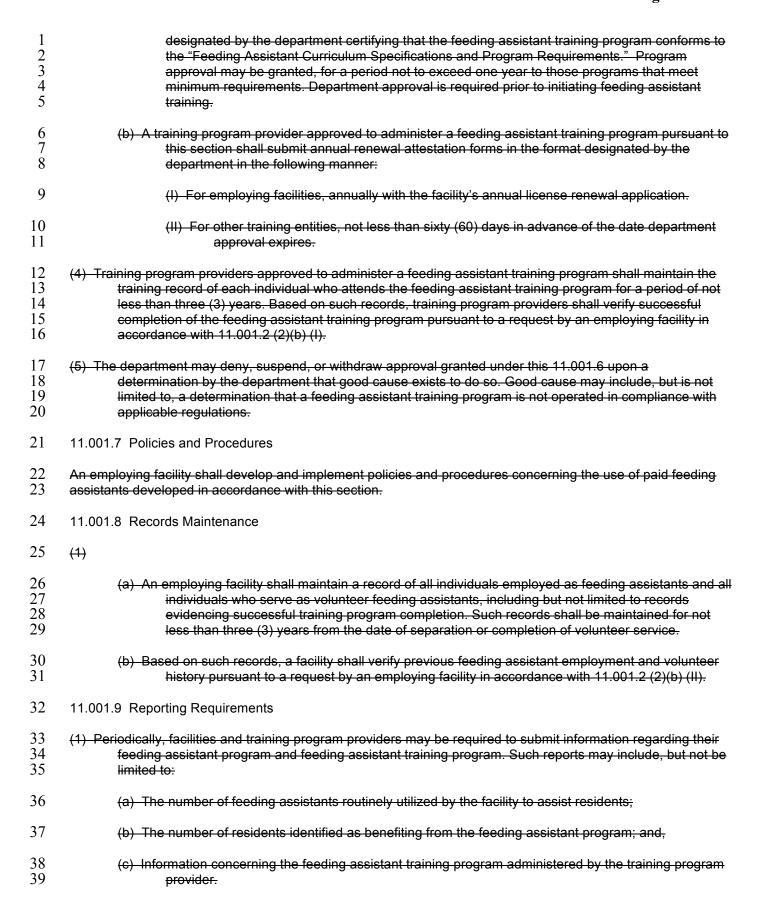

1 11.13 ISOLATION. Dishes and utensils with which food is served to residents in isolation because of infectious 2 diseases shall be sanitized if they are contaminated with infectious material such as blood drainage or 3 secretions or shall be disposable. 4 5 6 11.14 MILK. Milk for drinking shall be provided to consumers in an unopened, commercially filled container not exceeding a one pint capacity, or drawn from a commercially filled container stored in a mechanically refrigerated bulk milk dispenser, or poured directly into the drinking vessel from a commercially filled 7 half-gallon or gallon container that has been refrigerated until served to maintain a temperature of 45 8 degrees FAHRENHEIT or less. 9 11.15 NAIL POLISH AND FALSE NAILS. Staff involved in preparing and serving food shall not wear nail polish 10 or false nails. 11 11.16 DINING AND RECREATIONAL FACILITIES. Dining and recreation areas shall be readily accessible to 12 all residents, and shall not be in a hallway or lane of traffic in or out of the facility. Such space shall be 13 sufficient to accommodate activities conducted there, consistent with resident comfort and safety. The 14 dining and recreation areas may be separate or combined. 15 Part 11.001. FEEDING ASSISTANTS 16 11.001.1 Definitions. 17 Unless otherwise indicated, as used in Part 11.001: 18 (1) 19 (a) "Feeding assistant" means an individual who assists residents by performing feeding assistant 20 tasks, meets the requirements of Section 11.001.2 and 11.001.3; and, is paid as an employee 21 of a facility; used by a facility under arrangement with another agency or organization; or, who is 22 an unpaid volunteer. 23 (b) The following individuals may provide feeding assistance to residents without meeting the requirements of section 11.001.2 and 11.001.3: 25 (i) Registered or licensed nurses; 26 (ii) Certified nurse aides: 27 (iii) Registered dietitians; 28 (iv) Licensed health care practitioners with appropriate experience in feeding and hydrating 29 residents: 30 (v) Private duty aides and students in nursing education programs and other allied health 31 programs 32 who utilize facilities as clinical practice sites; or, 33 (vi) Resident family members. 34 (2) "Employing facility" means a facility that employs paid feeding assistants or utilizes the services of volunteer 35 feeding assistants.

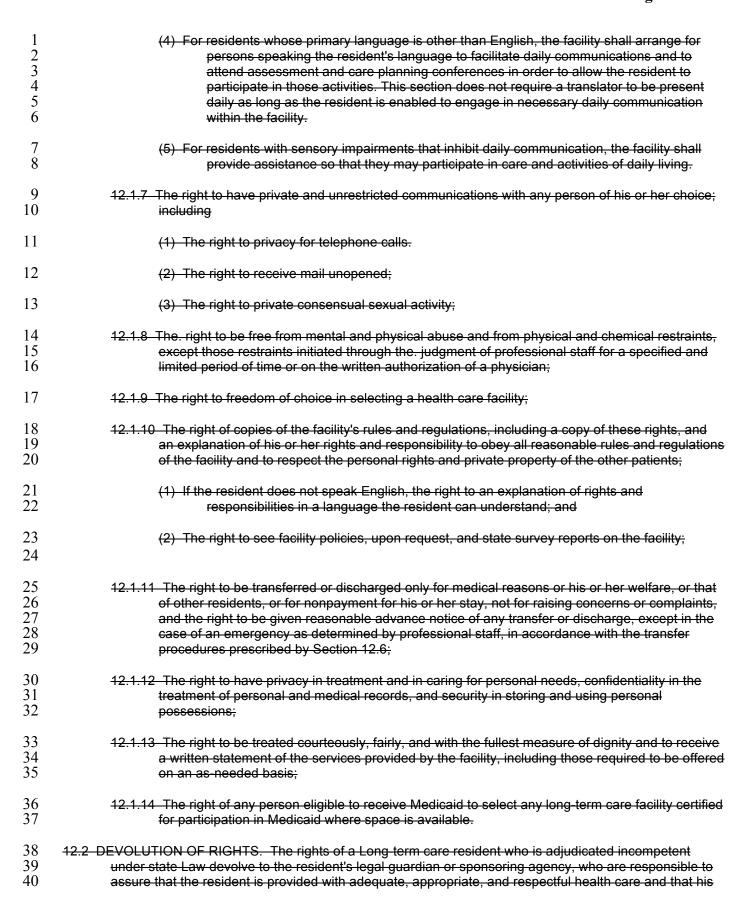

Page 34 of 123

Part 12. RESIDENTS' RIGHTS

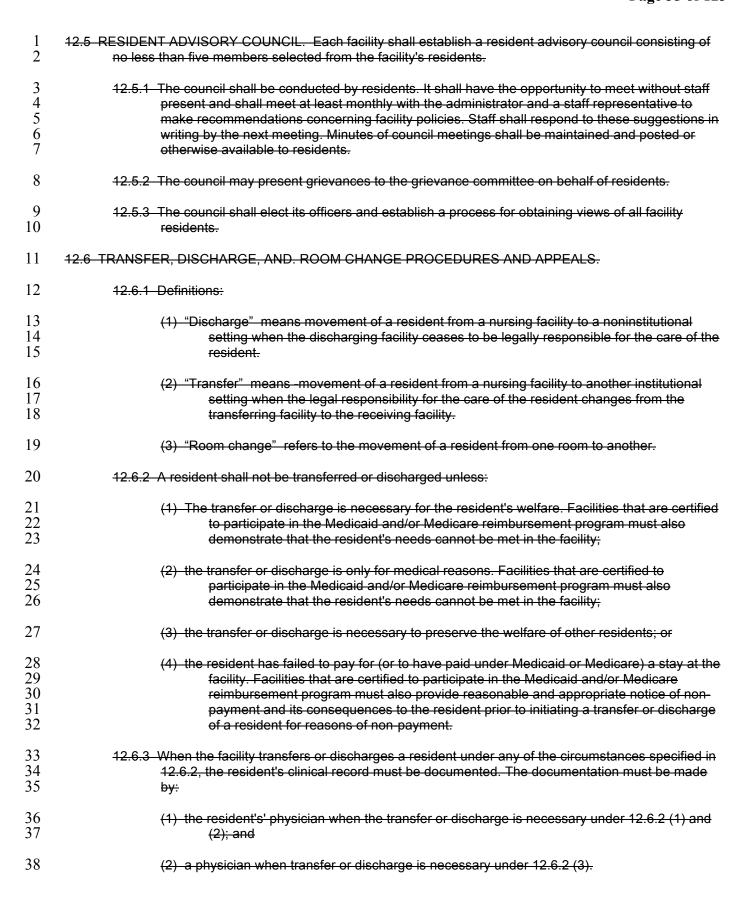

1

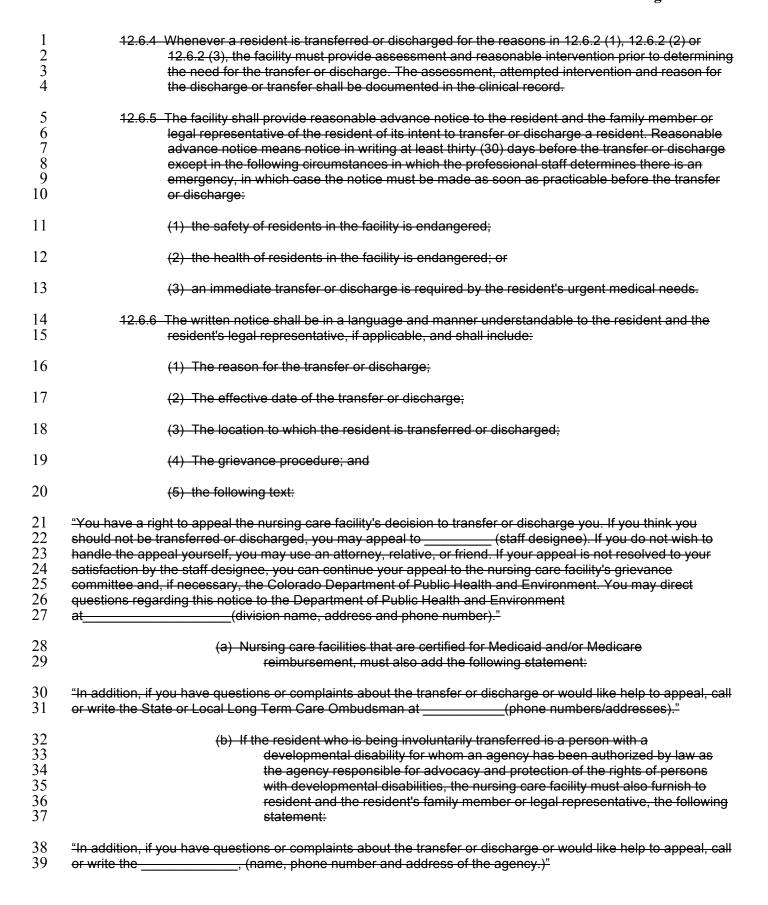

2 3 4 5	12.1 RESIDENTS' RIGHTS. The facility shall adopt a statement of the rights and responsibilities of their residents, post it conspicuously in a public place, and provide a copy to each resident or guardian before admission. The facility and staff shall observe these rights in the care, treatment, and supervision of the residents. Rights shall include at least:
6 7 8	12.1.1 The right to receive adequate and appropriate health care consistent with established and recognized practice standards within the community and with long-term care facility rules issued by the Department;
9	12.1.2 The right to civil and religious liberties, including:
10 11	(1) Knowledge of available choices and the right to independent personal decisions, which will not be infringed upon;
12 13	(2) The right to encouragement and assistance from the staff of the facility in the fullest possible exercise of these rights;
14	(3) The right to vote;
15	(4) The right to participate in activities of the community both inside and outside the facility;
16 17 18 19	12.1.3 The right to present grievances on behalf of him/herself or others to the facility's staff or administrator, to governmental officials, or to any other person, without fear of reprisal, and to join with other patients or individuals within or outside of the facility to work for improvements in resident care, including:
20	(1) The right to participate in the resident council;
21 22 23	(2) The right to be informed of the address and telephone number for the Department and the state and local Nursing Home Ombudsman; the facility shall post these numbers conspicuously;
24 25 26 27	12.1.4 The right to manage his or her own financial affairs or to have a quarterly accounting of any financial transactions made in his or her behalf, should the resident delegate such responsibility to the facility for any period of time;
28 29 30	12.1.5 The right to be fully informed, in writing, prior to or at the time of admission and during his or her stay, of services available in the facility and of related charges, including charges for services not covered under Medicare or Medicaid or not covered by the basic per diem rate;
31 32 33	12.1.6 The right to be adequately informed of his or her medical condition and proposed treatment unless otherwise indicated by his or her physician, and to participate in the planning of all medical treatment, including:
34 35	(1) The right to refuse medication and treatment, unless otherwise indicated by his or her physician, and to know the consequences of such actions;
36	(2) The right to participate in discharge planning; and
37 38	(3) The right to review and obtain copies of his or her medical records in accordance with Part 5 of chapter II of these regulations.

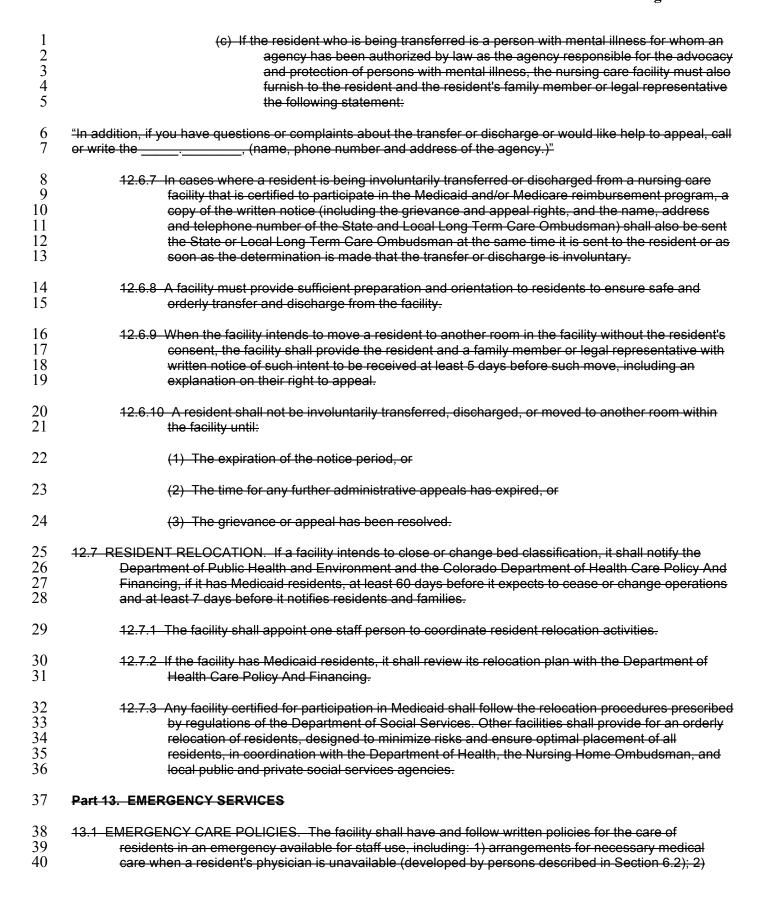

Page 36 of 123

1 or her rights are observed. In the case of devolution, the facility shall observe these rights with respect 2 to the guardian or sponsoring agency. 3 4 5 6 12.3 STAFF TRAINING IN RESIDENTS' RIGHTS. The facility shall provide a copy of the facility's statement of residents' rights at new employee orientation. Current employees shall be provided a copy of the rights no later than the first pay period after receipt of these rules. The facility shall train all staff in the observation and protection of residents' rights. Social services staff shall assist in residents' rights 7 orientation for new employees. 8 9 12.4 GRIEVANCE PROCEDURE. The facility shall develop a grievance procedure, which it shall post conspicuously in a public place, for presentation of grievances by residents, the resident council, or 10 members of the resident's family regarding any conditions, treatment, or violations of rights of any 11 resident by the facility or staff (regardless of the consent of the victim of the alleged improper conduct). 12 12.4.1 The facility shall designate a full time staff member ("staff designee") to receive all grievances. 13 12.4.2 The facility shall establish a grievance committee consisting of the chief administrator or his or 14 her designee, a resident selected by the facility's residents, and a third person agreed upon by 15 the administrator and the resident representative. 16 12.4.3 Any resident or legal representative, or member of a resident's family or the resident council may 17 present a grievance to the facility staff designee orally or in writing within 14 days of the incident 18 giving rise to the grievance. 19 12.4.4 The staff designee shall confer with persons involved in the incident and other relevant persons 20 21 and within 3 days of receiving the grievance shall provide a written explanation of findings and proposed remedies to the complainant and the aggrieved party, if other than the complainant, 22 and legal representative, if any. Where appropriate due to the mental or physical condition of 23 the complainant or aggrieved party, an oral explanation shall accompany the written one. 24 25 12.4.5 If the complainant or aggrieved party is dissatisfied with the findings and remedies of the staff 26 designee or their implementation, within 10 days of receiving the designee's explanation, the 27 complainant or aggrieved party may file the grievance orally or in writing along with any 28 additional information it wishes to the grievance committee. 29 12.4.6 The committee shall confer with persons involved in the incident and other relevant persons, 30 31 including the complainant, and within 10 days of the date of the appeal shall provide a written explanation of its findings and proposed remedies to the complainant and the aggrieved party, if 32 other than the complainant, and to the legal representative, if any. Where appropriate due to the 33 mental or physical condition of the complainant, or aggrieved party, an oral explanation shall 34 accompany the written one. 35 12.4.7 If the complainant or aggrieved party is dissatisfied with the findings and remedies of the 36 grievance committee or their implementation (except for grievances regarding physician or 37 physician-prescribed treatment), the person may file the grievance in writing with the Executive 38 Director of the Department within 10 days of receipt of the written findings of the grievance 39 committee. The Department shall then investigate the facts and circumstances of the grievance 40 and make written findings of fact, conclusions, and recommendations and provide them to the 41 complainant, aggrieved party, legal representative, if any and the facility administrator. 42 12.4.8 If the complainant or facility administrator is aggrieved by the Department's findings and 43 recommendations, he or she may request, within 30 days of receipt of the findings and 44 recommendations, a hearing to be conducted by the Department pursuant to C.R.S. 24-4-105.

1 procedures and training programs that cover immediate care of residents; and 3) persons to be notified 2 in an emergency. 3 4 5 6 7 8 9 13.2 FIRE AND INTERNAL DISASTER PLAN. With the assistance of qualified fire and safety experts, the facility shall develop written policies and procedures for protection of persons within the building in case of fire, explosion, flood, staff shortage, food shortage, termination of vital services, or other emergency in the building. Policies shall include: 1) brief, written instructions, posted at each nurses' station, that include persons to be notified and other immediate steps to be taken before the fire department or other assistance arrives; 2) a schematic plan of the building or portions thereof posted at each nurses' station, showing evacuation routes, smoke stop and fire doors, exit doors, and the location of fire extinguishers 10 and fire alarm boxes; 3) procedures for evacuating helpless residents; A) assignment of specific tasks 11 and responsibilities to the personnel on each shift; 5) provision for at least annual training and 12 instruction to keep employees informed of their duties; and 6) provisions for conducting simulated fire 13 drills at least three times per year. 14 13.3 MASS CASUALTY PLAN. Each facility shall develop a written mass casualty plan for managing residents 15 and treating casualties in an external or community disaster. The program shall be developed in 16 cooperation with other health facilities in the area and with official and other community agencies. 17 Part 14. FACILITY RECORDS 18 19 14.1 HEALTH RECORDS. The facility shall maintain on its premises a health record for each resident. The 20 record and the resident for which it is maintained shall be identified by a separate, unique number. The 21 record shall contain sufficient information to identify the resident; provide and support resident 22 23 24 diagnoses; include orders for medications, treatments, restorative services, diet, special procedures, and activities. It shall include a care plan and discharge plan and indicate in progress notes the resident's progress at appropriate intervals. The components of the record may be kept separately as 25 long as they are readily retrievable. 26 14.1.1 Only physicians, dentists or persons operating under their supervision shall write or dictate 27 28 medical histories and physical examinations in the medical record, and only dentists shall write dental histories. 29 14.1.2 Telephone orders shall be taken by licensed nurses or members of other appropriate disciplines 30 as authorized by their professional licensure and as approved in facility policy. They shall be 31 countersigned by the physician or dentist and entered into the record within two weeks. 32 33 14.1.3 All orders for diagnostic procedures, treatments, and medications shall be entered into the health record and authenticated and signed by the physician, except that orders for dental 34 procedures shall be authenticated and signed by a dentist. All reports of x-ray, laboratory, EKG, 35 and other diagnostic tests shall be authenticated by the person submitting them and 36 incorporated into the health record within two weeks after receipt by the facility. 37 14.1.4 All entries in the health record shall be the original ink or typed copy of valid copies, kept current, 38 dated, and signed or authenticated. The responsibility for completing the health record rests 39 with the attending physician and the facility administrator. A physician may authenticate the 40 health record by written signature, identifiable initials, computer key, or, under the following 41 conditions, facsimile stamp: 42 (1) The physician whose signature the facsimile stamp represents is the only one who has 43 possession of the stamp and is the only one who uses it; and

(2) The physician places in the medical record office a signed statement to the effect that the

physician is the only one who has the stamp and the only one who will use it.

1 2	14.1.5 A completed health record shall be maintained on every resident from the time of admission through the time of discharge. All health records shall contain:
3	(1) Identification and summary sheet that includes:
4 5 6 7 8	(a) resident's name, health record number, social security number, marital status, age, race, home address, date of birth, place of birth, religion, occupation, name of informant and other available identifying sociological data (country of citizenship, father's name, mother's maiden name, military service, if any, and dates),
9	(b) name, address, and telephone number of referral source,
10	(c) name, address, and telephone number of attending physician and dentist,
11	(d) name of next of kin or other responsible person,
12	(e) date and time of admission and discharge,
13	(f) admitting diagnosis, final diagnosis(es), condition on discharge, and disposition, and
14	(g) attending physician's signature.
15	(2) Medical data that includes:
16	(a) medical history,
17 18	(b) medical evaluation reports on admission and thereafter as needed and at least annually,
19	(c) reports of any special examinations, including laboratory and x-ray reports,
20	(d) reports of consultations by consulting physicians, if any,
21	(e) reports from all consulting persons and agencies, if any,
22	(f) reports of special treatments, such as physical or occupational therapy,
23	(g) dental reports, if any,
24 25	(h) treatment and progress notes written and signed by the attending physician at the time of each visit,
26 27 28	(i) authentication of hospital diagnosis(es) in a hospital summary sheet or transfer form when applicable, and a summary of the course of treatment followed in the hospital if the resident is hospitalized,
29 30	(j) physician orders for all medications, treatments, diet, and restorative and special procedures,
31	(k) autopsy protocol, if any, and authorization for autopsy, and
32 33 34	(3) plans and notes of the social service and activities service, including social history, social services assessment/plan, progress notes, activities assessment/plan and activities progress notes;

•	(4) nutritional assessments and progress notes of the dietary service; and
2	(5) reports or accidents or incidents experienced by the resident,
3	(6) Nursing records, dated and signed by nursing personnel, which include the resident
1	assessment required by Section 5.2, all medications and treatments administered,
7	
3	special procedures performed, notes of observations, and the time and circumstances
6	of death.
7	14.2 FACILITIES. The facility shall provide a health record room or other health record accommodation and
8	supplies and equipment adequate for health record functions. Health records shall be maintained and
9	stored safely for confidentiality and protection from loss, damage, and unauthorized use.
10	14.3 PRESERVATION. All health records shall be completed promptly, not later than 30 days following
11	resident discharge, filed, and retained for a period of time consistent with the applicable statute of
12	limitations and the facility's written policies.
13	14.4 STAFFING. A Registered Record Administrator (RRA), Accredited Record Technician (ART), or other
14	employee who is trained in medical records and who has consultation from a registered record
15	administrator or accredited record technician shall be responsible for the custody, supervision, filing,
16	and indexing of completed health records of all residents and for allied health records services.
17	14.5 LONG-TERM CARE FACILITY RECORDS. The facility shall maintain current the following records: 1)
18	daily census including current resident problems and room numbers, 2) admission and discharge
19	analysis records, 3) master resident file, 4) resident number index, and 5) disease index and (6) file of
20	all accident and incident reports, including without limitation, those required by Part 3 of Chapter II.
21	Part 15. OCCUPATIONAL, AND PHYSICAL AND SPEECH THERAPY
22	15.1 OCCUPATIONAL THERAPY. The facility shall provide or make arrangements for referral to occupational
22	15.1 OCCUPATIONAL THERAPY. The facility shall provide or make arrangements for referral to occupational
23	therapy services for all residents whom a physician refers to such therapy. If the facility provides
23 24	therapy services for all residents whom a physician refers to such therapy. If the facility provides occupational therapy services directly, it shall comply with the following requirements:
23	therapy services for all residents whom a physician refers to such therapy. If the facility provides
23 24 25	therapy services for all residents whom a physician refers to such therapy. If the facility provides occupational therapy services directly, it shall comply with the following requirements: 15.1.1 The facility shall have written policies approved by the governing body identifying the organization, administration, performance standards, direction, and supervision of resident care.
23 24 25 26	therapy services for all residents whom a physician refers to such therapy. If the facility provides occupational therapy services directly, it shall comply with the following requirements: 15.1.1 The facility shall have written policies approved by the governing body identifying the organization, administration, performance standards, direction, and supervision of resident care. 15.1.2 Only a qualified occupational therapist, who is a graduate of an occupational therapy curriculum
23 24 25 26 27	therapy services for all residents whom a physician refers to such therapy. If the facility provides occupational therapy services directly, it shall comply with the following requirements: 15.1.1 The facility shall have written policies approved by the governing body identifying the organization, administration, performance standards, direction, and supervision of resident care. 15.1.2 Only a qualified occupational therapist, who is a graduate of an occupational therapy curriculum accredited jointly by the Council on Medical Education of the American Medical Association and
23 24 25 26 27 28 29	therapy services for all residents whom a physician refers to such therapy. 1 2	16.1.2 All compounding and dispensing shall be from a pharmacy licensed by the Colorado Board of Pharmacy in accordance with all pharmacy laws and regulations.
3 4	16.2 ADVISORY COMMITTEE. The facility shall establish a pharmaceutical advisory committee, including a registered nurse, the consulting pharmacist and the medical advisor, to assist in the formulation of
5	broad professional policies and procedures relating to pharmaceutical service in the facility.
6 7	16.3 DRUG REQUISITION AND STORAGE POLICIES. The facility shall designate in written policies approved by the governing body the person authorized to requisition, receive, control, and manage drugs.
8	16.3.1 Resident drugs shall be obtained from a licensed pharmacy on an individual prescription basis for each resident.
0 1 2 3 4	16.3.2 Unless the facility uses a unit dose system, each resident drug shall be stored in individual, originally received containers or "blister" or "bubble" cards that are clearly and legibly labeled with the name, strength, dosage, frequency and mode of administration, date of issue and expiration of the drug; physician's name; name, address, and telephone number of the dispensing pharmacy; and the full name of the resident for whom the drug is prescribed.
5	16.3.3 The facility shall protect each resident's drugs from use by other residents, visitors, and staff.
6 7 8	16.4 CONSULTING PHARMACIST. The facility shall contract in writing with a licensed pharmacist to be responsible for all pharmaceutical matters in the facility. The contract shall set forth the fees to be paid for services and the pharmacist's responsibilities, including at least the following:
9	(1) Legal compounding;
20	(2) Prompt dispensing of properly labeled individual resident prescriptions;
21	(3) Inventory control; establishment of necessary records;
22	(4) Periodic inspection of all pharmaceutical supplies and drugs on all resident care units;
23 24 25	(5) Provision of an emergency medical kit, which remains the property of a licensed pharmacy approved by the pharmaceutical advisory committee and the Colorado State Board of Pharmacy;
26	(6) Regularly scheduled visits and consultations and at least annual in-service training to staff;
27 28	(7) Inspection of prescriptions all drugs for proper labeling, proper storage, and drug deterioration or expiration of shelf life;
29	(8) Determination of proper procurement and maintenance of all prescriptions and other drugs;
80	(9) Development of proper accounting procedures for controlled substances and legend drugs;
31	(10) Evaluation of the rule 01 policies of the pharmaceutical advisory committee; and
32 33 34	(11) Quarterly reports to the Pharmacy Advisory Committee on the status of pharmacy services.
35	
36 37	16.5 CONTROLLED SUBSTANCES. Only practitioners authorized under the laws of the State of Colorado and properly registered with the federal government shall prescribe controlled substances, The facility shall

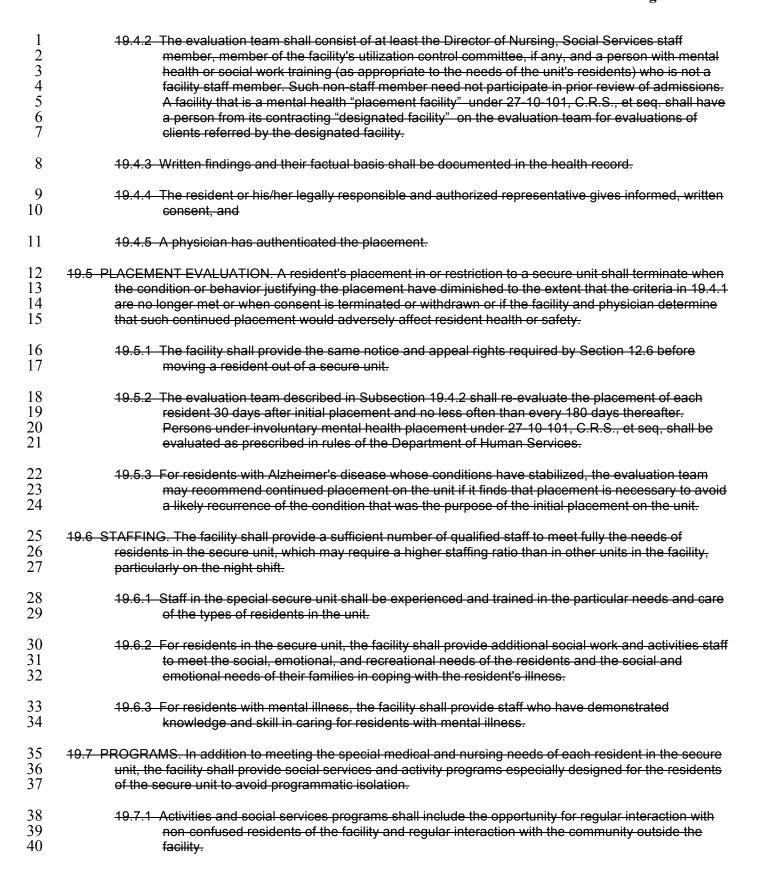

1 comply with all federal and state laws and regulations relating to procurement, storage, administration, 2 and disposal of scheduled drugs. Unless the facility uses a unit dose system, it shall maintain a record 3 on a separate sheet for each resident receiving a scheduled drug, which contains the name of the drug, 4 strength, date, time administered, resident name, dose, physician's name, signature of person 5 administering, and the quantity of the drug remaining. 6 16.6 DISPOSITION OF MEDICATIONS 7 16.6.1 If controlled substances (Schedules 2 through 5) are being held by a facility on behalf of a 8 resident and the controlled substances are no longer needed, the facility shall conduct on site 9 destruction of the controlled substances as follows: 10 (1) The facility shall properly inventory the destruction and keep the inventory copy on file for at 11 least two years. 12 (2) At least the administrator or designee, the supervisory nurse, and the consulting pharmacist 13 shall witness each destruction and sign the destruction inventory. 14 (3) The destruction shall be performed in a manner that renders the controlled substances 15 totally irretrievable. 16 16.6.2 Except for medications returned to a pharmacist or transferred to a relief agency as provided 17 under 6 CCR 1011-1, Chapter II, Subpart 7.200 Donation of Unused Medications, Medical 18 Devices, and Medical Supplies, all prescriptions and other drugs (except controlled substances) 19 remaining upon death or discharge shall be destroyed by the administrator, a registered nurse, 20 and a pharmacist who shall record the quantity of the drugs destroyed. 21 16.7 MEDICATION RELEASE. The facility staff shall release medications to a resident only upon written 22 physician authorization. 23 16.8 RESIDENT DRUG PROFILE RECORD. The dispensing pharmacist shall maintain drug profile records on 24 each resident for whom he or she dispenses medications. 25 Part 17. DIAGNOSTIC SERVICES 26 17.1 POLICIES. The facility shall establish and follow policies for obtaining clinical laboratory, x-ray, and other 27 diagnostic services. 28 17.2 PHYSICIAN ORDERS. Diagnostic services shall be provided only on the order of the attending physician 29 or dentist. 30 17.3 TRANSPORTATION. The facility shall assist residents to make arrangements for transportation of 31 residents and/or laboratory specimens to and from the source of diagnostic services. 32 17.4 REPORTS. All diagnostic reports shall be included in the resident's health record within thirty days of the 33 time the facility receives them. 34 Part 18. RESIDENT CARE UNIT 35 36 18.1 RESIDENT CARE UNIT. A resident care unit means a designated area of a long-term care facility 37 consisting of a bedroom or a grouping of bedrooms with supporting facilities and services that are 38 planned, organized, operated, and maintained to provide adequate nursing and supportive care of not 39 more than sixty residents.

^{*} Other approved facilities for resident services may be substituted to meet the requirements specified in 18.2.1 through 18.2.7, 18.2.9 through 18.2.10, 18.3.1 through 18.3.10 and 18.4.

1 2	18.4 * PERSONNEL TOILET FACILITIES. Toilet facilities shall be provided for personnel on each Resident Care Unit.
3	* Other approved facilities for resident services may be substituted to meet the requirements specified in 18.2.1 through 18.2.7, 18.2.9 through 18.2.10, 18.3.1 through 18.3.10 and 18.4.
5 6 7 8	18.5 EMERGENCY EQUIPMENT AND SUPPLIES. The following shall be readily available at all times: 1) Oxygen; 2) Suction; 3) Portable emergency equipment, supplies and medications; and in nursing care facilities 4) Compatible supplies and equipment for immediate intravenous therapy to be administered only in accordance with applicable Colorado laws.
9	18.6 THERMOMETER. A disinfected thermometer shall be used each time a resident's temperature is taken.
10	18.7 DRESSINGS. There shall be individual resident equipment and supplies for changing dressings.
11	Part 19. SECURE UNITS
12 13 14	19.1 COMPLIANCE. Any facility that has one or more units that are secured to prohibit free egress of residents shall comply with the standards in this Part in addition to all other applicable requirements of this chapter.
15 16 17	19.2 MENTAL HEALTH FACILITIES. Any facility that is a "designated" or "placement" facility under 27-10-101 C.R.S., et seq, shall comply with the regulations of the Department of Human Services. In the case of conflicting regulations, the stricter shall apply.
18	19.3 ADMISSIONS.
19 20 21 22	19.3.1 Residents on a secure unit shall be placed so as to insure that those placed in the unit because they are dangerous to self or wander out of the building and are unable to return on their own are protected from harm by residents who are a danger to others or whose behavior seriously disrupts the rights of other residents.
23 24	19.3.2 Placement on a secure unit shall not be used for the punishment of a resident or the convenience of the staff and shall be the least restrictive alternative available.
25	19.3.3 A facility shall have written programs to treat residents whom it admits, as required by 19.7.
26 27	19.3.4 Residents of a secure unit shall be allowed to have visitors on the unit. Residents of the facility may participate in organized activities on the unit.
28 29	19.4 PRE ADMISSION SCREENING AND PLACEMENT. The facility shall not place a resident into a secure unit unless the requirements of this section are met:
30	19.4.1 An evaluation team finds, based on available evidence, that:
31	(1) the resident is a serious danger to self or others, or
32 33	(2) the resident habitually wanders or would wander out of buildings and is unable to find the way back, or
34 35	(3) the resident has a significant behavior problem that seriously disrupts the rights of other residents; and in all cases
36	(4) less restrictive alternatives have been unsuccessful in preventing harm to self or others; and
37	(5) legal authority for such restrictive authority has been established.

1 2 3	19.7.2 Residents of the secure unit may not be locked into or out of their rooms, except that facilities that are "designated" or "placement" facilities under 27-10-101, C.R.S. et seq, may use seclusion under procedures prescribed by Department of Human Services' regulations.
4 5 6	19.8 PHYSICAL FACILITIES. In addition to the physical plant requirements of these regulations, the facility shall provide at least 10 square feet per resident (excluding hallways) of common areas within the secure unit.
7 8	19.8.1 The facility shall identify its method for securing the unit and establish and implement procedures for monitoring the effectiveness of the security system.
9 10	19.8.2 Any facility that has an outside area or yard that residents in the non-secure areas of the facility may use shall establish a secure outside area for residents of the secure unit.
11 12 13	19.8.3 In accordance with 6 CCR 1011-1, Chapter II, Part 4, a facility may seek a waiver from the standards required in Part 18 of this Chapter that may be detrimental to resident needs, safety, or health.
14	Part 20. HOUSEKEEPING SERVICES
15 16	20.1 ORGANIZATION. Each facility shall establish an organized housekeeping service that keeps the facility clean and orderly and free from odor resulting from poor housekeeping practices.
17 18	20.1.1 The facility shall provide a sufficient number of housekeeping personnel and adequate equipment.
19 20	20.1.2 Deodorizers shall not be used to cover up odors caused by unsanitary conditions, poor nursing care, or housekeeping practices.
21 22	20.2 EQUIPMENT AND SUPPLIES. Suitable equipment and supplies shall be provided for cleaning of all surfaces. Such equipment shall be maintained in a safe, sanitary condition.
23 24	20.3 DISINFECTANTS. Disinfectants shall be only those registered by the manufacturer with the United States Environmental Protection Agency and shall be stored in a manner approved by the Department.
25 26	20.4 STORAGE, Storage areas, attics, and cellars shall be kept safe and free from accumulations of extraneous materials such as refuse, discarded furniture, and old newspapers.
27	20.4.1 Combustibles such as cleaning rags and compounds shall be kept in closed metal containers.
28 29 30 31 32	20.4.2 Cleaning compounds and other hazardous substances (including products labeled "Keep out of reach of children" on their original containers) shall be clearly labeled to indicate contents and (except when a staff member is present) shall be stored in a location sufficiently secure to deny access to confused residents. Janitors' rooms used for storing disinfectants and detergent concentrates, caustic bowl and tile cleaners, and insecticides shall be locked.
33 34	20.4.3 Paper towels, tissues, and other absorbent paper goods shall be stored in a manner that prevents their contamination prior to use.
35 36	20.5 CLEANING METHODS. Cleaning shall be performed in a manner to minimize the spread of pathogenic organisms. Floors shall be cleaned regularly.
37 38	20.6 FLOOR SURFACES. Uncarpeted floors and adjacent base coving shall be maintained to provide a smooth, continuous, washable surface that is free of discoloration or staining. Polishes applied to

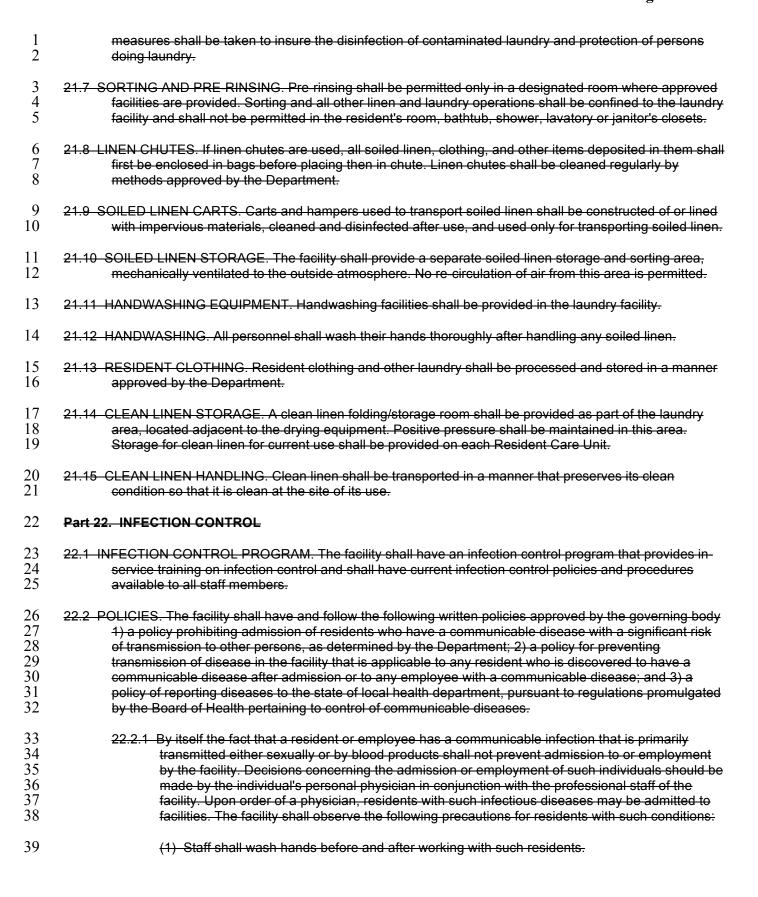

1 uncarpeted floors shall provide a nonslip surface; throw or scatter rugs shall not be used except for 2 nonslip entrance mats. 3 20.7 HANDWASHING. All personnel shall wash their hands thoroughly after handling waste products. 4 20.8 TRAINING AND SUPERVISION. Housekeeping personnel shall receive adequate supervision. Frequent 5 in-service training programs shall be provided for housekeeping personnel. 6 20.9 POISON CONTROL. The facility shall maintain at each nurses' station a current list of potentially 7 hazardous substances in regular use by housekeeping and other staff and the name, manufacturer, 8 EPA registration number, notation of where used and by whom, where stored, cautionary information, 9 antidote if any, and phone number of the poison control center. 10 Part 21. LINEN AND LAUNDRY 11 21.1 LAUNDRY FACILITIES. Laundry facilities and/or contract with commercial laundry shall be provided with 12 the necessary washing, drying, and ironing equipment having sufficient capacity to process a 13 continuous seven-day supply based on ten pounds of dry laundry per bed per day. Laundry equipment 14 shall meet all safety and sanitary requirements. The equipment shall be designed and installed to 15 comply with all state and local laws. Laundry equipment, processing, and procedures shall render soiled 16 linen and patient clothing clean and free from detergent, soap, and other chemical residues. 17 21.1.1 Laundry facilities and operations shall be located in an area separated from Resident Care 18 Units. 19 20 21 21.1.2 In facilities constructed after the effective date of these regulations, there shall be proper 22 spacing and placing of the equipment to minimize material transportation and operation, to 23 avoid all cross traffic between clean and soiled linen, to provide balance of operations, and to 24 provide storage between operations. The general air movement shall be from the cleanest 25 areas to the most contaminated areas. Soiled laundry shall be processed frequently enough to 26 prevent excessive unsanitary accumulations. 27 21.2 WASHING TEMPERATURE. The temperature of water during the washing and hot rinsing process shall 28 29 be a minimum of 130 degrees F and for a combined period of time of at least 25 minutes, and the detergent shall be compatible with the wash cycle and temperature (as evidenced by purveyor 30 statement or literature kept for inspection). Washers shall not be overloaded so as to limit adequate 31 movement of contents and flow of water through the fabrics. 32 21.3 COMMERCIAL LAUNDRY SERVICES. If laundry facilities are not provided entirely within the facility there 33 shall be a written contract between the facility and a commercial laundry service that provides for 34 compliance with Section 21.2. 35 21.4 RESIDENT LINEN SUPPLY. Linen supply (top and bottom sheets, pillowcases, washcloths, bath and face 36 towels) shall be at least three complete changes times the number of licensed beds. All linens shall be 37 maintained clean, in good repair. 38 21.5 SOILED LINEN HANDLING. In removing and handling soiled linen from a bed, there shall be minimal 39 shaking of the linen. Soiled linen, including blankets, shall be placed in bags tightly closed before 40 removal from a bedroom. The bags shall remain closed, shall be removed from the Resident Care Unit 41 at least every eight hours.

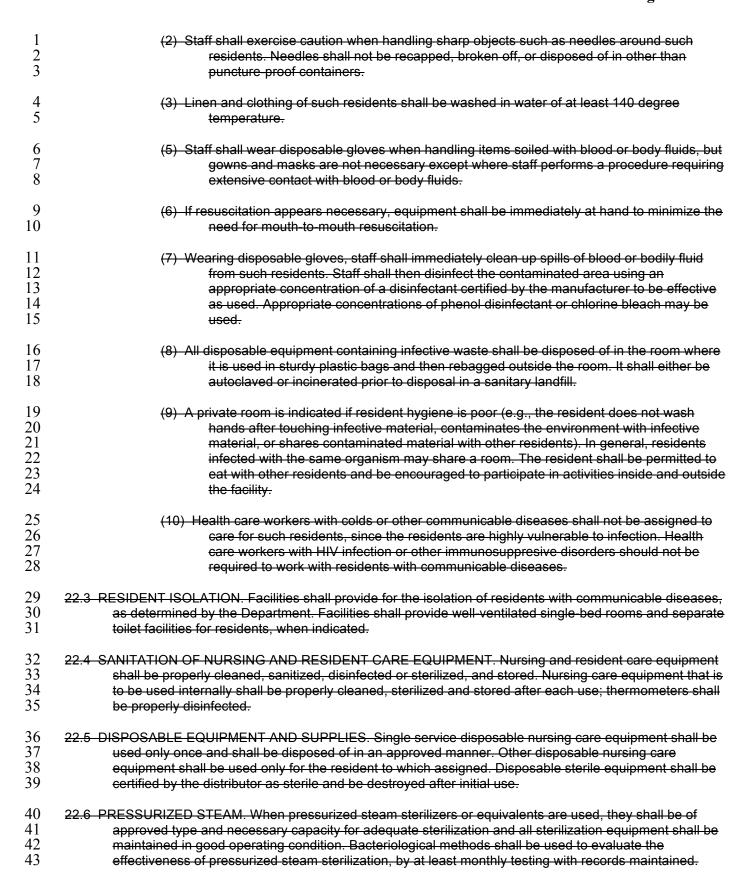

21.6 INFECTIOUS DISEASE LINEN. All linens and blankets from residents with infectious disease shall be

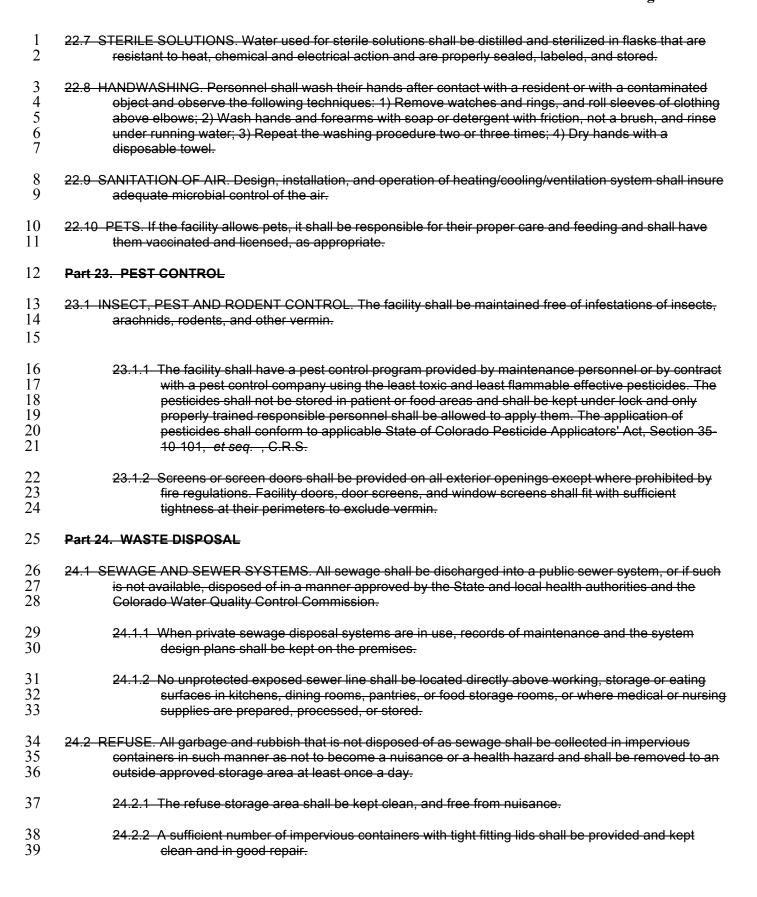

placed in special bags identified "contaminated" and transported in these closed bags. Special

42

43

24.3 REFUSE CART. Carts used to transport refuse shall be constructed of impervious materials, enclosed, used solely for refuse, and maintained in a sanitary manner.

24.4 INCINERATORS. Incinerators shall comply with state and local air pollution regulations and be so constructed as to prevent insect and rodent breeding and harborage. The facility shall obtain a permit to operate an incinerator from the State Air Pollution Control Division and maintain the permit on file. [Eff. 04/30/2009]

25.1 COMPLIANCE WITH FGI GUIDELINES. Effective July 1, 2013, all long term care nursing facilities shall be constructed in conformity with the standards adopted by the Director of the Division of Fire Prevention and Control (DFPC) at the Colorado Department of Public Safety. For construction initiated or systems installed on or after July 1, 2013, that affect patient health and safety and for which DFPC has no applicable standards, each facility shall conform to the relevant section(s) of the Guidelines for Design and Construction of Health Care Facilities, (2010 Edition), Facilities Guidelines Institute. The Guidelines for Design and Construction of Health Care Facilities, (2010 Edition), Facilities Guidelines Institute (FGI), is hereby incorporated by reference and excludes any later amendments to or editions of the Guidelines. The 2010 FGI Guidelines are available at no cost in a read only version at: http://openpub.realread.com/rrserver/browser?title=/FGI/2010 Guidelines

Part 26. RELIGIOUS TREATMENT EXCLUSIONS

- 26.1 EXCEPTION OF CERTAIN FACILITIES. Nothing in this Part applies to any nursing facility conducted by or for the adherents of any well-recognized church or religious denomination for the purpose of providing facilities for the care and treatment of the sick who depend exclusively upon spiritual means through prayer for healing in the practice of the religion of such church or denomination
- 23 26.2 EXCEPTION FOR RELIGIOUS BELIEFS. Nothing in this chapter authorizes the Department to impose on a resident any mode of treatment inconsistent with the resident's religious belief.

Part 27. MEDICAID CERTIFICATION STANDARDS

27.1 For the purpose of fulfilling its facility certification responsibilities as the State Survey Agency pursuant to the requirements of Title XIX (Medicaid) of the Social Security Act (42 U.S.C. Section 1396(a), et seq.) and the Colorado Medical Assistance Act, Section 25.5-4-104, et seq. , C.R.S., the Department shall apply and enforce the Skilled Nursing Facility and Intermediate Care Facility certification standards of the U.S. Department of Health and Human Services as those standards presently exist pursuant to Title XIX. (These standards are presently contained in Title 42 of the Code of Federal Regulations (C.F.R.)).

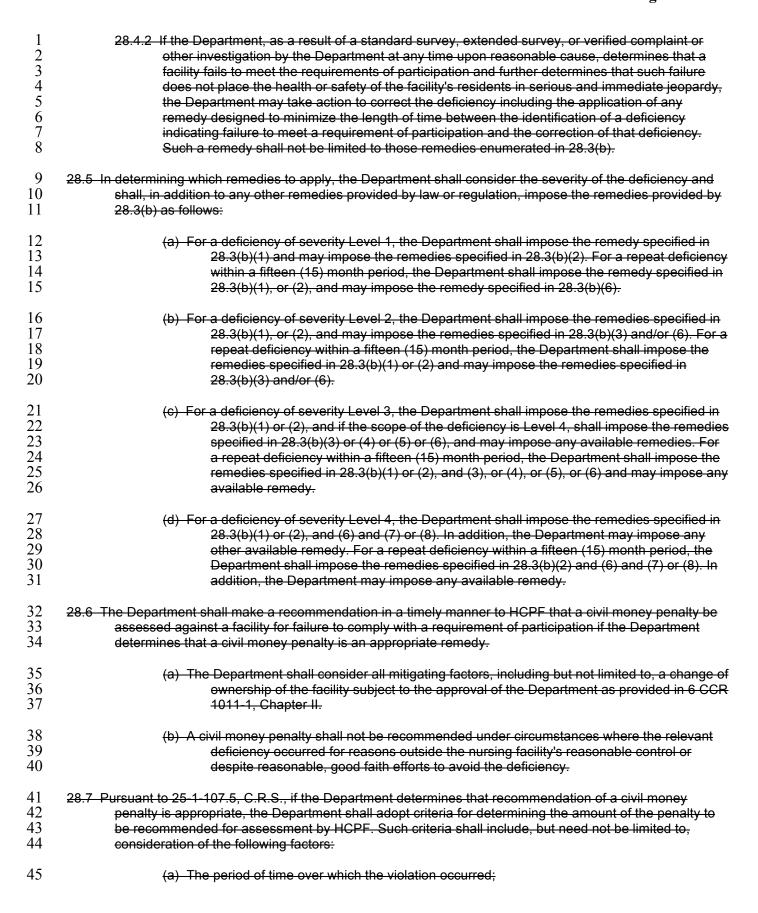

Part 28. ENFORCEMENT REMEDIES

- 28.1 Sections 25-2-107.5 and 25.5-6-205, C.R.S. provide the authority for the Department to recommend to the Department of Health Care Policy and Financing that a civil money penalty imposed against a nursing facility that violates federal regulations for participation in the Medicaid program as enumerated in 42 USC 1396r(h) (2006).
- 28.2 Collection, enforcement, and assessment of a civil money penalty pursuant to this chapter and the denial of Medicaid payments, shall be the responsibility of the Department of the Health Care Policy and Financing and shall be made upon recommendation of the Department of Public Health and Environment pursuant to section 25.5-6-205, C.R.S.
- 41 28.3 Definitions. For purposes of this part, the following definitions shall apply:

2	(a) "Deticiency" or "violation" means any failure to comply with a requirement of participation for which the facility is required to take some form of corrective action.
3 4 5 6 7 8	(b) "Enforcement remedy or remedies" means any remedy or combination of remedies, in accordance with 42 USC 1396r(h) and sections 25-1-107.5 and 25.5-6-205, C.R.S., which may be imposed by the Department or recommended by the Department for imposition by the Department of Health Care Policy and Financing against any nursing facility which fails to meet any one of the enumerated requirements for participation in the Medicaid program. Remedies include, but are not limited to:
9	(1) a plan of correction,
10	(2) a directed plan of correction,
11	(3) monitoring of a facility by the state survey agency,
12	(4) full or partial bans on admissions,
13 14 15	(5) denial of payment under the state Medicaid plan with respect to any individual admitted to the nursing facility involved after such notice to the public and the facility as may be provided for by law,
16	(6) civil money penalties,
17	(7) temporary management,
18	(8) termination of the facility's participation under the state plan, and
19	(9) receivership as provided by section 25-3-108, C.R.S.
20	(c) "HCPF" means the Colorado Department of Health Care Policy and Financing.
21 22	(d) "Nursing facility" means any skilled or intermediate nursing care facility which receives federal and state funds under the Title XIX of the federal Social Security Act.
23 24	(e) "Nursing Home Penalty Cash Fund" means the fund created pursuant to section 25.5-6-205, C.R.S.
25 26 27	(f) "Plan of correction" means a written plan prepared by the facility and approved by the department that describes the actions the facility will take to correct noted deficiencies and specifically sets the date the corrective action will be accomplished.
28 29 30 31	(g) "Requirements of participation" means those requirements of participation in the medicaid program as enumerated in 42 USC 1396r (h) of the federal Omnibus Budget Reconciliation Act of 1987, 1989, and 1990, regulations promulgated pursuant to those acts, and section 25-1-107.5, C.R.S.
32	(h) "Secretary" means the secretary of the federal department of Health and Human Services.
33 34	(i) "Scope" means the frequency of the occurrence of the deficiency in one of the following levels:
35	(1) Level 1. The deficiency exists in only one or a limited number of cases.

Page 57 of 123

1 (2) Level 2. The deficiency exists in more than a limited number of cases, but no 2 pattern can be identified. 3 (3) Level 3. The deficiency exists in more than a limited number of cases and indicates 4 a pattern. 5 (4) Level 4. The deficiency occurs in sufficient number among residents or staff or with 6 sufficient regularity that it can be considered systemic/pervasive. 7 (i) "Severity" means the seriousness of the deficiency in one of the following levels: 8 (1) Level 1. Any deficiency not meeting the criteria for Levels 2, 3, or 4. 9 (2) Level 2. Any deficiency which may result in a negative outcome to the resident or 10 residents. 11 (3) Level 3. Any deficiency which has resulted in a negative outcome to the resident or 12 residents. 13 (4) Level 4. Any deficiency which has a high probability that serious harm or serious 14 injury to residents could occur at any time, or already has occurred and may 15 well occur again if residents are not protected effectively from the harm, or the 16 threat is not removed. 17 (k) "Temporary management" means the temporary utilization of a substitute manager 18 pursuant to either an agreement between the licensee and the department or pursuant 19 to section 25-3-108, et seg., C.R.S. 20 (I) "Negative outcome" means that the impact of the facility's deficient practice on the resident 2.1 or residents is: 22 (1) The physical, mental or psychosocial deterioration of the resident or residents, or 23 (2) The ability of the resident or residents to achieve the highest practicable physical, 24 mental, or psychosocial well-being has been compromised. 25 (m) "Repeat deficiency" means a subsequent deficiency with comparable circumstances or the 26 same tag number, unless the department determines that the circumstances of the 27 previous deficiency are so dissimilar that it would not be proper to consider the 28 deficiency to be a repeat. 29 28.4 If the Department, as a result of a standard survey, extended survey, or verified complaint or other 30 investigation by the Department at any time upon reasonable cause, determines that a facility fails to 31 meet the requirements of participation as defined herein and further determines that such failure places 32 the health or safety of the facility's residents in serious and immediate jeopardy, the Department shall 33 take immediate action to remove such jeopardy and correct the deficiency, by either: 34 (a) temporary management, or 35 (b) termination of the facility's participation in the state plan. 36 28.4.1 In addition to the action taken pursuant to 28.4, the Department may apply any other remedy as provided by law or regulation.

Page 59 of 123

1	(b) The frequency of the violation;
2 3	(c) The nursing facility's history concerning the type of violation for which the penalty is assessed;
4	(d) The nursing facility's intent or reason for the violation;
5 6	(e) The effect, if any, of the violation on residents' health, safety, security, or welfare; i.e., severity;
7 8	(f) The existence of other violations, in combination with the violation for which the penalty is assessed, which increase the threat to residents' health, safety, security, or welfare;
9 10	(g) The accuracy, thoroughness and availability of records regarding the violation which the nursing facility is required to maintain; and
11 12	(h) The number of additional related violations occurring within the same time span as the violation in question.
13 14 15	28.7.1 In determining the amount of a civil money penalty, multiple violations of different requirements of participation resulting from a single act shall be considered as one violation. However, this shall not preclude their consideration under 28.7(f) or (h) above.
16 17 18 19	28.7.2 Any civil money penalty which is recommended to HCPF for imposition by that Department shall be not less than \$100 nor more than \$10,000 for each day the facility is found to have been in violation of the federal regulations. Penalties assessed shall include interest at the statutory rate.
20 21 22 23 24 25 26	28.7.3 Any such civil money penalty shall accrue from the date the facility receives written notice from the Department regarding its recommendation of a civil money penalty. In the event the Department determines that a violation is life threatening to one or more residents or creates a direct threat or serious adverse harm to the health, safety, security, rights or welfare of one or more residents, a penalty shall be imposed for each day the deficiencies which constitute the violation are found to exist. The period of time during which the civil money penalty accrues shall be as follows:
27	(a) No longer than six (6) months in the case of non-serious or non-immediate threat.
28 29	(b) Until the Department verifies the deficiency is corrected or the facility notifies the Department that the deficiency is corrected, whichever is earlier.
30 31 32 33	(1) If the facility acts in a timely and diligent manner to correct the violation in accordance with a plan of correction as agreed to by the Department, the Department shall recommend to HCPF that the penalty be suspended or reduced for the period of the plan of correction.
34 35 36	(2) In the event the facility has not corrected the violation, pursuant to the notice provided by the facility, the penalty shall be reinstated at an increased amount retroactive to the date the penalty was tolled.
37 38 39 40	(3) For the purposes of this provision, the plan of correction must contain a reasonable and appropriate plan of action and timetable to completely correct the deficiency. This provision (plan of correction) shall not apply in cases of repeat deficiencies or those with a severity level of 4.

Page 60 of 123

1 28.8 The Department shall notify the facility, by personal service, first class mail, or electronic transmission 2 3 4 ("fax"), of its recommendation of the imposition of a civil money penalty and the amount of any such penalty not later than the fifth day following the last day of the inspection or survey on which the deficiencies which constitute the violation were found. The notice shall explain the deficiencies that are 5 6 the basis for the recommendation and shall provide instructions for responding to the notice, including that the facility submit a written plan of correction. 7 8 28.8.1 After notice pursuant to 28.8 above, a facility may notify the Department of the correction of the 9 deficiency for which the civil money penalty is being recommended. Such initial notice to the 10 Department may be given by telephone, electronic transmission ("fax"), or in person, but shall 11 be documented by a writing postmarked within five (5) business days of the initial notification to 12 the Department. 13 28.8.2 It shall be the responsibility of HCPF pursuant to section 25.5 6-205, C.R.S., to provide for an 14 appeal process for any facility which has a civil money penalty assessed against it for failure to 15 meet a requirement of participation. 16 28.9 If a facility fails to correct a deficiency or deficiencies within three (3) months after the date the facility is 17 found by HCPF to be out of compliance with a requirement of participation pursuant to 25-1-107.5, 18 C.R.S., the Department shall recommend to HCPF denial of payment under the state plan with respect 19 to any individual admitted to the facility. involved after such notice to the public and the facility as is 20 provided for by the state. 21 28.10 If a facility has provided a substandard quality of care to the residents as evidenced by three consecutive 22 23 standard surveys, the Department shall take the actionS set forth in (a) and (b) below and may take any such additional action allowed by statute or regulation, including recommending that a civil money 24 penalty be imposed by HCPF. 25 (a) Recommend to HCPF that payment be denied under the state plan with regard to any 26 individual admitted to the facility involved after such notice to the public and to the $\overline{27}$ facility as may be provided for by the state; and 28 (b) Monitor the facility until such time as it has demonstrated to the satisfaction of the 29 Department that it is in compliance with the requirements and that it has the 30 management capacity to remain in compliance. 31 28.11 Nothing in this Part shall preclude the Department from recommending alternative remedies as provided 32 by law so long as such remedy or remedies are deemed to be at least as effective in correcting the 33 violation and deterring future violations as those remedies enumerated in the federal Omnibus Budget 34 Reconciliation Act of 1987, 1989, and 1990, 42 USC 1396r(h). 35 28.11.1 Nothing in this Part shall be construed as limiting, negating, or superseding any other remedy 36 37 available for use by the Department to correct a deficiency or deficiencies. In recommending or selecting a particular remedy, the primary consideration shall be the selection of the remedy or 38 remedies most likely to achieve correction of the relevant deficiency and long term compliance. 39 28.12 The Department shall, in conjunction with HCPF, establish circumstances under which the funds of the 40 Nursing Home Penalty Cash Fund may be disbursed in order to protect the health or property of 41 residents. Those circumstances shall include, but not be limited to, the following: 42 (a) relocating residents to other facilities if necessary; 43 (b) maintaining the operation of a facility pending completion of a plan of correction or directed 44 plan of correction;

Page 59 of 123

1	(c) maintaining the operation of a facility pending closure; and
2	(d) reimbursing residents for personal funds lost.
3 4	28.12.1 Neither the Department nor HCPF may use money from the Nursing Home Penalty Cash Fund to pay the costs of administration of those departments.
5 6 7	28.12.2 At the end of the fiscal year, all unexpended and unencumbered moneys remaining in the Nursing Home Penalty Cash Fund must remain in the fund and may not be transferred or credited to the general fund.
8	Part 29. LICENSING FEES
9 10	29.1 All license fees are non-refundable. The total fee shall be submitted with the appropriate license application.
11	29.2 Initial license \$6,000 per facility.
12	29.3 Renewal license - Effective April1, 2011, the annual renewal fee shall be as follows.
13	Medicare and/or Medicaid certified facility: \$1,600 base fee plus \$8 per bed.
14	Non-certified facility: \$3,480 base fee plus \$8 per bed.
15 16	29.4 Change of ownership - Change of ownership shall be determined in accordance with the criteria set forth in 6 CCR 1011-1, Chapter II, Part 2. The fee shall be \$6,000 per facility.
17 18 19	29.5 Opening a secure unit - A facility that wishes to open a secure unit shall submit a fee of \$1,600 in addition to any other applicable license fees.

21

22

23

24

27

28 AT-RISK ELDER MEANS A PERSON AGE 70 AND OLDER.

DENVER, COLORADO 80246-1530

PHONE: 303-692-2800

- 29 DEPARTMENT MEANS THE COLORADO DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT.
- 30 DESIGNATED FACILITY MEANS AN AGENCY THAT HAS APPLIED AND BEEN APPROVED BY THE DEPARTMENT OF HUMAN
- 31 SERVICES TO PROVIDE MENTAL HEALTH SERVICES.
- 32 ENFORCEMENT ACTIVITY MEANS THE IMPOSITION OF REMEDIES SUCH AS CIVIL MONEY PENALTIES; APPOINTMENT OF A
- 33 RECEIVER OR TEMPORARY MANAGER; CONDITIONAL LICENSURE; SUSPENSION OR REVOCATION OF A LICENSE; A DIRECTED

CERTIFIED COPIES OF MATERIAL WILL BE PROVIDED BY THE DIVISION, AT COST, UPON REQUEST. ADDITIONALLY,

ANY MATERIAL THAT HAS BEEN INCORPORATED BY REFERENCE MAY BE EXAMINED IN ANY STATE PUBLICATIONS

- PLAN OF CORRECTION; INTERMEDIATE RESTRICTIONS OR CONDITIONS, INCLUDING RETAINING A CONSULTANT,
- 35 DEPARTMENT MONITORING OR PROVIDING ADDITIONAL TRAINING TO EMPLOYEES, OWNERS OR OPERATORS; OR ANY
- 36 other remedy provided by state or federal law or as authorized by federal survey, certification, and
- 37 ENFORCEMENT REGULATIONS AND AGREEMENTS FOR VIOLATIONS OF FEDERAL OR STATE LAW.
- 38 GOVERNING BODY MEANS THE INDIVIDUAL, GROUP OF INDIVIDUALS OR CORPORATE ENTITY THAT HAS ULTIMATE
- 39 AUTHORITY AND LEGAL RESPONSIBILITY FOR THE OPERATION OF THE FACILITY.

- 1 MEDICAL DIRECTOR MEANS A PHYSICIAN WHO OVERSEES THE MEDICAL CARE AND OTHER DESIGNATED CARE AND
- 2 SERVICES IN THE FACILITY.
- 3 Non-Physician Practitioner means a physician assistant or advance practice nurse (i.e., nurse
- 4 PRACTITIONER OR CLINICAL NURSE SPECIALIST).
- 5 Nursing Care Facility means a licensed health care entity that is planned, organized, operated and
- 6 MAINTAINED TO PROVIDE SUPPORTIVE, RESTORATIVE AND PREVENTATIVE SERVICES TO PERSONS WHO, DUE TO PHYSICAL
- 7 AND/OR MENTAL DISABILITY, REQUIRE CONTINUOUS OR REGULAR INPATIENT NURSING CARE.
- 8 PLACEMENT FACILITY MEANS A PUBLIC OR PRIVATE NURSING CARE FACILITY THAT HAS A WRITTEN AGREEMENT WITH A
- 9 DESIGNATED FACILITY TO PROVIDE CARE AND TREATMENT TO ANY INDIVIDUAL UNDERGOING MENTAL HEALTH EVALUATION
- 10 OR TREATMENT BY THE DESIGNATED FACILITY.
- PRACTITIONER MEANS PHYSICIAN AND NON-PHYSICIAN PRACTITIONER.
- 12 RESIDENT REPRESENTATIVE MEANS AN INDIVIDUAL OF THE RESIDENT'S CHOICE WHO HAS ACCESS TO INFORMATION AND
- 13 PARTICIPATES IN HEALTH CARE DISCUSSIONS OR A PERSONAL REPRESENTATIVE WITH LEGAL STANDING INCLUDING, BUT
- 14 NOT LIMITED TO, POWER OF ATTORNEY; MEDICAL POWER OF ATTORNEY; LEGAL GUARDIAN OR HEALTH CARE SURROGATE
- 15 APPOINTED OR DESIGNATED IN ACCORDANCE WITH STATE LAW.
- 16 Skilled Nursing Care Facility means a nursing care facility that is federally certified by the Centers for
- 17 MEDICARE AND MEDICAID SERVICES.
- 18 TELEHEALTH MEANS A MODE OF DELIVERY OF HEALTH CARE SERVICES THROUGH TELECOMMUNICATION SYSTEMS,
- 19 INCLUDING INFORMATION, ELECTRONIC, AND COMMUNICATION TECHNOLOGIES, TO FACILITATE THE ASSESSMENT,
- 20 DIAGNOSIS, CONSULTATION, TREATMENT, EDUCATION AND CARE MANAGEMENT OF A RESIDENT'S HEALTH CARE WHEN THE
- 21 RESIDENT AND PRACTITIONER ARE LOCATED AT DIFFERENT SITES. TELEHEALTH INCLUDES "TELEMEDICINE" AS DEFINED IN
- 22 SECTION 12-36-102.5, C.R.S.

23 SECTION 3 - GOVERNING BODY

- 24 3.1 DUTIES
- 25 A) THE GOVERNING BODY SHALL PROVIDE THE NECESSARY FACILITIES, QUALIFIED PERSONNEL, AND SERVICES TO MEET THE TOTAL NEEDS OF THE FACILITY'S RESIDENTS.
- 27 B) THE GOVERNING BODY SHALL APPOINT FOR THE FACILITY A FULL-TIME ADMINISTRATOR WITH AN ACTIVE COLORADO NURSING HOME ADMINISTRATOR LICENSE AND DELEGATE TO THAT ADMINISTRATOR THE EXECUTIVE AUTHORITY AND FULL RESPONSIBILITY FOR DAY-TO-DAY ADMINISTRATION OF THE FACILITY.
- The governing body shall be responsible for the performance of all persons providing services within the facility.
- 32 3.2 STRUCTURE
- IF THE GOVERNING BODY INCLUDES MORE THAN ONE INDIVIDUAL, THE GROUP SHALL BE FORMALLY ORGANIZED WITH A WRITTEN CONSTITUTION OR ARTICLES OF INCORPORATION AND BY-LAWS; HOLD REGULAR, PERIODIC
- 35 MEETINGS; AND MAINTAIN MEETING RECORDS.
- 36 3.3 QUALITY ASSURANCE
- 37 THE GOVERNING BODY SHALL ENSURE THAT THE FACILITY HAS A QUALITY MANAGEMENT PROGRAM THAT
- 38 EVALUATES THE QUALITY OF RESIDENT CARE AND SAFETY AND MEETS ALL THE REQUIREMENTS SET FORTH IN 6

1 CCR 1011-2, Chapter 2, General Licensure Standards, Part 3.1. The facility shall have a 2 COMMITTEE THAT MEETS MONTHLY TO ADDRESS THE REQUIRED QUALITY MANAGEMENT ACTIVITIES. 3 **SECTION 4 - FACILITY ADMINISTRATION** 4 4.1 **ADMINISTRATOR** 5 THE FACILITY SHALL EMPLOY AN ADMINISTRATOR WHO IS RESPONSIBLE TO THE GOVERNING BODY FOR 6 PLANNING, ORGANIZING, DEVELOPING AND CONTROLLING THE OPERATIONS OF THE FACILITY. 7 A) THE ADMINISTRATOR SHALL HAVE AN ACTIVE COLORADO NURSING HOME ADMINISTRATOR LICENSE. 8 B) THE ADMINISTRATOR SHALL BE RESPONSIBLE FOR, AT A MINIMUM, THE FOLLOWING DUTIES: 9 1) ACTING AS A LIAISON AMONG THE GOVERNING BODY, MEDICAL STAFF AND PRACTITIONERS 10 WHOSE PATIENTS RESIDE IN THE FACILITY; 11 2) MANAGING FACILITY PERSONNEL AND FINANCES; 12 3) PROVIDING FOR APPROPRIATE RESIDENT CARE; 13 4) MAINTAINING RELATIONSHIPS WITH THE COMMUNITY AND WITH OTHER HEALTH CARE 14 FACILITIES, ORGANIZATIONS AND SERVICES; 15 5) ENSURING FACILITY AND STAFF COMPLIANCE WITH ALL REGULATIONS; AND 16 6) ANY OTHER RESPONSIBILITIES REQUIRED BY FACILITY POLICY OR THE GOVERNING BODY. 17 4.2 **ORGANIZATION** 18 THE FACILITY SHALL HAVE A WRITTEN PLAN OF ORGANIZATION CLEARLY DEFINING THE AUTHORITY, 19 RESPONSIBILITIES AND FUNCTIONS OF EACH CATEGORY OF PERSONNEL. 20 4.3 **POLICIES** 21 IN CONSULTATION WITH THE MEDICAL DIRECTOR, ONE OR MORE REGISTERED NURSES AND OTHER RELATED 22 23 24 25 HEALTH CARE PROFESSIONALS, THE ADMINISTRATOR SHALL DEVELOP AND AT LEAST ANNUALLY REVIEW WRITTEN RESIDENT CARE POLICIES AND PROCEDURES THAT GOVERN RESIDENT CARE IN THE FOLLOWING AREAS: NURSING; HOUSEKEEPING; MAINTENANCE; SANITATION; INFECTION CONTROL; MEDICAL, DENTAL, DIETARY, DIAGNOSTIC, EMERGENCY AND PHARMACEUTICAL CARE; SOCIAL SERVICES; ACTIVITIES; REHABILITATION; 26 PHYSICAL, OCCUPATIONAL, AND SPEECH THERAPY; RESIDENT ADMISSION, TRANSFER, AND DISCHARGE; 27 NOTIFYING PRACTITIONER AND RESIDENT REPRESENTATIVE OF RESIDENT'S INCIDENTS, ACCIDENTS AND 28 CHANGES OF STATUS; DISASTERS; AND HEALTH INFORMATION RECORDS; ALONG WITH ANY OTHER POLICIES THE 29 DEPARTMENT DETERMINES THE FACILITY NEEDS BASED ON ITS CHARACTERISTICS OF ITS RESIDENT POPULATION. 30 4.4 **FACILITY STAFFING PLAN** 31 THE FACILITY SHALL HAVE A MASTER STAFFING PLAN FOR PROVIDING STAFFING IN COMPLIANCE WITH THESE REGULATIONS; DISTRIBUTION OF PERSONNEL; REPLACEMENT OF PERSONNEL AND FORECASTING FUTURE 33 PERSONNEL NEEDS. 34 POSTING DEFICIENCIES 4.5

1 THE FACILITY SHALL POST CONSPICUOUSLY IN PUBLIC VIEW EITHER THE STATEMENT OF DEFICIENCIES 2 FOLLOWING ITS MOST RECENT SURVEY OR A NOTICE STATING THE LOCATION AND TIMES AT WHICH THE 3 STATEMENT CAN BE REVIEWED. 4 **WAIVERS** 4.6 5 A FACILITY MAY REQUEST WAIVERS TO THESE REGULATIONS PURSUANT TO 6 CCR 1011-1, CHAPTER 2. 6 GENERAL LICENSURE STANDARDS, PART 4, WAIVER OF REGULATIONS FOR HEALTH CARE ENTITIES. 7 4.7 MANDATORY REPORTING 8 9 A) FACILITY PERSONNEL ENGAGED IN THE ADMISSION, CARE OR TREATMENT OF AT-RISK ELDERS SHALL 10 REPORT SUSPECTED PHYSICAL OR SEXUAL ABUSE, EXPLOITATION AND CARETAKER NEGLECT TO LAW 11 ENFORCEMENT WITHIN 24 HOURS OF OBSERVATION OR DISCOVERY PURSUANT TO SECTION 18-6.5-12 108. C.R.S. 13 B) FACILITIES SHALL COMPLY WITH ALL OCCURRENCE AND MANDATORY REPORTING REQUIRED BY STATE 14 AND FEDERAL LAW INCLUDING, BUT NOT LIMITED TO, NOTIFYING THE DEPARTMENT OF THE FOLLOWING 15 ITEMS WITHIN 24 HOURS OF DISCOVERY BY THE FACILITY. 16 1) ANY OCCURRENCE INVOLVING NEGLECT OF A RESIDENT BY FAILURE TO PROVIDE GOODS AND 17 SERVICES NECESSARY TO AVOID THE RESIDENT'S PHYSICAL HARM OR MENTAL ANGUISH; 18 2) ANY OCCURRENCE INVOLVING ABUSE OF A RESIDENT BY THE WILLFUL INFLICTION OF INJURY, 19 UNREASONABLE CONFINEMENT, INTIMIDATION OR PUNISHMENT WITH RESULTING PHYSICAL 20 HARM, PAIN OR MENTAL ANGUISH; 21 3) ANY OCCURRENCE INVOLVING AN INJURY OF UNKNOWN SOURCE WHERE THE SOURCE OF THE 22 INJURY COULD NOT BE EXPLAINED AND THE INJURY IS SUSPICIOUS BECAUSE OF THE EXTENT OR 23 LOCATION OF THE INJURY: AND 4) ANY OCCURRENCE INVOLVING MISAPPROPRIATION OF A RESIDENT'S PROPERTY INCLUDING THE 25 DELIBERATE MISPLACEMENT. EXPLOITATION OR WRONGFUL USE OF A RESIDENT'S BELONGINGS 26 OR MONEY WITHOUT THE RESIDENT'S CONSENT. 27 **SECTION 5 - ADMISSIONS** 28 **RESTRICTIONS** 5.1 29 THE FACILITY SHALL ADMIT ONLY THOSE PERSONS WHOSE NEEDS IT CAN MEET WITHIN THE ACCOMMODATIONS 30 AND SERVICES IT PROVIDES. 31 A) NO RESIDENT SHALL BE ADMITTED FOR INPATIENT CARE TO ANY ROOM OR AREA OTHER THAN ONE 32 REGULARLY DESIGNATED AND EQUIPPED AS A RESIDENT BEDROOM. 33 B) THERE SHALL BE NO MORE THAN FOUR RESIDENTS ADMITTED TO A BEDROOM. 34 BED HOLD POLICIES 5.2 35 THE FACILITY SHALL DEVELOP POLICIES FOR HOLDING BEDS AVAILABLE FOR RESIDENTS WHO ARE TEMPORARILY 36 ABSENT FROM THE FACILITY, PROVIDE A COPY OF THE POLICY UPON ADMISSION AND EXPLAIN THESE POLICIES TO 37 RESIDENTS UPON ADMISSION AND BEFORE EACH TEMPORARY ABSENCE. 38 RESIDENT IDENTIFICATION 5.3

1 THE FACILITY SHALL HAVE A MECHANISM FOR IDENTIFICATION OF RESIDENTS. 2 **SECTION 6 - PERSONNEL** 3 6.1 **POLICIES** 4 THE FACILITY SHALL MAINTAIN WRITTEN APPROVED PERSONNEL POLICIES, JOB DESCRIPTIONS AND RULES 5 PRESCRIBING THE CONDITIONS OF EMPLOYMENT, MANAGEMENT OF EMPLOYEES AND QUALITY AND QUANTITY OF 6 RESIDENT CARE TO BE PROVIDED. 7 A) THE FACILITY SHALL COMPLETE A JOB-SPECIFIC ORIENTATION FOR ALL NEW EMPLOYEES WITHIN 90. 8 DAYS OF EMPLOYMENT. 9 B) ALL PERSONNEL SHALL BE INFORMED OF THE PURPOSE AND OBJECTIVES OF THE FACILITY. 10 C) ALL PERSONNEL SHALL BE PROVIDED ACCESS TO THE FACILITY'S PERSONNEL POLICIES AND THE 11 FACILITY SHALL PROVIDE EVIDENCE THAT EACH EMPLOYEE HAS REVIEWED THEM. 12 6.2 **DEPARTMENTS** 13 EACH DEPARTMENT OF THE FACILITY SHALL BE UNDER THE DIRECTION OF A PERSON QUALIFIED BY TRAINING. 14 EXPERIENCE, AND ABILITY TO DIRECT EFFECTIVE SERVICES. 15 A) THE FACILITY SHALL PROVIDE A SUFFICIENT NUMBER OF QUALIFIED PERSONNEL IN EACH DEPARTMENT 16 TO EFFECTIVELY OPERATE THE DEPARTMENT AND COMPLY WITH STATE AND FEDERAL REQUIREMENTS. 17 B) ALL PERSONS ASSIGNED TO DIRECT RESIDENT CARE SHALL BE PREPARED THROUGH FORMAL 18 EDUCATION OR ON-THE-JOB TRAINING IN THE PRINCIPLES. POLICIES, PROCEDURES, AND APPROPRIATE 19 TECHNIQUES OF RESIDENT CARE. THE FACILITY SHALL PROVIDE EDUCATIONAL PROGRAMS FOR 20 EMPLOYEES TO BE INFORMED OF NEW METHODS AND TECHNIQUES. 21 6.3 STAFF DEVELOPMENT 22 THE NURSING CARE FACILITY SHALL EMPLOY STAFF WHO SHALL BE RESPONSIBLE FOR COORDINATING 23 ORIENTATION, IN-SERVICE, ON-THE-JOB TRAINING AND CONTINUING EDUCATION PROGRAMS, AND FOR 24 DETERMINING THAT FACILITY PERSONNEL HAVE BEEN PROPERLY TRAINED AND ARE IMPLEMENTING THE RESULTS 25 OF THEIR TRAINING. THE OBJECTIVE OF THIS STANDARD IS THAT STAFF BE APPROPRIATELY TRAINED IN 26 NECESSARY ASPECTS OF RESIDENT CARE TO CARRY OUT THEIR JOB RESPONSIBILITIES. A) THE IDENTIFIED STAFF SHALL HAVE EXPERIENCE IN AND ABILITY TO PREPARE AND COORDINATE IN-SERVICE EDUCATION AND TRAINING PROGRAMS FOR ADULT LEARNERS IN THE AREA OF GERIATRICS. 29 THE FACILITY SHALL IDENTIFY STAFF TO MEET IN-SERVICE, ORIENTATION, TRAINING AND SUPERVISION B) 30 NEEDS. THE FACILITY SHALL PROVIDE FOR APPROPRIATE FOLLOW-UP. 31 THE FACILITY SHALL PROVIDE ANNUAL IN-SERVICE EDUCATION FOR STAFF IN, AT A MINIMUM, THE C) 32 FOLLOWING TOPICS: 33 1) INFECTION CONTROL, 34 2) FIRE PREVENTION AND SAFETY,

1 2 3 4		NEEDS, NOURIS	PREFEF	S COMPARABLE TO NORMAL MEALTIMES IN THE COMMUNITY OR IN ACCORDANCE WITH RESIDENT RENCES, REQUESTS AND PLAN OF CARE. THE FACILITY SHALL MAKE AVAILABLE SUITABLE, TERNATIVE MEALS AND SNACKS FOR RESIDENTS WHO WANT TO EAT AT NON-TRADITIONAL TIMES SCHEDULED MEAL SERVICE TIMES AND IN ACCORDANCE WITH THE RESIDENT PLAN OF CARE.			
5	13.3	PERSO	ONNEL				
6 7				RATOR SHALL DESIGNATE A REGISTERED DIETITIAN WHO MEETS STANDARDS ESTABLISHED BY THE N DIETETIC REGISTRATION TO BE RESPONSIBLE FOR THE DIETARY SERVICES.			
8 9 10		A)	CONSU	A REGISTERED DIETITIAN, THE DESIGNEE SHALL RECEIVE REGULARLY SCHEDULED JLTATION FOR DIETARY SERVICES OVERSIGHT FROM A REGISTERED DIETITIAN AND HAVE CABLE QUALIFICATIONS THAT MEET AT LEAST ONE OF THE CRITERIA LISTED BELOW.			
11 12			1)	A BACHELOR'S DEGREE WITH A MAJOR STUDY IN FOOD, NUTRITION, DIETETICS, OR HOTEL AND/OR RESTAURANT MANAGEMENT;			
13 14			2)	An Associate's degree with a major in dietetic technology, food management, culinary arts or hotel and/or restaurant management;			
15 16			3)	ELIGIBLE TO TAKE THE EXAM FOR CERTIFYING DIETARY MANAGERS OR CULINARY CERTIFICATION FROM A NATIONAL CREDENTIALED ORGANIZATION;			
17 18			4)	A GRADUATE OF A STATE APPROVED COURSE OF 90 HOURS FOR FOOD SERVICE MANAGEMENT AND TWO YEARS FOOD SERVICE MANAGEMENT EXPERIENCE;			
19			5)	MILITARY EDUCATION AND TRAINING EQUIVALENT TO SUBSECTION (2) OR (4); OR			
20 21 22			6)	A COMBINATION OF TRAINING AND EXPERIENCE DEEMED APPROPRIATE BY THE NURSING HOME ADMINISTRATOR TO MEET THE EXPECTATIONS FOR PROVIDING COMPREHENSIVE DIETARY SERVICES OVERSIGHT.			
23 24		B)		UMBER OF TRAINED FOOD SERVICE PERSONNEL SHALL BE SUFFICIENT TO PROVIDE FOOD SERVICE RESIDENTS IN THE FACILITY OVER A PERIOD OF 12 HOURS OR MORE PER DAY.			
25	13.4	POLIC	IES				
26 27		THE FACILITY SHALL HAVE WRITTEN POLICIES AND PROCEDURES APPROVED BY THE GOVERNING BODY FOR DIETARY PRACTICES.					
28	13.5	ORDERS					
29 30			TS AND TIONER.	NOURISHMENTS SHALL BE PROVIDED AND SERVED AS ORDERED BY THE ATTENDING			
31	13.6	NUTRI	TIONA	L ASSESSMENT AND PROGRESS NOTES			
32 33				UPERVISOR OR CONSULTANT SHALL PARTICIPATE IN RESIDENT ASSESSMENT AND CARE PLANNING ECTIONS 7.16, 7.20, AND 7.21 OF THIS CHAPTER.			
34 35		A)		UPERVISOR OR CONSULTANT SHALL WRITE PROGRESS NOTES ON EACH RESIDENT AT LEAST AT SIX HINTERVALS.			
36 37		B)		ACILITY SHALL REASONABLY ACCOMMODATE INDIVIDUAL RESIDENT PREFERENCES IN MEALS BY RING APPROPRIATE AND NUTRITIONALLY ADEQUATE SUBSTITUTES.			

1	13.14	NAIL F	OLISH	AND FALSE NAILS				
2 3			INLESS WEARING INTACT GLOVES IN GOOD REPAIR, STAFF INVOLVED IN PREPARING AND SERVING FOOD SHALL FOR WEAR NAIL POLISH OR FALSE NAILS.					
4	13.15	DININ	NING AND RECREATIONAL FACILITIES					
5 6 7 8		HALLW/ ACCOM	NING AND RECREATION AREAS SHALL BE READILY ACCESSIBLE TO ALL RESIDENTS AND SHALL NOT BE IN A ALLWAY OR LANE OF TRAFFIC IN OR OUT OF THE FACILITY. SUCH SPACE SHALL BE SUFFICIENT TO COMMODATE ACTIVITIES CONDUCTED THERE, CONSISTENT WITH RESIDENT COMFORT AND SAFETY. THE NING AND RECREATION AREAS MAY BE SEPARATE OR COMBINED.					
9	SECTI	ON 14	N 14 FEEDING ASSISTANTS					
10 11	14.1			STANT" MEANS AN INDIVIDUAL WHO PROVIDES RESIDENTS WITH ASSISTANCE IN EATING AND RDER TO REDUCE THE INCIDENCE OF UNPLANNED WEIGHT LOSS AND DEHYDRATION.				
12	14.2	QUALIF	ICATION	IS				
13 14 15		A)	то ме	ISING CARE FACILITY SHALL ENSURE THAT ITS FEEDING ASSISTANTS ARE QUALIFIED AND TRAINED ETTHE REQUIREMENTS OF THIS SECTION 14, WITH THE EXCEPTION OF THE FOLLOWING DUALS WHO SHALL BE CONSIDERED EXEMPT:				
16			1)	LICENSED PRACTITIONERS;				
17			2)	CERTIFIED NURSE AIDES;				
18			3)	SUPERVISED NURSING STUDENTS; AND				
19			4)	RESIDENT FAMILY MEMBERS OR DESIGNEES.				
20		B)	THE F	ACILITY SHALL VERIFY THAT EACH FEEDING ASSISTANT MEETS THE FOLLOWING CRITERIA:				
21			1)	HAS NO HISTORY THAT WOULD PRECLUDE INTERACTION WITH RESIDENTS; AND				
22 23			2)	HAS SUCCESSFULLY COMPLETED THE FEEDING ASSISTANT TRAINING PROGRAM DESCRIBED IN SECTION 14.9 OF THIS CHAPTER.				
24	14.3	SUPE	RVISIO	N				
25 26 27 28		LICENS NURSE	ED PRAC , LICENS	SISTANT SHALL WORK UNDER THE SUPERVISION OF AND SHALL REPORT TO A REGISTERED OR CTICAL NURSE. EACH FEEDING ASSISTANT SHALL BE GIVEN INSTRUCTION BY A REGISTERED SED PRACTICAL NURSE OR REGISTERED DIETITIAN CONCERNING THE SPECIFIC FEEDING AND EDS OF EACH RESIDENT BEING ASSISTED.				
29	14.4	STAFF	ING					
30 31			FEEDING ASSISTANTS MAY NOT BE COUNTED TOWARD MEETING OR COMPLYING WITH ANY REQUIREMENT FOR JURSING CARE STAFF AND FUNCTIONS OF A FACILITY, INCLUDING MINIMUM NURSE STAFFING REQUIREMENTS.					
32	14.5	LOCA	TION					
33 34 35		DETER	MINED S	STANCE MAY BE PERFORMED IN EITHER CONGREGATE DINING AREAS OR RESIDENT ROOMS IF AFE BY THE NURSE IN CHARGE. A NURSE SHALL BE IMMEDIATELY AVAILABLE IN CASE OF AN URING MEALS.				

1 2			3)	THE RIGHT TO REVIEW AND OBTAIN COPIES OF HIS OR HER MEDICAL RECORDS IN ACCORDANCE WITH 6 CCR 1011-1, CHAPTER 2, PART 5.			
3 4		G)	THE RIGHT TO HAVE PRIVATE AND UNRESTRICTED COMMUNICATIONS WITH ANY PERSON OF HIS OR HER CHOICE; INCLUDING				
5 6			1)	THE RIGHT TO PRIVACY FOR TELEPHONE CALLS OR USE OF ELECTRONIC COMMUNICATION DEVICES;			
7			2)	THE RIGHT TO RECEIVE MAIL UNOPENED; AND			
8			3)	THE RIGHT TO PRIVATE CONSENSUAL SEXUAL ACTIVITY.			
9 10 11 12		H)	RESTR. FOR A	GHT TO BE FREE FROM MENTAL AND PHYSICAL ABUSE AND FROM PHYSICAL AND CHEMICAL AINTS, EXCEPT THOSE RESTRAINTS INITIATED THROUGH THE JUDGMENT OF PROFESSIONAL STAFF SPECIFIED AND LIMITED PERIOD OF TIME OR ON THE WRITTEN AUTHORIZATION OF A ITIONER.			
13		l)	THE RI	GHT TO FREEDOM OF CHOICE IN SELECTING A HEALTH CARE FACILITY.			
14 15 16 17		J)	RIGHTS RULES	GHT TO COPIES OF THE FACILITY'S RULES AND REGULATIONS, INCLUDING A COPY OF THESE S, AND AN EXPLANATION OF HIS OR HER RIGHTS AND RESPONSIBILITY TO OBEY ALL REASONABLE AND REGULATIONS OF THE FACILITY AND TO RESPECT THE PERSONAL RIGHTS AND PRIVATE RTY OF THE OTHER PATIENTS.			
18 19			1)	IF THE RESIDENT HAS LIMITED ENGLISH PROFICIENCY, THE RIGHT TO AN EXPLANATION OF RIGHTS AND RESPONSIBILITIES IN A LANGUAGE THE RESIDENT CAN UNDERSTAND; AND			
20 21			2)	THE RIGHT TO SEE FACILITY POLICIES, UPON REQUEST, AND STATE SURVEY REPORTS ON THE FACILITY.			
22 23 24 25		K)	OR THA	GHT TO BE TRANSFERRED OR DISCHARGED ONLY FOR MEDICAL REASONS, HIS OR HER WELFARE AT OF OTHER RESIDENTS, OR FOR NONPAYMENT FOR HIS OR HER STAY; AND THE RIGHT TO BE REASONABLE ADVANCE NOTICE OF ANY TRANSFER OR DISCHARGE, EXCEPT IN THE CASE OF AN BENCY AS DETERMINED BY PROFESSIONAL STAFF, CONSISTENT WITH SECTION 15.6.			
26		L)	THE R	IGHT NOT TO BE TRANSFERRED OR DISCHARGED FOR RAISING CONCERNS OR COMPLAINTS.			
27 28 29		M)	THE TR	GHT TO HAVE PRIVACY IN TREATMENT AND IN CARING FOR PERSONAL NEEDS, CONFIDENTIALITY IN REATMENT OF PERSONAL AND MEDICAL RECORDS, AND SECURITY IN STORING AND USING NAL POSSESSIONS.			
30 31 32		N)	TO REC	GHT TO BE TREATED COURTEOUSLY, FAIRLY AND WITH THE FULLEST MEASURE OF DIGNITY AND CEIVE A WRITTEN STATEMENT OF THE SERVICES PROVIDED BY THE FACILITY, INCLUDING THOSE RED TO BE OFFERED ON AN AS-NEEDED BASIS.			
33 34 35		O)	CERTIF	GHT OF ANY PERSON ELIGIBLE TO RECEIVE MEDICAID TO SELECT ANY NURSING CARE FACILITY FIED FOR PARTICIPATION IN MEDICAID WHERE A CERTIFIED BED IS AVAILABLE AND THE FACILITY EET THE RESIDENT'S NEEDS.			
36	15.2	TRAN	SFER O	F RIGHTS			
37 38			A RESIDENT'S RIGHTS SHALL TRANSFER TO THE RESIDENT REPRESENTATIVE IF THE RESIDENT LACKS DECISIONAL CAPACITY.				

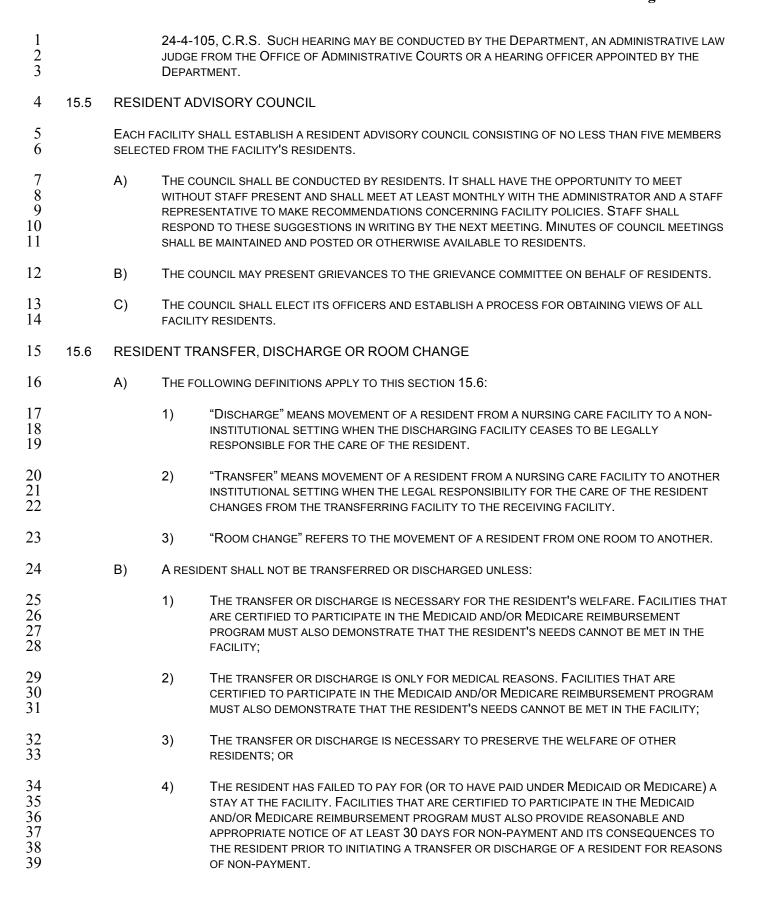

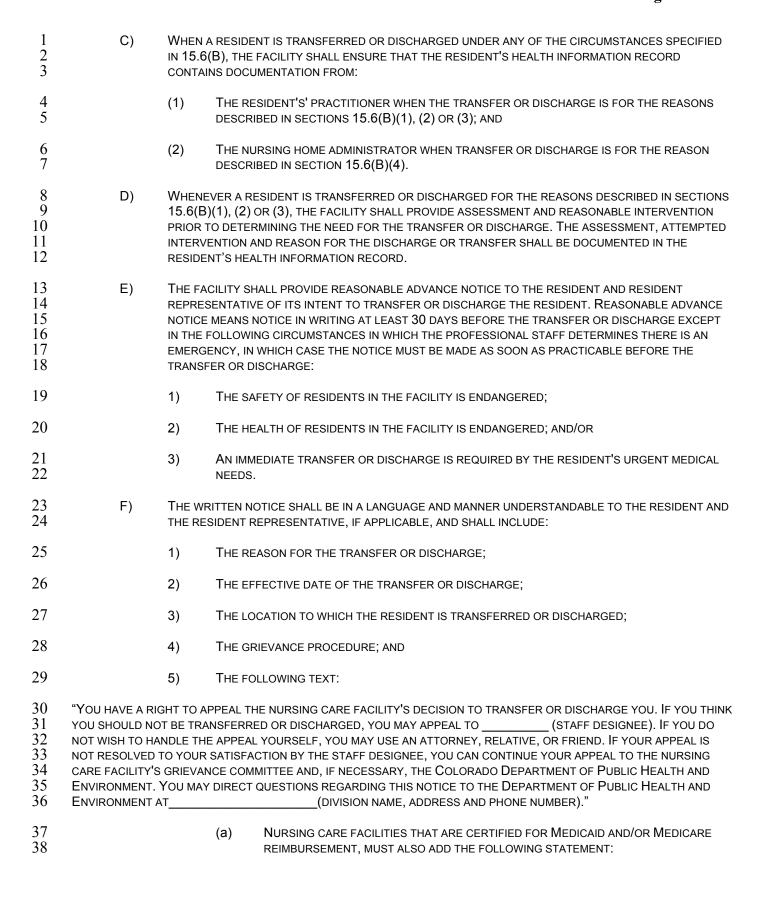

THE FACILITY SHALL TRAIN ALL STAFF IN THE OBSERVATION AND PROTECTION OF RESIDENTS' RIGHTS AND ENSURE THAT A COPY OF THE FACILITY'S STATEMENT OF RESIDENTS' RIGHTS IS AVAILABLE TO ALL NEW AND CURRENT EMPLOYEES.

15.4 GRIEVANCE PROCEDURE

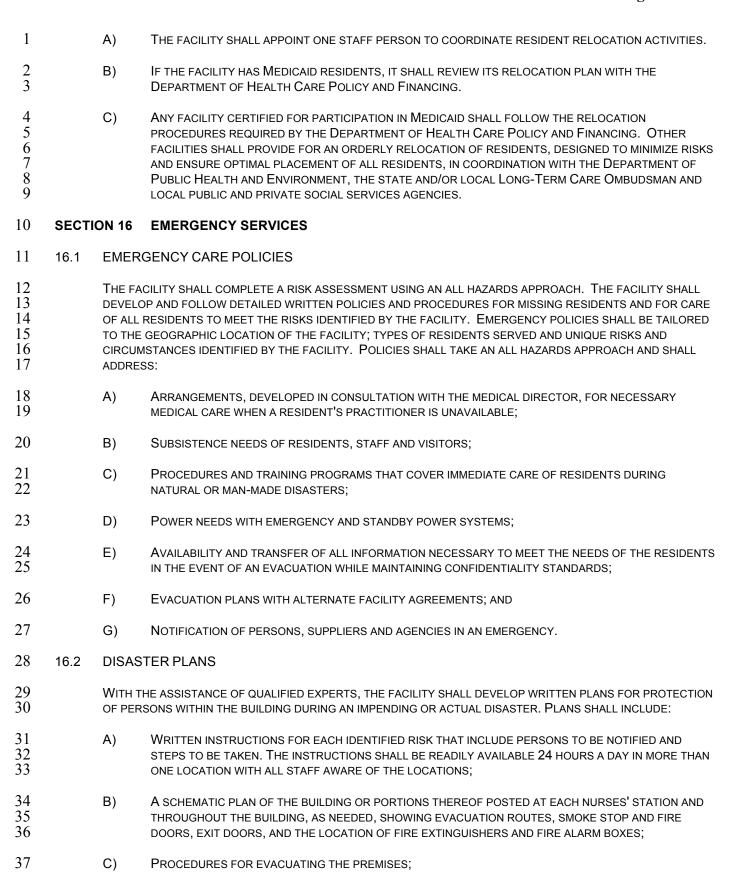

THE FACILITY SHALL DEVELOP A GRIEVANCE PROCEDURE, WHICH IT SHALL POST CONSPICUOUSLY IN A PUBLIC PLACE, FOR PRESENTATION OF GRIEVANCES BY RESIDENTS, RESIDENT REPRESENTATIVES OR THE RESIDENT COUNCIL REGARDING ANY CONDITIONS, TREATMENT OR VIOLATIONS OF RIGHTS OF ANY RESIDENT BY THE FACILITY OR STAFF (REGARDLESS OF THE CONSENT OF THE VICTIM OF THE ALLEGED IMPROPER CONDUCT).

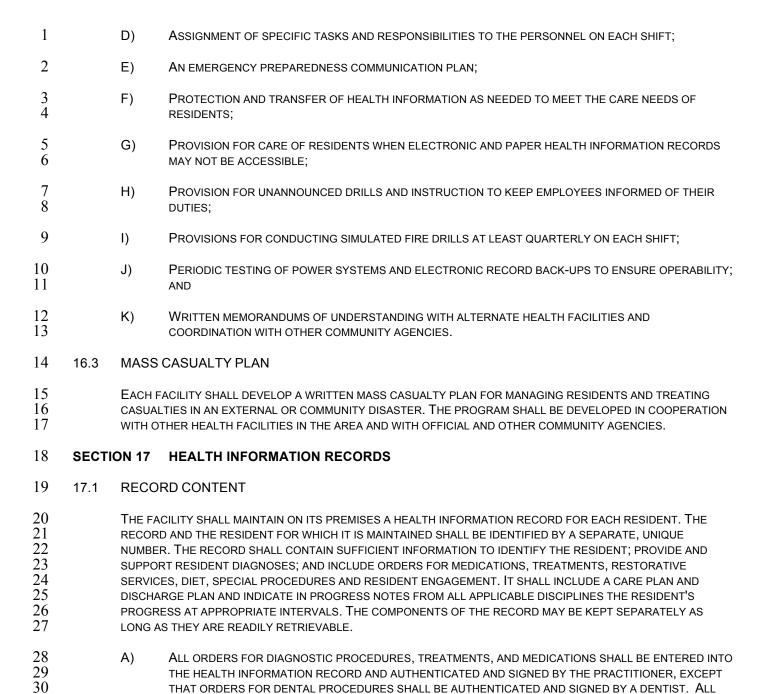

- A) THE FACILITY SHALL DESIGNATE A FULL-TIME STAFF MEMBER ("STAFF DESIGNEE") TO RECEIVE ALL GRIEVANCES.
- B) THE FACILITY SHALL ESTABLISH A GRIEVANCE COMMITTEE CONSISTING OF THE ADMINISTRATOR OR HIS OR HER DESIGNEE, A RESIDENT SELECTED BY THE FACILITY'S RESIDENTS AND A THIRD PERSON AGREED UPON BY THE ADMINISTRATOR AND THE FACILITY'S RESIDENT REPRESENTATIVE.
- C) ANY RESIDENT, RESIDENT REPRESENTATIVE OR THE RESIDENT COUNCIL MAY PRESENT A GRIEVANCE TO THE FACILITY STAFF DESIGNEE ORALLY OR IN WRITING WITHIN 14 DAYS OF THE INCIDENT GIVING RISE TO THE GRIEVANCE.
- D) THE STAFF DESIGNEE SHALL CONFER WITH PERSONS INVOLVED IN THE INCIDENT AND OTHER RELEVANT PERSONS AND, WITHIN THREE DAYS OF RECEIVING THE GRIEVANCE, SHALL PROVIDE A WRITTEN EXPLANATION OF FINDINGS AND PROPOSED REMEDIES TO THE COMPLAINANT AND THE AGGRIEVED PARTY, IF OTHER THAN THE COMPLAINANT, AND RESIDENT REPRESENTATIVE, IF ANY. WHERE APPROPRIATE DUE TO THE MENTAL OR PHYSICAL CONDITION OF THE COMPLAINANT OR AGGRIEVED PARTY, AN ORAL EXPLANATION SHALL ACCOMPANY THE WRITTEN ONE.
- E) IF THE COMPLAINANT OR AGGRIEVED PARTY IS DISSATISFIED WITH THE FINDINGS AND REMEDIES OF THE STAFF DESIGNEE OR THEIR IMPLEMENTATION, WITHIN TEN DAYS OF RECEIVING THE DESIGNEE'S EXPLANATION, THE COMPLAINANT OR AGGRIEVED PARTY MAY FILE THE GRIEVANCE ORALLY OR IN WRITING ALONG WITH ANY ADDITIONAL INFORMATION IT WISHES TO THE GRIEVANCE COMMITTEE.
- F) THE COMMITTEE SHALL CONFER WITH PERSONS INVOLVED IN THE INCIDENT AND OTHER RELEVANT PERSONS, INCLUDING THE COMPLAINANT, AND WITHIN TEN DAYS OF THE DATE OF THE APPEAL SHALL PROVIDE A WRITTEN EXPLANATION OF ITS FINDINGS AND PROPOSED REMEDIES TO THE COMPLAINANT AND THE AGGRIEVED PARTY, IF OTHER THAN THE COMPLAINANT, AND TO THE RESIDENT REPRESENTATIVE, IF ANY. WHERE APPROPRIATE DUE TO THE MENTAL OR PHYSICAL CONDITION OF THE COMPLAINANT OR AGGRIEVED PARTY, AN ORAL EXPLANATION SHALL ACCOMPANY THE WRITTEN ONE.
- G) THE COMPLAINANT OR AGGRIEVED PARTY, IF DISSATISFIED WITH THE FINDINGS AND REMEDIES OF THE GRIEVANCE COMMITTEE OR THEIR IMPLEMENTATION (EXCEPT FOR GRIEVANCES REGARDING PRACTITIONER OR PRACTITIONER-PRESCRIBED TREATMENT), MAY FILE THE GRIEVANCE IN WRITING WITH THE EXECUTIVE DIRECTOR OF THE DEPARTMENT WITHIN TEN DAYS OF RECEIPT OF THE WRITTEN FINDINGS OF THE GRIEVANCE COMMITTEE. THE DEPARTMENT SHALL THEN INVESTIGATE THE FACTS AND CIRCUMSTANCES OF THE GRIEVANCE AND MAKE WRITTEN FINDINGS OF FACT, CONCLUSIONS, AND RECOMMENDATIONS AND PROVIDE THEM TO THE COMPLAINANT, AGGRIEVED PARTY, RESIDENT REPRESENTATIVE, IF ANY, AND THE FACILITY ADMINISTRATOR.
- H) IF THE COMPLAINANT OR FACILITY ADMINISTRATOR IS AGGRIEVED BY THE DEPARTMENT'S FINDINGS AND RECOMMENDATIONS, HE OR SHE MAY REQUEST, WITHIN 30 DAYS OF RECEIPT OF THE FINDINGS AND RECOMMENDATIONS, THAT THE DEPARTMENT SET THE MATTER FOR HEARING PURSUANT TO SECTION

FOR ELECTRONIC HEALTH

1 18.4 COMMUNICATION 2 THE FACILITY SHALL ENSURE THAT THE THERAPIST COMMUNICATES TO THE FACILITY THE RESIDENT'S CONDITION 3 AND RESPONSE TO TREATMENT WITHIN 14 DAYS OF INITIATION OF TREATMENT AND EVERY 30 DAYS THEREAFTER 4 WHILE TREATMENT CONTINUES. 5 18.5 SPACE AND EQUIPMENT 6 THE FACILITY SHALL PROVIDE SPACE, APPROPRIATE EQUIPMENT AND STORAGE AREAS ADEQUATE FOR THERAPY 7 ON ALL REFERRED RESIDENTS. SERVICES SHALL BE PROVIDED IN AN AREA READILY ACCESSIBLE TO RESIDENTS. 8 EQUIPMENT SHALL BE PROPERLY MAINTAINED TO ENSURE SAFETY OF RESIDENTS AND STAFF. 9 SECTION 19 PHARMACEUTICAL SERVICES 10 19.1 **ORGANIZATION** 11 THE PHARMACEUTICAL SERVICES OF THE FACILITY SHALL BE ORGANIZED AND MAINTAINED EXCLUSIVELY FOR THE 12 BENEFIT OF THE FACILITY'S RESIDENTS. 13 A) THE PHARMACEUTICAL SERVICE SHALL BE SUPERVISED BY A CONSULTANT PHARMACIST LICENSED TO 14 PRACTICE PHARMACY IN THE STATE OF COLORADO. 15 1) IN THE EVENT OF A CONFLICT BETWEEN THE RULES IN THIS SECTION REGARDING 16 PHARMACEUTICAL SERVICES AND THE COLORADO BOARD OF PHARMACY RULES AT 3 CCR 17 719-1, THE LATER SHALL CONTROL. 18 B) ALL COMPOUNDING AND DISPENSING SHALL BE FROM A PHARMACY LICENSED BY THE COLORADO 19 BOARD OF PHARMACY IN ACCORDANCE WITH ALL PHARMACY LAWS AND REGULATIONS. 20 19.2 **ADVISORY COMMITTEES** 21 A) THE FACILITY SHALL ESTABLISH A PHARMACEUTICAL ADVISORY COMMITTEE THAT INCLUDES A 22 REGISTERED NURSE, THE CONSULTING PHARMACIST AND THE MEDICAL DIRECTOR, TO ASSIST IN THE 23 FORMULATION OF BROAD PROFESSIONAL POLICIES AND PROCEDURES RELATING TO PHARMACEUTICAL 24 SERVICE IN THE FACILITY. 25 B) THE FACILITY SHALL ESTABLISH A PSYCHOTROPIC ADVISORY COMMITTEE THAT INCLUDES, AT A 26 MINIMUM, A REGISTERED NURSE, THE CONSULTING PHARMACIST, THE MEDICAL DIRECTOR AND A SOCIAL 27 WORKER. 28 19.3 MEDICATION REQUISITION AND STORAGE POLICIES 29 THE FACILITY SHALL DESIGNATE IN WRITTEN POLICIES, APPROVED BY THE GOVERNING BODY, THE PERSON 30 AUTHORIZED TO REQUISITION, RECEIVE, CONTROL AND MANAGE MEDICATIONS. 31 A) RESIDENT MEDICATIONS SHALL BE OBTAINED FROM A LICENSED PHARMACY ON AN INDIVIDUAL 32 PRESCRIPTION BASIS FOR EACH RESIDENT. 33 B) MEDICATIONS BROUGHT INTO A FACILITY BY A RESIDENT SHALL BE IN THE ORIGINAL PACKAGING WITH 34 LEGIBLE DIRECTIONS FOR ADMINISTRATION. 35 C) UNLESS THE FACILITY USES A UNIT DOSE SYSTEM, EACH RESIDENT MEDICATION SHALL BE STORED IN 36 INDIVIDUAL, ORIGINALLY RECEIVED CONTAINERS OR "BLISTER" OR "BUBBLE" CARDS THAT ARE CLEARLY 37 AND LEGIBLY LABELED WITH THE MEDICATION NAME, STRENGTH, DOSAGE FREQUENCY AND MODE OF 38 ADMINISTRATION; DATE OF ISSUE AND EXPIRATION; NAME OF PRESCRIBING PRACTITIONER OR DENTIST;

1 DISPENSING PHARMACY NAME, ADDRESS AND TELEPHONE NUMBER; AND THE FULL NAME OF THE 2 RESIDENT FOR WHOM THE MEDICATION IS PRESCRIBED. 3 D) THE FACILITY SHALL PROTECT EACH RESIDENT'S MEDICATIONS FROM USE BY OTHER RESIDENTS, 4 VISITORS, AND STAFF. 5 19.4 **CONSULTING PHARMACIST** 6 THE FACILITY SHALL CONTRACT IN WRITING WITH A LICENSED PHARMACIST OR PHARMACY TO PROVIDE 7 CONSULTANT PHARMACIST SERVICE TO BE RESPONSIBLE FOR ALL PHARMACEUTICAL MATTERS IN THE FACILITY. THE CONTRACT SHALL SET FORTH THE FEES TO BE PAID FOR SERVICES AND THE PHARMACIST'S RESPONSIBILITIES, INCLUDING AT LEAST THE FOLLOWING: 10 A) LEGAL COMPOUNDING; 11 B) PROMPT DISPENSING OF PROPERLY LABELED INDIVIDUAL RESIDENT PRESCRIPTIONS; 12 C) INVENTORY CONTROL; 13 D) ESTABLISHMENT OF NECESSARY RECORDS; 14 E) PERIODIC INSPECTION OF ALL PHARMACEUTICAL SUPPLIES, MEDICATIONS AND PROCEDURES 15 ON ALL RESIDENT CARE UNITS INCLUDING INSPECTION OF PRESCRIPTION LABELS, EXPIRATION DATES, STORAGE AND EMERGENCY KIT PROCEDURES; 17 F) PROVISION OF AN EMERGENCY MEDICAL KIT, WHICH REMAINS THE PROPERTY OF A LICENSED 18 PHARMACY APPROVED BY THE PHARMACEUTICAL ADVISORY COMMITTEE AND THE COLORADO 19 STATE BOARD OF PHARMACY: 20 G) REGULARLY SCHEDULED VISITS AND CONSULTATIONS AND AT LEAST ANNUAL IN-SERVICE 2.1 TRAINING TO STAFF; 22 H) DETERMINATION OF PROPER PROCUREMENT AND MAINTENANCE OF ALL PRESCRIPTIONS AND OTHER MEDICATIONS; I) DEVELOPMENT OF PROPER ACCOUNTING PROCEDURES FOR CONTROLLED SUBSTANCES AND 25 LEGEND MEDICATIONS: 26 J) EVALUATION OF THE POLICIES OF THE PHARMACEUTICAL ADVISORY COMMITTEE; AND 27 QUARTERLY REPORTS TO THE PHARMACEUTICAL ADVISORY COMMITTEE ON THE STATUS OF K) 28 PHARMACY SERVICES. 29 19.5 **TELEHEALTH** 30 THE CONSULTING PHARMACIST MAY UTILIZE TELEHEALTH FOR THE PERFORMANCE OF ANY TASK SET FORTH IN 31 THESE REGULATIONS EXCEPT THOSE TASKS WHERE THE REGULATIONS SPECIFICALLY REQUIRE IN-PERSON 32 INSPECTION OR FACE TO FACE EVALUATION. 33 19.6 **CONTROLLED SUBSTANCES** 34 ONLY PRACTITIONERS AUTHORIZED UNDER THE LAWS OF THE STATE OF COLORADO AND PROPERLY 35 REGISTERED WITH THE FEDERAL GOVERNMENT SHALL PRESCRIBE CONTROLLED SUBSTANCES. THE FACILITY 36 SHALL COMPLY WITH ALL FEDERAL AND STATE LAWS AND REGULATIONS RELATING TO PROCUREMENT, STORAGE, ADMINISTRATION AND DISPOSAL OF CONTROLLED SUBSTANCES. UNLESS THE FACILITY USES A UNIT DOSE

1 SYSTEM, IT SHALL MAINTAIN A RECORD ON A SEPARATE SHEET FOR EACH RESIDENT RECEIVING A CONTROLLED 2 SUBSTANCE, WHICH CONTAINS THE NAME OF THE CONTROLLED SUBSTANCE; STRENGTH AND DOSAGE; DATE AND 3 TIME ADMINISTERED: RESIDENT NAME: NAME OF PRESCRIBING PHYSICIAN OR ADVANCE PRACTICE NURSE: 4 SIGNATURE OF PERSON ADMINISTERING AND THE QUANTITY OF THE CONTROLLED SUBSTANCE REMAINING. 5 19.7 INVESTIGATIONAL MEDICATIONS 6 IF INVESTIGATIONAL MEDICATIONS ARE USED, POLICIES AND PROCEDURES SHALL BE DEVELOPED AND A) 7 IMPLEMENTED FOR SAFE AND PROPER USE. 8 B) INVESTIGATIONAL MEDICATIONS SHALL BE USED ONLY: 9 1) WHEN THERE IS WRITTEN APPROVAL OF AN INSTITUTIONAL REVIEW BOARD (IRB), 10 ESTABLISHED IN ACCORDANCE WITH FEDERAL LAW AND REGULATION; AND 11 2) UNDER THE SUPERVISION OF A MEMBER OF THE MEDICAL STAFF AND ADMINISTERED IN 12 ACCORDANCE WITH AN IRB APPROVED PROTOCOL. 13 19.8 DISPOSITION OF MEDICATIONS. MEDICAL DEVICES AND MEDICAL SUPPLIES 14 A) IF CONTROLLED SUBSTANCES (SCHEDULES 2 THROUGH 5) ARE BEING HELD BY A FACILITY ON BEHALF 15 OF A RESIDENT AND THE CONTROLLED SUBSTANCES ARE NO LONGER NEEDED, THE FACILITY SHALL 16 CONDUCT ON-SITE DESTRUCTION OF THE CONTROLLED SUBSTANCES AS FOLLOWS: 17 1) THE FACILITY SHALL PROPERLY INVENTORY THE DESTRUCTION AND KEEP THE INVENTORY 18 COPY ON FILE FOR AT LEAST TWO YEARS; 19 2) DESTRUCTION OF CONTROLLED SUBSTANCES SHALL BE WITNESSED AND DOCUMENTED IN 20 WRITING BY THE ADMINISTRATOR OR DESIGNEE AND TWO CLINICALLY LICENSED INDIVIDUALS; 21 AND 22 3) THE DESTRUCTION SHALL BE PERFORMED IN A MANNER THAT RENDERS THE CONTROLLED 23 SUBSTANCES TOTALLY IRRETRIEVABLE. 24 B) ONCE A DEA CONTROLLED SUBSTANCE, OR ANY MEDICATION REQUIRING DISPOSAL, HAS BEEN 25 RENDERED TOTALLY IRRETRIEVABLE. THE FACILITY SHALL COMPLY WITH ALL APPLICABLE FEDERAL. 26 STATE, AND LOCAL LAWS INCLUDING SOLID AND HAZARDOUS WASTE DISPOSAL REGULATIONS. 27 C) IF A FACILITY MEETS THE CRITERIA IN 6 CCR 1011-1, CHAPTER 2, PART 7.202, IT MAY RETURN 28 UNUSED MEDICATIONS OR MEDICAL SUPPLIES AND USED OR UNUSED MEDICAL DEVICES TO A 29 PHARMACIST WITHIN THE FACILITY OR TO A PRESCRIPTION DRUG OUTLET IN ORDER FOR THE 30 MATERIALS TO BE RE-DISPENSED TO ANOTHER RESIDENT OR PATIENT, OR DONATED TO A NONPROFIT 31 ENTITY THAT HAS THE LEGAL AUTHORITY TO POSSESS THE MATERIALS OR TO A PRACTITIONER 32 AUTHORIZED BY LAW TO DISPENSE THE MATERIALS. 33 1) A PERSON OR ENTITY IS NOT SUBJECT TO CIVIL OR CRIMINAL LIABILITY OR PROFESSIONAL 34 DISCIPLINARY ACTION FOR DONATING, ACCEPTING, DISPENSING OR FACILITATING THE 35 DONATION OF MATERIAL IN GOOD FAITH, WITHOUT NEGLIGENCE, AND IN COMPLIANCE WITH 36 COLORADO LAW. 37 19.10 MEDICATION RELEASE 38 UPON DISCHARGE, THE FACILITY STAFF SHALL RELEASE MEDICATIONS TO A RESIDENT ONLY WITH WRITTEN 39 PRACTITIONER AUTHORIZATION.

1 19.11 RESIDENT MEDICATION PROFILE RECORD 2 THE DISPENSING PHARMACIST SHALL MAINTAIN MEDICATION PROFILE RECORDS ON EACH RESIDENT FOR WHOM 3 MEDICATIONS ARE DISPENSED. 4 SECTION 20 DIAGNOSTIC SERVICES 5 20.1 **POLICIES** 6 THE FACILITY SHALL ESTABLISH AND FOLLOW POLICIES FOR OBTAINING CLINICAL LABORATORY, IMAGING AND 7 OTHER DIAGNOSTIC SERVICES. 8 20.2 PRACTITIONER ORDERS 9 DIAGNOSTIC SERVICES SHALL BE PROVIDED ONLY ON THE ORDER OF THE ATTENDING PRACTITIONER. 10 **TRANSPORTATION** 20.3 11 THE FACILITY SHALL ASSIST RESIDENTS TO MAKE ARRANGEMENTS FOR TRANSPORTATION OF RESIDENTS AND/OR 12 LABORATORY SPECIMENS TO AND FROM THE SOURCE OF DIAGNOSTIC SERVICES. 13 **SECTION 21** PHYSICAL PLANT STANDARDS 14 21.1 **COMPLIANCE WITH FGI GUIDELINES** 15 EFFECTIVE JULY 1, 2013, ALL NURSING CARE FACILITIES SHALL BE CONSTRUCTED IN CONFORMITY WITH THE 16 STANDARDS ADOPTED BY THE DIRECTOR OF THE DIVISION OF FIRE PREVENTION AND CONTROL (DFPC) AT THE 17 COLORADO DEPARTMENT OF PUBLIC SAFETY. FOR CONSTRUCTION INITIATED OR SYSTEMS INSTALLED ON OR 18 AFTER JULY 1, 2013, THAT AFFECT PATIENT HEALTH AND SAFETY AND FOR WHICH DFPC HAS NO APPLICABLE 19 STANDARDS, EACH FACILITY SHALL CONFORM TO THE RELEVANT SECTION(S) OF THE GUIDELINES FOR DESIGN 20 AND CONSTRUCTION OF HEALTH CARE FACILITIES, (2010 EDITION), FACILITIES GUIDELINES INSTITUTE. THE 21 GUIDELINES FOR DESIGN AND CONSTRUCTION OF HEALTH CARE FACILITIES, (2010 EDITION), FACILITIES 22 GUIDELINES INSTITUTE (FGI), IS HEREBY INCORPORATED BY REFERENCE AND EXCLUDES ANY LATER 23 AMENDMENTS TO OR EDITIONS OF THE GUIDELINES. THE 2010 FGI GUIDELINES ARE AVAILABLE AT NO COST IN A 24 READ-ONLY VERSION AT: HTTP://FGIGUIDELINES.ORG/DIGITALCOPY.PHP 25 SECTION 22 RESIDENT CARE UNIT 26 22.1 A RESIDENT CARE UNIT IS A DESIGNATED AREA OF A NURSING CARE FACILITY CONSISTING OF A BEDROOM OR A 27 GROUPING OF BEDROOMS WITH SUPPORTING FACILITIES AND SERVICES THAT ARE PLANNED, ORGANIZED, 28 OPERATED AND MAINTAINED TO PROVIDE ADEQUATE NURSING AND SUPPORTIVE CARE OF NOT MORE THAN 60 29 RESIDENTS. 30 22.2 PRIVATE AND MULTI-BED ROOMS 31 THE NURSING CARE FACILITY SHALL PROVIDE PRIVATE AND/OR MULTI-BED ROOMS TO MEET RESIDENT NEEDS. 32 THERE SHALL BE NO MORE THAN FOUR BEDS PER ROOM. 33 A) MINIMUM ROOM AREA, EXCLUSIVE OF CLOSETS, LOCKERS, WARDROBES OF ANY TYPE, VESTIBULES AND 34 TOILET ROOMS, SHALL BE 100 SQ. FT. FOR ONE-BED ROOMS AND 80 SQ. FT. PER BED IN MULTI-BED ROOMS. 36 B) PRIVACY SHALL BE PROVIDED FOR EACH RESIDENT IN A MULTI-BED ROOM BY THE INSTALLATION OF 37 OPAQUE FLAME RETARDANT CUBICLE CURTAINS OR MOVABLE SCREENING.

2 3 4	C)	SHALI PORT	HEDROOM SHALL HAVE AN EXTERIOR WINDOW. ONE-HALF OF THE REQUIRED WINDOW AREA L OPEN WITHOUT THE USE OF TOOLS. IF A MECHANICAL VENTILATION SYSTEM IS PROVIDED, A TION OF THE REQUIRED WINDOW SHALL OPEN WITHOUT THE USE OF TOOLS. PRIVACY FOR THE DENT AND CONTROL OF LIGHT SHALL BE PROVIDED AT EACH WINDOW.				
5	D)	EACH	EACH BEDROOM SHALL HAVE DIRECT ENTRY FROM A CORRIDOR.				
6	E)	ARTIF	FICIAL LIGHT SHALL BE PROVIDED AND INCLUDE:				
7		1)	GENERAL ILLUMINATION;				
8 9		2)	OTHER SOURCES OF ILLUMINATION FOR READING, OBSERVATION, EXAMINATIONS AND TREATMENTS; AND				
10		3)	NIGHT LIGHT CONTROLLED AT THE DOOR OF THE BEDROOM.				
11 12	F)		K COMPLETE WITH MIXING FAUCET, EASY-TO-USE CONTROLS, SANITARY SOAP AND A METHOD FOR TARY HAND-DRYING SHALL BE PROVIDED IN EACH BEDROOM.				
13 14	G)		LET ROOM, DIRECTLY ACCESSIBLE FROM EACH BEDROOM, WITHOUT GOING THROUGH A GENERAL RIDOR, SHALL BE PROVIDED.				
15		1)	THERE MAY BE ONE TOILET FOR TWO RESIDENT ROOMS BUT NOT MORE THAN FOUR BEDS.				
16 17		2)	The minimum dimensions for any room containing only one toilet room shall be 3 feet by 6 feet.				
18 19 20		3)	The door to the toilet room shall be at least 2FEET , 10Inches in width and shall not swing into the toilet room unless provided with rescue hardware permitting the door to swing outward.				
21 22 23 24		4)	THE TOILET ROOM SHALL CONTAIN A TOILET, PREFERABLY WITH BEDPAN FLUSHING EQUIPMENT, AND GRAB BARS THAT ARE SECURELY INSTALLED AND STRONG ENOUGH TO SUPPORT A RESIDENT'S WEIGHT SHALL BE CONVENIENTLY LOCATED FOR THE SAFETY OF RESIDENTS.				
25 26	H)		ROOMS SHALL BE EQUIPPED WITH MOVABLE FURNITURE AND EQUIPMENT WITH THE FOLLOWING FOR RESIDENT:				
27 28 29		1)	ADJUSTABLE, WASHABLE BED (ROLL AWAY TYPE BEDS, COTS AND FOLDING BEDS SHALL NOT BE USED), MATTRESS PROTECTED BY WATER-PROOF MATERIAL, MATTRESS PAD AND A COMFORTABLE PILLOW;				
30		2)	CABINET OR BEDSIDE TABLE;				
31		3)	OVER BED TABLE AS APPLICABLE;				
32 33		4)	WASTE PAPER RECEPTACLE WITH IMPERVIOUS, DISPOSABLE LINER OR DISPOSABLE WASTE RECEPTACLE;				
34		5)	PERSONAL CARE EQUIPMENT AS NEEDED; AND				
25		6)	STODAGE FACILITIES ADEQUATE FOR DESIDENTS! DEDSONAL ADTICLES AND CROOMING				

1 2 3		l)	MINIM	BEDROOM SHALL BE PROVIDED WITH A SEPARATE CLOSET OR LOCKER FOR EACH RESIDENT. THE UM SIZE OF CLOSET OR LOCKER IN A NURSING CARE FACILITY SHALL BE 1 FOOT, 8 INCHES WIDE BY DT, 10 INCHES DEEP WITH FULL LENGTH HANGING SPACE, CLOTHES ROD AND SHELF.				
4 5 6 7 8		J)	CALL I BED, \ SYSTE	EACH RESIDENT ROOM SHALL BE EQUIPPED WITH A COMMUNICATION SYSTEM TO ALLOW RESIDENTS CALL FOR STAFF ASSISTANCE. THE SYSTEM SHALL BE CAPABLE OF ACTIVATION FROM THE RESIDEN BED, WITH EMERGENCY ACTIVATION FROM THE TOILET ROOM, AND EACH TUB AND SHOWER. THE SYSTEM SHALL NOTIFY STAFF OF A REQUEST FOR ASSISTANCE VIA AUDIBLE, VISUAL OR ELECTRONIC MEANS.				
9	22.3	SERV	ICE AR	EAS				
10 11				IG SERVICE AREAS SHALL BE PROVIDED ON EACH FLOOR WHERE RESIDENTS RESIDE AND LOCATED γ FOR PATIENT CARE.				
12 13		A)		E SHALL BE A STAFF WORK AREA IN EACH RESIDENT CARE UNIT, ALONG WITH ACCESS TO TOILET ITIES OTHER THAN THOSE IN RESIDENT ROOMS.				
14		B)	THER	E SHALL BE A MEDICATION PREPARATION AREA EQUIPPED WITH:				
15			1)	CABINETS WITH SUITABLE LOCKING DEVICES TO PROTECT MEDICATIONS STORED THEREIN;				
16 17			2)	REFRIGERATOR EQUIPPED WITH THERMOMETER AND USED EXCLUSIVELY FOR PHARMACEUTICAL STORAGE;				
18			3)	Counter work space;				
19			4)	SINK WITH HAND WASHING FACILITIES; AND				
20			5)	READY ACCESS TO MEDICATION REFERENCE MANUALS.				
21 22 23		C)	BE ST	MEDICATIONS, EQUIPMENT, AND SUPPLIES FOR THEIR PREPARATION AND ADMINISTRATION SHALL ORED IN THE MEDICATION PREPARATION AREA. TEST REAGENTS, GENERAL DISINFECTANTS, NING AGENTS, AND OTHER SIMILAR PRODUCTS SHALL NOT BE STORED IN THE MEDICATION AREA.				
24 25		D)		E SHALL BE A STORAGE AREA IN EACH RESIDENT CARE UNIT FOR CLEAN LINEN THAT IS USED ON A INE BASIS. THE ROOM SHALL BE EQUIPPED WITH:				
26 27			1)	COUNTER, SINK WITH MIXING FAUCET, EASY TO USE CONTROLS, SANITARY SOAP AND A METHOD FOR SANITARY HAND-DRYING;				
28 29			2)	WASTE CONTAINER WITH COVER (FOOT CONTROLLED RECOMMENDED) AND IMPERVIOUS, DISPOSABLE LINER; AND				
30			3)	AREA FOR SUPPLIES.				
31		E)	THER	E SHALL BE A SOILED HOLDING ROOM EQUIPPED WITH:				
32 33			1)	SUITABLE COUNTER, DOUBLE-SINK WITH MIXING FAUCET, EASY TO USE CONTROLS, SANITARY SOAP AND A METHOD FOR SANITARY HAND-DRYING;				
34 35			2)	WASTE CONTAINER WITH COVER (FOOT CONTROLLED RECOMMENDED) AND IMPERVIOUS, DISPOSABLE LINER;				
36			3)	SPACE FOR SHORT-TIME HOLDING OF SPECIMENS AWAITING DELIVERY TO LABORATORY;				

1			4)	ADEQUATE SHELF AND COUNTER SPACE; AND			
2			5)	CLINICAL FLUSHING SINK.			
3		F)	THERE	THERE SHALL BE A UTILITY CLOSET EQUIPPED WITH:			
4			1)	SINK, PREFERABLY DEPRESSED OR FLOOR MOUNTED, WITH MIXING FAUCETS;			
5			2)	HOOK STRIP FOR MOP HANDLES FROM WHICH SOILED MOP HEADS HAVE BEEN REMOVED;			
6			3)	SHELVING FOR CLEANING MATERIALS;			
7			4)	HAND WASHING FACILITIES; AND			
8			5)	WASTE RECEPTACLES WITH IMPERVIOUS LINER.			
9 10		G)	HALLV EQUIP	VAYS SHALL BE FREE OF OBSTRUCTIONS SUCH AS FURNITURE, MEDICAL SUPPLIES AND MENT.			
11	22.4	BATH	ING RC	OOMS			
12 13				HING ROOMS SHALL BE PROVIDED IN THE RATIO OF ONE TUB OR ONE SHOWER FOR EACH 15 DIMEET THE FOLLOWING CRITERIA:			
14 15		A)		BARS SHALL BE SECURELY INSTALLED AT EACH TUB OR SHOWER AND BE STRONG ENOUGH TO ORT A RESIDENT'S WEIGHT.			
16		B)	Tubs	SHALL HAVE A NON-SLIP SURFACE.			
17 18		C)	THE R	OOM SHALL PROVIDE PRIVACY AND BE SUFFICIENTLY LARGE TO PROVIDE SPACE FOR WHEELCHAIR MENT.			
19			1)	THE ENTRY DOOR SHALL BE AT LEAST 36 INCHES IN WIDTH.			
20			2)	CURBS SHALL BE OMITTED FROM SHOWERS.			
21 22		D)		ATHING AREA SHALL ALSO CONTAIN A TOILET AND SINK WITH MIXING FAUCET, EASY TO USE ROLS, SANITARY SOAP AND A METHOD FOR SANITARY HAND-DRYING.			
23	22.5	EMER	GENCY	Y EQUIPMENT AND SUPPLIES			
24		A)	THE F	OLLOWING ITEMS SHALL BE READILY AVAILABLE AT ALL TIMES:			
25			1)	OXYGEN DELIVERY DEVICES;			
26			2)	SUCTION DEVICES;			
27			3)	PORTABLE EMERGENCY EQUIPMENT, SUPPLIES AND MEDICATIONS; AND			
28			4)	COMPATIBLE SUPPLIES AND EQUIPMENT FOR IMMEDIATE INTRAVENOUS THERAPY.			
29	SECT	ON 23	SECU	JRE ENVIRONMENT			
30	23.1	COMP	LIANCE				

2 3		RESIDE	NTS SHA	LL COMP	ONE OR MORE RESIDENT CARE UNITS THAT ARE SECURED TO PROHIBIT FREE EGRESS OF LY WITH THE STANDARDS IN THIS SECTION IN ADDITION TO ALL OTHER APPLICABLE CHAPTER.		
4 5 6 7	23.2	THE TE	AM SHAL	L INCLUE	GNATED TEAM TO EVALUATE PLACEMENT OF A RESIDENT IN A SECURE ENVIRONMENT. DE, AT A MINIMUM, THE DIRECTOR OF NURSING OR DESIGNEE, A SOCIAL SERVICES STAFF RATOR OR DESIGNEE AND AN INDIVIDUAL (WITH MENTAL HEALTH OR SOCIAL WORK ITE TO THE NEEDS OF THE RESIDENTS) WHO IS NOT A FACILITY STAFF MEMBER.		
8 9 10		A)		MEMBER	ITUATIONS, INITIAL PLACEMENT MAY PROCEED WITHOUT THE INPUT OF A NON FACILITY PROVIDED A FULL TEAM EVALUATION IS COMPLETED WITHIN SEVEN DAYS OF		
11 12 13		B)	FROM I	TS CONT	T IS A PLACEMENT FACILITY AS DEFINED IN THIS CHAPTER SHALL HAVE AN INDIVIDUAL RACTING DESIGNATED FACILITY ON THE EVALUATION TEAM FOR EVALUATIONS OF RED BY THE DESIGNATED FACILITY.		
14	23.3	MENT	AL HEA	LTH PL	ACEMENT FACILITIES		
15 16 17		502-1,	Any facility that is a placement facility as defined in this chapter shall also comply with 2 CCR 502-1, section 21.280, Care and Treatment of Persons with a Mental Health Disorder in a Designated Facility. In the case of conflicting regulations, the stricter shall apply.				
18	23.4	PRE-A	DMISS	ION SCF	REENING AND PLACEMENT		
19 20		A)			ACE A RESIDENT INTO A SECURE ENVIRONMENT, THE FACILITY SHALL ENSURE THAT ALL VING REQUIREMENTS ARE MET:		
21			1)	AN EV	ALUATION TEAM FINDS, BASED ON AVAILABLE EVIDENCE, THAT:		
22				a)	THE RESIDENT IS A SERIOUS DANGER TO SELF OR OTHERS, OR		
23 24				b)	THE RESIDENT HABITUALLY WANDERS OR WOULD WANDER OUT OF BUILDINGS AND IS UNABLE TO FIND THE WAY BACK, OR		
25 26				c)	THE RESIDENT HAS A SIGNIFICANT BEHAVIORAL HEALTH ISSUE THAT SERIOUSLY DISRUPTS THE RIGHTS OF OTHER RESIDENTS; AND IN ALL CASES		
27 28				d)	LESS RESTRICTIVE ALTERNATIVES HAVE BEEN UNSUCCESSFUL IN PREVENTING HARM TO SELF OR OTHERS.		
29			2)	A PRAG	CTITIONER HAS AUTHENTICATED THE PLACEMENT;		
30 31			3)		EN FINDINGS AND THE FACTUAL BASIS FOR THE PLACEMENT ARE DOCUMENTED IN THE H INFORMATION RECORD; AND		
32			4)	THE RE	ESIDENT OR RESIDENT REPRESENTATIVE HAS GIVEN INFORMED, WRITTEN CONSENT.		
33 34 35				a)	IF THE RESIDENT LACKS DECISIONAL CAPACITY AND HAS NO RESIDENT REPRESENTATIVE THE FACILITY SHALL, WITHIN 30 DAYS OF PLACEMENT, PETITION THE APPROPRIATE COURT TO HAVE A GUARDIAN APPOINTED FOR THE RESIDENT.		
36 37 38		B)		OSOCIAL	A SECURE ENVIRONMENT SHALL BE BASED SOLELY ON THE PHYSICAL AND NEEDS OF THE RESIDENT AND SHALL BE THE LEAST RESTRICTIVE ALTERNATIVE		

2	23.5	A FACII 23.9.	Y SHALL HAVE WRITTEN PROGRAMS TO SUPPORT THE RESIDENTS IT ADMITS, AS REQUIRED BY SECTION				
3	23.6	RESIDENTS OF A SECURE ENVIRONMENT SHALL BE ALLOWED TO HAVE VISITORS AND PARTICIPATE IN ORGANIZED ACTIVITIES.					
5	23.7	PLACE	PLACEMENT EVALUATION				
6 7 8 9 10		A)	A) A RESIDENT'S PLACEMENT IN OR RESTRICTION TO A SECURE ENVIRONMENT SHALL TERMINATE IN A TIMELY MANNER WHEN THE CONDITION OR BEHAVIOR JUSTIFYING THE PLACEMENT HAVE DIMINISHED TO THE EXTENT THAT THE CRITERIA IN SECTION 23.4 ARE NO LONGER MET, OR WHEN CONSENT IS TERMINATED OR WITHDRAWN, OR IF THE FACILITY AND PRACTITIONER DETERMINE THAT SUCH CONTINUED PLACEMENT COULD ADVERSELY AFFECT RESIDENT HEALTH OR SAFETY.				
11 12			THE FACILITY SHALL PROVIDE THE SAME NOTICE AND APPEAL RIGHTS REQUIRED BY SECTION 15.6(E) AND (F) BEFORE MOVING A RESIDENT OUT OF A SECURE ENVIRONMENT.				
13 14 15		B)	THE EVALUATION TEAM DESCRIBED IN SECTION 23.2 SHALL RE-EVALUATE THE PLACEMENT OF EACH RESIDENT 30 DAYS AFTER INITIAL PLACEMENT AND NO LESS OFTEN THAN EVERY 180 DAYS THEREAFTER.				
16 17 18 19			Individuals under involuntary mental health placement under Section 27-65-101, C.R.S., et seq., shall be evaluated in accordance with 2 CCR 502-1, §21.280 Care and Treatment of Persons With a Mental Health Disorder in a Designated Facility.				
20 21 22		C)	FOR RESIDENTS WITH BEHAVIORAL HEALTH ISSUES WHOSE CONDITIONS HAVE STABILIZED, THE FACILITY MAY CONTINUE PLACEMENT IN THE SECURE ENVIRONMENT IF THE EVALUATION TEAM FINDS THAT PLACEMENT IS NECESSARY TO MEET THE RESIDENT'S INDIVIDUAL NEEDS.				
23	23.8	STAFF	IG				
24 25			THE FACILITY SHALL PROVIDE A SUFFICIENT NUMBER OF QUALIFIED STAFF TO MEET FULLY THE NEEDS OF RESIDENTS IN THE SECURE ENVIRONMENT, PARTICULARLY ON THE NIGHT SHIFT.				
26 27		A)	STAFF IN THE SECURE ENVIRONMENT SHALL BE EXPERIENCED AND TRAINED IN THE PARTICULAR NEEDS AND CARE OF ITS RESIDENTS.				
28 29 30		B)	FOR RESIDENTS IN THE SECURE ENVIRONMENT, THE FACILITY SHALL ENSURE THERE IS TIME AND STAFF DEDICATED TO MEET THE SOCIAL, EMOTIONAL AND RECREATIONAL NEEDS OF THE RESIDENTS AND THE SOCIAL AND EMOTIONAL NEEDS OF THEIR FAMILIES IN COPING WITH THE RESIDENT'S ILLNESS.				
31 32		C)	FOR RESIDENTS WITH MENTAL ILLNESS, THE FACILITY SHALL PROVIDE STAFF WHO HAVE DEMONSTRATED KNOWLEDGE AND SKILL IN CARING FOR RESIDENTS WITH MENTAL ILLNESS.				
33	23.9	PROG	AMS				
34 35 36		ENVIRO	IN ADDITION TO MEETING THE SPECIAL MEDICAL AND NURSING NEEDS OF EACH RESIDENT IN THE SECURE ENVIRONMENT, THE FACILITY SHALL PROVIDE SOCIAL SERVICES AND ACTIVITY PROGRAMS ESPECIALLY DESIGNED FOR THOSE RESIDENTS TO AVOID PROGRAMMATIC ISOLATION.				
37 38 39		A)	ACTIVITIES AND SOCIAL SERVICES PROGRAMS SHALL INCLUDE THE OPPORTUNITY FOR REGULAR NTERACTION WITH RESIDENTS NOT RESIDING IN THE SECURE ENVIRONMENT AND REGULAR NTERACTION WITH THE COMMUNITY OUTSIDE THE FACILITY.				

1	23.10	SECLUSION					
2 3 4		CONFIN	RESIDENTS OF THE SECURE ENVIRONMENT MAY NOT BE LOCKED INTO THEIR ROOMS. IF A PLACEMENT FACILITY CONFINES TO A ROOM ANY INDIVIDUAL WHO IS UNDER INVOLUNTARY MENTAL HEALTH PLACEMENT, THE FACILITY SHALL COMPLY WITH 2 CCR 502-1, SECTION 21.280.42, USE OF SECLUSION.				
5	23.11	PHYSI	CAL SPACE				
6 7 8		LEAST '	In addition to the physical plant requirements of these regulations, the facility shall provide at least 10 square feet per resident (excluding hallways) of common areas within the secure environment.				
9 10		A)	THE FACILITY SHALL IDENTIFY ITS METHOD FOR SECURING THE AREA AND ESTABLISH AND IMPLEMENT PROCEDURES FOR MONITORING THE EFFECTIVENESS OF THE SECURITY SYSTEM.				
11 12 13		B)	B) ANY FACILITY THAT HAS AN OUTSIDE AREA OR YARD THAT RESIDENTS IN THE NON-SECURE AREAS OF THE FACILITY MAY USE SHALL ESTABLISH A SECURE OUTSIDE AREA FOR RESIDENTS OF THE SECURE ENVIRONMENT.				
14	SECTI	ON 24	HOUSEKEEPING SERVICES				
15	24.1	ORGA	NIZATION				
16 17			EACH FACILITY SHALL ESTABLISH AN ORGANIZED HOUSEKEEPING SERVICE THAT KEEPS THE FACILITY CLEAN, ORDERLY AND FREE FROM ODOR RESULTING FROM POOR HOUSEKEEPING PRACTICES.				
18 19		A)	THE FACILITY SHALL PROVIDE A SUFFICIENT NUMBER OF HOUSEKEEPING PERSONNEL AND ADEQUATE EQUIPMENT.				
20 21		B)	DEODORIZERS SHALL NOT BE USED TO COVER UP ODORS CAUSED BY UNSANITARY CONDITIONS OR INADEQUATE HOUSEKEEPING PRACTICES.				
22	24.2	EQUIP	EQUIPMENT AND SUPPLIES				
23 24			SUITABLE EQUIPMENT AND SUPPLIES SHALL BE PROVIDED FOR CLEANING OF ALL SURFACES. SUCH EQUIPMENT SHALL BE MAINTAINED IN A SAFE, SANITARY CONDITION.				
25	24.3	DISIN	DISINFECTANTS				
26 27			DISINFECTANTS SHALL BE ONLY THOSE REGISTERED BY THE MANUFACTURER WITH THE UNITED STATES ENVIRONMENTAL PROTECTION AGENCY.				
28	24.4	STORAGE					
29 30		STORAGE AREAS, ATTICS, AND CELLARS SHALL BE KEPT SAFE AND FREE FROM ACCUMULATIONS OF EXTRANEOUS MATERIALS SUCH AS REFUSE, DISCARDED FURNITURE AND OLD NEWSPAPERS.					
31 32		A)	COMBUSTIBLES SUCH AS CLEANING RAGS AND COMPOUNDS SHALL BE KEPT IN CLOSED METAL CONTAINERS.				
33 34 35 36		В)	CLEANING COMPOUNDS AND OTHER HAZARDOUS SUBSTANCES (INCLUDING PRODUCTS LABELED "KEEP OUT OF REACH OF CHILDREN" ON THEIR ORIGINAL CONTAINERS) SHALL BE CLEARLY LABELED TO INDICATE CONTENTS AND (EXCEPT WHEN A STAFF MEMBER IS PRESENT) SHALL BE STORED IN A LOCATION SUFFICIENTLY SECURE TO DENY ACCESS TO CONFUSED RESIDENTS.				

2			,	HE FACILITY SHALL MAINTAIN A READILY AVAILABLE LIST AND THE MATERIAL SAFETY DATA HEET OF POTENTIALLY HAZARDOUS SUBSTANCES USED BY HOUSEKEEPING AND OTHER STAFF			
3 4			,	TILITY ROOMS USED FOR STORING DISINFECTANTS AND DETERGENT CONCENTRATES, AUSTIC BOWL AND TILE CLEANERS AND INSECTICIDES SHALL BE LOCKED.			
5 6		C)		WELS, TISSUES AND OTHER ABSORBENT PAPER GOODS SHALL BE STORED IN A MANNER THAT THEIR CONTAMINATION PRIOR TO USE.			
7	24.5	CLEA	NING METH	HODS			
8 9				E PERFORMED IN A MANNER TO MINIMIZE THE SPREAD OF PATHOGENIC ORGANISMS. FLOORS REGULARLY.			
10	24.6	FLOO	R SURFAC	ES			
11 12 13 14		CONTINUUM CONTIN	IUOUS, WASI PETED FLOO	ORS AND ADJACENT BASE COVING SHALL BE MAINTAINED TO PROVIDE A SMOOTH, HABLE SURFACE THAT IS FREE OF DISCOLORATION OR STAINING. POLISHES APPLIED TO RS SHALL PROVIDE A NONSLIP SURFACE. THROW OR SCATTER RUGS SHALL NOT BE USED LIP ENTRANCE MATS.			
15	24.7	TRAIN	ING AND S	UPERVISION			
16 17			HOUSEKEEPING PERSONNEL SHALL RECEIVE ADEQUATE SUPERVISION. INITIAL AND ANNUAL IN-SERVICE TRAINING PROGRAMS SHALL BE PROVIDED FOR HOUSEKEEPING PERSONNEL.				
18	SECT	ION 25	LINEN A	ND LAUNDRY			
19	25.1	LAUN	DRY SERV	CES			
20 21 22		WASHII	NG, DRYING,	L PROVIDE LAUNDRY SERVICES, AND/OR CONTRACT WITH A COMMERCIAL LAUNDRY, WITH AND IRONING EQUIPMENT OF SUFFICIENT CAPACITY TO PROCESS A CONTINUOUS SEVEN-DAY TEN POUNDS OF DRY LAUNDRY PER BED PER DAY.			
23 24		A)		EQUIPMENT SHALL MEET ALL SAFETY AND SANITARY REQUIREMENTS. THE EQUIPMENT SHALL ED AND INSTALLED TO COMPLY WITH ALL STATE AND LOCAL LAWS.			
25 26		B)		EQUIPMENT, PROCESSING, AND PROCEDURES SHALL RENDER SOILED LINEN AND PATIENT CLEAN AND FREE FROM DETERGENT, SOAP, AND OTHER CHEMICAL RESIDUES.			
27 28 29		C)	CONTRACT	Y SERVICES ARE NOT PROVIDED ENTIRELY WITHIN THE FACILITY, THERE SHALL BE A WRITTEN BETWEEN THE FACILITY AND A COMMERCIAL LAUNDRY SERVICE THAT ENSURES COMPLIANCE ION 25.1(B).			
30 31 32		D)		EXCEPTION OF LAUNDRY AMENITIES USED SOLELY FOR RESIDENT'S PERSONAL EFFECTS, EQUIPMENT AND OPERATIONS SHALL BE LOCATED IN AN AREA SEPARATED FROM RESIDENT S.			
33 34 35 36 37 38		E)	TRANSPORTO PROVID	ALL BE PROPER SPACING AND PLACING OF THE EQUIPMENT TO MINIMIZE MATERIAL STATION AND OPERATION; TO AVOID ALL CROSS TRAFFIC BETWEEN CLEAN AND SOILED LINEN; BE BALANCE OF OPERATIONS; AND TO PROVIDE STORAGE BETWEEN OPERATIONS. THE AIR MOVEMENT SHALL BE FROM THE CLEANEST AREAS TO THE MOST CONTAMINATED AREAS. UNDRY SHALL BE PROCESSED FREQUENTLY ENOUGH TO PREVENT EXCESSIVE UNSANITARY ATIONS.			

1	25.2	WASHING TEMPERATURE
2 3 4		THE WATER TEMPERATURE AND DURATION OF WASHING CYCLE SHALL BE CONSISTENT WITH THE TEMPERATURE AND DURATION RECOMMENDED BY THE MANUFACTURERS OF THE LAUNDRY CHEMICALS AND EQUIPMENT BEING USED.
5	25.3	RESIDENT LINEN SUPPLY
6 7 8		LINEN SUPPLY (TOP AND BOTTOM SHEETS, PILLOWCASES, WASHCLOTHS, BATH AND FACE TOWELS) SHALL BE AT LEAST THREE COMPLETE CHANGES TIMES THE NUMBER OF LICENSED BEDS. ALL LINENS SHALL BE MAINTAINED CLEAN, IN GOOD REPAIR.
9	25.4	SOILED LINEN HANDLING
10 11 12 13		IN REMOVING AND HANDLING SOILED LINEN FROM A BED, THERE SHALL BE MINIMAL SHAKING OF THE LINEN. SOILED LINEN, INCLUDING BLANKETS, SHALL BE PLACED IN BAGS TIGHTLY CLOSED BEFORE REMOVAL FROM A BEDROOM. THE BAGS SHALL REMAIN CLOSED AND SHALL BE REMOVED FROM THE RESIDENT CARE UNIT AT LEAST EVERY 8 HOURS.
14	25.6	INFECTIOUS DISEASE LINEN
15 16 17		ALL LINENS AND BLANKETS FROM RESIDENTS WITH INFECTIOUS DISEASE SHALL BE PLACED IN BIO-HAZARDOUS BAGS AND TRANSPORTED IN THESE CLOSED BAGS. MEASURES SHALL BE TAKEN TO ENSURE THE DISINFECTION OF CONTAMINATED LAUNDRY AND PROTECTION OF PERSONS DOING LAUNDRY.
18	25.7	SORTING AND PRE-RINSING
19 20 21		PRE-RINSING, SORTING AND ALL OTHER LINEN AND LAUNDRY OPERATIONS SHALL BE CONFINED TO THE LAUNDRY FACILITY AND SHALL NOT BE PERMITTED IN THE RESIDENT'S ROOM, BATHTUB, SHOWER, LAVATORY OR UTILITY CLOSETS.
22	25.8	LAUNDRY CHUTES
23 24 25		IF LAUNDRY CHUTES ARE USED, ALL SOILED LINEN, CLOTHING AND OTHER ITEMS DEPOSITED IN THEM SHALL FIRST BE ENCLOSED IN BAGS BEFORE PLACING THEN IN CHUTE. LAUNDRY CHUTES SHALL BE REGULARLY CLEANED.
26	25.9	SOILED LAUNDRY CARTS
27 28 29		CARTS AND HAMPERS USED TO TRANSPORT SOILED LAUNDRY SHALL BE COVERED AND CONSTRUCTED OF OR LINED WITH IMPERVIOUS MATERIALS, CLEANED AND DISINFECTED AFTER USE, AND USED ONLY FOR TRANSPORTING SOILED LAUNDRY.
30	25.10	SOILED LINEN STORAGE
31 32		THE FACILITY SHALL PROVIDE A SEPARATE SOILED LINEN STORAGE AND SORTING AREA, MECHANICALLY VENTILATED TO THE OUTSIDE ATMOSPHERE. NO RE-CIRCULATION OF AIR FROM THIS AREA IS PERMITTED.
33	25.11	RESIDENT CLOTHING
34 35		RESIDENT CLOTHING AND LAUNDRY SHALL BE PROCESSED AND STORED IN A MANNER SO THAT PERSONAL ITEMS ARE READILY IDENTIFIABLE.
36	25.12	CLEAN LINEN STORAGE

1 A CLEAN LINEN FOLDING/STORAGE ROOM SHALL BE PROVIDED AS PART OF THE LAUNDRY AREA, LOCATED 2 ADJACENT TO THE DRYING EQUIPMENT. POSITIVE PRESSURE SHALL BE MAINTAINED IN THIS AREA. 3 25.13 CLEAN LINEN HANDLING 4 CLEAN LINEN SHALL BE TRANSPORTED IN A MANNER THAT PRESERVES ITS CLEAN CONDITION SO THAT IT IS 5 CLEAN AT THE SITE OF ITS USE. 6 SECTION 26 INFECTION CONTROL 7 26.1 INFECTION CONTROL PROGRAM 8 THE FACILITY SHALL HAVE AN INFECTION CONTROL PROGRAM THAT PROVIDES ANNUAL IN-SERVICE TRAINING ON 9 INFECTION CONTROL AND SHALL HAVE CURRENT INFECTION CONTROL POLICIES AND PROCEDURES AVAILABLE TO 10 ALL STAFF MEMBERS. 11 26.2 **POLICIES** 12 THE FACILITY SHALL HAVE AND FOLLOW WRITTEN POLICIES, APPROVED BY THE GOVERNING BODY ADDRESSING 13 THE TRANSMISSION OF COMMUNICABLE DISEASES WITH A SIGNIFICANT RISK OF TRANSMISSION TO OTHER 14 PERSONS AND FOR REPORTING DISEASES TO THE STATE AND/OR LOCAL HEALTH DEPARTMENT, PURSUANT TO 6 15 CCR 1009-1. Rules and Regulations Pertaining to Epidemic and Communicable Disease Control. 16 26.3 THE FACILITY'S WRITTEN POLICIES AND PROCEDURES REGARDING INFECTION CONTROL SHALL BE CONSISTENT 17 WITH THE CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC): GUIDELINE FOR ISOLATION 18 PRECAUTIONS: PREVENTING TRANSMISSION OF INFECTIOUS AGENTS IN HEALTHCARE SETTINGS, 2007 AND 19 GUIDELINES FOR ENVIRONMENTAL INFECTION CONTROL IN HEALTH-CARE FACILITIES, 2003, WHICH ARE 20 INCORPORATED BY REFERENCE CONSISTENT WITH SECTION 1.3 OF THIS CHAPTER. 21 A) THOSE POLICIES AND PROCEDURES SHALL INCLUDE AT A MINIMUM, ALL OF THE FOLLOWING CRITERIA: 22 1) STAFF SHALL EXERCISE CAUTION WHEN HANDLING SHARP OBJECTS SUCH AS NEEDLES AROUND 23 RESIDENTS. NEEDLES SHALL NOT BE RECAPPED, BROKEN OFF OR DISPOSED OF IN OTHER THAN 24 PUNCTURE-PROOF CONTAINERS. 25 2) LINEN AND CLOTHING OF RESIDENTS WITH COMMUNICABLE INFECTIONS SHALL BE WASHED IN A 26 MANNER THAT ENSURES DISINFECTION. 27 3) STAFF SHALL WEAR DISPOSABLE GLOVES WHEN HANDLING ITEMS SOILED WITH BLOOD OR 28 BODY FLUIDS. 4) RESUSCITATION EQUIPMENT SHALL BE IMMEDIATELY AVAILABLE IN THE EVENT ITS USE 30 BECOMES NECESSARY. 31 5) WEARING DISPOSABLE GLOVES, STAFF SHALL IMMEDIATELY CLEAN UP SPILLS OF BLOOD OR BODILY FLUID FROM RESIDENTS WITH COMMUNICABLE INFECTIONS. STAFF SHALL THEN 33 DISINFECT THE CONTAMINATED AREA USING AN APPROPRIATE CONCENTRATION OF A DISINFECTANT CERTIFIED BY THE MANUFACTURER TO BE EFFECTIVE AS USED. 35 6) ALL DISPOSABLE EQUIPMENT CONTAINING INFECTIVE WASTE SHALL BE DISPOSED OF IN THE 36 ROOM WHERE IT IS USED IN STURDY PLASTIC BAGS AND THEN RE-BAGGED OUTSIDE THE ROOM. 37 IT SHALL EITHER BE AUTOCLAVED OR INCINERATED PRIOR TO DISPOSAL IN A SANITARY LANDFILL.

Page 113 of 123

1 2 3		7) FACILITY ACCESS OF NON-RESIDENT INDIVIDUALS WITH CONTAGIOUS CONDITIONS SHALL BE RESTRICTED UNTIL THOSE INDIVIDUALS ARE NO LONGER CONTAGIOUS, THE INFECTIOUS PERIOD HAS EXPIRED OR PERSONAL PROTECTIVE EQUIPMENT IS PROVIDED.
4	26.4	RESIDENT ISOLATION
5 6 7 8		FACILITIES SHALL PROVIDE FOR THE ISOLATION OF RESIDENTS WITH COMMUNICABLE DISEASES WHERE APPROPRIATE.—INDIVIDUAL RESIDENT FACTORS ARE IMPORTANT DETERMINANTS OF INFECTION TRANSMISSION RISKS AND THE NEED FOR A SINGLE ROOM AND/OR PRIVATE BATHROOM FOR ANY RESIDENT IS BEST DETERMINED ON A CASE-BY-CASE BASIS.
9	26.5	SANITATION OF NURSING AND RESIDENT CARE EQUIPMENT
10 11		NURSING AND RESIDENT CARE EQUIPMENT SHALL BE PROPERLY CLEANED, SANITIZED, DISINFECTED OR STERILIZED, AND STORED.
12 13 14 15	26.6	DISPOSABLE EQUIPMENT AND SUPPLIES. SINGLE SERVICE DISPOSABLE CARE EQUIPMENT SHALL BE USED ONLY ONCE AND SHALL BE DISPOSED OF IN AN APPROVED MANNER. REUSABLE DISPOSABLE CARE EQUIPMENT SHALL BE USED ONLY FOR THE RESIDENT TO WHOM ASSIGNED. DISPOSABLE STERILE EQUIPMENT SHALL BE CERTIFIED BY THE DISTRIBUTOR AS STERILE AND BE DESTROYED AFTER INITIAL USE.
16	26.7	HANDWASHING
17 18 19 20		PERSONNEL SHALL WASH THEIR HANDS BEFORE AND AFTER CONTACT WITH A RESIDENT, AFTER CONTACT WITH A CONTAMINATED OBJECT OR WASTE AND ADHERE TO THE CDC GUIDELINES FOR HAND HYGIENE IN HEALTH-CARE SETTINGS, 2002, WHICH IS INCORPORATED BY REFERENCE CONSISTENT WITH SECTION 1.3 OF THIS CHAPTER.
21	26.8	SANITATION OF AIR
22 23		DESIGN, INSTALLATION, AND OPERATION OF HEATING/COOLING/VENTILATION SYSTEM SHALL ENSURE ADEQUATE MICROBIAL CONTROL OF THE AIR.
24	26.9	PETS
25 26		THE FACILITY SHALL ENSURE THAT PET ANIMALS EITHER RESIDING AT OR VISITING THE FACILITY HAVE BEEN APPROPRIATELY VACCINATED AND LICENSED.
27	SECTIO	ON 27 PEST CONTROL
28 29	27.1	THE FACILITY SHALL HAVE WRITTEN POLICIES AND PROCEDURES THAT PROVIDE FOR EFFECTIVE CONTROL AND ERADICATION OF INSECTS, RODENTS AND OTHER PESTS.
30 31 32 33	27.2	THE FACILITY SHALL HAVE A PEST CONTROL PROGRAM PROVIDED BY MAINTENANCE PERSONNEL OR BY CONTRACT WITH A PEST CONTROL COMPANY USING THE LEAST TOXIC AND LEAST FLAMMABLE EFFECTIVE PESTICIDES. THE PESTICIDES SHALL NOT BE STORED IN PATIENT OR FOOD AREAS AND SHALL BE KEPT UNDER LOCK AND ONLY PROPERLY TRAINED RESPONSIBLE PERSONNEL SHALL BE ALLOWED TO APPLY THEM.
34 35 36	27.3	SCREENS OR OTHER PEST CONTROL MEASURES SHALL BE PROVIDED ON ALL EXTERIOR OPENINGS EXCEPT WHERE PROHIBITED BY FIRE REGULATIONS. FACILITY DOORS, DOOR SCREENS AND WINDOW SCREENS SHALL FIT WITH SUFFICIENT TIGHTNESS AT THEIR PERIMETERS TO EXCLUDE PESTS.
37	SECTIO	ON 28 WASTE DISPOSAL

38 28.1 SEWAGE AND SEWER SYSTEMS

2 3		IN A MA	WAGE SHALL BE DISCHARGED INTO A PUBLIC SEWER SYSTEM, OR IF SUCH IS NOT AVAILABLE, DISPOSED OF INNER APPROVED BY THE STATE AND LOCAL HEALTH AUTHORITIES AND THE COLORADO WATER QUALITY ROL COMMISSION.
4 5		A)	WHEN PRIVATE SEWAGE DISPOSAL SYSTEMS ARE IN USE, RECORDS OF MAINTENANCE AND THE SYSTEM DESIGN PLANS SHALL BE KEPT ON THE PREMISES.
6 7 8		B)	NO UNPROTECTED EXPOSED SEWER LINE SHALL BE LOCATED DIRECTLY ABOVE WORKING, STORAGE OR EATING SURFACES IN KITCHENS, DINING ROOMS, PANTRIES, FOOD STORAGE ROOMS, OR WHERE MEDICAL OR NURSING SUPPLIES ARE PREPARED, PROCESSED OR STORED.
9	28.2	MEDIC	CAL WASTE
10 11			AL WASTE SHALL BE DISPOSED OF IN ACCORDANCE WITH THE DEPARTMENT'S REGULATIONS PERTAINING LID WASTE DISPOSAL SITES AND FACILITIES AT 6 CCR 1007-2, PART 1, SECTION 13, MEDICAL WASTE.
12	28.3	REFU	SE
13 14 15		CONTA	RBAGE AND RUBBISH THAT IS NOT DISPOSED OF AS SEWAGE SHALL BE COLLECTED IN IMPERVIOUS INCERS IN SUCH MANNER AS NOT TO BECOME A NUISANCE OR A HEALTH HAZARD AND SHALL BE REMOVED OUTSIDE APPROVED STORAGE AREA AT LEAST ONCE A DAY.
16		A)	THE REFUSE STORAGE AREA SHALL BE KEPT CLEAN, AND FREE FROM NUISANCE.
17 18		B)	A SUFFICIENT NUMBER OF IMPERVIOUS CONTAINERS WITH TIGHT FITTING LIDS SHALL BE PROVIDED AND KEPT CLEAN AND IN GOOD REPAIR.
19 20		C)	CARTS USED TO TRANSPORT REFUSE SHALL BE CONSTRUCTED OF IMPERVIOUS MATERIALS, ENCLOSED, USED SOLELY FOR REFUSE AND MAINTAINED IN A SANITARY MANNER.
21	28.4	INCIN	ERATORS
22 23			ACILITY USING AN INCINERATOR SHALL OBTAIN A PERMIT TO OPERATE AN INCINERATOR FROM THE STATE OLLUTION CONTROL DIVISION AND MAINTAIN THE PERMIT ON FILE.
24		A)	THE FACILITY SHALL COMPLY WITH FEDERAL, STATE AND LOCAL AIR POLLUTION REGULATIONS.
25 26		B)	THE INCINERATOR SHALL BE CONSTRUCTED IN A MANNER THAT PREVENTS INSECT AND RODENT BREEDING AND HARBORAGE.
27	SECTI	ON 29	RELIGIOUS TREATMENT EXCLUSIONS
28	29.1	EXCE	PTION OF CERTAIN FACILITIES

SECTION 30 MEDICAID CERTIFICATION STANDARDS

30.1 FOR THE PURPOSE OF FULFILLING ITS FACILITY CERTIFICATION RESPONSIBILITIES AS THE STATE SURVEY
AGENCY PURSUANT TO SECTION 25-1.5-103(1)(A)(I)(C), C.R.S.; TITLE XIX (MEDICAID) OF THE SOCIAL
SECURITY ACT (42 U.S.C. SECTION 1396(A), ET SEQ.); AND THE COLORADO MEDICAL ASSISTANCE ACT,
SECTION 25.5-4-101, ET SEQ., C.R.S.; THE DEPARTMENT SHALL APPLY AND ENFORCE THE SKILLED NURSING
FACILITY CERTIFICATION STANDARDS OF THE U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES LOCATED IN
TITLE 42 OF THE U.S. CODE OF FEDERAL REGULATIONS.

SECTION 31 ENFORCEMENT ACTIVITIES

1

8

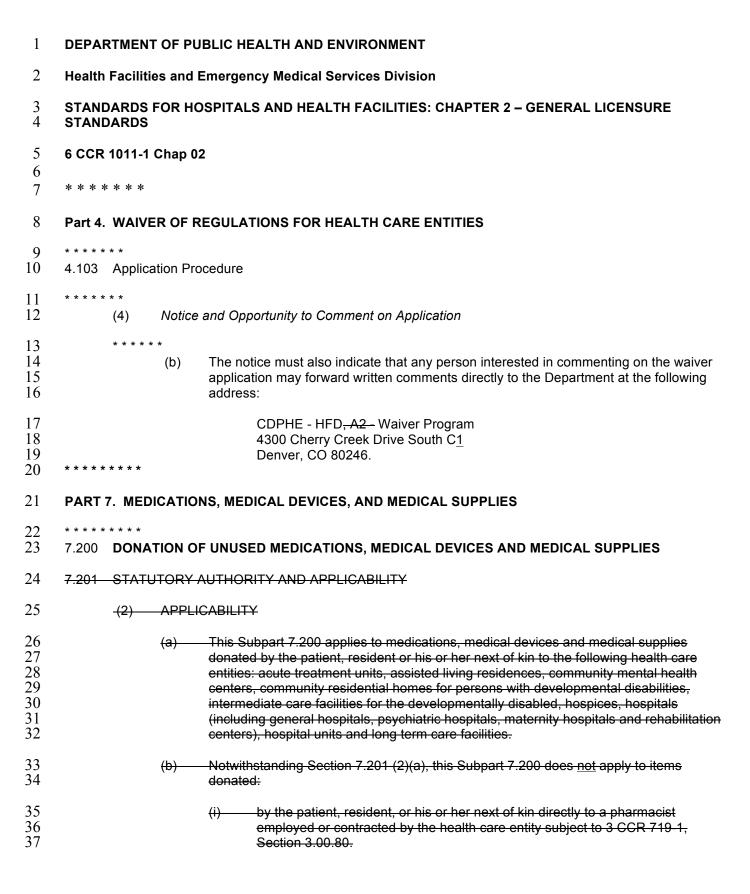

35

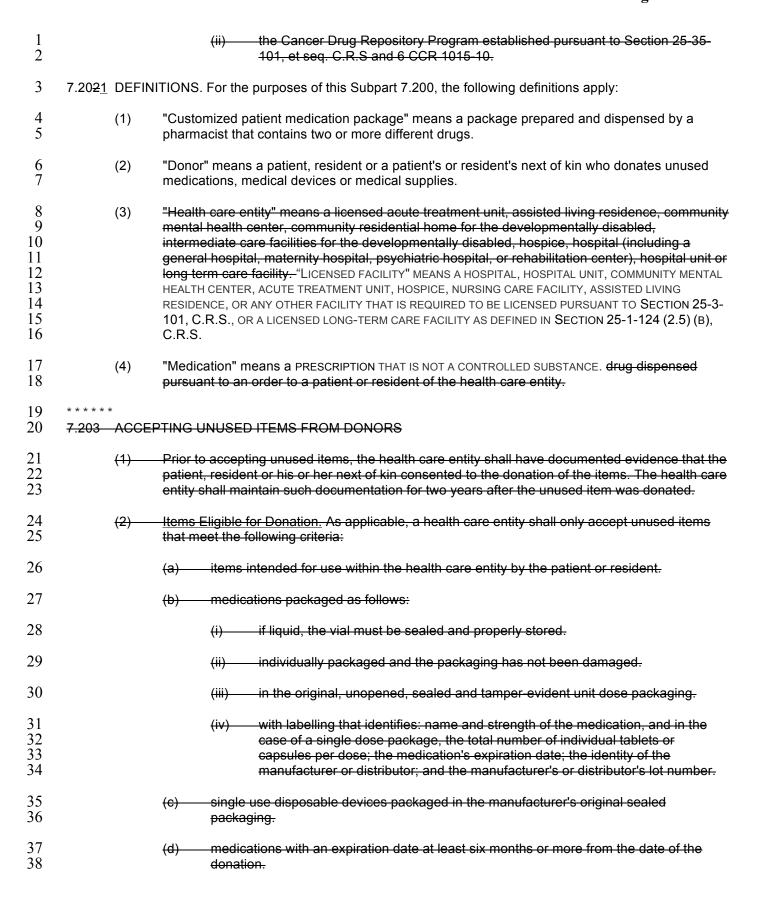

- 9 FOR NURSING CARE FACILITIES CERTIFIED TO PROVIDE MEDICAID SERVICES: 10 31.1 THE DEPARTMENT, AS THE STATE AGENCY RESPONSIBLE FOR CERTIFYING NURSING CARE FACILITIES, IS 11 AUTHORIZED UNDER SECTIONS 25-1-107.5 AND 25.5-6-205, C.R.S. TO RECOMMEND TO THE DEPARTMENT OF 12 HEALTH CARE POLICY AND FINANCING (HCPF) THAT REMEDIES BE IMPOSED AGAINST A NURSING CARE FACILITY 13 THAT VIOLATES THE FEDERAL REGULATIONS FOR PARTICIPATION IN THE MEDICAID PROGRAM AS ENUMERATED IN 14 42 USC §1396r(H). THE REMEDIES RECOMMENDED SHALL INCLUDE ANY REMEDIES REQUIRED UNDER FEDERAL 15 LAW AND THE IMPOSITION OF CIVIL MONEY PENALTIES. ASSESSMENT, ENFORCEMENT AND COLLECTION OF ANY 16 CIVIL MONEY PENALTY RECOMMENDED UNDER THIS SECTION AND THE DENIAL OF MEDICAID PAYMENTS SHALL BE 17 HCPF'S RESPONSIBILITY. 18 31.2 IN DETERMINING WHETHER TO RECOMMEND IMPOSITION OF A CIVIL MONEY PENALTY, THE DEPARTMENT MAY 19 CONSIDER MITIGATING FACTORS SUCH AS CHANGE OF OWNERSHIP; CIRCUMSTANCES OUTSIDE THE FACILITY'S 20 REASONABLE CONTROL; AND REASONABLE, GOOD FAITH EFFORTS TO RESOLVE THE VIOLATION(S). 21 31.3 IN DETERMINING THE AMOUNT OF THE PENALTY TO RECOMMEND FOR ASSESSMENT BY HCPF, THE DEPARTMENT 22 SHALL CONSIDER, AT A MINIMUM, THE FOLLOWING ITEMS: 23 A) THE PERIOD OF TIME OVER WHICH THE VIOLATION OCCURRED; 24 B) THE FREQUENCY OF THE VIOLATION; 25 C) THE NURSING CARE FACILITY'S HISTORY CONCERNING THE TYPE OF VIOLATION FOR WHICH THE 26 PENALTY IS ASSESSED; 27 D) THE NURSING CARE FACILITY'S INTENT OR REASON FOR THE VIOLATION: 28 E) THE EFFECT, IF ANY, OF THE VIOLATION ON RESIDENTS' HEALTH, SAFETY, SECURITY OR WELFARE (I.E., 29 SEVERITY); 30 F) THE EXISTENCE OF OTHER VIOLATIONS, IN COMBINATION WITH THE VIOLATION FOR WHICH THE PENALTY 31 IS ASSESSED, WHICH INCREASE THE THREAT TO RESIDENTS' HEALTH, SAFETY, SECURITY OR WELFARE; 32 G) THE ACCURACY, THOROUGHNESS AND AVAILABILITY OF RECORDS REGARDING THE VIOLATION WHICH 33 THE NURSING CARE FACILITY IS REQUIRED TO MAINTAIN; AND 34 H) THE NUMBER OF ADDITIONAL RELATED VIOLATIONS OCCURRING WITHIN THE SAME TIME SPAN AS THE
- 31.4 IN THE EVENT THE DEPARTMENT DETERMINES THAT A VIOLATION IS LIFE THREATENING TO ONE OR MORE
 RESIDENTS OR CREATES A DIRECT THREAT OR SERIOUS ADVERSE HARM TO THE HEALTH, SAFETY, SECURITY,
 RIGHTS OR WELFARE OF ONE OR MORE RESIDENTS, HCPF SHALL IMPOSE A PENALTY FOR EACH DAY THE
 DEFICIENCIES THAT CONSTITUTE THE VIOLATION ARE FOUND TO EXIST.

VIOLATION IN QUESTION.

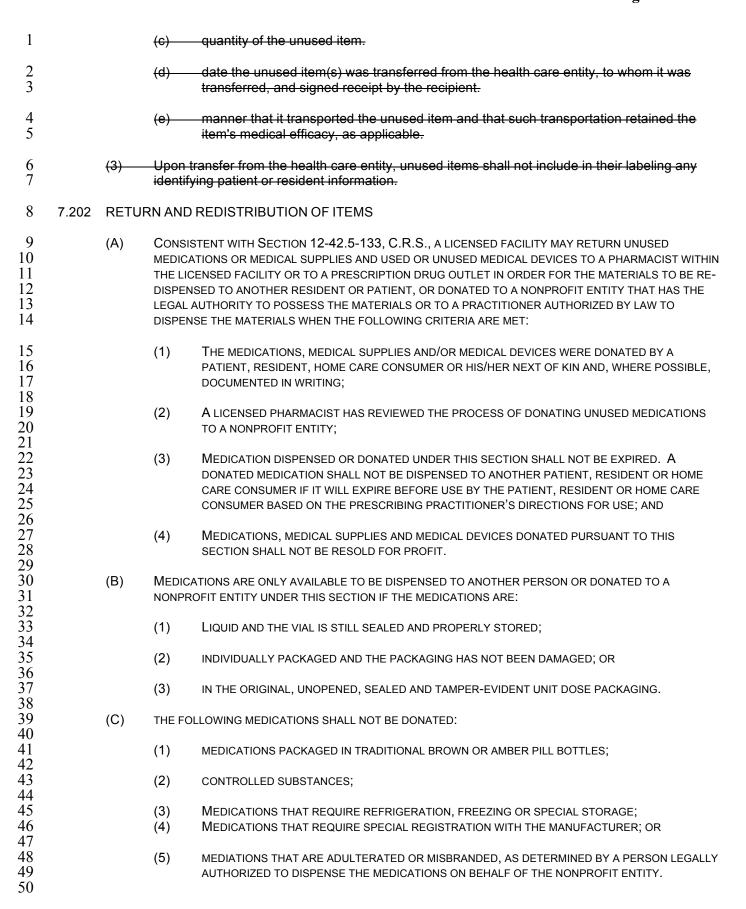

Page 116 of 123

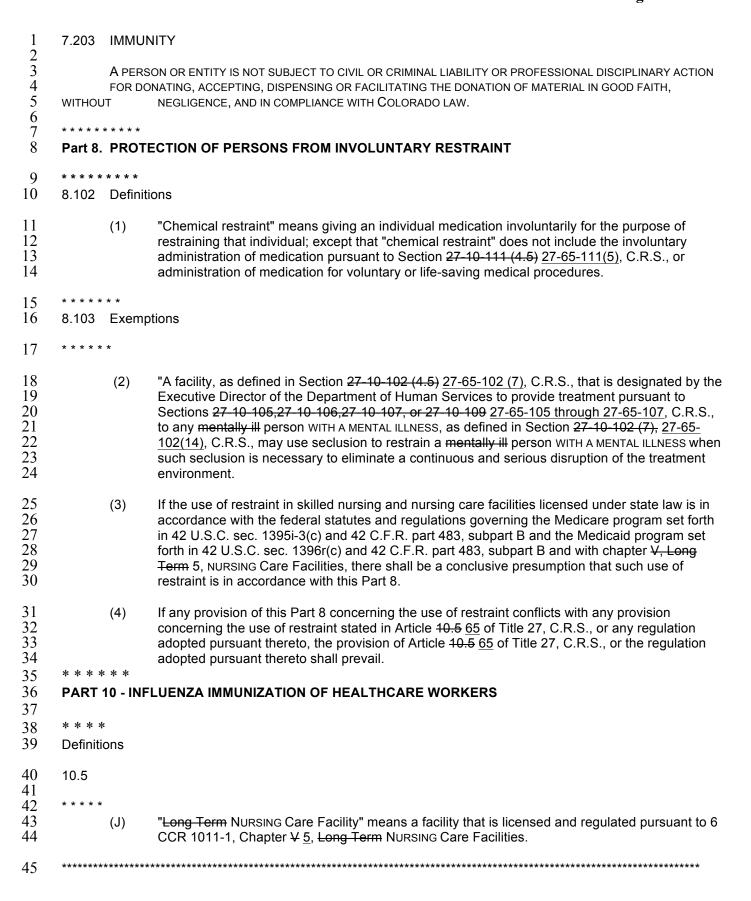

31.5	In accordance with Section 25-1-107.5(3), C.R.S., any civil money penalty recommended by the Department shall be not less than \$100 or more than \$10,000 for each day the facility is found to have been in violation of the federal regulations. Penalties assessed shall include interest at the statutory rate.
31.6	IF THE DEPARTMENT RECOMMENDS IMPOSITION OF A CIVIL MONEY PENALTY, IT SHALL NOTIFY THE NURSING CARE FACILITY NO LATER THAN FIVE DAYS AFTER THE LAST DAY OF THE INSPECTION OR SURVEY DURING WHICH THE DEFICIENCIES THAT CONSTITUTE THE VIOLATION WERE FOUND. SUCH NOTICE SHALL COMPLY WITH SECTION 25-1-107.5(3)(C)(II),C.R.S.
31.7	WRITTEN PLANS OF CORRECTION SHALL COMPLY WITH 6 CCR 1011-1, CHAPTER 2, PART 2.11.4(B).
31.8	Nothing in this section precludes the Department from imposing any other remedies allowed by state law including, but not limited to, those described in 6 CCR 1011-1, Chapter 2, Part 2.11 and 2.12.
For Lic	CENSED, NON-CERTIFIED NURSING CARE FACILITIES:
31.9	THE DEPARTMENT MAY IMPOSE ANY ENFORCEMENT REMEDY AUTHORIZED BY STATE LAW OR REGULATION.
31.10	ENFORCEMENT ACTIVITIES SHALL BE CONDUCTED IN ACCORDANCE WITH 6 CCR 1011-1, CHAPTER 2.
SECTION	ON 32 LICENSING FEES
32.1	ALL LICENSE FEES ARE NON-REFUNDABLE. THE TOTAL FEE SHALL BE SUBMITTED WITH THE APPROPRIATE LICENSE APPLICATION.
32.2	Initial License - \$6,000 per facility.

1	(3)	Items Not Eligible for Donation. A health care entity shall not accept medications that:
2		(a) were dispensed in a traditional brown or amber pill bottles.
3		(b) are controlled substances.
4		(c) require refrigeration, freezing, or special storage.
5		(d) require special registration with the manufacturer.
6		(e) are adulterated or misbranded, as determined by the health care entity.
7		(f) are dispensed in a customized patient medication package.
8		(g) are compounded drugs.
9		(h) are packaged by a pharmacist as split tablets or capsules.
10 11	(4)	Policies and Procedures. Health care entities that accept unused items shall develop and implement policies and procedures regarding:
12		(a) Storage. Unused items shall be stored:
13 14 15		(i) in a manner that retains the items' medical efficacy as provided for by storage protocols approved by a licensed pharmacist. Such protocols shall be reviewed and approved by a licensed pharmacist at least every three years.
16		(ii) separately from non-donated unused items.
17		(b) Inventory control. The health care entity shall:
18 19 20		(i) develop processes for the prevention and detection of diversion of donated unused items that may be illegally sold. When diversion is detected, prompt appropriate corrective measures shall be implemented.
21 22		(ii) adequately dispose of unused donated items not transferred to a pharmacist or a relief agency.
23 24		(c) Transporting unused items. If the health care entity is responsible for transporting unused items, it shall do so in a manner that retains the item's medical efficacy.
25	7.204 TRANS	SFERRING UNUSED ITEMS FROM THE HEALTH CARE ENTITY
26 27 28	1)	A health care entity may transfer unused items to pharmacists or nonprofit relief entities as authorized by Section 12-22-133 (2), C.R.S.
29 30	(2)	The health care entity shall maintain a record, to be retained for two years after the unused item was transferred from the health care entity, of the:
31 32		(a) name of the donor and the date the unused item was donated to the health care entity, as applicable.
33		(b) name or a brief description of the unused item.

Notice of Public Rule-Making Hearing Scheduled for March 16, 2016

NOTICE is hereby given pursuant to the provisions of Section 24-4-103, C.R.S., that the Colorado Board of Health will conduct a public rule-making hearing on March 16, 2016 at 10 a.m. in the Sabin-Cleere Conference Room of the Colorado Department of Public Health and Environment, Bldg. A, First Floor, 4300 Cherry Creek Drive, South, Denver, CO 80246, to consider the promulgation of amendments to 6 CCR 1011-1, Chapter 5 Long Term Care Facilities and Chapter 2, General Licensure Standards. The proposed amendments have been developed by the Health Facilities and Emergency Medical Services Division of the Colorado Department of Public Health and Environment pursuant to Section 25-1.5-103, C.R.S. (2015); Section 25-1-107.5, C.R.S. (2015); Section 25-1-120, C.R.S. (2015); Section 25-3-101, et seq., C.R.S. (2015); and Section 18-6.5-108(1)(b)(V), C.R.S. (2015). Chapter 5 is being renamed to correspond with state statute and the entire chapter has been rewritten to reflect current practice standards, eliminate duplicative and obsolete sections and better align with federal requirements.

The agenda for the meeting and the proposed amendments will also be available on the Board's website, https://www.colorado.gov/pacific/cdphe/boh at least seven (7) days prior to the meeting. The proposed rules, together with the proposed statement of basis and purpose, specific statutory authority and regulatory analysis will be available for inspection at the Colorado Department of Public Health and Environment, 4300 Cherry Creek Drive South EDO-A5, Denver, Colorado 80246-1530 at least five working days prior to the hearing. Copies of the proposed rules may be obtained by contacting the Colorado Department of Public Health and Environment, Health Facilities and Emergency Medical Services Division, HFEMSD-C1, 4300 Cherry Creek Drive S., Denver, CO 80246, (303) 692-2800.

The Board encourages all interested persons to participate in the hearing by providing written data, views, or comments, or by making oral comments at the hearing. At the discretion of the Chair, oral testimony at the hearing may be limited to three minutes or less depending on the number of persons wishing to comment. Pursuant to 6 CCR 1014-8, §3.02.1, written testimony must be submitted no later than five (5) calendar days prior to the rulemaking hearing. Written testimony is due by 5:00 p.m., Thursday, March 10, 2016. Persons wishing to submit written comments should submit them to: Colorado Board of Health, ATTN: Jamie L. Thornton, Program Assistant, Colorado Department of Public Health and Environment, 4300 Cherry Creek Drive South EDO-A5, Denver, Colorado 80246-1530 or by e-mail at: cdphe.bohrequests@state.co.us

Dated this 21 day of Canany, 2016.

Dedicated to protecting and improving the health and environment of the people of Colorado

To: Members of the State Board of Health

From: Laurie Schoder, Policy Analyst, Health Facilities and Emergency Medical Services

Division

Through: D. Randy Kuykendall, MLS; Director \mathcal{DRK}

Date: January 20, 2016

Subject: Proposed Amendments to 6 CCR 1011-1, Standards for Hospitals and Health Facilities,

Chapter 5, Long Term Care Facilities and Conforming and Technical Amendments to Chapter 2, General Licensure, with a Request for the Rulemaking Hearing to occur on

March 16, 2016.

In 2014, the Division conducted a regulatory review of Chapter 5 and determined that many of those rules were outdated, confusing and/or inconsistent with state or federal law. Therefore, the Division pledged to initiate a community stakeholder process to thoroughly review the entire rule.

The Division has been meeting with stakeholders every month for over a year to revise the Chapter 5 regulations. All stakeholder meetings were open to the public and routinely included the state long-term care ombudsman, a nursing care facility resident, members of the Colorado Medical Directors Association and other licensed medical professionals, owners and administrators of licensed nursing care facilities, and representatives of the Colorado Health Care Association, Leading Age Colorado, the Legal Center and the Colorado Hospital Association.

Due to the extensive nature of the revisions, the Division proposal is that the current chapter be stricken in its entirety and replaced with a new version that has also been reorganized and renumbered. The Division also proposes changing the title of Chapter 5 from Long Term Care Facilities to Nursing Care Facilities to align with the Department's statutory authority.

One proposed revision to the pharmacy section of Chapter 5, along with conforming changes to Chapter 2, is being made to align with statutory changes brought about by House Bill 15-1039 which addressed the donation of prescription medications by licensed health care facilities. In addition, language throughout the entire chapter has been revised to reflect technological advances; make it more person-centered; and reflect that a nursing care facility is not merely a health care institution but also a resident's home.

STATEMENT OF BASIS AND PURPOSE AND SPECIFIC STATUTORY AUTHORITY

For Amendments to 6 CCR 1011-1, Standards for Hospitals and Health Facilities, Chapter 5, Long Term Care Facilities and Conforming and Technical Amendments to Chapter 2, General Licensure January 20, 2016

Basis and Purpose:

In 2014, pursuant to Section 24-4-103.3, C.R.S., the Division conducted a regulatory review of Chapter 5 and determined that many of those standards were outdated, confusing and/or inconsistent with state statute. Since then the Division has conducted monthly meetings with stakeholders to completely overhaul the regulations regarding nursing care facilities. Due to the extensive nature of the revisions, the Division is proposing that the current regulation set be stricken in its entirety and replaced with a new version that has also been renamed, reorganized and renumbered.

The major highlights of the changes include adding language to require at-risk elder abuse reporting; revising the medical services section to allow for expanded use of non-physician practitioners consistent with federal and state law; updating therapist and other staff qualifications to align with state law and/or reflect current professional standards; updating the subsection on disposition of medication to align with changes made by House Bill 15-1039; requiring a security officer or other designated staff person to oversee health information security; and requiring a facility to petition the court for appointment of a guardian for any resident placed in secure unit if that resident lacks decisional capacity and has no designated representative.

The following is a brief summary of the changes to Chapter 5 by section:

- Section 1 Updated to include reference to medical waste disposal regulations.
- **Section 2** Several new definitions added.
- Section 3 Clarification of governing body role and reworded quality assurance subsection.
- Section 4 Reworded for clarity and addition of language regarding at-risk elder abuse reporting.
- **Section 5** Primarily reworded.
- **Section 6** Primarily reworded.
- **Section 7** Reorganized and time frames revised to align with federal requirements. Individual responsible for nursing care planning changed to registered nurse to align with federal requirement.
- **Section 8** Revised to allow for expanded use of non-physician practitioners consistent with federal and state law; added requirement that medical director personally visit facility at least every three months; added requirements regarding the contents of practitioner's notes and time frame for inclusion in health information record; expanded medical director's responsibilities to be consistent with remainder of rule and allowed for practitioner use of telehealth within certain parameters.
- **Section 9** Reworded and clarified the subsection on restraints to align with statute. Reworded and clarified the subsections on medication administration and safety devices.
- **Section 10** Time for social services staff to review and update assessment and care plan shortened to guarterly. Updated and clarified staff qualifications.
- **Section 11** Primarily reworded.
- **Section 12** Added requirements that each resident must be informed about the consequences of undiagnosed oral health issues and about the availability of public benefits for dental services.
- **Section 13** Revised to reflect proposed federal language regarding meal times; expanded qualifications for individual overseeing dietary services; updated menu reference requirements;

clarified requirements for refrigerator safety and feeding of residents in isolation; and deleted subsection on milk because that is covered in the retail food regulations with which facilities are also required to comply.

Section 14 - Reorganized and reworded to eliminate duplicative and obsolete subsections and better align with federal requirements.

Section 15 - Reworded for clarity and to better align with state law.

Section 16 - Revised to require that facilities complete a risk assessment for emergencies using an all hazards approach. Addition of items to be addressed in facility policies and procedures regarding various emergencies and addition of items to be addressed in facility disaster plans.

Section 17 - Revised language to reflect current technology; reworded section on health information staff responsibilities; added requirement for security officer or other designated staff person to oversee health information security and updated staff qualifications to reflect current professional standards.

Section 18 - Updated therapist qualifications to align with state law and consolidated sections to eliminate duplication.

Section 19 - Reworded duties of consulting pharmacist to better align with federal law; added subsection on the use of investigational medications and updated subsection on disposition of medication to align with state law.

Section 20 - Current time frame for inclusion of diagnostic reports in health information record shortened from thirty days to two days and requirement relocated to Section 17.1(A).

Section 21 - The only change is correction of the hyperlink.

Section 22 - Removal of footnotes and obsolete language along with clarification of resident communication system requirements.

Section 23 - Reorganized and reworded for clarity; updated statutory references and added requirement that if resident lacks decisional capacity and has no representative, facility must petition court for appointment of guardian within 30 days of resident's placement in secure unit.

Section 24 - Primarily reworded.

Section 25 - Reworded and reorganized.

Section 26 - Reworded, reorganized and references updated to include various CDC guidelines.

Section 27 - Primarily reworded.

Section 28 - Updated reference for disposal of medical waste.

Section 29 - Substantially unchanged.

Section 30 - Statutory reference added and slightly reworded.

Section 31 - Reorganized and reworded for clarity and to better align with state law.

Section 32 - No change.

The proposed changes to Chapter 2 update the address for submitting a waiver application and the donation of prescription medications by licensed health care facilities as authorized by House Bill 15-1039. These changes ensure alignment with Chapter 5, Sections 4.6 and 19.8 respectively. In addition, Chapter 2, Sections 8.103 and 10.5 references to Chapter 5 were updated to reflect the proposed Chapter 5 title. The statutory references and terminology in Chapter 2, Section 8.102 and 8.103 were also updated for overall alignment with Chapter 5.

These rules are promulgated pursuant to the following statutes:

Section 25-1.5-103, C.R.S. (2015)

Section 25-1-107.5, C.R.S. (2015)

Section 25-1-120, C.R.S. (2015)

Section 25-3-101, et seq., C.R.S. (2015)

Section 18-6.5-108(1)(b)(V), C.R.S. (2015)

SUPPLEMENTAL QUESTIONS

Is this rulemaking due to a change in state statute?
X Yes, partially. Revisions to Chapter 5, Section 19 with conforming changes to Chapter 2 were necessitated by House Bill 15-1039.No
Is this rulemaking due to a federal statutory or regulatory change?
Yes No
Does this rule incorporate materials by reference?
Does this rule create or modify fines or fees
Yes No

REGULATORY ANALYSIS

For Amendments to 6 CCR 1011-1, Standards for Hospitals and Health Facilities, Chapter 5, Long Term Care Facilities and Conforming and Technical Amendments to Chapter 2, General Licensure January 20, 2016

1. A description of the classes of persons who will be affected by the proposed rule, including classes that will bear the costs of the proposed rule and classes that will benefit from the proposed rule.

The proposed rule changes will affect many classes of persons. They will affect the owners, operators, staff and residents of nursing care facilities as well as other licensed professionals that serve the residents of nursing care facilities. The costs of the proposed rule will be borne primarily by the licensees and the Department. The affected nursing care facilities, their residents and the public will all benefit from amending this regulation to reflect current industry standards, align with state and federal law and clarify Department expectations.

2. To the extent practicable, a description of the probable quantitative and qualitative impact of the proposed rule, economic or otherwise, upon affected classes of persons.

The short-term quantitative impact of the proposed revisions will be most apparent in the time required by facility owners and staff to familiarize themselves with the revised standards and the reorganization of the entire regulation set. The expectation is that this will be offset by the anticipated long-term quantitative impact of greater staff efficiency due to the changes allowing greater use of non physician practitioners, telehealth and other electronic methods for care delivery.

The major qualitative impacts of the revisions for residents will be achieved through the use of more person centered language and higher standards of care in certain areas such as dental services, medical record entries, resident rights, and admission into a secured unit.

3. The probable costs to the agency and to any other agency of the implementation and enforcement of the proposed rule and any anticipated effect on state revenues.

The Department will incur some costs primarily associated with administrative tasks such as rewriting the feeding assistant program protocols to align with the revised regulations and revising the software program that allows for electronic entry of survey and plan of correction data. The Department does not anticipate that these amendments will result in any costs to other agencies.

4. A comparison of the probable costs and benefits of the proposed rule to the probable costs and benefits of inaction.

The probable costs and benefits of the proposed amendments far outweigh the probable costs and benefits of inaction since inaction would result in continued conflict between the regulations and various state and federal laws, along with the continuation of many now antiquated requirements and obsolete language. The proposed amendments will benefit the

industry and public alike because everyone will have a better understanding of the nursing care facility licensing requirements.

5. A determination of whether there are less costly methods or less intrusive methods for achieving the purpose of the proposed rule.

The Department has determined that there are no less costly or intrusive methods for achieving the purposed of the revised rule. Neither Departmental policies nor guidance would have accomplished the goal of updating the regulations to reflect current industry standards, align with state and federal law and eliminate obsolete requirements.

6. Alternative rules or alternatives to rulemaking considered and why rejected.

Initially the Department considered revising only one section of the regulation chapter, but it became evident after consultation with stakeholders that the entire chapter needed to be rewritten. Although the complete rewrite required a larger time commitment from both stakeholders and Department personnel, it was determined to be the preferable method to avoid any unintended consequences that might result from a patchwork approach.

7. To the extent practicable, a quantification of the data used in the analysis; the analysis must take into account both short-term and long-term consequences.

The Department analyzed the type and number of health care entities affected by these amendments, as well as the number of resident beds involved. There are approximately 219 currently licensed nursing care facilities with a total of 20,316 beds. The majority of facilities are dually certified to serve both Medicare and Medicaid residents, so they are also subject to federal standards. Five facilities, however, serve only private pay residents. Therefore the proposed amendments had to be drafted so that they would apply to all types of nursing care facilities regardless of payment source.

In the short-term, both Department and facility personnel will need to spend extra time familiarizing themselves with the changes. However, in the long term, regulations that reflect current industry standards, align with state and federal law and are easier to navigate will benefit everyone that interacts with a nursing care facility from staff to residents and their family members.

STAKEHOLDER COMMENTS

For Amendments to 6 CCR 1011-1, Standards for Hospitals and Health Facilities, Chapter 5, Long Term Care Facilities with conforming amendments to Chapter 2, General Licensure

The following individuals and/or entities were included in the development of these proposed rules:

Anne Meier, Colorado Long-Term Care Ombudsman; Shannon Gimbel, Denver Regional Council of Governments; Vinni Ferrara, Older Americans Program Assistant for Disability Law Colorado; a nursing care facility resident; Gregory Gahm, M.D., Leslie Eber, M.D., and other members of the Colorado Medical Directors Association; Joshua Zucker, N.P., Alan Miller, R.Ph., Candace Johnson, R.D., and other licensed medical professionals; various owners, administrators, staff and consultants of licensed nursing care facilities; Ann Kokish, Arlene Miles and Doug Farmer for the Colorado Health Care Association; Janice Brenner for Leading Age Colorado; Gail Finley and Joshua Ewing for the Colorado Hospital Association; Dr. Katya Mauritson, Oral Health Unit Manager, Prevention Services Division; Dan Goetz, Hazardous Waste Compliance Assurance Officer, Hazardous Materials and Waste Management Division; and various representatives of the Colorado Department of Health Care Policy and Financing.

The following individuals and/or entities were notified that this rule-making was proposed for consideration by the Board of Health:

The individuals and entities listed above along with all licensed health care entities and subscribers to the Health Facilities and Emergency Medical Services information blog.

Summarize Major Factual and Policy Issues Encountered and the Stakeholder Feedback Received. If there is a lack of consensus regarding the proposed rule, please also identify the Department's efforts to address stakeholder feedback or why the Department was unable to accommodate the request.

The stakeholder group and Division representatives tackled many factual and policy issues and were able to come to consensus on all. Examples include expanding the role of non-practitioners to align with the Colorado Nurse Practice Act but not violate certain federal requirements for facilities providing Medicare services, allowing for the use of telehealth in certain circumstances, shortening the time frame for practitioner visit details to be entered into the health information record, and requiring facilities to inform residents about public dental benefits and to provide assistance in accessing such benefits and services. At the final stakeholder meeting, the Ombudsman voiced concerns that the resident grievance process, which conforms to Colorado law, might be in conflict with federal law. The Department has referred this issue to its legal counsel and expects to have the issue resolved by the rule-making hearing.

Please identify health equity and environmental justice (HEEJ) impacts. Does this proposal impact Coloradoans equally or equitably? Does this proposal provide an opportunity to advance HEEJ? Are there other factors that influenced these rules?

The Division believes that the proposed rule amendments will advance HEEJ in a number of ways. Because physicians in Colorado's rural and frontier areas are often in short supply, nursing care facilities in those communities will benefit from the amendments that allow for expanded use of non-physician practitioners and telehealth. Low income residents will have enhanced access to dental care because of a new requirement that nursing care facilities provide information about the

availability of publicly funded dental services and assist residents in accessing such services. Additionally, the resident rights section contains new requirements for facilities to make accommodation residents with limited English proficiency or sensory impairments that inhibit daily communications.

1 DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT 2 Health Facilities and Emergency Medical Services Division 3 STANDARDS FOR HOSPITALS AND HEALTH FACILITIES: CHAPTER V - LONG TERM CARE FACILITIES 4 6 CCR 1011-1 Chap 05 5 6 Copies of these regulations may be obtained at cost by contacting: 7 **Division Director** 8 Colorado Department of Public Health and Environment 9 **Health Facilities Division** 10 4300 Cherry Creek Drive South 11 Denver, Colorado 80222-1530 12 Main switchboard: (303) 692-2800 13 These chapters of regulation incorporate by reference (as indicated within) material originally published 14 elsewhere. STATUTORY AUTHORITY AND APPLICABILITY 29 01.1 The statutory authority for the promulgation of these rules is set forth in sections 25-1-107.5, 25-1.5-103 30 and 25-3-101, et. seq., C.R.S. 31 01.2 A long term care facility shall comply with all applicable federal and state statutes and regulations, 32 including but not limited to, the following:

1 (a) This Chapter V; 2 (b) 6 CCR 1011-1, Chapter II, General Licensure Standards; and 3 (c) 6 CCR 1010-2, Colorado Retail Food Establishment Rules and Regulations. 4 Part 1. GOVERNING BODY 5 **Definitions** 6 Department - The Department of Public Health and Environment. 7 LONG-TERM CARE FACILITY. A long-term care facility is a health facility that holds itself out as a nursing 8 home, nursing facility, nursing care facility or intermediate care facility or a health facility that is planned, 9 organized, operated, and maintained to provide supportive, restorative, and preventive services to persons who, 10 due to physical and/or mental disability, require continuous or regular inpatient care. 11 (a) a long term care facility is a nursing care facility, or a nursing facility serving residents who require 12 continuous medical and nursing care and supervision. 13 (b) a long-term care facility is an intermediate care facility serving residents who require regular, but not 14 continuous nursing care and supervision. 15 1.1 GOVERNING BODY. The governing body is the individual, group of individuals, or corporate entity that has 16 ultimate authority and legal responsibility for the operation of the long-term care facility. 17 1.1.1 The governing body shall provide the necessary facilities, qualified personnel, and services to 18 meet the total needs of the facility's residents. 19 1.1.2 The governing body shall appoint for the facility a full-time administrator, qualified as provided in 20 Section 2.1, and delegate to that officer the executive authority and full responsibility for day to-21 day administration of the facility. 22 1.1.3 The governing body is responsible for the performance of all persons providing services within the 23 24 1.2 STRUCTURE. If the governing body includes more than one individual, the group shall be formally 25 organized with written constitution or articles of incorporation and by-laws; hold regular, periodic 26 meetings; and maintain meeting records. 27 1.2.1 The facility shall disclose its ownership as required in Part 2, chapter II of these regulations. 28 1.2.2 The governing body shall provide a formal means of obtaining local community involvement and 29 opportunity to communicate with the administrator on issues of residents' rights. The means of 30 community input shall provide opportunity for regular input and such input shall be documented. 31 (a) The input may come through a formally organized community advisory committee that is 32 33 given the opportunity to comment and advise the governing body on matters of facility policy; is composed of members, a majority of whom reside in the facility's service area, 34 and none of whom are owners or employees of or consultants to the facility. 35 (b) The input may come through membership of at least 25% of the governing body 36 representing citizens in the facility's service area, none of whom are owners or 37 employees of or consultant? to the facility.

2	(c) The facility may request Department approval of an alternative means of obtaining community input on residents' rights.
3 4 5 6	1.3 QUALITY ASSURANCE. The governing body shall assure that there is an effective quality assurance program to evaluate the availability, appropriateness, effectiveness, and efficiency of resident care, including without limitation, a continuous program of evaluating medical, nursing care, social services, activities, dietary, housekeeping, maintenance, infection control, and pharmacy services.
7 8 9	1.3.1 The quality assurance plan shall be in writing and shall include objectives; personnel involved; responsibility for reviewing critical incidents; methods for monitoring and evaluating care; and methods for monitoring effectiveness of actions taken to improve quality of resident care.
10 11	1.3.2 The facility shall maintain evidence of actions taken in response to quality assurance activity and their effectiveness and shall report annually to the governing body.
12 13 14 15	1.4 EXCEPTIONS TO RULES. The requirements of these regulations do not prohibit the use of alternate concepts, methods, procedures, techniques, equipment, or personnel qualifications or conducting pilot projects. A facility may request waivers or exceptions to these regulations pursuant to 6 CCR 1011-1, Chapter II, General Licensure Standards, Part 4, waiver of regulations for health care entities.
16 17 18	1.5 POSTING DEFICIENCIES. The facility shall post conspicuously in public view either the statement of deficiencies following its most recent survey or a notice stating the location and times at which the statement can be reviewed.
19	Part 2. ADMINISTRATION
20 21	2.1 ADMINISTRATOR. The administrator is responsible to the governing body for planning, organizing, developing, and controlling the operations of the facility.
22	2.1.1 The administrator shall be licensed in the State of Colorado.
23 24 25 26 27	2.1.2 The administrator's responsibilities: 1) liaison among the governing body, medical staff, and physicians whose patients reside in. the facility, 2) financial and personnel management, 3) providing for appropriate resident care; and 4) maintaining relationships with the community and with other health care facilities, organizations, and services; 5) assuring facility and staff compliance with all regulations; and 6) any responsibilities prescribed by facility policy.
28 29	2.2 ORGANIZATION. The facility shall be organized formally to carry out its responsibilities with a plan of organization clearly defining the authority, responsibilities, and functions of each category of personnel.
30 31 32 33 34 35 36 37	2.3 POLICIES. In consultation with the Medical Advisor and one or more registered nurses and other related health care professionals, the administrator shall develop and at least annually review written resident care policies and procedures that govern resident care in the following areas: nursing, housekeeping, maintenance sanitation, medical, dental, dietary, diagnostic, emergency, and pharmaceutical care; social services; activities; rehabilitation; physical, occupational, and speech therapy; resident admission, transfer, and discharge; notification of physician and family or other responsible party of resident's incidents, accidents and changes of status; disasters; and health records and any other policies the department determines the facility needs based on its characteristics of its resident population.
38 39 40	2.4 FACILITY STAFFING PLAN. The facility shall have a master staffing plan for providing staffing in compliance with these regulations, distribution of personnel, replacement of personnel, and forecasting future personnel needs.
41	2.5 OCCURRENCE REPORTING.

1 Notwithstanding any other reporting required by state regulation, each facility shall report the following to the 2 department within 24 hours of discovery by the facility. 3 (1) Any occurrence involving neglect of a resident by failure to provide goods and services necessary to 4 avoid the resident's physical harm or mental anguish. 5 (2) Any occurrence involving abuse of a resident by the willful infliction of injury, unreasonable 6 confinement, intimidation, or punishment with resulting physical harm, pain or mental anguish. (3) Any occurrence involving an injury of unknown source where the source of the injury could not be 8 explained and the injury is suspicious because of the extent or location of the injury. 9 (4) Any occurrence involving misappropriation of a resident's property including the deliberate 10 misplacement, exploitation, or wrongful use of a resident's belongings or money without the 11 resident's consent. 12 Part 3 ADMISSIONS 13 3.1 RESTRICTIONS. The facility shall admit only those persons whose needs it can meet within the 14 accommodations and services it provides. 15 3.1.1 No resident shall be admitted for inpatient care to any room or area other than one regularly 16 designated and equipped as a resident bedroom. 17 3.1.2 There shall be no more than four residents admitted to a bedroom. 18 3.2 BED HOLD POLICIES. The facility shall develop policies for holding beds available for residents who are 19 temporarily absent therefrom, provide a copy of the policy upon admission, and explain these policies to 20 residents upon admission and before each temporary absence. 21 3.3 RESIDENT IDENTIFICATION. Upon admission, each resident shall have a visible means of identification 22 place and maintained on his or her person and property. 23 Part 4. PERSONNEL 24 4.1 POLICIES. The facility shall maintain written approved personnel policies, job descriptions, and rules 25 prescribing the conditions of employment, management of employees, and quality and quantity of 26 resident care to be provided. 27 4.1.1 The facility shall provide job specific orientation to all new employees within 90 days of 28 employment. 29 4.1.2 All personnel shall be informed of the purpose and objectives of the facility. 30 4.1.3 All personnel shall be provided access to the facility's personnel policies and the facility shall 31 provide evidence that each employee has reviewed them. 32 4.2 DEPARTMENTS. Each department of the facility shall be under the direction of a person qualified by 33 training, experience, and ability to direct effective services. 34 4.2.1 The facility shall provide a sufficient number of qualified personnel in each department to operate 35 the department. 36 37 4.2.2 All persons assigned to direct resident care shall be prepared through formal education or on the job training in the principles, policies, procedures, and appropriate techniques of resident care.

1 2	The facility shall provide educational programs for employees to be informed of new methods and techniques.
3	4.3 STAFF DEVELOPMENT COORDINATOR. The long term care facility shall employ a staff development coordinator who shall be responsible for coordinating orientation, inservice, on the job training, and
5	continuing education programs and for determining that staff have been properly trained and are
6	implementing results of their training. The objective of this standard is that staff be appropriately trained
7	in necessary aspects of resident care to carry out their job responsibilities.
8	4.3.1 The coordinator shall have experience in and ability to prepare and coordinate inservice education and training programs for adult learners in the area of geriatrics.
0	4.3.2. The facility shall employ a staff development coordinator for a sufficient amount of time to meet
1	4.3.2 The facility shall employ a staff development coordinator for a sufficient amount of time to meet
ユ	inservice, orientation, training, and supervision needs of staff. The facility shall provide for
2	appropriate staff follow-up.
3	4.3.3 The facility shall provide annual inservice education for staff in at least the following areas:
4	infection control, fire prevention and safety, accident prevention, confidentiality of resident
.5	information, rehabilitative nursing, resident rights, dietary, pharmacy, dental, behavior
6	management, disaster preparedness, and, if it has developmentally disabled residents,
.7	developmental disabilities, residents with Alzheimer's conditions, those conditions, or mentally ill
8	residents, mental illness.
9	4.3.4 The facility shall maintain attendance records with original signatures on inservice programs and course materials or outlines that staff who are unable to attend the program may review.
21	4.4 RECORDS. The facility shall maintain personnel records on each employee, including an employment
22	application, that includes training and past experience, verification of credentials, references of past
23	work experience, orientation, and evidence that health status is appropriate to perform duties in the
24	employee's job description.
25	4.5 REFERENCE MATERIALS. The facility shall provide current reference material related to the care that is
26	provided in the facility for use by all personnel.
27	4.6 STAFF IDENTIFICATION. All facility staff shall wear name and title badges while on duty, except where
28	they may pose a danger to staff or residents due to the nature of resident conditions.
29	Part 5. RESIDENT CARE
30	5.1 RESIDENT CARE. Residents shall receive the care necessary to meet individual physical, psycho-social,
31	and rehabilitative needs and assistance to achieve and maintain their highest possible level of
32	independence, self-care, and self-worth and well-being. Provision of care shall be documented in the
33	health record.
34	5.1.1 QUALITY OF LIFE. Residents shall be provided: a safe, supportive, comfortable, homelike
35	environment; freedom and encouragement to exercise choice over their surroundings,
86	schedules, health care, and life activities; the opportunity to be involved with the members of
37	their community inside and outside the nursing home; and treatment with dignity and respect.
88	5.1.2 PRESSURE ULCER PREVENTION AND CARE. (See also 7.7)
39	(1) For regidents whose proceurs ulgors developed while the regident was in the facility the
10	(1) For residents whose pressure ulcers developed while the resident was in the facility, the facility shall have:
L 1	(a) assessed the potential for skin breakdown, and

1 2 3 4 5	(b) provided preventive measures before the ulcer developed to residents identified in the assessment required in section 5.2 as at risk of pressure ulcers (i.e., a resident exhibiting three or more of the following symptoms: underweight, incontinence, dehydration, disorientation or unconsciousness, or limited mobility).
6	(2) For all residents with pressure ulcers, the facility shall:
7 8	(a) have developed an individualized treatment plan (as prescribed by section 5.7) designed to alleviate the condition;
9 10	(b) be providing active treatment to improve the condition in accordance with the treatment plan;
11 12	(c) be evaluating the resident's progress and treatment at least weekly and revising the treatment plan as needed and required by section 5.7;
13 14	(d) be providing proper nutrition and hydration to promote healing and prevent further breakdown.
15	5.1.3 ACCIDENT PREVENTION AND ATTENTION.
16	(1) The facility shall:
17	(a) investigate causes of accidents;
18 19	(b) monitor the resident's response to the accident, and obtain physician's or mental health evaluation, if needed;
20 21	(c) have developed and implemented an individualized plan as part of the care plan prescribed by Section 5.7 for prevention of future accidents;
22	(d) evaluate and revise the plan as needed.
23 24 25 26 27	(2) For residents at high risk for accidents, the facility shall have identified the risk in the care plan and taken reasonable precautions to prevent common accidents before the accident occurred. Residents at high risk of accidents include the blind, the deaf, those with seizure disorders, those with accidents in the last 6 months, the totally confused but ambulatory, new amputees, and residents on psychoactive drugs.
28	5.1.4 BEHAVIOR PROBLEM CARE.
29	(1) For residents with behavior problems the facility shall:
30 31	(a) have noted the behavioral problem and evaluated it in the initial assessment required by Section 5.2;
32 33	(b) develop and implement an individualized treatment plan as part of the care plan prescribed by Section 5.7;
34 35	(c) develop and implement a behavior management plan as part of the care plan prescribed by Section 5.7;
36	(d) obtain a mental health evaluation in appropriate cases;

2	(e) evaluate the resident's progress and revise the plan, as needed and required by Section 5.7;
3 4 5 6	(2) For residents receiving behavior modification drugs, the facility shall indicate in nurses' notes both positive and/or negative effects of the drug and that alternatives or adjuncts to the drugs in care planning were considered. These evaluations shall meet requirements of Section 7.10.8.
7	5.1.5 CONTRACTURE CARE. (See also 7.7)
8 9	(1) For residents with contractures upon admission, the facility shall have noted the problem, evaluated it, and undertaken restorative nursing intervention.
1 1 2 3 4	(2) For residents with contractures that occurred while in the facility, the facility shall have documented that range of motion and/or repositioning was performed before the contracture developed; if the resident refused treatment or preventive measures, the. facility shall have documented that such measures and the consequences of the refusal were explained to the resident.
5 6 7 8	(3) For all other residents with the potential for contracture, the facility shall have developed and be implementing an individualized treatment plan as part of the care plan prescribed in Section 5.7 to prevent or manage contractures and be periodically evaluating the progress. The plan shall be reviewed and revised at least annually as needed.
20	5.1.6 PROMOTION OF MOBILITY. (See also 7.7)
21 22 23 24	(1) For all residents, the facility shall have assessed each resident's ambulation potential and capability at least monthly, designed a plan of care as part of the care plan prescribed in section 5.7 to encourage mobility, be implementing the plan, regularly evaluate progress and revise the plan as needed.
25 26 27	(2) For residents requiring devices and/or personal assistance to ambulate, the facility shall provide and maintain devices in good repair, assist the resident to obtain appropriate footwear, and provide assistance to residents to move and transfer.
28	5.1.7 INDWELLING CATHETER CARE.
29	(1) For residents with any indwelling catheter, the facility shall have:
30	(a) evaluated appropriateness of continued use at least monthly;
31	(b) assessed the reason for the incontinence;
32 33	(c) evaluated the potential of bladder retraining, implementing it, if indicated, or documenting reasons if retraining was not indicated;
34	(d) implemented any physician order for irrigation or catheter replacement.
35 36 37	(2) For residents exhibiting signs or symptoms of urinary tract infection, the facility shall have notified the physician, obtained orders for treatment and implemented such treatment plan.
88	5.1.8 WEIGHT CHANGES. The facility shall:

1	(1) evaluate the resident to determine the cause of the weight change;
2 3 4	(2) develop and implement an individualized plan of care as part of the care plan prescribed by Section 5.7 (including appropriate intervention by other appropriate disciplines); evaluate resident progress as required by Section 5.7, and revise the plan, as needed;
5	(3) observe food and fluid intake and provide encouragement to residents with eating problems;
6	(4) provide reasonable choices of foods to meet personal preferences and religious needs;
7 8	(5) if nourishments are provided as part of the care plan, between meals and at bedtime, document the nourishments provided and whether they are consumed;
9 10	(6) provide assistance in eating or adaptive eating devices and assist residents in obtaining dentures, or dental care, as appropriate to the individual resident;
11	(7) for residents with mouth or gum problems, meet the requirements of part 10.
12	5.1.9 GROOMING.
13 14 15	(1) The facility shall assist the resident to obtain appropriate materials for personal care for the resident, provide personal care in a manner that preserves resident dignity and privacy, and provide social services intervention, if needed.
16 17 18	(2) For residents with inappropriate, unclean, or poorly maintained clothing and/or assistive devices, the facility shall assist the residents to obtain clothing, shoes and devices. Such clothing, shoes and devices shall fit properly, be clean, and be in good repair.
19	(3) For residents with poor oral hygiene, the facility shall meet the requirements of Part 10.
20	5.1.10 EXCORIATION PREVENTION AND GARE. (See also 7.7)
21 22	(1) For all residents who are incontinent or immobile, have impaired sensation, compromised nutritional or fluid status, or inadequate hygiene, the facility shall:
23 24	(a) have completed an initial skin evaluation upon admission and re-evaluated the condition at least weekly;
25	(b) be providing measures to prevent the excoriation, including:
26	(1) maintenance of clean, dry well lubricated skin;
27 28	(2) taking incontinent residents to the bathroom on a regular individualized schedule;
29	(3) evaluating the need for daily baths;
30 31	(4) determining potential trouble spots where microbial growth may occur (breasts, gluteal folds, skin folds).
32	(2) For residents with excoriations, the facility shall:
33 34	(a) develop and be implementing an individualized treatment plan as part of the care

1 2	 (b) evaluate the resident's progress at least daily and review and revise the treatment plan as needed;
3	(c) enter a progress note at least weekly in the health record.
4 5	5.1.11 FLUID MANAGEMENT. The facility shall provide fluid in quantities needed to maintain hydration and body weight and shall:
6	(1) assess each resident's hydration needs;
7 8	(2) observe and evaluate food and fluid intake daily and record and report deviations from sufficient food and fluid intake;
9 10	(3) provide assistance and encouragement to residents requiring assistance to meet their food and fluid requirements;
11	(4) provide self help adaptive devices and encourage their use.
12 13 14 15	5.1.12 PERSONAL ENVIRONMENT. The facility shall allow for personalization of rooms through the use of residents' personal furniture, appliances, decorations, plants, and memorabilia. The facility may limit the number of furniture items in resident rooms if to do so is necessary to accommodate roommate preferences, fire codes, housekeeping, or safe movement in the room.
16	5.1.13 PERSONAL CHOICE. The facility shall:
17 18	(1) make reasonable efforts to accommodate preferences of roommate, including the right of each resident so requesting to be assigned to a room with non-smokers;
19 20	(2) allow residents flexibility in times to eat main meals, consistent with requirements of Section 11.2 and with its own reasonable staffing and scheduling requirements;
21 22	(3) allow residents flexibility in times to bathe, rise and retire, consistent with its own reasonable staffing and scheduling requirements;
23 24	(4) provide at least one alternative menu choice for each meal of similar nutritive value. The same alternative shall not be used for two consecutive meals.
25 26 27 28 29	5.1.14 PROBLEM RESOLUTION. The facility shall inform residents of the resident council and grievance procedures, the name, address, and phone number of the Long-Term Care Ombudsman, and the phone number and address of the Departments of Health and Social Services and the Colorado Foundation for Medical Care. Staff shall assist residents in raising problems to the facility's administration or appropriate outside agencies.
30 31 32 33 34 35 36 37	5.2 RESIDENT ASSESSMENT. Within twenty-four hours of admission to the long-term care facility, a licensed nurse shall assess each resident's physical, mental, and functional status, including strengths, impairments, rehabilitative needs, special treatments, capability for self administration of medications, and dependence and independence in activities of daily living. The initial assessment shall form the basis of the preliminary care plan. Within seven days of admission, the nurse shall also collaborate with social services staff in assessing discharge potential and shall coordinate assessments with social services, dietetic, and activity staff. These assessments shall form the basis of the interdisciplinary care plan prescribed by Section 5.7.
38	5.2.1 The continuing assessment shall at all times reflect resident status.

1 2	5.2.2 The assessment shall be updated at least at three month intervals, but in any event whenever a significant change of resident condition occurs.
3 4	5.2.3 The current resident assessment shall be a part of the resident's health record and available for all direct care staff to use.
5 6 7 8	5.3 NURSING CARE PLANNING. A licensed nurse shall prepare an individualized nursing care plan for each resident based on the resident assessment prescribed by Section 5.2 and applicable physician treatment orders. The purpose of the care plan is to create an individualized tool for carrying out preventive, therapeutic, and rehabilitative nursing care.
9 10	5.3.1 Within 24 hours of admission, nursing staff shall prepare and implement a preliminary nursing care plan to meet each resident's immediate needs.
11 12	5.3.2 Within one week of admission, nursing staff shall prepare and implement a comprehensive nursing care plan for each resident.
13 14 15	5.3.3 The plan shall meet each resident's unique needs, problems, and strengths by identifying resident strengths, needs, and problems; specifying care interventions to capitalize on the strengths and meet those needs or problems; and defining the frequency of each intervention.
16 17	5.3.4 The nursing care plan shall be current and evaluated and revised following each assessment and whenever the resident's condition changes.
18 19	5.4 SOCIAL SERVICES CARE PLANNING. Social services staff shall assess social services needs within one week of admission and develop a social services care plan to meet each resident's needs.
20 21	5.5 ACTIVITIES CARE PLANNING. Activities staff shall assess activities needs within one week of admission and shall develop an activities care plan to meet each resident's needs.
22	5.6 NUTRITIONAL CARE PLANNING.
23 24 25 26	(a) The Dietary supervisor or consultant shall prepare an initial nutritional history and assessment for each resident within two weeks of admission that includes special needs, likes and dislikes, nutritional status, and need for adaptive cutlery and dishes and develop a plan of care to meet these needs.
27 28 29 30 31 32 33	(b) In the event the facility elects to utilize paid feeding assistants or feeding assistant volunteers pursuant to Part 11.001 of this Chapter V, as part of the history and assessment conducted pursuant to paragraph (a) of this 5.6, the interdisciplinary team shall evaluate each resident regarding the suitability of the resident to be fed and hydrated by a feeding assistant. Such evaluation shall include, but need not be limited to each resident's level of care, functional status concerning feeding and hydration, and, the resident's ability to cooperate and communicate with staff.
34 35 36	5.7 INTERDISCIPLINARY CARE PLANNING. Within two weeks of admission, an interdisciplinary long-term care facility staff team shall develop a personalized overall care plan for each resident based on the resident assessments and applicable physician orders.
37 38	5.7.1 The overall care plan shall contain a list of resident problems and the discipline that will address each problem in its own more detailed plan of care.
39 40	5.7.2 The overall care plan shall be evaluated according to the goals set out in the plan, following each assessment and whenever the resident's condition changes.

Page 19 of 123

1 5.7.3 The interdisciplinary team shall consist of representatives of resident services inside and outside 23 the facility, as appropriate, including at least nursing, social services, activities, and dietetic staff. Other persons, such as medical, pharmacy, and special therapies, shall be included as 4 appropriate. Residents and their representatives shall be invited to participate in care planning. 5 Refusal to participate shall be documented. 6 Part 6. MEDICAL CARE SERVICES 7 6.1 PHYSICIAN CARE. Each facility resident shall be admitted to the facility by a physician and have the 89 benefit of continuing health care under supervision of a physician. The facility shall have written policies developed by the medical advisor to coordinate and designate responsibility when more than one 10 physician is treating a resident. [See Part 26 exceptions] 11 6.1.1 The facility shall take all necessary steps to assure that upon admission, the physician provides to 12 the facility sufficient information to validate the admission and identify the resident and a 13 medical plan of therapy to include diet, medications, treatments, special procedures, activities, 14 specialized rehabilitative services, if applicable, and potential for discharge. 15 6.1.2. The facility shall take all necessary steps to assure that the admitting physician provides to the 16 facility on admission the anticipated schedule of visits to meet resident needs, which shall be no 17 less often than every 6 months. Acknowledgement of the visit schedule by the resident or 18 authorized representative shall be documented in the health record. 19 6.1.3 The facility shall take all necessary steps to assure that telephone orders are received by a 20 physician, licensed nurse or other appropriate disciplines as authorized by their professional 21 licensure and are countersigned by the attending physician or dentist and entered in the record 22 within 2 weeks. 23 6.1.4 The facility shall take all necessary steps to assure that the attending physician authenticates 24 medical histories and physical examinations completed by other authorized personnel. 25 6.1.5 The facility shall take all necessary steps to assure that a licensed dentist authenticates dental 26 examinations and dental histories completed by other authorized personnel and signs dental 27 treatment records. 28 6.1.6 The facility shall take all necessary steps to assure that the attending physician writes a progress 29 note following each visit, and at least once per year provides a written evaluation of the 30 resident's current medical status compared to the previous year's status. 31 6.1.7 The facility shall take all necessary steps to assure that all drugs and therapies ordered by the 32 physician are supported by diagnoses indicating the use of those drugs and therapies.

- 6.2 MEDICAL DIRECTOR. The facility shall retain by written agreement a physician to serve as medical
 director to the facility.
 - 6.2.1 The medical director is responsible for overall coordination of medical care in the facility and for systematic review of the quality of the health care provided by the facility and the medical services provided by the physicians in the facility. The medical director shall develop policies and procedures for medical care and for the physicians admitting residents to the facility.
 - 6.2.2 The medical director is responsible to:

41

(1) be a liaison between the facility and admitting physicians on matters related to attendance on residents, prompt writing of orders, and responding to requests by facility staff;

2	7.4.1 Procedures shall include the requirement that medications be administered in compliance with applicable Colorado law.
3 4	7.4.2 The nursing procedures shall be evaluated and revised as necessary, but no less often than annually.
5 6	7.5 NURSE STAFF RESPONSIBILITIES. Nursing staff shall participate in resident assessment, resident care planning, and resident nursing care, as prescribed by this Part and Part 5.
7 8 9 10 11	7.6 EXCEPTIONS. Nothing contained in this Part shall require any rural long-term care facility certified as a Skilled Nursing Facility or an Intermediate Care Facility under Medicaid to employ nursing staff beyond current federal certification requirements. Since federal standards require that nurse staffing be sufficient to meet the total nursing needs of all residents, resident conditions will in all events determine the specific numbers and qualifications of staff that each facility must provide.
12	7.6.1 A rural facility is one that is located in:
13	(1) a county of fewer than fifteen thousand population; or
14 15	(2) a municipality of fewer than fifteen thousand population that is located ten miles or more from a municipality of fifteen thousand population or over; or
16 17	(3) the unincorporated part of a county ten miles or more from a municipality of fifteen thousand population or more.
18 19 20 21	7.6.2 To the extent that these regulations require any facility to employ a registered nurse more than 40 hours per week, the Department may waive such requirements for such periods as it deems appropriate if, based on findings consistent with Part 4 of chapter II of these regulations it determines that:
22	(1) The facility is located in a rural area as defined in Subsection 7.6.1;
23 24	(2) The facility has at least one full-time registered nurse who is regularly on duty 40 hours per week;
25 26 27 28 29 30	(3) The facility has only residents whose attending physicians have indicated in orders or admission notes that each resident does not require the services of a registered nurse for a 48 hour period or the facility has made arrangements for a professional nurse or physician to spend such time at the facility as is determined necessary by the resident's attending physician to provide needed services on days when the regular full-time registered nurse is not on duty; and
31 32 33	(4) The facility has made and continues to make a good faith effort to comply with the more than 40 hour registered nurse requirement, but registered nurses are unavailable in the area.
34 35 36	7.7 SUPPLIES AND EQUIPMENT. The facility shall provide the supplies and equipment necessary to conduct the preventive, therapeutic, and rehabilitative nursing program. Equipment includes devices to assist residents to perform activities of daily living.
37	7.7.1 Equipment shall be maintained in clean and proper functioning condition.
38 39	7.7.2 The facility shall provide or assist residents to obtain walkers, crutches, canes, and wheelchairs (with appropriate padding), all of which shall fit residents properly.

1 2	7.7.3 Nursing staff shall be trained in rehabilitative nursing procedures, including preventive nursing care measures, and in the proper use of prosthetic devices and equipment.
3	7.8 CARE POLICIES. The facility shall have written resident care policies approved by the governing body,
4	which staff shall follow.
5	7.9 RESIDENT SOCIALIZATION. Except where contraindicated by physician order or resident preference,
6 7	residents shall be dressed, encouraged to be active, be out of bed for reasonable periods of time each day, and encouraged to eat in a dining room.
8	7.10 MEDICATION ADMINISTRATION. Medications shall be identified as provided in Subsection 16.3.2. Staff
9 10	shall verify identification of the medication when the medication is prepared as well as when it is administered.
11	7.10.1 Medications and treatments shall be given only as ordered by a physician.
	, , , , , , , , , , , , , , , , , , ,
12	7.10.2 Medication shall be administered in a form that can be most easily tolerated by, the resident.
13	Staff shall not mask the medication or alter its form, through crushing or dissolving or other
14	means, if to do so would be hazardous and not without first informing the resident or
15	responsible party.
16	7.10.3 Medications that are prepared but unused shall be disposed of in accordance with state law and
17	the facility's written procedures.
18	7.10.4 All administered medications shall be recorded in the resident's health record, indicating the
19	name, strength, dosage, and mode of administration of the medication, the date and time of
20	administration, and the signature of the person administering the medication.
21	7.10.5 To encourage independence and prepare residents for discharge, the facility shall permit self-
22	administration of medications in appropriate cases upon the order of the attending physician
23	and under the guidance of a registered or a licensed practical nurse.
24	7.10.6 If facility policy permits medications to be kept at the bedside, the pharmaceutical advisory
25	committee shall approve such types of medications. The facility shall assure that each such
26	medication is ordered by the physician to be kept at the bedside, it is used properly, use is
27	documented, and it is stored in a secure manner that protects all residents.
28	7.10.7 Drug reactions and significant medication errors shall be reported within thirty minutes to the
29	resident's physician. A call to the office or answering service does not meet the facility's
30	responsibility to provide emergency care. The resident's condition shall be monitored for 72
31	hours and observations documented in the health record.
32	7.10.8 If a resident is administered psychoactive medications, he or she snail be evaluated for
33	symptoms of tardive dyskinesia at least every three months.
34	7.11 RESTRAINTS.
35	(A) A PHYSICAL RESTRAINT is any manual method or physical or mechanical device,
36	material or equipment attached or adjacent to the resident's body that the individual
37	cannot remove easily which restricts freedom of movement or normal access to one's
38	body.
39	(B) A CHEMICAL RESTRAINT is anything that is used for discipline or convenience and not
40	required to treat medical symptoms. Any medication that can be used both to treat a
11	medical condition and to alter or control behavior shall be evaluated to determine its

1 use for the resident. If a medication is used solely or primarily to treat a medical 2 condition, it is not a chemical restraint. 3 7.11.1 Linen shall not be used as restraints. 4 7.11.2 The facility shall establish written policies and procedures governing the use of physical and 5 chemical restraints and shall assure that they are followed by all staff members. 6 7.11.3 Physical and chemical restraints shall only be used upon the order of a physician and only when necessary to prevent injury to the resident or others, based on a physical, functional, emotional 8 and medication assessment. 9 7.11.4 Restraints shall not be used for disciplinary purposes, for staff convenience or to reduce the 10 need for care of residents during periods of understaffing. 11 7.11.5 Whenever restraints are used, a call signal switch or similar device within reach or other 12 appropriate method of communication shall be provided to the resident. 13 7.11.6 If the resident needs emergency care, restraints may be used for brief periods to permit medical 14 treatment to proceed, unless the resident or legal representative has previously made a valid 15 refusal of the treatment in question. A resident whose unanticipated violent or aggressive 16 behavior places the resident or others in imminent danger does not have the right to refuse the 17 use of restraints as long as those restraints are used as a last resort to protect the safety of the 18 resident or others and use is limited to the immediate episode. 19 7.11.7 Residents in physical restraints shall be monitored at least every 15 minutes to assure that the 20 resident is properly positioned, blood circulation is not restricted, and other resident needs are 21 22 7.11.8 At least every two hours during waking hours, residents shall have the physical restraint 23 removed and shall have the opportunity to: drink fluids, be toileted, and be exercised, moved, or 24 repositioned, which activity shall be documented in the health record. 25 7.12 SAFETY DEVICES. A safety device such as an alarm, helmet or pillow is used to protect the resident from 26 injury to self, maintain body alignment, or facilitate comfort. Prior to using any safety device, the facility 27 shall assess the resident to properly identify the resident's needs and medical symptom/s that the safety 28 device is being employed to address. The facility shall also evaluate whether any safety device being 29 used meets the definition of a physical restraint as defined at section 7.11(A). 30 7.12.1 Linen shall not be used as safety devices. 31 7.12.2 Safety devices shall not be used for disciplinary purposes, for the convenience of staff, or to reduce the need for care of residents during periods of understaffing. 33 7.12.3 The facility shall establish written policies and procedures governing the use of safety devices 34 and shall assure that they are followed by all staff members. 35 7.12.4 If a safety device meets the definition of a restraint, then all regulations under section 7.11 apply. 36 37 A registered nurse may order a safety device after assessing and determining the need exists. Through the nursing assessment, if the need is ongoing, a comprehensive, documented 38 physical and functional assessment shall be completed no less often than after the first 24 39 hours, at the end of the week, and monthly thereafter. 40 7.12.5 At least every two hours residents with safety devices shall be monitored and such monitoring 41 shall be documented.

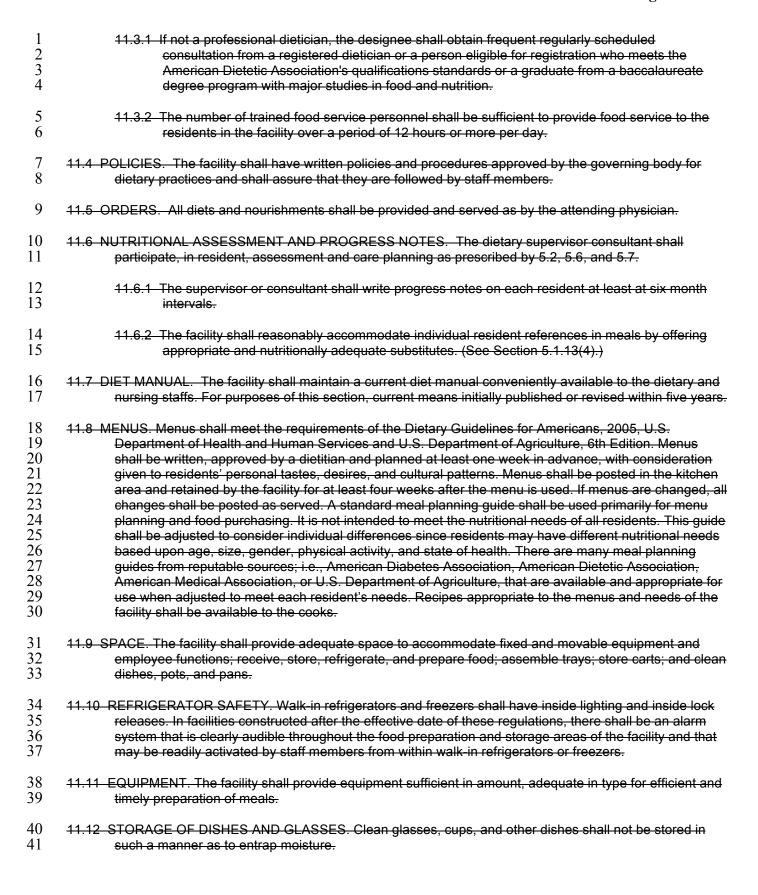

Page 22 of 123

1 7.12.6 Residents with safety devices shall have either a call signal switch or similar device within reach 2 or some other appropriate means of communication provided. 3 7.13 PHYSICIAN NOTIFICATION. Facility staff shall notify the attending physician promptly in cases of 4 significant change in resident status and any incident or accident involving the resident. 5 Part 8. SOCIAL SERVICES 6 8.1 SOCIAL SERVICES. The facility shall identify, plan care for, and meet the identified emotional and social 7 needs of each resident to enhance resident psycho-social health and well-being. 8 8.1.1 Social services staff shall be involved in the pre-admission process, providing input as to appropriateness of placement from a psycho-social perspective, except in emergency 10 admissions. Such involvement may include contact with the prospective resident or family 11 member, or interdisciplinary conferences that consider psycho-social issues as well as 12 medical/nursing criteria. 13 8.1.2 Social services staff shall provide for addressing needs of individuals or groups, either directly by 14 staff or by referral to community agencies. 15 8.1.3 Social services staff shall assist residents and families in coping with the medical and psycho-16 social aspects of the resident's illness and disability and the stay in the facility. 17 8.1.4 Social services staff shall assist residents in planning, for discharge by coordinating service 18 delivery with the nursing staff and by assessing availability and facilitating use of financial and 19 social support services in the community. 20 8.1.5 When services, such as community mental health services, are available in the community to 21 meet special residents' social and emotional needs, social services staff shall provide 22 appropriate referrals to community services. 23 8.1.6 Social services staff shall coordinate transfers (other than medical transfers) within and out of the facility and assist residents in adjusting to intra-facility. transfers. 25 8.1.7 Social services staff shall participate in resident assessment and care planning as prescribed by 26 5.2, 5.4, and 5.7, and shall provide social services to residents. Staff shall review and update 27 the assessment and care plan at least every six months. 28 8.1.8 Social services staff shall record information on social history in the health record and review it at 29 least annually. 30 8.1.9 Social services staff shall record progress notes in the resident's health record at least quarterly 31 for the first six months that a resident is in a long-term care facility and at least semi-annually 32 thereafter. 33 8.1.10 Social services staff shall participate in developing policies and procedures pertaining to social 34 services in the facility. 35 8.1.11 Social services staff shall provide orientation to new residents and their families (including 36 explanation of residents' rights) and assistance to residents and families in raising concerns 37 about resident care. 38 8.2 STAFFING. The facility shall employ social services staff qualified as provided in Subsections 8.2.1 and 39 8.2.2 and sufficient in number to meet the social and emotional needs of the residents.

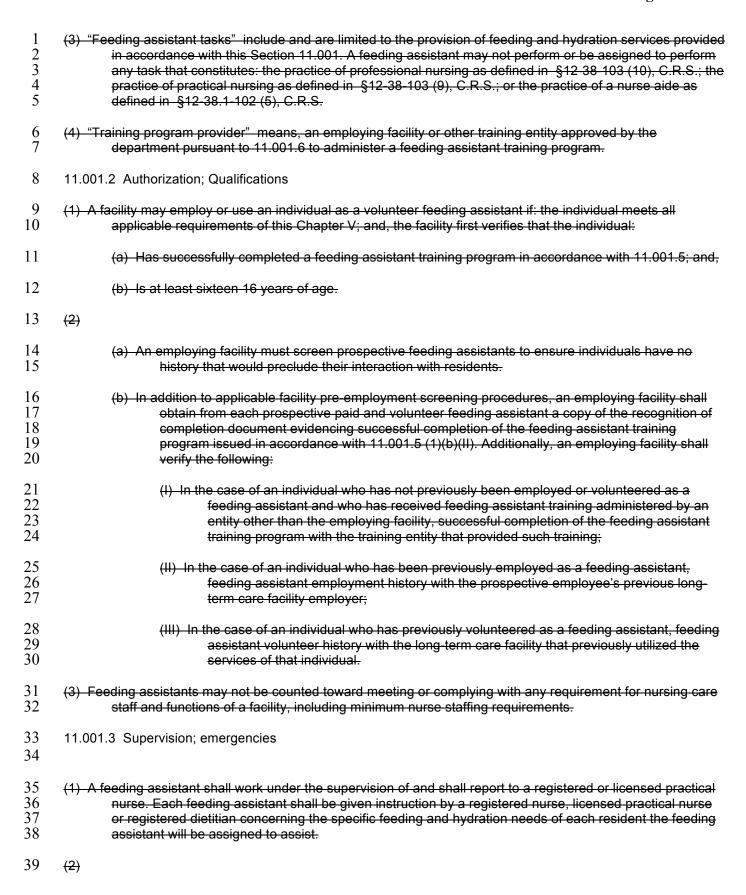

1 2	8.2.1 A qualified social work staff member of a public or private non-profit facility* is a person who is either:
3 4	(1) A social worker licensed or authorized expressly by state law to practice under supervision of a licensed social worker; or
5 6	(2) a person with a Master's or Bachelor's Degree in social work; or
7 8 9 10	(3) a person with a Master's or Bachelor's Degree in a related human services field who has monthly consultation from a person meeting the qualifications in subsections 1, or 2. The consultation shall be sufficient in amount to assist the social work staff to meet resident needs.
11 12 13 14 15	8.2.2 A qualified social work staff member of a for-profit facility* is a person who is either a social worker licensed or authorized expressly by state law to practice under supervision of a licensed social worker or a person with a Master's or Bachelor's Degree in social work or other human services field who has monthly consultation from a person so licensed or authorized; the consultation shall be sufficient in amount to assist the social work staff to meet resident needs.
16 17 18	8.2.3 Any facility that on the effective date of these regulations employed a person with a high school degree or GED as social services staff may continue to employ that individual with prescribed consultation.
19 20 21 22	8.2.4 Any facility located in a rural area as defined by subsection 7.6.1 may apply for a waiver under Part 4 of chapter II of the qualifications for a social services staff member under this section if it demonstrates that it has made a good faith effort to hire staff with the required qualifications, but that qualified social services staff are unavailable in the area.
23 24 25 26	8.3 FACILITIES AND EQUIPMENT. The facility shall provide for social services staff suitable space, equipped with a telephone, for confidential interviews with residents and families. The space shall provide visual and auditory privacy and locked storage for confidential records and be accessible to non-ambulatory persons.
27	Part 9. RESIDENT ACTIVITIES
28 29 30 31	9.1 ACTIVITIES PROGRAM. The facility shall offer a program of organized activities that promotes residents' physical, social, mental, and intellectual well-being, encourages resident independence and pursuit of interests, maintains an optimal level of psycho-social functioning, and retains in residents a sense of continuing usefulness to themselves and the community.
32 33 34 35	9.1.1 Activities shall be broad enough in scope to stimulate participation of all residents, including residents with mental and emotional impairments, but no resident shall be compelled to participate in any activity. Each month, activities shall include at least one from each of the following categories: social/recreational, intellectual, physical, spiritual, and creative.
36 37	9.1.2 The facility shall provide individual and group activities designed to meet each resident's individual needs.
38 39	9.1.3 Activities staff shall participate in resident assessment and care planning as prescribed by 5.2, 5.5, and 5.7, and shall implement activity programs.
40 41 42	9.1.4 The facility shall develop programs to encourage community contact, including use of community volunteers inside the facility and activities for residents outside the facility. The facility shall make reasonable arrangements for transportation for residents to such activities.

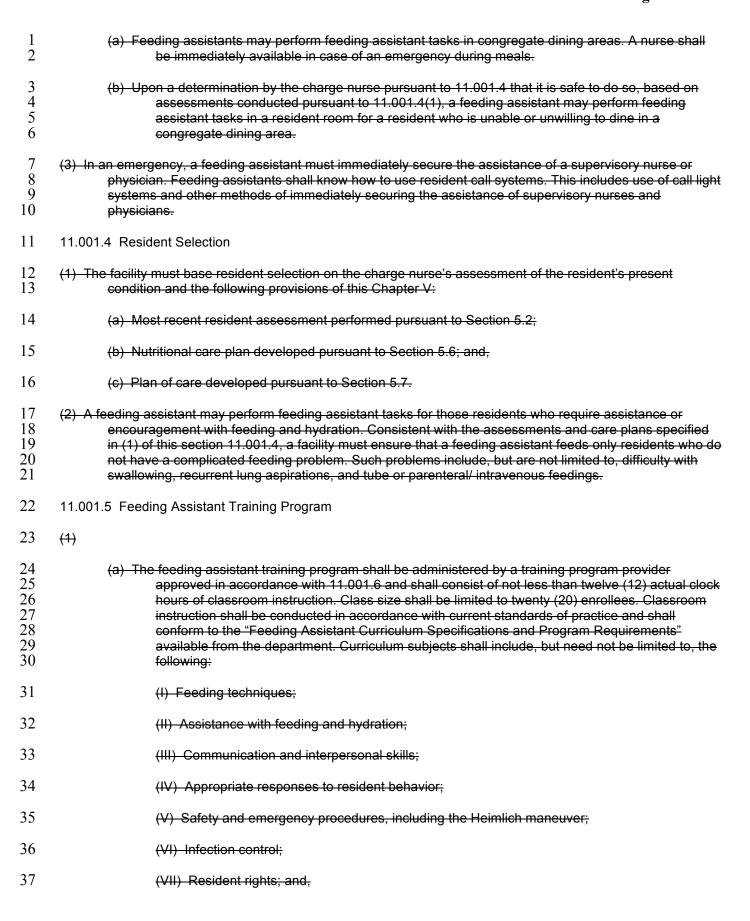

1 2	9.1.5 The facility shall provide activities daily, including at least one evening per week. Activities in addition to religious services shall be provided on weekends each week.
3 4	9.1.6 The facility shall post a monthly activities schedule where it is visible to all residents and families indicating date and time of each activity that is open to all residents.
5 6	9.1.7 The facility shall retain activity attendance records, maintained in a location other than the health record.
7 8	9.2 STAFFING. The facility shall employ activities staff sufficient in number to meet resident needs and qualified as either:
9 10	(1) an activity professional certified by the National Certification Council for Activity Professionals as an Activity Director Certified or Activity Consultant Certified;
11 12 13	(2) an occupational therapist or occupational therapy assistant meeting the requirements for certification by the American Occupational Therapy Association and having at least one year of experience in providing activity programming in a long term care facility;
14 15 16	(3) a therapeutic recreation specialist (registered by the National Therapeutic Recreation Society) having at least one year of experience in providing activity programming in a long term care facility;
17 18 19	(4) a person with a Master's or Bachelor's degree in the social or behavioral sciences who has at least one year of experience in providing activity programming in a long term care facility;
20 21 22 23	(5) a person who has completed, within a year of employment, a training course for activity professionals in an accredited state facility [if available] and who has at least two years experience in social or recreational program work, at least one year of which was full- time in an activities program in a health care setting; or
24 25 26	(6) a person with monthly consultation from a person meeting the qualifications set forth in subsections (1) through (5). The consultation shall be sufficient in amount to assist the activity staff members to meet resident needs.
27 28 29	9.3 RELIGIOUS SERVICES. The facility shall assist residents who are able and wish to do so to attend religious services of their choice. The facility shall honor resident requests to see their clergy and provide private space for such visits.
30 31 32 33	9.4 SPACE AND EQUIPMENT. The facility shall make available the supplies, space, and equipment to provide an activities program that meets each resident's individual needs. The facility shall provide an activities and recreation area and provide at least: books, current newspapers, games, stationery, radio, and television.
34	Part 10. DENTAL SERVICES
35 36 37	10.1 DENTAL EXAMINATION. Upon admission, each resident of a facility upon his/her consent or upon the consent of a responsible person, shall have an oral examination by a licensed dentist or an initial oral inspection by a licensed dental hygienist designated by a dentist.
38 39	10.1.1 The facility shall take all necessary steps to assure that the dental examination is conducted according to current dental practice.
40	10.1.2. The facility is not responsible to pay for such services.

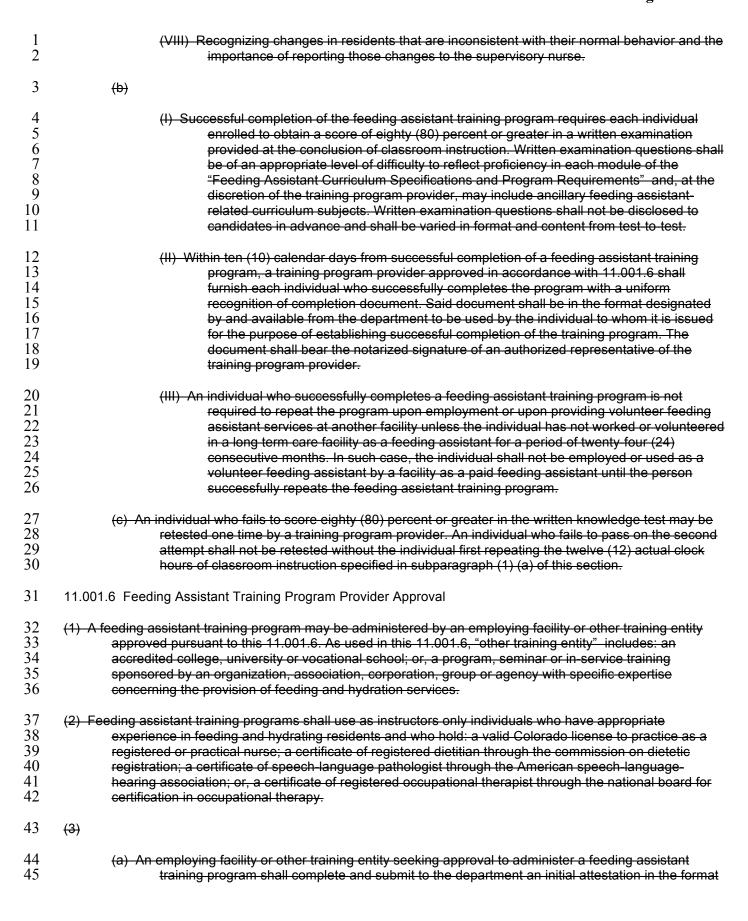

1 2	10.1.3 If the local dental society provides a list of dentists who are willing to participate, the facility shall make the list available to the residents.
3	10.1.4 In lieu of the admission examination, the resident may present written results, for entry into his/her medical record, of an oral examination administered during a period not to exceed six
5	months prior to admission.
6	10.2 DENTAL RECORDS. The dentist or the designated dental hygienist is responsible for the dental record.
7	For residents agreeing to participate in the program, the facility shall take all necessary steps to assure
8	that there are complete, accurate dental records that include the following:
9	10.2.1 Results of all current dental examinations and plans for treatment.
10	10.2.2 One of the following to document provision of planned treatment:
11	(1) Record of treatment provided pursuant to a plan for treatment.
12	(2) A document signed by each resident of a nursing care facility or responsible party that
13	states that the resident or responsible party is aware of any and all specific oral
14	pathology identified during an oral examination of the resident, but elects not to obtain
15	treatment because of cost or other reasons.
16	(3) In the event that the resident or responsible party elects not to obtain the initial oral
17	examination, a signed statement to that effect in the resident's permanent medical
18	record, which substitutes for the dental record requirement.
19	10.3 ORAL APPLIANCES. Upon consent, all residents' removable oral appliance and personal hygiene
20	appliances (including without limitation, full dentures, partial dentures, and toothbrushes) shall be clearly
21	identified and marked in a permanent manner with the user's name, as recommended by the dentist
22	designated as advisory dentist to the facility.
23	10.4 DENTAL HYGIENE. Each facility shall implement policies for an oral hygiene for its residents, in
24	consultation with the advisory dentist or the designated dental hygienist.
25	10.4.1 Direct care staff from each facility shall have at least annual inservice training course in
26	preventive dentistry and oral hygiene, conducted by a dentist, dental hygienist, or preventive
27	dental aide.
28	Part 11. DIETARY SERVICES
29	11.1 DIETARY SERVICES. The facility shall provide meals that are nutritious, attractive, well balanced, in
30	conformity with physician orders, and served at the appropriate temperature in order to enhance
31	residents' health and well being. It shall also offer nourishing snacks.
32	11.2 ORGANIZATION. The facility shall have an organized food service, appropriately planned, equipped, and
33	staffed to prepare and serve the number of meals created in the kitchen. The facility shall offer at least
34	three meals or their equivalent per day, at regular times, with not more than 14 hour between the
35	beginning of the evening meal and breakfast. Routine seatings shall be no later than 8 A.M. for
36	breakfast and no earlier than 5 P.M. for the evening meal. Timing of meals shall generally comport with
37	cultural practices in the community, unless inconsistent with these regulations.
38	11.3 PERSONNEL. The administrator shall designate a dietician or person qualified by training and experience
39	to be responsible for the dietary services.
40	

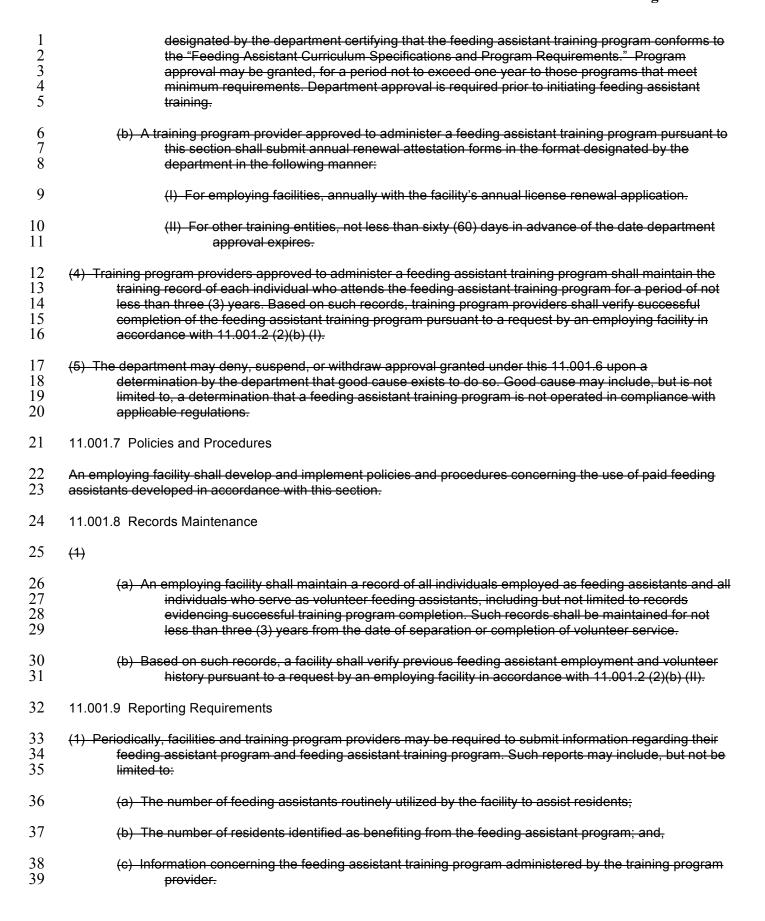

1 11.13 ISOLATION. Dishes and utensils with which food is served to residents in isolation because of infectious 2 diseases shall be sanitized if they are contaminated with infectious material such as blood drainage or 3 secretions or shall be disposable. 4 5 6 11.14 MILK. Milk for drinking shall be provided to consumers in an unopened, commercially filled container not exceeding a one pint capacity, or drawn from a commercially filled container stored in a mechanically refrigerated bulk milk dispenser, or poured directly into the drinking vessel from a commercially filled 7 half-gallon or gallon container that has been refrigerated until served to maintain a temperature of 45 8 degrees FAHRENHEIT or less. 9 11.15 NAIL POLISH AND FALSE NAILS. Staff involved in preparing and serving food shall not wear nail polish 10 or false nails. 11 11.16 DINING AND RECREATIONAL FACILITIES. Dining and recreation areas shall be readily accessible to 12 all residents, and shall not be in a hallway or lane of traffic in or out of the facility. Such space shall be 13 sufficient to accommodate activities conducted there, consistent with resident comfort and safety. The 14 dining and recreation areas may be separate or combined. 15 Part 11.001. FEEDING ASSISTANTS 16 11.001.1 Definitions. 17 Unless otherwise indicated, as used in Part 11.001: 18 (1) 19 (a) "Feeding assistant" means an individual who assists residents by performing feeding assistant 20 tasks, meets the requirements of Section 11.001.2 and 11.001.3; and, is paid as an employee 21 of a facility; used by a facility under arrangement with another agency or organization; or, who is 22 an unpaid volunteer. 23 (b) The following individuals may provide feeding assistance to residents without meeting the requirements of section 11.001.2 and 11.001.3: 25 (i) Registered or licensed nurses; 26 (ii) Certified nurse aides: 27 (iii) Registered dietitians; 28 (iv) Licensed health care practitioners with appropriate experience in feeding and hydrating 29 residents: 30 (v) Private duty aides and students in nursing education programs and other allied health 31 programs 32 who utilize facilities as clinical practice sites; or, 33 (vi) Resident family members. 34 (2) "Employing facility" means a facility that employs paid feeding assistants or utilizes the services of volunteer 35 feeding assistants.

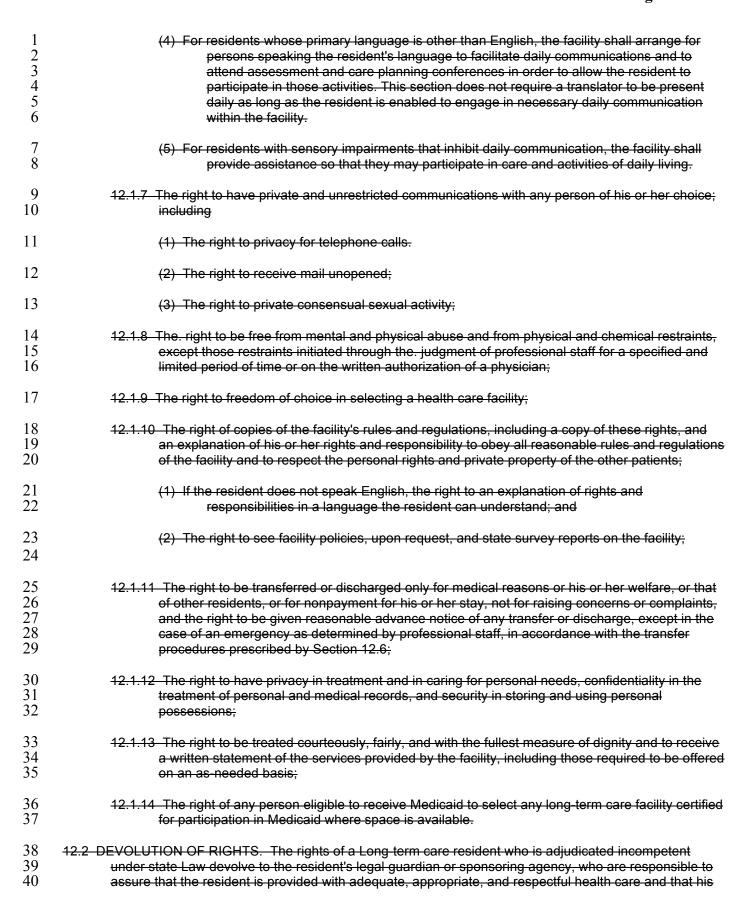

Page 34 of 123

Part 12. RESIDENTS' RIGHTS

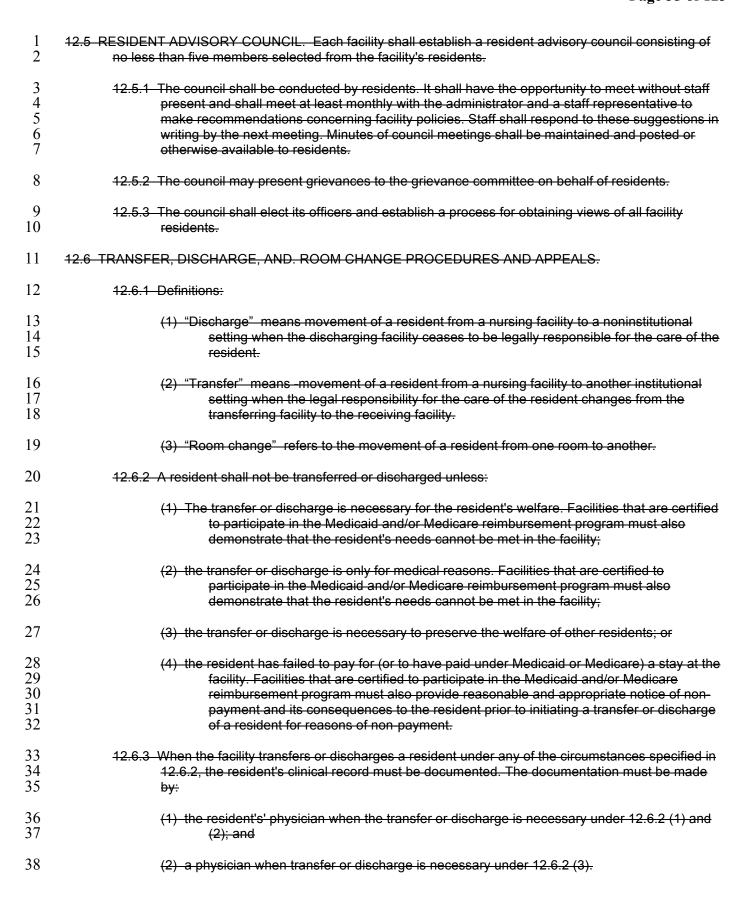

1

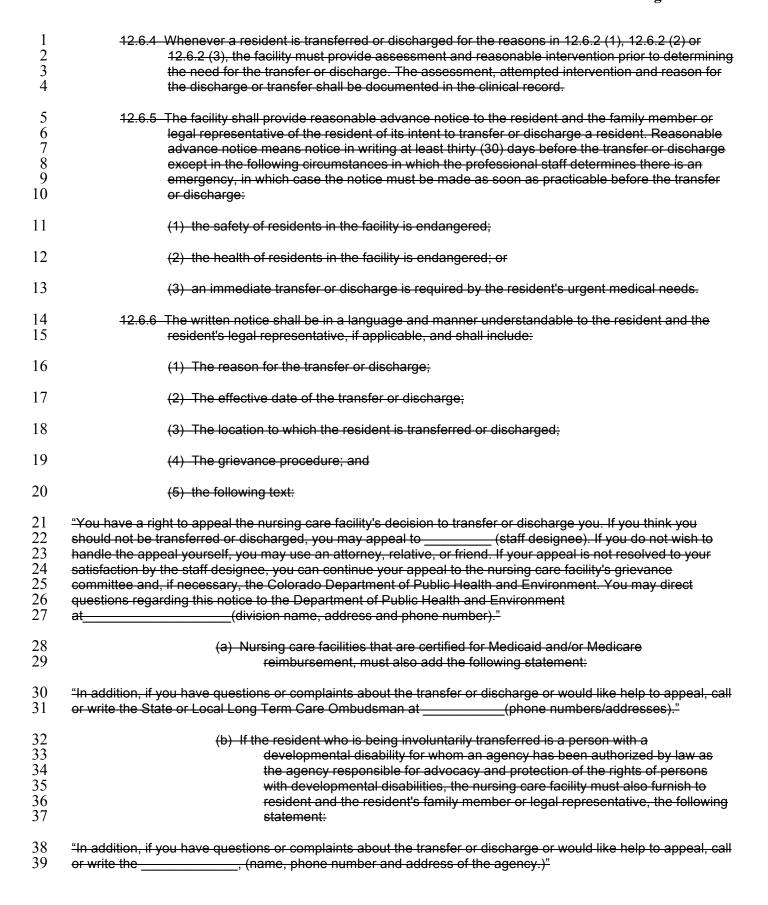

2 3 4 5	12.1 RESIDENTS' RIGHTS. The facility shall adopt a statement of the rights and responsibilities of their residents, post it conspicuously in a public place, and provide a copy to each resident or guardian before admission. The facility and staff shall observe these rights in the care, treatment, and supervision of the residents. Rights shall include at least:
6 7 8	12.1.1 The right to receive adequate and appropriate health care consistent with established and recognized practice standards within the community and with long-term care facility rules issued by the Department;
9	12.1.2 The right to civil and religious liberties, including:
10 11	(1) Knowledge of available choices and the right to independent personal decisions, which will not be infringed upon;
12 13	(2) The right to encouragement and assistance from the staff of the facility in the fullest possible exercise of these rights;
14	(3) The right to vote;
15	(4) The right to participate in activities of the community both inside and outside the facility;
16 17 18 19	12.1.3 The right to present grievances on behalf of him/herself or others to the facility's staff or administrator, to governmental officials, or to any other person, without fear of reprisal, and to join with other patients or individuals within or outside of the facility to work for improvements in resident care, including:
20	(1) The right to participate in the resident council;
21 22 23	(2) The right to be informed of the address and telephone number for the Department and the state and local Nursing Home Ombudsman; the facility shall post these numbers conspicuously;
24 25 26 27	12.1.4 The right to manage his or her own financial affairs or to have a quarterly accounting of any financial transactions made in his or her behalf, should the resident delegate such responsibility to the facility for any period of time;
28 29 30	12.1.5 The right to be fully informed, in writing, prior to or at the time of admission and during his or her stay, of services available in the facility and of related charges, including charges for services not covered under Medicare or Medicaid or not covered by the basic per diem rate;
31 32 33	12.1.6 The right to be adequately informed of his or her medical condition and proposed treatment unless otherwise indicated by his or her physician, and to participate in the planning of all medical treatment, including:
34 35	(1) The right to refuse medication and treatment, unless otherwise indicated by his or her physician, and to know the consequences of such actions;
36	(2) The right to participate in discharge planning; and
37 38	(3) The right to review and obtain copies of his or her medical records in accordance with Part 5 of chapter II of these regulations.

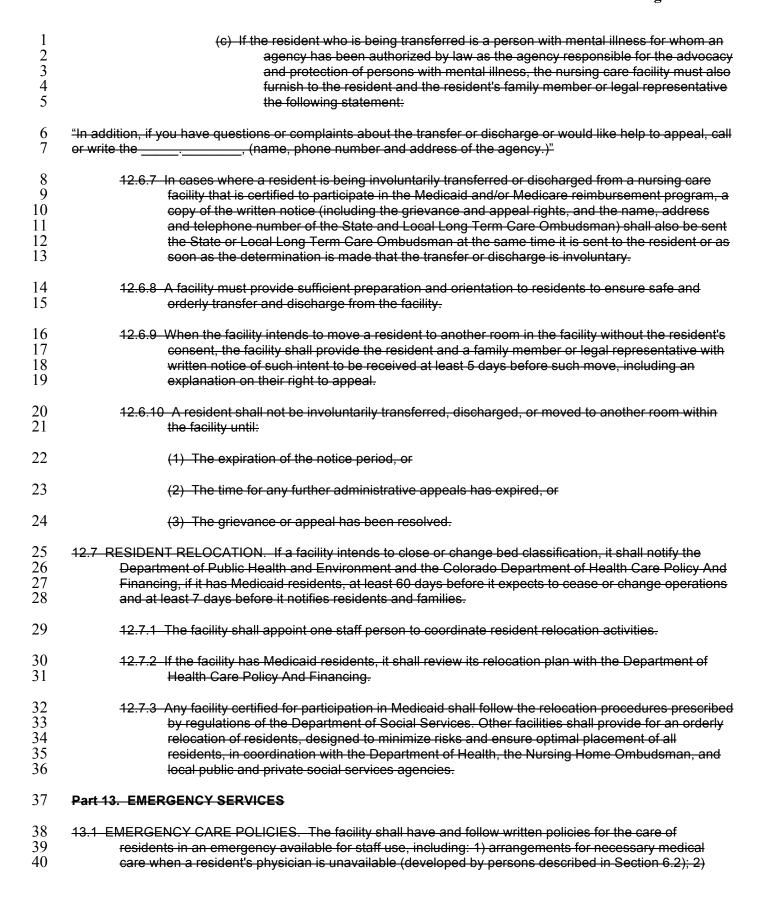

Page 36 of 123

1 or her rights are observed. In the case of devolution, the facility shall observe these rights with respect 2 to the guardian or sponsoring agency. 3 4 5 6 12.3 STAFF TRAINING IN RESIDENTS' RIGHTS. The facility shall provide a copy of the facility's statement of residents' rights at new employee orientation. Current employees shall be provided a copy of the rights no later than the first pay period after receipt of these rules. The facility shall train all staff in the observation and protection of residents' rights. Social services staff shall assist in residents' rights 7 orientation for new employees. 8 9 12.4 GRIEVANCE PROCEDURE. The facility shall develop a grievance procedure, which it shall post conspicuously in a public place, for presentation of grievances by residents, the resident council, or 10 members of the resident's family regarding any conditions, treatment, or violations of rights of any 11 resident by the facility or staff (regardless of the consent of the victim of the alleged improper conduct). 12 12.4.1 The facility shall designate a full time staff member ("staff designee") to receive all grievances. 13 12.4.2 The facility shall establish a grievance committee consisting of the chief administrator or his or 14 her designee, a resident selected by the facility's residents, and a third person agreed upon by 15 the administrator and the resident representative. 16 12.4.3 Any resident or legal representative, or member of a resident's family or the resident council may 17 present a grievance to the facility staff designee orally or in writing within 14 days of the incident 18 giving rise to the grievance. 19 12.4.4 The staff designee shall confer with persons involved in the incident and other relevant persons 20 21 and within 3 days of receiving the grievance shall provide a written explanation of findings and proposed remedies to the complainant and the aggrieved party, if other than the complainant, 22 and legal representative, if any. Where appropriate due to the mental or physical condition of 23 the complainant or aggrieved party, an oral explanation shall accompany the written one. 24 25 12.4.5 If the complainant or aggrieved party is dissatisfied with the findings and remedies of the staff 26 designee or their implementation, within 10 days of receiving the designee's explanation, the 27 complainant or aggrieved party may file the grievance orally or in writing along with any 28 additional information it wishes to the grievance committee. 29 12.4.6 The committee shall confer with persons involved in the incident and other relevant persons, 30 31 including the complainant, and within 10 days of the date of the appeal shall provide a written explanation of its findings and proposed remedies to the complainant and the aggrieved party, if 32 other than the complainant, and to the legal representative, if any. Where appropriate due to the 33 mental or physical condition of the complainant, or aggrieved party, an oral explanation shall 34 accompany the written one. 35 12.4.7 If the complainant or aggrieved party is dissatisfied with the findings and remedies of the 36 grievance committee or their implementation (except for grievances regarding physician or 37 physician-prescribed treatment), the person may file the grievance in writing with the Executive 38 Director of the Department within 10 days of receipt of the written findings of the grievance 39 committee. The Department shall then investigate the facts and circumstances of the grievance 40 and make written findings of fact, conclusions, and recommendations and provide them to the 41 complainant, aggrieved party, legal representative, if any and the facility administrator. 42 12.4.8 If the complainant or facility administrator is aggrieved by the Department's findings and 43 recommendations, he or she may request, within 30 days of receipt of the findings and 44 recommendations, a hearing to be conducted by the Department pursuant to C.R.S. 24-4-105.

1 procedures and training programs that cover immediate care of residents; and 3) persons to be notified 2 in an emergency. 3 4 5 6 7 8 9 13.2 FIRE AND INTERNAL DISASTER PLAN. With the assistance of qualified fire and safety experts, the facility shall develop written policies and procedures for protection of persons within the building in case of fire, explosion, flood, staff shortage, food shortage, termination of vital services, or other emergency in the building. Policies shall include: 1) brief, written instructions, posted at each nurses' station, that include persons to be notified and other immediate steps to be taken before the fire department or other assistance arrives; 2) a schematic plan of the building or portions thereof posted at each nurses' station, showing evacuation routes, smoke stop and fire doors, exit doors, and the location of fire extinguishers 10 and fire alarm boxes; 3) procedures for evacuating helpless residents; A) assignment of specific tasks 11 and responsibilities to the personnel on each shift; 5) provision for at least annual training and 12 instruction to keep employees informed of their duties; and 6) provisions for conducting simulated fire 13 drills at least three times per year. 14 13.3 MASS CASUALTY PLAN. Each facility shall develop a written mass casualty plan for managing residents 15 and treating casualties in an external or community disaster. The program shall be developed in 16 cooperation with other health facilities in the area and with official and other community agencies. 17 Part 14. FACILITY RECORDS 18 19 14.1 HEALTH RECORDS. The facility shall maintain on its premises a health record for each resident. The 20 record and the resident for which it is maintained shall be identified by a separate, unique number. The 21 record shall contain sufficient information to identify the resident; provide and support resident 22 23 24 diagnoses; include orders for medications, treatments, restorative services, diet, special procedures, and activities. It shall include a care plan and discharge plan and indicate in progress notes the resident's progress at appropriate intervals. The components of the record may be kept separately as 25 long as they are readily retrievable. 26 14.1.1 Only physicians, dentists or persons operating under their supervision shall write or dictate 27 28 medical histories and physical examinations in the medical record, and only dentists shall write dental histories. 29 14.1.2 Telephone orders shall be taken by licensed nurses or members of other appropriate disciplines 30 as authorized by their professional licensure and as approved in facility policy. They shall be 31 countersigned by the physician or dentist and entered into the record within two weeks. 32 33 14.1.3 All orders for diagnostic procedures, treatments, and medications shall be entered into the health record and authenticated and signed by the physician, except that orders for dental 34 procedures shall be authenticated and signed by a dentist. All reports of x-ray, laboratory, EKG, 35 and other diagnostic tests shall be authenticated by the person submitting them and 36 incorporated into the health record within two weeks after receipt by the facility. 37 14.1.4 All entries in the health record shall be the original ink or typed copy of valid copies, kept current, 38 dated, and signed or authenticated. The responsibility for completing the health record rests 39 with the attending physician and the facility administrator. A physician may authenticate the 40 health record by written signature, identifiable initials, computer key, or, under the following 41 conditions, facsimile stamp: 42 (1) The physician whose signature the facsimile stamp represents is the only one who has 43 possession of the stamp and is the only one who uses it; and

(2) The physician places in the medical record office a signed statement to the effect that the

physician is the only one who has the stamp and the only one who will use it.

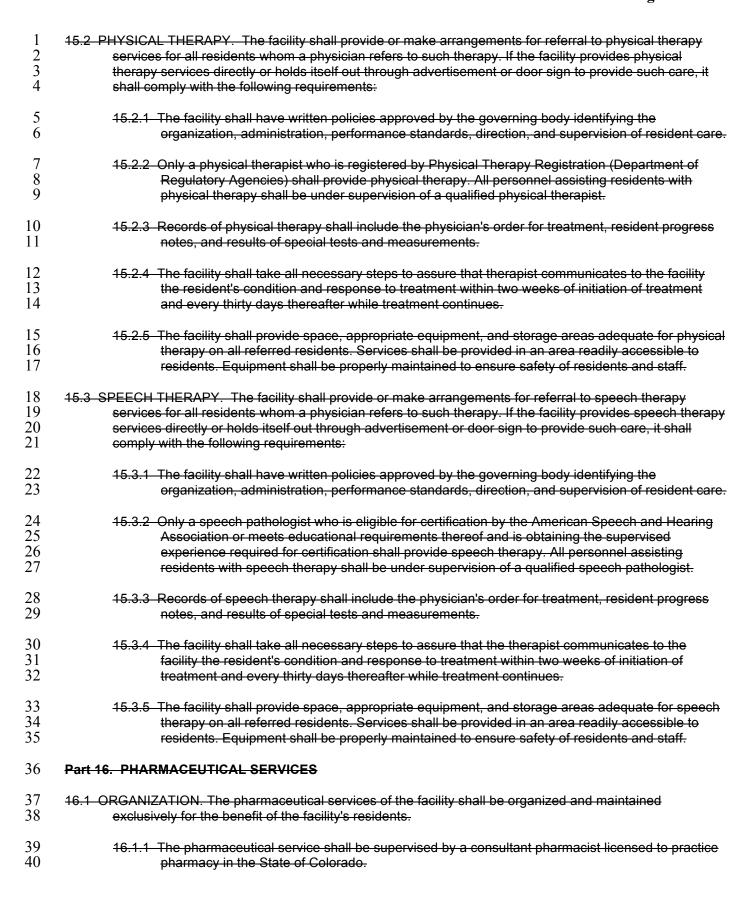

44

45

Page 41 of 123

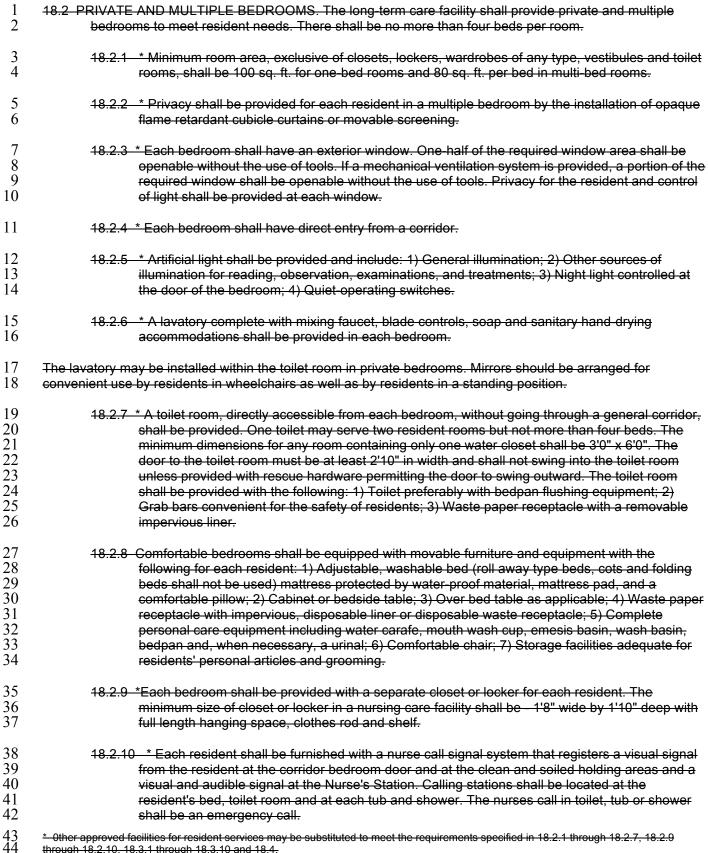

1 2	14.1.5 A completed health record shall be maintained on every resident from the time of admission through the time of discharge. All health records shall contain:
3	(1) Identification and summary sheet that includes:
4 5 6 7 8	(a) resident's name, health record number, social security number, marital status, age, race, home address, date of birth, place of birth, religion, occupation, name of informant and other available identifying sociological data (country of citizenship, father's name, mother's maiden name, military service, if any, and dates),
9	(b) name, address, and telephone number of referral source,
10	(c) name, address, and telephone number of attending physician and dentist,
11	(d) name of next of kin or other responsible person,
12	(e) date and time of admission and discharge,
13	(f) admitting diagnosis, final diagnosis(es), condition on discharge, and disposition, and
14	(g) attending physician's signature.
15	(2) Medical data that includes:
16	(a) medical history,
17 18	(b) medical evaluation reports on admission and thereafter as needed and at least annually,
19	(c) reports of any special examinations, including laboratory and x-ray reports,
20	(d) reports of consultations by consulting physicians, if any,
21	(e) reports from all consulting persons and agencies, if any,
22	(f) reports of special treatments, such as physical or occupational therapy,
23	(g) dental reports, if any,
24 25	(h) treatment and progress notes written and signed by the attending physician at the time of each visit,
26 27 28	(i) authentication of hospital diagnosis(es) in a hospital summary sheet or transfer form when applicable, and a summary of the course of treatment followed in the hospital if the resident is hospitalized,
29 30	(j) physician orders for all medications, treatments, diet, and restorative and special procedures,
31	(k) autopsy protocol, if any, and authorization for autopsy, and
32 33 34	(3) plans and notes of the social service and activities service, including social history, social services assessment/plan, progress notes, activities assessment/plan and activities progress notes;

-	(4) nutritional assessments and progress notes of the dietary service; and
2	(5) reports or accidents or incidents experienced by the resident,
3	(6) Nursing records, dated and signed by nursing personnel, which include the resident
1	assessment required by Section 5.2, all medications and treatments administered,
7	
3	special procedures performed, notes of observations, and the time and circumstances
6	of death.
7	14.2 FACILITIES. The facility shall provide a health record room or other health record accommodation and
8	supplies and equipment adequate for health record functions. Health records shall be maintained and
9	stored safely for confidentiality and protection from loss, damage, and unauthorized use.
10	14.3 PRESERVATION. All health records shall be completed promptly, not later than 30 days following
11	resident discharge, filed, and retained for a period of time consistent with the applicable statute of
12	limitations and the facility's written policies.
13	14.4 STAFFING. A Registered Record Administrator (RRA), Accredited Record Technician (ART), or other
14	employee who is trained in medical records and who has consultation from a registered record
15	administrator or accredited record technician shall be responsible for the custody, supervision, filing,
16	and indexing of completed health records of all residents and for allied health records services.
17	14.5 LONG-TERM CARE FACILITY RECORDS. The facility shall maintain current the following records: 1)
18	daily census including current resident problems and room numbers, 2) admission and discharge
19	analysis records, 3) master resident file, 4) resident number index, and 5) disease index and (6) file of
20	all accident and incident reports, including without limitation, those required by Part 3 of Chapter II.
21	Part 15. OCCUPATIONAL, AND PHYSICAL AND SPEECH THERAPY
22	15.1 OCCUPATIONAL THERAPY. The facility shall provide or make arrangements for referral to occupational
22	15.1 OCCUPATIONAL THERAPY. The facility shall provide or make arrangements for referral to occupational
23	therapy services for all residents whom a physician refers to such therapy. If the facility provides
23 24	therapy services for all residents whom a physician refers to such therapy. If the facility provides occupational therapy services directly, it shall comply with the following requirements:
23	therapy services for all residents whom a physician refers to such therapy. If the facility provides
23 24 25	therapy services for all residents whom a physician refers to such therapy. If the facility provides occupational therapy services directly, it shall comply with the following requirements: 15.1.1 The facility shall have written policies approved by the governing body identifying the organization, administration, performance standards, direction, and supervision of resident care.
23 24 25 26	therapy services for all residents whom a physician refers to such therapy. If the facility provides occupational therapy services directly, it shall comply with the following requirements: 15.1.1 The facility shall have written policies approved by the governing body identifying the organization, administration, performance standards, direction, and supervision of resident care. 15.1.2 Only a qualified occupational therapist, who is a graduate of an occupational therapy curriculum
23 24 25 26 27	therapy services for all residents whom a physician refers to such therapy. If the facility provides occupational therapy services directly, it shall comply with the following requirements: 15.1.1 The facility shall have written policies approved by the governing body identifying the organization, administration, performance standards, direction, and supervision of resident care. 15.1.2 Only a qualified occupational therapist, who is a graduate of an occupational therapy curriculum accredited jointly by the Council on Medical Education of the American Medical Association and
23 24 25 26 27 28 29	therapy services for all residents whom a physician refers to such therapy. 1 2	16.1.2 All compounding and dispensing shall be from a pharmacy licensed by the Colorado Board of Pharmacy in accordance with all pharmacy laws and regulations.
3 4	16.2 ADVISORY COMMITTEE. The facility shall establish a pharmaceutical advisory committee, including a registered nurse, the consulting pharmacist and the medical advisor, to assist in the formulation of
5	broad professional policies and procedures relating to pharmaceutical service in the facility.
6	16.3 DRUG REQUISITION AND STORAGE POLICIES. The facility shall designate in written policies approved
7	by the governing body the person authorized to requisition, receive, control, and manage drugs.
8	16.3.1 Resident drugs shall be obtained from a licensed pharmacy on an individual prescription basis
9	for each resident.
0	16.3.2 Unless the facility uses a unit dose system, each resident drug shall be stored in individual,
. 1	originally received containers or "blister" or "bubble" cards that are clearly and legibly labeled
2	with the name, strength, dosage, frequency and mode of administration, date of issue and
.3	expiration of the drug; physician's name; name, address, and telephone number of the
4	dispensing pharmacy; and the full name of the resident for whom the drug is prescribed.
5	16.3.3 The facility shall protect each resident's drugs from use by other residents, visitors, and staff.
6	16.4 CONSULTING PHARMACIST. The facility shall contract in writing with a licensed pharmacist to be
7	responsible for all pharmaceutical matters in the facility. The contract shall set forth the fees to be paid
8	for services and the pharmacist's responsibilities, including at least the following:
9	(1) Legal compounding;
20	(2) Prompt dispensing of properly labeled individual resident prescriptions;
21	(3) Inventory control; establishment of necessary records;
22	(4) Periodic inspection of all pharmaceutical supplies and drugs on all resident care units;
23	(5) Provision of an emergency medical kit, which remains the property of a licensed pharmacy
24	approved by the pharmaceutical advisory committee and the Colorado State Board of
25	Pharmacy;
26	(6) Regularly scheduled visits and consultations and at least annual in-service training to staff;
27	(7) Inspection of prescriptions all drugs for proper labeling, proper storage, and drug
28	deterioration or expiration of shelf life;
29	(8) Determination of proper procurement and maintenance of all prescriptions and other drugs;
80	(9) Development of proper accounting procedures for controlled substances and legend drugs;
31	(10) Evaluation of the rule 01 policies of the pharmaceutical advisory committee; and
32	(11) Quarterly reports to the Pharmacy Advisory Committee on the status of pharmacy
33	services.
34	
35	
36 37	16.5 CONTROLLED SUBSTANCES. Only practitioners authorized under the laws of the State of Colorado and properly registered with the federal government shall prescribe controlled substances, The facility shall

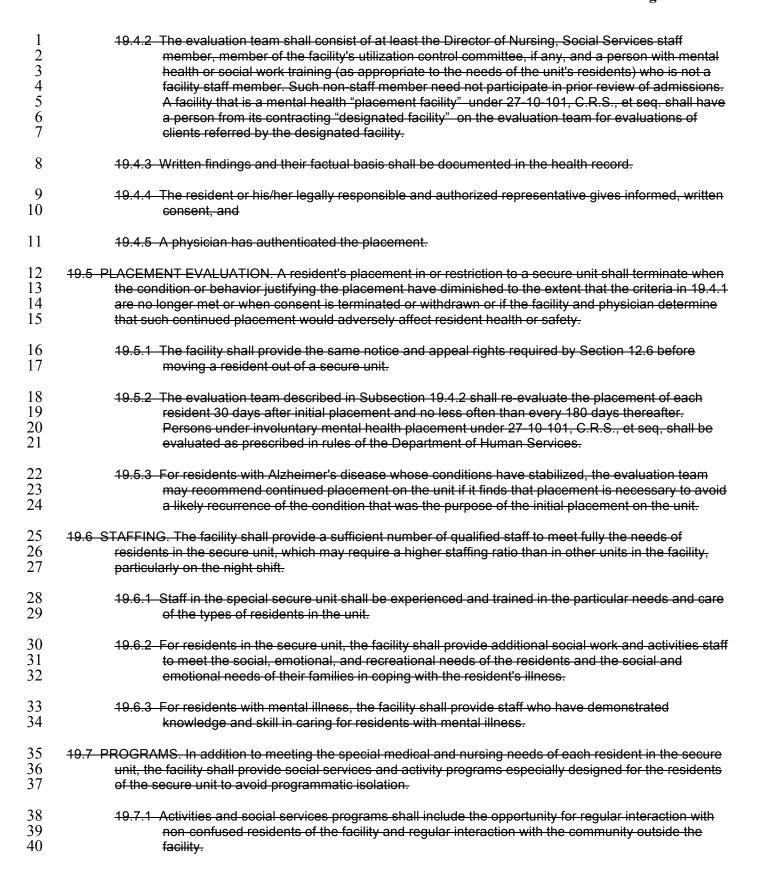

1 comply with all federal and state laws and regulations relating to procurement, storage, administration, 2 and disposal of scheduled drugs. Unless the facility uses a unit dose system, it shall maintain a record 3 on a separate sheet for each resident receiving a scheduled drug, which contains the name of the drug, 4 strength, date, time administered, resident name, dose, physician's name, signature of person 5 administering, and the quantity of the drug remaining. 6 16.6 DISPOSITION OF MEDICATIONS 7 16.6.1 If controlled substances (Schedules 2 through 5) are being held by a facility on behalf of a 8 resident and the controlled substances are no longer needed, the facility shall conduct on site 9 destruction of the controlled substances as follows: 10 (1) The facility shall properly inventory the destruction and keep the inventory copy on file for at 11 least two years. 12 (2) At least the administrator or designee, the supervisory nurse, and the consulting pharmacist 13 shall witness each destruction and sign the destruction inventory. 14 (3) The destruction shall be performed in a manner that renders the controlled substances 15 totally irretrievable. 16 16.6.2 Except for medications returned to a pharmacist or transferred to a relief agency as provided 17 under 6 CCR 1011-1, Chapter II, Subpart 7.200 Donation of Unused Medications, Medical 18 Devices, and Medical Supplies, all prescriptions and other drugs (except controlled substances) 19 remaining upon death or discharge shall be destroyed by the administrator, a registered nurse, 20 and a pharmacist who shall record the quantity of the drugs destroyed. 21 16.7 MEDICATION RELEASE. The facility staff shall release medications to a resident only upon written 22 physician authorization. 23 16.8 RESIDENT DRUG PROFILE RECORD. The dispensing pharmacist shall maintain drug profile records on 24 each resident for whom he or she dispenses medications. 25 Part 17. DIAGNOSTIC SERVICES 26 17.1 POLICIES. The facility shall establish and follow policies for obtaining clinical laboratory, x-ray, and other 27 diagnostic services. 28 17.2 PHYSICIAN ORDERS. Diagnostic services shall be provided only on the order of the attending physician 29 or dentist. 30 17.3 TRANSPORTATION. The facility shall assist residents to make arrangements for transportation of 31 residents and/or laboratory specimens to and from the source of diagnostic services. 32 17.4 REPORTS. All diagnostic reports shall be included in the resident's health record within thirty days of the 33 time the facility receives them. 34 Part 18. RESIDENT CARE UNIT 35 36 18.1 RESIDENT CARE UNIT. A resident care unit means a designated area of a long-term care facility 37 consisting of a bedroom or a grouping of bedrooms with supporting facilities and services that are 38 planned, organized, operated, and maintained to provide adequate nursing and supportive care of not 39 more than sixty residents.

^{*} Other approved facilities for resident services may be substituted to meet the requirements specified in 18.2.1 through 18.2.7, 18.2.9 through 18.2.10, 18.3.1 through 18.3.10 and 18.4.

1 2	18.4 * PERSONNEL TOILET FACILITIES. Toilet facilities shall be provided for personnel on each Resident Care Unit.
3	* Other approved facilities for resident services may be substituted to meet the requirements specified in 18.2.1 through 18.2.7, 18.2.9 through 18.2.10, 18.3.1 through 18.3.10 and 18.4.
5 6 7 8	18.5 EMERGENCY EQUIPMENT AND SUPPLIES. The following shall be readily available at all times: 1) Oxygen; 2) Suction; 3) Portable emergency equipment, supplies and medications; and in nursing care facilities 4) Compatible supplies and equipment for immediate intravenous therapy to be administered only in accordance with applicable Colorado laws.
9	18.6 THERMOMETER. A disinfected thermometer shall be used each time a resident's temperature is taken.
10	18.7 DRESSINGS. There shall be individual resident equipment and supplies for changing dressings.
11	Part 19. SECURE UNITS
12 13 14	19.1 COMPLIANCE. Any facility that has one or more units that are secured to prohibit free egress of residents shall comply with the standards in this Part in addition to all other applicable requirements of this chapter.
15 16 17	19.2 MENTAL HEALTH FACILITIES. Any facility that is a "designated" or "placement" facility under 27-10-101 C.R.S., et seq, shall comply with the regulations of the Department of Human Services. In the case of conflicting regulations, the stricter shall apply.
18	19.3 ADMISSIONS.
19 20 21 22	19.3.1 Residents on a secure unit shall be placed so as to insure that those placed in the unit because they are dangerous to self or wander out of the building and are unable to return on their own are protected from harm by residents who are a danger to others or whose behavior seriously disrupts the rights of other residents.
23 24	19.3.2 Placement on a secure unit shall not be used for the punishment of a resident or the convenience of the staff and shall be the least restrictive alternative available.
25	19.3.3 A facility shall have written programs to treat residents whom it admits, as required by 19.7.
26 27	19.3.4 Residents of a secure unit shall be allowed to have visitors on the unit. Residents of the facility may participate in organized activities on the unit.
28 29	19.4 PRE ADMISSION SCREENING AND PLACEMENT. The facility shall not place a resident into a secure unit unless the requirements of this section are met:
30	19.4.1 An evaluation team finds, based on available evidence, that:
31	(1) the resident is a serious danger to self or others, or
32 33	(2) the resident habitually wanders or would wander out of buildings and is unable to find the way back, or
34 35	(3) the resident has a significant behavior problem that seriously disrupts the rights of other residents; and in all cases
36	(4) less restrictive alternatives have been unsuccessful in preventing harm to self or others; and
37	(5) legal authority for such restrictive authority has been established.

1 2 3	19.7.2 Residents of the secure unit may not be locked into or out of their rooms, except that facilities that are "designated" or "placement" facilities under 27-10-101, C.R.S. et seq, may use seclusion under procedures prescribed by Department of Human Services' regulations.
4 5 6	19.8 PHYSICAL FACILITIES. In addition to the physical plant requirements of these regulations, the facility shall provide at least 10 square feet per resident (excluding hallways) of common areas within the secure unit.
7 8	19.8.1 The facility shall identify its method for securing the unit and establish and implement procedures for monitoring the effectiveness of the security system.
9 10	19.8.2 Any facility that has an outside area or yard that residents in the non-secure areas of the facility may use shall establish a secure outside area for residents of the secure unit.
11 12 13	19.8.3 In accordance with 6 CCR 1011-1, Chapter II, Part 4, a facility may seek a waiver from the standards required in Part 18 of this Chapter that may be detrimental to resident needs, safety, or health.
14	Part 20. HOUSEKEEPING SERVICES
15 16	20.1 ORGANIZATION. Each facility shall establish an organized housekeeping service that keeps the facility clean and orderly and free from odor resulting from poor housekeeping practices.
17 18	20.1.1 The facility shall provide a sufficient number of housekeeping personnel and adequate equipment.
19 20	20.1.2 Deodorizers shall not be used to cover up odors caused by unsanitary conditions, poor nursing care, or housekeeping practices.
21 22	20.2 EQUIPMENT AND SUPPLIES. Suitable equipment and supplies shall be provided for cleaning of all surfaces. Such equipment shall be maintained in a safe, sanitary condition.
23 24	20.3 DISINFECTANTS. Disinfectants shall be only those registered by the manufacturer with the United States Environmental Protection Agency and shall be stored in a manner approved by the Department.
25 26	20.4 STORAGE, Storage areas, attics, and cellars shall be kept safe and free from accumulations of extraneous materials such as refuse, discarded furniture, and old newspapers.
27	20.4.1 Combustibles such as cleaning rags and compounds shall be kept in closed metal containers.
28 29 30 31 32	20.4.2 Cleaning compounds and other hazardous substances (including products labeled "Keep out of reach of children" on their original containers) shall be clearly labeled to indicate contents and (except when a staff member is present) shall be stored in a location sufficiently secure to deny access to confused residents. Janitors' rooms used for storing disinfectants and detergent concentrates, caustic bowl and tile cleaners, and insecticides shall be locked.
33 34	20.4.3 Paper towels, tissues, and other absorbent paper goods shall be stored in a manner that prevents their contamination prior to use.
35 36	20.5 CLEANING METHODS. Cleaning shall be performed in a manner to minimize the spread of pathogenic organisms. Floors shall be cleaned regularly.
37 38	20.6 FLOOR SURFACES. Uncarpeted floors and adjacent base coving shall be maintained to provide a smooth, continuous, washable surface that is free of discoloration or staining. Polishes applied to

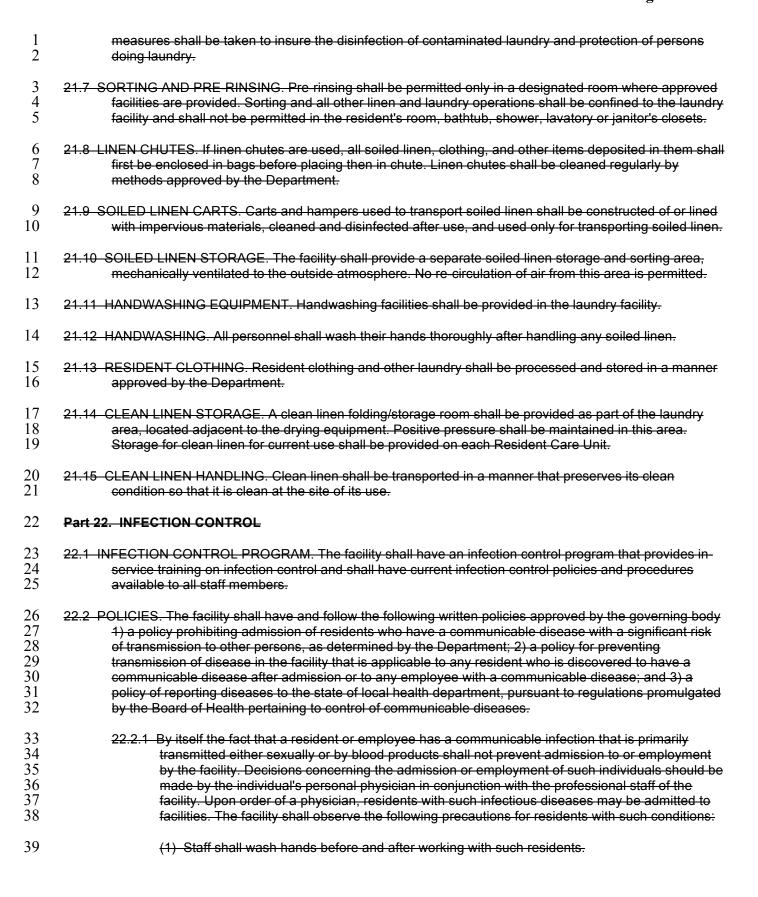

1 uncarpeted floors shall provide a nonslip surface; throw or scatter rugs shall not be used except for 2 nonslip entrance mats. 3 20.7 HANDWASHING. All personnel shall wash their hands thoroughly after handling waste products. 4 20.8 TRAINING AND SUPERVISION. Housekeeping personnel shall receive adequate supervision. Frequent 5 in-service training programs shall be provided for housekeeping personnel. 6 20.9 POISON CONTROL. The facility shall maintain at each nurses' station a current list of potentially 7 hazardous substances in regular use by housekeeping and other staff and the name, manufacturer, 8 EPA registration number, notation of where used and by whom, where stored, cautionary information, 9 antidote if any, and phone number of the poison control center. 10 Part 21. LINEN AND LAUNDRY 11 21.1 LAUNDRY FACILITIES. Laundry facilities and/or contract with commercial laundry shall be provided with 12 the necessary washing, drying, and ironing equipment having sufficient capacity to process a 13 continuous seven-day supply based on ten pounds of dry laundry per bed per day. Laundry equipment 14 shall meet all safety and sanitary requirements. The equipment shall be designed and installed to 15 comply with all state and local laws. Laundry equipment, processing, and procedures shall render soiled 16 linen and patient clothing clean and free from detergent, soap, and other chemical residues. 17 21.1.1 Laundry facilities and operations shall be located in an area separated from Resident Care 18 Units. 19 20 21 21.1.2 In facilities constructed after the effective date of these regulations, there shall be proper 22 spacing and placing of the equipment to minimize material transportation and operation, to 23 avoid all cross traffic between clean and soiled linen, to provide balance of operations, and to 24 provide storage between operations. The general air movement shall be from the cleanest 25 areas to the most contaminated areas. Soiled laundry shall be processed frequently enough to 26 prevent excessive unsanitary accumulations. 27 21.2 WASHING TEMPERATURE. The temperature of water during the washing and hot rinsing process shall 28 29 be a minimum of 130 degrees F and for a combined period of time of at least 25 minutes, and the detergent shall be compatible with the wash cycle and temperature (as evidenced by purveyor 30 statement or literature kept for inspection). Washers shall not be overloaded so as to limit adequate 31 movement of contents and flow of water through the fabrics. 32 21.3 COMMERCIAL LAUNDRY SERVICES. If laundry facilities are not provided entirely within the facility there 33 shall be a written contract between the facility and a commercial laundry service that provides for 34 compliance with Section 21.2. 35 21.4 RESIDENT LINEN SUPPLY. Linen supply (top and bottom sheets, pillowcases, washcloths, bath and face 36 towels) shall be at least three complete changes times the number of licensed beds. All linens shall be 37 maintained clean, in good repair. 38 21.5 SOILED LINEN HANDLING. In removing and handling soiled linen from a bed, there shall be minimal 39 shaking of the linen. Soiled linen, including blankets, shall be placed in bags tightly closed before 40 removal from a bedroom. The bags shall remain closed, shall be removed from the Resident Care Unit 41 at least every eight hours.

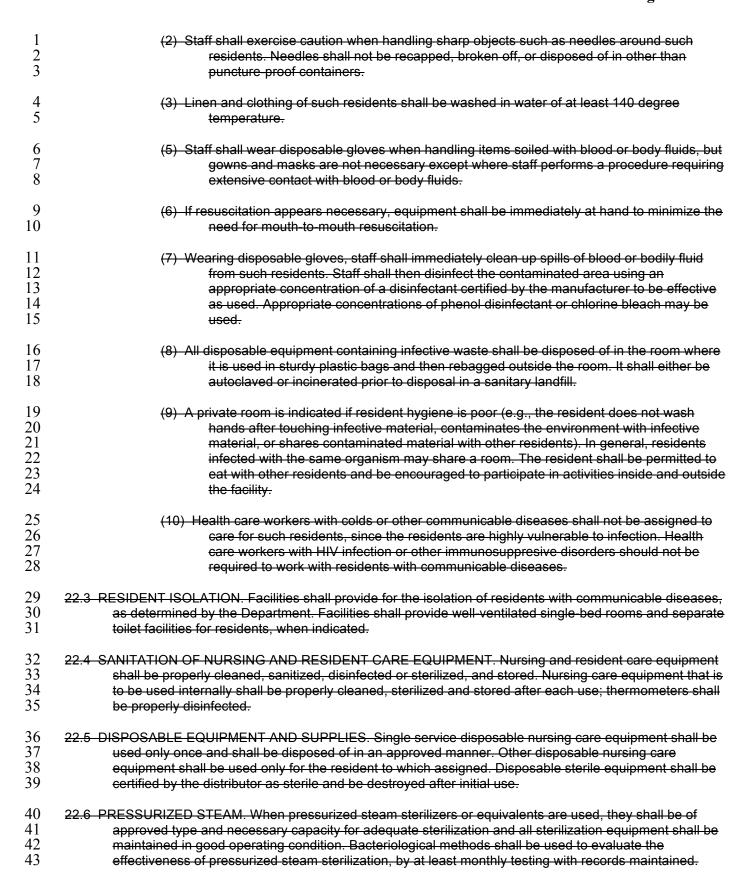

21.6 INFECTIOUS DISEASE LINEN. All linens and blankets from residents with infectious disease shall be

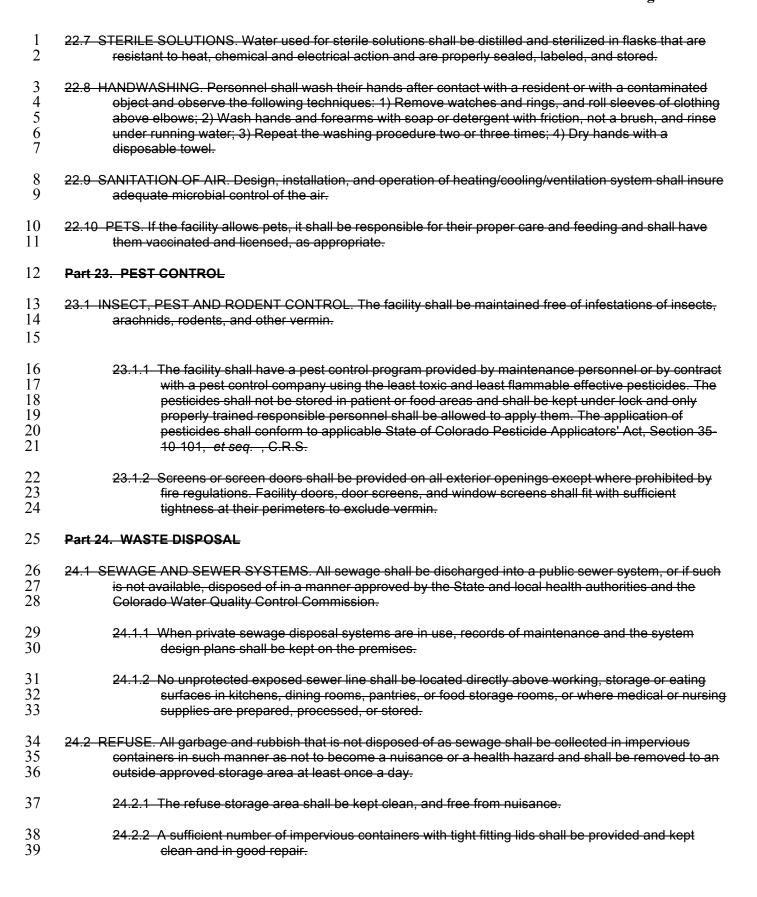

placed in special bags identified "contaminated" and transported in these closed bags. Special

42

43

24.3 REFUSE CART. Carts used to transport refuse shall be constructed of impervious materials, enclosed, used solely for refuse, and maintained in a sanitary manner.

24.4 INCINERATORS. Incinerators shall comply with state and local air pollution regulations and be so constructed as to prevent insect and rodent breeding and harborage. The facility shall obtain a permit to operate an incinerator from the State Air Pollution Control Division and maintain the permit on file. [Eff. 04/30/2009]

25.1 COMPLIANCE WITH FGI GUIDELINES. Effective July 1, 2013, all long term care nursing facilities shall be constructed in conformity with the standards adopted by the Director of the Division of Fire Prevention and Control (DFPC) at the Colorado Department of Public Safety. For construction initiated or systems installed on or after July 1, 2013, that affect patient health and safety and for which DFPC has no applicable standards, each facility shall conform to the relevant section(s) of the Guidelines for Design and Construction of Health Care Facilities, (2010 Edition), Facilities Guidelines Institute. The Guidelines for Design and Construction of Health Care Facilities, (2010 Edition), Facilities Guidelines Institute (FGI), is hereby incorporated by reference and excludes any later amendments to or editions of the Guidelines. The 2010 FGI Guidelines are available at no cost in a read only version at: http://openpub.realread.com/rrserver/browser?title=/FGI/2010 Guidelines

Part 26. RELIGIOUS TREATMENT EXCLUSIONS

- 26.1 EXCEPTION OF CERTAIN FACILITIES. Nothing in this Part applies to any nursing facility conducted by or for the adherents of any well-recognized church or religious denomination for the purpose of providing facilities for the care and treatment of the sick who depend exclusively upon spiritual means through prayer for healing in the practice of the religion of such church or denomination
- 23 26.2 EXCEPTION FOR RELIGIOUS BELIEFS. Nothing in this chapter authorizes the Department to impose on a resident any mode of treatment inconsistent with the resident's religious belief.

Part 27. MEDICAID CERTIFICATION STANDARDS

27.1 For the purpose of fulfilling its facility certification responsibilities as the State Survey Agency pursuant to the requirements of Title XIX (Medicaid) of the Social Security Act (42 U.S.C. Section 1396(a), et seq.) and the Colorado Medical Assistance Act, Section 25.5-4-104, et seq. , C.R.S., the Department shall apply and enforce the Skilled Nursing Facility and Intermediate Care Facility certification standards of the U.S. Department of Health and Human Services as those standards presently exist pursuant to Title XIX. (These standards are presently contained in Title 42 of the Code of Federal Regulations (C.F.R.)).

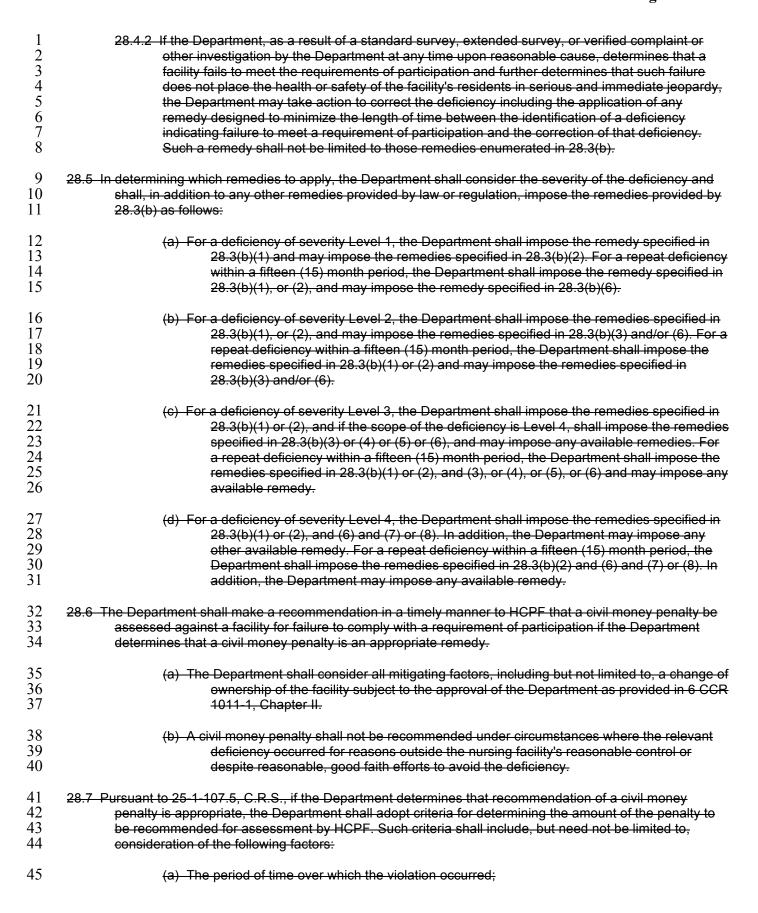

Part 28. ENFORCEMENT REMEDIES

- 28.1 Sections 25-2-107.5 and 25.5-6-205, C.R.S. provide the authority for the Department to recommend to the Department of Health Care Policy and Financing that a civil money penalty imposed against a nursing facility that violates federal regulations for participation in the Medicaid program as enumerated in 42 USC 1396r(h) (2006).
- 28.2 Collection, enforcement, and assessment of a civil money penalty pursuant to this chapter and the denial of Medicaid payments, shall be the responsibility of the Department of the Health Care Policy and Financing and shall be made upon recommendation of the Department of Public Health and Environment pursuant to section 25.5-6-205, C.R.S.
- 41 28.3 Definitions. For purposes of this part, the following definitions shall apply:

2	(a) "Deticiency" or "violation" means any failure to comply with a requirement of participation for which the facility is required to take some form of corrective action.
3 4 5 6 7 8	(b) "Enforcement remedy or remedies" means any remedy or combination of remedies, in accordance with 42 USC 1396r(h) and sections 25-1-107.5 and 25.5-6-205, C.R.S., which may be imposed by the Department or recommended by the Department for imposition by the Department of Health Care Policy and Financing against any nursing facility which fails to meet any one of the enumerated requirements for participation in the Medicaid program. Remedies include, but are not limited to:
9	(1) a plan of correction,
10	(2) a directed plan of correction,
11	(3) monitoring of a facility by the state survey agency,
12	(4) full or partial bans on admissions,
13 14 15	(5) denial of payment under the state Medicaid plan with respect to any individual admitted to the nursing facility involved after such notice to the public and the facility as may be provided for by law,
16	(6) civil money penalties,
17	(7) temporary management,
18	(8) termination of the facility's participation under the state plan, and
19	(9) receivership as provided by section 25-3-108, C.R.S.
20	(c) "HCPF" means the Colorado Department of Health Care Policy and Financing.
21 22	(d) "Nursing facility" means any skilled or intermediate nursing care facility which receives federal and state funds under the Title XIX of the federal Social Security Act.
23 24	(e) "Nursing Home Penalty Cash Fund" means the fund created pursuant to section 25.5-6-205, C.R.S.
25 26 27	(f) "Plan of correction" means a written plan prepared by the facility and approved by the department that describes the actions the facility will take to correct noted deficiencies and specifically sets the date the corrective action will be accomplished.
28 29 30 31	(g) "Requirements of participation" means those requirements of participation in the medicaid program as enumerated in 42 USC 1396r (h) of the federal Omnibus Budget Reconciliation Act of 1987, 1989, and 1990, regulations promulgated pursuant to those acts, and section 25-1-107.5, C.R.S.
32	(h) "Secretary" means the secretary of the federal department of Health and Human Services.
33 34	(i) "Scope" means the frequency of the occurrence of the deficiency in one of the following levels:
35	(1) Level 1. The deficiency exists in only one or a limited number of cases.

Page 57 of 123

1 (2) Level 2. The deficiency exists in more than a limited number of cases, but no 2 pattern can be identified. 3 (3) Level 3. The deficiency exists in more than a limited number of cases and indicates 4 a pattern. 5 (4) Level 4. The deficiency occurs in sufficient number among residents or staff or with 6 sufficient regularity that it can be considered systemic/pervasive. 7 (i) "Severity" means the seriousness of the deficiency in one of the following levels: 8 (1) Level 1. Any deficiency not meeting the criteria for Levels 2, 3, or 4. 9 (2) Level 2. Any deficiency which may result in a negative outcome to the resident or 10 residents. 11 (3) Level 3. Any deficiency which has resulted in a negative outcome to the resident or 12 residents. 13 (4) Level 4. Any deficiency which has a high probability that serious harm or serious 14 injury to residents could occur at any time, or already has occurred and may 15 well occur again if residents are not protected effectively from the harm, or the 16 threat is not removed. 17 (k) "Temporary management" means the temporary utilization of a substitute manager 18 pursuant to either an agreement between the licensee and the department or pursuant 19 to section 25-3-108, et seg., C.R.S. 20 (I) "Negative outcome" means that the impact of the facility's deficient practice on the resident 2.1 or residents is: 22 (1) The physical, mental or psychosocial deterioration of the resident or residents, or 23 (2) The ability of the resident or residents to achieve the highest practicable physical, 24 mental, or psychosocial well-being has been compromised. 25 (m) "Repeat deficiency" means a subsequent deficiency with comparable circumstances or the 26 same tag number, unless the department determines that the circumstances of the 27 previous deficiency are so dissimilar that it would not be proper to consider the 28 deficiency to be a repeat. 29 28.4 If the Department, as a result of a standard survey, extended survey, or verified complaint or other 30 investigation by the Department at any time upon reasonable cause, determines that a facility fails to 31 meet the requirements of participation as defined herein and further determines that such failure places 32 the health or safety of the facility's residents in serious and immediate jeopardy, the Department shall 33 take immediate action to remove such jeopardy and correct the deficiency, by either: 34 (a) temporary management, or 35 (b) termination of the facility's participation in the state plan. 36 28.4.1 In addition to the action taken pursuant to 28.4, the Department may apply any other remedy as provided by law or regulation.

Page 59 of 123

1	(b) The frequency of the violation;
2 3	(c) The nursing facility's history concerning the type of violation for which the penalty is assessed;
4	(d) The nursing facility's intent or reason for the violation;
5 6	(e) The effect, if any, of the violation on residents' health, safety, security, or welfare; i.e., severity;
7 8	(f) The existence of other violations, in combination with the violation for which the penalty is assessed, which increase the threat to residents' health, safety, security, or welfare;
9 10	(g) The accuracy, thoroughness and availability of records regarding the violation which the nursing facility is required to maintain; and
11 12	(h) The number of additional related violations occurring within the same time span as the violation in question.
13 14 15	28.7.1 In determining the amount of a civil money penalty, multiple violations of different requirements of participation resulting from a single act shall be considered as one violation. However, this shall not preclude their consideration under 28.7(f) or (h) above.
16 17 18 19	28.7.2 Any civil money penalty which is recommended to HCPF for imposition by that Department shall be not less than \$100 nor more than \$10,000 for each day the facility is found to have been in violation of the federal regulations. Penalties assessed shall include interest at the statutory rate.
20 21 22 23 24 25 26	28.7.3 Any such civil money penalty shall accrue from the date the facility receives written notice from the Department regarding its recommendation of a civil money penalty. In the event the Department determines that a violation is life threatening to one or more residents or creates a direct threat or serious adverse harm to the health, safety, security, rights or welfare of one or more residents, a penalty shall be imposed for each day the deficiencies which constitute the violation are found to exist. The period of time during which the civil money penalty accrues shall be as follows:
27	(a) No longer than six (6) months in the case of non-serious or non-immediate threat.
28 29	(b) Until the Department verifies the deficiency is corrected or the facility notifies the Department that the deficiency is corrected, whichever is earlier.
30 31 32 33	(1) If the facility acts in a timely and diligent manner to correct the violation in accordance with a plan of correction as agreed to by the Department, the Department shall recommend to HCPF that the penalty be suspended or reduced for the period of the plan of correction.
34 35 36	(2) In the event the facility has not corrected the violation, pursuant to the notice provided by the facility, the penalty shall be reinstated at an increased amount retroactive to the date the penalty was tolled.
37 38 39 40	(3) For the purposes of this provision, the plan of correction must contain a reasonable and appropriate plan of action and timetable to completely correct the deficiency. This provision (plan of correction) shall not apply in cases of repeat deficiencies or those with a severity level of 4.

Page 60 of 123

1 28.8 The Department shall notify the facility, by personal service, first class mail, or electronic transmission 2 3 4 ("fax"), of its recommendation of the imposition of a civil money penalty and the amount of any such penalty not later than the fifth day following the last day of the inspection or survey on which the deficiencies which constitute the violation were found. The notice shall explain the deficiencies that are 5 6 the basis for the recommendation and shall provide instructions for responding to the notice, including that the facility submit a written plan of correction. 7 8 28.8.1 After notice pursuant to 28.8 above, a facility may notify the Department of the correction of the 9 deficiency for which the civil money penalty is being recommended. Such initial notice to the 10 Department may be given by telephone, electronic transmission ("fax"), or in person, but shall 11 be documented by a writing postmarked within five (5) business days of the initial notification to 12 the Department. 13 28.8.2 It shall be the responsibility of HCPF pursuant to section 25.5 6-205, C.R.S., to provide for an 14 appeal process for any facility which has a civil money penalty assessed against it for failure to 15 meet a requirement of participation. 16 28.9 If a facility fails to correct a deficiency or deficiencies within three (3) months after the date the facility is 17 found by HCPF to be out of compliance with a requirement of participation pursuant to 25-1-107.5, 18 C.R.S., the Department shall recommend to HCPF denial of payment under the state plan with respect 19 to any individual admitted to the facility. involved after such notice to the public and the facility as is 20 provided for by the state. 21 28.10 If a facility has provided a substandard quality of care to the residents as evidenced by three consecutive 22 23 standard surveys, the Department shall take the actionS set forth in (a) and (b) below and may take any such additional action allowed by statute or regulation, including recommending that a civil money 24 penalty be imposed by HCPF. 25 (a) Recommend to HCPF that payment be denied under the state plan with regard to any 26 individual admitted to the facility involved after such notice to the public and to the $\overline{27}$ facility as may be provided for by the state; and 28 (b) Monitor the facility until such time as it has demonstrated to the satisfaction of the 29 Department that it is in compliance with the requirements and that it has the 30 management capacity to remain in compliance. 31 28.11 Nothing in this Part shall preclude the Department from recommending alternative remedies as provided 32 by law so long as such remedy or remedies are deemed to be at least as effective in correcting the 33 violation and deterring future violations as those remedies enumerated in the federal Omnibus Budget 34 Reconciliation Act of 1987, 1989, and 1990, 42 USC 1396r(h). 35 28.11.1 Nothing in this Part shall be construed as limiting, negating, or superseding any other remedy 36 37 available for use by the Department to correct a deficiency or deficiencies. In recommending or selecting a particular remedy, the primary consideration shall be the selection of the remedy or 38 remedies most likely to achieve correction of the relevant deficiency and long term compliance. 39 28.12 The Department shall, in conjunction with HCPF, establish circumstances under which the funds of the 40 Nursing Home Penalty Cash Fund may be disbursed in order to protect the health or property of 41 residents. Those circumstances shall include, but not be limited to, the following: 42 (a) relocating residents to other facilities if necessary; 43 (b) maintaining the operation of a facility pending completion of a plan of correction or directed 44 plan of correction;

Page 59 of 123

1	(c) maintaining the operation of a facility pending closure; and
2	(d) reimbursing residents for personal funds lost.
3 4	28.12.1 Neither the Department nor HCPF may use money from the Nursing Home Penalty Cash Fund to pay the costs of administration of those departments.
5 6 7	28.12.2 At the end of the fiscal year, all unexpended and unencumbered moneys remaining in the Nursing Home Penalty Cash Fund must remain in the fund and may not be transferred or credited to the general fund.
8	Part 29. LICENSING FEES
9 10	29.1 All license fees are non-refundable. The total fee shall be submitted with the appropriate license application.
11	29.2 Initial license \$6,000 per facility.
12	29.3 Renewal license - Effective April1, 2011, the annual renewal fee shall be as follows.
13	Medicare and/or Medicaid certified facility: \$1,600 base fee plus \$8 per bed.
14	Non-certified facility: \$3,480 base fee plus \$8 per bed.
15 16	29.4 Change of ownership - Change of ownership shall be determined in accordance with the criteria set forth in 6 CCR 1011-1, Chapter II, Part 2. The fee shall be \$6,000 per facility.
17 18 19	29.5 Opening a secure unit - A facility that wishes to open a secure unit shall submit a fee of \$1,600 in addition to any other applicable license fees.

21

22

23

24

27

28 AT-RISK ELDER MEANS A PERSON AGE 70 AND OLDER.

DENVER, COLORADO 80246-1530

PHONE: 303-692-2800

- 29 DEPARTMENT MEANS THE COLORADO DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT.
- 30 DESIGNATED FACILITY MEANS AN AGENCY THAT HAS APPLIED AND BEEN APPROVED BY THE DEPARTMENT OF HUMAN
- 31 SERVICES TO PROVIDE MENTAL HEALTH SERVICES.
- 32 ENFORCEMENT ACTIVITY MEANS THE IMPOSITION OF REMEDIES SUCH AS CIVIL MONEY PENALTIES; APPOINTMENT OF A
- 33 RECEIVER OR TEMPORARY MANAGER; CONDITIONAL LICENSURE; SUSPENSION OR REVOCATION OF A LICENSE; A DIRECTED

CERTIFIED COPIES OF MATERIAL WILL BE PROVIDED BY THE DIVISION, AT COST, UPON REQUEST. ADDITIONALLY,

ANY MATERIAL THAT HAS BEEN INCORPORATED BY REFERENCE MAY BE EXAMINED IN ANY STATE PUBLICATIONS

- PLAN OF CORRECTION; INTERMEDIATE RESTRICTIONS OR CONDITIONS, INCLUDING RETAINING A CONSULTANT,
- 35 DEPARTMENT MONITORING OR PROVIDING ADDITIONAL TRAINING TO EMPLOYEES, OWNERS OR OPERATORS; OR ANY
- 36 other remedy provided by state or federal law or as authorized by federal survey, certification, and
- 37 ENFORCEMENT REGULATIONS AND AGREEMENTS FOR VIOLATIONS OF FEDERAL OR STATE LAW.
- 38 GOVERNING BODY MEANS THE INDIVIDUAL, GROUP OF INDIVIDUALS OR CORPORATE ENTITY THAT HAS ULTIMATE
- 39 AUTHORITY AND LEGAL RESPONSIBILITY FOR THE OPERATION OF THE FACILITY.

- 1 MEDICAL DIRECTOR MEANS A PHYSICIAN WHO OVERSEES THE MEDICAL CARE AND OTHER DESIGNATED CARE AND
- 2 SERVICES IN THE FACILITY.
- 3 Non-Physician Practitioner means a physician assistant or advance practice nurse (i.e., nurse
- 4 PRACTITIONER OR CLINICAL NURSE SPECIALIST).
- 5 Nursing Care Facility means a licensed health care entity that is planned, organized, operated and
- 6 MAINTAINED TO PROVIDE SUPPORTIVE, RESTORATIVE AND PREVENTATIVE SERVICES TO PERSONS WHO, DUE TO PHYSICAL
- 7 AND/OR MENTAL DISABILITY, REQUIRE CONTINUOUS OR REGULAR INPATIENT NURSING CARE.
- 8 PLACEMENT FACILITY MEANS A PUBLIC OR PRIVATE NURSING CARE FACILITY THAT HAS A WRITTEN AGREEMENT WITH A
- 9 DESIGNATED FACILITY TO PROVIDE CARE AND TREATMENT TO ANY INDIVIDUAL UNDERGOING MENTAL HEALTH EVALUATION
- 10 OR TREATMENT BY THE DESIGNATED FACILITY.
- PRACTITIONER MEANS PHYSICIAN AND NON-PHYSICIAN PRACTITIONER.
- 12 RESIDENT REPRESENTATIVE MEANS AN INDIVIDUAL OF THE RESIDENT'S CHOICE WHO HAS ACCESS TO INFORMATION AND
- 13 PARTICIPATES IN HEALTH CARE DISCUSSIONS OR A PERSONAL REPRESENTATIVE WITH LEGAL STANDING INCLUDING, BUT
- 14 NOT LIMITED TO, POWER OF ATTORNEY; MEDICAL POWER OF ATTORNEY; LEGAL GUARDIAN OR HEALTH CARE SURROGATE
- 15 APPOINTED OR DESIGNATED IN ACCORDANCE WITH STATE LAW.
- 16 Skilled Nursing Care Facility means a nursing care facility that is federally certified by the Centers for
- 17 MEDICARE AND MEDICAID SERVICES.
- 18 TELEHEALTH MEANS A MODE OF DELIVERY OF HEALTH CARE SERVICES THROUGH TELECOMMUNICATION SYSTEMS,
- 19 INCLUDING INFORMATION, ELECTRONIC, AND COMMUNICATION TECHNOLOGIES, TO FACILITATE THE ASSESSMENT,
- 20 DIAGNOSIS, CONSULTATION, TREATMENT, EDUCATION AND CARE MANAGEMENT OF A RESIDENT'S HEALTH CARE WHEN THE
- 21 RESIDENT AND PRACTITIONER ARE LOCATED AT DIFFERENT SITES. TELEHEALTH INCLUDES "TELEMEDICINE" AS DEFINED IN
- 22 SECTION 12-36-102.5, C.R.S.

23 SECTION 3 - GOVERNING BODY

- 24 3.1 DUTIES
- 25 A) THE GOVERNING BODY SHALL PROVIDE THE NECESSARY FACILITIES, QUALIFIED PERSONNEL, AND SERVICES TO MEET THE TOTAL NEEDS OF THE FACILITY'S RESIDENTS.
- 27 B) THE GOVERNING BODY SHALL APPOINT FOR THE FACILITY A FULL-TIME ADMINISTRATOR WITH AN ACTIVE COLORADO NURSING HOME ADMINISTRATOR LICENSE AND DELEGATE TO THAT ADMINISTRATOR THE EXECUTIVE AUTHORITY AND FULL RESPONSIBILITY FOR DAY-TO-DAY ADMINISTRATION OF THE FACILITY.
- The governing body shall be responsible for the performance of all persons providing services within the facility.
- 32 3.2 STRUCTURE
- IF THE GOVERNING BODY INCLUDES MORE THAN ONE INDIVIDUAL, THE GROUP SHALL BE FORMALLY ORGANIZED WITH A WRITTEN CONSTITUTION OR ARTICLES OF INCORPORATION AND BY-LAWS; HOLD REGULAR, PERIODIC
- 35 MEETINGS; AND MAINTAIN MEETING RECORDS.
- 36 3.3 QUALITY ASSURANCE
- 37 THE GOVERNING BODY SHALL ENSURE THAT THE FACILITY HAS A QUALITY MANAGEMENT PROGRAM THAT
- 38 EVALUATES THE QUALITY OF RESIDENT CARE AND SAFETY AND MEETS ALL THE REQUIREMENTS SET FORTH IN 6

1 CCR 1011-2, Chapter 2, General Licensure Standards, Part 3.1. The facility shall have a 2 COMMITTEE THAT MEETS MONTHLY TO ADDRESS THE REQUIRED QUALITY MANAGEMENT ACTIVITIES. 3 **SECTION 4 - FACILITY ADMINISTRATION** 4 4.1 **ADMINISTRATOR** 5 THE FACILITY SHALL EMPLOY AN ADMINISTRATOR WHO IS RESPONSIBLE TO THE GOVERNING BODY FOR 6 PLANNING, ORGANIZING, DEVELOPING AND CONTROLLING THE OPERATIONS OF THE FACILITY. 7 A) THE ADMINISTRATOR SHALL HAVE AN ACTIVE COLORADO NURSING HOME ADMINISTRATOR LICENSE. 8 B) THE ADMINISTRATOR SHALL BE RESPONSIBLE FOR, AT A MINIMUM, THE FOLLOWING DUTIES: 9 1) ACTING AS A LIAISON AMONG THE GOVERNING BODY, MEDICAL STAFF AND PRACTITIONERS 10 WHOSE PATIENTS RESIDE IN THE FACILITY; 11 2) MANAGING FACILITY PERSONNEL AND FINANCES; 12 3) PROVIDING FOR APPROPRIATE RESIDENT CARE; 13 4) MAINTAINING RELATIONSHIPS WITH THE COMMUNITY AND WITH OTHER HEALTH CARE 14 FACILITIES, ORGANIZATIONS AND SERVICES; 15 5) ENSURING FACILITY AND STAFF COMPLIANCE WITH ALL REGULATIONS; AND 16 6) ANY OTHER RESPONSIBILITIES REQUIRED BY FACILITY POLICY OR THE GOVERNING BODY. 17 4.2 **ORGANIZATION** 18 THE FACILITY SHALL HAVE A WRITTEN PLAN OF ORGANIZATION CLEARLY DEFINING THE AUTHORITY, 19 RESPONSIBILITIES AND FUNCTIONS OF EACH CATEGORY OF PERSONNEL. 20 4.3 **POLICIES** 21 IN CONSULTATION WITH THE MEDICAL DIRECTOR, ONE OR MORE REGISTERED NURSES AND OTHER RELATED 22 23 24 25 HEALTH CARE PROFESSIONALS, THE ADMINISTRATOR SHALL DEVELOP AND AT LEAST ANNUALLY REVIEW WRITTEN RESIDENT CARE POLICIES AND PROCEDURES THAT GOVERN RESIDENT CARE IN THE FOLLOWING AREAS: NURSING; HOUSEKEEPING; MAINTENANCE; SANITATION; INFECTION CONTROL; MEDICAL, DENTAL, DIETARY, DIAGNOSTIC, EMERGENCY AND PHARMACEUTICAL CARE; SOCIAL SERVICES; ACTIVITIES; REHABILITATION; 26 PHYSICAL, OCCUPATIONAL, AND SPEECH THERAPY; RESIDENT ADMISSION, TRANSFER, AND DISCHARGE; 27 NOTIFYING PRACTITIONER AND RESIDENT REPRESENTATIVE OF RESIDENT'S INCIDENTS, ACCIDENTS AND 28 CHANGES OF STATUS; DISASTERS; AND HEALTH INFORMATION RECORDS; ALONG WITH ANY OTHER POLICIES THE 29 DEPARTMENT DETERMINES THE FACILITY NEEDS BASED ON ITS CHARACTERISTICS OF ITS RESIDENT POPULATION. 30 4.4 **FACILITY STAFFING PLAN** 31 THE FACILITY SHALL HAVE A MASTER STAFFING PLAN FOR PROVIDING STAFFING IN COMPLIANCE WITH THESE REGULATIONS; DISTRIBUTION OF PERSONNEL; REPLACEMENT OF PERSONNEL AND FORECASTING FUTURE 33 PERSONNEL NEEDS. 34 POSTING DEFICIENCIES 4.5

1 THE FACILITY SHALL POST CONSPICUOUSLY IN PUBLIC VIEW EITHER THE STATEMENT OF DEFICIENCIES 2 FOLLOWING ITS MOST RECENT SURVEY OR A NOTICE STATING THE LOCATION AND TIMES AT WHICH THE 3 STATEMENT CAN BE REVIEWED. 4 **WAIVERS** 4.6 5 A FACILITY MAY REQUEST WAIVERS TO THESE REGULATIONS PURSUANT TO 6 CCR 1011-1, CHAPTER 2. 6 GENERAL LICENSURE STANDARDS, PART 4, WAIVER OF REGULATIONS FOR HEALTH CARE ENTITIES. 7 4.7 MANDATORY REPORTING 8 9 A) FACILITY PERSONNEL ENGAGED IN THE ADMISSION, CARE OR TREATMENT OF AT-RISK ELDERS SHALL 10 REPORT SUSPECTED PHYSICAL OR SEXUAL ABUSE, EXPLOITATION AND CARETAKER NEGLECT TO LAW 11 ENFORCEMENT WITHIN 24 HOURS OF OBSERVATION OR DISCOVERY PURSUANT TO SECTION 18-6.5-12 108. C.R.S. 13 B) FACILITIES SHALL COMPLY WITH ALL OCCURRENCE AND MANDATORY REPORTING REQUIRED BY STATE 14 AND FEDERAL LAW INCLUDING, BUT NOT LIMITED TO, NOTIFYING THE DEPARTMENT OF THE FOLLOWING 15 ITEMS WITHIN 24 HOURS OF DISCOVERY BY THE FACILITY. 16 1) ANY OCCURRENCE INVOLVING NEGLECT OF A RESIDENT BY FAILURE TO PROVIDE GOODS AND 17 SERVICES NECESSARY TO AVOID THE RESIDENT'S PHYSICAL HARM OR MENTAL ANGUISH; 18 2) ANY OCCURRENCE INVOLVING ABUSE OF A RESIDENT BY THE WILLFUL INFLICTION OF INJURY, 19 UNREASONABLE CONFINEMENT, INTIMIDATION OR PUNISHMENT WITH RESULTING PHYSICAL 20 HARM, PAIN OR MENTAL ANGUISH; 21 3) ANY OCCURRENCE INVOLVING AN INJURY OF UNKNOWN SOURCE WHERE THE SOURCE OF THE 22 INJURY COULD NOT BE EXPLAINED AND THE INJURY IS SUSPICIOUS BECAUSE OF THE EXTENT OR 23 LOCATION OF THE INJURY: AND 4) ANY OCCURRENCE INVOLVING MISAPPROPRIATION OF A RESIDENT'S PROPERTY INCLUDING THE 25 DELIBERATE MISPLACEMENT. EXPLOITATION OR WRONGFUL USE OF A RESIDENT'S BELONGINGS 26 OR MONEY WITHOUT THE RESIDENT'S CONSENT. 27 **SECTION 5 - ADMISSIONS** 28 **RESTRICTIONS** 5.1 29 THE FACILITY SHALL ADMIT ONLY THOSE PERSONS WHOSE NEEDS IT CAN MEET WITHIN THE ACCOMMODATIONS 30 AND SERVICES IT PROVIDES. 31 A) NO RESIDENT SHALL BE ADMITTED FOR INPATIENT CARE TO ANY ROOM OR AREA OTHER THAN ONE 32 REGULARLY DESIGNATED AND EQUIPPED AS A RESIDENT BEDROOM. 33 B) THERE SHALL BE NO MORE THAN FOUR RESIDENTS ADMITTED TO A BEDROOM. 34 BED HOLD POLICIES 5.2 35 THE FACILITY SHALL DEVELOP POLICIES FOR HOLDING BEDS AVAILABLE FOR RESIDENTS WHO ARE TEMPORARILY 36 ABSENT FROM THE FACILITY, PROVIDE A COPY OF THE POLICY UPON ADMISSION AND EXPLAIN THESE POLICIES TO 37 RESIDENTS UPON ADMISSION AND BEFORE EACH TEMPORARY ABSENCE. 38 RESIDENT IDENTIFICATION 5.3

1 THE FACILITY SHALL HAVE A MECHANISM FOR IDENTIFICATION OF RESIDENTS. 2 **SECTION 6 - PERSONNEL** 3 6.1 **POLICIES** 4 THE FACILITY SHALL MAINTAIN WRITTEN APPROVED PERSONNEL POLICIES, JOB DESCRIPTIONS AND RULES 5 PRESCRIBING THE CONDITIONS OF EMPLOYMENT, MANAGEMENT OF EMPLOYEES AND QUALITY AND QUANTITY OF 6 RESIDENT CARE TO BE PROVIDED. 7 A) THE FACILITY SHALL COMPLETE A JOB-SPECIFIC ORIENTATION FOR ALL NEW EMPLOYEES WITHIN 90. 8 DAYS OF EMPLOYMENT. 9 B) ALL PERSONNEL SHALL BE INFORMED OF THE PURPOSE AND OBJECTIVES OF THE FACILITY. 10 C) ALL PERSONNEL SHALL BE PROVIDED ACCESS TO THE FACILITY'S PERSONNEL POLICIES AND THE 11 FACILITY SHALL PROVIDE EVIDENCE THAT EACH EMPLOYEE HAS REVIEWED THEM. 12 6.2 **DEPARTMENTS** 13 EACH DEPARTMENT OF THE FACILITY SHALL BE UNDER THE DIRECTION OF A PERSON QUALIFIED BY TRAINING. 14 EXPERIENCE, AND ABILITY TO DIRECT EFFECTIVE SERVICES. 15 A) THE FACILITY SHALL PROVIDE A SUFFICIENT NUMBER OF QUALIFIED PERSONNEL IN EACH DEPARTMENT 16 TO EFFECTIVELY OPERATE THE DEPARTMENT AND COMPLY WITH STATE AND FEDERAL REQUIREMENTS. 17 B) ALL PERSONS ASSIGNED TO DIRECT RESIDENT CARE SHALL BE PREPARED THROUGH FORMAL 18 EDUCATION OR ON-THE-JOB TRAINING IN THE PRINCIPLES. POLICIES, PROCEDURES, AND APPROPRIATE 19 TECHNIQUES OF RESIDENT CARE. THE FACILITY SHALL PROVIDE EDUCATIONAL PROGRAMS FOR 20 EMPLOYEES TO BE INFORMED OF NEW METHODS AND TECHNIQUES. 21 6.3 STAFF DEVELOPMENT 22 THE NURSING CARE FACILITY SHALL EMPLOY STAFF WHO SHALL BE RESPONSIBLE FOR COORDINATING 23 ORIENTATION, IN-SERVICE, ON-THE-JOB TRAINING AND CONTINUING EDUCATION PROGRAMS, AND FOR 24 DETERMINING THAT FACILITY PERSONNEL HAVE BEEN PROPERLY TRAINED AND ARE IMPLEMENTING THE RESULTS 25 OF THEIR TRAINING. THE OBJECTIVE OF THIS STANDARD IS THAT STAFF BE APPROPRIATELY TRAINED IN 26 NECESSARY ASPECTS OF RESIDENT CARE TO CARRY OUT THEIR JOB RESPONSIBILITIES. A) THE IDENTIFIED STAFF SHALL HAVE EXPERIENCE IN AND ABILITY TO PREPARE AND COORDINATE IN-SERVICE EDUCATION AND TRAINING PROGRAMS FOR ADULT LEARNERS IN THE AREA OF GERIATRICS. 29 THE FACILITY SHALL IDENTIFY STAFF TO MEET IN-SERVICE, ORIENTATION, TRAINING AND SUPERVISION B) 30 NEEDS. THE FACILITY SHALL PROVIDE FOR APPROPRIATE FOLLOW-UP. 31 THE FACILITY SHALL PROVIDE ANNUAL IN-SERVICE EDUCATION FOR STAFF IN, AT A MINIMUM, THE C) 32 FOLLOWING TOPICS: 33 1) INFECTION CONTROL, 34 2) FIRE PREVENTION AND SAFETY,

35

32	7.2	QUALI	TY OF L	.IFE				
33 34				LL BE PROVIDED A SAFE, SUPPORTIVE, COMFORTABLE, HOMELIKE ENVIRONMENT; FREEDOM AND NT TO EXERCISE CHOICE OVER THEIR SURROUNDINGS, SCHEDULES, HEALTH CARE AND LIFE				

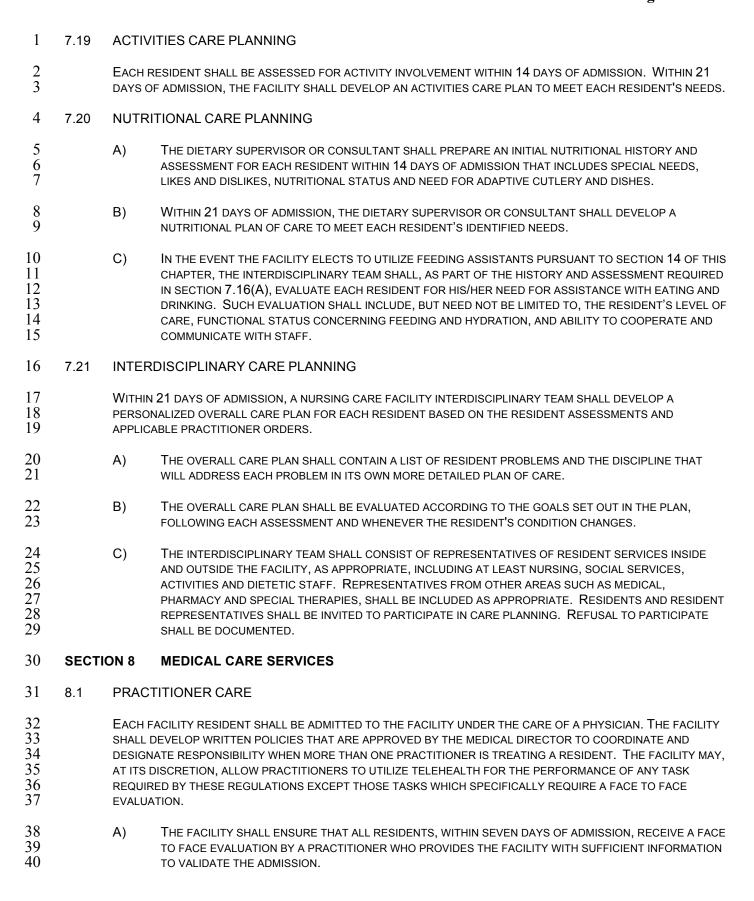

1 ACTIVITIES; THE OPPORTUNITY TO BE INVOLVED WITH THE MEMBERS OF THEIR COMMUNITY INSIDE AND OUTSIDE 2 THE NURSING CARE FACILITY; AND TREATMENT WITH DIGNITY AND RESPECT. 3 7.3 PRESSURE ULCER PREVENTION AND CARE 4 A) UPON ADMISSION, THE FACILITY SHALL: 5 1) ASSESS THE POTENTIAL FOR SKIN BREAKDOWN DURING THE INITIAL RESIDENT ASSESSMENT, 6 AND 7 2) PROVIDE MEASURES TO PREVENT PRESSURE ULCERS TO RESIDENTS IDENTIFIED AS BEING AT 8 RISK OF DEVELOPING THEM (I.E., A RESIDENT EXHIBITING THREE OR MORE OF THE FOLLOWING 9 SYMPTOMS: UNDERWEIGHT, INCONTINENCE, DEHYDRATION, DISORIENTATION OR 10 UNCONSCIOUSNESS, OR LIMITED MOBILITY). 11 B) FOR ALL RESIDENTS WHO ARE ADMITTED WITH OR DEVELOP PRESSURE ULCERS, THE FACILITY SHALL: 12 1) DEVELOP AN INDIVIDUALIZED TREATMENT PLAN AS PART OF THE REQUISITE CARE PLAN THAT IS 13 DESIGNED TO ALLEVIATE THE CONDITION: 14 2) PROVIDE ACTIVE TREATMENT TO IMPROVE THE CONDITION IN ACCORDANCE WITH THE 15 TREATMENT PLAN: 16 3) EVALUATE THE RESIDENT'S PROGRESS AND TREATMENT AT LEAST WEEKLY AND REVISE THE 17 TREATMENT PLAN AS NEEDED; AND 18 PROVIDE PROPER NUTRITION AND HYDRATION TO PROMOTE HEALING AND PREVENT FURTHER 4) 19 BREAKDOWN. 20 7.4 ACCIDENT PREVENTION AND ATTENTION 21 THE FACILITY SHALL: 22 A) INVESTIGATE ALL CAUSES OF ACCIDENTS; 23 B) MONITOR THE RESIDENT'S RESPONSE TO THE ACCIDENT AND OBTAIN PRACTITIONER'S OR MENTAL 24 HEALTH EVALUATION, IF NEEDED; 25 C) IDENTIFY ALL RESIDENTS AT HIGH RISK FOR ACCIDENTS AND DEVELOP AN INDIVIDUALIZED CARE PLAN 26 FOR THEM TO PREVENT FUTURE ACCIDENTS; AND 27 D) EVALUATE AND REVISE THE PLAN AS NEEDED. 28 7.5 BEHAVIORAL HEALTH CARE 29 A) FOR RESIDENTS WITH BEHAVIORAL HEALTH ISSUES, THE FACILITY SHALL: 30 1) NOTE THE BEHAVIORAL ISSUE AND EVALUATE IT IN THE RESIDENT'S ASSESSMENT; 31 2) DEVELOP AND IMPLEMENT AN INDIVIDUALIZED TREATMENT PLAN DESIGNED TO ADDRESS THE 32 BEHAVIORAL HEALTH ISSUE; 33 3) OBTAIN A MENTAL HEALTH EVALUATION IN APPROPRIATE CASES; AND

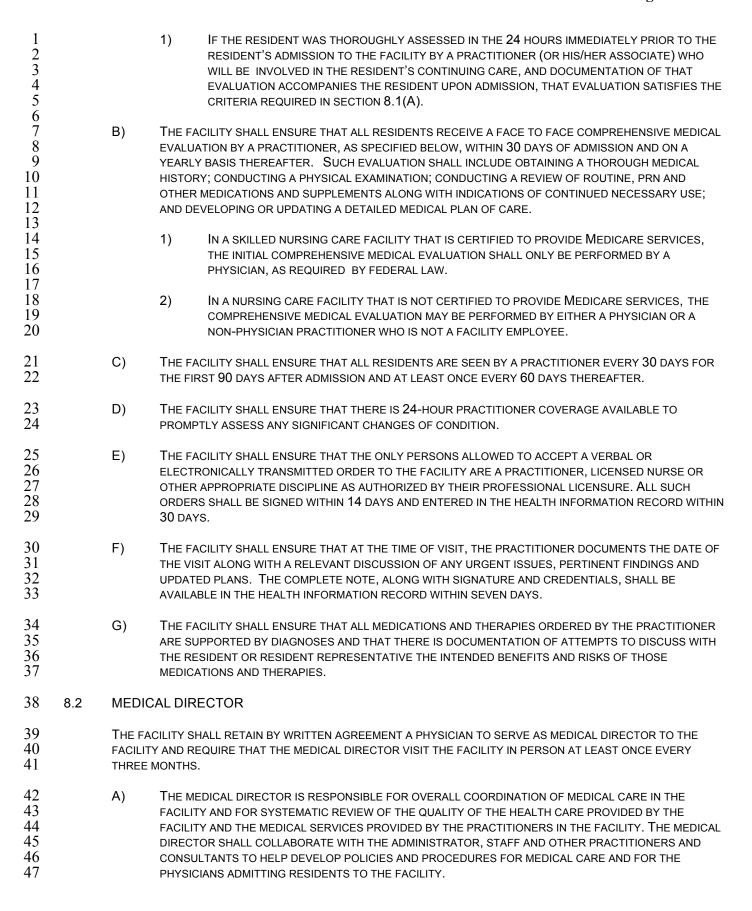

1 2			4)		ATE THE RESIDENT'S PROGRESS AND REVISE THE PLAN, BOTH AS NEEDED AND EVER THERE IS A CHANGE IN THE RESIDENT'S BEHAVIORAL CONDITION.
3 4 5		B)	THE HE	ALTH INF	RECEIVING MEDICATION FOR BEHAVIOR MODIFICATION, THE FACILITY SHALL INDICATE IN CORMATION RECORD POSITIVE AND/OR NEGATIVE EFFECTS OF THE MEDICATION AND TIVES TO THE MEDICATION WERE CONSIDERED.
6	7.6	CONT	RACTU	RE CAR	E
7		A)	Upon .	ADMISSIC	ON, THE FACILITY SHALL:
8			1)	Asses	S THE POTENTIAL FOR CONTRACTURE DURING THE INITIAL RESIDENT ASSESSMENT, AND
9 10 11			2)		OP, IMPLEMENT AND PERIODICALLY EVALUATE AN INDIVIDUALIZED TREATMENT PLAN TO NT CONTRACTURES FOR RESIDENTS IDENTIFIED AS BEING AT RISK OF DEVELOPING
12				a)	SUCH PLANS SHALL BE REVIEWED AND REVISED AS NEEDED AND ANNUALLY.
13		B)	For R	ESIDENTS	S WHO ARE ADMITTED WITH CONTRACTURES, THE FACILITY SHALL:
14 15			1)		MENT THE CONTRACTURE, EVALUATE IT AND UNDERTAKE RESTORATIVE NURSING PENTION, IF APPROPRIATE.
16		C)	For R	ESIDENTS	S WHO DEVELOP CONTRACTURES DURING THEIR RESIDENCY, THE FACILITY SHALL:
17 18			1)		MENT THAT APPROPRIATE INTERVENTION WAS PERFORMED TO TREAT THE CONDITION E THE CONTRACTURE DEVELOPED.
19 20 21				a)	IF THE RESIDENT REFUSED TREATMENT OR PREVENTIVE MEASURES, THE FACILITY SHALL DOCUMENT THE REFUSAL AND THAT THE CONSEQUENCES OF THE REFUSAL WERE EXPLAINED TO THE RESIDENT.
22	7.7	PROM	IOTION	OF MOE	BILITY
23 24 25		QUART	ERLY ANI	D UPON A	ESS EACH RESIDENT'S AMBULATION POTENTIAL AND CAPABILITY UPON ADMISSION, CHANGE IN CONDITION. EACH RESIDENT'S CARE PLAN SHALL BE DESIGNED TO ND REVISED AS NEEDED.
26 27 28 29		A)	FACILIT RECOM	Y SHALL IMENDAT	REQUIRING ADAPTIVE DEVICES AND/OR PERSONAL ASSISTANCE TO AMBULATE, THE PROVIDE AND MAINTAIN SUCH DEVICES ACCORDING TO THE MANUFACTURER'S IONS. THE FACILITY SHALL ALSO ASSIST RESIDENTS IN OBTAINING APPROPRIATE PROVIDE RESIDENTS WITH ASSISTANCE TO MOVE AND TRANSFER.
30	7.8	INDWI	ELLING	URINAF	RY CATHETER CARE
31		A)	For R	ESIDENTS	S WITH AN INDWELLING URINARY CATHETER, THE FACILITY SHALL:
32			1)	Evalu	ATE APPROPRIATENESS OF CONTINUED USE AT LEAST MONTHLY;
33			2)	Asses	S THE REASON FOR THE INCONTINENCE;
34 35			3)		ATE THE POTENTIAL OF BLADDER RETRAINING AND IMPLEMENT RETRAINING, IF TED, OR DOCUMENT THE REASONS IF RETRAINING WAS NOT INDICATED; AND

1			4)	IMPLE	MENT ANY PRACTITIONER ORDER FOR IRRIGATION OR CATHETER REPLACEMENT.
2 3		B)			S EXHIBITING SIGNS OR SYMPTOMS OF URINARY TRACT INFECTION, THE FACILITY SHALL ACTITIONER, OBTAIN ORDERS FOR TREATMENT AND IMPLEMENT SUCH TREATMENT PLAN.
4	7.9	WEIG	НТ СНА	NGES	
5		For RI	ESIDENTS	S WITH W	EIGHT CHANGES THE FACILITY SHALL:
6		A)	EVALU	ATE THE	RESIDENT TO DETERMINE THE CAUSE OF THE WEIGHT CHANGE;
7 8 9		B)	THAT IN	NCLUDES	MPLEMENT AN INDIVIDUALIZED PLAN OF CARE AS PART OF THE REQUISITE CARE PLAN INTERVENTION BY OTHER DISCIPLINES, IF APPROPRIATE; EVALUATE RESIDENT REVISE THE PLAN AS NEEDED;
10 11		C)	OBSER ISSUES		O AND FLUID INTAKE AND PROVIDE ENCOURAGEMENT TO RESIDENTS WITH EATING
12		D)	Provii	DE REAS	ONABLE CHOICES OF FOODS TO MEET PERSONAL PREFERENCES AND RELIGIOUS NEEDS;
13 14		E)			ITS ARE PROVIDED BETWEEN MEALS AND AT BEDTIME AS PART OF THE CARE PLAN, ENOURISHMENTS PROVIDED AND WHETHER THEY ARE CONSUMED;
15 16		F)			TANCE IN EATING OR ADAPTIVE EATING DEVICES AND ASSIST RESIDENTS IN OBTAINING DENTAL CARE, AS APPROPRIATE TO THE INDIVIDUAL RESIDENT; AND
17 18		G)	FOR RE		S WITH MOUTH OR GUM ISSUES, MEET THE REQUIREMENTS OF SECTION 12 ON DENTAL
19	7.10	GROC	MING		
20 21		A)			HALL ASSIST THE RESIDENT TO OBTAIN APPROPRIATE PERSONAL CARE MATERIALS AND RISONAL CARE IN A MANNER THAT PRESERVES RESIDENT DIGNITY AND PRIVACY.
22 23 24		B)	DEVICE	S, THE F	S WITH INAPPROPRIATE, UNCLEAN, OR POORLY MAINTAINED CLOTHING AND/OR ASSISTIVE ACILITY SHALL ASSIST THE RESIDENTS TO OBTAIN CLOTHING, SHOES AND DEVICES. G, SHOES AND DEVICES SHALL FIT PROPERLY, BE CLEAN AND IN GOOD REPAIR.
25	7.11	EXCO	RIATIO	N PREV	ENTION AND CARE
26 27		A)			ENTS WHO ARE INCONTINENT OR IMMOBILE, HAVE IMPAIRED SENSATION, COMPROMISED R FLUID STATUS, OR INADEQUATE HYGIENE, THE FACILITY SHALL:
28 29			1)		LETE AN INITIAL SKIN EVALUATION UPON ADMISSION AND RE-EVALUATE THE CONDITION EDED, BUT AT LEAST WEEKLY.
30			2)	Provi	DE MEASURES TO PREVENT THE EXCORIATION THAT INCLUDE:
31				a)	MAINTAINING CLEAN, DRY, WELL LUBRICATED SKIN;
32 33				b)	TAKING INCONTINENT RESIDENTS TO THE BATHROOM ON A REGULAR INDIVIDUALIZED SCHEDULE;
34				c)	EVALUATING THE NEED FOR DAILY BATHS; AND

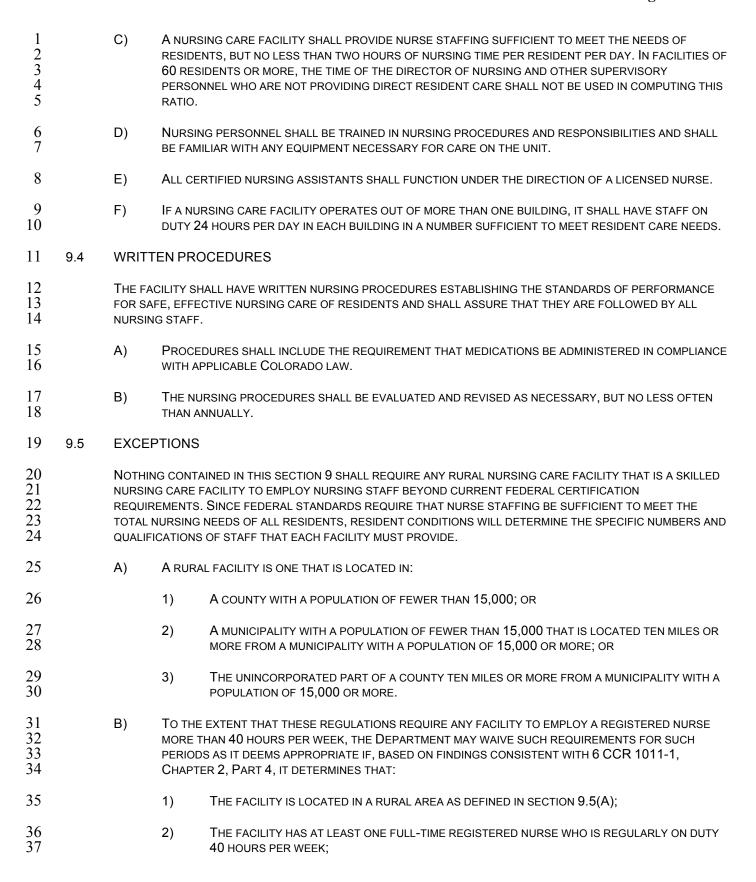

1 2				d)	DETERMINING POTENTIAL TROUBLE SPOTS WHERE MICROBIAL GROWTH MAY OCCUR (BREASTS, GLUTEAL FOLDS, SKIN FOLDS).			
3		B)	For re	SIDENTS	WITH EXCORIATIONS, THE FACILITY SHALL:			
4 5			1)		P AND IMPLEMENT AN INDIVIDUALIZED TREATMENT PLAN AS PART OF THE CARE PLAN EXCORIATION;			
6 7			2)	EVALUA NEEDED	TE THE RESIDENT'S PROGRESS AND REVIEW AND REVISE THE TREATMENT PLAN AS ; AND			
8			3)	ENTER	A PROGRESS NOTE AT LEAST WEEKLY IN THE HEALTH INFORMATION RECORD.			
9	7.12	FLUID	MANAG	EMENT				
10 11				IALL PRO\ ACILITY S	/IDE FLUID IN SUFFICIENT QUANTITIES TO MAINTAIN HYDRATION AND BODY WEIGHT. IN HALL:			
12		A)	Assess	S EACH RE	ESIDENT'S HYDRATION NEEDS;			
13 14		B)			VALUATE FOOD AND FLUID INTAKE DAILY AND RECORD AND REPORT DEVIATIONS FROM D AND FLUID INTAKE;			
15 16		C)			ANCE AND ENCOURAGEMENT TO RESIDENTS REQUIRING ASSISTANCE TO MEET THEIR REQUIREMENTS; AND			
17		D)	Provid	E SELF-H	ELP ADAPTIVE DEVICES AND ENCOURAGE USE.			
18	7.13	PERSO	ERSONAL ENVIRONMENT					
19 20 21 22		FURNITI FURNITI	URE, APP URE ITEM	LIANCES, IS IN RESI	W FOR PERSONALIZATION OF ROOMS THROUGH THE USE OF RESIDENTS' PERSONAL DECORATIONS, PLANTS AND MEMORABILIA. THE FACILITY MAY LIMIT THE NUMBER OF DENT ROOMS IF TO DO SO IS NECESSARY TO ACCOMMODATE ROOMMATE ES, HOUSEKEEPING OR SAFE MOVEMENT IN THE ROOM.			
23	7.14	PERSO	ONAL CH	HOICE				
24		THE FA	CILITY SH	IALL:				
25 26		A)			BLE EFFORTS TO ACCOMMODATE PREFERENCES OF ROOMMATE, INCLUDING THE RIGHT NT SO REQUESTING TO BE ASSIGNED TO A ROOM WITH NON-SMOKERS;			
27 28 29		B)	SECTIO		TS FLEXIBILITY IN TIMES TO EAT MAIN MEALS, CONSISTENT WITH REQUIREMENTS OF INDICTARY SERVICES AND WITH ITS OWN REASONABLE STAFFING AND SCHEDULING			
30 31		C)			TS FLEXIBILITY IN TIMES TO BATHE, RISE AND RETIRE, CONSISTENT WITH ITS OWN AFFING AND SCHEDULING REQUIREMENTS; AND			
32 33		D)	_		ST ONE ALTERNATIVE MENU CHOICE FOR EACH MEAL OF SIMILAR NUTRITIVE VALUE. RNATIVE SHALL NOT BE USED FOR TWO CONSECUTIVE MEALS.			
34	7.15	PROBLEM RESOLUTION						

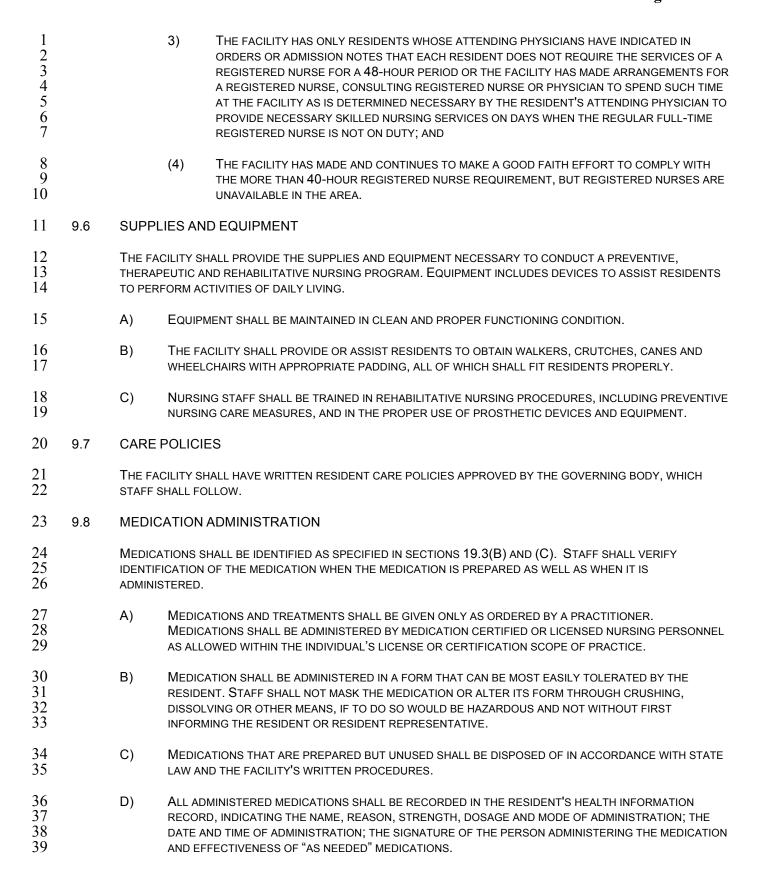

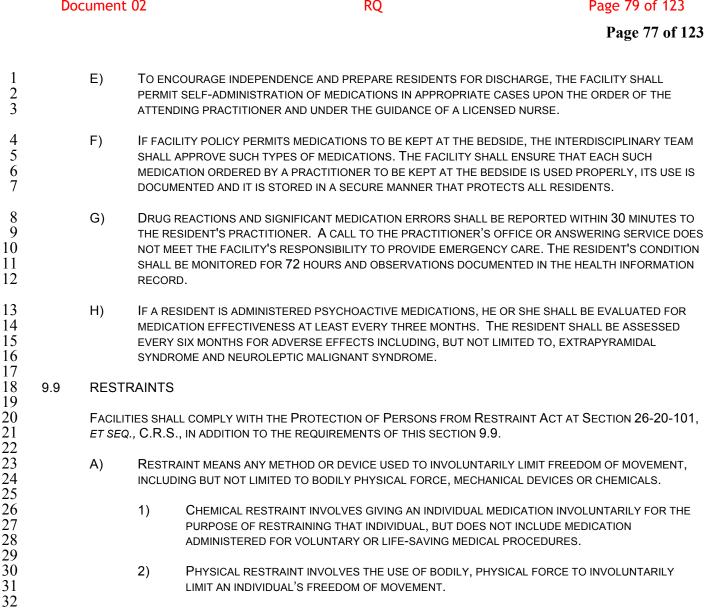

1		B)	THE M	IEDICAL DIRECTOR IS RESPONSIBLE FOR:				
2 3 4			1)	ACTING AS A LIAISON BETWEEN THE FACILITY AND ADMITTING PHYSICIANS ON MATTERS RELATED TO PHYSICIAN SERVICES, PROMPT WRITING OF ORDERS AND RESPONDING TO REQUESTS BY FACILITY STAFF;				
5			2)	CONSULTING ON THE DEVELOPMENT AND IMPLEMENTATION OF RESIDENT CARE POLICIES;				
6 7			3)	ESTABLISHING STANDARDS GOVERNING THE CONDUCT OF PHYSICIANS ADMITTING RESIDENTS TO THE FACILITY;				
8 9			4)	CONSULTING ON THE DEVELOPMENT AND IMPLEMENTATION OF A PROCEDURE TO PROVIDE CARE IN EMERGENCIES WHEN A RESIDENT'S PRACTITIONER IS UNAVAILABLE;				
10			5)	REVIEWING ACCIDENTS AND HAZARDS;				
11			6)	PARTICIPATING IN PHARMACEUTICAL ADVISORY COMMITTEE DELIBERATIONS;				
12			7)	PARTICIPATING IN THE PSYCHOTROPIC MEDICATION REVIEW COMMITTEE; AND				
13 14			8)	Chairing or co-chairing the quality management committee required by section 3.3 of this chapter.				
15 16 17		C)	THESE	IEDICAL DIRECTOR MAY UTILIZE TELEHEALTH FOR THE PERFORMANCE OF ANY TASK REQUIRED BY REGULATIONS EXCEPT THOSE TASKS WHERE THE REGULATIONS SPECIFICALLY REQUIRE A FACE CE EVALUATION OR PERSONAL VISIT.				
18	SECT	ION 9	NURS	SING SERVICES				
19	9.1	ORGA	ANIZATION					
20 21 22		COMPL	HE FACILITY SHALL HAVE A DEPARTMENT OF NURSING SERVICES THAT IS FORMALLY ORGANIZED TO PROVIDE DIMPLETE, EFFECTIVE CARE TO EACH RESIDENT. THE FACILITY SHALL CLEARLY DEFINE QUALIFICATIONS, JTHORITY AND RESPONSIBILITY OF NURSING PERSONNEL IN WRITTEN JOB DESCRIPTIONS.					
23	9.2	DIREC	CTOR C	F NURSING				
24 25 26		HOURS	EXCEPT AS PROVIDED IN SECTION 9.5, THE NURSING CARE FACILITY SHALL EMPLOY A FULL-TIME (40 HOURS/WEEK) DIRECTOR OF NURSING WHO IS A REGISTERED NURSE, QUALIFIED BY EDUCATION AND EXPERIENCE TO DIRECT FACILITY NURSING CARE.					
27	9.3	24-HC	UR NU	RSING COVERAGE				
28 29 30		FAMILIA	THE FACILITY SHALL BE STAFFED WITH QUALIFIED NURSING PERSONNEL, AWAKE AND ON DUTY, WHO ARE FAMILIAR WITH THE RESIDENTS AND THEIR NEEDS IN A NUMBER SUFFICIENT TO MEET RESIDENT FUNCTIONAL DEPENDENCY, MEDICAL AND NURSING NEEDS.					
31 32 33		A)	POTEN	SHALL BE SUFFICIENT IN NUMBER TO PROVIDE PROMPT ASSISTANCE TO PERSONS NEEDING OR STIALLY NEEDING ASSISTANCE, CONSIDERING INDIVIDUAL NEEDS SUCH AS THE RISK OF ENTS, HAZARDS OR OTHER UNTOWARD EVENTS.				
34 35 36		B)	AT LEA	PT AS PROVIDED IN SECTION 9.5, A NURSING CARE FACILITY SHALL BE STAFFED AT ALL TIMES WITH AST ONE REGISTERED NURSE WHO IS ON DUTY ON THE PREMISES. EACH RESIDENT CARE UNIT BE STAFFED WITH AT LEAST ONE LICENSED NURSE.				

- MECHANICAL RESTRAINT INVOLVES THE USE OF A PHYSICAL DEVICE TO INVOLUNTARILY 3)

28	13.5	ORDE	RS						
29 30			ALL DIETS AND NOURISHMENTS SHALL BE PROVIDED AND SERVED AS ORDERED BY THE ATTENDING PRACTITIONER.						
31	13.6	NUTRITIONAL ASSESSMENT AND PROGRESS NOTES							
32 33				UPERVISOR OR CONSULTANT SHALL PARTICIPATE IN RESIDENT ASSESSMENT AND CARE PLANNING ECTIONS 7.16, 7.20, AND 7.21 OF THIS CHAPTER.					
34 35		A)		UPERVISOR OR CONSULTANT SHALL WRITE PROGRESS NOTES ON EACH RESIDENT AT LEAST AT SIX I INTERVALS.					
36 37		B)		ACILITY SHALL REASONABLY ACCOMMODATE INDIVIDUAL RESIDENT PREFERENCES IN MEALS BY					

1	13.14	NAIL POLISH AND FALSE NAILS							
2 3		UNLESS WEARING INTACT GLOVES IN GOOD REPAIR, STAFF INVOLVED IN PREPARING AND SERVING FOOD SHALL NOT WEAR NAIL POLISH OR FALSE NAILS.							
4	13.15	DININ	DINING AND RECREATIONAL FACILITIES						
5 6 7 8		HALLW/ ACCOM	DINING AND RECREATION AREAS SHALL BE READILY ACCESSIBLE TO ALL RESIDENTS AND SHALL NOT BE IN A HALLWAY OR LANE OF TRAFFIC IN OR OUT OF THE FACILITY. SUCH SPACE SHALL BE SUFFICIENT TO ACCOMMODATE ACTIVITIES CONDUCTED THERE, CONSISTENT WITH RESIDENT COMFORT AND SAFETY. THE DINING AND RECREATION AREAS MAY BE SEPARATE OR COMBINED.						
9	SECTI	ON 14	FEED	ING ASSISTANTS					
10 11	14.1	"FEEDING ASSISTANT" MEANS AN INDIVIDUAL WHO PROVIDES RESIDENTS WITH ASSISTANCE IN EATING AND DRINKING IN ORDER TO REDUCE THE INCIDENCE OF UNPLANNED WEIGHT LOSS AND DEHYDRATION.							
12	14.2	QUALIFICATIONS							
13 14 15		A) A NURSING CARE FACILITY SHALL ENSURE THAT ITS FEEDING ASSISTANTS ARE QUALIFIED AND TRAINED TO MEETTHE REQUIREMENTS OF THIS SECTION 14, WITH THE EXCEPTION OF THE FOLLOWING INDIVIDUALS WHO SHALL BE CONSIDERED EXEMPT:							
16			1)	LICENSED PRACTITIONERS;					
17			2)	CERTIFIED NURSE AIDES;					
18			3)	SUPERVISED NURSING STUDENTS; AND					
19			4)	RESIDENT FAMILY MEMBERS OR DESIGNEES.					
20		B) THE FACILITY SHALL VERIFY THAT EACH FEEDING ASSISTANT ME		ACILITY SHALL VERIFY THAT EACH FEEDING ASSISTANT MEETS THE FOLLOWING CRITERIA:					
21			1)	HAS NO HISTORY THAT WOULD PRECLUDE INTERACTION WITH RESIDENTS; AND					
22 23			2)	HAS SUCCESSFULLY COMPLETED THE FEEDING ASSISTANT TRAINING PROGRAM DESCRIBED IN SECTION 14.9 OF THIS CHAPTER.					
24	14.3	SUPERVISION							
25 26 27 28		A FEEDING ASSISTANT SHALL WORK UNDER THE SUPERVISION OF AND SHALL REPORT TO A REGISTERED OR LICENSED PRACTICAL NURSE. EACH FEEDING ASSISTANT SHALL BE GIVEN INSTRUCTION BY A REGISTERED NURSE, LICENSED PRACTICAL NURSE OR REGISTERED DIETITIAN CONCERNING THE SPECIFIC FEEDING AND HYDRATION NEEDS OF EACH RESIDENT BEING ASSISTED.							
29	14.4	STAFFING							
30 31		FEEDING ASSISTANTS MAY NOT BE COUNTED TOWARD MEETING OR COMPLYING WITH ANY REQUIREMENT IN NURSING CARE STAFF AND FUNCTIONS OF A FACILITY, INCLUDING MINIMUM NURSE STAFFING REQUIREMENT							
32	14.5	LOCATION							
33 34 35		DETER	MINED S	STANCE MAY BE PERFORMED IN EITHER CONGREGATE DINING AREAS OR RESIDENT ROOMS IF AFE BY THE NURSE IN CHARGE. A NURSE SHALL BE IMMEDIATELY AVAILABLE IN CASE OF AN URING MEALS.					

1 2			3)	THE RIGHT TO REVIEW AND OBTAIN COPIES OF HIS OR HER MEDICAL RECORDS IN ACCORDANCE WITH 6 CCR 1011-1, CHAPTER 2, PART 5.		
3 4		G) THE RIGHT TO HAVE PRIVATE AND UNRESTRICTED COMMUNICATIONS WITH ANY PERSON OF HIS OR HER CHOICE; INCLUDING				
5 6			1)	THE RIGHT TO PRIVACY FOR TELEPHONE CALLS OR USE OF ELECTRONIC COMMUNICATION DEVICES;		
7			2)	THE RIGHT TO RECEIVE MAIL UNOPENED; AND		
8			3)	THE RIGHT TO PRIVATE CONSENSUAL SEXUAL ACTIVITY.		
9 10 11 12		H)	THE RIGHT TO BE FREE FROM MENTAL AND PHYSICAL ABUSE AND FROM PHYSICAL AND CHEMICAL RESTRAINTS, EXCEPT THOSE RESTRAINTS INITIATED THROUGH THE JUDGMENT OF PROFESSIONAL STAFF FOR A SPECIFIED AND LIMITED PERIOD OF TIME OR ON THE WRITTEN AUTHORIZATION OF A PRACTITIONER.			
13		l)	THE RIGHT TO FREEDOM OF CHOICE IN SELECTING A HEALTH CARE FACILITY.			
14 15 16 17		J)	RIGHTS RULES	GHT TO COPIES OF THE FACILITY'S RULES AND REGULATIONS, INCLUDING A COPY OF THESE S, AND AN EXPLANATION OF HIS OR HER RIGHTS AND RESPONSIBILITY TO OBEY ALL REASONABLE AND REGULATIONS OF THE FACILITY AND TO RESPECT THE PERSONAL RIGHTS AND PRIVATE RTY OF THE OTHER PATIENTS.		
18 19			1)	IF THE RESIDENT HAS LIMITED ENGLISH PROFICIENCY, THE RIGHT TO AN EXPLANATION OF RIGHTS AND RESPONSIBILITIES IN A LANGUAGE THE RESIDENT CAN UNDERSTAND; AND		
20 21			2)	THE RIGHT TO SEE FACILITY POLICIES, UPON REQUEST, AND STATE SURVEY REPORTS ON THE FACILITY.		
22 23 24 25		K)	THE RIGHT TO BE TRANSFERRED OR DISCHARGED ONLY FOR MEDICAL REASONS, HIS OR HER WELFARE OR THAT OF OTHER RESIDENTS, OR FOR NONPAYMENT FOR HIS OR HER STAY; AND THE RIGHT TO BE GIVEN REASONABLE ADVANCE NOTICE OF ANY TRANSFER OR DISCHARGE, EXCEPT IN THE CASE OF AN EMERGENCY AS DETERMINED BY PROFESSIONAL STAFF, CONSISTENT WITH SECTION 15.6.			
26		L)	THE R	IGHT NOT TO BE TRANSFERRED OR DISCHARGED FOR RAISING CONCERNS OR COMPLAINTS.		
27 28 29		M)	THE RIGHT TO HAVE PRIVACY IN TREATMENT AND IN CARING FOR PERSONAL NEEDS, CONFIDENTIALITY IN THE TREATMENT OF PERSONAL AND MEDICAL RECORDS, AND SECURITY IN STORING AND USING PERSONAL POSSESSIONS.			
30 31 32		N)	TO REC	GHT TO BE TREATED COURTEOUSLY, FAIRLY AND WITH THE FULLEST MEASURE OF DIGNITY AND CEIVE A WRITTEN STATEMENT OF THE SERVICES PROVIDED BY THE FACILITY, INCLUDING THOSE RED TO BE OFFERED ON AN AS-NEEDED BASIS.		
33 34 35		O)	CERTIF	GHT OF ANY PERSON ELIGIBLE TO RECEIVE MEDICAID TO SELECT ANY NURSING CARE FACILITY FIED FOR PARTICIPATION IN MEDICAID WHERE A CERTIFIED BED IS AVAILABLE AND THE FACILITY EET THE RESIDENT'S NEEDS.		
36	15.2	TRANSFER OF RIGHTS				
37 38		A RESIDENT'S RIGHTS SHALL TRANSFER TO THE RESIDENT REPRESENTATIVE IF THE RESIDENT LACKS DECISIONAL CAPACITY.				

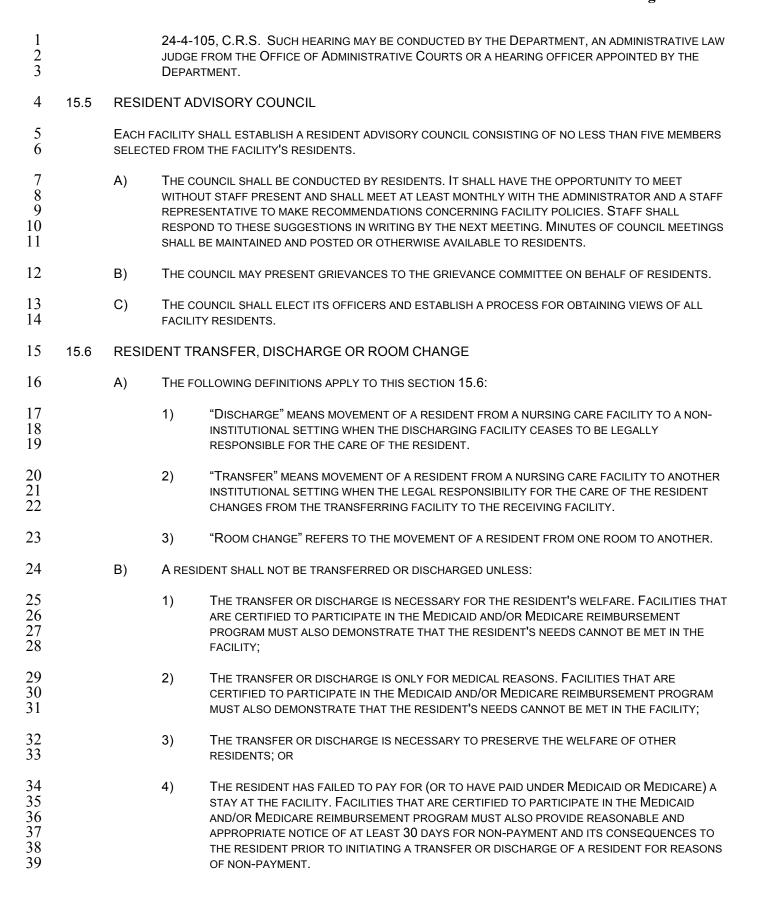

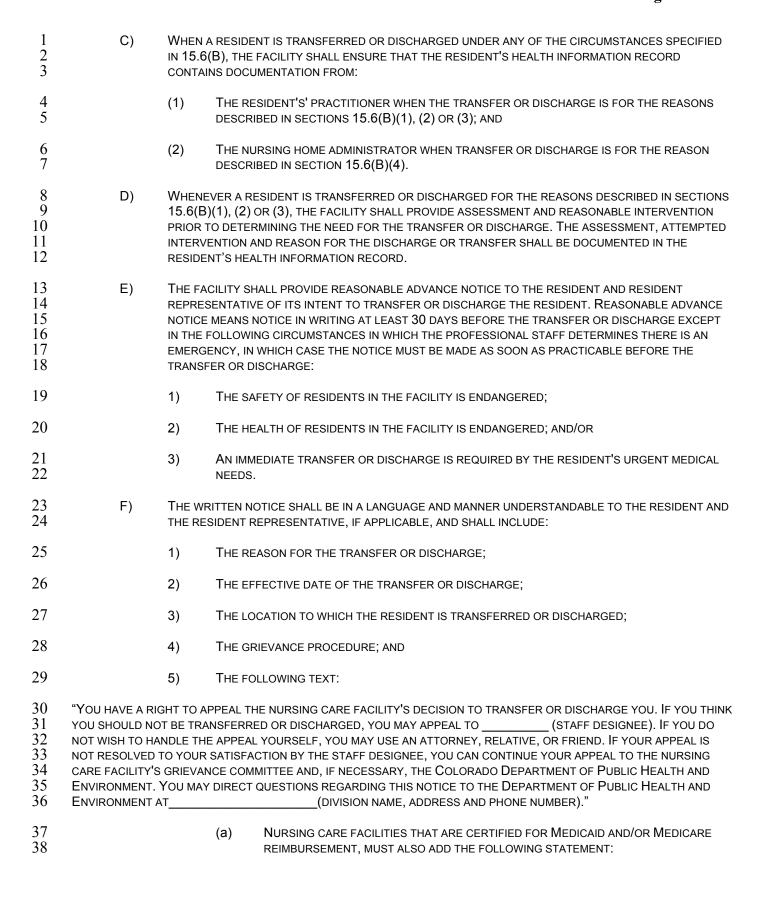

THE FACILITY SHALL TRAIN ALL STAFF IN THE OBSERVATION AND PROTECTION OF RESIDENTS' RIGHTS AND ENSURE THAT A COPY OF THE FACILITY'S STATEMENT OF RESIDENTS' RIGHTS IS AVAILABLE TO ALL NEW AND CURRENT EMPLOYEES.

15.4 GRIEVANCE PROCEDURE

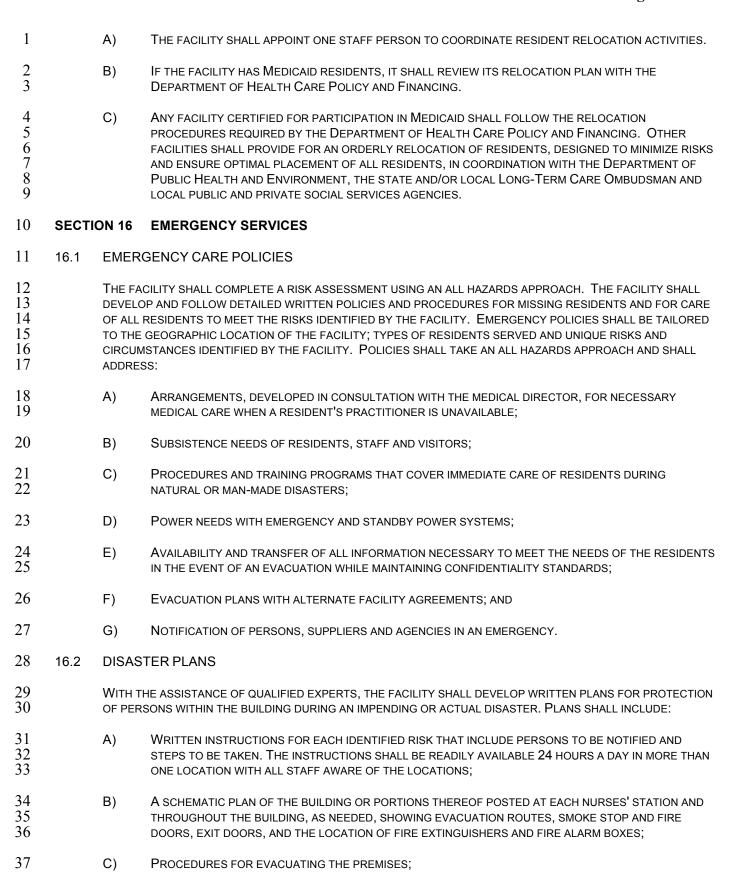

THE FACILITY SHALL DEVELOP A GRIEVANCE PROCEDURE, WHICH IT SHALL POST CONSPICUOUSLY IN A PUBLIC PLACE, FOR PRESENTATION OF GRIEVANCES BY RESIDENTS, RESIDENT REPRESENTATIVES OR THE RESIDENT COUNCIL REGARDING ANY CONDITIONS, TREATMENT OR VIOLATIONS OF RIGHTS OF ANY RESIDENT BY THE FACILITY OR STAFF (REGARDLESS OF THE CONSENT OF THE VICTIM OF THE ALLEGED IMPROPER CONDUCT).

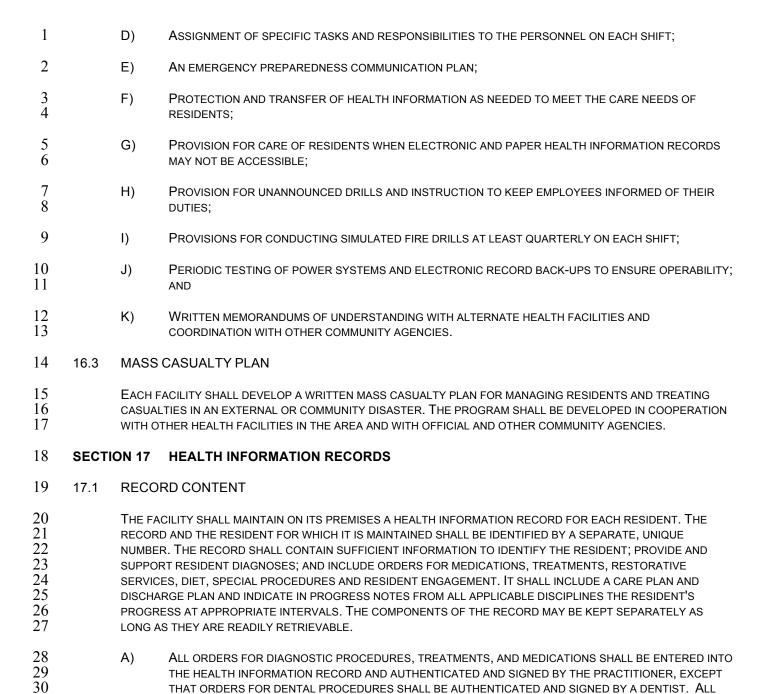

- A) THE FACILITY SHALL DESIGNATE A FULL-TIME STAFF MEMBER ("STAFF DESIGNEE") TO RECEIVE ALL GRIEVANCES.
- B) THE FACILITY SHALL ESTABLISH A GRIEVANCE COMMITTEE CONSISTING OF THE ADMINISTRATOR OR HIS OR HER DESIGNEE, A RESIDENT SELECTED BY THE FACILITY'S RESIDENTS AND A THIRD PERSON AGREED UPON BY THE ADMINISTRATOR AND THE FACILITY'S RESIDENT REPRESENTATIVE.
- C) ANY RESIDENT, RESIDENT REPRESENTATIVE OR THE RESIDENT COUNCIL MAY PRESENT A GRIEVANCE TO THE FACILITY STAFF DESIGNEE ORALLY OR IN WRITING WITHIN 14 DAYS OF THE INCIDENT GIVING RISE TO THE GRIEVANCE.
- D) THE STAFF DESIGNEE SHALL CONFER WITH PERSONS INVOLVED IN THE INCIDENT AND OTHER RELEVANT PERSONS AND, WITHIN THREE DAYS OF RECEIVING THE GRIEVANCE, SHALL PROVIDE A WRITTEN EXPLANATION OF FINDINGS AND PROPOSED REMEDIES TO THE COMPLAINANT AND THE AGGRIEVED PARTY, IF OTHER THAN THE COMPLAINANT, AND RESIDENT REPRESENTATIVE, IF ANY. WHERE APPROPRIATE DUE TO THE MENTAL OR PHYSICAL CONDITION OF THE COMPLAINANT OR AGGRIEVED PARTY, AN ORAL EXPLANATION SHALL ACCOMPANY THE WRITTEN ONE.
- E) IF THE COMPLAINANT OR AGGRIEVED PARTY IS DISSATISFIED WITH THE FINDINGS AND REMEDIES OF THE STAFF DESIGNEE OR THEIR IMPLEMENTATION, WITHIN TEN DAYS OF RECEIVING THE DESIGNEE'S EXPLANATION, THE COMPLAINANT OR AGGRIEVED PARTY MAY FILE THE GRIEVANCE ORALLY OR IN WRITING ALONG WITH ANY ADDITIONAL INFORMATION IT WISHES TO THE GRIEVANCE COMMITTEE.
- F) THE COMMITTEE SHALL CONFER WITH PERSONS INVOLVED IN THE INCIDENT AND OTHER RELEVANT PERSONS, INCLUDING THE COMPLAINANT, AND WITHIN TEN DAYS OF THE DATE OF THE APPEAL SHALL PROVIDE A WRITTEN EXPLANATION OF ITS FINDINGS AND PROPOSED REMEDIES TO THE COMPLAINANT AND THE AGGRIEVED PARTY, IF OTHER THAN THE COMPLAINANT, AND TO THE RESIDENT REPRESENTATIVE, IF ANY. WHERE APPROPRIATE DUE TO THE MENTAL OR PHYSICAL CONDITION OF THE COMPLAINANT OR AGGRIEVED PARTY, AN ORAL EXPLANATION SHALL ACCOMPANY THE WRITTEN ONE.
- G) THE COMPLAINANT OR AGGRIEVED PARTY, IF DISSATISFIED WITH THE FINDINGS AND REMEDIES OF THE GRIEVANCE COMMITTEE OR THEIR IMPLEMENTATION (EXCEPT FOR GRIEVANCES REGARDING PRACTITIONER OR PRACTITIONER-PRESCRIBED TREATMENT), MAY FILE THE GRIEVANCE IN WRITING WITH THE EXECUTIVE DIRECTOR OF THE DEPARTMENT WITHIN TEN DAYS OF RECEIPT OF THE WRITTEN FINDINGS OF THE GRIEVANCE COMMITTEE. THE DEPARTMENT SHALL THEN INVESTIGATE THE FACTS AND CIRCUMSTANCES OF THE GRIEVANCE AND MAKE WRITTEN FINDINGS OF FACT, CONCLUSIONS, AND RECOMMENDATIONS AND PROVIDE THEM TO THE COMPLAINANT, AGGRIEVED PARTY, RESIDENT REPRESENTATIVE, IF ANY, AND THE FACILITY ADMINISTRATOR.
- H) IF THE COMPLAINANT OR FACILITY ADMINISTRATOR IS AGGRIEVED BY THE DEPARTMENT'S FINDINGS AND RECOMMENDATIONS, HE OR SHE MAY REQUEST, WITHIN 30 DAYS OF RECEIPT OF THE FINDINGS AND RECOMMENDATIONS, THAT THE DEPARTMENT SET THE MATTER FOR HEARING PURSUANT TO SECTION

1 ALL HEALTH INFORMATION RECORDS SHALL BE COMPLETED NO LATER THAN 30 DAYS FOLLOWING RESIDENT 2 DISCHARGE; FILED, ARCHIVED AND REPRODUCIBLE FOR TEN YEARS AFTER THE DATE OF THE LAST DISCHARGE. 3 17.4 RECORD MAINTENANCE 4 THE FACILITY SHALL IDENTIFY AND MAKE PROVISIONS FOR THE COMPLETE AND ACCURATE MAINTENANCE OF THE 5 RESIDENT HEALTH INFORMATION RECORD TO ENSURE PRIVACY, CONFIDENTIALITY AND SECURITY STANDARDS. 6 **STAFFING** 17.5 7 THE FACILITY SHALL EMPLOY HEALTH INFORMATION MANAGEMENT STAFF IN SUFFICIENT NUMBER TO MEET THE 8 NEEDS OF THE FACILITY. STAFF MEMBERS SHALL BE CONSIDERED QUALIFIED IF THEY MEET EITHER OF THE 9 CRITERIA BELOW. 10 1) A REGISTERED HEALTH INFORMATION ADMINISTRATOR (RHIA) OR REGISTERED HEALTH INFORMATION 11 TECHNICIAN (RHIT) WITH EITHER ONE YEAR OF EXPERIENCE IN A NURSING CARE FACILITY OR, IF NO 12 EXPERIENCE IN A NURSING CARE FACILITY, REGULAR CONSULTATIONS FOR ONE YEAR WITH A QUALIFIED 13 RHIA or RHIT; or 14 2) DEDICATED STAFF MEMBER(S) WITH ONE YEAR WORK EXPERIENCE AND/OR TRAINING IN HEALTH 15 INFORMATION MANAGEMENT AND REGULAR CONSULTATIONS FROM A QUALIFIED RHIA OR RHIT. 16 17.6 STAFF RESPONSIBILITIES 17 HEALTH INFORMATION STAFF SHALL BE RESPONSIBLE FOR ALL OF THE FOLLOWING ITEMS: 18 A) THE AUDITING, MAINTENANCE, SUPERVISION, CODING, CLOSING, SCANNING, FILING AND PROVIDING 19 SECURE STORAGE OF ALL RESIDENT HEALTH INFORMATION RECORDS. 20 B) PROVIDING ACCESS TO AND RELEASE OF HEALTH INFORMATION PER SECTION 25-1-801, C.R.S. 21 C) REPORTING TO THE NURSING HOME ADMINISTRATOR ANY IRREGULARITIES IDENTIFIED DURING AUDITS, 22 SURVEYS OR OTHER INVESTIGATIONS BY THE DEPARTMENT. 23 D) OBTAINING, MAINTAINING AND SECURING CURRENT CREDENTIALING DOCUMENTATION FOR ALL NON-24 EMPLOYEE PRACTITIONERS. CONSULTANTS AND OTHER LICENSED PROFESSIONALS WHO PROVIDE 25 SERVICES IN THE FACILITY INCLUDING, WHEN APPLICABLE, THE FOLLOWING: 26 1) DEA LICENSE: 27 2) NPI NUMBER; 28 3) MEDICAID PROVIDER NUMBER; 29 4) LIABILITY INSURANCE INFORMATION; 30 5) PROOF OF MONTHLY OFFICE OF INSPECTOR GENERAL (OIG) EXCLUSION LIST CHECKS 31 AND ANNUAL PECOS ENROLLMENT CHECKS AS REQUIRED BY FEDERAL REGULATION; 32 AND 33 6) TUBERCULOSIS TEST RESULTS AND ANNUAL INFLUENZA VACCINATION 34 DOCUMENTATION. 35 E) OBTAINING AUTHENTICATION OF SIGNATURE AND INITIALS FROM EACH PRACTITIONER, CONSULTANT AND 36 OTHER LICENSED PROFESSIONAL WHO PROVIDES SERVICES TO RESIDENTS. FOR ELECTRONIC HEALTH

1 18.4 COMMUNICATION 2 THE FACILITY SHALL ENSURE THAT THE THERAPIST COMMUNICATES TO THE FACILITY THE RESIDENT'S CONDITION 3 AND RESPONSE TO TREATMENT WITHIN 14 DAYS OF INITIATION OF TREATMENT AND EVERY 30 DAYS THEREAFTER 4 WHILE TREATMENT CONTINUES. 5 18.5 SPACE AND EQUIPMENT 6 THE FACILITY SHALL PROVIDE SPACE, APPROPRIATE EQUIPMENT AND STORAGE AREAS ADEQUATE FOR THERAPY 7 ON ALL REFERRED RESIDENTS. SERVICES SHALL BE PROVIDED IN AN AREA READILY ACCESSIBLE TO RESIDENTS. 8 EQUIPMENT SHALL BE PROPERLY MAINTAINED TO ENSURE SAFETY OF RESIDENTS AND STAFF. 9 SECTION 19 PHARMACEUTICAL SERVICES 10 19.1 **ORGANIZATION** 11 THE PHARMACEUTICAL SERVICES OF THE FACILITY SHALL BE ORGANIZED AND MAINTAINED EXCLUSIVELY FOR THE 12 BENEFIT OF THE FACILITY'S RESIDENTS. 13 A) THE PHARMACEUTICAL SERVICE SHALL BE SUPERVISED BY A CONSULTANT PHARMACIST LICENSED TO 14 PRACTICE PHARMACY IN THE STATE OF COLORADO. 15 1) IN THE EVENT OF A CONFLICT BETWEEN THE RULES IN THIS SECTION REGARDING 16 PHARMACEUTICAL SERVICES AND THE COLORADO BOARD OF PHARMACY RULES AT 3 CCR 17 719-1, THE LATER SHALL CONTROL. 18 B) ALL COMPOUNDING AND DISPENSING SHALL BE FROM A PHARMACY LICENSED BY THE COLORADO 19 BOARD OF PHARMACY IN ACCORDANCE WITH ALL PHARMACY LAWS AND REGULATIONS. 20 19.2 **ADVISORY COMMITTEES** 21 A) THE FACILITY SHALL ESTABLISH A PHARMACEUTICAL ADVISORY COMMITTEE THAT INCLUDES A 22 REGISTERED NURSE, THE CONSULTING PHARMACIST AND THE MEDICAL DIRECTOR, TO ASSIST IN THE 23 FORMULATION OF BROAD PROFESSIONAL POLICIES AND PROCEDURES RELATING TO PHARMACEUTICAL 24 SERVICE IN THE FACILITY. 25 B) THE FACILITY SHALL ESTABLISH A PSYCHOTROPIC ADVISORY COMMITTEE THAT INCLUDES, AT A 26 MINIMUM, A REGISTERED NURSE, THE CONSULTING PHARMACIST, THE MEDICAL DIRECTOR AND A SOCIAL 27 WORKER. 28 19.3 MEDICATION REQUISITION AND STORAGE POLICIES 29 THE FACILITY SHALL DESIGNATE IN WRITTEN POLICIES, APPROVED BY THE GOVERNING BODY, THE PERSON 30 AUTHORIZED TO REQUISITION, RECEIVE, CONTROL AND MANAGE MEDICATIONS. 31 A) RESIDENT MEDICATIONS SHALL BE OBTAINED FROM A LICENSED PHARMACY ON AN INDIVIDUAL 32 PRESCRIPTION BASIS FOR EACH RESIDENT. 33 B) MEDICATIONS BROUGHT INTO A FACILITY BY A RESIDENT SHALL BE IN THE ORIGINAL PACKAGING WITH 34 LEGIBLE DIRECTIONS FOR ADMINISTRATION. 35 C) UNLESS THE FACILITY USES A UNIT DOSE SYSTEM, EACH RESIDENT MEDICATION SHALL BE STORED IN 36 INDIVIDUAL, ORIGINALLY RECEIVED CONTAINERS OR "BLISTER" OR "BUBBLE" CARDS THAT ARE CLEARLY 37 AND LEGIBLY LABELED WITH THE MEDICATION NAME, STRENGTH, DOSAGE FREQUENCY AND MODE OF 38 ADMINISTRATION; DATE OF ISSUE AND EXPIRATION; NAME OF PRESCRIBING PRACTITIONER OR DENTIST;

1 DISPENSING PHARMACY NAME, ADDRESS AND TELEPHONE NUMBER; AND THE FULL NAME OF THE 2 RESIDENT FOR WHOM THE MEDICATION IS PRESCRIBED. 3 D) THE FACILITY SHALL PROTECT EACH RESIDENT'S MEDICATIONS FROM USE BY OTHER RESIDENTS, 4 VISITORS, AND STAFF. 5 19.4 **CONSULTING PHARMACIST** 6 THE FACILITY SHALL CONTRACT IN WRITING WITH A LICENSED PHARMACIST OR PHARMACY TO PROVIDE 7 CONSULTANT PHARMACIST SERVICE TO BE RESPONSIBLE FOR ALL PHARMACEUTICAL MATTERS IN THE FACILITY. THE CONTRACT SHALL SET FORTH THE FEES TO BE PAID FOR SERVICES AND THE PHARMACIST'S RESPONSIBILITIES, INCLUDING AT LEAST THE FOLLOWING: 10 A) LEGAL COMPOUNDING; 11 B) PROMPT DISPENSING OF PROPERLY LABELED INDIVIDUAL RESIDENT PRESCRIPTIONS; 12 C) INVENTORY CONTROL; 13 D) ESTABLISHMENT OF NECESSARY RECORDS; 14 E) PERIODIC INSPECTION OF ALL PHARMACEUTICAL SUPPLIES, MEDICATIONS AND PROCEDURES 15 ON ALL RESIDENT CARE UNITS INCLUDING INSPECTION OF PRESCRIPTION LABELS, EXPIRATION DATES, STORAGE AND EMERGENCY KIT PROCEDURES; 17 F) PROVISION OF AN EMERGENCY MEDICAL KIT, WHICH REMAINS THE PROPERTY OF A LICENSED 18 PHARMACY APPROVED BY THE PHARMACEUTICAL ADVISORY COMMITTEE AND THE COLORADO 19 STATE BOARD OF PHARMACY: 20 G) REGULARLY SCHEDULED VISITS AND CONSULTATIONS AND AT LEAST ANNUAL IN-SERVICE 2.1 TRAINING TO STAFF; 22 H) DETERMINATION OF PROPER PROCUREMENT AND MAINTENANCE OF ALL PRESCRIPTIONS AND OTHER MEDICATIONS; I) DEVELOPMENT OF PROPER ACCOUNTING PROCEDURES FOR CONTROLLED SUBSTANCES AND 25 LEGEND MEDICATIONS: 26 J) EVALUATION OF THE POLICIES OF THE PHARMACEUTICAL ADVISORY COMMITTEE; AND 27 QUARTERLY REPORTS TO THE PHARMACEUTICAL ADVISORY COMMITTEE ON THE STATUS OF K) 28 PHARMACY SERVICES. 29 19.5 **TELEHEALTH** 30 THE CONSULTING PHARMACIST MAY UTILIZE TELEHEALTH FOR THE PERFORMANCE OF ANY TASK SET FORTH IN 31 THESE REGULATIONS EXCEPT THOSE TASKS WHERE THE REGULATIONS SPECIFICALLY REQUIRE IN-PERSON 32 INSPECTION OR FACE TO FACE EVALUATION. 33 19.6 **CONTROLLED SUBSTANCES** 34 ONLY PRACTITIONERS AUTHORIZED UNDER THE LAWS OF THE STATE OF COLORADO AND PROPERLY 35 REGISTERED WITH THE FEDERAL GOVERNMENT SHALL PRESCRIBE CONTROLLED SUBSTANCES. THE FACILITY 36 SHALL COMPLY WITH ALL FEDERAL AND STATE LAWS AND REGULATIONS RELATING TO PROCUREMENT, STORAGE, ADMINISTRATION AND DISPOSAL OF CONTROLLED SUBSTANCES. UNLESS THE FACILITY USES A UNIT DOSE

1 SYSTEM, IT SHALL MAINTAIN A RECORD ON A SEPARATE SHEET FOR EACH RESIDENT RECEIVING A CONTROLLED 2 SUBSTANCE, WHICH CONTAINS THE NAME OF THE CONTROLLED SUBSTANCE; STRENGTH AND DOSAGE; DATE AND 3 TIME ADMINISTERED: RESIDENT NAME: NAME OF PRESCRIBING PHYSICIAN OR ADVANCE PRACTICE NURSE: 4 SIGNATURE OF PERSON ADMINISTERING AND THE QUANTITY OF THE CONTROLLED SUBSTANCE REMAINING. 5 19.7 INVESTIGATIONAL MEDICATIONS 6 IF INVESTIGATIONAL MEDICATIONS ARE USED, POLICIES AND PROCEDURES SHALL BE DEVELOPED AND A) 7 IMPLEMENTED FOR SAFE AND PROPER USE. 8 B) INVESTIGATIONAL MEDICATIONS SHALL BE USED ONLY: 9 1) WHEN THERE IS WRITTEN APPROVAL OF AN INSTITUTIONAL REVIEW BOARD (IRB), 10 ESTABLISHED IN ACCORDANCE WITH FEDERAL LAW AND REGULATION; AND 11 2) UNDER THE SUPERVISION OF A MEMBER OF THE MEDICAL STAFF AND ADMINISTERED IN 12 ACCORDANCE WITH AN IRB APPROVED PROTOCOL. 13 19.8 DISPOSITION OF MEDICATIONS. MEDICAL DEVICES AND MEDICAL SUPPLIES 14 A) IF CONTROLLED SUBSTANCES (SCHEDULES 2 THROUGH 5) ARE BEING HELD BY A FACILITY ON BEHALF 15 OF A RESIDENT AND THE CONTROLLED SUBSTANCES ARE NO LONGER NEEDED, THE FACILITY SHALL 16 CONDUCT ON-SITE DESTRUCTION OF THE CONTROLLED SUBSTANCES AS FOLLOWS: 17 1) THE FACILITY SHALL PROPERLY INVENTORY THE DESTRUCTION AND KEEP THE INVENTORY 18 COPY ON FILE FOR AT LEAST TWO YEARS; 19 2) DESTRUCTION OF CONTROLLED SUBSTANCES SHALL BE WITNESSED AND DOCUMENTED IN 20 WRITING BY THE ADMINISTRATOR OR DESIGNEE AND TWO CLINICALLY LICENSED INDIVIDUALS; 21 AND 22 3) THE DESTRUCTION SHALL BE PERFORMED IN A MANNER THAT RENDERS THE CONTROLLED 23 SUBSTANCES TOTALLY IRRETRIEVABLE. 24 B) ONCE A DEA CONTROLLED SUBSTANCE, OR ANY MEDICATION REQUIRING DISPOSAL, HAS BEEN 25 RENDERED TOTALLY IRRETRIEVABLE. THE FACILITY SHALL COMPLY WITH ALL APPLICABLE FEDERAL. 26 STATE, AND LOCAL LAWS INCLUDING SOLID AND HAZARDOUS WASTE DISPOSAL REGULATIONS. 27 C) IF A FACILITY MEETS THE CRITERIA IN 6 CCR 1011-1, CHAPTER 2, PART 7.202, IT MAY RETURN 28 UNUSED MEDICATIONS OR MEDICAL SUPPLIES AND USED OR UNUSED MEDICAL DEVICES TO A 29 PHARMACIST WITHIN THE FACILITY OR TO A PRESCRIPTION DRUG OUTLET IN ORDER FOR THE 30 MATERIALS TO BE RE-DISPENSED TO ANOTHER RESIDENT OR PATIENT, OR DONATED TO A NONPROFIT 31 ENTITY THAT HAS THE LEGAL AUTHORITY TO POSSESS THE MATERIALS OR TO A PRACTITIONER 32 AUTHORIZED BY LAW TO DISPENSE THE MATERIALS. 33 1) A PERSON OR ENTITY IS NOT SUBJECT TO CIVIL OR CRIMINAL LIABILITY OR PROFESSIONAL 34 DISCIPLINARY ACTION FOR DONATING, ACCEPTING, DISPENSING OR FACILITATING THE 35 DONATION OF MATERIAL IN GOOD FAITH, WITHOUT NEGLIGENCE, AND IN COMPLIANCE WITH 36 COLORADO LAW. 37 19.10 MEDICATION RELEASE 38 UPON DISCHARGE, THE FACILITY STAFF SHALL RELEASE MEDICATIONS TO A RESIDENT ONLY WITH WRITTEN 39 PRACTITIONER AUTHORIZATION.

1 19.11 RESIDENT MEDICATION PROFILE RECORD 2 THE DISPENSING PHARMACIST SHALL MAINTAIN MEDICATION PROFILE RECORDS ON EACH RESIDENT FOR WHOM 3 MEDICATIONS ARE DISPENSED. 4 SECTION 20 DIAGNOSTIC SERVICES 5 20.1 **POLICIES** 6 THE FACILITY SHALL ESTABLISH AND FOLLOW POLICIES FOR OBTAINING CLINICAL LABORATORY, IMAGING AND 7 OTHER DIAGNOSTIC SERVICES. 8 20.2 PRACTITIONER ORDERS 9 DIAGNOSTIC SERVICES SHALL BE PROVIDED ONLY ON THE ORDER OF THE ATTENDING PRACTITIONER. 10 **TRANSPORTATION** 20.3 11 THE FACILITY SHALL ASSIST RESIDENTS TO MAKE ARRANGEMENTS FOR TRANSPORTATION OF RESIDENTS AND/OR 12 LABORATORY SPECIMENS TO AND FROM THE SOURCE OF DIAGNOSTIC SERVICES. 13 **SECTION 21** PHYSICAL PLANT STANDARDS 14 21.1 **COMPLIANCE WITH FGI GUIDELINES** 15 EFFECTIVE JULY 1, 2013, ALL NURSING CARE FACILITIES SHALL BE CONSTRUCTED IN CONFORMITY WITH THE 16 STANDARDS ADOPTED BY THE DIRECTOR OF THE DIVISION OF FIRE PREVENTION AND CONTROL (DFPC) AT THE 17 COLORADO DEPARTMENT OF PUBLIC SAFETY. FOR CONSTRUCTION INITIATED OR SYSTEMS INSTALLED ON OR 18 AFTER JULY 1, 2013, THAT AFFECT PATIENT HEALTH AND SAFETY AND FOR WHICH DFPC HAS NO APPLICABLE 19 STANDARDS, EACH FACILITY SHALL CONFORM TO THE RELEVANT SECTION(S) OF THE GUIDELINES FOR DESIGN 20 AND CONSTRUCTION OF HEALTH CARE FACILITIES, (2010 EDITION), FACILITIES GUIDELINES INSTITUTE. THE 21 GUIDELINES FOR DESIGN AND CONSTRUCTION OF HEALTH CARE FACILITIES, (2010 EDITION), FACILITIES 22 GUIDELINES INSTITUTE (FGI), IS HEREBY INCORPORATED BY REFERENCE AND EXCLUDES ANY LATER 23 AMENDMENTS TO OR EDITIONS OF THE GUIDELINES. THE 2010 FGI GUIDELINES ARE AVAILABLE AT NO COST IN A 24 READ-ONLY VERSION AT: HTTP://FGIGUIDELINES.ORG/DIGITALCOPY.PHP 25 SECTION 22 RESIDENT CARE UNIT 26 22.1 A RESIDENT CARE UNIT IS A DESIGNATED AREA OF A NURSING CARE FACILITY CONSISTING OF A BEDROOM OR A 27 GROUPING OF BEDROOMS WITH SUPPORTING FACILITIES AND SERVICES THAT ARE PLANNED, ORGANIZED, 28 OPERATED AND MAINTAINED TO PROVIDE ADEQUATE NURSING AND SUPPORTIVE CARE OF NOT MORE THAN 60 29 RESIDENTS. 30 22.2 PRIVATE AND MULTI-BED ROOMS 31 THE NURSING CARE FACILITY SHALL PROVIDE PRIVATE AND/OR MULTI-BED ROOMS TO MEET RESIDENT NEEDS. 32 THERE SHALL BE NO MORE THAN FOUR BEDS PER ROOM. 33 A) MINIMUM ROOM AREA, EXCLUSIVE OF CLOSETS, LOCKERS, WARDROBES OF ANY TYPE, VESTIBULES AND 34 TOILET ROOMS, SHALL BE 100 SQ. FT. FOR ONE-BED ROOMS AND 80 SQ. FT. PER BED IN MULTI-BED ROOMS. 36 B) PRIVACY SHALL BE PROVIDED FOR EACH RESIDENT IN A MULTI-BED ROOM BY THE INSTALLATION OF 37 OPAQUE FLAME RETARDANT CUBICLE CURTAINS OR MOVABLE SCREENING.

2 3 4	C)	SHALL PORTIC	OPEN WITHOUT THE USE OF TOOLS. IF A MECHANICAL VENTILATION SYSTEM IS PROVIDED, A ON OF THE REQUIRED WINDOW SHALL OPEN WITHOUT THE USE OF TOOLS. PRIVACY FOR THE SENT AND CONTROL OF LIGHT SHALL BE PROVIDED AT EACH WINDOW.
5	D)	EACH	BEDROOM SHALL HAVE DIRECT ENTRY FROM A CORRIDOR.
6	E)	ARTIFI	CIAL LIGHT SHALL BE PROVIDED AND INCLUDE:
7		1)	GENERAL ILLUMINATION;
8		2)	OTHER SOURCES OF ILLUMINATION FOR READING, OBSERVATION, EXAMINATIONS AND TREATMENTS; AND
10		3)	NIGHT LIGHT CONTROLLED AT THE DOOR OF THE BEDROOM.
11 12	F)		COMPLETE WITH MIXING FAUCET, EASY-TO-USE CONTROLS, SANITARY SOAP AND A METHOD FOR ARY HAND-DRYING SHALL BE PROVIDED IN EACH BEDROOM.
13 14	G)		ET ROOM, DIRECTLY ACCESSIBLE FROM EACH BEDROOM, WITHOUT GOING THROUGH A GENERAL DOR, SHALL BE PROVIDED.
15		1)	THERE MAY BE ONE TOILET FOR TWO RESIDENT ROOMS BUT NOT MORE THAN FOUR BEDS.
16 17		2)	The minimum dimensions for any room containing only one toilet room shall be 3 feet by 6 feet.
18 19 20		3)	THE DOOR TO THE TOILET ROOM SHALL BE AT LEAST 2 FEET, 10 INCHES IN WIDTH AND SHALL NOT SWING INTO THE TOILET ROOM UNLESS PROVIDED WITH RESCUE HARDWARE PERMITTING THE DOOR TO SWING OUTWARD.
21 22 23 24		4)	THE TOILET ROOM SHALL CONTAIN A TOILET, PREFERABLY WITH BEDPAN FLUSHING EQUIPMENT, AND GRAB BARS THAT ARE SECURELY INSTALLED AND STRONG ENOUGH TO SUPPORT A RESIDENT'S WEIGHT SHALL BE CONVENIENTLY LOCATED FOR THE SAFETY OF RESIDENTS.
25 26	H)		DOMS SHALL BE EQUIPPED WITH MOVABLE FURNITURE AND EQUIPMENT WITH THE FOLLOWING FOR RESIDENT:
27 28 29		1)	ADJUSTABLE, WASHABLE BED (ROLL AWAY TYPE BEDS, COTS AND FOLDING BEDS SHALL NOT BE USED), MATTRESS PROTECTED BY WATER-PROOF MATERIAL, MATTRESS PAD AND A COMFORTABLE PILLOW;
30		2)	CABINET OR BEDSIDE TABLE;
31		3)	OVER BED TABLE AS APPLICABLE;
32 33		4)	WASTE PAPER RECEPTACLE WITH IMPERVIOUS, DISPOSABLE LINER OR DISPOSABLE WASTE RECEPTACLE;
34		5)	PERSONAL CARE EQUIPMENT AS NEEDED; AND
35		6)	STORAGE FACILITIES ADEQUATE FOR RESIDENTS' PERSONAL ARTICLES AND GROOMING.

1 2 3		l)	MINIM	BEDROOM SHALL BE PROVIDED WITH A SEPARATE CLOSET OR LOCKER FOR EACH RESIDENT. THE UM SIZE OF CLOSET OR LOCKER IN A NURSING CARE FACILITY SHALL BE 1 FOOT, 8 INCHES WIDE BY DT, 10 INCHES DEEP WITH FULL LENGTH HANGING SPACE, CLOTHES ROD AND SHELF.
4 5 6 7 8		J)	CALL I BED, \	RESIDENT ROOM SHALL BE EQUIPPED WITH A COMMUNICATION SYSTEM TO ALLOW RESIDENTS TO FOR STAFF ASSISTANCE. THE SYSTEM SHALL BE CAPABLE OF ACTIVATION FROM THE RESIDENT'S WITH EMERGENCY ACTIVATION FROM THE TOILET ROOM, AND EACH TUB AND SHOWER. THE EM SHALL NOTIFY STAFF OF A REQUEST FOR ASSISTANCE VIA AUDIBLE, VISUAL OR ELECTRONIC S.
9	22.3	SERV	ICE AR	EAS
10 11				IG SERVICE AREAS SHALL BE PROVIDED ON EACH FLOOR WHERE RESIDENTS RESIDE AND LOCATED γ FOR PATIENT CARE.
12 13		A)		E SHALL BE A STAFF WORK AREA IN EACH RESIDENT CARE UNIT, ALONG WITH ACCESS TO TOILET ITIES OTHER THAN THOSE IN RESIDENT ROOMS.
14		B)	THER	E SHALL BE A MEDICATION PREPARATION AREA EQUIPPED WITH:
15			1)	CABINETS WITH SUITABLE LOCKING DEVICES TO PROTECT MEDICATIONS STORED THEREIN;
16 17			2)	REFRIGERATOR EQUIPPED WITH THERMOMETER AND USED EXCLUSIVELY FOR PHARMACEUTICAL STORAGE;
18			3)	Counter work space;
19			4)	SINK WITH HAND WASHING FACILITIES; AND
20			5)	READY ACCESS TO MEDICATION REFERENCE MANUALS.
21 22 23		C)	BE ST	MEDICATIONS, EQUIPMENT, AND SUPPLIES FOR THEIR PREPARATION AND ADMINISTRATION SHALL ORED IN THE MEDICATION PREPARATION AREA. TEST REAGENTS, GENERAL DISINFECTANTS, NING AGENTS, AND OTHER SIMILAR PRODUCTS SHALL NOT BE STORED IN THE MEDICATION AREA.
24 25		D)		E SHALL BE A STORAGE AREA IN EACH RESIDENT CARE UNIT FOR CLEAN LINEN THAT IS USED ON A INE BASIS. THE ROOM SHALL BE EQUIPPED WITH:
26 27			1)	COUNTER, SINK WITH MIXING FAUCET, EASY TO USE CONTROLS, SANITARY SOAP AND A METHOD FOR SANITARY HAND-DRYING;
28 29			2)	WASTE CONTAINER WITH COVER (FOOT CONTROLLED RECOMMENDED) AND IMPERVIOUS, DISPOSABLE LINER; AND
30			3)	AREA FOR SUPPLIES.
31		E)	THER	E SHALL BE A SOILED HOLDING ROOM EQUIPPED WITH:
32 33			1)	SUITABLE COUNTER, DOUBLE-SINK WITH MIXING FAUCET, EASY TO USE CONTROLS, SANITARY SOAP AND A METHOD FOR SANITARY HAND-DRYING;
34 35			2)	WASTE CONTAINER WITH COVER (FOOT CONTROLLED RECOMMENDED) AND IMPERVIOUS, DISPOSABLE LINER;
36			3)	SPACE FOR SHORT-TIME HOLDING OF SPECIMENS AWAITING DELIVERY TO LABORATORY;

1			4)	ADEQUATE SHELF AND COUNTER SPACE; AND
2			5)	CLINICAL FLUSHING SINK.
3		F)	THERE	E SHALL BE A UTILITY CLOSET EQUIPPED WITH:
4			1)	SINK, PREFERABLY DEPRESSED OR FLOOR MOUNTED, WITH MIXING FAUCETS;
5			2)	HOOK STRIP FOR MOP HANDLES FROM WHICH SOILED MOP HEADS HAVE BEEN REMOVED;
6			3)	SHELVING FOR CLEANING MATERIALS;
7			4)	HAND WASHING FACILITIES; AND
8			5)	WASTE RECEPTACLES WITH IMPERVIOUS LINER.
9 10		G)	HALLV EQUIP	VAYS SHALL BE FREE OF OBSTRUCTIONS SUCH AS FURNITURE, MEDICAL SUPPLIES AND MENT.
11	22.4	BATH	ING RC	OOMS
12 13				HING ROOMS SHALL BE PROVIDED IN THE RATIO OF ONE TUB OR ONE SHOWER FOR EACH 15 DIMEET THE FOLLOWING CRITERIA:
14 15		A)		BARS SHALL BE SECURELY INSTALLED AT EACH TUB OR SHOWER AND BE STRONG ENOUGH TO ORT A RESIDENT'S WEIGHT.
16		B)	Tubs	SHALL HAVE A NON-SLIP SURFACE.
17 18		C)	THE R	OOM SHALL PROVIDE PRIVACY AND BE SUFFICIENTLY LARGE TO PROVIDE SPACE FOR WHEELCHAIR MENT.
19			1)	THE ENTRY DOOR SHALL BE AT LEAST 36 INCHES IN WIDTH.
20			2)	CURBS SHALL BE OMITTED FROM SHOWERS.
21 22		D)		ATHING AREA SHALL ALSO CONTAIN A TOILET AND SINK WITH MIXING FAUCET, EASY TO USE ROLS, SANITARY SOAP AND A METHOD FOR SANITARY HAND-DRYING.
23	22.5	EMER	GENCY	Y EQUIPMENT AND SUPPLIES
24		A)	THE F	OLLOWING ITEMS SHALL BE READILY AVAILABLE AT ALL TIMES:
25			1)	OXYGEN DELIVERY DEVICES;
26			2)	SUCTION DEVICES;
27			3)	PORTABLE EMERGENCY EQUIPMENT, SUPPLIES AND MEDICATIONS; AND
28			4)	COMPATIBLE SUPPLIES AND EQUIPMENT FOR IMMEDIATE INTRAVENOUS THERAPY.
29	SECT	ON 23	SECU	JRE ENVIRONMENT
30	23.1	COMP	LIANCE	

2 3		RESIDE	NTS SHA	LL COMP	ONE OR MORE RESIDENT CARE UNITS THAT ARE SECURED TO PROHIBIT FREE EGRESS OF LY WITH THE STANDARDS IN THIS SECTION IN ADDITION TO ALL OTHER APPLICABLE CHAPTER.
4 5 6 7	23.2	THE TE	AM SHAL	L INCLUE	GNATED TEAM TO EVALUATE PLACEMENT OF A RESIDENT IN A SECURE ENVIRONMENT. DE, AT A MINIMUM, THE DIRECTOR OF NURSING OR DESIGNEE, A SOCIAL SERVICES STAFF RATOR OR DESIGNEE AND AN INDIVIDUAL (WITH MENTAL HEALTH OR SOCIAL WORK ITE TO THE NEEDS OF THE RESIDENTS) WHO IS NOT A FACILITY STAFF MEMBER.
8 9 10		A)		MEMBER	ITUATIONS, INITIAL PLACEMENT MAY PROCEED WITHOUT THE INPUT OF A NON FACILITY PROVIDED A FULL TEAM EVALUATION IS COMPLETED WITHIN SEVEN DAYS OF
11 12 13		B)	FROM I	TS CONT	T IS A PLACEMENT FACILITY AS DEFINED IN THIS CHAPTER SHALL HAVE AN INDIVIDUAL RACTING DESIGNATED FACILITY ON THE EVALUATION TEAM FOR EVALUATIONS OF RED BY THE DESIGNATED FACILITY.
14	23.3	MENT	AL HEA	LTH PL	ACEMENT FACILITIES
15 16 17		502-1,	SECTION	121.280	PLACEMENT FACILITY AS DEFINED IN THIS CHAPTER SHALL ALSO COMPLY WITH 2 CCR, CARE AND TREATMENT OF PERSONS WITH A MENTAL HEALTH DISORDER IN A IN THE CASE OF CONFLICTING REGULATIONS, THE STRICTER SHALL APPLY.
18	23.4	PRE-A	DMISS	ION SCF	REENING AND PLACEMENT
19 20		A)			ACE A RESIDENT INTO A SECURE ENVIRONMENT, THE FACILITY SHALL ENSURE THAT ALL VING REQUIREMENTS ARE MET:
21			1)	AN EV	ALUATION TEAM FINDS, BASED ON AVAILABLE EVIDENCE, THAT:
22				a)	THE RESIDENT IS A SERIOUS DANGER TO SELF OR OTHERS, OR
23 24				b)	THE RESIDENT HABITUALLY WANDERS OR WOULD WANDER OUT OF BUILDINGS AND IS UNABLE TO FIND THE WAY BACK, OR
25 26				c)	THE RESIDENT HAS A SIGNIFICANT BEHAVIORAL HEALTH ISSUE THAT SERIOUSLY DISRUPTS THE RIGHTS OF OTHER RESIDENTS; AND IN ALL CASES
27 28				d)	LESS RESTRICTIVE ALTERNATIVES HAVE BEEN UNSUCCESSFUL IN PREVENTING HARM TO SELF OR OTHERS.
29			2)	A PRAG	CTITIONER HAS AUTHENTICATED THE PLACEMENT;
30 31			3)		EN FINDINGS AND THE FACTUAL BASIS FOR THE PLACEMENT ARE DOCUMENTED IN THE H INFORMATION RECORD; AND
32			4)	THE RE	ESIDENT OR RESIDENT REPRESENTATIVE HAS GIVEN INFORMED, WRITTEN CONSENT.
33 34 35				a)	IF THE RESIDENT LACKS DECISIONAL CAPACITY AND HAS NO RESIDENT REPRESENTATIVE THE FACILITY SHALL, WITHIN 30 DAYS OF PLACEMENT, PETITION THE APPROPRIATE COURT TO HAVE A GUARDIAN APPOINTED FOR THE RESIDENT.
36 37 38		B)		OSOCIAL	A SECURE ENVIRONMENT SHALL BE BASED SOLELY ON THE PHYSICAL AND NEEDS OF THE RESIDENT AND SHALL BE THE LEAST RESTRICTIVE ALTERNATIVE

2	23.5	A FACII 23.9.	Y SHALL HAVE WRITTEN PROGRAMS TO SUPPORT THE RESIDENTS IT ADMITS, AS REQUIRED BY SECTION						
3	23.6		RESIDENTS OF A SECURE ENVIRONMENT SHALL BE ALLOWED TO HAVE VISITORS AND PARTICIPATE IN ORGANIZED ACTIVITIES.						
5	23.7	PLACE	IENT EVALUATION						
6 7 8 9 10		A)	A RESIDENT'S PLACEMENT IN OR RESTRICTION TO A SECURE ENVIRONMENT SHALL TERMINATE IN A TIMELY MANNER WHEN THE CONDITION OR BEHAVIOR JUSTIFYING THE PLACEMENT HAVE DIMINISHED TO THE EXTENT THAT THE CRITERIA IN SECTION 23.4 ARE NO LONGER MET, OR WHEN CONSENT IS TERMINATED OR WITHDRAWN, OR IF THE FACILITY AND PRACTITIONER DETERMINE THAT SUCH CONTINUED PLACEMENT COULD ADVERSELY AFFECT RESIDENT HEALTH OR SAFETY.						
11 12			THE FACILITY SHALL PROVIDE THE SAME NOTICE AND APPEAL RIGHTS REQUIRED BY SECTION 15.6(E) AND (F) BEFORE MOVING A RESIDENT OUT OF A SECURE ENVIRONMENT.						
13 14 15		B)	THE EVALUATION TEAM DESCRIBED IN SECTION 23.2 SHALL RE-EVALUATE THE PLACEMENT OF EACH RESIDENT 30 DAYS AFTER INITIAL PLACEMENT AND NO LESS OFTEN THAN EVERY 180 DAYS THEREAFTER.						
16 17 18 19			Individuals under involuntary mental health placement under Section 27-65-101, C.R.S., et seq., shall be evaluated in accordance with 2 CCR 502-1, §21.280 Care and Treatment of Persons With a Mental Health Disorder in a Designated Facility.						
20 21 22		C)	FOR RESIDENTS WITH BEHAVIORAL HEALTH ISSUES WHOSE CONDITIONS HAVE STABILIZED, THE FACILITY MAY CONTINUE PLACEMENT IN THE SECURE ENVIRONMENT IF THE EVALUATION TEAM FINDS THAT PLACEMENT IS NECESSARY TO MEET THE RESIDENT'S INDIVIDUAL NEEDS.						
23	23.8	STAFF	IG						
24 25			THE FACILITY SHALL PROVIDE A SUFFICIENT NUMBER OF QUALIFIED STAFF TO MEET FULLY THE NEEDS OF RESIDENTS IN THE SECURE ENVIRONMENT, PARTICULARLY ON THE NIGHT SHIFT.						
26 27		A)	STAFF IN THE SECURE ENVIRONMENT SHALL BE EXPERIENCED AND TRAINED IN THE PARTICULAR NEEDS AND CARE OF ITS RESIDENTS.						
28 29 30		B)	FOR RESIDENTS IN THE SECURE ENVIRONMENT, THE FACILITY SHALL ENSURE THERE IS TIME AND STAFF DEDICATED TO MEET THE SOCIAL, EMOTIONAL AND RECREATIONAL NEEDS OF THE RESIDENTS AND THE SOCIAL AND EMOTIONAL NEEDS OF THEIR FAMILIES IN COPING WITH THE RESIDENT'S ILLNESS.						
31 32		C)	FOR RESIDENTS WITH MENTAL ILLNESS, THE FACILITY SHALL PROVIDE STAFF WHO HAVE DEMONSTRATED KNOWLEDGE AND SKILL IN CARING FOR RESIDENTS WITH MENTAL ILLNESS.						
33	23.9	PROG	AMS						
34 35 36		ENVIRO	ON TO MEETING THE SPECIAL MEDICAL AND NURSING NEEDS OF EACH RESIDENT IN THE SECURE MENT, THE FACILITY SHALL PROVIDE SOCIAL SERVICES AND ACTIVITY PROGRAMS ESPECIALLY DESIGNED SE RESIDENTS TO AVOID PROGRAMMATIC ISOLATION.						
37 38 39		A)	ACTIVITIES AND SOCIAL SERVICES PROGRAMS SHALL INCLUDE THE OPPORTUNITY FOR REGULAR NTERACTION WITH RESIDENTS NOT RESIDING IN THE SECURE ENVIRONMENT AND REGULAR NTERACTION WITH THE COMMUNITY OUTSIDE THE FACILITY.						

1	23.10	SECLU	SECLUSION					
2 3 4		CONFIN	ENTS OF THE SECURE ENVIRONMENT MAY NOT BE LOCKED INTO THEIR ROOMS. IF A PLACEMENT FACILITY IES TO A ROOM ANY INDIVIDUAL WHO IS UNDER INVOLUNTARY MENTAL HEALTH PLACEMENT, THE FACILITY COMPLY WITH 2 CCR 502-1, SECTION 21.280.42, USE OF SECLUSION.					
5	23.11	PHYSI	CAL SPACE					
6 7 8		LEAST '	TION TO THE PHYSICAL PLANT REQUIREMENTS OF THESE REGULATIONS, THE FACILITY SHALL PROVIDE AT 10 SQUARE FEET PER RESIDENT (EXCLUDING HALLWAYS) OF COMMON AREAS WITHIN THE SECURE NUMENT.					
9 10		A)	THE FACILITY SHALL IDENTIFY ITS METHOD FOR SECURING THE AREA AND ESTABLISH AND IMPLEMENT PROCEDURES FOR MONITORING THE EFFECTIVENESS OF THE SECURITY SYSTEM.					
11 12 13		B)	ANY FACILITY THAT HAS AN OUTSIDE AREA OR YARD THAT RESIDENTS IN THE NON-SECURE AREAS OF THE FACILITY MAY USE SHALL ESTABLISH A SECURE OUTSIDE AREA FOR RESIDENTS OF THE SECURE ENVIRONMENT.					
14	SECTI	ON 24	HOUSEKEEPING SERVICES					
15	24.1	ORGA	NIZATION					
16 17			ACILITY SHALL ESTABLISH AN ORGANIZED HOUSEKEEPING SERVICE THAT KEEPS THE FACILITY CLEAN, LY AND FREE FROM ODOR RESULTING FROM POOR HOUSEKEEPING PRACTICES.					
18 19		A)	THE FACILITY SHALL PROVIDE A SUFFICIENT NUMBER OF HOUSEKEEPING PERSONNEL AND ADEQUATE EQUIPMENT.					
20 21		B)	DEODORIZERS SHALL NOT BE USED TO COVER UP ODORS CAUSED BY UNSANITARY CONDITIONS OR INADEQUATE HOUSEKEEPING PRACTICES.					
22	24.2	EQUIP	EQUIPMENT AND SUPPLIES					
23 24			SUITABLE EQUIPMENT AND SUPPLIES SHALL BE PROVIDED FOR CLEANING OF ALL SURFACES. SUCH EQUIPMENT SHALL BE MAINTAINED IN A SAFE, SANITARY CONDITION.					
25	24.3	DISIN	FECTANTS					
26 27			DISINFECTANTS SHALL BE ONLY THOSE REGISTERED BY THE MANUFACTURER WITH THE UNITED STATES ENVIRONMENTAL PROTECTION AGENCY.					
28	24.4	STOR	AGE					
29 30		STORAGE AREAS, ATTICS, AND CELLARS SHALL BE KEPT SAFE AND FREE FROM ACCUMULATIONS OF EXTRANEOUS MATERIALS SUCH AS REFUSE, DISCARDED FURNITURE AND OLD NEWSPAPERS.						
31 32		A)	COMBUSTIBLES SUCH AS CLEANING RAGS AND COMPOUNDS SHALL BE KEPT IN CLOSED METAL CONTAINERS.					
33 34 35 36		В)	CLEANING COMPOUNDS AND OTHER HAZARDOUS SUBSTANCES (INCLUDING PRODUCTS LABELED "KEEP OUT OF REACH OF CHILDREN" ON THEIR ORIGINAL CONTAINERS) SHALL BE CLEARLY LABELED TO INDICATE CONTENTS AND (EXCEPT WHEN A STAFF MEMBER IS PRESENT) SHALL BE STORED IN A LOCATION SUFFICIENTLY SECURE TO DENY ACCESS TO CONFUSED RESIDENTS.					

2			,	HE FACILITY SHALL MAINTAIN A READILY AVAILABLE LIST AND THE MATERIAL SAFETY DATA HEET OF POTENTIALLY HAZARDOUS SUBSTANCES USED BY HOUSEKEEPING AND OTHER STAFF
3 4			,	TILITY ROOMS USED FOR STORING DISINFECTANTS AND DETERGENT CONCENTRATES, AUSTIC BOWL AND TILE CLEANERS AND INSECTICIDES SHALL BE LOCKED.
5 6		C)		WELS, TISSUES AND OTHER ABSORBENT PAPER GOODS SHALL BE STORED IN A MANNER THAT THEIR CONTAMINATION PRIOR TO USE.
7	24.5	CLEA	NING METH	HODS
8 9				E PERFORMED IN A MANNER TO MINIMIZE THE SPREAD OF PATHOGENIC ORGANISMS. FLOORS REGULARLY.
10	24.6	FLOO	R SURFAC	ES
11 12 13 14		CONTINUUM CONTIN	IUOUS, WASI PETED FLOO	ORS AND ADJACENT BASE COVING SHALL BE MAINTAINED TO PROVIDE A SMOOTH, HABLE SURFACE THAT IS FREE OF DISCOLORATION OR STAINING. POLISHES APPLIED TO RS SHALL PROVIDE A NONSLIP SURFACE. THROW OR SCATTER RUGS SHALL NOT BE USED LIP ENTRANCE MATS.
15	24.7	TRAIN	ING AND S	UPERVISION
16 17				RSONNEL SHALL RECEIVE ADEQUATE SUPERVISION. INITIAL AND ANNUAL IN-SERVICE TRAINING BE PROVIDED FOR HOUSEKEEPING PERSONNEL.
18	SECT	ION 25	LINEN A	ND LAUNDRY
19	25.1	LAUN	DRY SERV	CES
20 21 22		WASHII	NG, DRYING,	L PROVIDE LAUNDRY SERVICES, AND/OR CONTRACT WITH A COMMERCIAL LAUNDRY, WITH AND IRONING EQUIPMENT OF SUFFICIENT CAPACITY TO PROCESS A CONTINUOUS SEVEN-DAY TEN POUNDS OF DRY LAUNDRY PER BED PER DAY.
23 24		A)		EQUIPMENT SHALL MEET ALL SAFETY AND SANITARY REQUIREMENTS. THE EQUIPMENT SHALL ED AND INSTALLED TO COMPLY WITH ALL STATE AND LOCAL LAWS.
25 26		B)		EQUIPMENT, PROCESSING, AND PROCEDURES SHALL RENDER SOILED LINEN AND PATIENT CLEAN AND FREE FROM DETERGENT, SOAP, AND OTHER CHEMICAL RESIDUES.
27 28 29		C)	CONTRACT	Y SERVICES ARE NOT PROVIDED ENTIRELY WITHIN THE FACILITY, THERE SHALL BE A WRITTEN BETWEEN THE FACILITY AND A COMMERCIAL LAUNDRY SERVICE THAT ENSURES COMPLIANCE ION 25.1(B).
30 31 32		D)		EXCEPTION OF LAUNDRY AMENITIES USED SOLELY FOR RESIDENT'S PERSONAL EFFECTS, EQUIPMENT AND OPERATIONS SHALL BE LOCATED IN AN AREA SEPARATED FROM RESIDENT S.
33 34 35 36 37 38		E)	TRANSPORTO PROVID	ALL BE PROPER SPACING AND PLACING OF THE EQUIPMENT TO MINIMIZE MATERIAL STATION AND OPERATION; TO AVOID ALL CROSS TRAFFIC BETWEEN CLEAN AND SOILED LINEN; BE BALANCE OF OPERATIONS; AND TO PROVIDE STORAGE BETWEEN OPERATIONS. THE AIR MOVEMENT SHALL BE FROM THE CLEANEST AREAS TO THE MOST CONTAMINATED AREAS. UNDRY SHALL BE PROCESSED FREQUENTLY ENOUGH TO PREVENT EXCESSIVE UNSANITARY ATIONS.

1	25.2	WASHING TEMPERATURE
2 3 4		THE WATER TEMPERATURE AND DURATION OF WASHING CYCLE SHALL BE CONSISTENT WITH THE TEMPERATURE AND DURATION RECOMMENDED BY THE MANUFACTURERS OF THE LAUNDRY CHEMICALS AND EQUIPMENT BEING USED.
5	25.3	RESIDENT LINEN SUPPLY
6 7 8		LINEN SUPPLY (TOP AND BOTTOM SHEETS, PILLOWCASES, WASHCLOTHS, BATH AND FACE TOWELS) SHALL BE AT LEAST THREE COMPLETE CHANGES TIMES THE NUMBER OF LICENSED BEDS. ALL LINENS SHALL BE MAINTAINED CLEAN, IN GOOD REPAIR.
9	25.4	SOILED LINEN HANDLING
10 11 12 13		IN REMOVING AND HANDLING SOILED LINEN FROM A BED, THERE SHALL BE MINIMAL SHAKING OF THE LINEN. SOILED LINEN, INCLUDING BLANKETS, SHALL BE PLACED IN BAGS TIGHTLY CLOSED BEFORE REMOVAL FROM A BEDROOM. THE BAGS SHALL REMAIN CLOSED AND SHALL BE REMOVED FROM THE RESIDENT CARE UNIT AT LEAST EVERY 8 HOURS.
14	25.6	INFECTIOUS DISEASE LINEN
15 16 17		ALL LINENS AND BLANKETS FROM RESIDENTS WITH INFECTIOUS DISEASE SHALL BE PLACED IN BIO-HAZARDOUS BAGS AND TRANSPORTED IN THESE CLOSED BAGS. MEASURES SHALL BE TAKEN TO ENSURE THE DISINFECTION OF CONTAMINATED LAUNDRY AND PROTECTION OF PERSONS DOING LAUNDRY.
18	25.7	SORTING AND PRE-RINSING
19 20 21		PRE-RINSING, SORTING AND ALL OTHER LINEN AND LAUNDRY OPERATIONS SHALL BE CONFINED TO THE LAUNDRY FACILITY AND SHALL NOT BE PERMITTED IN THE RESIDENT'S ROOM, BATHTUB, SHOWER, LAVATORY OR UTILITY CLOSETS.
22	25.8	LAUNDRY CHUTES
23 24 25		IF LAUNDRY CHUTES ARE USED, ALL SOILED LINEN, CLOTHING AND OTHER ITEMS DEPOSITED IN THEM SHALL FIRST BE ENCLOSED IN BAGS BEFORE PLACING THEN IN CHUTE. LAUNDRY CHUTES SHALL BE REGULARLY CLEANED.
26	25.9	SOILED LAUNDRY CARTS
27 28 29		CARTS AND HAMPERS USED TO TRANSPORT SOILED LAUNDRY SHALL BE COVERED AND CONSTRUCTED OF OR LINED WITH IMPERVIOUS MATERIALS, CLEANED AND DISINFECTED AFTER USE, AND USED ONLY FOR TRANSPORTING SOILED LAUNDRY.
30	25.10	SOILED LINEN STORAGE
31 32		THE FACILITY SHALL PROVIDE A SEPARATE SOILED LINEN STORAGE AND SORTING AREA, MECHANICALLY VENTILATED TO THE OUTSIDE ATMOSPHERE. NO RE-CIRCULATION OF AIR FROM THIS AREA IS PERMITTED.
33	25.11	RESIDENT CLOTHING
34 35		RESIDENT CLOTHING AND LAUNDRY SHALL BE PROCESSED AND STORED IN A MANNER SO THAT PERSONAL ITEMS ARE READILY IDENTIFIABLE.
36	25.12	CLEAN LINEN STORAGE

1 A CLEAN LINEN FOLDING/STORAGE ROOM SHALL BE PROVIDED AS PART OF THE LAUNDRY AREA, LOCATED 2 ADJACENT TO THE DRYING EQUIPMENT. POSITIVE PRESSURE SHALL BE MAINTAINED IN THIS AREA. 3 25.13 CLEAN LINEN HANDLING 4 CLEAN LINEN SHALL BE TRANSPORTED IN A MANNER THAT PRESERVES ITS CLEAN CONDITION SO THAT IT IS 5 CLEAN AT THE SITE OF ITS USE. 6 SECTION 26 INFECTION CONTROL 7 26.1 INFECTION CONTROL PROGRAM 8 THE FACILITY SHALL HAVE AN INFECTION CONTROL PROGRAM THAT PROVIDES ANNUAL IN-SERVICE TRAINING ON 9 INFECTION CONTROL AND SHALL HAVE CURRENT INFECTION CONTROL POLICIES AND PROCEDURES AVAILABLE TO 10 ALL STAFF MEMBERS. 11 26.2 **POLICIES** 12 THE FACILITY SHALL HAVE AND FOLLOW WRITTEN POLICIES, APPROVED BY THE GOVERNING BODY ADDRESSING 13 THE TRANSMISSION OF COMMUNICABLE DISEASES WITH A SIGNIFICANT RISK OF TRANSMISSION TO OTHER 14 PERSONS AND FOR REPORTING DISEASES TO THE STATE AND/OR LOCAL HEALTH DEPARTMENT, PURSUANT TO 6 15 CCR 1009-1. Rules and Regulations Pertaining to Epidemic and Communicable Disease Control. 16 26.3 THE FACILITY'S WRITTEN POLICIES AND PROCEDURES REGARDING INFECTION CONTROL SHALL BE CONSISTENT 17 WITH THE CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC): GUIDELINE FOR ISOLATION 18 PRECAUTIONS: PREVENTING TRANSMISSION OF INFECTIOUS AGENTS IN HEALTHCARE SETTINGS, 2007 AND 19 GUIDELINES FOR ENVIRONMENTAL INFECTION CONTROL IN HEALTH-CARE FACILITIES, 2003, WHICH ARE 20 INCORPORATED BY REFERENCE CONSISTENT WITH SECTION 1.3 OF THIS CHAPTER. 21 A) THOSE POLICIES AND PROCEDURES SHALL INCLUDE AT A MINIMUM, ALL OF THE FOLLOWING CRITERIA: 22 1) STAFF SHALL EXERCISE CAUTION WHEN HANDLING SHARP OBJECTS SUCH AS NEEDLES AROUND 23 RESIDENTS. NEEDLES SHALL NOT BE RECAPPED, BROKEN OFF OR DISPOSED OF IN OTHER THAN 24 PUNCTURE-PROOF CONTAINERS. 25 2) LINEN AND CLOTHING OF RESIDENTS WITH COMMUNICABLE INFECTIONS SHALL BE WASHED IN A 26 MANNER THAT ENSURES DISINFECTION. 27 3) STAFF SHALL WEAR DISPOSABLE GLOVES WHEN HANDLING ITEMS SOILED WITH BLOOD OR 28 BODY FLUIDS. 4) RESUSCITATION EQUIPMENT SHALL BE IMMEDIATELY AVAILABLE IN THE EVENT ITS USE 30 BECOMES NECESSARY. 31 5) WEARING DISPOSABLE GLOVES, STAFF SHALL IMMEDIATELY CLEAN UP SPILLS OF BLOOD OR BODILY FLUID FROM RESIDENTS WITH COMMUNICABLE INFECTIONS. STAFF SHALL THEN 33 DISINFECT THE CONTAMINATED AREA USING AN APPROPRIATE CONCENTRATION OF A DISINFECTANT CERTIFIED BY THE MANUFACTURER TO BE EFFECTIVE AS USED. 35 6) ALL DISPOSABLE EQUIPMENT CONTAINING INFECTIVE WASTE SHALL BE DISPOSED OF IN THE 36 ROOM WHERE IT IS USED IN STURDY PLASTIC BAGS AND THEN RE-BAGGED OUTSIDE THE ROOM. 37 IT SHALL EITHER BE AUTOCLAVED OR INCINERATED PRIOR TO DISPOSAL IN A SANITARY LANDFILL.

Page 113 of 123

1 2 3		7) FACILITY ACCESS OF NON-RESIDENT INDIVIDUALS WITH CONTAGIOUS CONDITIONS SHALL BE RESTRICTED UNTIL THOSE INDIVIDUALS ARE NO LONGER CONTAGIOUS, THE INFECTIOUS PERIOD HAS EXPIRED OR PERSONAL PROTECTIVE EQUIPMENT IS PROVIDED.
4	26.4	RESIDENT ISOLATION
5 6 7 8		FACILITIES SHALL PROVIDE FOR THE ISOLATION OF RESIDENTS WITH COMMUNICABLE DISEASES WHERE APPROPRIATE.—INDIVIDUAL RESIDENT FACTORS ARE IMPORTANT DETERMINANTS OF INFECTION TRANSMISSION RISKS AND THE NEED FOR A SINGLE ROOM AND/OR PRIVATE BATHROOM FOR ANY RESIDENT IS BEST DETERMINED ON A CASE-BY-CASE BASIS.
9	26.5	SANITATION OF NURSING AND RESIDENT CARE EQUIPMENT
10 11		NURSING AND RESIDENT CARE EQUIPMENT SHALL BE PROPERLY CLEANED, SANITIZED, DISINFECTED OR STERILIZED, AND STORED.
12 13 14 15	26.6	DISPOSABLE EQUIPMENT AND SUPPLIES. SINGLE SERVICE DISPOSABLE CARE EQUIPMENT SHALL BE USED ONLY ONCE AND SHALL BE DISPOSED OF IN AN APPROVED MANNER. REUSABLE DISPOSABLE CARE EQUIPMENT SHALL BE USED ONLY FOR THE RESIDENT TO WHOM ASSIGNED. DISPOSABLE STERILE EQUIPMENT SHALL BE CERTIFIED BY THE DISTRIBUTOR AS STERILE AND BE DESTROYED AFTER INITIAL USE.
16	26.7	HANDWASHING
17 18 19 20		PERSONNEL SHALL WASH THEIR HANDS BEFORE AND AFTER CONTACT WITH A RESIDENT, AFTER CONTACT WITH A CONTAMINATED OBJECT OR WASTE AND ADHERE TO THE CDC GUIDELINES FOR HAND HYGIENE IN HEALTH-CARE SETTINGS, 2002, WHICH IS INCORPORATED BY REFERENCE CONSISTENT WITH SECTION 1.3 OF THIS CHAPTER.
21	26.8	SANITATION OF AIR
22 23		DESIGN, INSTALLATION, AND OPERATION OF HEATING/COOLING/VENTILATION SYSTEM SHALL ENSURE ADEQUATE MICROBIAL CONTROL OF THE AIR.
24	26.9	PETS
25 26		THE FACILITY SHALL ENSURE THAT PET ANIMALS EITHER RESIDING AT OR VISITING THE FACILITY HAVE BEEN APPROPRIATELY VACCINATED AND LICENSED.
27	SECTIO	ON 27 PEST CONTROL
28 29	27.1	THE FACILITY SHALL HAVE WRITTEN POLICIES AND PROCEDURES THAT PROVIDE FOR EFFECTIVE CONTROL AND ERADICATION OF INSECTS, RODENTS AND OTHER PESTS.
30 31 32 33	27.2	THE FACILITY SHALL HAVE A PEST CONTROL PROGRAM PROVIDED BY MAINTENANCE PERSONNEL OR BY CONTRACT WITH A PEST CONTROL COMPANY USING THE LEAST TOXIC AND LEAST FLAMMABLE EFFECTIVE PESTICIDES. THE PESTICIDES SHALL NOT BE STORED IN PATIENT OR FOOD AREAS AND SHALL BE KEPT UNDER LOCK AND ONLY PROPERLY TRAINED RESPONSIBLE PERSONNEL SHALL BE ALLOWED TO APPLY THEM.
34 35 36	27.3	SCREENS OR OTHER PEST CONTROL MEASURES SHALL BE PROVIDED ON ALL EXTERIOR OPENINGS EXCEPT WHERE PROHIBITED BY FIRE REGULATIONS. FACILITY DOORS, DOOR SCREENS AND WINDOW SCREENS SHALL FIT WITH SUFFICIENT TIGHTNESS AT THEIR PERIMETERS TO EXCLUDE PESTS.
37	SECTIO	ON 28 WASTE DISPOSAL

38 28.1 SEWAGE AND SEWER SYSTEMS

2 3		IN A MA	WAGE SHALL BE DISCHARGED INTO A PUBLIC SEWER SYSTEM, OR IF SUCH IS NOT AVAILABLE, DISPOSED OF INNER APPROVED BY THE STATE AND LOCAL HEALTH AUTHORITIES AND THE COLORADO WATER QUALITY ROL COMMISSION.		
4 5		A)	WHEN PRIVATE SEWAGE DISPOSAL SYSTEMS ARE IN USE, RECORDS OF MAINTENANCE AND THE SYSTEM DESIGN PLANS SHALL BE KEPT ON THE PREMISES.		
6 7 8		B)	NO UNPROTECTED EXPOSED SEWER LINE SHALL BE LOCATED DIRECTLY ABOVE WORKING, STORAGE OR EATING SURFACES IN KITCHENS, DINING ROOMS, PANTRIES, FOOD STORAGE ROOMS, OR WHERE MEDICAL OR NURSING SUPPLIES ARE PREPARED, PROCESSED OR STORED.		
9	28.2	MEDIC	CAL WASTE		
10 11			AL WASTE SHALL BE DISPOSED OF IN ACCORDANCE WITH THE DEPARTMENT'S REGULATIONS PERTAINING LID WASTE DISPOSAL SITES AND FACILITIES AT 6 CCR 1007-2, PART 1, SECTION 13, MEDICAL WASTE.		
12	28.3	REFU	SE		
13 14 15		CONTA	RBAGE AND RUBBISH THAT IS NOT DISPOSED OF AS SEWAGE SHALL BE COLLECTED IN IMPERVIOUS INCERS IN SUCH MANNER AS NOT TO BECOME A NUISANCE OR A HEALTH HAZARD AND SHALL BE REMOVED OUTSIDE APPROVED STORAGE AREA AT LEAST ONCE A DAY.		
16		A)	THE REFUSE STORAGE AREA SHALL BE KEPT CLEAN, AND FREE FROM NUISANCE.		
17 18		B)	A SUFFICIENT NUMBER OF IMPERVIOUS CONTAINERS WITH TIGHT FITTING LIDS SHALL BE PROVIDED AND KEPT CLEAN AND IN GOOD REPAIR.		
19 20		C)	CARTS USED TO TRANSPORT REFUSE SHALL BE CONSTRUCTED OF IMPERVIOUS MATERIALS, ENCLOSED, USED SOLELY FOR REFUSE AND MAINTAINED IN A SANITARY MANNER.		
21	28.4	INCIN	ERATORS		
22 23			ACILITY USING AN INCINERATOR SHALL OBTAIN A PERMIT TO OPERATE AN INCINERATOR FROM THE STATE OLLUTION CONTROL DIVISION AND MAINTAIN THE PERMIT ON FILE.		
24		A)	THE FACILITY SHALL COMPLY WITH FEDERAL, STATE AND LOCAL AIR POLLUTION REGULATIONS.		
25 26		B)	THE INCINERATOR SHALL BE CONSTRUCTED IN A MANNER THAT PREVENTS INSECT AND RODENT BREEDING AND HARBORAGE.		
27	SECTI	ON 29	RELIGIOUS TREATMENT EXCLUSIONS		
28	29.1	EXCE	PTION OF CERTAIN FACILITIES		
29 30 31 32 33		THIS CHAPTER OF REGULATION DOES NOT APPLY TO ANY NURSING FACILITY CONDUCTED BY OR FOR THE ADHERENTS OF ANY WELL-RECOGNIZED CHURCH OR RELIGIOUS DENOMINATION FOR THE PURPOSE OF PROVIDING FACILITIES FOR THE CARE AND TREATMENT OF THE SICK WHO DEPEND EXCLUSIVELY UPON SPIRITUMEANS THROUGH PRAYER FOR HEALING IN THE PRACTICE OF THE RELIGION OF SUCH CHURCH OR DENOMINATION.			
34	29.2	EXCE	PTION FOR RELIGIOUS BELIEFS		
35 36			NG IN THIS CHAPTER AUTHORIZES THE DEPARTMENT TO IMPOSE ON A RESIDENT ANY MODE OF TREATMENT SISTENT WITH THE RESIDENT'S RELIGIOUS BELIEF.		

SECTION 30 MEDICAID CERTIFICATION STANDARDS

30.1 FOR THE PURPOSE OF FULFILLING ITS FACILITY CERTIFICATION RESPONSIBILITIES AS THE STATE SURVEY
AGENCY PURSUANT TO SECTION 25-1.5-103(1)(A)(I)(C), C.R.S.; TITLE XIX (MEDICAID) OF THE SOCIAL
SECURITY ACT (42 U.S.C. SECTION 1396(A), ET SEQ.); AND THE COLORADO MEDICAL ASSISTANCE ACT,
SECTION 25.5-4-101, ET SEQ., C.R.S.; THE DEPARTMENT SHALL APPLY AND ENFORCE THE SKILLED NURSING
FACILITY CERTIFICATION STANDARDS OF THE U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES LOCATED IN
TITLE 42 OF THE U.S. CODE OF FEDERAL REGULATIONS.

SECTION 31 ENFORCEMENT ACTIVITIES

1

8

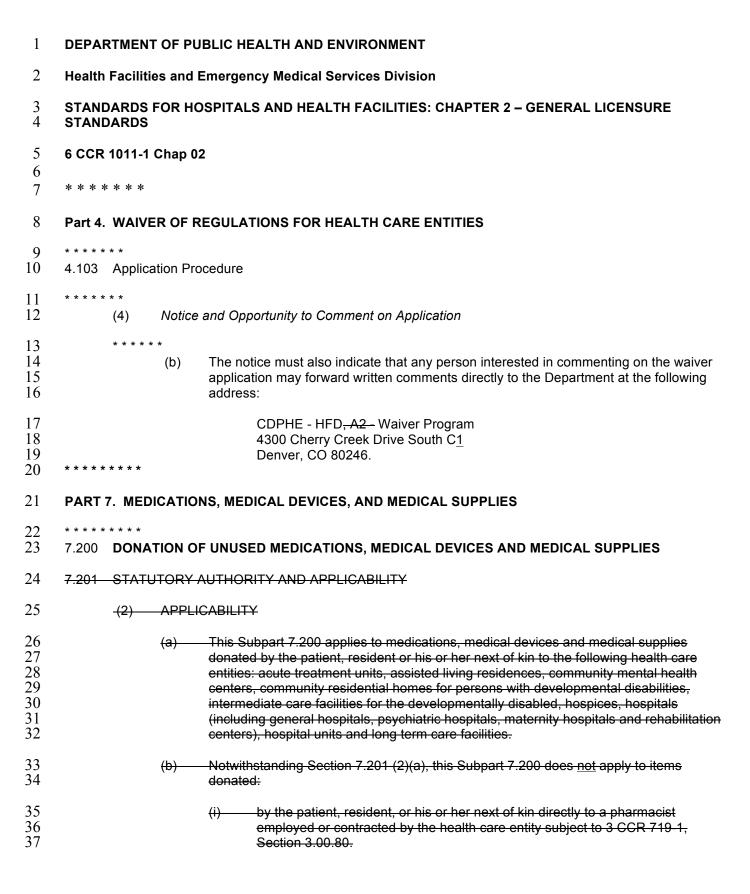

35

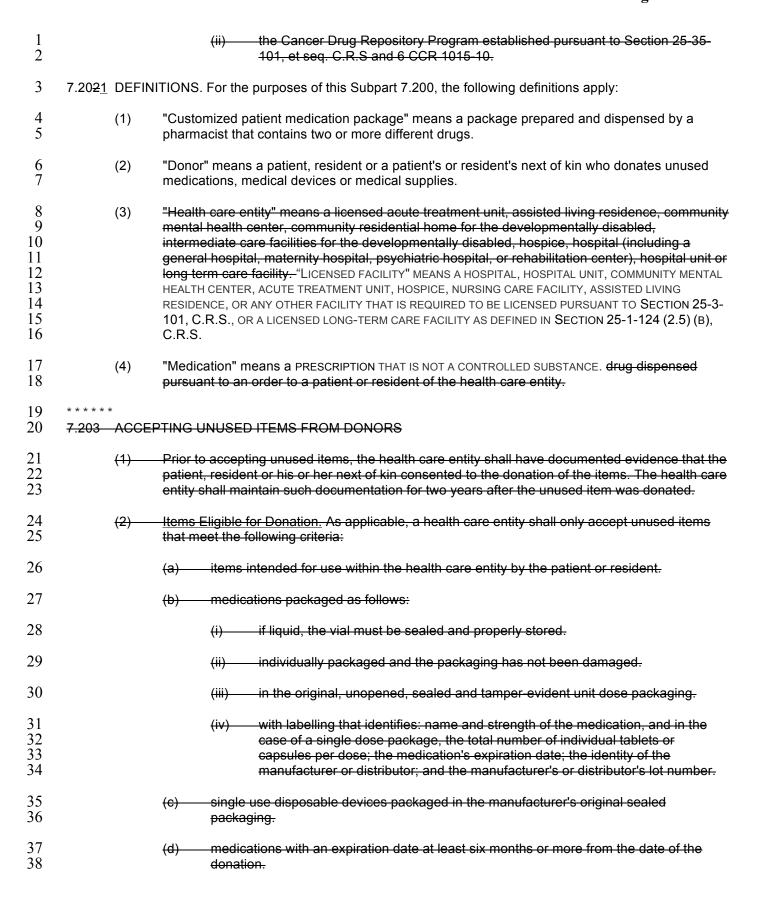

- 9 FOR NURSING CARE FACILITIES CERTIFIED TO PROVIDE MEDICAID SERVICES: 10 31.1 THE DEPARTMENT, AS THE STATE AGENCY RESPONSIBLE FOR CERTIFYING NURSING CARE FACILITIES, IS 11 AUTHORIZED UNDER SECTIONS 25-1-107.5 AND 25.5-6-205, C.R.S. TO RECOMMEND TO THE DEPARTMENT OF 12 HEALTH CARE POLICY AND FINANCING (HCPF) THAT REMEDIES BE IMPOSED AGAINST A NURSING CARE FACILITY 13 THAT VIOLATES THE FEDERAL REGULATIONS FOR PARTICIPATION IN THE MEDICAID PROGRAM AS ENUMERATED IN 14 42 USC §1396r(H). THE REMEDIES RECOMMENDED SHALL INCLUDE ANY REMEDIES REQUIRED UNDER FEDERAL 15 LAW AND THE IMPOSITION OF CIVIL MONEY PENALTIES. ASSESSMENT, ENFORCEMENT AND COLLECTION OF ANY 16 CIVIL MONEY PENALTY RECOMMENDED UNDER THIS SECTION AND THE DENIAL OF MEDICAID PAYMENTS SHALL BE 17 HCPF'S RESPONSIBILITY. 18 31.2 IN DETERMINING WHETHER TO RECOMMEND IMPOSITION OF A CIVIL MONEY PENALTY, THE DEPARTMENT MAY 19 CONSIDER MITIGATING FACTORS SUCH AS CHANGE OF OWNERSHIP; CIRCUMSTANCES OUTSIDE THE FACILITY'S 20 REASONABLE CONTROL; AND REASONABLE, GOOD FAITH EFFORTS TO RESOLVE THE VIOLATION(S). 21 31.3 IN DETERMINING THE AMOUNT OF THE PENALTY TO RECOMMEND FOR ASSESSMENT BY HCPF, THE DEPARTMENT 22 SHALL CONSIDER, AT A MINIMUM, THE FOLLOWING ITEMS: 23 A) THE PERIOD OF TIME OVER WHICH THE VIOLATION OCCURRED; 24 B) THE FREQUENCY OF THE VIOLATION; 25 C) THE NURSING CARE FACILITY'S HISTORY CONCERNING THE TYPE OF VIOLATION FOR WHICH THE 26 PENALTY IS ASSESSED; 27 D) THE NURSING CARE FACILITY'S INTENT OR REASON FOR THE VIOLATION: 28 E) THE EFFECT, IF ANY, OF THE VIOLATION ON RESIDENTS' HEALTH, SAFETY, SECURITY OR WELFARE (I.E., 29 SEVERITY); 30 F) THE EXISTENCE OF OTHER VIOLATIONS, IN COMBINATION WITH THE VIOLATION FOR WHICH THE PENALTY 31 IS ASSESSED, WHICH INCREASE THE THREAT TO RESIDENTS' HEALTH, SAFETY, SECURITY OR WELFARE; 32 G) THE ACCURACY, THOROUGHNESS AND AVAILABILITY OF RECORDS REGARDING THE VIOLATION WHICH 33 THE NURSING CARE FACILITY IS REQUIRED TO MAINTAIN; AND 34 H) THE NUMBER OF ADDITIONAL RELATED VIOLATIONS OCCURRING WITHIN THE SAME TIME SPAN AS THE
- 31.4 IN THE EVENT THE DEPARTMENT DETERMINES THAT A VIOLATION IS LIFE THREATENING TO ONE OR MORE
 RESIDENTS OR CREATES A DIRECT THREAT OR SERIOUS ADVERSE HARM TO THE HEALTH, SAFETY, SECURITY,
 RIGHTS OR WELFARE OF ONE OR MORE RESIDENTS, HCPF SHALL IMPOSE A PENALTY FOR EACH DAY THE
 DEFICIENCIES THAT CONSTITUTE THE VIOLATION ARE FOUND TO EXIST.

VIOLATION IN QUESTION.

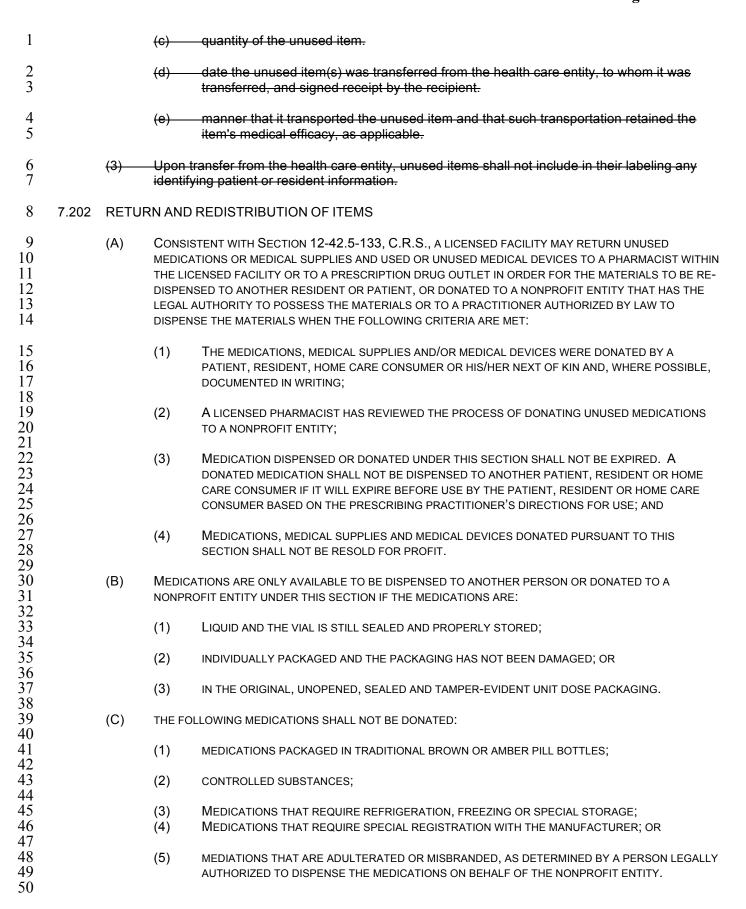

Page 116 of 123

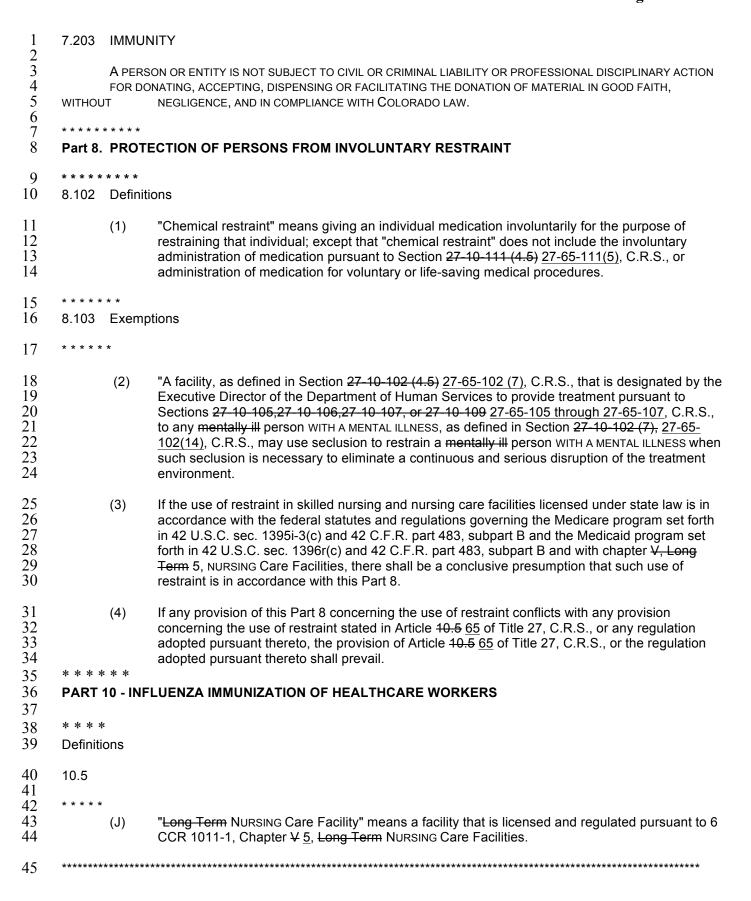

31.5	In accordance with Section 25-1-107.5(3), C.R.S., any civil money penalty recommended by the Department shall be not less than \$100 or more than \$10,000 for each day the facility is found to have been in violation of the federal regulations. Penalties assessed shall include interest at the statutory rate.	
31.6	IF THE DEPARTMENT RECOMMENDS IMPOSITION OF A CIVIL MONEY PENALTY, IT SHALL NOTIFY THE NURSING CARE FACILITY NO LATER THAN FIVE DAYS AFTER THE LAST DAY OF THE INSPECTION OR SURVEY DURING WHICH THE DEFICIENCIES THAT CONSTITUTE THE VIOLATION WERE FOUND. SUCH NOTICE SHALL COMPLY WITH SECTION 25-1-107.5(3)(C)(II),C.R.S.	
31.7	WRITTEN PLANS OF CORRECTION SHALL COMPLY WITH 6 CCR 1011-1, CHAPTER 2, PART 2.11.4(B).	
31.8	NOTHING IN THIS SECTION PRECLUDES THE DEPARTMENT FROM IMPOSING ANY OTHER REMEDIES ALLOWED BY STATE LAW INCLUDING, BUT NOT LIMITED TO, THOSE DESCRIBED IN 6 CCR 1011-1, CHAPTER 2, PART 2.11 AND 2.12.	
FOR LICENSED, NON-CERTIFIED NURSING CARE FACILITIES:		
31.9	THE DEPARTMENT MAY IMPOSE ANY ENFORCEMENT REMEDY AUTHORIZED BY STATE LAW OR REGULATION.	
31.10	ENFORCEMENT ACTIVITIES SHALL BE CONDUCTED IN ACCORDANCE WITH 6 CCR 1011-1, CHAPTER 2.	
SECTION 32 LICENSING FEES		
32.1	ALL LICENSE FEES ARE NON-REFUNDABLE. THE TOTAL FEE SHALL BE SUBMITTED WITH THE APPROPRIATE LICENSE APPLICATION.	
32.2	Initial license - \$6,000 per facility.	
32.3	RENEWAL LICENSE - THE ANNUAL RENEWAL FEE SHALL BE AS FOLLOWS.	
	MEDICARE AND/OR MEDICAID CERTIFIED FACILITY: \$1,600 BASE FEE PLUS \$8 PER BED.	
	Non-certified facility: \$3,480 base fee plus \$8 per bed.	
32.4	Change of ownership - Change of ownership shall be determined in accordance with the criteria set forth in 6 CCR 1011-1, Chapter 2, Part 2. The fee shall be \$6,000 per facility.	
32.5	OPENING A SECURE UNIT - A FACILITY THAT WISHES TO OPEN A SECURE UNIT SHALL SUBMIT A FEE OF \$1,600 IN ADDITION TO ANY OTHER APPLICABLE LICENSE FEES.	
	31.6 31.7 31.8 FOR LIG 31.9 31.10 SECTIO 32.1 32.2 32.3	

1	(3)	Items Not Eligible for Donation. A health care entity shall not accept medications that:
2		(a) were dispensed in a traditional brown or amber pill bottles.
3		(b) are controlled substances.
4		(c) require refrigeration, freezing, or special storage.
5		(d) require special registration with the manufacturer.
6		(e) are adulterated or misbranded, as determined by the health care entity.
7		(f) are dispensed in a customized patient medication package.
8		(g) are compounded drugs.
9		(h) are packaged by a pharmacist as split tablets or capsules.
10 11	(4)	Policies and Procedures. Health care entities that accept unused items shall develop and implement policies and procedures regarding:
12		(a) Storage. Unused items shall be stored:
13 14 15		(i) in a manner that retains the items' medical efficacy as provided for by storage protocols approved by a licensed pharmacist. Such protocols shall be reviewed and approved by a licensed pharmacist at least every three years.
16		(ii) separately from non-donated unused items.
17		(b) Inventory control. The health care entity shall:
18 19 20		(i) develop processes for the prevention and detection of diversion of donated unused items that may be illegally sold. When diversion is detected, prompt appropriate corrective measures shall be implemented.
21 22		(ii) adequately dispose of unused donated items not transferred to a pharmacist or a relief agency.
23 24		(c) Transporting unused items. If the health care entity is responsible for transporting unused items, it shall do so in a manner that retains the item's medical efficacy.
25	7.204 TRAN	SFERRING UNUSED ITEMS FROM THE HEALTH CARE ENTITY
26 27 28	1)	A health care entity may transfer unused items to pharmacists or nonprofit relief entities as authorized by Section 12-22-133 (2), C.R.S.
29 30	(2)	The health care entity shall maintain a record, to be retained for two years after the unused item was transferred from the health care entity, of the:
31 32		(a) name of the donor and the date the unused item was donated to the health care entity, as applicable.
33		(b) name or a brief description of the unused item.

Notice of Public Rule-Making Hearing Scheduled for March 16, 2016

NOTICE is hereby given pursuant to the provisions of Section 24-4-103, C.R.S., that the Colorado Board of Health will conduct a public rule-making hearing on March 16, 2016 at 10 a.m. in the Sabin-Cleere Conference Room of the Colorado Department of Public Health and Environment, Bldg. A, First Floor, 4300 Cherry Creek Drive, South, Denver, CO 80246, to consider the promulgation of amendments to 6 CCR 1011-1, Chapter 5 Long Term Care Facilities and Chapter 2, General Licensure Standards. The proposed amendments have been developed by the Health Facilities and Emergency Medical Services Division of the Colorado Department of Public Health and Environment pursuant to Section 25-1.5-103, C.R.S. (2015); Section 25-1-107.5, C.R.S. (2015); Section 25-1-120, C.R.S. (2015); Section 25-3-101, et seq., C.R.S. (2015); and Section 18-6.5-108(1)(b)(V), C.R.S. (2015). Chapter 5 is being renamed to correspond with state statute and the entire chapter has been rewritten to reflect current practice standards, eliminate duplicative and obsolete sections and better align with federal requirements.

The agenda for the meeting and the proposed amendments will also be available on the Board's website, https://www.colorado.gov/pacific/cdphe/boh at least seven (7) days prior to the meeting. The proposed rules, together with the proposed statement of basis and purpose, specific statutory authority and regulatory analysis will be available for inspection at the Colorado Department of Public Health and Environment, 4300 Cherry Creek Drive South EDO-A5, Denver, Colorado 80246-1530 at least five working days prior to the hearing. Copies of the proposed rules may be obtained by contacting the Colorado Department of Public Health and Environment, Health Facilities and Emergency Medical Services Division, HFEMSD-C1, 4300 Cherry Creek Drive S., Denver, CO 80246, (303) 692-2800.

The Board encourages all interested persons to participate in the hearing by providing written data, views, or comments, or by making oral comments at the hearing. At the discretion of the Chair, oral testimony at the hearing may be limited to three minutes or less depending on the number of persons wishing to comment. Pursuant to 6 CCR 1014-8, §3.02.1, written testimony must be submitted no later than five (5) calendar days prior to the rulemaking hearing. Written testimony is due by 5:00 p.m., Thursday, March 10, 2016. Persons wishing to submit written comments should submit them to: Colorado Board of Health, ATTN: Jamie L. Thornton, Program Assistant, Colorado Department of Public Health and Environment, 4300 Cherry Creek Drive South EDO-A5, Denver, Colorado 80246-1530 or by e-mail at: cdphe.bohrequests@state.co.us

From: Laurie Schoder, Policy Analyst, Health Facilities and Emergency Medical Services

Division

Through: D. Randy Kuykendall, MLS; Director DRK

Date: January 20, 2016

Subject: Proposed Amendments to 6 CCR 1011-1, Standards for Hospitals and Health Facilities,

Chapter 26, Home Care Agencies, with a Request for the Rulemaking Hearing to

occur on March 16, 2016.

The Health Facilities and Emergency Medical Services Division is proposing amendments to Chapter 26, Home Care Agencies, in order to comply with House Bill 14-1360. Section 25-27.5-106(2)(a.5)(II), as amended by H.B. 14-1360, directed the Departments of Public Health and Environment and Health Care Policy and Financing to form a workgroup and develop a plan to identity gaps and conflicts in the requirements imposed by each department with regard to the regulation of home care providers.

The Department assembled a 1360 workgroup comprised of individuals from both skilled and personal care agencies; front range, western slope and rural agencies; consumers and/or family members of consumers; representatives of agencies providing home and community based waiver services such as In Home Support Services, Intellectually and Developmentally Disabled services, Supported Living Services and Children's Extensive Support Services; Representatives from Community Centered Boards and Program Approved Service Agencies; as well as community advocates and a representative from the Department of Health Care Policy and Financing (HCPF).

The 1360 workgroup compared Department and HCPF requirements in the following areas of home care agency services: Client rights, personal care definitions, specific care situations, supervision requirements, training requirements and various policies and procedures. The majority of the gaps and conflicts identified by the workgroup will be resolved through Departmental guidance or HCPF rule changes. The proposed amendments presented here will address the remaining issues that needed clarification.

STATEMENT OF BASIS AND PURPOSE AND SPECIFIC STATUTORY AUTHORITY

For Amendments to 6 CCR 1011-1, Standards for Hospitals and Health Facilities, Chapter 26, Home Care Agencies January 20, 2016

Basis and Purpose:

Section 25-27.5-106, C.R.S. (2015) Section 25-1.5-103, C.R.S. (2015)

Section 25-27.5-106(2)(a.5)(II), as amended by House Bill 14-1360, directed the Departments of Public Health and Environment and Health Care Policy and Financing (HCPF) to form a workgroup and develop a plan to identity gaps and conflicts in the requirements imposed by each department with regard to the regulation of home care providers. Subsection (C) then directed the Board of Health to adopt any rules necessary to resolve the gaps and conflicts that were identified.

The Department assembled a 1360 workgroup that compared Department and HCPF requirements in the following areas of home care agency services: Client rights, personal care definitions, specific care situations, supervision requirements, training requirements and various policies and procedures. The majority of the gaps and conflicts identified by the workgroup will be resolved through Departmental guidance or HCPF rule changes. The remaining issues that were deemed to need clarification are being addressed here through the proposed amendments.

These rules are promulgated pursuant to the following statutes:

Section 25-3-101, et seq., C.R.S. (2015)
SUPPLEMENTAL QUESTIONS
Is this rulemaking due to a change in state statute? X Yes House Bill 14-1360.
No
Is this rulemaking due to a federal statutory or regulatory change? Yes X No
Does this rule incorporate materials by reference?
Yes X No
Does this rule create or modify fines or fees?
Yes No

REGULATORY ANALYSIS

For Amendments to 6 CCR 1011-1, Standards for Hospitals and Health Facilities, Chapter 26, Home Care Agencies January 20, 2016

1. A description of the classes of persons who will be affected by the rule, including classes that will bear the costs of the proposed rule and classes that will benefit from the rule.

The classes of persons affected by the amendments will be home care agencies and the consumers of home care services. The amendments consist of relatively minor clarifications in language and are not anticipated to generate costs for any class of persons.

2. To the extent practicable, a description of the probable quantitative and qualitative impact of the proposed rule, economic or otherwise, upon affected class of persons.

The proposed amendments are expected to have a positive qualitative and quantitative impact on all licensed home care agencies by resolving gaps and conflicts in the corresponding regulations of two state agencies - the Department of Health Care Policy and Financing and the Department of Public Health and Environment. These changes will reduce regulatory confusion and clarify regulatory expectations for all home care agencies.

3. The probable costs to the agency and to any other agency of the implementation and enforcement of the proposed rule and any anticipated effect on state revenues.

No significant costs are expected to be incurred by the Department or any other agency.

4. A comparison of the probable costs and benefits of the proposed rule to the probable costs and benefits of inaction.

Inaction is not an alternative. Action is required to comply with House Bill 14-1360. Inaction would result in non-compliance with a statutory mandate.

5. A determination of whether there are less costly methods or less intrusive methods for achieving the purpose of the proposed rule.

Many changes are being accomplished through policy and guidance. Additional changes will be made by the Department of Health Care and Financing though a future rule-making before the Medical Service Board. In the interim, the determination is that there is no less costly or less intrusive method for achieving the purpose of these amendments.

6. A description of any alternative methods for achieving the purpose of the proposed rule that were seriously considered by the agency and the reasons why they were rejected in favor of the proposed rule.

As mentioned above, the Department is also issuing written guidance and policy documents, but those items alone do not achieve the desired result of clarifying certain regulatory requirements. Therefore, no other alternatives are deemed appropriate at this time.

7. To the extent practicable, a quantification of the data used in the analysis; the analysis must take into account both short-term and long-term consequences.

The anticipated short-term consequence will be that all home care agencies must acquaint themselves with these few clarifying amendments and make any necessary changes to their existing policies and procedures. The long-term consequences are updated regulations that do not conflict with those of other agencies and that allow the efficient and effective provision of home care.

STAKEHOLDER Comment

For Amendments to 6 CCR 1011-1, Standards for Hospitals and Health Facilities, Chapter 26, Home Care Agencies

The following individuals and/or entities were included in the development of these proposed rules:

A 1360 Workgroup was assembled to address the issues. That workgroup was comprised of individuals from both skilled and personal care agencies; front range, western slope and rural agencies; consumers and/or family members of consumers; representatives of agencies providing home and community based waiver services such as In Home Support Services, Intellectually and Developmentally Disabled services, Supported Living Services and Children's Extensive Support Services; Representatives from Community Centered Boards and Program Approved Service Agencies; as well as community advocates and a representative from the Department of Health Care Policy and Financing.

The following individuals and/or entities were notified that this rule-making was proposed for consideration by the Board of Health:

All currently licensed home care agencies, the 1360 Workgroup members, the home care advisory committee, Aponte & Busam Public Affairs, representing the National Private Duty Association, and the Home Care Association of Colorado.

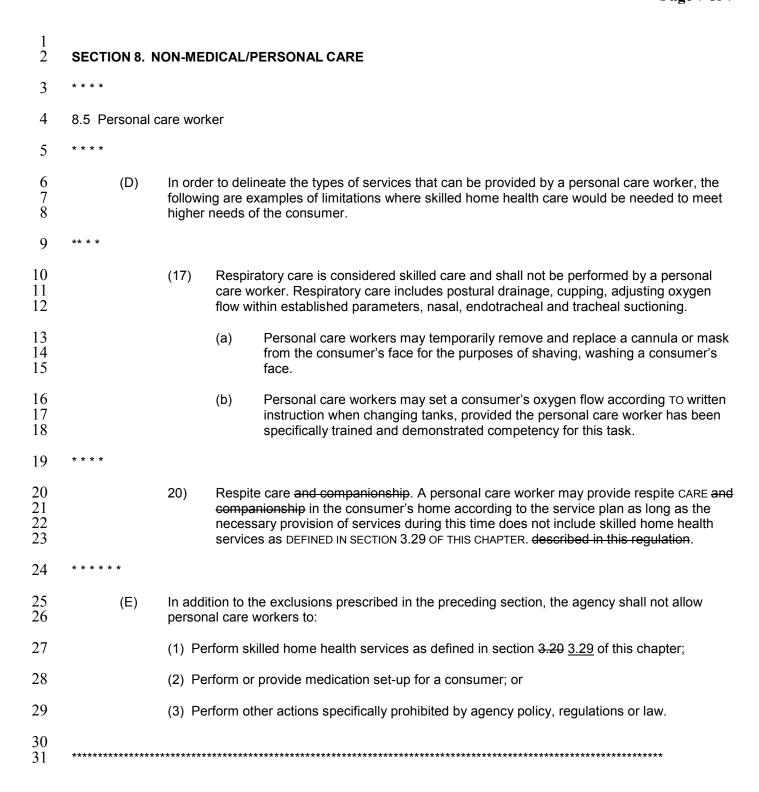

Summarize Major Factual and Policy Issues Encountered and the Stakeholder Feedback Received. If there is a lack of consensus regarding the proposed rule, please also identify the Department's efforts to address stakeholder feedback or why the Department was unable to accommodate the request.

The stakeholders and Department representatives were able to come to consensus on all issues discussed.

Please identify health equity and environmental justice (HEEJ) impacts. Does this proposal impact Coloradoans equally or equitably? Does this proposal provide an opportunity to advance HEEJ? Are there other factors that influenced these rules?

Since the proposed amendments are minor, the Department is unaware of any health equity and environmental justice impact.

The department shall coordinate with HCPF in regulatory interpretation of both license and certification requirements to ensure the intent of similar regulations is congruently met.		

Notice of Public Rule-Making Hearing Scheduled for March 16, 2016

NOTICE is hereby given pursuant to the provisions of Section 24-4-103, C.R.S., that the Colorado Board of Health will conduct a public rule-making hearing on March 16, 2016 at 10 a.m. in the Sabin-Cleere Conference Room of the Colorado Department of Public Health and Environment, Bldg. A, First Floor, 4300 Cherry Creek Drive, South, Denver, CO 80246, to consider the promulgation of amendments to 6 CCR 1011-1, Chapter 26 regarding home care agencies. The proposed amendments have been developed by the Health Facilities and Emergency Medical Services Division of the Colorado Department of Public Health and Environment pursuant to Section 25-27.5-106, C.R.S. (2015); Section 25-1.5-103, C.R.S. (2015); Section 25-3-101, et seq., C.R.S. (2015) and House Bill 14-1360 which directed the Departments of Public Health and Environment and Health Care Policy and Financing (HCPF) to identify gaps and conflicts in the requirements imposed by each department with regard to the regulation of home care providers and adopt any rule changes necessary to resolve those gaps and conflicts.

The agenda for the meeting and the proposed amendments will also be available on the Board's website, https://www.colorado.gov/pacific/cdphe/boh at least seven (7) days prior to the meeting. The proposed rules, together with the proposed statement of basis and purpose, specific statutory authority and regulatory analysis will be available for inspection at the Colorado Department of Public Health and Environment, 4300 Cherry Creek Drive South EDO-A5, Denver, Colorado 80246-1530 at least five working days prior to the hearing. Copies of the proposed rules may be obtained by contacting the Colorado Department of Public Health and Environment, Health Facilities and Emergency Medical Services Division, HFEMSD-C1, 4300 Cherry Creek Drive S., Denver, CO 80246, (303) 692-2800.

The Board encourages all interested persons to participate in the hearing by providing written data, views, or comments, or by making oral comments at the hearing. At the discretion of the Chair, oral testimony at the hearing may be limited to three minutes or less depending on the number of persons wishing to comment. Pursuant to 6 CCR 1014-8, §3.02.1, written testimony must be submitted no later than five (5) calendar days prior to the rulemaking hearing. Written testimony is due by 5:00 p.m., Thursday, March 10, 2016. Persons wishing to submit written comments should submit them to: Colorado Board of Health, ATTN: Jamie L. Thornton, Program Assistant, Colorado Department of Public Health and Environment, 4300 Cherry Creek Drive South EDO-A5, Denver, Colorado 80246-1530 or by e-mail at: cdphe.bohrequests@state.co.us

To: Members of the State Board of Health

From: Stephen Holloway, Branch Chief, Health Equity and Access

Prevention Services Division

Date: December 30, 2015

Subject: Request for Rulemaking Hearing

Proposed Amendments to 6 CCR 1015-7, Loan Repayment Program for Dental Professionals, with a request for the rulemaking hearing to occur in March

2016.

The Dental Loan Repayment Program is authorized under § 25-23-101 C.R.S., et seq. The program receives an annual state appropriation of \$200,000, derived from the Tobacco Master Settlement Agreement. The program seeks to improve access to dental care for underserved populations by creating incentives for dental professionals to accept public insurance as payment for dental care. Specifically, the program reduces the student loan debt of licensed dental professionals in exchange for a minimum threshold of care to those who are insured by Medicaid, the Child Health Plan, or who are uninsured for oral health care. State contracts with dental providers are issued for a minimum term of two years. Contracts can be amended for an additional term of service for those providers who have qualified student loan debt at the end of a contract term and continue to provide care to the underserved in their practice. Since the inception of the program in 2001, contracted clinicians have provided 351,381 patient visits to underserved individuals. In the most recent fiscal year, 23,700 patient visits were delivered to underserved individuals.

The department proposes to simplify and clarify language contained in 6 CCR 1015-7, which governs the Dental Loan Repayment Program. The proposed changes will result in a more concise statement of policy regarding the operation of the program, without substantially modifying the primary purpose of the rule or program implementation. The proposed changes to this rule also clarify reporting and prioritization of awards to better align with the Colorado Health Service Corps (§ 25-1.5-501 C.R.S., et seq), which has developed substantially since the last revision of this rule April of 2010.

STATEMENT OF BASIS AND PURPOSE AND SPECIFIC STATUTORY AUTHORITY for Amendments to 6 CCR 1015-7 Loan Repayment Program for Dental Professionals

Basis and Purpose.

The Dental Loan Repayment Program was authorized by the Colorado General Assembly in the 2001 legislative session by Senate Bill 01-164. The purpose of the legislation was to create a "loan repayment program as an incentive to dental professionals to provide dental services to underserved populations." The program pays all or a part of the principal, interest and related expenses of the educational loans of dental professionals. Both dentists and dental hygienists are eligible to participate in the program.

The legislative proposal that created the program was one among nine recommendations submitted by the Commission on Children's Dental Health in December 2000. In recognition of the shortage of dental providers willing to serve low-income populations, the Commission recommended offering educational loan repayments and other incentives to recent dental graduates to encourage more care to children who were insured by Medicaid and the Child Health Plan. The Commission specifically emphasized the need to attract more private practice dental providers into the care of children who are publicly insured.

Along with setting the amount of annual financial assistance available to dental professionals, the board is authorized, pursuant to Section 25-23-103, C.R.S. to promulgate rules necessary to implement the loan repayment program, including determining the amount of financial assistance available, the criteria for loan repayment assistance, the criteria for determining what constitutes a significant level of service to underserved populations for purposes of qualifying for loan repayment assistance and establishing criteria for prioritizing the repayment of loans if there are insufficient moneys in the state dental loan repayment fund.

The proposed changes remove obsolete and unnecessary terms, align the rule with current practice, specify the program's loan repayment priorities, specify the application and reporting requirements and correct typographical errors. These changes are recommended to improve the clarity of the rule, redact redundancy and unnecessary language from the current rule, and create reporting requirement and periodicity symmetry with the Colorado Health Service Corps. The proposed rule changes are not intended to modify the primary purpose of the rule or the implementation of the program at the department. The proposed changes to the rule are expected to enhance overall program efficiency.

Specific Statutory Authority.			
These rules are promulgated pursuant to § 25-23-101 to 105 C.R.S.			
SUPPLEMENTAL QUESTIONS			
Is this rulemaking due to a change in state statute? Yes, the bill number is; rules are authorized required. X No			
Is this rulemaking due to a federal statutory or regulatory change? Yes X No			
Does this rule incorporate materials by reference? Yes X No			
Does this rule create or modify fines or fees? Yes X No			

REGULATORY ANALYSIS

for Amendments to 6 CCR 1015-7 Loan Repayment Program for Dental Professionals

1. A description of the classes of persons who will be affected by the proposed rule, including classes that will bear the costs of the proposed rule and classes that will benefit from the proposed rule.

No changes to this program are proposed related to the award amount, term of service, or requirements to participate. Two classes of persons stand to benefit directly from this rule. These are dentists and dental hygienists who agree to a term of service and a minimum amount of care to underserved people. There are no classes of persons who are expected to bear the cost of implementation, as there are no expected costs associated with the proposed changes to this rule.

Increased access to care resulting from this program will benefit children and adults who are insured by Colorado Medicaid and the Child Health Plan. Individuals who are low-income and uninsured will also benefit from improved access to care.

2. To the extent practicable, a description of the probable quantitative and qualitative impact of the proposed rule, economic or otherwise, upon affected classes of persons.

There are no anticipated impacts of the proposed rule changes on affected classes of persons.

The program receives an annual appropriation of \$200,000 derived from the Tobacco Master Settlement agreement. Eight to ten loan repayment awards are expected to be made in each year of the program going forward, provided that the annual appropriation to the program remains constant. Program participants are expected to deliver approximately 24,000 patient visits per year to those who are uninsured or insured by Medicaid or the Child Health Plan.

3. The probable costs to the agency and to any other agency of the implementation and enforcement of the proposed rule and any anticipated effect on state revenues.

The proposed changes to the rule are not expected to change the costs of participation or administration of the program. There are no expected changes to state revenue resulting from changes to this rule.

4. A comparison of the probable costs and benefits of the proposed rule to the probable costs and benefits of inaction.

The proposed rule changes are not intended to modify the primary purpose of the rule or the implementation of the program at the department. There are no expected new costs imposed on participants resulting from the proposed changes. The proposed changes are made for the purpose of improving the clarity and concision of the rule and to better align the program with certain administrative attributes of the Colorado Health Service Corps. These alignments include scheduling of the application cycle, contractor reporting periodicity, and the allocation of award considerations between

nonprofit and private practices across both loan repayment programs. The proposed changes to the rule are therefore expected to enhance overall program efficiency.

If no action is taken on this rule, overall program efficiency improvements may not be realized.

5. A determination of whether there are less costly methods or less intrusive methods for achieving the purpose of the proposed rule.

There are no less costly or less intrusive methods of achieving the purpose of this rule revision.

6. Alternative Rules or Alternatives to Rulemaking Considered and Why Rejected.

An alternative to this rule change would be to continue administering the rule as is currently in force. This alternative affords no benefit and saves no costs to the program or its participants.

7. To the extent practicable, a quantification of the data used in the analysis; the analysis must take into account both short-term and long-term consequences.

Because the proposed changes are largely qualitative, no data was used in the analysis of the proposed changes to the rule.

STAKEHOLDER COMMENTS

for Amendments to

6 CCR 1015-7 Loan Repayment Program for Dental Professionals

The following individuals and/or entities were included in the development of these proposed rules:

Katya Mauritson, DMD, MPH, Director, Oral Health Unit, Prevention Service Division

Diane Brunson, MPH, Director of Public Health and Community Outreach, University of Colorado School of Dental Medicine (Ms. Brunson participated in the creation of the program in 2001)

Jeff Thormodsgaard, Colorado Dental Association

The following individuals and/or entities were notified that this rule-making was proposed for consideration by the Board of Health:

Katya Mauritson, DMD, MPH-Director, Oral Health Unit, Prevention Service Division

Diane Brunson, MPH, Director of Public Health and Community Outreach, University of Colorado School of Dental Medicine

Jennifer Goodrum, Colorado Dental Association

Jeff Thormodsgaard, Colorado Dental Association

Current contractors and employers participating in the program through a quarterly newsletter, Facebook page, and Twitter account

The Colorado Community Health Network

ClinicNet

Summarize Major Factual and Policy Issues Encountered and the Stakeholder Feedback Received. If there is a lack of consensus regarding the proposed rule, please also identify the Department's efforts to address stakeholder feedback or why the Department was unable to accommodate the request.

No major factual and policy issues were encountered through the process of stakeholder feedback.

Please identify health equity and environmental justice (HEEJ) impacts. Does this proposal impact Coloradoans equally or equitably? Does this proposal provide an opportunity to advance HEEJ? Are there other factors that influenced these rules?

There are no health equity or environmental justice impacts of the proposed rule change. The effect of the program is, however, intended to improve health equity for those who have poor access to dental care.

 7 underserved patients per month on average and is employed by a Federally
 8 Qualified Health Center; or
 - (C) A licensed dental hygienist who provides service to at least twenty (20) underserved patients per month on average and owns or is employed by a practice that remains open to new clients enrolled in the Medicaid Program or the Children's Basic Health Plan Program; or
 - (D) A licensed dental hygienist who provides services to at least twenty (20) underserved patients per month on average on a pro bono basis.
 - (3)__-"Dental hygienist provider level II" means:
- 16 (A) A licensed dental hygienist who provides services to at least ten (10) underserved patients per month on average.; or
- (B) A licensed dental hygienist who provides services to at least ten (10) underserved patients per month on average and is employed by a Federally Qualified Health Center, or
 - (C) A licensed dental hygienist who provides services to at least ten (10) underserved patients per month on average and owns or is employed by a practice that remains open to new clients enrolled in the Medicaid Program, or the Children's Basic Health Plan Program; or
 - (D) A licensed dental hygienist who provides services to at least ten (10) underserved patients per month on average on a pro bono basis.

27	(4)"Dentist provider level I" means:
28 29	(A)A licensed dentist who provides services to at least forty (40) underserved patients per month on average; or
2)	patiente per mentir en average, er
30	(B) -A licensed dentist who devotes at least thirty percent (30%) of a full time
31	dental practice to providing services to underserved populations <u>.</u> ; or
32	(B) A licensed dentist who provides services to at least forty (40) underserved
33	patients per month on average or devotes at least thirty percent (30%) of a
34	full time dental practice to providing services to underserved populations
35	and is employed by a Federally Qualified Health Center; or
36	(C) A licensed dentist who provides services to at least forty (40) underserved
37	patients per month on average or devotes at least thirty percent (30%) of a
38	full time dental practice to providing services to underserved populations
39	and owns or is employed by a practice that remains open to new clients
40	enrolled in the Medicaid Program or the Children's Basic Health Plan
41	Program; or
42	(D) A licensed dentist who provides services to at least forty (40) underserved
43	patients per month on average or devotes at least thirty percent (30%) of a
44	full time dental practice to providing services to underserved populations
45	on a pro bono basis.
46	(<u>5</u> <u></u> E)"Dentist provider level II" means:
47	(A)A licensed dentist who provides services to at least twenty-five (25)
48	underserved patients per month on average; or
49	(B) A licensed dentist who devotes at least twenty percent (20%) of a full time
50	dental practice to providing services to underserved populations.; or
51	B. A licensed dentist who provides services to at least twenty five (25)
52	underserved patients per month on average or devotes at least twenty
53	percent (20%) of a full time dental practice to providing services to
54	populations and is employed by a Federally Qualified Health Center; or
55	C. A licensed dentist who provides services to at least twenty five (25)
56	underserved patients per month on average or devotes at least twenty
57	percent (20%) of a full time dental practice to providing services to
58	underserved populations and owns or is employed by a practice that
59	remains open to new clients enrolled in the Medicaid Program or the
60	Children's Basic Health Plan Program; or
61	D. A licensed dentist who provides services to at least twenty-five (25)
62	underserved patients per month on average or devotes at least twenty
63	percent (20%) of a full time dental practice to providing services to
64	underserved populations on a pro bono basis.

other legitimate criteria, e.g., such as the geographical disbursement distribution of

program participants or the availability of other public resources to incentivize

167 increased dental care to underserved individuals. to meet identified needs of underserved populations, when applying the following criteria. 168 (2) First priority will be given to Dentist provider level I and Dental hygienist provider 169 level I that: 170 (A) Have satisfactorily completed a two-year service commitment to the underserved 171 population in excess of the amounts set forth in §1.1(4) and (2), respectively; or 172 (B) Agree to provide services to the underserved population in excess of the amounts 173 set forth in §1.1(4) and (2), respectively. 174 (3) Second priority will be given to Dentist provider level I and Dental hygienist provider 175 level I. (4) Third priority will be given to Dentist provider level II.(5) Fourth priority will be 176 given to Dentist provider level III and Dental hygienist level II. 177 178 1.4 Loan repayment 179 (1) -Except as provided in § 1.4 (2), for each year an eligible dental professional 180 provides care to underserved populations in accordance with the terms of a loan 181 repayment contract, the loan repayment awardassistance provided by the 182 Department_shall not exceed, subject to available appropriations, in the aggregate: 183 (AD) -\$6,000 for a Dental hygienist provider level I; 184 (BE) -\$3,000 for a Dental hygienist provider level II;-185 (Ca) -\$25,000 for a Dentist provider level I; 186 (DB) -\$20,000 for a Dentist provider level II; 187 (EC) -\$10,000 for a Dentist provider level III.; 188 -(2) In the event that the total dollars funds available for loan repayment assistance for 189 in the current state fiscal year exceeds the amount needed to fund eligible program 190 applicants at award amounts specified in §1.4 (1) for the number of eligible dental 191 professionals that have entered into loan repayment contracts, the Department 192 may increase the amount of loan repayment assistance to participantsthat an 193 eligible dental professional may receive for that fiscal the year. 194 (3) -The loan repayment award amount will-shall not exceed the total balance due on 195 all amount of the educational loans held by the eligible dental professional plus any 196 197 accrued interest and related expenses. 198

(4) Loan repayment will be considered ordinary income.

1.5 Application requirements

- (1)___An eligible dental professional, desiring to participate in the program, shall complete and submit to the Department the programan application form required byto the Department in accordance with the application deadlines set by the Department. The application shall not be considered complete unless accompanied by the following information: A complete application shall include all of the following:
 - (A) -A <u>current</u> copy of <u>the eligible dental professional's his or her current</u> Colorado dentist or dental hygienist license to practice in Colorado;
 - (B)_-Evidence of having met one or more of the eligibility requirements <u>as</u> <u>described</u> in §1.2 (1);
 - (<u>Ce</u>)_-Evidence of having met <u>and the ability to maintain</u> a <u>level of</u> significant <u>level of</u> service <u>as described in §1.1 (16); to be eligible for loan repayment if applicable;</u>
 - (Dd) _-A <u>current</u> statement from the lending institution <u>that holds the educational</u> loan debt of the applicant and reports dated within the last three months that shows the <u>total remaining</u> loan balance <u>of the applicant and the account</u> <u>status as "current"</u>; and verifies that the dentist or dental hygienist is current with respect to payments on the loan. The information provided by the lending institution must include the total amount of the outstanding loan as of January first of the first year for which the loan repayment is requested;

 - (F) A statement from the lender, or a signed statement from the applicant, must clearly show attesting that the loan was used to financed higher education opportunities resulting in a directly related to dentistry or dental hygiene degree.
- (23) A successful applicant for participation into the program shall sign a contract with the Department. The terms of the loan repayment contract shall be determined by the Department and shall include, but need may not be limited to, the following:
 - (A)__-The total annual amount of loan repayment assistance available awarded to the eligible dental professional;

237 238 239 240 241	(B)The eligible dental professional's agreement to provide care to underserved populations individuals for a minimum of two (2) years at the rates that confer program eligibility to the provider level at which the participant was awarded and the level of such services to be provided (as described set forth in §§1.1 (2) through (6));
242 243	(C)The eligible dental professional's agreement to promptly notify the Department in writing if the participant:
244 245	(i) -Ddecreases the level of serviceed provided to underserved populations from that required under the contract; or
246 247	(ii) <u>-Ceeases to serve provide care to underserved</u> populations individuals; or
248 249	(iii)oOtherwise fails or ceases to meet program eligibility requirements_;
250 251 252	(D) Reasonable pPenalties and other enforcement remedies available to the Department in the event the eligible dental professional breaches the terms of the contract.
253 254 255	(E)The eligible dental professional's agreement to submit quarterly-semi-annual reports to the Department quantifying-evidencing the number of underserved patients served and-other-related practice information .
256	
257	1.6 Application deadlines
258	The Department may will solicit applications up to three times each at least once per
259	fiscal year on <u>a_date_or date</u> s to be_ determined by the P program, and subject to the
260	availab <u>leility of</u> funds. The <u>A</u> completed application, including all <u>and</u> required
261	attachments, must be received by the Department by on or before the announced application deadlines for the dental professional to be considered for participation in the
262 263	program.

Notice of Public Rule-Making Hearing Scheduled for March 16, 2016

NOTICE is hereby given pursuant to the provisions of Section 24-4-103, C.R.S., that the Colorado Board of Health will conduct a public rule-making hearing on March 16, 2016 at 10 a.m. in the Sabin-Cleere Conference Room of the Colorado Department of Public Health and Environment, Bldg. A, First Floor, 4300 Cherry Creek Drive, South, Denver, CO 80246, to consider the promulgation of rules pertaining to 6 CCR 1015-7, Loan Repayment Program for Dental Professionals. The proposed rules have been developed by the Prevention Services Division of the Colorado Department of Public Health and Environment pursuant to Section § 25-23-101 C.R.S., et seq.

The agenda for the meeting and the proposed amendments will also be available on the Board's website, https://www.colorado.gov/pacific/cdphe/boh at least seven (7) days prior to the meeting. The proposed rules, together with the proposed statement of basis and purpose, specific statutory authority and regulatory analysis will be available for inspection at the Colorado Department of Public Health and Environment, 4300 Cherry Creek Drive South EDO-A5, Denver, Colorado 80246-1530 at least five working days prior to the hearing. Copies of the proposed rules may be obtained by contacting the Colorado Department of Public Health and Environment, Prevention Services Division, Primary Care Office, A-5, 4300 Cherry Creek Drive S., Denver, CO 80246, (303) 692-2582.

The Board encourages all interested persons to participate in the hearing by providing written data, views, or comments, or by making oral comments at the hearing. At the discretion of the Chair, oral testimony at the hearing may be limited to three minutes or less depending on the number of persons wishing to comment. Pursuant to 6 CCR 1014-8, §3.02.1, written testimony must be submitted no later than five (5) calendar days prior to the rulemaking hearing. Written testimony is due by 5:00 p.m., Thursday, March 10, 2016. Persons wishing to submit written comments should submit them to: Colorado Board of Health, ATTN: Jamie L. Thornton, Program Assistant, Colorado Department of Public Health and Environment, 4300 Cherry Creek Drive South EDO-A5, Denver, Colorado 80246-1530 or by e-mail at: cdphe.bohrequests@state.co.us

Dated this 20 day of Canady, 20 16.

Subject:

Request for Rulemaking Hearing

Proposed Amendments to 6 CCR 1016-3, International Medical Graduates Seeking State Support of an Immigration Petition: Eligibility Application Process, Fees and Selection Procedures, with a request for the rulemaking

hearing to occur in March of 2016.

The goal of the J-1 Visa Waiver and National Interest Waiver programs is to facilitate the placement of non US resident physicians in underserved areas of the state for the purpose of increasing access to primary and specialty medical services. The United States Department of State authorizes the governor or his designee to certify that a waiver of certain visa residency requirements for international medical graduates is in the national interest.

The department proposes to simplify and clarify language contained in 6 CCR 1016-3, which governs the programs for foreign trained physicians practicing in Colorado in order to more clearly reflect federal statutes that create the program. This rule was first promulgated in 2010 and has not been amended since that time. None of the proposed changes are intended to substantially alter how the program has been administered or implemented in the department. The primary purpose of the program is and remains to increase access to care in Colorado communities that experience a shortage of physician providers.

These rules are promulgated in accordance with the statutory authority granted by § 25-1.5-404 C.R.S. for the administration and establishment of application fees for the J-1 Visa Waiver and the National Interest Waiver programs.

STATEMENT OF BASIS AND PURPOSE AND SPECIFIC STATUTORY AUTHORITY

for Amendments to

6 CCR 1016-3, International Medical Graduates Seeking State Support of an Immigration Petition: Eligibility, Application Process, Fees and Selection Procedures

Basis and Purpose.

The department proposes to simplify and clarify language contained in 6 CCR 1016-3, which governs the programs placing foreign trained physicians in Colorado. The proposed changes to the rule include refinement of program definitions, an updated statutory reference, and simplified instructions to applicants regarding the review process.

Key revisions proposed for the current rule include:

- The requirement that the application include evidence that the petitioner has a United States equivalent medical education is removed. The physician residency "match" and admissions process satisfies this requirement prior to the submission of a waiver application to the state. This application requirement is therefore redundant and unnecessary.
- The requirement that a petitioner complete three years of a residency program before applying for a waiver in Colorado is revised to two years. This change is made to allow physicians who are in their final year of residency to apply for a waiver in Colorado. This change benefits the state because it allows physicians to seek qualified employment in Colorado and begin work as soon as they are fully trained. There is no risk of the program supporting waivers for physicians who have incomplete training because the Colorado Medical Board requires complete training for foreign medical graduates prior to granting a license to practice.
- The requirement that a petitioner demonstrate English proficiency is removed. The program has no direct means of evaluating this program requirement. Furthermore, English language proficiency determinations more appropriately reside with the hiring employer.
- The requirement that the petitioner provide a "statement of no objection from the country of origin" is removed. This change is made because the United States Department of State performs this function when reviewing a final waiver application.
- The requirement that an employing practice maintain a sliding fee scale for the uninsured is removed. This change is made because Colorado Medicaid now covers substantially more low income Coloradans and the Health Insurance Exchange provides additional premium support for those ineligible for Medicaid. In addition, it was found that many program users have had difficulty in managing and reporting on the use of sliding fee schedules in large hospital settings. These hospitals continue to maintain free and charitable care policies for the uninsured that do not strictly meet the definition of a sliding fee scale.
- The waiver petition preference hierarchy is removed because Colorado has never filled its allocation of 30 waiver petition slots. As such, there is not likely to be an opportunity to apply this hierarchy in the foreseeable future.

These proposed changes will not modify the purpose of the rule or materially change program implementation. The primary purpose of the program is and remains to increase access to care in Colorado communities that experience a shortage of physician providers.

Specific Statutory Authority.

These rules are promulgated pursuant to § 25-1.5-404.

REGULATORY ANALYSIS

for Amendments to

6 CCR 1016-3 International Medical Graduates Seeking State Support of an Immigration Petition: Eligibility, Application Process, Fees and Selection Procedures

1. A description of the classes of persons who will be affected by the proposed rule, including classes that will bear the costs of the proposed rule and classes that will benefit from the proposed rule.

The simplification and clarification of 6 CCR 1016-3 is expected to benefit employers, physicians and their representatives who apply to this program. These benefits will also indirectly accrue to the communities they serve by making the visa waiver programs easier to use.

Employers and physicians may be effected by the fee structure, though no changes from the current fee structure are proposed. The fee structure benefits these groups because it supports the work of the Primary Care Office to promote and administer programs that improve access to health care. Specifically, these programs lead to increased placement of physicians in underserved areas of the state and promote more care to publicly insured, uninsured and underinsured people.

While employers generally bear the cost of the visa waiver fee, they benefit from a recruitment incentive that has value far in excess of the cost of the fee. For example, it is not uncommon to pay a signing bonus to US trained physicians of \$30,000 or more for a period of service to a rural hospital or medical practice.

In addition to the recruitment incentive, employers benefit from the technical assistance provided by program staff to facilitate the complete process of application for a visa waiver. This process includes relationships with physician residency programs, immigration attorneys, the US Department of State, and the US Citizenship and Immigration Service.

2. To the extent practicable, a description of the probable quantitative and qualitative impact of the proposed rule, economic or otherwise, upon affected classes of persons.

The proposed rule changes are expected to only have a nominal impact on employers and physicians seeking to use the visa waiver program. The burden of completing an application to the state is expected to be similar, or slightly less, as a result of the proposed changes to the rule. These proposed changes are not expected to increase or decrease the total number of waiver applications to the state. The access to care impact of the program is expected to continue on a scale similar to the experience of the program over the previous five years.

The placement characteristics of the program in the last five years are as follows:

County	Number (56)	Percent
Adams	7	12.5
Alamosa	2	3.6
Arapahoe	3	5.4
Denver	8	14.3
Morgan	4	7.1
Otero	1	1.8
Prowers	1	1.8
Pueblo	30	53.6

Specialty	Number (56)	Percent
Primary Care	40	71.4
Specialty	16	28.6

The Primary Care Office evaluates the effectiveness of the immigration waiver programs on a three year iterative cycle. Data from participating physicians is collected semiannually in reports that document the number of Medicaid, Medicare and uninsured patient visits. Both physicians and employers are required to complete end of service program evaluations that provide information about the overall success of the program at increasing access to care.

The health plan characteristics of those served by program participants are as follows:

Encounters Per Year	Number (56)	Percent
Medicaid	42,180	19.8
Medicare	88,364	41.4
Child Health Plan	1,415	0.7
Sliding Fee Scale	9,923	4.7
Other Health Plans	71,478	33.5

3. The probable costs to the agency and to any other agency of the implementation and enforcement of the proposed rule and any anticipated effect on state revenues.

The cost of administering the program in the department is not expected to change. Annual state revenues are not predicted to change, as no change to the fee structure is proposed and the number of applicants will likely remain constant.

4. A comparison of the probable costs and benefits of the proposed rule to the probable costs and benefits of inaction.

The benefit to changing the rule is a clearer regulation that more precisely conforms to federal statutes about the conduct of the visa programs in the state. The proposed language is simpler and easier to understand for employers and physicians interested in waiver programs. The cost of the application fee remains nominal when compared to the total cost of recruitment, legal council, and federal application fees for those who wish to participate in the program.

If no action is taken on this rule, overall program efficiency improvements may not be realized.

5. A determination of whether there are less costly methods or less intrusive methods for achieving the purpose of the proposed rule.

There are no less costly or intrusive methods of achieving the purpose of this rule revision.

6. Alternative Rules or Alternatives to Rulemaking Considered and Why Rejected.

State statute requires the State Board of Health to maintain rules for this program and establish fees. There is no alternative to rulemaking.

7. To the extent practicable, a quantification of the data used in the analysis; the analysis must take into account both short-term and long-term consequences.

Because the proposed changes are largely qualitative, no data was used in the analysis of the proposed changes to the rule.

STAKEHOLDER COMMENTS for Amendments to

6 CCR 1016-3 International Medical Graduates Seeking State Support of an Immigration Petition: Eligibility, Application Process, Fees and Selection Procedures

The following individuals and/or entities were included in the development of these proposed rules:

Connie Berry, former director of the Texas Primary Care Office and national subject matter expert regarding international medical graduate programs.

The following individuals and/or entities were notified that this rule-making was proposed for consideration by the Board of Health:

Stakeholders were notified via the Colorado Health Service Corps loan repayment program's social media outlets, Facebook and Twitter, and in the program's quarterly newsletter. The audiences for these outlets are comprised of health facility employers in Colorado, as well as current loan recipients and students of health professional schools.

Other stakeholders include the members of the Waiver Application Review Committee:

- Angela Rose, Colorado Community Health Network
- Ashley Mills, Colorado Rural Health Center
- Gail Finley, Colorado Hospital Association
- Henrique Fernandez, MD, Parkview Medical Center (former J-1 Visa physician)
- Tanah Wagenseller, Colorado Community Health Network

Summarize Major Factual and Policy Issues Encountered and the Stakeholder Feedback Received. If there is a lack of consensus regarding the proposed rule, please also identify the Department's efforts to address stakeholder feedback or why the Department was unable to accommodate the request.

No major factual and policy issues were encountered through the process of stakeholder feedback. The proposed changes are for the purpose of improving the clarity and concision of the rule.

Please identify health equity and environmental justice (HEEJ) impacts. Does this proposal impact Coloradoans equally or equitably? Does this proposal provide an opportunity to advance HEEJ? Are there other factors that influenced these rules?

There are no health equity or environmental justice impacts of the proposed rule change. The effect of the program is, however, intended to improve health equity for those who have poor access to care by placing physicians in underserved areas of the state.

RULES PERTAINING TO INTERNATIONAL MEDICAL GRADUATES SEEKING STATE SUPPORT OF AN IMMIGRATION PETITION: ELIGIBILITY, APPLICATION PROCESS, FEES AND SELECTION PROCEDURES

6 CCR 1016-3

.....

1.1 Authority

This regulation is adopted pursuant to the authority in section 25-20_1.5-64_04, Colorado Revised Statutes and is intended to be consistent with the requirements of the State Administrative Procedures Act, section 24-4-101 et seq. (the "APA"-), C.R.S., the Conrad 30 J-1 Visa Waiver Program established in 8 U.S.C. section 1184_(c) (12) (H)(D) (ii) and the National Interest Waiver Program established in 8 U.S.C. section 1153 (b) (2) (B) (ii).

1.2 Definitions

(1) "International Medical Graduate" means a physician who is not a United States citizen and has received a medical degree from a school outside of the United States or Canada.

(2) "J-1 visa physician" means an International Medical Graduate who is not a United States citizen and who holds a J-1 visa for training in a United States medical residency or fellowship program.

(3) "Underserved Area" means a geographic area or clinical facility with one or more of the following designations of the United States Secretary of Health and Human Services.

(A) "Health Professional Shortage Area" as provided in 42 U.S.C. sec. 294e.

(B) "Medically Underserved Area" as provided in 42 U.S.C. sec. 295p.

(C) "Medically Underserved Population" as provided in 42 U.S.C. sec. 254b.

(4) "Conrad 30 J-1 Visa Waiver Program" means the program established in 8 U.S.C. section- 1184 (c) (42) (4D) (ii), allowing foreign trained J-1 visa physicians who meet certain criteria to remain in the United States after training and practice in communities designated as Medically Underserved Areas, Medically Underserved Populations, or Health Professional Shortage Areas.

(5) "National Interest Waiver—Program" means the program established in 8 U.S.C. sec.1153 (b) (2) (B) (ii) allowing foreign-trained physicians who meet certain criteria to

practice in communities designated as Medically Underserved Areas, Medically Underserved Populations, or Health Professional Shortage Areas. receive legal permanent residence in the United States.

(6) "Governor's Designee" means the Director of the Primary Care Office, who has received an official assignment from the governor to act on behalf of the state regarding immigration waiver petitions of International Medical Graduate J-1 Visa physicians.

(7) "Primary Care Office" means the office created in C.R.S. 25-201.5-603404.

(8) "Practice Site" means the physical location at which the International Medical Graduatephysician who is recommended for a waiver will provide clinical services and may or may not be the administrative address of the Employer.

(7)(9) - "Employer" means the legal entity seeking to engage the International Medical Graduate J-1 visa physician in an agreement to provide medical services in exchange for a salary and other remunerations.

(8)(10) "Waiver Application Review Committee" means the committee of health access experts, appointed by the Director of the Primary Care Office, who represent broad interests in addressing Colorado's health work force needs and who support and participate in the decision making review process regarding the waiver petitions of International Medical Graduates.

1.3 Program

International Medical Graduates are permitted to come to the United States for medical residency training on a_nJ-1, non-immigrant Exchange Visitor Visa. Upon completion of training, exchange J-1 visa physicians are required to return to their country of origin for two years before applying for a new United States immigration Visa. The two-year home return requirement may be waived for a physician willing to practice medicine full-time in an Underserved Aarea of the United States for a period of three years_, if requesting a Conrad 30 J-1 Visa Waiver, or five years if requesting a National Interest Waiver. A petition for a waiver of the home return requirement is granted by the federal government where a qualified application is submitted to a state health department and the Governor's Designee determines that the placement of the International Medical Graduate physician-waiver is in the national interest.

1.4 Waiver Petition

(1)—At the time of application, Aan eligible International Medical GraduateJ-1 visa physician shall:

(3)(1) demonstrate a medical education equivalent to a United States trained physician;

(A) <u>Successfully complete at least three two</u> years of a United States based medical residency program;

88	(B) demonstrate English language proficiency;
89	(C) file a statement of no objection from the country of origin, where applicable;
90 91	(C) The a statement of no objection from the country of origin, where applicable,
92	(D)(B) have or Apply for or obtain a Colorado Medical License;
93	(B)(B) nave of historial obtains a colorade medical Electrice,
94	(E)(C) aAgree to comply with program requirements for the full term of service;
95	() <u>127</u> 2
96	(F) -

144 145	(C) a community statement of need,
146 147	(D) a recruitment effort summary,
148 149	(E) a signed contract that conforms to waiver and program requirements,
150 151	(F) a physician retention plan,
152 153	(G) all required immigration documentation, and
154 155 156	(H) documentation supporting the International Medical Graduate's waiver eligibility.
157 158 159	(6)(4) An application fee shall be assessed in exchange for a complete application review and waiver support determination. Fees are not refundable in the event
160 161 162	the Governor's Designee declines to support a waiver petition, the Department of State or the United States Citizenship and Immigration Services declines to grant a waiver, the physician fails to begin a service commitment, or the physician or
163 164 165	employer terminates a service commitment prior to the end of a service obligation. Fees shall be payable at the time of application to the "Colorado Department of Public Health and Environment" on the following schedule:
166 167(A) 168	\$1,000 for a Conrad 30 J-1 Visa Waiver application review.
169(B) 170 171	\$250 for a National Interest Waiver application reviewletter where the physician is a currently J-1 Visa Waiver physician practicing, or intends to practice in Colorado.
172 173 (C) 174 175	\$1,250 for a National Interest Waiver application review letter where the physician is not a current by J-1 Visa Waiver physician practicing in Colorado.
176(D) 177 178	The Governor's Designee may waive application fees for Executive agencies of state government.
179 180	1.5 Application Review Process
181 182	(1) Conrad 30 J-1 Visa Waiver Application
183 184	 (A) Applications will be accepted at any time and will be reviewed in the order that they are received.

(B) Complete applications, where both the International Medical Graduate and 186 Practice Site are eligible under program rules, will be referred to the 187 Waiver Application Review Committee for a vote. In federal fiscal years 188 where more than 30 applications are received, priority will be given to 189 applicants who: 190 191 (1) are specialists in Family Medicine, General Internal Medicine, 192 General Pediatrics, General Obstetrics and Gynecology, or 193 General Psychiatry; 194 195 (2) will be placed in an outpatient clinical setting; and 196 197 (3) are assigned to a Practice Site located in a current Health 198 Professional Shortage Area. 199 200 201 (C) The Governor's Designee will support waiver petitions that are recommended by a majority vote of the Waiver Application Review 202 Committee. All decisions regarding state support of a waiver petition are 203 final. 204 205 (B) Once 30 waiver requests have been supported by the Governor's 206 Designee in a single federal fiscal year, the application process will be 207 closed until the following federal fiscal year. 208 209 210 (2) (2)—National Interest Waiver Application 211 212 Applications Requests will be accepted at any time and will be reviewed in the 213 order that they are received. The Governor's Designee will respond to the 214 National Interest Waiver request in writing. 215 216 (A) Complete applications, where both the International Medical Graduate and 217 218 Practice Site are eligible under program rules, will be evaluated by the Governor's Designee if an applicant is a current J-1 Visa Waiver physician 219 practicing in Colorado, or be referred to the Waiver Application Review 220 Committee for a vote if the applicant is not a current J-1 Visa Waiver 221 physician practicing in Colorado. 222 223 (B) The Governor's Designee will make the final determination of state 224 support. All decisions regarding state support of a waiver petition are 225 final. 226 227

Notice of Public Rule-Making Hearing Scheduled for March 16, 2016

NOTICE is hereby given pursuant to the provisions of Section 24-4-103, C.R.S., that the Colorado Board of Health will conduct a public rule-making hearing on March 16, 2016 at 10 a.m. in the Sabin-Cleere Conference Room of the Colorado Department of Public Health and Environment, Bldg. A, First Floor, 4300 Cherry Creek Drive, South, Denver, CO 80246, to consider the promulgation of rules pertaining to 6 CCR 1016-3, International Medical Graduates Seeking State Support of an Immigration Petition: Eligibility Application Process, Fees and Selection Procedures. The proposed rules have been developed by the Prevention Services Division of the Colorado Department of Public Health and Environment pursuant to Section § 25-1.5-404, C.R.S.

The agenda for the meeting and the proposed amendments will also be available on the Board's website, https://www.colorado.gov/pacific/cdphe/boh at least seven (7) days prior to the meeting. The proposed rules, together with the proposed statement of basis and purpose, specific statutory authority and regulatory analysis will be available for inspection at the Colorado Department of Public Health and Environment, 4300 Cherry Creek Drive South EDO-A5, Denver, Colorado 80246-1530 at least five working days prior to the hearing. Copies of the proposed rules may be obtained by contacting the Colorado Department of Public Health and Environment, Prevention Services Division, Primary Care Office, A-5, 4300 Cherry Creek Drive S., Denver, CO 80246, (303) 692-2582.

The Board encourages all interested persons to participate in the hearing by providing written data, views, or comments, or by making oral comments at the hearing. At the discretion of the Chair, oral testimony at the hearing may be limited to three minutes or less depending on the number of persons wishing to comment. Pursuant to 6 CCR 1014-8, §3.02.1, written testimony must be submitted no later than five (5) calendar days prior to the rulemaking hearing. Written testimony is due by 5:00 p.m., Thursday, March 10, 2016. Persons wishing to submit written comments should submit them to: Colorado Board of Health, ATTN: Jamie L. Thornton, Program Assistant, Colorado Department of Public Health and Environment, 4300 Cherry Creek Drive South EDO-A5, Denver, Colorado 80246-1530 or by e-mail at: cdphe.bohrequests@state.co.us

Dated this 27 day of January, 20/4.

PUBLIC EMPLOYEES' RETIREMENT ASSOCIATION COLORADO PERA RULES

8 CCR 1502-1

NOTICE OF PROPOSED PERMANENT RULEMAKING HEARING March 11, 2016

STATEMENT OF BASIS AND PURPOSE

The statutory authority for rulemaking by the Public Employees' Retirement Association is section 24-51-204(5), Colorado Revised Statutes, as amended.

The purpose of this rulemaking is to amend Colorado PERA Rule 2.50 to permit Board elections of Board Chair and Vice Chair to occur at the last regular meeting of the calendar year, and for those elected individuals to assume office at the next regularly scheduled meeting. Currently, those elections are held at the first meeting after January 1.

2.50 Election of Officers

The Board shall, by secret ballot, elect by secret ballot from among its members a Chair and Vice Chair, each to serve for terms of two years. When elections are required, They shall take place be elected at the last regular meeting held in the calendar year, and the newly elected Chair and Vice Chair shall assume office as of the next regular meeting. first regular meeting held after January 1 commencing with the first regular meeting held after January 1, 2007, and shall serve for terms of two years. No member may serve continuously as Chair for more than two consecutive terms. All officers shall be elected by a majority of those present and voting.

Medical Services Board

NOTICE OF PROPOSED RULES

The Medical Services Board of the Colorado Department of Health Care Policy and Financing will hold a public meeting on Friday, March 11, 2016, beginning at 9:00 a.m., in the eleventh floor conference room at 303 East 17th Avenue, Denver, CO 80203. Reasonable accommodations will be provided upon request for persons with disabilities. Please notify the Board Coordinator at 303-866-4416 or judith.carey@state.co.us or the 504/ADA Coordinator hcpf504ada@state.co.us at least one week prior to the meeting to make arrangements.

A copy of the full text of these proposed rule changes is available for review from the Medical Services Board Office, 1570 Grant Street, Denver, Colorado 80203, (303) 866-4416, fax (303) 866-4411. Written comments may be submitted to the Medical Services Board Office on or before close of business the Wednesday prior to the meeting. Additionally, the full text of all proposed changes will be available approximately one week prior to the meeting on the Department's website at www.colorado.gov/hcpf/medical-services-board.

This notice is submitted to you for publication, pursuant to § 24-4-103(3)(a) and (11)(a), C.R.S.

MSB 15-10-27-E, Revision to the Medical Assistance Health Programs Benefits Management Rule Concerning Supervision Requirements for Registered Nurses at Local Public Health Agencies, Section 8.200

Medical Assistance: The proposed rule revises the supervision requirements for vaccination administration services rendered by a Registered Nurse (RN) at a Local Public Health Agency (LPHA). The proposed revision removes the requirement that the supervising provider be physically onsite for the duration of vaccination administration services rendered by RNs, and replaces it with a requirement that the supervising provider be immediately available via telephonic or other electronic means to give assistance throughout the performance of the service. This rule revision is intended to increase access to vaccinations for Colorado Medicaid members served by LPHAs.

State authority for this rule is contained in 25.5-1-301 through 25.5-1-303, C.R.S. (2015); 25.5-4-401(2), C.R.S. (2015); and 24-4-103(6)(a), C.R.S. (2015). Federal Authority for this rule is contained in 42 CFR 440.230(2)(b).

Subjects and issues involved

The purpose of the proposed rule change is to modify the implementation date of rules that were previously adopted to implement Transitional Food Assistance. The purpose of Transitional Food Assistance was to provide stable food benefits to families that receive Food Assistance and Colorado Works (CW) basic cash assistance, but become ineligible for Colorado Works cash assistance during the middle of the households certification period because the familys income makes them ineligible. Transitional Food Assistance is meant to help meet a familys nutritional needs for five (5) months as they transition into self-sufficiency.

The effective date of the previously adopted rules was February 1, 2016. Due to delays in automated system changes that are necessary to implement the rule, the effective date must be modified to July 1, 2016, which is when the system changes will be completed.

STATEMENT OF BASIS AND PURPOSE

Summary of the basis and purpose for the rule or rule change. (State what the rule says or does, explain why the rule or rule change is necessary and what the program hopes to accomplish through this rule. How do these rule changes align with the outcomes that we are trying to achieve, such as those measured in C-Stat?)

The purpose of the proposed rule change is to modify the implementation date of rules that were previously adopted to implement Transitional Food Assistance.

The purpose of Transitional Food Assistance was to provide stable food benefits to families that receive Food Assistance and Colorado Works (CW) basic cash assistance, but become ineligible for Colorado Works cash assistance during the middle of the household's certification period because the family's income makes them ineligible. Transitional Food Assistance is meant to help meet a family's nutritional needs for five (5) months as they transition into self-sufficiency.

The effective date of the previously adopted rules was February 1, 2016. Due to delays in automated system changes that are necessary to implement the rule, the effective date must be modified to July 1, 2016, which is when the system changes will be completed.

Food Assistance Program

REGULATORY ANALYSIS

(complete each question; answers may take more than the space provided)

1. List of groups impacted by this rule:

Which groups of persons will benefit, bear the burdens or be adversely impacted by this rule?

No groups of persons will benefit, bear the burdens or be adversely impacted by delaying the implementation date of the previously adopted rule-making, as Transitional Food Assistance has not yet been implemented.

2. Describe the qualitative and quantitative impact:

How will this rule-making impact those groups listed above? How many people will be impacted? What are the short-term and long-term consequences of this rule?

Delaying implementation of Transitional Food Assistance is necessary to ensure that automated systems are functioning properly so that Transitional Food Assistance is administered correctly in accordance with federal regulations to prevent non-compliance in administering a federal policy option.

3. Fiscal Impact:

For each of the categories listed below explain the distribution of dollars; please identify the costs, revenues, matches or any changes in the distribution of funds even if such change has a total zero effect for any entity that falls within the category. If this rule-making requires one of the categories listed below to devote resources without receiving additional funding, please explain why the rule-making is required and what consultation has occurred with those who will need to devote resources.

<u>State Fiscal Impact</u> (Identify all state agencies with a fiscal impact, including any Colorado Benefits Management System (CBMS) change request costs required to implement this rule change)

There is no state fiscal impact in regards to the funding of the Food Assistance benefit. All Food Assistance benefits are one hundred percent (100%) federally funded.

Changes to the Colorado Benefits Management System (CBMS) will be completed with funds already available to the program areas.

Costs to provide training will be absorbed within current state positions that currently conduct training.

County Fiscal Impact

There are no county fiscal impacts associated with this rule change.

Federal Fiscal Impact

There are no federal fiscal impacts associated with this rule change. The United States Department of Agriculture, Food Nutrition Service (USDA, FNS), has been informed of the implementation of Transitional Food Assistance and no concerns have been raised regarding the potential increase in Food Assistance benefit issuance and the associated federal fiscal costs. All Food Assistance benefits issued to households are 100% federally funded.

FNS has been notified of the delayed implementation and has no concerns.

(10 CCR 2506-1)

4.609 TRANSITIONAL FOOD ASSISTANCE

4.609.1 GENERAL ELIGIBILITY GUIDELINES [Eff. 2/1/16]

- A. EFFECTIVE JULY 1, 2016, households that receive Food Assistance and Colorado Works basic cash assistance that become ineligible for continued receipt of Colorado Works basic cash assistance as a result of changes in household income are eligible to receive Transitional Food Assistance (TFA), as provided for within this section. Colorado works diversion payments are not considered basic cash assistance. Colorado works basic cash assistance is defined in Section 3.601 of the Code of Colorado Regulations (9 CCR 2503-6).
- B. Households that are eligible to receive Transitional Food Assistance will have the Food Assistance benefit amount continued for five (5) months. The household's Food Assistance allotment will be continued in an amount based on what the household received prior to when the household's income made them ineligible for Colorado Works basic cash assistance. Only the following four (4) changes will be acted upon when determining the Food Assistance allotment that is to be continued.
 - 1. The loss of the Colorado Works cash grant;
 - 2. Changes in household composition that result in a household member leaving and applying for Food Assistance in another household;
 - 3. Updates to the Food Assistance eligibility standards that change each October 1 as a result of the annual cost-of-living adjustments (see Section 4.607); and,
 - 4. Imposing an intentional program violation disqualification.
- C. When the Food Assistance benefit amount is continued, the household's existing certification period shall end, and the household shall be assigned a new five (5) month certification period. The recertification requirements located within Section 4.209 that would normally apply when the household's certification period ends must be postponed until the end of the five (5) month transitional certification period.
- D. Households who are denied or not eligible for Transitional Food Assistance must have continued eligibility and benefit level determined in accordance with Section 4.604.
- E. The following households are not eligible to receive Transitional Food Assistance:
 - 1. Households leaving the Colorado Works program due to a Colorado Works sanction; or,
 - 2. Households that are ineligible to receive Food Assistance because all individuals in the household meet one of the following criteria:
 - a. Disgualified for intentional program violation in accordance with Section 4.803;
 - b. Ineligible for failure to comply with a work requirement in accordance with Section 4.310;
 - c. Ineligible student in accordance with Section 4.306;

- d. Ineligible non-citizen in accordance with Section 4.305.1;
- e. Disqualified for failing to provide information necessary for making a determination of eligibility in accordance with Section 4.500 or for completing any subsequent review of its eligibility in accordance with Sections 4.209 and 4.210;
- f. Disqualified for receiving Food Assistance benefits in more than one household in the same month in accordance with Section 4.803.3;
- g. Disqualified for being a fleeing felon in accordance with Section 4.304.4;
- h. Able-bodied adults without dependents who fail to comply with the requirements of Section 4.310.

Subjects and issues involved

This rule implements Senate Bill 15-240, which was signed into law on May 1, 2015, and requires that rules be promulgated on or before July 1, 2016 for the block distribution of state moneys to Independent Living Centers. The rule outlines how the additional \$830,000 that was allocated by the State Legislature will be distributed to the Centers for Independent Living under the funding formula that the Centers agreed to in October 2015. The Centers agreed to a weighted formula that divides county disability population, plus county population, and land area by population to determine the funding amount for each county. The Centers also agreed to explore setting aside \$400,000 to establish a Division of Independent Living in State Government. The program will be meeting its fiduciary requirements by having this rule promulgated.

STATEMENT OF BASIS AND PURPOSE

Summary of the basis and purpose for the rule or rule change. (State what the rule says or does, explain why the rule or rule change is necessary and what the program hopes to accomplish through this rule. How do these rule changes align with the outcomes that we are trying to achieve, such as those measured in C-Stat?)

This rule implements Senate Bill 15-240, which was signed into law on May 1, 2015, and requires that rules be promulgated on or before July 1, 2016 for the block distribution of state moneys to Independent Living Centers. The rule outlines how the additional \$830,000 that was allocated by the State Legislature will be distributed to the Centers for Independent Living under the funding formula that the Centers agreed to in October 2015. The Centers agreed to a weighted formula that divides county disability population, plus county population, and land area by population to determine the funding amount for each county. The Centers also agreed to explore setting aside \$400,000 to establish a Division of Independent Living in State Government. The program will be meeting its fiduciary requirements by having this rule promulgated.

REGULATORY ANALYSIS

(complete each question; answers may take more than the space provided)

1. List of groups impacted by this rule:

Which groups of persons will benefit, bear the burdens or be adversely impacted by this rule?

Individuals with disabilities will benefit because Certified Centers for Independent Living in Colorado will have access to additional funding which will enable them to provide more services to individuals with disabilities leading to the individuals' potential for increased economic securities and community access.

2. Describe the qualitative and quantitative impact:

How will this rule-making impact those groups listed above? How many people will be impacted? What are the short-term and long-term consequences of this rule?

The rule is the final step of the process of implementing S.B. 15-240. The Centers for Independent Living crafted the formula, and have already agreed to the parts of the formula and estimated amounts of General Fund that each Center would receive.

In 2015, the Centers for Independent Living reported providing services for 13,019 separate individuals with disabilities. This number could increase exponentially as the ability to provide services based on the individual funding increases.

3. Fiscal Impact:

For each of the categories listed below explain the distribution of dollars; please identify the costs, revenues, matches or any changes in the distribution of funds even if such change has a total zero effect for any entity that falls within the category. If this rule-making requires one of the categories listed below to devote resources without receiving additional funding, please explain why the rule-making is required and what consultation has occurred with those who will need to devote resources.

<u>State Fiscal Impact (Identify all state agencies with a fiscal impact, including any Colorado Benefits Management System (CBMS) change request costs required to implement this rule change)</u>

The Colorado General Assembly passed S.B. 15-240 which allocated the additional funds to the Centers for Independent Living. The addition to the Center for Independent Living (CIL) funding will be an incremental increase over two years. During State Fiscal Year (SFY) 2016, the base building funds amount will be an additional \$158,500 per CIL for a total increase of \$1,585,000. In addition, S.B. 15-240 calls for an additional \$415,000 to be distributed to the CILs based on the funding formula the CILs are to develop before December 31, 2015. These funds cannot be released to the CILs until the funding formula is written into rule. In SFY 2017, the base building per CIL will be \$600,000 for a total amount of \$6,000,000. There will be an additional available amount for distribution under the funding formula of \$830,000.

(12 CCR 2513-1)

9.207.3 STATE ALLOCATION FOR DELIVERY OF INDEPENDENT LIVING SERVICES

CERTIFIED CENTERS FOR INDEPENDENT LIVING (CILs) WILL BE ALLOCATED GENERAL FUNDS IN ADDITION TO THEIR BASE AMOUNT OF GENERAL FUNDS IN THE FOLLOWING FORMULA:

- A. ASSIGN EACH COLORADO COUNTY A SCORE WHICH EQUALS: 40% X (COUNTY16-64 DISABILITY POPULATION/STATE 16-64 DISABILITY POPULATION) + 20% X (COUNTY 65+ POPULATION/STATE 65+ POPULATION) + 40% X (COUNTY QUANTILE AVERAGE OF LAND AREA/POPULATION).
- B. MULTIPLY THIS SCORE FOR EACH COUNTY BY THE AVAILABLE FUNDS, AND THEN DIVIDE IT BY 100.
- C. SUM UP ALL THE COUNTY SCORES FROM WITHIN EACH CIL'S CATCHMENT AREA. THE RESULTING FIGURE IS THE AMOUNT WHICH EACH CENTER FOR INDEPENDENT LIVING WILL RECEIVE FROM THE FUNDING FORMULA, EXCEPT THAT ATLANTIS COMMUNITY, MILE HIGH INDEPENDENT LIVING CENTER (MHIL), AND THE CENTER FOR PEOPLE WITH DISABILITIES (CPWD) AGREED TO SPLIT THE COUNTIES THAT THEY SHARE EQUALLY, WITH THE EXCEPTION OF JEFFERSON COUNTY, 50% OF WHOSE FUNDING WILL GO TO CPWD, 25% TO MHIL, AND 25% TO ATLANTIS.

RULE 9. DEPOT LICENSE PLATES

Basis: The statutory bases for this rule are sections 42-1-204, 42-3-116, and 42-3-301, C.R.S.

Purpose: The following is promulgated to establish criteria for the issuance and use of Depot License Plates.

1.0 Definitions

- 1.1 "Dealer" means a Colorado licensed dealership as defined in Code of Colorado Regulation 1 CCR 204-10 Rule 48. Colorado Dealer License Plates.
- 1.2 "Depot License Plate(s)" also referred to as "Depot Tags" means a numbered license plate issued by the Department that has the stacked "DPT" lettering on the Colorado blue and white graphic license plate.

2.0 Requirements

- 2.1 A Dealer requesting Depot License Plates must complete and submit to the Departmentform DR 2521 Depot Plate Application, together with a copy of the Dealer's license and required fees.
- 2.2 A Dealer can obtain one Depot License Plate per mechanic or service technician employed by the Dealer. Upon application or renewal, the owner or authorized representative of the Dealer must certify the number of mechanics or service technicians currently employed by the Dealer.
- 2.3 Applications, issuance, renewals, and replacements may be conducted via mail (including U.S. Postal Service, FedEx, UPS, DHL, etc.). The Dealer must provide a self-addressed, postage-paid envelope for Depot License Plates if requesting delivery by mail services. Depot License Plates cannot be mailed to a non-Colorado address.
- 2.4 Use of Depot License Plates is limited to the purposes described in section 42-3-116(4)(a), C.R.S.

3.0 Lost or Stolen Depot License Plates

3.1 A Dealer must report lost or stolen Depot License Plates within seventy-two (72) hours to the local law enforcement agency and to the Department using form DR 2283 Lost or Stolen License Plates/Permits Affidavit.

4.0 Surrender of Depot License Plates

4.1 A Dealer whose dealer license is suspended, denied, revoked, or expired, or otherwise ceases to operate must surrender to the Department all Depot License Plates in its possession within seventy-two (72) hours.

4.2	The Department will not refund any portion of the original fees paid when Depot License Plates are surrendered.

2220-R-1.00 STATEMENT OF BASIS AND PURPOSE

1.00(1) - 1.00(17) [NO CHANGE]

1.00(18) The statutory authority for the amendments to these Rules is found in Title 22, Article 54, Section 129, which amended the formula for determining applicable revenues for students placed in approved facility schools. The purpose of the amendment is to align these Rules with the statute.

2.00 - 8.08 [NO CHANGE]

2220-R-9.00 OUT OF DISTRICT PLACEMENTS

9.01 DEFINITIONS

9.01(1) " Applicable Revenues " means:

9.01(1)(a) The Per Pupil Revenue (PPR), as follows:

- 9.01(1)(a)(i) The PPR of the chartering school district when a child with a disability enrolls in and attends a charter school pursuant to Article 30.5 of Title 22, C.R.S., not including a charter school that provides an on-line program pursuant to Section 22-33-104.6, C.R.S.;
- 9.01(1)(a)(ii) The PPR of the accounting district, as defined under Section 22-30.5-513 (1)(a), C.R.S., when a child with a disability enrolls in and attends an institute charter school pursuant to Part 5 of Article 30.5 of Title 22, C.R.S.
- 9.01(1)(a)(iii) The PPR of the district of attendance when a child with a disability enrolls in and attends a school in an administrative unit other than the child's administrative unit of residence pursuant to Section 22-36-101, C.R.S., and the school does not provide the child an on-line program and the school is not a charter school;
- 9.01(1)(a)(iv) The PPR of the district of residence when an administrative unit of residence purchases services from another administrative unit for a specific special education program not available in the administrative unit of residence; or
- 9.01(1)(a)(v) The state minimum PPR when a child with a disability enrolls in and attends a public on-line program pursuant to section 22-33-104.6, C.R.S., including an on-line program provided by a charter school.

9.01(1)(b) For three- and four-year old children with disabilities, and for five-year old children with disabilities who are not enrolled in kindergarten, 50 percent PPR shall be considered applicable revenue.

9.01(1)(c) Monies available from federal sources.

9.01(1)(d) Monies received under ECEA.

9.01(1)(e) Monies received from other state agencies.

9.01(1)(f) Monies received from other administrative units, not including tuition.

9.01(1)(g) Monies received through grants and donations.

9.01(1)(h) For a child with a disability placed in an approved facility school, an amount equal to one and seventy-three hundredths (i.e., 173%) of the statewide base per pupil funding for the applicable budget year, pursuant to Section 22-54-129(c) (II), C.R.S.

9.01(2) - 9.01(8) [No Change]

9.02 [NO CHANGE]

9.03 RESPONSIBILITY FOR TUITION COSTS

9.03(1) [No Change]

9.03(2) Type of Tuition Placements

9.03(2)(a) Placement in Approved Facility Schools

- When a child with a disability is placed, by a public agency, into an approved facility school, the district of residence is responsible for paying the educational costs over and above applicable revenues, also known as tuition costs. The administrative unit of residence shall count the child for the December 1 Special Education Count. The tuition costs shall be determined by the Department of Education for each approved facility school in accordance with Section 9.06(1) of these Rules. Such tuition costs shall be the maximum amount the district of residence shall be obligated to pay for the special education program. The district of residence may pay a higher tuition cost than the cost established and approved by the Department of Education for children in need of specialized services, if these services were included in a child's IEP but were not included in the approved tuition cost. The district of residence is not responsible for paying tuition costs for extended school year services for a child unless the child's IEP specifies the need for extended school year services. The Department of Education does not set the amount of tuition costs the administrative unit of attendance may charge the district of residence for children in group homes served by the administrative unit of attendance.
- 9.03(2)(a)(ii) Any court of record, the Department of Human Services, or any other public agency authorized by law to place a child with a disability in a facility with an approved facility school shall notify in writing the child's administrative unit of residence, the administrative unit in which the approved facility school is located and the Department of the placement within fifteen calendar days after the placement. If a court or public agency makes a public placement but fails to

provide the required written notice, such court or public agency shall be responsible for the tuition costs for the child until such time as the required notification is made. If the child's administrative unit of residence does not provide written notice of disapproval of the child's placement in an approved facility school by a court or public agency within fifteen calendar days after the required notification, the placement shall be deemed appropriate. A decision to disapprove a placement must be based solely on the unavailability of appropriate educational services. If the placement is disapproved, the administrative unit of residence must assure that the child receives a free appropriate public education until an appropriate placement can be determined in accordance with Sections 5.04(1) and (2) of these Rules.

- 9.03(2)(a)(ii)(A) If an administrative unit of residence initiates a placement of a child with a disability into an approved facility school for its day treatment or residential program, and the approved facility school also provides the child's educational program, the administrative unit of residence shall count the child on its December 1 Special Education Count. The approved facility school shall count the student on the October 1 Count, bill the Department for one and seventy-three hundredths (i.e., 173%) of the statewide base per pupil revenue, pursuant to Section 22-54-129(c) (II), C.R.S., and the administrative unit of residence shall pay the approved facility school all remaining day treatment or residential costs, as well as any additional educational costs agreed to by the parties.
- 9.03(2)(a)(ii)(B) If an administrative unit of residence places a child with a disability into an approved facility school for the educational program only, the district of residence must count the child on the October 1 Count as being in a private school placement, and the administrative unit of residence shall count the child on its December 1 Special Education Count as being in a private school placement. The approved facility school shall not bill the Department for one and seventy-three hundredths (i.e., 173%) of the statewide base PPR for the child, pursuant to Section 22-54-129(c)(II), C.R.S. Instead the approved facility school shall bill the administrative unit of residence for the total cost of the child's educational program, as agreed to by the approved facility school and the administrative unit of residence.

RULES FOR THE ADMINISTRATION OF THE STATE CHARTER SCHOOL INSTITUTE

1 CCR 302-1

[Editor's Notes follow the text of the rules at the end of this CCR Document.]

Statutory Authority: Article IX, Section 1, Colorado Constitution. Sections 22-30.5-503(1)(c), 505(4)(k), 505(5), and 510(1)(b) and (c), CRS.

Rule 1.00 Statement of basis and purpose.

The statutory basis for these Rules adopted October 16, 2012, is found in Sections 22-30.5-503(1)(c), 505(4)(k), 505(5), and 510(1)(b) and (c), CRS.

- 1) Section 22-30.5-505, et. seq., CRS., requires the Institute Board to promulgate Rules for the administration of Part 5, Article 30.5, Title 22, CRS. The purposes of these Rules include, but are not limited to, establishing regulations to:
 - a) set forth procedures for acceptance of Institute Charter School applications.
 - b) identify the criteria and process for evaluating Institute Charter School applications.
 - c) set forth the criteria for approving Institute Charter Schools.
 - d) provide procedures for entering into, renewing, terminating and revoking Institute Charter School contracts.
 - e) specify procedures for monitoring and overseeing Institute Charter Schools.
 - f) state procedures concerning Institute Charter School accountability.
 - g) provide procedures for adoption of content standards by Institute Charter Schools pursuant to Section 22-30.5-505(8), CRS.
 - h) provide for procedures for entering into contracts with a Board of Cooperative Services or with any other qualified individual or private or public entity pursuant to Section 22-30.5-505(6)(a), CRS.

Rule 2.00 Definitions.

- 1) At-risk student. "At-risk student" means a student:
 - a) who is eligible to receive free or reduced-cost lunch pursuant to the provisions of the federal "national school lunch act", 42 USC. Sec. 1751, et seq.; or
 - b) who has performed at the proficiency level of "unsatisfactory" or "Partially Proficient" on a Statewide assessment.

- 2) Board of Cooperative Services. "Board of Cooperative Services" means a Board of Cooperative Services as defined in Section 22-5-103(2), CRS.
- 3) Charter School Institute. "Charter School Institute" means the Charter School Institute created and existing pursuant to Section 22-30.5-501, et seq., CRS.
- 4) Charter School Contract. "Charter School Contract" means the contract between an Institute Charter School and the Charter School Institute.
- 5) Education Management Provider. "Education Management Provider" means a nonprofit, not-for-profit, or for-profit entity that contracts with an Institute Charter School to provide, manage, or oversee all or substantially all of the Educational services provided by the Institute Charter School.
- Existing school. "Existing school" means a school or program within a school that is already in existence, including, but not limited to, a Charter School operating under a contract pursuant to Part 1 of Article 30.5 of Title 22, CRS., with a local Board of Education; an existing non-charter public school, an existing non-public school, or a discrete program that is a Part of one of the forgoing schools.
- 7) Institute Charter School. "Institute Charter School" means a public, nonsectarian, nonreligious, non-home-based school that operates pursuant to a Charter School contract with the Charter School Institute.
- 8) Institute Board. "Institute Board" means the Board of the Charter School Institute appointed pursuant to Section 22-30.5-505, CRS.
- 9) Department. "Department" means the Colorado Department of Education created and existing pursuant to Section 24-1-115, CRS.
- School district. "School district" means a school district organized and existing under the laws of Colorado, except a junior college district pursuant to Section 22-30.5-502(10), CRS; except that, for purposes of Section 22-30.5-513, CRS, "school district" shall have the meaning set forth in Section 22-30.5-513(1)(a), CRS.
- 11) State Board. "State Board" means the Colorado State Board of Education created and existing pursuant to Section 1 of Article IX of the Colorado State constitution.

Rule 3.00 Institute Charter School application procedures.

- 1) Deadline. An Institute Charter School application shall be submitted to the Institute Board by a date determined by the Institute annually and reasonably publicized to interested Parties.
 - a) The deadline for filing an application may be extended in the discretion of the Institute upon written request by the applicant.
 - b) Prior to any change in the application deadline, the Charter School Institute shall notify each known Institute Charter School applicant of the proposed change by certified letter.
- 2) An application may be submitted by one or more individuals (e.g., a Partnership); by a non-profit, governmental, or other entity or organization; or by an existing school.
- 3) An application for an Institute Charter School may not be submitted if the school district within which the Institute Charter School is to be located has retained exclusive authority to authorize Charter Schools pursuant to Part 5, Article 30.5, Title 22, CRS, unless the Board of Education of such school district has approved, by resolution, the establishment of one or more Institute

Charter Schools within its geographic boundaries, has submitted the resolution to the State Board, and has not rescinded the resolution.

- 4) Applications from an existing school.
 - a) Timeline: existing schools wishing to convert to the Charter School Institute must submit an application in the year before the desired conversion according to a timeline that the Institute will promulgate annually with sufficient notice to any interested schools.
 - b) If the existing school is a Charter School approved by a school district:
 - i) the existing school must have consent from its authorizing school district if it is seeking to convert to the Charter School Institute before the end of its current charter contract unless it is in the last year of the current charter contract.
 - ii) the existing school does not need to be non-renewed by its authorizing school district to apply to the Charter School Institute.
 - the existing school may submit a renewal application to the current school district at the same time it submits an application to the Charter School Institute.
 - iv) the existing school is not required to seek consent if its authorizing district does not have exclusive authorization.
- 5) An application may be withdrawn at any time by filing a written request for withdrawal signed by the applicant(s) or authorized representatives of the applicant(s). The withdrawal shall be effective on the date the notice of withdrawal is received by the Institute.
- On or before the date the application is submitted to the Institute Board, the applicant shall provide proof that it has given written notice of the application and provided a complete copy of the application to the Board of Education and the Accountability Committee of the school district in which the proposed Institute Charter School is to be located. If the application is supplemented or amended (including responses to questions raised at any interview of the applicant), on or before the date the amendment or supplement is submitted to the Institute Board, the applicant shall provide proof that a complete copy of the amendment or supplement has been provided to the Board of Education and the Accountability Committee of the School District in which the proposed Institute Charter School is to be located. The Board of Education and the Accountability Committee may each comment on the application to the Institute Board, in writing, within 30 days of receiving notice of the application or of any supplement or amendment.
- 7) Applications for an Institute Charter School shall be in both electronic form and hard copy and in a format published by the Institute.

Rule 4.00 Institute Charter School application contents.

- 1) The Institute Charter School application is a proposed agreement upon which the Institute charter applicant and the Institute negotiate a charter contract. At a minimum, each Institute Charter School application includes:
 - a) an executive summary that outlines the elements of the application and provides an overview of the proposed Institute Charter School;
 - b) the vision and mission statements of the proposed Institute Charter School;

- the goals, objectives, and student performance standards the proposed Institute Charter School expects to achieve, including but not limited to the performance indicators specified in CRS Section 22-11-204 and applicable standards and goals specified in federal law;
- d) evidence that an adequate number of parents and pupils support the formation of an Institute Charter School;
- e) descriptions of the proposed Institute Charter School's Educational program, student performance standards, and curriculum;
- (f) a plan for evaluating student performance across the curriculum, which plan aligns with the proposed Institute Charter School's mission and educational objectives and provides a description of the proposed Institute Charter School's measurable annual targets for the measures used to determine the levels of attainment of the performance indicators specified in CRS Section 22-11-204 and procedures for taking corrective action if student performance at the school falls below the described targets;
- g) evidence that the plan for the proposed Institute Charter School is economically sound, including a proposed budget for a term of at least five years. The Institute charter application shall also describe the method for obtaining an independent annual audit of the proposed Institute Charter School's financial Statements consistent with generally accepted auditing standards and Circular A-133 of the United States Office of Management and Budget, as originally published in the Federal Register of June 30, 1997, and as subsequently amended.
- h) a description of the governance and operation of the proposed Institute Charter School, including the nature and extent of parental, professional educator, and community involvement in the governance and operation of the proposed Institute Charter School, that is consistent with the standards adopted by Rule of the State Board pursuant to CRS Section 22-2-106 (1) (h);
- an explanation of the relationship that will exist between the proposed Institute Charter School and its employees and the proposed Institute Charter School's employment policies;
- a proposal regarding the Parties' respective legal liabilities and applicable insurance coverage, which insurance coverage shall include, at a minimum, workers' compensation, liability insurance, and insurance for the proposed Institute Charter School's facility and its contents;
- k) the proposed Institute Charter School's expectations and plans for ongoing parent and community involvement;
- a description of the proposed Institute Charter School's enrollment policy, consistent with the requirements of CRS Section 22-30.5-507 (3) and Rules adopted by the State Board pursuant to CRS Section 22-2-106 (1) (h), and the criteria for enrollment decisions;
- m) a statement of whether the proposed Institute Charter School plans to address the transportation or food service needs of its students while they are attending the school. The proposed Institute Charter School may choose not to provide transportation or food services, may choose to develop or form a Charter School Collaborative as described in CRS Section 22-30.5-603 to provide transportation or food services, or may choose to negotiate with a school district, Board of Cooperative Services, or private Provider to provide transportation or food services for its students. If the proposed Institute Charter

School chooses to provide transportation or food services, the application shall include a plan for each provided service, which plan, at a minimum, shall specifically address serving the needs of low-income and academically low-achieving students, complying with insurance and liability issues, and complying with any applicable State or federal rules or regulations.

- n) a facilities plan that details viable facilities options that are consistent with CRS Section 22-32-124 and that includes the reasonable costs of the facility, which are reflected in the proposed budget;
- o) a list of the waivers of statute and state rules that the proposed Institute Charter School is requesting, which list explains the rationale for each requested non-automatic waiver and the manner in which the proposed Institute Charter School plans to meet the intent of the waived statute or rule pursuant to CRS Section 22-30.5-509(1)(0);
- policies regarding student discipline, expulsion, and suspension that are consistent with the intent and purpose of CRS Section 22-33-106, provide adequately for the safety of students and staff, and provide a level of due process for students that, at a minimum, complies with the requirements of the federal "Individuals with Disabilities Education Act", 20 USC Sec. 1400 et seq.;
- a plan for serving students with special needs, including budget and staff requirements, which plan shall include identifying and meeting the learning needs of at-risk students, students with disabilities, gifted and talented students, and English language learners;
- r) a dispute resolution process, as provided in CRS Section 22-30.5-107.5; and
- s) if the proposed Institute Charter School intends to contract with an Education Management Provider:
 - a summary of the performance data for all of the schools the Education Management Provider is managing at the time of the application or has managed previously, including documentation of academic achievement and school management success;
 - ii) an explanation of and evidence demonstrating the Education Management Provider's capacity for successful expansion while maintaining quality in the schools it is managing;
 - iii) an explanation of any existing or potential conflicts of interest between the governing Board of the proposed Institute Charter School and the Education Management Provider; and
 - iv) a copy of the actual or proposed performance contract between the governing Board for the proposed Institute Charter School and the Education Management Provider that specifies, at a minimum, the following material terms:
 - a) performance evaluation measures;
 - b) the methods of contract oversight and enforcement that the governing Board will apply;
 - (c) the compensation structure and all fees that the proposed Institute Charter School will pay to the Education Management Provider; and

- d) the conditions for contract renewal and termination.
- 2) If the applicant is an existing school, the application shall contain the information described under Section 1 above in addition to the following information:
 - a) If the existing school is a Charter School, identify each pre-existing obligation of the school to the school district that authorized the Charter School. For all existing schools, identify any contractual obligations to or relationships with other Parties and provide a detailed plan for addressing each such pre-existing obligation or relationship in the context of a conversion to the Institute. The applicant shall acknowledge that the Institute Board's approval of the application shall not relieve the applicant of these pre-existing obligations or relationships.
 - b) An organization chart or other summary showing staffing of the existing school, by year, for the past three years.
 - c) Audited financial statements for the past three years.
 - d) A discussion of the pupil performance standards used at the existing school, a summary of the assessment methods used to measure pupils' performance, and copies of any performance reports issued by the District for the last three years.
 - e) A description of the existing school's educational program in each of the last three years.
 - f) Other planning, performance, and evaluation reports and information to the extent they are available, as determined by the Institute.

Rule 5.00 Institute Charter School application review process and criteria.

- 1) It is the intent of the Institute Board that all Institute Charter School applications address how the proposed school will be among the highest-performing schools in academic achievement.
- 2) An application is considered filed when the Institute receives the Institute charter application from the Institute charter applicant either in hard copy or electronically.
- Within fifteen days after receiving an Institute Charter School application, the Institute shall determine whether the application contains the minimum components specified in Section 22-30.5-509 (1) and is therefore complete. If the application is not complete, the Institute shall notify the applicant within the fifteen-day period and provide a list of the information required to complete the Institute charter application. The applicant has fifteen days after the date it receives the notice to provide the required information to the Institute for review. The Institute is not required to take action on the Institute charter application if the applicant does not provide the required information within the fifteen-day period. The Institute may request additional information during the review period and provide reasonable time for the applicant to respond. The Institute may, but is not required to, accept any additional information the applicant provides that the Institute does not request.
- 4) The Institute's review of applications shall include, but is not limited to, the following key evaluative areas:
 - a) The number of at-risk students that the applicant school anticipates serving, both as an absolute number and as a percentage of the entire student body expected to enroll at the applicant school;

- b) Curriculum and instructional program;
- c) Non-academic program characteristics;
- d) Financial viability;
- e) Appropriate governance model and proposed practices;
- f) Appropriate, consistent, clear, and measurable accountability systems;
- g) The extent to which the instructional program fits the mission statement of the applicant school;
- h) Whether the applicant school will provide an Educational option that substantially differs from the Educational opportunities provided by existing schools of the school district that have capacity to accommodate additional students;
- The applicant school's plan for outreach and recruitment of students whose race, gender and ethnicity reflect the demographics of the community that the applicant school intends to serve; and
- j) The applicant school's plan for identifying and reducing the academic achievement gaps among its student population.
- Once the Institute has completed an initial review of the Institute Charter School application, the Institute may ask for supplemental information, including but not limited to, interviews with the applicant school's leadership, founding Board members, administrators, teachers, and representatives of companies partnering or assisting in the development of the applicant school. The Institute will focus on approving only those Charter School applications that have a high likelihood of success, especially in regard to academics and financial operations.
- The Institute Board shall rule by resolution on an application for authorization of an Institute Charter School, either new or existing, in a public hearing, following reasonable public notice, within ninety (90) days of receipt of a complete application, unless the Institute and the applicant school mutually agree in writing to a longer period of time. Before making its decision, the Institute Board shall give the applicant and members of the public reasonable opportunity to be heard.
- 7) If the application is denied, the Institute Board shall advise the applicant, in writing, of the reason(s) for the denial. Within thirty (30) days of the date of the denial, the applicant may submit to the State Board a notice of appeal stating the grounds for the appeal.
- 8) If the application is approved or approved with conditions, the Institute Board shall advise the applicant in writing.
- 9) After the Institute Board has approved an application, the applicant shall progress through a checklist of criteria or milestones that must be met before opening the Institute Charter School. The timeline for completing the checklist shall be mutually agreed between the Institute and the applicant school. Completion of the checklist, however, is required before the Institute Charter School may begin serving students.
- 10) The Institute Board and the school applicant may jointly waive any of the deadlines in this Rule 5 by mutual agreement in writing.

Rule 6.00 Institute Charter School contract

- 1) If a proposed Institute Charter School is approved by the Institute Board, the applicant school and the Institute Board shall negotiate a Charter School contract. The Institute Board and the Institute Charter School shall conclude negotiations and agree upon all terms of the Charter School contract within forty-five (45) days of the date the Institute Board approves the Institute Charter School.
- 2) The approved Institute Charter School application shall serve as the basis of the contract between the Institute Charter School and the Charter School Institute.
- 3) The Institute may approve a new charter contract for an Institute Charter School for a period of four academic years, and the Institute may renew the charter contract for succeeding periods not to exceed five academic years.
- 4) Any material change to the terms of the Charter School contract may be made only with the written approval of the Institute Board and the governing body of the Institute Charter School.
- 5) The terms of the Charter School contract must include, but are not limited to:
 - a) A statement of each state law or rule or Institute Board policy for which a waiver is requested from the State Board or the Institute Board.
 - b) An agreement as to the services, other than necessary administration, oversight, and management services, to be provided to the Institute Charter School by any third party with which the Institute Charter School or the Charter School Institute contracts, including, for each such service:
 - i) the nature of the service.
 - ii) the anticipated vendor of the service.
 - iii) the cost of the service.
 - c) The minimum enrollment of the Institute Charter School for financial viability.
 - d) The finances required for contracted services for the Institute Charter School, including the source and application of funds.

Rule 7.00 Institute Charter School Oversight and Monitoring.

- The Charter School Institute will accredit each individual Institute Charter School based on the Charter School Institute's accreditation contract with the State Board.
- During the term of a charter contract, the Institute shall annually review the Institute Charter School's performance. At a minimum, the review includes the Institute Charter School's progress in meeting the objectives identified in the plan the Institute Charter School is required to implement pursuant to Section 22-11-210 and the results of the Institute Charter School's most recent annual financial audit. The Institute shall provide to the Institute Charter School written feedback from the review and shall include the results of the Institute Charter School's annual review in the body of evidence that the Institute Board takes into account in deciding whether to renew or revoke the charter contract and that supports the renegotiation of the charter contract.
- 3) The Institute shall adopt and revise as necessary procedures and timelines for the charterrenewal process, which procedures and timelines are in conformance with the requirements of Part 5 of Article 22, Section 30.5, CRS. The Institute shall ensure that each of the Institute

Charter Schools receives a copy of the Institute's charter renewal procedures and timelines and any revisions to the procedures and timelines.

Rule 8.00 Accountability Reporting.

Each Institute Charter School shall be responsible for gathering and submitting to the Charter School Institute the data necessary to prepare a school performance report required by Section 22-11-503, CRS, for the Institute Charter School. The data shall be in the format required by Section 22-11-503, CRS, and, whenever possible, using the State data reporting system described in Section 22-11-501, CRS, and other data as required by the Charter School Institute and the Colorado Department of Education. This data shall be submitted to the Institute in accordance with a timeline established by the Institute.

Rule 9.00 Institute Charter School Content Standards.

- 1) Each Institute Charter School shall adopt content standards which meet or exceed the preschool through elementary and postsecondary education standards adopted pursuant to Section 22-7-1005, CRS, as amended.
- Content standards may be adopted for each grade level or may be adopted for groupings of grade levels.
- 3) In adopting content standards, each Institute Charter School may seek input from educators, parents, students, business persons, and members of the general community who are representative of the cultural diversity at the Institute Charter School. In any event, however, the Institute Charter School's standards shall align with content standards adopted by the Colorado department of Education.
- 4) Following adoption of content standards pursuant to this Section, each Institute Charter School shall develop a plan for:
 - a) Revising curriculum and programs of instruction to align them with adopted content standards and to ensure that each student will have the Educational experiences needed to achieve the adopted content standards.
 - b) Selecting or developing and administering assessments that will adequately measure each student's progress toward and achievement of the adopted content standards for the subject areas that are not tested by the State pursuant to Section 22-7-1006.3, CRS, including specification of an acceptable performance level. Such performance level shall be reexamined not less than yearly.
 - c) Addressing the different learning styles and needs of students of various backgrounds and abilities and eliminating barriers to equity which may exist within the Institute Charter School.
 - d) Providing professional educator development in standards-based Education.
- 5) The plan adopted by the Institute Charter School pursuant to this Section shall specifically address the education of exceptional students. In addition, such plan shall adopt timelines for the implementation of standards-based education pursuant to CRS 22-7-1001, et seq., as amended.
- Following adoption of content standards pursuant to this Section, each Institute Charter School shall review and revise such content standards as necessary, but at least in 2017 and every 6 years thereafter to promote the highest student achievement pursuant to Section 22-7-1013(5), CRS. In revising such content standards, each Institute Charter School shall seek recommendations from and shall work in cooperation with educators, parents, students, business

- persons, and members of the general community who are representative of the cultural diversity of the Institute Charter School.
- 7) Any individual education program which is developed for a student with disabilities pursuant to CRS 22-20-108(4), et seq. shall specify whether such student shall achieve the Institute Charter School's adopted standards or whether such student shall achieve individualized standards which would indicate the student has met the requirements of such student's Individual Education Program.

Rule 10.00 Revocation of the Charter School contract.

- 1) The Institute may revoke a charter school contract pursuant to C.R.S. § 22-30.5-511 and this Rule 10.00.
- 2) Grounds for Revocation: The Institute Board ("Board") may revoke a Charter School Contract ("Contract") if the Board determines that an Institute Charter School ("School") did any of the following:
 - a) Committed a material violation of any of the conditions, standards, or procedures set forth in the Contract;
 - b) Failed to meet or make adequate progress toward achievement of the content standards, pupil performance standards, or targets for the measures used to determine the levels of attainment of the performance indicators identified in the Contract;
 - c) Was required to adopt a turnaround plan and the State Board recommended pursuant to C.R.S. § 22-11-210 that the School be restructured;
 - d) Failed to meet generally accepted standards of fiscal management; or
 - e) Violated any provision of law from which the School was not specifically exempted.
 - f) If a School is required to implement a turnaround plan pursuant to C.R.S. § 22-11-210 (2) for a second consecutive school year, the School shall present to the Board, in addition to the turnaround plan, a summary of the changes made by the School to improve its performance, the progress made in implementing the changes, and evidence, as requested by the Board, that the School is making sufficient improvement to attain a higher accreditation category within two school years or sooner. If the Board finds that the School's evidence of improvement is not sufficient or if the School is required to implement a turnaround plan for a third consecutive school year, the Board may revoke the School's Contract.

3) Notice of Intent to Revoke

- a) The Charter School Institute Executive Director ("Executive Director"), upon reasonable belief that grounds for revocation of the Contract exist, shall notify by certified mail or electronic equivalent the governing body of the School by issuing a Notice of Intent to Revoke.
 - i. The Notice of Intent to Revoke shall set forth the grounds for the proposed revocation.
- b) Within thirty (30) days of receipt of the Notice of Intent to Revoke, the governing body of the School shall respond in writing.

- i. If the School admits the accuracy of the grounds of revocation, the response must contain a description of the School's plan and timeline for correcting the deficiencies ("Plan of Correction").
- ii. If the School denies the accuracy of the grounds of revocation, the response shall include sufficient evidence to support its position.
- iii. If the School does not respond by the deadline, the accuracy of the grounds of revocation shall be deemed admitted.
- c) In addition to responding in writing, School representatives may also choose to meet with the Executive Director or his/her designee.
 - i. This meeting must also occur within thirty (30) days of receipt of the Notice of Intent to Revoke.
 - ii. This meeting may occur in person, by phone, by video or any other means mutually agreed upon between the School and the Institute.
- d) Within fourteen (14) days of receipt of the School's written response, the Executive Director shall decide whether to withdraw the Notice of Intent to Revoke or proceed with a revocation hearing.
- e) The Executive Director may withdraw the Notice of Intent to Revoke if he/she determines:
 - i) The School's Plan of Correction is reasonable and likely to correct the identified deficiencies within an acceptable amount of time;
 - ii) The School's response addressed the perceived deficiencies in the Notice of Intent to Revoke in a satisfactory manner; or
 - iii) There is any other good reason to do so.

4) Revocation Hearing

- a) The Executive Director shall initiate a revocation hearing before the Board if he/she determines that, after proceeding through the Notice of Intent to Revoke process, grounds for revocation of the Contract exist.
- The Executive Director shall send a notice of the revocation hearing to the Board and School.
 - i. The notice of revocation hearing shall state the grounds for revocation as well as a written recommendation, including reasons supporting the recommendation, concerning whether to revoke the Contract. See C.R.S. § 22-30.5-511(5)(a) (stating requirement of written recommendation).
 - ii. The notice shall also state when and where the hearing shall occur.
- c) Within thirty (30) days of receipt of a notice of revocation hearing, the Board shall convene a revocation hearing.
- d) Within fourteen (14) days of receipt of the notice of revocation hearing, the School shall provide a written position statement to the Board and Executive Director.

- i. The School's position statement should respond as fully as possible to the grounds for revocation and recommendation identified in the notice of revocation hearing.
- ii. The School should include with its position statement exhibits, affidavits, and any other evidence it wants the Board to consider.
- e) Within fourteen (14) days of receipt of the School's position statement, the Executive Director may provide to the Board and the School a written reply, which may include documentation to support its reply.
 - i. The reply may not raise new grounds for revocation.
- f) At the revocation hearing, the Executive Director or his/her designee and the School or its designee shall each have thirty minutes to make their presentation to the Board, during which time Board members may question the parties.
- g) After the parties' presentations, Board members may discuss among themselves whether to revoke the Contract. This discussion shall take place in open session and in compliance with the Open Meetings Law.
- h) The Board shall decide whether to revoke the Contract by resolution, and a copy of the resolution shall be provided to the School's governing Board, the Executive Director, and the State Board.
 - i. The resolution shall state the Board's reasons for the revocation.
 - ii. The resolution shall also state the effective date of the revocation, recognizing that the State Board may review the Board's decision to revoke.
- 5) Any decision to revoke a Contract may be reviewed by the State Board pursuant to C.R.S. § 22-30.5-511(6).
 - a) If the School wishes to appeal the revocation, it shall provide the Board and the State Board with a notice of appeal within thirty (30) days after the Board's decision to revoke.
- Notwithstanding any other provision of a Contract, monies remaining in the School's accounts upon revocation of the Contract revert to the Institute, unless there are specific instructions from a donor for disposing of a gift. See C.R.S. § 22-30.5-513.5(9)(b)(6)(b).
- 7) Notwithstanding the above procedures for revocation, if the Executive Director determines that emergency action to revoke a School contract is necessary to protect the safety of students or to preserve the school's funds and/or property, the Board may convene a revocation hearing.
 - a) An emergency revocation hearing shall be commenced at least 15 days after written notice to the School by the Executive Director of the circumstances justifying emergency revocation.
 - b) The procedure at the hearing shall be as provided in Rule 10.6 above, except that each side shall provide its written position Statement to the other Party no later than 24 hours before the hearing.

Rule 11.00 Termination of the Charter School Contract by Institute Charter School.

- 1) The Institute Charter School governing body, by a majority vote, may, at any time and for any reason, request termination of the Charter School contract as follows:
 - a) The Institute Charter School's request for termination shall be made to the Charter School Institute Executive Director not less than ten (10) calendar months in advance of the Institute Charter School's proposed effective date of termination.
 - b) Upon receipt of the Institute Charter School's request for termination, the Charter School Institute Executive Director shall present the request for termination to the Institute Board. a copy of the Institute Charter School's resolution approving the contract termination, including a summary of the reasons for terminating the contract, shall be included with the Institute Charter School's request for termination.
 - c) At the Institute Board's next regularly scheduled meeting, the Board will consider and vote on the proposed termination request. The Institute Board may, in its sole direction, waive the ten (10) month advance notice requirement for terminating the contract.
 - d) The Institute shall adopt procedures for closing an Institute Charter School following revocation or nonrenewal of the Institute Charter School's charter contract.at a minimum, the procedures shall ensure that:
 - (a) when practicable and in the best interest of the students of the Institute Charter School, the Institute Charter School continues to operate through the end of the school year. if the Institute determines it is necessary to close the Institute Charter School prior to the end of the school year, the Institute shall work with the Institute Charter School to determine an earlier closure date.
 - (b) the Institute works with the parents of the students who are enrolled in the Institute Charter School when the charter contract is revoked or not renewed to ensure that the students are enrolled in schools that meet their Educational needs; and
 - (c) the Institute Charter School meets its financial, legal, and reporting obligations during the period that the Institute Charter School is concluding operations.

Rule 12.00 Renewal of the Charter School Contract.

- The governing body of an Institute Charter School shall submit a renewal application in the year before the Charter School contract expires, according to a timeline that the Institute will promulgate annually with sufficient notice to schools. The application shall include but not be limited to the following information:
 - a) A complete, detailed report on the progress of the Institute Charter School in implementing the plans and in achieving the goals, objectives, student performance standards, content standards and other objectives set forth in its application.
 - b) If the Institute Charter School is requesting a term longer than five years for the purpose of enhancing the terms of any lease or financial obligation, it shall identify each such lease and/or obligation and state the enhancement to be obtained through the longer term.
- 2) The Institute Board shall act on the application for renewal within seventy-five (75) days of the receipt of the completed renewal application, unless extended by mutual consent in writing.

- 3) A Charter School contract shall not be renewed for more than five years unless the Institute Board and the Institute Charter School jointly agree to extend the charter for a longer period for the purpose of enhancing the terms of any lease or financial obligation.
- 4) The Institute Board shall hold a hearing on the renewal application, after reasonable notice, at which the applicant and the public shall be given reasonable notice to be heard. The Institute Board shall Rule by resolution on the application within seventy-five (75) days of receipt of the completed renewal application.
- 5) The grounds for non-renewal are the same as the grounds for revocation set forth in Rule 10.1 above. In addition, the Institute Board may deny renewal on the grounds that it is not in the best interests of the pupils attending the Institute Charter School to continue operation of the Institute Charter School.
- At least fifteen days prior to the date on which the Institute Board will consider whether to revoke or renew a charter contract, the Institute shall provide to the Institute Board and the Institute Charter School a written recommendation, including the reasons supporting the recommendation, concerning whether to revoke or renew the charter contract.
- 7) If the Institute Board denies the application for renewal, the governing body of the Institute Charter School may appeal the decision to the State Board by giving both the State Board and the Institute Board a notice of appeal within thirty (30) days of the date of the decision of the Institute Board not to renew the Charter School contract.
- 8) The Institute shall adopt procedures for closing an Institute Charter School following revocation or nonrenewal of the Institute Charter School's charter contract. At a minimum, the procedures shall ensure that:
 - a) When practicable and in the best interest of the students of the Institute Charter School, the Institute Charter School continues to operate through the end of the school year. If the Institute determines it is necessary to close the Institute Charter School prior to the end of the school year, the institute shall work with the Institute Charter School to determine an earlier closure date.
 - b) The Institute works with the parents of the students who are enrolled in the Institute charter School when the charter contract is revoked or not renewed to ensure that the students are enrolled in schools that meet their educational needs; and
 - c) The Institute Charter School meets its financial, legal, and reporting obligations during the period that the Institute Charter School is concluding operations.

Rule 13.00 Institute Contracts with a Board of Cooperative Services or Otherwise Qualified Individual or Private or Public Entity.

- The Institute Board may contract with a Board of cooperative services, or with any other qualified individual or public or private entity or organization, including a school district, for the provision of administrative or other support services directly to the Institute or for the benefit of Institute Charter Schools.
- 2) Contracts pursuant to this Section shall be in accordance with Colorado laws, Rules, and policies, including, but not limited to, the Colorado fiscal Rules (1 CCR 101-1) and the Colorado procurement Rules (1 CCR 101-9).

- 3) The qualifications of Boards of cooperative services, individuals, or private or public entities shall be determined by the Institute Board during the selection process for the particular contract at issue.
- 4) Each contract entered shall have appropriate liquidated damages and/or penalties for failing to comply with the terms and conditions of the contract.

Effective date

03/01/2016

FINAL REGULATIONS - CHAPTER P-1 - PARKS AND OUTDOOR RECREATION LANDS

ARTICLE I - GENERAL PROVISIONS RELATING TO PARKS AND OUTDOOR RECREATION LANDS AND WATERS

100 - PARKS AND OUTDOOR RECREATION LANDS

- a. "Parks and Outdoor Recreation Lands" shall mean, whenever used throughout these regulations, all parks and outdoor recreation lands and waters under the administration and jurisdiction of the Division of Parks and Wildlife.
- b. "Wearable Personal Flotation Device" shall mean a U.S. Coast Guard approved personal flotation device that is intended to be worn or otherwise attached to the body. A personal flotation device labeled or marked as Type I, II, III, or V (with Type I, II, or III performance) is considered a wearable personal flotation device as set forth in the Code of Federal Regulations, Title 33, Parts 175 and 181(2014).

c. It shall be prohibited:

- 1. To enter, use or occupy Parks and Outdoor Recreation Lands when same are posted against such entry, use or occupancy. (Access to Parks and Outdoor Recreation lands and waters is generally allowed between 5:00 a.m. and 10:00 p.m. daily. Restricted access generally will be allowed during other hours for camping and fishing.)
- 2. To remove, destroy, mutilate, modify or deface any structure, water control device, poster, notice, sign or marker, tree, shrub or other plant or vegetation, including dead timber and forest litter, or any object of archaeological, geological, historical, zoological or natural/environmental value or interest on Parks and Outdoor Recreation Lands. (This regulation does not include removal of firewood from designated firewood areas, noxious weeds as defined by statute, or recreational gold mining within the Arkansas Headwaters Recreation Area, except where prohibited as indicated by posted signs.)
- 3. To remove, destroy or harass any wildlife or livestock on Parks and Outdoor Recreation Lands. (Hunting will be allowed in areas designated by the Division during hunting seasons.)

CAMPING

- 4. To camp or to park a motor vehicle, trailer or camper on Parks and Outdoor Recreation Lands with the intention (or for the purpose) of camping other than on areas designated for camping; or to leave a set-up camp, motor vehicle, trailer or camper unattended for more than twenty-four (24) hours, unless otherwise posted.
 - (a) No person may camp or park a motor vehicle, trailer or camper on a state park for more than fourteen (14) days in any forty-five (45) day period, except that extensions totaling no more than a maximum of fourteen (14) additional days may be permitted.

LITTERING

5. To leave fish or fish entrails or debris in or on the ice-covered or open waters of lakes, reservoirs or streams located within Parks and Outdoor Recreation Lands.

6. To leave any residentially or commercially generated garbage or trash or any other litter generated outside a park or recreation area anywhere within a park or recreation area.

FIRES

- 7. To build or tend fires within Parks and Outdoor Recreation Lands, except in fully enclosed vehicles; or in designated sites in Division-furnished grills or fireplaces; or in hibachis, charcoal grills, stoves and other metal containers, unless otherwise prohibited by these regulations.
- 8. To allow a fire to burn in a careless manner; to leave any fire unattended; or to fail to completely extinguish any fire on Parks and Outdoor Recreation Lands.
- 9. To discharge or use fireworks of any kind or nature within Parks and Outdoor Recreation Lands (except special displays approved by the Director; subject to provisions of local political subdivision regulations).

COMMERCIAL USE

- 10. To use Parks and Outdoor Recreation Lands for a commercial purpose, except:
 - (a) Special resource use which shall be authorized by the Commission on a case-bycase basis at a public meeting of the Commission (i.e., mining, timber cutting, grazing, haying, and other similar uses.)
 - (b) Uses authorized pursuant to concession contracts issued in accordance with state procurement and fiscal rules; or
 - (c) Pursuant to a cooperative agreement with the Division.

Commercial use which conflicts with area management plans will not be approved.

BOAT DOCKS

11. To fish from boat ramps or boat docks located within Parks and Outdoor Recreation Lands or to otherwise use such ramps or docks in a manner contrary to the intended use.

GLASSWARE

12. For any person to carry or possess any glassware within the confines of a public swimming area, bathing area or designated water skiing beach.

NIGHT ACTIVITY

To occupy a parking site with a motorized vehicle between the hours of 10:00 p.m. and 5:00 a.m., unless such person and all other occupants arriving in such vehicle are actively engaged in fishing or boating.

SWIM BEACH

- 14. For any person:
 - (a) To swim or bathe in any Parks and Outdoor Recreation waters, except in areas designated for such use.

- (b) To build or tend any kind of fire on any swim beach.
- (c) To fish from any swim beach.
- (d) To allow any child under the age of 12 years to be on a swim beach unless accompanied by an adult.
- (e) Definitions as used in this regulation, unless the context requires otherwise:
 - (1) "Swim Beach" For the purpose of this regulation, "swim beach" means a portion of a natural or impounded body of water designated for swimming, recreational bathing or wading.

AIRCRAFT

15. To land or take off with any type of aircraft on any Parks and Outdoor Recreation lands and waters, except as specifically authorized by these regulations or in case of emergency. "Aircraft" means any device or equipment that is used or intended to be used for manned flight or to otherwise hold humans aloft for any period of time, including powerless flight, and specifically includes, but is not limited to, airplanes, helicopters, gliders, hot air balloons, hang gliders, parachutes, parasails, kite boards, kite tubes, zip lines and other similar devices or equipment.

ANIMALS/PETS

- 16. To allow any dog or other pet on Parks and Outdoor Recreation Lands, unless the same shall be under control and on a leash not exceeding six (6) feet in length. This requirement for dogs or other pets to be on a six foot leash shall not apply when the animal is confined in a vehicle or vessel or within the boundaries of the designated dog off leash area at Chatfield State Park or the designated dog off leash area at Cherry Creek State Park. Further, it shall be unlawful to allow a dog or other pet within any area used as a swimming or water-ski beach. Any person having a dog or other pet creating a nuisance or disturbance or who fails to properly control a dog or other pet may be evicted from the park or recreation area. This provision shall not apply to dogs while being used in hunting, field trials, or while being trained on lands open to such use.
- 17. To bring horses, mules, donkeys or burros into or allow same on Parks and Outdoor Recreation Lands, except on areas or trails designated for such use.
- 18. To turn livestock onto or allow grazing on Parks and Outdoor Recreation Lands without permission from the Commission.
- 19. For any handler of any dog to fail to immediately collect, remove, and properly dispose of all dog or pet feces from, or near, any developed park sites including campgrounds, picnic area, dog training areas, and designated trails.

DUMP STATIONS/OTHER UTILITIES

20. To empty wastewater holding tanks, fill water holding tanks or otherwise use any parks and outdoor recreation dump station or utility without a valid park pass and valid camping permit or camping reservation.

- d. The following water and land-use restrictions are in consideration of the Division's leases with the Denver Water Department and the City of Aurora and shall apply to Eleven Mile State Recreation Area and Spinney Mountain State Recreation Area, located in Park County:
 - 1. It shall be unlawful, except by law enforcement officers on official duty, to operate or park snowmobiles on land or on the frozen water surface of the reservoir, unless otherwise posted at the park entrances. (Eleven Mile S.R.A. and Spinney Mountain S.R.A.)
 - 2. It shall be unlawful to operate or occupy boats on the surface of the reservoir from one-half hour after sunset until one-half hour before sunrise. (Eleven Mile S.R.A. and Spinney Mountain S.R.A.)
 - 3. It shall be unlawful to enter upon, use or occupy the islands on the reservoir. (Eleven Mile S.R.A. and Spinney Mountain S.R.A.)
 - 4. It shall be unlawful to enter, use or occupy the lands or waters of Eleven Mile State Recreation Area lying to the east of the restrictive buoy line. (Eleven Mile S.R.A.)
 - 5. It shall be unlawful to enter, use or occupy the lands or waters of Spinney Mountain State Recreation Area between November 16 and April 30, unless the reservoir is ice-free and the area is otherwise posted as open for public use. (Spinney Mountain S.R.A.)
 - 6. It shall be unlawful to enter, use or occupy the lands or waters of Spinney Mountain State Recreation Area between the hours of one hour after sunset and one-half hour before sunrise, or as otherwise posted. (Spinney Mountain S.R.A.)

BEARS

e. Where necessary to prevent or address bear/human interactions or related issues, the park manager may designate all or a portion of any state park where: food, trash and equipment used to cook or store food must be kept sealed in a hard-sided vehicle, in a camping unit that is constructed of solid, non-pliable material, or in a food storage box provided by the park for those persons entering the park in something other than a hard-sided vehicle or appropriate camping unit. This restriction does not apply to food that is being transported, consumed, or prepared for consumption. A hard-sided vehicle is defined as: the trunk of an automobile, the cab of a pickup truck, the interior of a motor home, fifth wheel, camping trailer or pickup camper. A hard-sided vehicle does not include any type of tent, pop-up campers or pickup campers with nylon, canvas, or other pliable materials, car top carriers or camper shells on the back of pickup trucks.

PARK-SPECIFIC RESTRICTIONS

f. In addition to the general land and water regulations, the following restrictions shall also apply:

1. Barr Lake State Park

- (a) No dogs or other pets shall be permitted in the wildlife refuge area.
- (b) Visitors shall be required to remain on designated trails and boardwalks in the wildlife refuge area.
- (c) No fishing or boating shall be permitted in the wildlife refuge area.
- (d) Visitors shall be required to remain on the designated trails on Barr Lake Dam.
- (e) No horses shall be permitted on the Barr Lake Dam.

2. Highline Canal State Trail

- (a) No swimming, tubing or rafting shall be permitted.
- (b) No fires shall be permitted.

3. Roxborough State Park

- (a) No dogs or other pets shall be permitted.
- (b) No fires shall be permitted.
- (c) It shall be unlawful to climb, traverse or rappel on or from rock formations.

4. Chatfield State Recreation Area

(a) A valid permit is required to launch or land any hot-air balloon.

5. Harvey Gap State Recreation Area

(a) No dogs or other pets shall be permitted except when used for hunting during the period beginning the Tuesday after Labor Day and continuing through the Friday prior to Memorial Day.

6. Bonny State Recreation Area

(a) No public access, hunting, fishing or boating shall be permitted in the North Cove Waterfowl Refuge Area from the first day in November through the last day in January.

7. Mueller State Park and Wildlife Area

- (a) No dogs or other pets shall be permitted outside of the developed facilities area.
- (b) It shall be unlawful, except by law enforcement officers on official duty, to operate snowmobiles.

8. James M. Robb - Colorado River State Park - Colorado River Wildlife Area

- (a) In accordance with applicable management plans, no dogs or other pets shall be permitted, except on designated trails.
- (b) No fires shall be permitted.
- (c) No swimming shall be permitted.
- (d) In accordance with applicable management plans, public access is restricted to designated roads and trails from March 15 to May 30 of each year.

9. Ridgway State Park

(a) No boats, rafts, or other floating devices shall be permitted on any waters within the Pa-Co-Chu-Puk Recreation Site, below Ridgway Dam.

10. Arkansas Headwaters Recreation Area

- (a) Except in established campgrounds where toilet facilities are provided, all overnight campers must provide and use a portable toilet device capable of carrying human waste out of the Arkansas Headwaters Recreation Area. Contents of the portable toilet must be emptied in compliance with law and may not be deposited within the Arkansas Headwaters Recreation Area, unless at a facility specifically designated by the Arkansas Headwaters Recreation Area.
- (b) Building or tending fires is allowed pursuant to regulation # 100b.7., except at the Arkansas Headwaters Recreation Area fire containers must have at least a two inch rigid side. Fire containers must be elevated up off the ground.
- (c) Swimming is permitted in the Arkansas River from the confluence of the East Fork/Lake Fork of the Arkansas within the boundaries of the Arkansas Headwaters Recreation Area. All persons under the age of 13 swimming in the Arkansas River within the Arkansas Headwaters Recreation Area must wear a properly fitting U.S. Coast Guard approved wearable personal flotation device.

11. John Martin Reservoir State Recreation Area

(a) No public access shall be permitted on the north shore area of John Martin Reservoir State Recreation Area from the first day of November through March 15 of every year or as posted except to retrieve downed waterfowl.

12. Cheyenne Mountain State Park

- (a) No dogs or other pets shall be permitted outside of the developed facilities area.
- (b) Smoking shall be limited to developed areas only and shall not be permitted in the backcountry, or on the archery range, parking lot or trail system.
- (c) Hunting shall be prohibited.
- (d) It shall be unlawful to climb, traverse or rappel on or from rock formations.
- (e) Any person 17 years of age or older who is shooting on the field/3D portion of the archery range must obtain and maintain on one's person a proper and valid daily or annual Cheyenne Mountain Park archery range individual permit.
- (f) Public access is prohibited on the archery range from sunset to sunrise.
- (g) Any person 16 years of age or younger entering the archery range must be under adult supervision at all times.
- (h) Broadheads, crossbows, alcoholic beverages, and firearms, including, but not limited to, BB guns, pellet guns, and air rifles, are prohibited on the archery range.
- (i) No dogs or other pets shall be permitted on the archery range.

13. Castlewood Canyon State Park

- (a) No dogs or other pets shall be permitted in the East Canyon area.
- (b) No horses shall be permitted in the east canyon area.
- (c) It shall be unlawful to climb, traverse, or rappel, on or from rock formations in the East Canyon area.
- (d) Visitors shall be required to remain on the designated trails in the East Canyon area.

14. Rifle Falls State Park

(a) It shall be unlawful to climb, traverse, or rappel on or from rock formations.

15. Chatfield State Park

- (a) Entrance to and exit from the dog off leash areas are permitted only at designated access points.
- (b) A handler may bring a maximum of three dogs at one time into the designated dog off leash area.
- (c) Handlers must possess a leash and at least one waste bag for each dog in the designated dog off leash area.
- (d) Sport dog trainers shall obtain a special use permit to access and use the designated upland and flat-water sport dog training areas.
- (e) Handlers in the dog off leash area and the sport dog training areas must have a visible and valid dog off leash annual pass or dog off leash daily pass.

16. Cherry Creek State Park

- (a) Entrance to and exit from the dog off leash areas is permitted only at designated access points.
- (b) A handler may bring a maximum of three dogs at one time into the designated dog off leash area.
- (c) Handlers must possess a leash and at least one waste bag for each dog in the designated dog off leash area.
- (d) Sport dog trainers shall obtain a special use permit to access and use the designated upland sport dog training area.
- (e) Handlers in the dog off leash area and the sport dog training area must have a visible and valid dog off leash annual pass or dog off leash daily pass.
- (f) Use of shotgun shells on the trap/skeet range with shot size larger than size 7 is prohibited.

17. Lake Pueblo State Park

(a) Jumping, diving or swinging from cliffs, ledges or man-made structures is prohibited, including, but not limited to, boat docks, marina infrastructure and the railroad trestle in Turkey Creek.

18. Eldorado Canyon State Park

(a) The use of all portable grills and stoves (including, but not limited to, charcoal, gas, and wood) is prohibited outside of designated high-use pads.

QUIET HOURS

g. Quiet hours will be enforced from 10:00 p.m. until 6:00 a.m.; and all generators, loud radios or other loud noises that may disturb the peace are prohibited during these hours.

ABANDONED PROPERTY

- h. It shall be unlawful to leave any personal property unattended on Parks and Outdoor Recreation land or water for more than twenty-four (24) hours.
 - If such property is left unattended for more than twenty-four (24) hours, it will be considered abandoned.
 - 2. Removal and storage will be at the expense of the owner.
 - 3. All abandoned personal property, other than motor vehicles, which is not claimed within six months shall be sold for cash to the highest bidder at a public auction, notice of which (including time, place, and a brief description of such property) shall be published at least once in a newspaper of general circulation in the county wherein said public auction is to be held at least ten days prior to such auction. All funds generated shall be deposited in the Parks Cash Fund.
 - 4. Abandoned motor vehicles will be handled in accordance with Article 4, Part, 18 of Title 42, C.R.S.

MODELS

 It shall be unlawful to operate radio-controlled and/or fuel-propelled models, except in designated areas.

CLIMBING HARDWARE

j. It shall be unlawful to place fixed or permanent rock climbing hardware, unless the climber first obtains a Special-Activities Permit from the park manager. Removal of previously placed fixed or permanent climbing hardware is prohibited.

101 - SEARCH AND RESCUE TRAINING PERMITS

- a. Public or nonprofit search and rescue organizations shall be permitted to conduct official, sanctioned training activities on state park lands upon completion of a search and rescue training permit application and written park manager approval of the application.
 - 1. The search and rescue training permit application shall include the following information.
 - (a) Organization name and address:

- (b) Organization representative contact information including name and phone number;
- (c) Date, time and specific park location of proposed training activities;
- (d) Roster of participants;
- (e) Number of vehicles and associated license plate numbers;
- (f) Training agenda, lesson plan, or other description of proposed activity.
- 2. The training permit application shall be submitted to the park manager at least 14 day prior to the start of the event.
- 3. Upon request from park staff, participants shall identify themselves as part of the training activity.
- 4. Upon approval of the search and rescue training permit application, the park manager may close that portion of the park or recreation area used for the training activity for the duration of the training to the public.
- 5. Participants of such training activities shall be allowed free entrance to any state park or recreation area while engaged in the training activity.

FINAL REGULATIONS - CHAPTER P-2 - BOATING

222 - COLLISIONS, ACCIDENTS, AND CASUALTIES

- 1. In the case of an accident involving a vessel, the operator thereof, shall file with the Division a full report concerning the accident. A vessel is considered to be involved in a boating accident whenever the occurrence results in damage, in excess of two thousand dollars, by or to the vessel or its equipment, in injury or loss of life to any person, or in the disappearance of any person from on board under circumstances which indicate the possibility of death or injury. Such boating accident includes, but is not limited to, capsizing, collision, foundering, flooding, fire, explosion, and the disappearance of a boat other than by theft. Accidents for the purpose of the report are only those which occur on the water.
- 2. Reports required under subsection 1 of this section shall contain the following information:
 - a. The number assigned to each vessel involved;
 - b. The locality, time and date of the accident;
 - c. The weather conditions existing at the time of the accident;
 - d. The name, address, and age of each operator of a vessel involved in the accident;
 - e. The name and address of the owner of each vessel involved in the accident;
 - f. the name and address of any person who is injured or killed as the result of the accident;
 - g. The nature and extent of injury to any person;
 - h. A description of any property damage;
 - i. A description of how the accident occurred;
 - j. The type of vessel that is the subject of the report;
 - k. The name and address, if known, of any witness to the accident.
- 3. All reports required to be submitted under this section shall be submitted to the Law Enforcement Unit at 13787 South Highway 85, Littleton, Colorado 80125 of the Division within five days after the date of the accident.

SPECIAL ACTIVITIES

#703 - SPECIAL ACTIVITIES REQUIRING PERMITS

- 1. "Special activities" means those noncommercial events which have the potential for an adverse impact on park values or health, safety or welfare of park visitors or which may otherwise require special planning/scheduling for proper management. Special activities shall require prior approval in the form of a special-activities permit. Applications thereof generally shall be made to the Park Manager at least ninety (90) days prior to the event. Such application must be accompanied by the appropriate application filing fee. This requirement for an application to be filed ninety days prior to an event will be waived in rare circumstances where arrangements can be made in a shorter time without putting undue administrative burden on the Park Manager or when no special arrangements are necessary.
- 2. The decision of whether to approve special activity permits will be made by the Park Manager when it is determined that the special activities will not involve the use of a park or recreation area by a group of persons totaling more than the park or recreation area's established carrying capacity. Otherwise, the Regional Manager shall make the decision of whether to approve the permits. The decision of whether to approve special activities permits will be based on the impact on park values and/or the health, safety and welfare of park visitors and other affected persons, and also will be based on:
 - a. The nature of the park or recreation area and the types of recreational opportunities/resources it is intended to provide the public
 - b. The carrying capacity of the facility or facilities to be utilized during the special activity compared to:
 - (1) The total number of park visitors (including participants and spectators in the special activity) expected to utilize such facilities; and
 - (2) The total number of vehicles, vessels or persons expected to participate in or be attracted to such activities.
 - c. The extent to which the special activity will contribute to the variety of outdoor recreational opportunities available to the people of this state and its visitors.
 - d. The extent to which the activity places an administrative burden on the staff of the park area.
- 3. Whenever it is determined that any special activity will involve the use of a park or recreation area by a group of persons totaling more than the park's or recreation area's established carrying capacity a thirty day written public comment period and a public meeting shall be required prior to the granting of a permit. The Park Manager shall publish notice of both the written comment period and the meeting at least once in a newspaper of general circulation in the county or counties wherein said park or recreation area is located. The meeting shall be conducted by the Division representative responsible for the permit issuance decision and shall be held either at

the park or recreation area, or within a county in which the park or recreation area is located. Such public meeting is not intended to be an adjudicatory licensing hearing under the provisions of the Colorado Administrative Procedures Act, but only as an opportunity for public comment.

- 4. An application for a permit shall be acted upon promptly, and the applicant shall be notified immediately after the taking of action on the application. If the application is denied, the applicant shall be notified in writing within five working days of such action. Such written notification shall include the basis for the denial. The applicant may submit a written appeal of a denial to the Division Director within sixty days of receipt of the denial, requesting a hearing pursuant to section 24-2-104(9), C.R.S., If the date of the proposed special activity is to occur within the sixty day appeal period, then the applicant shall submit any written appeal as soon as practicable so as to allow a reasonable time for the Director to act upon the appeal. Absent special circumstances justifying a later submittal and depending upon the nature of the proposed special activity and the amount of preparation required on the part of the Division for such activity, generally an appeal submitted less than twenty-five days prior to the proposed special activity will be deemed untimely.
- 5. Upon written request, the Division shall waive the requirement for a parks pass for those vehicles when all the occupants are entering parks and outdoor recreation areas for the purpose of administering permitted special activities and not for the purpose of their own recreation.
- 6. For special activities where the Division representative responsible for the permit issuance decision determines it will be a greater administrative ease for the Division to administer the activity, an alternative fee of \$2.00 per person per day may be charged for admission of persons attending or participating in the special activity. This permission shall apply only to groups of twenty or more persons.
- 7. Nothing in this regulation impairs the specific authority of the Commission pursuant to 33-10-107(1)(d) C.R.S. to enter into cooperative agreements for the development and promotion of parks and outdoor recreation programs, or the general authority of the Commission pursuant to 33-10-106 C.R.S. to manage all state parks and state recreation areas for both commercial and noncommercial purposes. The authority granted to park managers and regional managers is intended to allow them to address events of limited and local impact, and is specifically intended to coexist with, and not to exclude, the Commission's statutory authorities.

FINAL REGULATIONS - CHAPTER W-0 - GENERAL PROVISIONS

ARTICLE I - DEFINITIONS

#000 – The following definitions supplement the statutory definitions found in the Wildlife Act including, but not limited to, those definitions found in section 33-1-102, C.R.S.

A. General Definitions Including Manner of Take Definitions

- **1.** "Aggregate" when applied to bag and possession limits, means the total number of species which are covered by such bag and possession limits. Any combination of the species may be possessed up to the total number established as the aggregate bag and possession limits.
- 2. "Archery" means the use of a hand-held bow.
- 3. "Bag Limit" means the maximum number of wildlife which may be taken in a single day during an established open season. This includes any wildlife which are consumed or donated during the same day they were legally taken. The terms "bag limit," "daily bag" and "bag" are considered to have the same meaning.
- **4.** "Baiting" means the placing, exposing, depositing, distributing, or scattering of any salt, mineral, grain, or other feed so as to constitute a lure, attraction or enticement for wildlife.
- 5. "Crossbow" means a bow which is attached at a right angle to a stock with a mechanical mechanism for holding the bow string in a cocked position and fired from the shoulder.
- 6. "Feral Hog" means any species or hybrid of species from the family <u>Suidae</u> (European boar, Eurasian boar, Russian boar, feral hog) or the family <u>Tayassuidae</u> (Javelina and peccary), which possesses one or more morphological characteristic distinguishing it from domestic swine including, but not limited to, an elongated snout, visible tusks, muscular shoulders with small hams and short loins, coarse hair, or a predominant ridge of hair along its back. For the purposes of these regulations, any swine running at large which possesses one or more of the above characteristics, may be presumed to be a feral hog, unless a person has received actual notice that the swine has escaped containment and its return is actively sought, in which case the person should report its location to the owner, if known, and the Division and the Department of Agriculture.
- 7. "Handgun" means any pistol or revolver having no shoulder stock or attachment.
- **8.** "Hand-held bow" means a long bow, recurved bow, or compound bow on which the string is not drawn mechanically or held mechanically under tension. String releases or mechanical releases which are hand-drawn and hand-held with no other attachment or connection to the bow other than to the bowstring are lawful devices.

9. Licenses

- a. "Leftover license" means a limited license which is leftover after the primary application and drawing process.
- b. **"Limited license"** means any license which is limited in number by regulation and which is issued through the drawing process.

- c. "Over the counter license" means a license that may be purchased at a license agent. Most over the counter licenses are unlimited in number, but some may have an established cap.
- d. "Private Land Only license" means a limited license valid only for use on private land and State Trust Lands not leased by the Division, excluding those limited licenses issued as part of the Ranching for Wildlife program. Contact the State Land Board for access restrictions.
- e. **"Unlimited license"** means a hunting license and carcass tag when appropriate which is not restricted in quantity and which is sold by license agents throughout the state and is not valid in any unit where licenses are available only through application and computer or hand drawn selection.
- 10. "Mentor" means a person eighteen years of age or older who holds a valid hunter education certificate or who was born before January 1, 1949, and accompanies a youth or apprentice while hunting. A person whose hunting and fishing license privileges are suspended can not be a mentor.
- **11.** "Muzzle-loading rifle or musket" means a firearm fired from the shoulder, with a single barrel which fires a single patched round ball or bullet.
- **12.** "Pellet gun" means any handgun or rifle of .177 caliber or larger firing pellets and powered by compressed air or gas.
- **13. "Private use"** means the possession of wildlife only for private enjoyment and not intended to be sold, traded, bartered, or entered into commerce.
- **14.** "Privately-owned game birds" means game birds held in private ownership and otherwise acquired in accordance with Commission regulations.
- **15. "Processed meat"** means those edible parts of wildlife which have been cut into normal portions and wrapped for storage. It does not include game meat that is whole, has been quartered, or has not been packaged into normally accepted butcher's portions including but not limited to steaks, roasts, loins, chops, and ground meat.
- **16.** "Rifle" means a firearm fired from the shoulder, with a rifled bore, having a barrel length of sixteen (16) inches or more and a minimum overall length of twenty-six (26) inches.
- 17. "Shotgun" means a firearm fired from the shoulder with a smooth bore, having a barrel length of eighteen (18) inches or more and a minimum overall length of twenty-six (26) inches.
- **18.** "Slingshot" means a hand-held device, not drawn or held mechanically, with the arms or attachment points to which an elastic band is attached for propelling small stones or metal projectiles. Wrist-brace attachments and non-elastic projectile pouches are considered normal components of a slingshot.
- **19. "State Trust Lands"** means those lands owned or under the control of the State Board of Land Commissioners.

B. Definitions related to Aquatic Species or Fish Health

1. "Aquatic Nuisance Species" (ANS) means exotic or nonnative aquatic wildlife or any plant species that have been determined by the Commission to pose a significant threat to the aquatic resources or water infrastructure of the state.

- 2. "Best management practices" means the most effective, practicable (including technological, economic, constructible, and institutional considerations) means of preventing or minimizing the presence or spread of ANS, parasites, or diseases in a fish production facility.
- 3. "Certification" means a document issued by the Division certifying that the facility and the fish located thereon, have been tested for regulated fish pathogens in the numbers and by methods meeting the minimum standards established by these regulations, or any analogous document issued by a qualified fish health official from a recognized state, federal, or foreign fish and wildlife agency.
- **4.** "Coldwater stream"- means a segment or reach of a creek, stream, or river that has water temperatures that do not exceed 68 degrees F for 24 consecutive hours.
- 5. "Critical Habitat"- means the following river reaches and their 100 year floodplains: the Gunnison River downstream of the Uncompander River confluence, the Colorado River downstream of the exit 90 north bridge from I-70, the White River downstream of Rio Blanco Dam, the Green River downstream of the Yampa River confluence, and the Yampa River downstream of the Colo 394 bridge.
- **6.** "Direct connection" means waters in the Upper Colorado River Basin that flow directly into critical habitat. This does not include reservoirs, and waters above such reservoirs, where fish escapement has been addressed according to a management plan approved by the Division.
- 7. "Drainages"- means sub-sets of the USGS hydrologic code system as set forth in the Hydrologic Unit Maps (U.S. Geological Survey Water Supply Paper 2294, U.S. Dept. of Interior U.S. Geological Survey, 1974, State of Colorado section reprinted 1992). This document, but not later amendments or editions, have been incorporated by reference and can be viewed and copies obtained at the Division as set forth in the "Incorporated References" section of Chapter 0 of these regulations.
- 8. "Gametes"- means eggs or sperm.
- **9.** "Inlets" means the bay or recess at the confluence of a stream with the surface of a lake or reservoir.
- 10. "Isolated Water"- means ponds, lakes, or reservoirs that have no outlet.
- **11.** "*Myxobolus cerebralis* intensity" means average spore levels in salmonid fish as determined by standardized testing in accordance with the provisions of #014 Aquatic Wildlife Health Management.
- 12. "Myxobolus cerebralis negative salmonid fish production facility" means a facility in which Myxobolus cerebralis has never been found or in which Myxobolus cerebralis has been eliminated in accordance with the provisions of #014 Aquatic Wildlife Health Management.
- **13.** "Myxobolus cerebralis negative water" means a lake, pond or coldwater stream segment sampled for a statistically valid number of fish that do not test positive for Myxobolus cerebralis, or a water that has not been tested and has not been stocked with salmonid fish from a Myxobolus cerebralis positive facility.
- **14.** *Myxobolus cerebralis* **positive water**" means a lake, pond or coldwater stream segment sampled and found to have salmonids that test positive for *Myxobolus cerebralis*, or which has been stocked with salmonid fish from a *Myxobolus cerebralis* positive facility.

- **15.** "Myxospore (spore)" means the stage of *Myxobolus cerebralis* formed in the cartilage of infected fish which re-infects the alternate host, the *Tubifex tubifex* worm.
- **16.** "Nonsalmonid fish" means all species of fish and their hybrids that are not in the family Salmonidae.
- 17. "Ordinary high water line" means the point where perennial, hydrophytic plant life converges with bare substrate (rock, gravel, sand, fines) or with substrate interspersed with annual vegetation.
- **18. "Prevalence"** is the percentage of individuals in a population found to be infected with a pathogen as determined by standardized testing in accordance with the provisions of #014 Aquatic Wildlife Health Management.
- **19. "Qualified fish pathologist"** means an individual who meets professional standards as set forth by the CPW and who conducts inspections as set forth in #014 Aquatic Wildlife Health Management.
- **20.** "Salmonid fish" means all species of fish and their hybrids in the family Salmonidae, including but not limited to trout, salmon, char, whitefish, and grayling
- **21.** "Salmonid fish production facility" means one or more lakes, ponds, raceways, tanks or other containers in a single location and under the same ownership and management in which salmonid fish are reared for eventual live shipment or release.
- **22.** "Salmonid habitat" means any water that supports, is capable of supporting, or is upstream of a water that supports a self-sustaining population of trout, salmon, char, whitefish, or grayling; and includes the drainages listed in Appendix D.
- 23. "Spore concentration technique (SCT)" means tests conducted according to:
 - a. "Myxosoma cerebralis: Isolation and Concentration from Fish Skeletal Element Sequential Enzymatic Digestion and Purification by Differential Centrifugation", Maria E. Markiw and Ken Wolf, Journal Fisheries Research Board of Canada, Volume 31, No. 1, 1974., or
 - b. "Whirling Disease *Myxobolus cerebralis* Spore Concentration using the Continuous Plankton Centrifuge", Joseph J. O'Grodnick, Journal of Wildlife Diseases Volume 11 pp 54-57, 1975.

These documents, but not later amendments or editions, have been incorporated by reference and can be viewed and copies obtained as set forth in the "Incorporated References" section of Chapter 0 of these regulations.

- **24.** "Triactinomyxons (TAMS)" are a stage of *Myxobolus cerebralis* formed in the gut lining of the *Tubifex tubifex* (tubifex) worm, and which are then released into the water column and re-infect fish with *Myxobolus cerebralis*.
- **25.** "Upper Colorado River Basin" means that portion of the Colorado River drainage that lies within the boundaries of the State of Colorado. This includes all waters in the Yampa, White, Gunnison, Dolores, San Juan, and Colorado River basins.
- **26.** " **100-year floodplain**"- for the upper Colorado River Basin means river floodplain 5.5 vertical feet above the ordinary high water line (OHWL).
- C. Definitions related to Terrestrial Species or Wildlife Health
 - 1. "Pelt" means the skin of a furbearer with pelage intact on the skin.

ARTICLE II - LICENSE TYPES AND REQUIREMENTS

#001 - Hunt Codes

- A. Hunt Codes are a series of eight sequential letters and numbers which denote the species, sex of animal, unit number, season, and hunt type for each choice shown on the application:
 - 1. Species The first character of the hunt code is a letter denoting species:

A for pronghorn

B for black bear

C for desert bighorn sheep

D for deer

E for elk

G for mountain goat

H for small game or furbearer

L for mountain lion

M for moose

P for greater prairie-chicken

S for rocky mountain bighorn sheep

T for wild turkey

2. Sex of Animal - The second character of the hunt code is a letter denoting the sex of the animal for which the license is valid:

E for either-sex (antlerless or antlered) of animal, as defined in #200

F for antlerless or doe animals, as defined in #200

M for antlered or buck animals, as defined in #200

- 3. Unit Number The third through fifth characters are numbers denoting the unit or group of units in which the license is valid. Units are numbered sequentially beginning with the number 1. Zeros appear before the unit number when it is less than three characters in length, i.e. 001, 023, etc. Where the license is valid in more than one unit, the lowest numbered complete unit in the group is used, and the season table shows the complete list of valid units or portions thereof. When the limited license is valid statewide, the unit number is 000. In the case of sheep and goat, the three characters are a letter denoting the species (C, S, or G) followed by the two digit unit number.
- **4.** Season Dates or Type The sixth and seventh characters are a letter and number (0 and up) or two numbers (1 and up) denoting the season and hunt number within the season type (chronologically):

Α	for auction season/licenses + number		
С	for private (match for public) combined ranches Ranching for Wildlife licenses +		
	number		
D	for game damage or distribution management hunts + number		
Ε	for early seasons + number		
F	for East of I-25 Family Only Landowner Pilot seasons + number		
Н	for seasons for hunters with mobility impairments /licenses + number		
J	for public combined ranches Ranching for Wildlife licenses + number		
K	for youth only season/licenses + number		
L	for late seasons + number		
М	for private (match for public) Ranching for Wildlife licenses + number or for private		
	Bighorn Sheep Access Program licenses		
N	for private (match for public) special population Ranching for Wildlife licenses +		
	number		
0	for combined or regular seasons + number		
Р	for private land only (PLO) seasons + number (when simultaneous with a regular		

	season, uses the same number as the regular season)			
R	for replacement license for CWD positive animals + number, for Raffle			
	season/licenses + number, or TIPs license + number			
S	for split seasons (either by time, location, or other listed criteria) + number			
Т	for trapping season/licenses + number			
U	for over the counter licenses			
W	for public Ranching for Wildlife licenses or for public Bighorn Sheep Access			
	Program licenses			
Х	for public special population Ranching for Wildlife licenses + number			
Υ	for experimental seasons + number			
Ž	for disease management hunts + number			

5. Manner of Take - The eighth character is a letter denoting the manner of take:

A for archery only

F for hawking only

M for muzzle-loading only

R for rifle and associated methods (all legal methods)

6. Preference Point Only Hunt Codes - When applicants wish to apply for a preference point only, the hunt codes are: Deer (DP99999P), Elk (EP99999P), Pronghorn (AP99999P), Mountain Goat (GP99999P), Rocky Mountain Bighorn Sheep (SP99999P), Moose (MP99999P), Wild Turkey (TP99999P) or Bear (BP99999P)

#002 - License Requirements

- A. Except as otherwise provided by these regulations any person who takes or possesses any wildlife shall have in possession the appropriate and valid Colorado resident or non-resident license as provided in §33-4-102, C.R.S. and shall only take wildlife of the species and type as indicated on the license. In addition to the required license the taking of some species may also require a permit.
- **B.** Except as otherwise provided, any person who hunts or fishes in Colorado shall have in possession the appropriate and valid Colorado resident or nonresident hunting, fishing or furbearer license including a customer identification number

A customer identification number is not required for the following license categories:

- 1. Falconry licenses.
- 2. Senior Lifetime licenses issued prior to 1990.
- 3. Senior Lifetime Low-Income licenses issued prior to 1994.
- 4. Free Fishing licenses.
- **C.** All annual resident and nonresident licenses authorized in 33-4-102 (1.4), C.R.S., including fishing, senior fishing, small game hunting, furbearer, combination fishing and small game hunting, and the Colorado wildlife habitat stamp, shall be valid and otherwise in effect from April 1 to March 31st of the following year.
- **D.** Except as otherwise provided in these regulations, any person who hunts or fishes in Colorado shall be physically present in the immediate vicinity of the activity. Internet or other computer-assisted remote hunting or fishing is prohibited.
- **E.** Any person who hunts big game or turkey in a game management unit, or portions thereof, for which the Wildlife Commission has established limited license quotas must have a limited license valid for that unit. General season, over-the-counter licenses may not be used in a limited license unit unless validated by the Division.
- **F.** Any person possessing a license or permit restricted to a specific game management unit or portions thereof, may only hunt that unit or area for which his license or permit is issued.

- **G.** Duplicate small game, fishing, furbearers, senior citizen lifetime licenses and combination small game licenses may be obtained from the Division by submitting an affidavit on forms provided by the Division and payment of a \$5.00 fee.
- **H.** Any person who is authorized to hunt, fish or trap wildlife in Colorado pursuant to a permit issued by the Division shall comply with all of the terms and conditions of that permit.
- **I.** The Director is hereby authorized to issue the following licenses.
 - 1. Licenses for law enforcement investigative purposes to District Wildlife Managers, U.S. Fish & Wildlife (USFWS) Service Special Agents, or other persons cooperating with them or otherwise participating in a wildlife-related law enforcement activity authorizing them to hunt or fish as an appropriate element of an investigation of violation of Articles 1 through 6 of Title 33 of the Colorado Revised Statutes, regulations issued pursuant thereto, or federal wildlife laws; provided however, that no wildlife shall be taken with such a license if the taking would jeopardize the maintenance of populations at viable self-sustaining levels.

A written report shall be provided by the Director to the Wildlife Commission annually specifying the total number of licenses issued under this authority during the previous calendar year.

J. Turning In Poachers (TIPS) Reward Program

- The Director is authorized to award licenses and preference points in accordance with this regulation to otherwise eligible persons that report the illegal take or possession or willful destruction of big game or turkey in Colorado to the Division.
- 2. Any person who voluntarily provides information that results in a person being charged with the illegal take or possession of big game or turkey may be awarded a preference point for the wildlife species of their choice or an over-the-counter license for the same species reported. As an alternative to the above reward options, and except as provided below, any person who voluntarily provides information that results in a person being charged with willful destruction of big game or turkey or assessment of a § 33-6-109(3.4), C.R.S., penalty may be awarded a limited license for the same species and unit reported.
 - a. In limited license units where less than 10 licenses (total) are allocated annually for all manners of take, only one reward license can be issued in any three year period.
 - b. In limited license units where less than 20 licenses (total) are allocated annually for all methods of take, only one reward license may be issued per year.
 - c. In limited license units where the reward license has already been issued the person may:
 - 1. wait until the next reward license in that unit is available, or
 - 2. select another limited license unit for which a reward license is available.
 - d. If the violation(s) reported occurred within a game management unit, which is closed to hunting the species reported, the person may select another limited license unit for which a reward license is available.

- 3. Limited licenses awarded as part of the TIPs Reward Program shall be in addition to the number of licenses generally available through or allocated as part of the Division's limited license draw.
- 4. Licenses for use on properties participating in the Division's Ranching for Wildlife program are not available as part of the TIPs Reward Program.
- 5. Licenses awarded as part of the TIPs Reward Program do not confer or otherwise guarantee access to any property for the purpose of exercising the benefits of the license. Securing such access is the responsibility of the license holder.
- 6. Except as provided in 2(c)(1), all licenses awarded as part of the TIPs Reward Program must be for a season occurring within 18 months of the final judicial disposition of the charges.
- Licenses and preference points issued as part of the TIPs Reward Program are nontransferable.
- 8. For the purposes of the TIPs Reward Program, "charging" means the issuance of a penalty assessment or summons and complaint and such charging decision is at the sole discretion of the investigating officer or District Attorney.
- 9. While conviction is not necessary to support the awarding of a preference point or license, no applications for TIPs rewards will be accepted and no such rewards will be issued until final judicial disposition of the charges.
- 10. Only one TIPs reward will be issued per poaching incident, no matter how many animals are illegally taken. Further, if more than one person reports the violation(s) and files an application, the TIPS reward will be awarded to the person the Director finds to have provided the most pertinent information regarding the violation.
- 11. Applications for TIPs rewards must be made on forms provided by the Division, must be filed within 90 days of the judicial disposition of the charges and all applicants are subject to the following eligibility requirements:
 - a. To be eligible for a TIPs reward, a person must voluntarily come forward and report the violation, and must be willing to testify, and testify if requested, in any subsequent criminal prosecution. Information obtained through criminal investigation or court process is not considered "voluntary" for the purposes of the TIPs Reward Program.
 - b. A person is eligible for only one TIPs reward per year.
 - c. A person is ineligible to receive a TIPs reward if they have received any other reward for reporting the violation(s), including but not limited to a monetary payment under the Operation Game Thief program.
 - d. A person must be eligible to apply for, possess or exercise the benefits of any license or preference point conferred through the TIPs Reward Program and must otherwise comply with all other generally applicable hunting requirements and restrictions.
 - e. All Division employees, and peace officers that report violation(s) to the Division as part of their law enforcement duties, are ineligible for the TIPs Reward Program.

K. Terrestrial Invasive Species

- 1. The following terrestrial invasive species are hereby declared to be detrimental to Colorado's wildlife and habitat. They may be seized, captured or destroyed by the Division or its authorized agents whenever and wherever found.
 - a. Feral hog
 - b. Eurasian collared-dove
 - c. European starling
 - d. House (English) sparrow
- 2. No license is required for a person to hunt or take terrestrial invasive species. However, commercial hunting or taking of terrestrial invasive species is prohibited. No person shall receive compensation or attempt to receive compensation from the hunting of terrestrial invasive species in Colorado. Terrestrial invasive species may be taken year-round in any number by any method allowed for the take of big or small game. In addition, terrestrial invasive species may be taken at night with the use of artificial light and night vision equipment.
 - a. Except when counted as part of the bag and possession limit for doves in #508 of these regulations, while in the field and during transport all Eurasian collared-doves shall be fully feathered.
- 3. No person shall release terrestrial invasive species or hybrids of terrestrial invasive species in Colorado for the purpose of allowing them to run at large or otherwise facilitate the distribution or abundance of these species in Colorado.

L. Hunter Education

- 1. For the purpose of this regulatory provision, the following terms have the following definitions:
 - a, "Active Duty" means a person who is a full time employee of a U.S. military service branch under the Department of Defense and can be deployed at any time.
 - b. "National Guard" means the Army National Guard or Air National Guard that is part of an organized militia of any state within the United States of America. National Guard members are not considered active duty military personnel.
 - c. "Reserve Duty" means a person who is trained and qualified by a U.S, military Reserve Component to be available for active duty in the armed forces when needed. Reserve members are not considered active duty military personnel.
 - d. **"Veteran"** means a person who served in the Active Duty or Reserve Duty military or the National Guard and who was discharged or released from such service under conditions other than dishonorable.
- 2. As authorized and in accordance with §33-6-107(8) and §33-6-107(10) C.R.S, these regulations establish requirements for Colorado's hunter education certification program. Hunter education classes within this state must include a minimum of 10 hours of instruction, including, but not limited to, the topics of wildlife management, wildlife identification, firearms safety, ethics, and laws and regulations. A portion of the course curriculum must also include hands-on activities where students demonstrate, at a minimum, safe firearms handling and a live fire exercise. Students must also pass a written test to successfully complete the course. Except as provided in regulation #002(L)(3) below, any person born on or after January 1, 1949, must have a valid hunter education certificate prior to hunting, trapping, or purchasing any hunting license in accordance with §33-6-107(8) and §33-6-107(10) C.R.S.

- 3. Allowable hunter education course delivery options and methods are as follows:
 - a. Traditional class- 10 hours, minimum, in a standard classroom setting that includes hands-on learning activities. Additional time beyond the 10 hour requirement is also necessary to complete the written test and live fire exercise.
 - b. Internet course with conclusion class- The internet portion of the class is credited with 6 hours of study. A 4-6 hour, in-person, conclusion class is required and will cover laws and regulations, wildlife identification, and handson firearms activities. Additional time beyond the 4-6 hour requirement is also necessary to complete the written test and live fire exercise.
 - c. A person age 50 and older may complete a one-time test-out of the hunter education certification requirements by passing a timed hunter education test online with a score of 90% or above. This online test can only be taken once.
 - d. U.S. military veterans, active duty, reserve duty and National Guard members may complete a one-time test-out of the hunter education certification requirements by passing a timed hunter education test online with a score of 90% or above. This online test can only be taken once. Military personnel must bring test certificate and military identification to a CPW office to verify military status and obtain a hunter education certificate. To qualify, a veteran must be discharged under conditions other than dishonorable. Acceptable forms of military identification include:
 - i. DD 214;
 - ii. DD Form 2;
 - iii. DD Form 2765:
 - iv. Active, retired, veteran military identification card;
 - v. A current Colorado Drivers License or state issued identification card with the word "veteran" printed on it as specified in 42-2-303(5)(a) C.R.S.;
 - vi. VA medical card.
- 4. Exceptions to the hunter education certification requirements are as follows:
- a. A person 10 years of age or older who obtains an apprentice certificate. An apprentice certificate can only be obtained once and is valid for a one year period, identified as April1-March 31annually. Apprentice certificate holders must be personally accompanied by, and in voice and visual contact with a mentor while hunting. A mentor may oversee no more than 2 apprentices at a time and must carry proof of hunter education and age while in the field.

ARTICLE IV - MANNER OF TAKING WILDLIFE

#004 - AIDS IN TAKING WILDLIFE

- A. Aids Used in Taking Big Game, Small Game and Furbearers Except as expressly authorized by these regulations, the use of baits and other aids in hunting or taking big game, small game and furbearers is prohibited.
 - 1. Baits
 - a. Furbearers may be taken with the aid of baiting. Where permitted, baits shall consist solely of material of animal or plant origin and shall not contain any materials of metal, glass, porcelain, plastic, cardboard or paper. Wildlife used as bait shall be the carcass, or parts thereof, of legally taken furbearers, carp, shad, white and longnose suckers, and nonedible portions of legally obtained game mammals, birds and game fish.
 - 2. Dogs
 - a. Use of dogs in the taking of wildlife is prohibited except as authorized in Commission Regulations. (See also: §33-4-101.3, C.R.S.)
 - 1. Dogs may be used to hunt or take mountain lion, small game, waterfowl, and furbearers, only as an aid to pursue, bring to bay, retrieve, flush or point, but not otherwise. Except as provided in (3) of this subsection, dogs shall not be used to hunt or take cottontail rabbits, snowshoe hares, and tree squirrels where a regular deer, elk, pronghorn or moose season is in progress.

- 2. A leashed dog may be used as an aid in locating and recovering wounded big game wildlife, except for black bears, with the purchase of an annual tracking permit. Tracking permits can be purchased for \$40.00 from any Colorado Parks and Wildlife Office by the dog handler. Prior to using the permit, the dog handler must notify a Colorado Parks and Wildlife Office and provide the following information: the dog handler's name, hunter's name (if different than the handler), hunter's CID number, location of use, species to recover, and time of use. Within five business days of using the permit, the handler must also notify the Division regarding whether they recovered the carcass. A dog may only be used to pursue or locate wounded big game during legal big game hunting hours. Provided however, that such pursuit may continue after legal big game hunting hours if the handler contacts and obtains the permission of a Wildlife Officer prior to continuing such pursuit. In acting on any such request, the Wildlife Officer shall consider the general public safety and may authorize the dispatch of the wounded animal after legal hunting hours. The dog must be leashed at all times and can not be used to kill, chase, or harass wildlife. The properly licensed hunter is required to be present while the dog is tracking and the animal must be dispatched by the hunter using a legal method of take based on their license. The dog handler is required to wear daylight fluorescent orange while tracking, unless the handler is tracking an animal shot on an archery license.
- 3. Organized dog pursuit events involving the hunting of rabbits or hares conducted by state or nationally-recognized sporting associations may be conducted on private lands or public lands not concurrently open to big game hunting during the extended dog pursuit season for such species.
- 4. A valid small game license is required for all dog handlers participating in any dog pursuit event involving the hunting of rabbits or hares, in accordance with regulation #004(A)(2)(a)(3).

3. Other Aids

- Mechanical calls may be used to take all species of wildlife during established seasons
- b. Except as otherwise provided in these regulations, electronic calls may be used as an aid in taking furbearers only.
- c. Decoys may be used.
- d. European ferret may be used as an aid in taking small game only in conjunction with hawking. All ferrets used in this activity must be neutered, permanently tattooed on the left inguinal area and dyed along one-fourth (1/4) of their body length for easy field identification.
- e. Manner of take accommodations may be issued to persons with disabilities, in accordance with #005.
- B. It shall be unlawful to hunt any game birds, small game mammals or furbearers, with a centerfire rifle larger than .23 caliber during the regular deer and elk seasons west of Interstate 25, unless the hunter holds an unfilled deer or elk license for the season he is hunting.
- C. It shall be unlawful to use a drone to look for, scout, or detect wildlife as an aid in the hunting or taking of wildlife.
 - For the purposes of this regulation, drone shall be defined as including, without limitation, any contrivance invented, used or designed for navigation of, or flight in the air that is unmanned or guided remotely. A drone may also be referred to as "Unmanned Aerial Vehicle" (UAV) or "Unmanned Aerial Vehicle System" (UAVS).

D. Smart Rifles

- 1. All firearms used to take or attempt to take wildlife shall be fired only by humanly controlled, manually-operated mechanical triggers. No person shall use a smart rifle
- to take or attempt to take wildlife.
- 2. "Smart Rifle" means any firearm that is equipped with one or more of the following:

- a. A target tracking system;
- b. An electronically-controlled, electronically-assisted, or computer-linked trigger;
- c. A ballistics computer.

E. Live-Action Game Cameras

- 1. No person shall use a live-action camera to locate, surveil, or aid or assist in any attempt to locate or surveil any game wildlife for the purpose of taking or attempting to take said wildlife during the same day or following day.
- 2. "Live-Action Game Camera" means any device capable of recording and transmitting photographic or video data wirelessly to a remote device, such as a computer or smart phone. "Live-action game camera" does not include game cameras that merely record photographic or video data and store such data for later use, as long cannot transmit data wirelessly.

ARTICLE V - ACCOMMODATIONS FOR PERSONS WITH DISABILITIES

#005 REASONABLE ACCOMMODATIONS

- A. The Director shall have the authority to grant variances from the regulations adopted by the Wildlife Commission, including but not limited to manner of take and access accommodations, for the sole purpose of providing reasonable accommodations to persons with a significant impairment of a major life function resulting in functional impairment under the Americans with Disabilities Act. Such accommodations may be provided if they are reasonably required to allow the person to participate in wildlife programs or access wildlife properties to participate in wildlife related recreation and do not:
 - 1. Significantly alter the purpose of the Division property or program for which the accommodation is requested;
 - 2. Jeopardize the safety of the applicant or any other person; or
 - 3. Pose undue hardship for the Division
- B. Application for such accommodations must be made on a form available from and submitted to the Division at least 30 days prior to the requested effective date.
- C. Except when applying exclusively for the use of a power-driven mobility device, the application shall include a statement from a licensed medical doctor, a certified physical therapist, a certified occupational therapist, or a certified recreational therapist containing:
 - 1. A medical explanation as to whether or not the disability is a significant impairment that limits one or more daily life functions, and how those functions are affected.
 - 2. A narrative description of how the accommodation requested is reasonably required to allow the applicant to participate in the wildlife program or access the wildlife property in question.
- D. Such applications will be reviewed on a case by case basis and additional documentation may be required if necessary to establish the applicant's disability or the reasonableness of the accommodation requested. If any accommodation is authorized, the applicant will be provided with a special permit listing the accommodation and any conditions of its use. In the case of properties and facilities designated exclusively for hunters with qualifying disabilities, this permit shall allow a permittee and attendant access to such properties and facilities.
 - 1. When shooting from a motor vehicle is authorized, the permittee is authorized to discharge a firearm or release an arrow from a stationary motor vehicle only after all forward motion has ceased and the motor has been turned off or is incapable of forward motion. No shooting may be done from a public road.

- E. Permits are free of charge, and valid for the time period designated on the permit. Except when applying exclusively for the use of a power-driven mobility device, the temporary or permanent nature of the person's disability may be considered in establishing the time period for which the permit will be valid. Permits shall be presented for inspection upon request by an officer of the Division.
- F. Hunters with permits must be accompanied by another person when necessary to ensure that the wildlife taken is retrieved and properly prepared for human consumption. Such person may dispatch wounded wildlife when so authorized as a condition of the permit.
- G. Persons provided with any accommodation under this regulation shall comply with all other applicable laws and regulations. Permits allow variances only from regulations specifically addressed and only in the manner and under the circumstances set forth therein.
- H. A service animal is defined as any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability including a physical, sensory, psychiatric, intellectual, or other mental disability. Other species of animals, whether wild or domestic, trained or untrained, are not service animals for the purposes of this definition. The work or tasks performed by a service animal must be directly related to the handler's disability. The crime deterrent effects of an animal's presence and the provisions of emotional support, well-being, comfort, or companionship do not constitute work or tasks for the purposes of this definition.

ARTICLE VI - TERRESTRIAL WILDLIFE

#006 - TRANSPORTATION

A. Harvested Terrestrial Wildlife

- Wildlife for which a carcass tag is required by statute or by Commission Regulation must have such tag properly attached to the wildlife unless the wildlife consists of twenty (20) pounds or less of big game meat and is accompanied by a donation certificate.
- 2. Processed big game meat shall be accompanied by the carcass tag, or in the case of donated meat a donation certificate.
- 3. Except as provided in subsection four (4) below, wildlife for which no carcass tag is required must be personally accompanied by the license holder.
- 4. Wildlife shipped by common carrier must be accompanied by either the license, a photo copy of the license, or appropriate carcass tag, and if applicable, a donation certificate.
- 5. Evidence of sex regulations as provided in #003 shall apply while transporting any wildlife except for processed big game meat.

B. Live Terrestrial Wildlife

- 1. Intrastate transportation of those species of live wildlife listed in #008(B) is prohibited.
- 2. Any exportation of live wildlife held under authority of Colorado Wildlife Parks or Lakes licenses shall be in accordance with the rules and regulations of the receiving country, state or province.
- 3. All wild ungulates transported within Colorado must be marked with U.S. Department of Agriculture (USDA) official eartags or tags approved by the Division.

- 4. All live captive cervids transported within Colorado must test negative for tuberculosis (TB) within sixty (60) days prior to movement anywhere within Colorado except that live captive cervids originating from herds with a "Colorado TB tested elk herd" or a "Colorado TB accredited elk herds" status issued by the Colorado Department of Agriculture (Dept. of Agriculture) shall be exempt from intrastate TB testing requirements. Tuberculosis testing shall be accomplished using a single strength cervical (SSC) tuberculin test performed by an accredited veterinarian who has prior training to conduct such tests. An official certificate of veterinary inspection (listing the animal identification, as well as the dates and results of such testing, or the Dept. of Agriculture herd status number) shall also accompany all shipments of live captive cervids within Colorado.
- 5. All captive wild ungulates transported within Colorado after July 1, 1993, must originate from a "Colorado tuberculosis tested herd" or a "Colorado tuberculosis accredited herd" as determined under procedures approved by the Dept. of Agriculture as set forth in Appendix A to this regulation.

6. CWD Surveillance

Commercial Wildlife Parks facilities seeking to move live deer or elk within Colorado must obtain written authorization from the Director and shall request such authorization from the Division at least 30 days prior to the proposed movement date. Deer and elk from alternative livestock facilities licensed by the Dept. of Agriculture being transferred into Commercial Wildlife Parks are included in this requirement. Provided further that no such captive cervid transportation will be permitted anytime a new CWD diagnosis is made in any such facility, until all tracebacks have been completed and CWD-free facility status has been confirmed.

- a. Criteria for approval or denial:
 - 1. Written authorization will be based on compliance with a sixty (60) month surveillance requirement for CWD including a review of inventory records for all deer and elk on the facility. Such review shall include proof of individual animal identification; all additions, exports and mortalities; and copies of the results of any animal inventory or records of audits and verification records: for at least the previous sixty (60) months, and laboratory reports documenting the absence of CWD lesions, after microscopic evaluation of brain tissues by an accredited veterinary diagnostic laboratory, or a negative result from another CWD diagnostic test conducted by an accredited laboratory, which test has been approved by the Director and State Veterinarian as having equal or greater diagnostic reliability, in all adult (12 months of age or older) deer and elk dying of any cause over the required surveillance period. Determination of when a facility meets the sixty (60) month minimum surveillance period shall be based on the age of the animals on the facility, the source facility of the animals, and the length of the surveillance program of the source facility(ies). Every individual in the source herd must meet the sixty month surveillance requirement, except for young born into a herd during the sixty month surveillance period, provided that all other deer and elk in the facility during that time period and all deer and elk imported into the facility during that time period also meet the sixty (60) month requirement, unless the Division and the Dept. of Agriculture agree that movement does not present a substantial risk of moving CWD based on the location of the source and receiving facilities. length of surveillance at the source facility, fencing at the receiving facility and other relevant factors.
 - 2. For the purpose of determining and maintaining 60 months CWD-free status, records must positively account for all animals and cause of death, unless the Division and the Dept. of Agriculture agree otherwise. If any animals remain untested or unaccounted for or cause of death is otherwise unknown or in question, status is adversely impacted and reduced to the date the untested or unaccounted for animal or animal with the unknown or questionable cause of

death was introduced into the herd, unless the Division and the Dept. of Agriculture agree that the associate risk is negligible, taking into consideration the possibility of predation, theft, or other relevant factors. Provided, however, that anytime a facility receives animals from another in-state facility with lower CWD status, the receiving facility shall assume the lower CWD status level. Any deer or elk transported within Colorado as described in G above in violation of this standard, or any pre-existing standard, or for which documentation does not exist which clearly establishes compliance with said standard, must be immediately destroyed and tested for CWD. In addition, the status of the receiving herd may be reduced up to 0 months. Both the source facility and the receiving facility are guarantined upon discovery of the violation, until test results show that CWD was not detected in any of the subject animals. If CWD is detected in any of them, the guarantines remain in effect and all private deer and elk that have come into contact with any of them must be immediately destroyed and tested for CWD. In all such cases, there shall be no obligation for the state to compensate the owner of the animals.

- 3. All cervid mortalities of animals 12 months of age or older shall be submitted for CWD testing. If CWD is detected in any animal, the status of the herd exposed to such animal shall be reduced to 0 months.
- 4. Upon receipt of any request to move captive wildlife or alternative livestock to a captive wildlife facility within the state, the Division shall forward the request and all necessary documentation, including but not limited to, the status records for the facilities involved, to the Dept. of Agriculture for review and approval. The Dept. of Agriculture shall render its determination regarding risk within 5 working days of receipt of all necessary documentation. If no such determination is received by the Division at the end of the five working days, the Division may presume that the Dept. of Agriculture has no objection to the requested movement.
- 5. No evaluation of determination of CWD risk is required for alternative livestock or captive wildlife shipped directly to slaughter or to a biosecure facility approved by the Division and the Dept. of Agriculture.

#007 - IMPORTATION OF TERRESTRIAL WILDLIFE

- A. Prior to importation of wildlife an importation permit must be obtained from the Division and the State Veterinarian.
- B. An appropriate license must be in possession prior to importation. Only animals in the same scientific family as animals approved on the license can be imported.
- C. All wild ungulates imported into Colorado must be tagged with a USDA official identification device or official Canadian identification device. Any wild ungulates imported to Colorado 12 months of age or under must be identified with a bangle or ranch tag to identify ownership.
- D. Except as authorized in writing by the Director for research purposes or immediate slaughter, all wildlife imported into Colorado must be examined by an accredited veterinarian prior to importation and must be accompanied by a valid, preapproved health certificate certifying disease-free status. Minimum specific disease testing results and/or health statements must be included on health certificates for:
 - 1. All captive wild ungulates shall:
 - a. Test negative for brucellosis. The health certificate completed by an accredited veterinarian must include the signed statement that "To the best of my knowledge, animals listed herein are not infected with Paratuberculosis (Johnes Disease) and have not been exposed to animals infected with Paratuberculosis."

- b. Test negative for bovine tuberculosis using USDA-approved testing procedures appropriate for species in question not more than 60 days prior to importation and must originate from a herd which has had a negative complete herd test for tuberculosis within the past 12 months. A "complete herd test" is defined as tuberculosis testing of all ruminants and camelids on a premises (except domestic cattle, Bison, sheep and goats) using USDA-approved testing procedures appropriate for species in question where all testing is completed during a period not exceeding six (6) consecutive months; or
- Originate from a bovine tuberculosis-free herd accredited by another state or province which meets the standards for testing or their equivalent as set forth in (b) above.
- d. Appropriate USDA-approved testing procedures are limited to those referenced in section #006(B)(5) above and others prescribed by the federal Veterinary Service as set forth in Appendix B to this regulation.
- e. If in the family Cervidae, originate from a herd that has been under surveillance for Chronic Wasting Disease for a period of at least 60 months unless the Division and the Colorado Department of Agriculture agree that the associated risk is negligible.
- Testing for bovine tuberculosis in other mammalian species may be required prior to importation if there is reason to suspect that such animals may be infected with the disease.
- 3. All wild species in the sub families Meleagridinae (wild turkey) and Tetraoninae (grouse): Tested negative for Mycoplasma gallisepticum, M. synoviae, M. meleagridis and Salmonella pullorum. For groups of grouse imported from the same source in a single shipment, testing is required for only 25% (one of every four) of those birds.
- 4. All elk must be tested prior to importation for evidence of red deer hybridization. Any animal testing positive for red deer hybridization shall not be allowed to be imported into Colorado.
- 5. The offspring of any female elk must be tested for red deer hybridization, at the owner's expense, by December 31 of the year of birth if the calf results from a pregnancy which existed prior to the female elk being imported into Colorado.
- 6. Any offspring, described in 4(e) above, testing positive for red deer hybridization, must be removed from the State of Colorado, at the owner's expense, by June 1 of the year following the year of birth. In all cases, the Division will not compensate owners for these animals.
- E. Additional disease testing may be required at the discretion of the Director of the Division by written notification prior to importation, when there is reason to believe other diseases, parasites or other health risks are present. (e.g. recent outbreak of a disease not listed in this section.)
- F. All imported wild ungulates, turkeys, and grouse must be held in isolation from other wildlife on the operator's premises for at least thirty (30) consecutive days upon importation into Colorado. Animals obtained from free-ranging wild stock by state or federal agencies are exempt from the isolation period.
- G. At least seven (7) days prior to the proposed importation date all persons desiring to import raptors into Colorado must properly complete a Raptor Importation form, except that no raptor importation form is required for licensed Colorado wildlife rehabilitators importing raptors for imminently-necessary medical care. However, prior to importation, that rehabilitator must provide telephone notice of any such importation to the Area Wildlife Manager presiding over the area in which the care facility is located, including the number, species and condition of the raptor(s) to be imported. All raptors imported into Colorado must have veterinary certificates certifying the birds are disease free.

#014 - AQUATIC WILDLIFE HEALTH MANAGEMENT

A. Inspection and Certification for Prohibited and Regulated Fish Diseases

- 1. Annual fish health inspections and certifications are required for all in-state fish production or holding facilities, which sell or stock live fish, and out of state facilities importing live fish into Colorado. A fish health certification will terminate one year from the effective date of certification or upon discovery of a prohibited or regulated disease, whichever occurs first. However, provided the facility requests its annual fish health inspection within 12 months of the effective date of its last certification, its fish health certification shall be valid for fifteen months or whenever its subsequent inspection report is available, whichever occurs first. In the absence of a timely written request for an annual fish health inspection the fish health certification shall terminate 12 months from the effective date of its last certification. A copy of such certification must accompany each fish shipment within or into Colorado.
- 2. All such facilities shall be annually inspected by a qualified fish pathologist for both prohibited and regulated diseases as applicable.
 - a. Prohibited diseases
 - 1. All salmonid facilities must be certified to be free of the following diseases:

Infectious Hematopoietic Necrosis Virus (IHNV) Viral Hemorrhagic Septicemia Virus (VHSV) Oncorhynchus masou Virus (OMV)

- 2. All facilities with non-salmonid fishes must be certified free of Viral Hemorrhagic Septicemia Virus (VHSV).
- 3. Inspection and Certification for Other Diseases of Concern: susceptible or potentially susceptible species from all importing facilities within the applicable endemic disease areas, including both salmonid and nonsalmonid fish production or holding facilities, must also be annually certified by a qualified fish pathologist to be free of the following diseases:

Ceratomyxa shasta (Ceratomyxosis)
Epizootic Epitheliotropic Disease (EEV)
Infectious Salmon Anemia Virus (ISAV)
Piscirickettsia salmonis
Tetracapsula bryosalmo (Proliferative Kidney Disease – PKD)
Spring Viremia of Carp Virus (SVCV)

b. Regulated diseases – all salmonid facilities must be certified for the presence or absence of the following diseases:

Myxobolus cerebralis (Whirling Disease – WD)
Renibacterium salmoninarum (Bacterial Kidney Disease - BKD)
Aeromonas salmonicida (Furunculosis)
Infectious Pancreatic Necrosis Virus (IPNV)

- 3. Testing procedures.
 - a. Except for Viral Hemorrhagic Septicemia Virus (VHSV) and as otherwise provided in these regulations, all inspections and testing procedures must be conducted as set forth in the Blue Book: USFWS and AFS-FHS (U.S. Fish and Wildlife Service and American Fisheries Society-Fish Health Section) Current edition. Standard procedures for aquatic animal health inspections. *In* AFS-FHS. FHS Blue Book: Suggested procedures for the detection and identification of certain finfish and shellfish pathogens, 2014 edition. AFS-FHS, Bethesda, Maryland. This document can be viewed and copies obtained at the Division as set forth in the "Incorporated References" section of Chapter 0 of these regulations.

- b. Testing for Viral Hemorrhagic Septicemia Virus (VHSV) shall be conducted by the protocols and procedures of:
 - The Blue Book: USFWS and AFS-FHS (U.S. Fish and Wildlife Service and American Fisheries Society-Fish Health Section) 2014 edition. Standard procedures for aquatic animal health inspections. *In* AFS-FHS. FHS Blue Book: Suggested procedures for the detection and identification of certain finfish and shellfish pathogens, 2014 edition. AFS-FHS, Bethesda, Maryland, or
 - 2. The Manual of diagnostics for aquatic animals 2014 edition. of the OIE World Organisation for Animal Health, 12 rue de Prony 75017 Paris, France.

These documents can be viewed and copies obtained at the Division as set forth in the "Incorporated References" section of Chapter 0 of these regulations.

- 4. Authority to exempt applicants from specific pathogen testing is granted to the Director, upon consultation with, review, and recommendation from the Fish Health Board, when the following criteria are met:
 - a. Compliance with testing requirements would result in an unacceptable impact on the sample population.
 - b. There is minimal risk of introducing an exotic pathogen into the state.
 - c. There is minimal risk of exposing free-flowing waters to any specific pathogen.
 - d. Adequate provisions for management and disposition of the fish and adequate disinfection of the water as necessary are made and incorporated as conditions of the importation permit.

Application for such an exemption shall be submitted to the Division at least fourteen (14) working days prior to the proposed importation date. The Director shall have fourteen (14) working days to approve or disapprove the application. The Fish Health Board shall review and submit its recommendation to the Director within seven (7) working days after receipt from the Division.

- B. Reportable Diseases: the presence of any prohibited or regulated disease at an in-state or importing facility shall be immediately reported to the Division.
- C. Management of Prohibited and Regulated Fish Diseases.
 - 1. Prohibited Disease agents.
 - a. No fish or gametes (eggs and sperm) with, or exhibiting clinical signs of, any Prohibited Disease, or any other infectious agents determined by the Director to pose a significant threat to Colorado's aquatic resources, may be imported or placed in waters of this state without written approval of the Director. Written approval may be granted only after the following conditions have been met:
 - 1. The Director has determined that no damage or undesirable effects to existing fish populations and their habitat will occur.
 - 2. The nature of any disease(s) must be positively determined and documented.
 - b. If fish are found with Prohibited Diseases or any diseased wildlife, which would have a significant detrimental effect on Colorado's wildlife resource as determined by the Director, are found at any fish production or holding facility they may be destroyed or held in quarantine at the owner's expense, in accordance with 33-5.5-102 C.R.S. Possession, transfer or any other act relative to such wildlife contrary to the Director's determination of disposition is prohibited.

c. The Director shall determine when destruction of wildlife, a quarantine or disinfection is required at any federal, state, private or commercial fish or wildlife production facility. If the Director determines that either destruction, quarantine or disinfection is required, he shall issue a written order to the owner or operator of the facility setting forth the steps for destruction and/or disinfection. Required disinfection of holding facilities will be completed at the owner's expense. If the owner disagrees with the Division's determination he shall have the right to appeal the decision to the Wildlife Commission provided notice of such appeal is given to the Director within seventy-two (72) hours of receipt of the order.

2. Regulated Disease Agents

- a. Myxobolus cerebralis (Whirling Disease WD)
 - 1. Myxobolus cerebralis testing
 - aa. At the time of the annual inspection for whirling disease certification, all facilities in Colorado or facilities importing fish into Colorado shall be tested using either of the two methodologies listed below.
 - Spore Concentration Technique: The facility shall provide at least one lot of live salmonids (minimum lot size of 260 fish) for whirling disease testing. As a screening procedure, fish shall be tested for the presence of *Myxobolus cerebralis* using a spore concentration technique ("SCT"). Minimum sample size of lots in aggregate shall be determined at the assumed prevalence level of 5% with 95% confidence.
 - aaa. Any negative finding will be conclusive for the absence of *Myxobolus cerebralis*.
 - bbb. Any positive finding will be presumptive for the presence of *Myxobolus cerebralis*. All presumptive SCT findings shall be confirmed by PCR. PCR results shall be conclusive as to the presence or absence of *Myxobolus cerebralis*.
 - Polymerase Chain Reaction (PCR) Technique: As an alternative to SCT, susceptible salmonids held at least 4 months in the water supply may be tested by PCR. A positive finding in such instance shall be considered presumptive for the presence of *Myxobolus cerebralis*. Confirmation shall be determined by a second PCR conducted by a different laboratory.
 - bb. Sample size for the purpose of annual inspections for *Myxobolus* cerebralis, the minimum sample size for determination of prevalence shall be sixty susceptible fish per water supply in a salmonid fish production facility.
 - cc. Stocking from facilities which are presumptive for *Myxobolus* cerebralis.shall comply with the provisions of release of *Myxobolus* cerebralis positive fish during confirmatory testing. PCR tests for presumptive positives will be the highest priority for testing and every effort will be made to complete the test within 21 days.
 - dd. For the purpose of conducting confirmatory testing, should it become necessary, at least 100 fish from each lot tested, with at least 200 total fish from tested lots, shall be held at the facility for up to 3 weeks after the initial inspection date.

- ee. Diagnostic or incidental observations of *Myxobolus cerebralis*_by histology (presence of morphologically correct organisms within salmonid skeletal tissues) shall be presumed positive for the organism. Presumptive findings by histology shall be confirmed by PCR.
- 2. WD Negative Recertification: In order for the *Myxobolus cerebralis* status of a salmonid fish production facility to change from positive to negative, the owner and/or operator of the facility must complete all of the requirements of either aa or bb below:
 - aa. Method 1 Facility modifications and testing for *Myxobolus cerebralis*:
 - Render all originating water sources at the facility free of all fish and enclosed so as to prevent outside contamination by Myxobolus cerebralis.
 - Construct all rearing spaces and water conveyances of concrete, fiberglass, steel, or other manufactured impermeable materials that are not conducive to colonization by the alternate oligochaete host(s) of Myxobolus cerebralis.
 - 3. Completely purge all sediments from rearing spaces and water conveyances at least once every two months.
 - 4. After completion of steps 1 through 3, have the facility tested and found negative for *Myxobolus cerebralis*_according to the following procedures and schedule:
 - aaa. A minimum of three hundred rainbow trout at least four months of age shall be designated as the sentinel lot and must be individually marked by a state fish pathologist. These fish will then be placed in approved rearing spaces selected for optimal exposure, at which time the exposure period shall begin.
 - bbb. Fish shall be collected and tested for *Myxobolus cerebralis* by a qualified fish pathologist during two inspections. A minimum of sixty fish from the sentinel lot, still bearing the previously placed tags, shall be included in each sample. The inspections shall occur at least ten months and at least fourteen months after the exposure period begins if a Spore Concentration Technique (SCT) is used. The testing shall occur at least 8 months and at least 12 months after the exposure period begins if Polymerase Chain Reaction (PCR) is used as the testing technique. The time frame for such testing by PCR may be shortened further if it is determined by the Director after consultation with the Fish Health Board that an additional reduction of the time frame for testing would present a negligible risk of not detecting the presence of *Myxobolus cerebralis*, after consideration of the following criteria:
 - 1. Water supply(s).
 - 2. Distance between water supply(s) and rearing spaces.
 - 3. Nature of connecting pipes and conveyances.
 - 4. Possibility of fish entering and exiting in water supply lines.
 - 5. Nature and construction of rearing spaces.

- bb. Method 2 Testing for Myxobolus cerebralis_with partial or no facility modification.
 - 1. A minimum of three hundred rainbow trout at least four months of age shall be designated as a sentinel lot, and must be individually marked by a qualified fish pathologist. These fish will then be placed in approved rearing spaces selected for optimal exposure to *Myxobolus cerebralis*, at which time the exposure period shall begin.
 - 2. Fish shall be collected and tested for *Myxobolus cerebralis* by a qualified fish pathologist during four inspections. A minimum of sixty fish from the sentinel lots, still bearing the previously placed tags, shall be included in each sample. The inspections shall occur at least ten, fourteen, twenty-four, and twenty-eight months if SCT is used, or at least eight, twelve, twenty, and twenty-four months if a PCR is used as the testing technique after the exposure period begins. A second sentinel lot will be placed in the same rearing spaces after collection of the fourteen month sample for SCT or twelve month sample for PCR. The time frame for testing by PCR may be shortened further if it is determined by the Director that an additional reduction of the time frame for testing would present a negligible risk of not detecting the presence of *Myxobolus cerebralis* after consideration of the following criteria:
 - aaa. Water supply(s).
 - bbb. Distance between water supply(s) and rearing spaces.
 - ccc. Nature of connecting pipes and conveyances.
 - ddd. Possibility of fish entering and exiting in water supply lines.
 - eee. Nature and construction of rearing spaces.
 - fff. Nature and reliability of treatment technology.
 - ggg. System redundancy and back-up power supply.
 - 3. Sampling in these inspections will be conducted at a minimum assumed prevalence level of five percent at the ninety-five percent level of confidence per lot at least eight months old; and at a minimum assumed prevalence level of two percent at the ninety five percent level of confidence for the facility as a whole.
- cc. Upon satisfactory completion of the requirements under either Method I or Method II, the State Fish Pathologist shall provide certification of negative *Myxobolus cerebralis* status.

ARTICLE XI - SPECIAL RESTRICTIONS

#020 -

A. Most restrictive Federal or State law - In all cases of licensing, taking, possession, importation, exportation, release, marking and sale of any wildlife, irrespective of current status (threatened, endangered, game or nongame), the most restrictive state or federal regulation shall apply by species.

- B. Live Capture Common snapping turtles may be taken in any number and maintained alive.
- C. Tagging and carcass tag requirements.
 - 1. A carcass tag is required for all big game and for turkey.
 - 2. When any person kills a wildlife species for which a carcass tag is required such person must immediately void the carcass tag by signing, dating and detaching it. Such tag must be attached to the carcass immediately prior to and during transportation in any vehicle or while in camp or at a residence or other place of storage. Such tag, when so dated, signed and attached to the species lawfully taken or killed and lawfully in possession, authorizes the possession, use, storage, and transportation of the carcass, or any part thereof.
 - 3. If the carcass tag and/or license are inadvertently or accidentally detached, lost or destroyed, the licensee must obtain a duplicate carcass tag and/or license before he can lawfully hunt with such license. The duplicate carcass tag may be obtained upon furnishing satisfactory proof as to the inadvertent or accidental nature of detachment, loss, or destruction to the Division.

D. Waste of Wildlife

- 1. Except for furbearers, Terrestrial Invasive Species listed in Commission Regulation #002(K)(1), wildlife listed in Commission Regulation #300(A)(3), or any wildlife taken under the authority of §33-6-107(9), C.R.S., all edible portions of game wildlife taken under the authority of a license shall be properly prepared to provide for human consumption. For the purpose of this restriction edible portions shall not include internal organs.
- Any consumption or spoilage of game wildlife by a falconry raptor upon the raptor's capture of the game wildlife shall not be considered waste of wildlife, provided the falconer makes a reasonable and timely attempt to retrieve the game wildlife and prepare some remaining edible portion for human consumption.

E. Closures

- Federal fish hatcheries and rearing units except that persons designated by the United States Fish and Wildlife Service may take fish or amphibians within the boundaries of said hatcheries or rearing units.
- 2. Except as otherwise provided in these regulations all Division hatcheries, rearing units and holding basins shall be closed to the taking of fish and amphibians.
- 3. State Refuges, Parks and Monuments Public access to any refuge, park or monument, the jurisdiction over which is by law given to any federal or state agency or municipality, may be limited by order of said agency or municipality to the same extent as if said agency or municipality were a private person.
- 4. Hunting with rifles, handguns or shotguns firing a single slug, or archery equipment is prohibited within an area fifty (50) feet on each side of the center line of any state highway or municipal or county road as designated by the county. In the case of a divided road or highway this shall include the entire median area and the fifty (50) feet shall be measured from the center line of both roads.
- 5. Hunting is prohibited on Mt. Evans Summit Lake cirque, and within 1/2 (one-half) mile of either side of the centerline of Mt. Evans Highway (Colo 5) while the road is open to motor vehicle traffic, from its intersection with Colo 103 to the summit of Mt. Evans. When Colo 5 is closed to motor vehicle traffic, this hunting closure is lifted, except that

the closure will remain in place year-round for ptarmigan hunting. (Information note: maps are available from the Division, Northeast Region Office, 6060 Broadway, Denver, Colorado 80216.)

6. All lands in the Gore Creek Drainage south of I-70 from Lions Head Ski Lift at Vail to the intersection of I-70 and US 24, and all lands on the north side and within one-half (1/2) mile of I-70 between the intersection of I-70 and US 24 shall be closed to all hunting during the regular rifle deer and elk seasons each year.

F. Director's Authority

1. The Director of the Division may establish and enforce temporary closures of, or restrictions on, lands and waters of the state to hunting, fishing or other wildlife-related recreation, including but not limited to the collection of shed antlers, for a period not to exceed 9 months. Such temporary closures may be established and enforced only where necessary to protect public safety, protect threatened or endangered wildlife species, protect wildlife resources from significant natural or manmade threats, such as the introduction or spread of disease or nuisance species, changing environmental conditions or other similar threats, protect time-sensitive wildlife use of lands or waters, protect against additional and significant environmental damage after an area has sustained a natural or manmade disaster, or to facilitate Division-sponsored wildlife research projects or management activities. Whenever such closure is established, public notice of the closure shall be given, including the posting of the lands and waters affected, indicating the nature and purpose of the closure. Upon posting, it shall be unlawful to hunt, fish or engage in any other designated wildlife-related recreation on such lands or waters or enter the lands or waters for the purpose of hunting, fishing or any other designated wildlife-related recreation.

G. Incorporated References

 Materials incorporated by reference in these regulations only include the edition of the material specifically identified by date in the incorporation by reference. The incorporation by reference does not include later amendments to, or editions of, the incorporated materials. Information regarding how and where the incorporated materials may be examined, or copies obtained, is available from:

Regulations Manager Policy and Planning Unit Colorado Division of Parks and Wildlife 1313 Sherman Street Denver, Colorado 80203

2. In addition, materials incorporated by reference in these regulations are maintained by, and available for examination at, any state publications depository library.

H. Possession of Edible and Non-edible Portions of Mountain Lions and Bears

The possession of the carcass, hide, skull, claws, or any part of any bear or lion is prohibited unless the animal was taken by a licensed hunter during an established hunting season or unless specifically authorized by the Division.

Chronic Wasting Disease Reporting

Chronic Wasting Disease (CWD) is classified as a disease which, whenever detected in the wild or in a commercial park, must be reported to the Colorado Division of Parks and Wildlife Veterinarian, 317 W. Prospect, Ft. Collins 80526, within 24 hours of the receipt of any CWD positive test result. As a condition of issuance of a license or permit, any hunter, commercial park licensee, other license holder or permittee of the Division, or any member

of the public who submits a deer or elk head for CWD testing grants consent for the lab to report the test results to the Division. A written copy of the test report shall be provided to the Division at the above address within 10 days of test completion, either by the lab or by the person who submits the sample.

J. Electronic Ignition Muzzle Loaders

It is unlawful for any person, except a person authorized by law or by the division, to possess or have under his control a loaded electronic-ignition muzzle loader in or on any motor vehicle unless the chamber of such firearm is unloaded or unless the battery is disconnected and removed from its compartment.

#024 - BIGHORN SHEEP UNIT BOUNDARY DESCRIPTIONS

UNIT S01

Poudre River - That portion of Larimer Co bounded on the north by Larimer
Co Rd 80C and Deadman-Red Feather Rd; on the east by Larimer Co Rd 68C
(Boy Scout Ranch Road) and Elkhorn Creek; on the south by Colo 14; and on the west by the Laramie River Rd.

UNIT S02

Gore-Eagles Nest - Those portions of Eagle and Summit counties bounded on the north by Elk Creek to Piney Ridge, Eagles Nest Wilderness boundary, Elliott Ridge/Arapaho/White River National Forest boundary, the North Fork of Elliott Creek, Hoagland Reservoir and Elliott Creek; on the east by the Blue River, on the south by I-70 and on the west by Colo 131 and the Colorado River from State Bridge to Elk Creek.

UNIT S03 **Mount Evans** - Those portions of Clear Creek, Jefferson and Park counties bounded on the north by I-70; on the east by Colo 74; on the south by Bear Creek, Beartrack Creek, Tumbling Creek, a line from the head of Tumbling Creek to the junction of USFS Trails 603 and 602; USFS Trail 603, and the boundary between the Pike and Arapaho National Forests; and on the west by the Continental Divide.

UNIT S04

Grant - Those portions of Clear Creek, Park and Jefferson counties bounded on the north by the north boundary of the Pike National Forest, USFS Trail 603, a line from the junctions of USFS Trails 603 and 602 to the head of Tumbling Creek, Tumbling Creek, Beartrack Creek, and Bear Creek; on the east by Co Rd 73; on the east and south by US 285; on the south by the North Fork of the South Platte River; and on the west by the Continental Divide.

UNIT S05

Beaver Creek - Those portions of El Paso, Fremont and Teller counties bounded on the north by the Gold Camp Rd and Rock Creek; on the east by Colo 115; on the south by US 50; and on the west by Freemont Co. Rd 67 and Teller Co. Rd 86 (Phantom Canyon Road), Teller Co. Rd 861 (Skaguay Road) and 81 (Lazy S Ranch Road)..

UNIT S06 **Pikes Peak** - Those portions of Teller and El Paso counties bounded on the north by US 24; on the east by I-25 and Colo 115; on the south by the Gold Camp Rd and Rock Creek; and on the west by Colo 67.

UNIT S07 Arkansas River - That portion of Fremont Co bounded on the north by Fremont Co Rd 2; on the east by Colo 9; on the south by US 50; and on the west Fremont Co Rd 12.

UNIT S08

Huerfano - Those portions of Huerfano and Alamosa counties bounded on the north by Sixmile Lane, USFS Trail 883, USFS 583 (Mosca Pass) and Huerfano Co Rds 583, 581, 580 and 550; on the east by Huerfano Co Rds 570 and 572 (Pass Creek Rd); on the south by the Huerfano-Costilla and Costilla-Alamosa

Co lines and US 160; and on the west by Colo 17.

UNIT S09 Sangre de Cristo - Those portions of Alamosa, Saguache, Custer and Huerfano counties bounded on the north by Saguache Co Rd LL 57, USFS Rd 970 (Hayden Pass Rd), and the Fremont-Saguache and Fremont-Custer Co lines; on the east by Colo 69; on the south by Huerfano Co Rds 550, 580, 581 and 583, USFS Rd 583 (Mosca Pass), USFS Trail 883, and Sixmile Lane; and on the west by Colo 17 and US 285.

UNIT S10 **Trickle Mountain** - Those portions of Saguache, Chaffee and Gunnison counties bounded on the north by US 50 and the Marshall Pass Rd (USFS Rd 243); on the east by US 285; on the south by Colo 114; and on the west by USFS Rd 803 (Meyer's G. and Gismo Creek Rd), Razor Creek and Saguache Co Rd 14-PP and Gunnison Co Rd 45 (Doyleville Cut-off Rd).

UNIT S11 Collegiate North - Those portions of Lake, Chaffee, Pitkin and Gunnison counties bounded on the north by Colo 82; on the east by US 24; on the south by Chaffee Co Rd 306 and Cottonwood Pass Rd (USFS Rd 209); and on the west by the Taylor River, the North Fork Taylor River, USFS Trail 761 and USFS Rd 123.

UNIT S12 **Buffalo Peaks** - Those portions of Lake, Chaffee and Park counties bounded on the north by the Continental Divide; on the east by Colo 9 and US 285; on the south by US 285; and on the west by US 24.

UNIT S13

Snowmass East - That portion of Pitkin Co bounded on the north and east by the Roaring Fork River, USFS Rd 123 and Co Rd 15A (Richmond Hill Rd); on the south by 761.1D (Taylor River Head Rd), USFS Trail 400 (Brush Creek Trail), USFS Rd 738.2B (East Brush Creek Rd), and USFS/Gunnison Co Rd 738 (Brush Creek Rd); and on the west by Colo 135, Gunnison Co Rd 317 (Gothic Rd), Crystal River-Gunnison River divide, Roaring Fork River-Crystal River divide and Capitol Creek.

UNIT S14 Clinetop Mesa - That portion of Garfield Co bounded on the north by the White River-Colorado River divide; on the east by Canyon Creek; on the south by I-70; and on the west by Colo 13, Rifle Creek, West Rifle Creek and Mullen Gulch.

UNIT S15

Sheep Mountain - Those portions of Hinsdale, Mineral and Rio Grande counties bounded on the north by the Rio Grande River; on the east by Colo 149, US 160 and the Continental Divide; on the south by USFS 667, the Mineral-Archuleta and the Hinsdale-Archuleta Co lines; and on the west by the Piedra River, Middle Fork of the Piedra River, Middle Trout Creek, West Trout Creek, and Trout Creek.

UNIT S16 Cimarrona Peak - Those portions of Hinsdale and Mineral counties bounded on the north by the Rio Grande River; on the east by Trout Creek, West Trout Creek, and Middle Fork of Trout Creek, the Middle Fork of the Piedra River and the Piedra River; on the south by the Hinsdale/Archuleta county line; and on the west by Weminuche Creek, USFS Trail 539, the Los Pinos River, and North Fork Pinos River and the Rio Grande Reservoir/Squaw Creek Divide.

UNIT S17 Collegiate South - Those portions of Chaffee and Gunnison counties bounded on the north by Chaffee Co Rd 306 (Cottonwood Creek Rd) and Cottonwood Pass Rd (USFS Rd 209); on the east by US 24 and 285; on the south by US 50; and on the west by the Gunnison-Chaffee Co line, Middle Willow Creek, Willow Creek, and the Taylor River.

- UNIT S18 Rawah Those portions of Larimer and Jackson counties bounded on the north by the Wyoming state line; on the east by Larimer Co Rd 103 (Laramie River Rd); on the south by Colo 14; and on the west by Colo 125 and Colo127.
- UNIT S19

 Never Summer Range Those portions of Larimer, Jackson and Grand counties bounded on the north by Colo 14; on the east by Larimer Co Rd 63E (Pingree Park Rd), Larimer County RD 44H (Buckhorn Rd), the divide between Pennock Creek and Elk Creek, USFS Trails 928 (Signal Mountain Trail), and 980 (Stormy Peaks Trail); on the south by the Rocky Mountain National Park boundary, USFS Rds 120.4 (North Supply Jeep Rd), and 120 (Kawuneechee Rd), the North Supply Trail, USFS Trail 118 (Blue Ridge Trail), the Lost Lake Trail, USFS Rd 107 (Lost Lake Rd); and on the west by Colo 125 and Jackson Co Rd 27 (Rand-Gould Rd).
- UNIT S20 Marshall Pass Those portions of Gunnison, Chaffee and Saguache counties bounded on the north by US 50; on the east by US 285; and on the south by Marshall Pass Rd; and on the west by US 50.
- UNIT S21 Cow Creek, Wetterhorn Peak Those portions of Ouray, Gunnison, San Miguel and Hinsdale counties bounded on the north by Colo 62, US 550, the Ouray-Montrose Co line and Ouray-Gunnison Co line to the Uncompahgre National Forest line, and the Uncompahgre NF line to Big Blue Creek; on the east and south by Big Blue Creek to Uncompahgre Peak, the Uncompahgre-Animas River divide, the Ouray-Hinsdale Co line, Engineer Mountain, the Uncompahgre-Lake Fork-Animas River divide, the San Miguel-San Juan and San Miguel-Dolores Co lines, and Lizard Head Pass; and on the west by Colo 145 and US 62.
- UNIT S22

 San Luis Peak Those portions of Hinsdale, Mineral and Saguache counties bounded on the north by USFS Rd 788, Hinsdale Co Rds 5, 15, and 45, Saguache Co Rd KK-14 and NN-14; on the east by the Continental Divide, USFS Rd 787, and the La Garita Wilderness Boundary; on the south by USFS Trail 787 (La Garita Stock Driveway), USFS Rd 504, and Colo 149; and on the west by USFS Rd 507, USFS Trails 803, 787 and 473, and Colo 149.
- UNIT S23 **Kenosha** Those portions of Park and Jefferson counties bounded on the north by US 285; on the north and east by Park Co Rd 68, USFS Rds 543 and 560; on the south by USFS Rd 545, USFS Trail 609, Park Co Rd 56 and USFS Rd 56 (Lost Park Rd); and on the west by US 285.
- UNIT S24

 Battlement Mesa Those portions of Garfield and Mesa counties bounded on the north by the Colorado River and I-70; on the east and south by the Garfield Co Rds 331 and 342, Mesa Co Rd 330E, Colo 330 and Colo 65; and on the west by the Colorado River.
- UNIT S25 **Snowmass West** Those portions of Pitkin, Gunnison and Eagle counties bounded on the north by the Roaring Fork River; on the east by Capitol Creek and the Roaring Fork River-Crystal River divide; on the south by the Crystal River-Gunnison River divide; and on the west by the Crystal River-Gunnison River divide and Colo 133.
- UNIT S26

 Taylor River That portion of Gunnison Co bounded on the north by USFS/Gunnison Co Rd 738 (Brush Creek Rd), USFS Rd 738.2B (East Brush Creek Rd), USFS Trail 400 (Brush Creek Trail), 761.1D (Taylor River Head Rd); on the east by USFS Rd 761 (Taylor Pass Rd), North Fork of Taylor River, Taylor River, Willow Creek, Middle Willow Creek, and Cumberland Pass Rd; on the south by the New Mexico Principal Meridian/6th Principal Meridian divide, the western Fossil Ridge Wilderness boundary and Lost Canyon Rd; and on

the west by Colo 135.

- UNIT S27 Tarryall Those portions of Park and Jefferson counties bounded on the north by Park Co Rd 56, USFS Rd 56 (Lost Park Rd), USFS Trail 609, and USFS Rd 560; on the east by USFS Rd 211 (Matukat Rd.), Park Co Rd 77, US 24; on the south by the South Platte River, Park Co Rds 59, 592, and 23, USFS 234 and Park Co Rd 77; and on the west by US 285.
- UNIT S28

 Vallecito Those portions of Hinsdale, La Plata and San Juan counties bounded on the north by the Continental Divide; on the east by the North Fork Los Pinos River, Los Pinos River, USFS Trail 539 from Divide Lakes, and Weminuche Creek; on the south by the Hinsdale-Archuleta County line, East Creek and the Los Pinos River; and on the west by Vallecito Reservoir (east shoreline)and Vallecito Creek.
- UNIT S29 Alamosa Canyon Those portions of Conejos, Mineral and Rio Grande counties bounded on the north by US 160; on the east by Colo 15; on the south by USFS Rds 255, 240, and 259, USFS Trail 706, USFS Rds 260, 250 and 380; and on the west by the Continental Divide.
- UNIT S30 Conejos River Those portions of Conejos, Archuleta, Mineral and Rio Grande counties bounded on the north by USFS Rds 380, 250, and 260, USFS Trail 706, USFS Rds 259, 240 and 255, and Colo 15; on the east by US 285; on the south by the Colorado-New Mexico state line and the USFS Rio Grande National Forest boundary; and on the west by the Continental Divide.
- UNIT S31 Blanca River Those portions of Archuleta, Conejos and Rio Grande counties bounded on the north by the Mineral-Archuleta County line and USFS Rd 667; on the east by the Continental Divide; on the south by the Colorado-New Mexico state line; and on the west by US 84 and US 160.
- UNIT S32 Georgetown Those portions of Clear Creek, Jefferson, Gilpin, and Boulder counties bounded on the north and east by USFS 149 (Rollins Pass Rd), Gilpin Co Rd 16 (Tolland Rd), Colo 119, and Colo 72; on the south by I-70; and on the west by the Continental Divide.
- UNIT S33

 Lake Fork/Pole Mountain Those portions of Hinsdale and San Juan counties bounded on the north by the Gunnison-Hinsdale County line; on the east by Colo 149; on the south by North Clear Creek, USFS Trail 821 from North Clear Creek to Lost Trail Creek, and Lost Trail Creek; on the south by the Rio Grande River, Stoney Gulch, Cunningham Creek and Colo 110; and on the west by US 550, the Ouray-San Juan County line, the Uncompander-Upper Gunnison River Divide and Big Blue Creek.
- UNIT S34 Rampart Range Those portions of El Paso and Teller counties bounded on the north by USFS Rds 393, 300 and 320; on the east by I-25; and on the south and west by US 24 to Woodland Park.
- UNIT S35 **Greenhorns** Those portions of Pueblo, Huerfano and Custer counties bounded on the north by Colo 96; on the east by I-25; on the south by the Huerfano River; and on the south and west by Colo 69.
- UNIT S36

 Bellows Creek Those portions of Mineral, Rio Grande and Saguache counties bounded on the north by USFS Trail 787; on the east by the Mineral/Saguache county line and an all-terrain vehicle trail also known as the La Garita Stock Driveway, USFS Rd 630 and Rio Grande Co Rds 15 and 18; on the south by US 160 and the Rio Grande River; and on the west by Colo 149 and USFS Rd 504.

- UNIT S37

 St Vrain Those portions of Boulder, Grand and Larimer counties bounded on the north and east by the Rocky Mountain National Park boundary and US 36; on the south by Boulder Co Rds 94, 81, 106, and 95 (Lefthand Canyon Dr), Colo 72 (Peak to Peak Highway), Boulder Co Rd 102 (Brainard Lake Rd), USFS Trail 907 (Pawnee Pass Trail) and USFS Trail 1 (Cascade Creek Trail); and on the west by USFS Rd 125, USFS Trail 102 (Knight Ridge Trail), and the Rocky Mountain National Park boundary.
- UNIT S38 Apishapa Those portions of Huerfano, Pueblo, Otero and Las Animas counties bounded on the north by Colo 10, and US 50; on the east and south by US 350; and on the west by I-25.
- UNIT S39 Mount Silverheels Those portions of Park and Summit counties bounded on the north by the Swan River Rd (Summit Co Rd 6), USFS Rd 6, the Continental Divide and the North Fork of the South Platte River; on the east by US 285, Park Co Rds 77 and 23 (Turner Gulch Rd or USFS Rd 234); on the south by US 24; and on the west by US 285 and Colo 9.
- UNIT S40

 Lone Pine That portion of Larimer Co bounded on the north by Larimer Co Rds 80C and 59 (Cherokee Park Rd), the Wyoming state line; on the east by Larimer Co Rd 37, South Branch Boxelder Creek, Boxelder Creek, Larimer Co Rd 19; on the south by Larimer Co Rd 80, and US 287; and on the south and west by Larimer Co Rds 74E and 162 (Red Feather Lakes-Deadman Rd).
- UNIT S41 **Peru Creek** That portion of Summit Co bounded on the north by I-70; on east by the Continental Divide; on the south by the Swan River Rd (Summit Co Rd 6) and USFS Rd 6; and on the west by Colo 9 and US 6.
- UNIT S42 Waterton Canyon Those portions of Jefferson, Douglas, and Park counties bounded on the north by US 285; on the east by Colo 470, US 85, Colo 67, and USFS Rd 300 (Rampart Range Rd); on the south by USFS Trail 649, Colo 67, Jefferson Co Rd 126 (South Deckers Rd) and USFS Rd 211; and on the west by USFS Rds 560 and 543, and Park Co Rd 68.
- UNIT S43 **Hayman** Those portions of Park, Teller, Douglas, and Jefferson counties bounded on the north by USFS Rd 211 and Jefferson Co Rd 126 (South Deckers Rd); on the east by Colo 67 and Trout Creek; on the south by US 24; and on the west by the Park Co Rd 77 and USFS Rd 211 (Matakat Rd).
- UNIT S44

 Basalt Those portions of Garfield, Eagle and Pitkin counties bounded on the north by USFS Trail 514 (Red Tables Divide Rd) and USFS Trail 1870; on the east by the Crooked Creek Pass Rd (USFS Rd 400); on the south by the Fryingpan River and the Roaring Fork River; and on the west by Garfield Co Rd 100, and the Cottonwood Pass Rd.
- UNIT S45 **Cross Mountain** That portion of Moffat Co bounded on the north and east by Colo 318; on the east and south by US 40; and on the west by the Lilly Park Rd and the Little Snake River.
- UNIT S46 **Dome Rock** That portion of Teller Co bounded on the north by US 24; on the east and south by Colo 67; and on the west by Teller Co Rd 1.
- UNIT S47 **Browns Canyon** Those portions of Chaffee, Fremont and Park counties bounded on the north by US 24; on the east by Kaufman Ridge, Badger Creek, and Fremont Co Rds 2 and 12; and on the south by the Arkansas River and South Arkansas River; and on the west by US 285 and 24.

- UNIT S48 Carrizo Canyon Those portions of Baca and Las Animas counties bounded on the north by US 160; on the east by Baca Co Rd 13 (Pritchett Grade Rd); on the south by the Colorado-New Mexico state line; and on the west by Colo 389.
- UNIT S49

 Grape Creek\Copper Ridge Those portions of Custer and Fremont counties bounded on the north by the Arkansas River, the Fremont Co Rd 12 Bridge, and US 50; on the east by Colo 67; on the south by Colo 96; and on the west by Colo 69, Fremont-Custer and Fremont-Saguache Co lines, USFS Rd 6 (Hayden Pass Rd), and Fremont Co Rd 6.
- UNIT S50 **Mount Mestas** Those portions of Huerfano and Costilla counties bounded on the north by Huerfano Co Rd 550, Colo 69 and the Huerfano River; on the east by I-25; on the south by US 160; and on the west by the Pass Creek Rd.
- UNIT S51 Spanish Peaks Those portions of Huerfano, Costilla and Las Animas counties bounded on the north by US 160; on the east by I-25; on the south by the Colorado-New Mexico state line; and on the west by the Huerfano-Costilla Co line and farther south by the Southern Sangre de Cristo Divide (Culebra mountain range).
- UNIT S52

 Rock Creek Those portions of Gunnison, Saguache and Hinsdale counties bounded on the north by BLM Rds 3035, 3036 (Cebolla Creek Rd) 3047 (Huntsman Gulch Rd) and 3043; on the east by USFS Rd 806; on the south by USFS Rd 788 (Los Pinos Pass Rd) , Saguache Co Rd KK-14, Hinsdale Co Rds 45, 15 and 5; and on the south and west by the Powder Horn Primitive Area boundary, USFS Trail 462, the East Fork of Powderhorn Creek, and Powderhorn Creek.
- UNIT S53

 Bristol Head Those portions of Mineral and Hinsdale counties bounded on the north by North Clear Creek, Colo 149, and USFS Trails 473 and 787; on the east by USFS Trail 803 and USFS Rd 507; on the south by Colo 149, and the Rio Grande River; and on the west by Lost Trail Creek.
- UNIT S54 **Dillon Mesa** That portion of Gunnison Co bounded on the north by Gunnison Co Rd 12; on the east by Colo 135; on the south by US 50, the Gunnison River, Blue Mesa Reservoir, and Colo 92; and on the west by Curecanti Creek, Curecanti Pass, and Coal Creek.
- UNIT S55

 Natural Arch-Carnero Creek Those portions of Rio Grande and Saguache counties bounded on the north by Colo 114; on the east by US 285; on the south by Colo 112 and US 160; and on the west by Rio Grande Co Rds 18 and 15, USFS Rd 630, and USFS Trail 787, the all terrain vehicle trail also known as the La Garita Driveway, La Garita Wilderness Area boundary, USFS Rd 787 and the Continental Divide.
- UNIT S56 **Black Ridge** That portion of Mesa Co bounded on the north by the Colorado River and US 50; on the east by US 50; on the east and south by Colo 141 and the Dolores River; and on the west by the Colorado-Utah state line.
- UNIT S57

 Big Thompson Those portions of Larimer and Boulder counties bounded on the north by Larimer Co Rd 44H (Buckhorn Rd), Stove Prairie Rd (Larimer Co Rd 27), Larimer Co Rds 52E (Rist Canyon Rd) and 54G; on the east by US 287; on the south by Colo 66 and US 36; and on the west by the Rocky Mountain National Park boundary, USFS Trails 980 (Stormy Peaks Trail), and 928 (Signal Mountain Trail) and the divide between Pennock Creek and Elk Creek.
- UNIT S58 Lower Poudre That portion of Larimer Co bounded on the north by Larimer

Co Rd 74E (the Red Feather Lakes Rd) on the east by US 287 and Larimer Co Rd 54G; on the south by Larimer Co Rd 52E (Rist Canyon Rd), Stove Prairie Rd (Larimer Co Rd 27), and Larimer Co Rd 44H (Buckhorn Rd); and on the west by Larimer Co Rd 63E (Pingree Park Rd), Colo 14, Elkhorn Creek, and Larimer Co Rd 68 (Boy Scout Ranch Rd).

UNIT S59

Derby Creek - Those portions of Rio Blanco, Routt, Eagle and Garfield counties bounded on the north by USFS Trails 1103, 1116 and 1117, USFS Rds 959 and 16, Routt Co Rds 132 and 15; on the east by Colorado Colo 131; on the south by the Eagle River, the Colorado River and Deep Creek; and on the west by the Colorado River-White River divide, and the White River-Yampa

River divide.

- UNIT S60 Shelf Rd Those portions of Teller, Fremont and Park counties bounded on the north by Park Co Rds 59 and 102 and Teller Co Rds 112, 11, and 1; on the east by Colo 67, Teller Co Rd 86 and Fremont Co Rd 67; on the south by US 50; and on the west by Colo 9.
- UNIT S61 **Purgatory Canyon** Those portions of Otero, Bent and Las Animas counties bounded on the north by US 50; on the east by Colo 109; on the south by US 160; and on the west by US 350.
- UNIT S62 **Dominguez Creek** Those portions of Delta, Mesa, Montrose and Ouray counties bounded on the north by Colo 141; on the east by Colo 50; on the south by Colo 90; and on the west by USFS Rd 402 (Divide Rd).
- UNIT S63 Middle Dolores River Those portions of Montrose and San Miguel counties bounded on the north by Colo 90; on the east by Monogram Mesa Rd (Montrose Co Rd DD 19 and San Miguel Co Rds 18Y, U29 and 25R); on the south by Colo 141, and the Big Gypsum Valley Rd (San Miguel Co Rd 20R, Dolores River and McIntyre Canyon); and on the west by the Colorado-Utah state line.
- UNIT S64

 Upper Dolores River Those portions of San Miguel, Dolores and Montezuma counties bounded on the north by McIntyre Canyon, Dolores River, San Miguel Co Rd 20.R (Big Gypsum Valley Rd), Colo 141 and Disappointment Valley Rd (San Miguel Co Rd 19.Q and Dolores Co Rd D.00); on the east by USFS Rd 526 (Norwood-Dolores Rd) and Colo 145; on the south by Colo 184 and US 491; and on the west by the Colorado-Utah state line.
- UNIT S65: Costilla That portion of Costilla Co bounded on the north by the Alamosa-Costilla and Huerfano-Costilla Co lines; on the east by the Huerfano-Costilla Co line and farther south by the southern Sangre de Cristo Divide (Culebra Mountain Range); on the south by the Colorado-New Mexico state line; and on the west by Colo 159 and US 160.
- UNIT S66

 Mount Elbert That portion of Lake and Pitkin counties bounded on the north by the North Fork Fryingpan River, and Mormon Creek and the Continental Divide; on the east by US 24; on the south by Colo 82; and on the west by Lost Man Creek, over ridge from Lost Man Creek to South Fork Fryingpan River, South Fork Friyingpan River, and Fryingpan River.
- UNIT S67 Flattops Those portions of Rio Blanco and Garfield counties bounded on the north by the Williams Fork River-White River divide; on the east by the White River-Yampa River divide and the White River-Colorado River divide; on the south by the South Fork of the White River-Colorado River divide; and on the west by USFS Rd 245, Rio Blanco Co Rds 17 (Buford-Newcastle Rd) and 8, and USFS Rd 250.

- UNIT S68

 Northern Sangre de Cristos Those portions of Chaffee, Fremont and Saguache counties bounded on the north by the South Arkansas River and the Arkansas River; on the east by Fremont Co Rd 6 and USFS Rd 6 (Hayden Pass Rd); on the south by the Fremont-Custer and Fremont-Saguache Co lines, USFS Rd 970 (Hayden Pass Rd), and Saguache Co Rd LL 57; and on the west by US 285.
- UNIT S69

 Cochetopa Those portions of Gunnison and Saguache counties bounded on the north by the Gunnison River and US 50, on the east by Gunnison Co Rd 45 and Saguache Co Rd 14-PP (Doyleville Cut-off Road), Razor Creek and USFS Rd 803 (Gismo Creek and Meyer's Gulch Rd), Colo 114 and the Continental Divide; on the south by Saguache Co Rds NN-14 and KK-14; and on the west by USFS Rd 806 and South Beaver Creek.
- UNIT S70

 Fossil Ridge That portion of Gunnison Co bounded on the north by the New Mexico Principal Meridian/6th Principal Meridian divide; on the east by USFS Rd 765, Gunnison Co Rd 76, USFS Rd 763 (Waunita Pass Rd) and Gunnison Co Rd 887 (Waunita Hot Springs Rd); on the south by US 50; and on the west by Gunnison Co Rd 76, BLM Rd 3103 (North Parlin Flats), USFS Rd 583 and the western Fossil Ridge Wilderness boundary.
- UNIT S71 West Needles Those portions of San Juan and La Plata counties bounded on the north by the San Miguel-Ouray Co line, US 550, Colo 110, Cunningham Gulch, and the Continental Divide; on the east by Vallecito Creek and the Los Piños River; on the south by US 160; and on the west by the Montezuma-La Plata and Montezuma- Dolores Co lines.
- UNIT S72 **Greenland** That portion of Douglas Co bounded on the north by Wolfensberger Rd, Wilcox Street, and Colo 86; on the east by Colo 83; on the south by Palmer Divide Rd; and on the west by Colo 105.
- UNIT S73

 Mount Zirkel Those portions of Jackson and Routt counties bounded on the north by the Mount Zirkel Wilderness boundary, USFS Trail 1125, USFS Rd 660, and Big Creek Rd (USFS Rd 600); on the east by Jackson Co Rds 6W, 7, 12W, 18, and 5; on the south by Jackson Co Rd 24, and the Buffalo Pass Rd (USFS Rd 60); and on the west by the boundary of the Mount Zirkel Wilderness Area.
- UNIT S74 Glenwood Canyon Those portions of Garfield and Eagle counties bounded on the north by the South Fork White River-Colorado River Divide and Deep Creek; on the east and south by the Colorado River; and on the west by Canyon Creek.
- UNIT S75

 Main Canyon Those portions of Mesa, Garfield and Rio Blanco counties bounded on the north by the Colorado River-White River divide; on the east by the Roan Creek-Parachute Creek divide and Kelly Gulch; on the south by the Colorado River; and on the west by the Bookcliffs, the Little Salt Wash-Roan Creek divide, the Big Salt Wash-Roan Creek divide, and the East Salt Creek-Roan Creek divide.
- UNIT S76

 Holy Cross Those portions of Eagle and Pitkin counties bounded on the west and north by the Holy Cross Wilderness area, West Grouse Creek, and USFS Trail 2129 and USFS Rd 733; on the east by US 24; on the south by the Continental Divide; and on the west by the Fryingpan River-Eagle River divide.
- UNIT S77 **Gore Canyon** Those portions of Grand, Eagle, Summit and Routt counties bounded on the north by Colo 134; on the east by US 40, Colo 9 and the Blue

River; on the south by Elliott Creek, Hoagland Reservoir, the North Fork of Elliott Creek, Elliott Ridge/Arapaho/White River NF boundary, Eagles Nest Wilderness boundary, Piney Ridge, Elk Creek, and the Colorado River to State Bridge; and on the west by Colo 131.

- UNIT S78 **Ten Mile** Those portions of Summit and Eagle counties bounded on the north by Resolution Creek Road (USFS Rd 702), Resolution Creek, Ptarmigan Pass, Wilder Gulch and I-70; on the east by Colo 9; on the south by the Continental Divide; and on the west by US 24.
- UNIT S79 **Pueblo West** That portion of Pueblo and Fremont counties bounded on the north by US 50; on the east by Colo 45; on the south by Colo 96; and on the west by Colo 67.
- UNIT S80 **Black Canyon** Those portions of Delta, Gunnison, and Montrose counties bounded by the Gunnison Gorge National Conservation Area, Black Canyon of the Gunnison National Park, and Curecanti National Recreation Area south and west of Colo 92.
- UNIT S81 Lower Lake Fork, Gunnison River That portion of Gunnison Co bounded on the north by US 50 and Blue Mesa Reservoir; on the east by Colo 149; on the south by Colo 149; and on the southwest and west by Gunnison Co Rd 25.
- UNIT S82 **Cold Springs** That portion of Moffat Co bounded on the north by the Colorado-Wyoming state line; on the east by Moffat Co Rd 10N (Irish Canyon Rd), Colo 318 and Moffat Co Rd 10; on the south by Moffat Co Rd 34 and the Green River; and on the west by the Colorado-Utah state line.
- UNIT S83 **Rocky Mountain National Park** Those portions of Larimer, Boulder and Grand counties within the boundaries of Rocky Mountain National Park, except for Twin Sisters Mountain.
- UNIT S84 **Mesa Verde** That portion of Montezuma and La Plata counties bounded on the north by US 160; on the east by Colo 140; on the south by the Colorado-New Mexico state line; and on the west by US 491.
- UNIT S85 **Dinosaur Monument** That portion of Moffat Co bounded on the north by the Dinosaur National Monument boundary, the Green River and Moffat Co Rd 34; on the east and south by Dinosaur National Monument (containing the Green River); and on the west by the Colorado-Utah state line.

FINAL REGULATIONS - CHAPTER W-2 - BIG GAME

ARTICLE I - GENERAL PROVISIONS

#200 - DEFINITIONS

See also §33-1-102 C.R.S. and Chapter 0 of these regulations for other applicable definitions.

- A. "Antlered" means any deer, elk, or moose with an antler or antlers of at least five (5) inches in length as measured on the outside curve of the antler from the skull to the tip.
- B. "Antlerless" means any deer, elk, or moose; including fawn deer and calf elk or moose; without antlers or with antlers of less than five (5) inches in length.
- C. "Antler Point" means a projection of the antler at least one (1) inch long and which is longer than the width of its base.

D. Bighorn Sheep:

- 1. "One-half (1/2) curl ram" means: A male sheep with a horn or horns that have one (1) or both tips grown at least through one-half (1/2) or 180 degrees of a circle to be measured by first establishing a reference line which bisects the eye and the base of the ear; and which has horn tips which have grown at least as far as the projection of this reference line.
- 2. "Three-quarter (3/4) curl ram" means: A male sheep with a horn or horns that have one or both tips grown at least through three-quarters (3/4) or 270 degrees of a circle to be measured by first establishing a reference line which bisects the eye and the base of the ear; then by establishing a line which intersects the reference line at the base of the ear, and is perpendicular thereto; and which has horn tips which have grown at least as far as the downward projection of the perpendicular line.
- 3. "Ewe" means: any female sheep having a horn or horns of at least five (5) inches in length as measured on the outside curve of the horn from the skull to the tip.
- E. "Brow tine" means a projection of the antler at least five (5) inches long located on the lower half of the antler.
- F. "Buck" means any pronghorn with a black cheek patch and a horn or horns of at least five (5) inches in length as measured on the outside curve of the horn from the skull to the tip, excluding any prong or point occurring between base (skull) and tip.
- G. "Doe" means any pronghorn; including fawn pronghorn; without horns, or with a horn or horns of less than five (5) inches in length.
- H. "Game Management Objectives" means specific data analysis unit (DAU) objectives relative to long- term population and/or sex ratio objectives.
- I. "Intermingled Lands" means lands where: 1) private land deeded to one landowner completely surrounds public land, or 2) public land is intermingled with private lands owned by a landowner where a quantified access component exists, the landowner possesses some ability to affect game management on the adjacent public land, and the issuance of licenses valid on both private and public lands would help to achieve game management objectives.

1

- J. "Habitat Evaluation Committee (HEC)" means local advisory committees established in units where the Wildlife Landowner Conservation pilot program is implemented.
- K. Definitions related to Landowner Preference Program.
 - 1. "Agricultural Land" means lands classified for the purposes of taxation as agricultural.
 - 2. "Broker" means for a third party to transfer a voucher for compensation or any other consideration, or otherwise arrange for such transfer, on behalf of the landowner, or land manager or on behalf of any individual.
 - 3. **"Land manager"** means an individual designated in writing by the landowner who is 1) a ranch manager, property manager, business partner, employee, or relative of the landowner who has control of the property or 2) a licensed outfitter or other individual who has entered into a written agreement with the landowner for control of the hunting operations on the property, and who has a working knowledge of the property, including but not limited to, boundaries and access points.
 - 4. **"Landowner**"- means a person that owns private agricultural land in Colorado, as shown by a recorded deed.
 - 5. "**Transfer**"- means to buy, sell, assign, trade, exchange, acquire or otherwise arrange to buy, sell, assign, trade, exchange, acquire or dispose of a voucher.
 - 6. "Immediate family"- means the landowner's spouse, parents, grandparent, children, grandchildren, and sibling including in-law and step relations.
 - 7. "Voucher"- means a document issued by the division, authorizing the landowner or any individual to whom the document is lawfully transferred to purchase a hunting license for the unit, species, sex and season printed on the document.
 - 8. **"Landowner Preference Program"** means the license preference program for owners of private agricultural land established by § 33-4-103, C.R.S., and any implementing regulations adopted pursuant thereto.

#201 - LICENSE FEES

A. Big Game License Fees

1. Nonresident Big Game Licenses

I In accordance with the provisions of §33-4-102, C.R.S., nonresident big game fees for the year 2015 shall be as follows:

Nonresident License Type	2015 License Fee	2016 Statutory Maximum License Fee*	2016 License Fee**
Pronghorn			
	\$370	\$375.05	\$375
Deer			
	\$370	\$375.05	\$375
Elk			
	\$615	\$625.08	\$625
Bear			
	\$615	\$625.08	\$625
Mountain lion			
	\$615	\$625.08	\$625

Moose			
	\$2,060	\$2,083.60	\$2,080
Mountain goat			
-	\$2,060	\$2,083.60	\$2,080
Rocky Mountain bighorn sheep			
	\$2,060	\$2,083.60	\$2,080
Desert bighorn sheep			
	\$1,375	\$1,389.07	\$1,385

^{*}Based on cumulative Consumer Price Index increase since 2000.

2. Nonresident License Fee Reduction:

In accordance with the provisions of §33-4-102, C.R.S., the following nonresident big game license fees shall be reduced to the fee specified herein, from the level set forth in §33-4-102, C.R.S.:

Nonresident License Type	2015 License Fee	2016 License Fee
Nonresident Bear	\$350.00	\$350.00
Nonresident Mountain Lion	\$350.00	\$350.00
Nonresident Antlerless Elk	\$460.00*	\$465.00*

Nonresident Antlerless Elk license fee is set at 75% of Elk Nonresident License Fee rounded down to the nearest \$5.00 increment, in whole numbers.

- B. Combination Big Game/Annual Fishing Licenses for Nonresidents
 - 1. Big game licenses issued to non-residents shall be issued as combination Big Game/Annual Fishing licenses, and for each such combination license purchased each year by a nonresident \$10 of the above license fee shall be allocated to the fishing portion of such combination license.

#202 - HUNTING HOURS

A. Big game may be taken from one-half (1/2) hour before sunrise to one-half (1/2) hour after sunset.

#203 - MANNER OF TAKE

See also #000 in Chapter 0 of these regulations for other applicable manner of take definitions.

- A. The following are legal methods of take for all species and seasons listed in this chapter, except as otherwise noted. Any method of take not listed herein shall be prohibited, except as otherwise provided by statute or these regulations:
 - 1. Rifles using center-fire cartridges of .24 caliber or larger, having expanding bullets of at least seventy (70) grains in weight, except for elk and moose where the minimum bullet

^{**}Adjusted after application of Consumer Price Index by rounding down to the nearest \$5.00 increment, in whole numbers.

a. All licenses sold through March 2016 shall be sold at 2015 license fees.

weight is eighty-five (85) grains, and with a rated impact energy one hundred (100) yards from the muzzle of at least one thousand (1000) foot pounds as determined by the manufacturer's rating, and except for mountain lion where any center-fire rifle using bullets of at least 45 grains and producing at least 400 foot pounds of energy at the muzzle may be used. Provided further that any semiautomatic rifle used shall not hold more than six (6) rounds in the magazine and chamber combined. A fully automatic rifle is prohibited.

- 2. Muzzle-loading rifles and smoothbore muskets, provided the minimum caliber shall be forty (.40) for all big game except elk and moose. The minimum caliber for elk and moose shall be fifty (.50). All muzzle-loading rifles and smoothbore muskets from forty (.40) caliber through fifty (.50) caliber must use a bullet of at least 170 grains in weight. All muzzle-loading rifles and smoothbore muskets greater than fifty (.50) caliber must use bullets of at least 210 grains in weight.
 - a. During the muzzle-loading firearms seasons for deer, elk, pronghorn, bear, and moose only lawful muzzle-loaders and smoothbore muskets may be used by muzzle-loading license holders.
 - b. During the muzzle-loading firearm seasons for deer, elk, pronghorn, bear, and moose the following additional restrictions apply:
 - 1. Propellent/Powders: The use of pelletized powder systems and smokeless powder are prohibited.
 - 2. Projectiles: Sabots are prohibited. For the purposes of this regulation cloth patches are not sabots.
 - 3. Loading: Firearms must load from the muzzle. Firearms which can be loaded from the breech are prohibited.
 - 4. Sights: Any muzzle-loading rifle or smoothbore musket with any sighting device other than open or "iron" sights is prohibited.
 - 5. Electronic or battery-powered devices cannot be incorporated into or attached to the muzzle-loading firearm.
- 3. Handheld bows, including compound bows, using arrows equipped with a broadhead with an outside diameter or width of at least 7/8ths of an inch with no less than two steel cutting edges. Each cutting edge must be in the same plane throughout the length of the cutting surface.
 - a. During the archery seasons for deer, elk, pronghorn, bear, sheep, goat, and moose, only lawful hand-held bows may be used by archery license holders.
 - b. Bows must have a minimum draw weight of 35 pounds. The let-off percentage shall not exceed 80%.
 - c. No portion of the bow's riser (handle) or any track, trough, channel, arrow rest or other device, excluding the cable(s) and bowstring, that attaches to the bow's riser can contact, support and/or guide the arrow from a point rearward of the bow's brace height.
 - d. Bows can propel only a single arrow at a time and no mechanism for automatically loading arrows is allowed.

- e. Equipment using scopes, electronic or battery-powered devices cannot be incorporated into or attached to the bow or arrow, with the exception of lighted nocks on arrows and recording devices on bows that cast no light towards the target and do not aid in range finding, sighting, or shooting the bow.
- f. Hydraulic or pneumatic technology cannot be used to derive or store energy to propel the arrow. Explosive arrows are prohibited.
- 4. Shotguns, no smaller than twenty (20) gauge and firing a single slug.
- 5. Crossbows, provided the minimum draw weight is at least one hundred twenty-five (125) pounds and has a minimum draw length of fourteen (14) inches as measured from the front of the bow to the nocking point of the draw string and contain a positive mechanical safety device. In addition, the bolt must be at least sixteen (16) inches in length equipped with a broadhead with an outside diameter or width of at least 7/8th of an inch with no less than two steel cutting edges and each cutting edge must be in the same plane throughout the length of the cutting surface.
 - a. Crossbows are not legal during the archery seasons for deer, elk, pronghorn, bear, sheep, goat, and moose.
- 6. Handguns, provided they have a minimum barrel length of four (4) inches and comply with the following criteria:
 - a. Except for mountain lion, use a .24 caliber or larger diameter expanding bullet with a rated impact energy of at least 550 ft. pounds at 50 yards as determined by the manufacturer.
 - b. For mountain lion only, use a centerfire handgun using bullets of at least 45 grains and producing at least 400 foot pounds of energy at the muzzle, as determined by the manufacturer.

#204 - VACANT

#205 - ANNUAL BAG LIMITS AND MAXIMUM NUMBERS OF LICENSES PER PERSON

A. Deer, elk, pronghorn, black bear, mountain lion, moose, rocky mountain bighorn sheep, and mountain goat

The annual bag and possession limit for deer, elk, pronghorn, black bear, mountain lion, rocky mountain bighorn sheep, and mountain goat shall be the total number of animals taken on all licenses which can be legally obtained by the hunter for each species during that license year, as established in the following lists. Big game taken during a hunting season established as a portion of the preceding license year's hunting seasons shall be counted as part of the preceding year's bag limit. When a license allows hunting in more than one Game Management Unit, the unit listed in the hunt code on the license shall determine the maximum number of annual licenses a license holder may obtain for that species.

Notwithstanding the ("List A," "List B," "List C") license categories set forth in this regulation, any license that is administratively converted to a private-land-only license as part of the Landowner Preference Program will retain the ("List A," "List B," "List C") status of its original hunt code.

1. Deer

a. One License - Any hunter may obtain one deer license.

- b. Two Licenses A hunter may obtain two deer licenses if at least one of them is:
 - 1. a private land only antlered license for GMUs 29, 38, 51, 391 and 461.
 - 2. a private land only antlerless license,
 - 3. an over-the-counter either-sex whitetail only license,
 - 4. an either-sex whitetail only license, except Ranching for Wildlife license, for GMUs 59, 69, 84, 581,
 - an antlerless whitetail only license, except Ranching for Wildlife license, or
 - 6. an antierless license, except for Ranching for Wildlife license, for GMUs 15, 18, 20, 25, 26, 27, 28, 29, 30, 33, 34, 35, 36, 37, 41, 42, 43, 44, 45, 47, 181, 361, 371, 421, 444, 471.
 - a license issued for hunt code DE089S2R or DE093S2R.
- Any Number of Licenses A hunter may also obtain any number of the following deer licenses:
 - 1. an auction license,
 - 2. a raffle license.
 - 3. a game damage license,
 - 4. a special population management license (except that a hunter may not purchase more than one extra antlerless Ranching for Wildlife license as provided in #271(A)(2)), a special allocation Ranching for Wildlife license for donation to youths or hunters with mobility impairments,
 - 5. a disease management license,
 - 6. a replacement license for an animal found CWD positive,
 - 7. a rewards program license (except that a hunter may not be issued more than one Turn In Poachers (TIPS) license per year, as provided in #002(J).
 - 8. a Youth Outreach license, as provided in #206(B)(4)(d).
 - a license issued for hunt code DF029P5R, DF056L1R, DF085P5R, DF089S2R, DF091S3R, DF092S3R, DF093S2R, DF096S3R, DF096S5R, DF101S2R, DF104L3R, or DF481L1R.

2. Elk

- a. One License Any hunter may obtain one elk license.
- b. Two Licenses A hunter may obtain two elk licenses if at least one of them is
 - 1. a private land only antlerless license,

- 2. an over the counter antlerless archery license,
- 3. an antlerless license, except for Ranching for Wildlife license, issued for GMUs 1, 2, 3, 4, 5, 6, 10, 11, 12, 13, 14, 15, 16, 17, 18, 21, 22, 23, 24, 25, 26, 27, 28, 30, 31, 32, 33, 34, 35, 36, 37, 40, 41, 42, 43, 44, 45, 47, 50, 52, 54, 59, 82, 83, 85, 86, 131, 133, 134, 140, 141, 142, 161, 171,181, 201, 211, 214, 231, 301, 361, 371, 411, 421, 441, 444, 471, 500, 501, 511, 512, 521, 581, 591, 682, 691, 791, 851, or 861,
- 4. a license issued for hunt code EE082P5R, EM682P5R, or EM682P6R.
- c. Any Number of Licenses A hunter may also obtain any number of the following elk licenses:
 - 1. antlerless private land only license for GMUs 391 or 461,
 - 2. any over the counter either-sex license, except archery license, issued for GMUs 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101, 102, 103, 105, 106, 107, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 129, 130, 132, 135, 136, 137, 138, 139, 143, 144, 145, 146, 147, or 951,
 - 3. a license issued for hunt code EF003E1R, EF020L3R, or EF128L1R,
 - 4. an auction license,
 - 5. a raffle license,
 - 6. a game damage license,
 - 7. a special population management license (except that a hunter may not purchase more than one extra antlerless Ranching for Wildlife license as provided in #271(A)(2)), a special allocation Ranching for Wildlife license for donation to youths or hunters with mobility impairments,
 - 8. a disease management license.
 - 9. a replacement license for an animal found CWD positive,
 - 10. a rewards program license (except that a hunter may not be issued more than one Turn In Poachers (TIPS) license per year, as provided in #002(J).
 - 11. a Youth Outreach license, as provided in #206(B)(4)(d).

3. Pronghorn

- a. One license Any hunter may obtain one pronghorn license.
- b. Two licenses A hunter may obtain two pronghorn licenses if at least one of them is:
 - 1. a private land only license,

- 2. a doe license, except for Ranching for Wildlife license, issued for GMUs 105, 106, 107, 109, 110, 111, 112, 113, 114, 115, 116, 117,118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, 146 or 147,
- c. Any Number of Licenses A hunter may also obtain any number of the following pronghorn licenses:
 - 1. an auction license,
 - 2. a raffle license,
 - 3. a game damage license, if available,
 - 4. a special population management license, a special allocation Ranching for Wildlife license for donation to youths or hunters with mobility impairments,
 - 5. a disease management license, if available,
 - 6. a rewards program license (except that a hunter may not be issued more than one Turn In Poachers (TIPS) license per year, as provided in #002(J).
 - 7. a Youth Outreach license, as provided in #206(B)(4)(d).

4. Bear

- a. One license Any hunter may obtain one bear license.
- b. Two licenses A hunter may obtain two bear licenses if at least one of them is a private land only license or a bear license in GMUs 35, 36, 43, 44, 45, 47, 361, 444, or 471.
- Any Number of Licenses A hunter may also obtain any number of the following bear licenses:
 - 1. a game damage license, if available,
 - 2. a disease management license, if available,
 - 3. a rewards program license (except that a hunter may not be issued more than one Turn In Poachers (TIPS) license per year, as provided in #002(J),
 - 4. a special population management license, a special allocation Ranching for Wildlife license for donation to youths or hunters with mobility impairments.
 - 5. a license issued for hunt code BE087U5R,

5. Moose

a. One License - Any hunter may obtain one moose license. The lifetime bag limit for antlered moose is one, except when taken on an auction or raffle license.

Any person who harvests an antlered moose shall be ineligible to draw either an antlered or either-sex license.

- b. Any Number of Licenses A hunter may also obtain any number of the following moose licenses:
 - 1. an auction license,
 - 2. a raffle license,
 - 3. a game damage license, if available,
 - 4. a special population management license, a special allocation Ranching for Wildlife license for donation to youths or hunters with mobility impairments,
 - 5. a disease management license, if available,
 - 6. a replacement license for an animal found CWD positive,
 - 7. a rewards program license (except that a hunter may not be issued more than one Turn In Poachers (TIPS) license per year, as provided in #002(J).

6. Mountain Lion

- a. One License Any hunter may obtain one mountain lion license.
- b. Any Number of Licenses A hunter may also obtain any number of the following mountain lion licenses:
 - 1. a game damage license, if available,
 - 2. a disease management license, if available,
 - 3. a rewards program license (except that a hunter may not be issued more than one Turn In Poachers (TIPS) license per year, as provided in #002(J).

7. Bighorn Sheep

- One License Any hunter may obtain one rocky mountain bighorn sheep license or one desert bighorn sheep license. The lifetime bag limit for desert bighorn sheep is one. Provided further that application restrictions in regulation #206 apply.
- b. Any Number of Licenses A hunter may obtain any number of the following bighorn sheep licenses:
 - 1. an auction or raffle license for rocky mountain bighorn sheep,
 - 2. a special bighorn sheep management license, a special allocation Ranching for Wildlife license for donation to youths or hunters with mobility impairments,

- 3. a disease management license, if available,
- 4. a rewards program license (except that a hunter may not be issued more than one Turn In Poachers (TIPS) license per year, as provided in #002(J).

8. Mountain Goat

- a. One License Any hunter may obtain one mountain goat license. Provided further that application restrictions in regulation #206 apply.
- b. Any Number of Licenses A hunter may obtain any number of the following mountain goat licenses:
 - 1. an auction or raffle license for mountain goat,
 - 2. a special mountain goat management license, if available,
 - 3. a disease management license, if available,
 - 4. a rewards program license (except that a hunter may not be issued more than one Turn In Poachers (TIPS) license per year, as provided in #002(J).
- B. Exceptions to Bag Limit Calculation The following big game animals shall not be counted against an annual bag and possession limit for that species:
 - 1. Accidental Hunter Take: Any big game animal accidentally taken by a hunter, provided that prior to any further hunting the individual self-reports the incident to the Division as soon as practicable and the Division verifies the claim of accidental kill. For the purposes of this regulation an "accidental kill" means any unintentional taking of wildlife not resulting from carelessness or negligence on the part of the hunter.
 - a. Determination of whether the taking involves carelessness or negligence shall be based on a consideration of the totality of circumstance surrounding the taking including but not necessarily limited to, number of shots fired, number of animals present, number of animals killed or wounded, type of firearm or ammunition used, angle and distance of shot, species of animal, topography, ground cover, and light or weather conditions.
 - 2. Accidental Vehicle Kills: Any big game animal accidentally killed by a motor vehicle or train shall not be counted against an annual bag limit for that species.
 - 3. Damage Kills: Any big game animal causing damage and taken under the authority of §33-3-106 C.R.S.
 - 4. Southern Ute Tribal Lands: Any big game animal taken on a Southern Ute Tribal Lands permit.

#206 - APPLICATIONS AND DRAWINGS FOR LIMITED LICENSES

A. Exceeding of Quota: The Division shall only exceed the number of licenses authorized by the Commission:

- 1. If there is proof of Division error in the application for or issuance of a limited license, provided that the director or his designee determines there will be no detrimental impact to the subject wildlife population.
- 2. To issue licenses to hunters with mobility impairments or United States Armed Services Wounded Warrior hunters, who qualify for such licenses in accordance with regulation #206(B)(4)(e) or #206(B)(4)(f), provided there is no detrimental impact to the established herd population and sex ratio objectives. For each of these two programs:
 - no more than 100 limited antlerless deer, 100 limited doe pronghorn, and 200 limited antlerless elk licenses may be issued each year.
 - no more than 100 total antiered or either-sex licenses for deer or elk and buck pronghorn licenses in the aggregate may be issued each year.

Provided further, that limited license numbers for wildlife ranching properties cannot exceed the levels established by the Division and the landowner on the Ranching for Wildlife Seasons Form.

- B. Application and Drawing Provisions and Restrictions:
 - 1. General Provisions and Restrictions
 - a. Number of Applications: No person may submit more than one application per year for the regular drawing process for a limited license for any big game species, nor more than one application per year for a leftover limited license for any species.
 - b. Additional Choice Applications: Any additional choice on any application must be for the same species as the first choice.
 - c. Valid Applications: Only complete and correct application forms will be accepted. Any forms involved in a violation of (a) or (b) above will be considered to be incorrect. Any incorrect application by one member of a group will invalidate the entire application.
 - d. Group Applications: Group applications are accepted for the regular drawing for all species except moose and desert bighorn sheep, with no limit on the number of applicants per group except as follows:

Bighorn Sheep 2 applicant maximum

Mountain Goat 2 applicant maximum

Provided further that residents and nonresidents may not apply for the sheep or mountain goat on same group application.

- e. Ranching for Wildlife: Non-residents are not eligible to apply for public Ranching for Wildlife licenses for any big game species.
- f. Bighorn Sheep Access Program: Non-residents are not eligible to apply for public Bighorn Sheep Access Program licenses.

2. Restrictions by Species

a. Bighorn Sheep: Any person who harvests a Rocky Mountain bighorn sheep ram, one-half (½) curl or larger, except one taken on a Division auction or raffle license or a license issued in accordance with regulation #271 or #272, shall not

be eligible to apply for, or participate in the drawing for a Rocky Mountain bighorn sheep ram license for the five years following the year in which the harvest occurred. During this five year period a person may apply for a ewe license, but if unsuccessful will not receive preference points or chances. Any person who harvests a desert bighorn sheep, shall never again be eligible to apply for or participate in a desert bighorn sheep license drawing.

- b. Mountain Goat: Any person who harvests a mountain goat, except one taken on an auction or raffle license, a special goat management license, or a license issued in accordance with regulation #271 or #272, shall not be eligible to apply for or participate in the drawing for a mountain goat license for the five years following the year in which the harvest occurred.
- c. Moose: Any person who harvests an antlered moose, except one taken on an auction or raffle license, or a license issued in accordance with regulation #271 or #272 shall never again be eligible to apply for or participate in an antlered or either-sex moose license drawing.

3. Application Submittal

- a. Applications for limited licenses will be accepted only on application forms provided by the Division.
- b. Each application form, along with a single accompanying payment in the form of a check or money order, must be submitted in a separate envelope addressed according to the species for which application is enclosed. Payment shall include the license fee, a \$3.00 non-refundable application fee, a \$.75 public education fund fee and a \$.25 fee designated for search and rescue operations.
- c. Applications for the regular drawing must be mailed to the following addresses by species, and postmarked no later than midnight on the first Tuesday in April, annually:

Deer PO Box 173313, Denver, CO 80217

Elk PO Box 173314, Denver, CO 80217

Pronghorn PO Box 173315, Denver, CO 80217

Bighorn Sheep PO Box 173757, Denver, CO 80217

Mountain Goat PO Box 173758, Denver, CO 80217

Black Bear PO Box 173761, Denver, CO 80217

Moose PO Box 173782, Denver, CO 80217

4. Preference Systems

Note: see also §33-4-103, C.R.S.

- a. Landowner Preference: General Provisions
 - 1. Preference for hunting licenses under the Landowner Preference Program shall only be given to eligible landowners who apply using the

Landowner registration form(s) provided by the division. Only complete and correct registration forms will be accepted. Except for the carryover registration provided in § 33-4-103(2)(c), C.R.S., registration in the Landowner Preference Program is valid for 5 years. All landowners shall re-register their properties every 5 years (or on or before July 1, 2016 for carryover registrations) to continue participation, if desired, in the Landowner Preference Program.

- 2. As a condition of registration and participation in the Landowner Preference Program, landowners shall provide and maintain accurate ownership information with the division for all lands registered in the Program. During the statutory period of carryover registration provided in §33-4-103(2)(c), C.R.S., and any five-year registration period, landowners shall notify the division of any changes to required registration information in writing within 30 days.
- 3. Landowner preference is species specific and available only in units that are totally limited for all rifle licenses for deer, elk or pronghorn and vouchers will be allocated to eligible landowners by unit, species, sex and season. In units where vouchers remain after the initial allocation, eligible landowners may apply for the unused vouchers and shall pay \$25 for each reallocated female (antlerless/doe) and \$40 for each eithersex or male (antlered/buck) voucher. Unsuccessful applicants will receive a refund check.
- 4. Vouchers not otherwise allocated to landowners as part of the Landowner Preference Program shall be made available as licenses to the general public in the remaining limited licenses draws or sales.
- All landowners and hunters participating in the Landowner Preference Program shall file reports using the forms provided by the division. Reports must be complete and correct, and submitted to the Division by within 30 days after the close of the season.
- 6. Landowners and their registered properties may be audited for compliance with eligibility requirements of the Landowner Preference Program during any carryover or 5-year registration period. Notice of any noncompliance will be provided in writing to the landowner and the landowner shall have 30 days to resolve the noncompliance or withdraw the property from the Landowner Preference Program.
- b. Landowner Preference: Voucher Requirements and Restrictions
 - Vouchers shall only be transferred by the landowner or the landowner's land manager, if any, directly to an individual to be used by that individual for the purchase of a license. Landowners may only designate one land manager for all lands registered in the Landowner Preference Program in any one unit.
 - 2. The transfer of any voucher must include permission to access and hunt all lands in the unit registered in the Landowner Preference Program for the entire season for which the voucher was awarded. Such access shall be allowed without discrimination between hunters accessing the property, and without restriction other than manner of access restrictions (foot, horseback, vehicular) that are reasonably necessary to prevent damage to property.

- 3. The transfer of a voucher by any person other than the landowner or the landowner's land manager to any person other than an individual for purchase of a license is prohibited. Violation of this prohibition shall void the voucher and any license purchased with it.
- 4. No person shall broker a voucher on behalf of any landowner or person, or use or possess any brokered voucher. Violation of this prohibition shall void the voucher and any license purchased with it.

c. Landowner Preference: Disqualification

- Landowners, or the landowner's land manager, who fail to comply with any requirements of the Landowner Preference Program, may be disqualified from participation in the Program from one to five years. Disqualification of a joint or co-owner of property registered with the Landowner Preference Program shall disqualify all other joint or coowners of the registered properties from participation in the Program.
- 2. Disqualification of a landowner from the Landowner Preference Program shall invalidate all preference points associated with property registered by the landowner in the Program.
- 3. Any landowner, or the landowner's land manager, that has been disqualified from the Landowner Preference Program shall not register properties, apply for vouchers or acquire or use any vouchers during the term of disqualification. Landowners that have been disqualified from participation in the Landowner Preference Program shall be required to re-register at the end of their period of disqualification and prior to further participation, if desired, in the Program.
- 4. Any other person that fails to comply with any requirements of the Landowner Preference Program may also be disqualified from participation in the Landowner Preference Program from one to five years. Any person disqualified shall not participate in the Landowner Preference Program in any manner, including, but not limited to, as a landowner, as a landowner's land manager, enrolling properties in any name, submitting applications for vouchers, receiving vouchers, transferring vouchers, redeeming vouchers or using licenses obtained with vouchers.
- 5. Any person convicted of a violation of the Landowner Preference Program will be given notice in writing of their possible disqualification from the Landowner Preference Program and the opportunity to appear and show cause why they should not be disqualified from participation in the Program. Any such disqualification hearing shall be held in the Denver office of the division, or at another location acceptable to the division. Notice of any resulting disqualification shall be sent to the person by certified mail, return receipt requested.
- d. Youth Preference a minimum of 15 percent of the number of the limited doe pronghorn licenses, limited either-sex and antlerless deer licenses and limited antlerless elk licenses established for each GMU shall be made available for purchase by qualified youth applicants. Licenses shall be available through application and computer selection from the Division headquarters, 6060

Broadway, Denver, CO 80216. Licenses not allocated to youth shall be made available to the general public in the remaining drawings.

- Any eligible hunter, ages 12-17 is entitled to youth hunt preference for all seasons and methods of take for the license types listed in the preceding paragraph, except that public Ranching for Wildlife and Air Force Academy licenses shall not be included in this preference. The applicant must submit an individual application for the desired, eligible license on forms provided by the Division. Group applications will not be accepted for youth preference. Where more than one (1) hunt code choice is shown on the application, all hunt codes must be youth preference-eligible hunt codes.
- 2. Youth preference will be set at 50% for all antlerless deer licenses in GMUs 55, 66, 67, and 551.
- e. Youth Outreach Hunting Licenses The Director may make additional youth outreach program deer, elk and pronghorn licenses available to qualified organizations sponsoring youth hunting activities.
 - 1. Youth Outreach licenses will be available for private land only. There will be no more than 300 elk licenses (50 antlered or either-sex, 150 antlerless), no more than 200 deer licenses (50 antlered or either-sex, 150 antlerless) and no more than 200 pronghorn licenses (30 buck or either-sex, 170 doe) issued annually under this subsection.
 - 2. Licenses in game management units with at least one hunt code requiring 6 or more resident preference points to draw, excluding Ranching for Wildlife properties, will not be authorized for use under this subsection.
 - 3. Licenses are issued on a first come, first served basis to qualified organizations. No more than 10 licenses may be issued per event to any single requesting organization.
 - 4. Requested dates for hunting events must occur between August 15 and January 31 each year.
 - 5. Organizations who wish to request a Youth Outreach license must submit the request in writing to Colorado Parks and Wildlife, State Hunter Outreach Coordinator, 6060 Broadway, Denver, Colorado 80216 no later than 60 days prior to the planned hunting event.
 - 6. Licenses are limited to youth hunters 12 to 17 years of age.
- f. Hunting Licenses for Hunters with Mobility Impairments The Director may make certain deer, elk, and pronghorn licenses available to qualified hunters with mobility impairments.
 - 1. Applicants for hunting licenses for hunters with mobility impairments must have a mobility impairment resulting from permanent medical conditions, which makes it physically impossible for them to hunt without the assistance of an attendant. Evidence of an impossibility to participate in the hunt without the assistance of an attendant may include, but is not limited to, prescribed use of a wheel chair; shoulder or

- arm crutches; walker; two canes; or other prescribed medical devices or equipment.
- 2. Applications for antlerless deer and elk and doe pronghorn licenses for hunters with mobility impairments shall be made on the form available from, and submitted with the applicable license fee to, the Division, Limited License Office, 6060 Broadway, Denver, Colorado, 80216. Applications for antlered deer and elk and pronghorn buck licenses for hunters with mobility impairments shall be made on the form available from, and submitted with the applicable license fee to, the applicable Division regional service center. Hunters may apply from the Monday after the May Commission meeting through the last day of the rifle seasons.
- 3. Applications for hunting licenses for hunters with mobility impairments shall contain a statement from a licensed medical doctor or a certified physical, occupational, or recreational therapist describing the applicant's mobility impairment and the permanent medical condition which makes it impossible for the applicant to hunt without the assistance of an attendant. Additional documentation may be required if necessary to establish the applicant's eligibility for a hunting license for hunters with mobility impairments. For the 2001 seasons and thereafter, once certified by the Division as mobility-impaired according to these regulations, applicants will not be required to submit the medical statement.
- 4. Antlerless deer and elk and doe pronghorn licenses will be available in all game management units with a total allocation of more than 100 antlerless deer or 100 antlerless elk or 50 doe pronghorn during the rifle seasons described in #250, #257, and #262 of these regulations. For any one game management unit no more than 10 licenses or 2 percent of the total number of limited antlerless deer or elk or doe pronghorn licenses for the game management unit, whichever number is greater, shall be issued as hunting licenses for hunters with mobility impairments for the species in question.
- 5. Antlered or either-sex licenses for deer or elk and buck pronghorn licenses will be private land only licenses and will be available for hunt codes requiring four or fewer resident preference points to draw in the previous year in all game management units with a total allocation of more than 100 antlered or either-sex deer, 100 antlered or either-sex elk, or 50 buck pronghorn during the rifle seasons described in #250, #257 and #262 of these regulations. For any one game management unit no more than 5 licenses or 2 percent of the total number of limited antlered, either-sex or buck licenses for the game management unit, whichever is greater, shall be issued as hunting licenses for hunters with mobility impairments for the species in question.
- 6. Antlered or either-sex licenses for deer or elk and buck pronghorn licenses will be approved by the applicable Regional Manager on a case-by-case basis for hunters who qualify as mobility-impaired in instances where an organization assisting hunters with mobility impairments has coordinated a hunting opportunity specifically for this program and where all other avenues of obtaining a license have been exhausted.

- 7. Hunting licenses for hunters with mobility impairments will be valid only for the season dates and any units included in the authorized hunt code. Licenses for hunters with mobility impairments may not be issued for Ranching for Wildlife properties unless otherwise provided in the ranch contract.
- g. Wounded Warrior Hunting Licenses The Director may make certain deer, elk, and pronghorn licenses available to qualified participants in any United States Armed Services Wounded Warrior programs.
 - Applicants must be members of the United States Armed Forces, who are residents of, or stationed in, Colorado returning from post-September 11, 2001 overseas contingency operations who have been so severely injured during combat, including combat-related support activities, that they will require years of intense, ongoing care or assistance.
 Additionally, applicants must be members of a United States Armed Services Wounded Warrior program, as defined in 33-4-102(1.9) C.R.S., and must be assigned to a military medical treatment facility at the time of application for this program.
 - Applications shall contain a statement from a licensed medical doctor certifying the applicant's eligibility under the criteria in 1 above.
 Additional documentation may be required if necessary to establish the applicant's eligibility under this program.
 - 3. Applications for antlerless deer and elk and doe pronghorn licenses shall be made on the form available from the Division, Limited License Office, 6060 Broadway, Denver, Colorado. Applications for antlered deer and elk and pronghorn buck licenses shall be made on the form available from the applicable Division regional service center. Hunters may apply from the Monday after the May Commission meeting through the last day of the rifle seasons. Licenses issued under this program shall be issued as free licenses.
 - 4. Antlerless deer and elk and doe pronghorn licenses will be available in all game management units with a total allocation of more than 100 antlerless deer or 100 antlerless elk or 50 doe pronghorn during the rifle seasons described in 250, 257, and 262 of these regulations. Licenses issued for military installations will be exempted from these minimum license requirements. Wounded Warrior licenses issued for military installation property will be approved by the applicable Regional Manager. For any one game management unit no more than 10 licenses or 2 percent of the total number of limited antlerless deer or elk or doe pronghorn licenses for the game management unit, whichever number is greater, shall be issued as Wounded Warrior hunting licenses for the species in question.
 - 5. Antlered or either-sex licenses for deer or elk and buck pronghorn licenses will be private land only licenses and will be available for hunt codes requiring four or fewer resident preference points to draw in the previous year in all game management units with a total allocation of more than 100 antlered or either-sex deer, 100 antlered or either-sex elk, or 50 buck pronghorn during the rifle seasons described in #250, #257 and #262 of these regulations. Licenses issued for military installations will be exempted from these preference point and minimum license requirements. Wounded Warrior licenses issued for military installation

property will be approved by the applicable Regional Manager. For any one game management unit no more than 5 licenses or 2 percent of the total number of limited antlered, either-sex or buck licenses for the game management unit, whichever is greater, shall be issued as Wounded Warrior hunting licenses for the species in question.

- 6. Antlered or either-sex licenses for deer or elk and buck pronghorn licenses will be approved by the applicable Regional Manager on a case-by-case basis for hunters who qualify under this program in instances where an organization assisting Wounded Warrior hunters has coordinated a hunting opportunity specifically for this program and where all other avenues of obtaining a license have been exhausted.
- 7. Wounded Warrior hunting licenses will be valid only for the season dates and any units included in the authorized hunt code. Wounded Warrior hunting licenses may not be issued for Ranching for Wildlife properties unless otherwise provided in the ranch contract.
- h. Dream Hunt Hunting Licenses The Director may make available additional deer, elk, pronghorn, mountain lion and black bear licenses to individuals qualified under this subsection.
 - 1. Applicants for Dream Hunt licenses must be between the ages of 12 and 21, and must have a terminal illness or a life-threatening disease or injury.
 - A request for a Dream Hunt license must be made, in writing, by a sponsoring organization, documenting the individual's life-threatening or terminal condition, desired, hunt experience, desired location, time frame and logistical considerations. Requests should be sent to the Division of Parks and Wildlife, Hunter Outreach Coordinator, 6060 Broadway, Denver, Colorado 80216.
 - 3. Requested dates for hunting events must occur between August 15 and January 31 each year, with preferred dates occurring during an existing season for the requested species. However, alternate dates may be approved by the Director on a case-by-case basis as an applicant's condition requires.
 - 4. Written landowner permission must be obtained prior to issuance of a license under this subsection if the individual will be hunting on private land.
 - 5. Except on private land, licenses in game management units with at least one hunt code requiring 10 or more resident preference points to draw, excluding Ranching for Wildlife properties, will not be authorized for use under this subsection.

i. Preference Points and Chances

- 1. Preference will be given for qualifying applications for first choice hunt codes only and shall be subject to the following provisions:
 - aa. Deer, Elk, Pronghorn, and Bear: one preference point will be awarded to each person who qualifies for and fails to draw a limited

license for deer, elk, pronghorn, or bear as a first choice in the regular drawing or who applies using a first choice hunt code established for the purpose of accumulating a preference point only. Preference points will be used in future drawings for the same species and will accumulate until the applicant obtains a first choice license. When an applicant obtains a first choice license, all accumulated preference points for that species become void. If an applicant both fails to apply for a species and has not purchased a license for that same species during any given 10-year period, all accumulated preference points for that species become void. If an applicant accepts a first choice license that has been returned and reissued, all accumulated preference points for that species become void. In those hunt codes requiring 10 or more resident preference points to draw, up to 20 percent of available licenses for deer. elk. pronghorn and bear shall be issued through a random drawing. The number of preference points required to draw shall be determined by a three-year average for the 2007, 2008, and 2009 limited license draws. A minimum of five individual preference points is required for an applicant to participate in the random drawing. Group applications shall not be eligible to participate in the random drawing.

- bb. In addition to the \$3 application fee, an unsuccessful applicant (except youth as defined by 33-4-117 C.R.S., lifetime license holders, and Colorado resident military personnel on active duty outside Colorado), or one who applies using a first choice hunt code established for the purpose of accumulating a preference point only, for deer, elk, pronghorn or bear will be assessed a \$40 fee (\$30 for resident deer and pronghorn) to receive a preference point unless they have purchased one of the following: an annual license (fishing (including free senior annual), small game or resident combination small game/fishing license, furbearer) for the year previous to which they are seeking a preference point; any big game license for the previous year or a current draw license for the species for which they are seeking a preference point. The fee, per species, shall entitle the hunter to preference points for any unsuccessful deer, elk, pronghorn or bear application in that year.
- cc. Rocky Mountain Bighorn Sheep, Mountain Goat, and Moose: One preference point will be awarded to each person who qualifies for and fails to draw a first choice license, until three preference points have been accumulated. Each time an applicant with three (3) points qualifies for and fails to draw a first choice license for rocky mountain bighorn sheep, mountain goat or moose the applicant will be awarded one (1) weighted preference point to be used in future drawings for that species. Applicants with at least three (3) preference points or any number of weighted preference points will be given weighted preference during the license drawings for each applicable species. Weighted preference is calculated by converting the applicant's original application number into a new random application number, then dividing that random application number by the number of weighted preference points the applicant currently has for that species plus one. The resulting number is the applicant's final and only application number. Final application numbers are sorted from lowest number to highest number, with licenses awarded to applicants starting on the top of the list (lowest number), working down the list until no licenses for that species remain. When an

applicant obtains a first choice license, all accumulated preference points for that species become void. If an applicant both fails to apply for a species and has not purchased a license for that same species during any given 10-year period, all accumulated preference points for that species become void. If an applicant accepts a first choice license that has been returned and reissued, all accumulated preference points for that species become void.

- dd. Applications receiving preference points will be given priority over all applications with fewer points. Group applications will receive preference at the level of the group member with the fewest accumulated preference points, and, where applicable, the fewest accumulated chances, except that group applications will not be successful, regardless of preference point level or number of chances, when there are fewer licenses remaining in the hunt code quota than the number of applicants in the group.
- ee. In lieu of applying through the regular limited license draw, any active duty member of the United States Armed Forces who is stationed at any military facility in Colorado and actively deployed outside the United States, or any active duty member of the United States Armed Forces who is a Colorado resident and is deployed outside the United States, shall, upon their return to the United States, be eligible to apply for preference points for any limited license draw that occurred during their absence. Applications for preference points shall be made on forms provided by the Division and filed within six months upon the member's return to the United States.

5. Drawing Processes

- a. Applications using landowner preference and youth preference shall be drawn, in that order, prior to drawing general public applications for the same species.
- b. Except as otherwise provided, applicants who applied properly for deer, elk, or pronghorn in the regular drawing and are unsuccessful will be given an option to: Apply for a leftover drawing. Request a refund. Donate that refund to the Division's nongame or Operation Game Thief fund. No such donation may be split between the two funds. Request an unlimited antlered elk license.
- Unsuccessful applicants for bear, bighorn sheep, mountain goat, or moose will receive a refund check.
- d. Unsuccessful applicants will be notified of their accumulated preference points and chances on their refund check stub, on their leftover drawing letter, or on their carcass tag, whichever is applicable.
- e. Nonresident hunter drawing limitations (first choice applications only)
 - 1. Nonresidents hunters shall receive no more than 10% of available moose, bighorn sheep and mountain goat licenses for all hunt codes. In the event there are an insufficient number of nonresident applications for the allocated number of moose, bighorn sheep or mountain goat licenses in any hunt code, the excess nonresident licenses will be issued to residents through the regular drawing process. These drawing limitations

- do not apply to the issuance of Bighorn Sheep Access Program (BSAP) licenses.
- 2. Unless there is an insufficient number of resident applications, nonresident hunters shall receive no more than 35% of available deer and elk licenses for hunt codes requiring fewer than six preference points for resident hunters to draw in the regular drawing, and no more than 20% of available deer and elk licenses for hunt codes requiring six or more preference points for resident hunters to draw in the regular drawing as calculated using a three-year average for the 2007, 2008, and 2009 limited license draws. These drawing limitations do not apply to the issuance of Private Land Only and Ranching for Wildlife licenses.
- 6. Leftover Licenses, Drawing Provisions and Restrictions
 - a. Elk, deer, pronghorn and bear licenses which are not issued through the regular drawing will be issued as "leftover" licenses, (through one "leftover" drawing process if the number of "leftover" licenses is sufficient to justify the administrative cost).
 - b. Only persons who apply for a limited license and who are unsuccessful are eligible for the leftover license drawing. Applicants for the leftover drawing may only apply for the same species that they applied for in the initial drawing.
 - c. Any eligible hunter, ages 12 17 shall receive preference for leftover deer and elk licenses.
 - d. Any active duty member of the United States Armed Forces stationed at any military facility in Colorado and actively deployed outside the United States, or any active duty member of the United States Armed Forces who is a Colorado resident and is deployed outside the United States, shall be allowed a preference for the purchase of leftover licenses prior to their sale to the general public.
 - e. Group applications are not accepted for leftover licenses.
 - f. Applicants must respond on the forms provided to the individuals by the Division following the regular drawing.
 - g. Applications must be postmarked no later than the first Tuesday in July, annually.
 - h. Applications not postmarked by the first Tuesday in July, annually, will receive a refund.
 - Leftover Ranching for Wildlife licenses will not be available through the standard over-the-counter leftover process. For information regarding the availability of these licenses on a first-come, first-served basis, please refer to the big game drawing brochure or call the Division at (303) 297-1192.

#207 - SEASON PARTICIPATION

A. A person may hunt in only one hunting season per license year for each big game species regardless of the method of hunting used, except in accordance with regulations #207B, #207C, and #242A.6 or in #205, when the purchase of more than one license per species is authorized or when the animal taken is not counted against an annual bag limit.

- B. Except on Ranching for Wildlife properties and in GMUs 61, 62 and 512, youths ages 12-17 may participate in any open regularly scheduled antlerless rifle elk or antlerless rifle deer hunt starting after the last day of the season listed on their original license, in the same DAU and for the same species listed on their original license, provided they possess an unfilled limited antlerless or either-sex elk or antierless deer license originally valid in that same DAU from a season which has already been completed, comply with applicable regulations for the specific open regularly scheduled antierless rifle hunt in which they participate, and are accompanied by a mentor if under 16 years of age. A mentor must be at least 18 years of age and comply with hunter education requirements. The mentor may not hunt except in units and in seasons for which they possess a valid license. Youths with an unfilled either-sex elk license who wish to hunt in any subsequent antlerless rifle season within the same DAU may do so provided that they must bring their license to the Division and have it converted to an antlerless license for the appropriate species prior to hunting. In GMUs 61 and 62, youth hunters may participate in the extended youth seasons as provided and restricted herein, except youth are further restricted to hunting in the same GMU where their original license was valid.
- C. Youths ages 12-17 may participate in any December pronghorn season in the following GMUs: 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 145, 146 or 147, provided they possess an unfilled pronghorn doe or either-sex license from a season which has already been completed for any other unit and comply with applicable regulations for the specific hunt in which they participate. Youths with unfilled either-sex pronghorn licenses who wish to hunt in the late youth pronghorn doe hunt may do so provided that they bring their license to the Division and have it converted to a doe pronghorn license prior to hunting.
- D. Any license marked or stamped for a season and unit, or portions thereof, is valid only as marked on the license.
- E. A person may only purchase an over the counter with caps bear license for the concurrent rifle bear season (hunt codes listed in #239.B) if they also possess a deer or elk license for an overlapping game management unit listed on that bear license. A person may hunt bear with an over the counter with caps rifle bear license during any regular rifle deer or elk season west of I-25 or in unit 140, only if they also possess a deer or elk license (filled or unfilled) valid any day of the regular rifle deer or elk seasons. The person may hunt bear in any unit(s) for which their bear license is valid. If the deer or elk license is a Private Land Only license, use of the bear license is restricted to private land as well. The restrictions of this subsection shall not apply to hunt codes BE083P1R, BE084P5R, BE048P5R, BE058P5R, and BE059P5R.
- F. Any person may take coyotes with an unfilled big game license in the same unit and season and by the same manner of take.

#208 - LICENSE RESTRICTIONS

A. Cutoff of License Sales

- Archery Season The sale of bear licenses at license agents for the archery deer and elk season shall be terminated at midnight preceding the opening day of the archery bear season.
- Muzzle-loading Season The sale of bear, elk, and deer licenses at license agents for the muzzle-loading season shall be terminated at midnight preceding the opening day of the season.
- 3. First Regular Rifle Elk and Over the Counter with Caps Either-Sex Concurrent Rifle Bear Seasons The sale of concurrent rifle bear licenses and first season elk licenses at

- license agents shall be terminated at midnight proceeding the opening day of the first regular rifle elk season.
- 4. Second Regular Rifle Deer and Elk Season The sale of rifle deer and elk licenses at license agents for the second regular rifle season shall be terminated at midnight preceding the opening day of the season.
- 5. Third Regular Rifle Deer and Elk Season The sale of rifle deer and elk licenses at license agents for the third regular rifle season shall be terminated at midnight preceding the opening day of the season.
- 6. Fourth Regular Rifle Deer and Elk Season The sale of rifle deer and elk licenses at license agents for the fourth regular rifle season shall be terminated at midnight preceding the opening day of the season.
- 7. Plains Bear Season The sale of rifle bear licenses at license agents for the plains deer and elk season shall be terminated at midnight preceding the opening day of the season.
- 8. Other Licenses The sale of leftover licenses (except as provide in subsection 9, below), and late season licenses at license agents shall be terminated at midnight preceding the opening day of the applicable seasons.
- 9. After the start of each season, licenses will be sold to the licensee, in person, only at Division service centers, except that license agents are authorized to sell 14-day or longer Private Land Only, archery, disease management, special hunts, season choice, and plains either-sex elk after the start of the season. In addition, license agents may also accept landowner vouchers for licenses after the start of the season.
- 10. If prior to the opening day of a season the Total Licensing System (TLS) becomes inoperable for an extended period of time, the Director shall have the authority to authorize agents to sell licenses after the start of the respective season, notwithstanding any other provision in these regulations.

#209 - SPECIAL RESTRICTIONS

- A. Private Land Only Seasons
 - 1. All applicants for "Private Land Only" licenses must obtain permission to hunt from at least one private landowner within the game management unit prior to applying for a license.
 - 2. Private land only licenses are valid on all private land within the game management unit upon which the license holder has permission to hunt.
- B. Special restrictions for the James John State Wildlife Area.
 - 1. Hunting access during the regular rifle deer and elk seasons is restricted to big game hunters only and to no more than twelve (12) permitted hunters per day. Access permits will be issued from the Division's Pueblo Office through a hand drawing. Permit applications may be obtained from the Division of Parks and Wildlife, 600 Reservoir Road, Pueblo, Colorado 81005 (telephone (719) 561-5300). Group applications will be accepted. No more than two (2) applicants per group. Application deadline is July 1annually. Successful applicants will be notified by mail. The date, time and location of the drawing will be included on the application.

a. Permits will be issued for the following time periods:

1st Season - Separate Limited Elk - Entire Season

2nd Season - Combined Deer and Elk - Entire Season

3rd Season - Combined Deer and Elk - Entire Season

4th Season - Combined Limited Deer and Elk - Entire Season

- b. For the 2nd and 3rd combined rifle seasons, a minimum of five (5) out of the twelve (12) permits will be issued to hunters with a valid GMU 140 deer license.
- C. Off Highway Vehicle (OHV) Weapon Restrictions during Big Game Seasons
 - 1. All firearms, except pistols and revolvers, carried on an OHV during deer, elk, pronghorn or bear season must be fully unloaded (both the chamber and the magazine) and fully enclosed in a hard or soft case (no scabbards or cases with open ends or sides). All bows carried on an OHV during any deer, elk, pronghorn or bear season must be fully enclosed in a hard or soft case (no scabbards or cases with open ends or sides). This regulation shall not apply to any person; any member of such person's family, or an employee or agent of the person, carrying a firearm on an OHV for the purpose of taking depredating wildlife on property owned or leased by the person, pursuant to §§33-3-106 or 35-40-100.2, C.R.S.

D. Closures

The following lands are closed, as described:

1. All publicly-owned lands in GMUs 25, 26, 35, 36, 43, 44, 47, 54, 55, 66, 67, 444, 471, and 551 shall be closed to the collection of shed antlers from January 1 through March 14 annually, and shall further be closed to the collection of shed antlers between legal sunset and 10:00 AM from March 15 through May 15 annually, provided further that the Director or his designee may establish additional closures as necessary under the criteria set forth in WCR #020.E.6.

E. Fluorescent Orange Garments

- 1. Except for archers hunting during a limited bear season, archers with an auction or raffle deer, elk, pronghorn or moose license hunting outside of a regular rifle season, and archers hunting with an archery bear, deer, elk, pronghorn, or moose license, all persons hunting bear, deer, elk, pronghorn or moose shall be required to wear daylight fluorescent orange garments which comply with the requirements of §33-6-121, C.R.S.
- F. Chronic Wasting Disease (CWD) Testing Requirements
 - 1. Mandatory CWD Sample Submissions

The Director of the Division may establish and enforce mandatory CWD submission areas for species known to contract CWD. Such submission areas may be established and enforced where necessary to meet sampling requirements, and mandatory submittal shall end when the Division achieves sampling goals, as stipulated by Division staff prior to enacting any such mandatory submission requirement. At such time that mandatory

submission areas are established public notice shall be given, including posting of mandatory submission requirements in applicable Division offices and license agents, and when possible inclusion of such requirements in Division publications. Upon establishment of mandatory CWD submission requirements, it shall be unlawful to fail to submit CWD samples for the designated species harvested in designated mandatory submission areas.

#210 - RANCHING FOR WILDLIFE - DEER, ELK, PRONGHORN, BLACK BEAR, MOOSE, AND BIGHORN SHEEP

A. Implementation Authority

1. The Director is authorized to implement the Ranching for Wildlife program, including the authority to determine ranch enrollment status, enter into cooperative agreements with ranches, establish and modify public and private season dates on each ranch, and establish and modify license allocations to each ranch including the subsequent distribution of licenses to the public and private share annually, and may establish additional Ranching for Wildlife operating guidelines subject to the following provisions.

B. Ranch Entry and Maintenance

- 1. Ranches must have a minimum of 10,000 acres of privately owned land in one contiguous unit. Ranches that meet this 10,000-acre minimum requirement may include privately owned non-contiguous parcels in the program if the Director determines that their inclusion will contribute to meeting the performance standards for the ranch.
- 2. Ranches must develop a Ranching for Wildlife Management Plan that includes goals, objectives, and strategies for achieving such goals and objectives for wildlife habitat management, species management, and public hunting management. The Management Plan shall identify the Tier category in which the ranch seeks to be placed and what specific actions the ranch will take to achieve the appropriate Tier placement criteria. The Management Plan must be approved by the Division prior to execution of a Cooperative Agreement for Ranching for Wildlife.
- 3. Ranches may not charge public hunters an access fee for hunting.
- 4. Except as agreed to in writing by the Division when necessary to meet the ranch performance standards or as mutually agreed and contained in the Management Plan, ranches must provide for equality of access in terms of geographical area and mode of transportation for both public and private hunters. No closure or restriction of land or roads shall apply to public hunters that do not also apply to private hunters.
- 5. Public hunts must be established at a time when the species to be hunted are present and available for harvest. No public seasons shall be established during times when normal winter conditions would prevent access to most of the ranch, nor when normal migration patterns of the species to be hunted result in the species having migrated off the ranch.
- 6. Ranches that establish coinciding or overlapping public and private hunts may not exclude public hunters from any portion of the ranch due to the presence of private hunters.
- 7. The Ranch and the Division will mutually agree to ranch rules regarding access to and hunting on the ranch by public hunters. The ranch rules will be provided to hunters prior to seasons on the ranch in accordance with other provisions contained in this regulation.

- 8. Enrolled ranches shall not be eligible for game damage payments or materials for those species hunted in the program when damage occurs within the boundaries of the enrolled portions of the ranch.
- 9. The Division may, at its sole discretion, require ranches with public bighorn sheep hunting seasons to provide scouting access to those hunters and their companions prior to such seasons. Provisions for this scouting access shall be contained in the Management Plan.
- C. Cooperative Agreements, Enrollment, Denial of Enrollment, Termination of Enrollment
 - 1. The Division is authorized to enter into Cooperative Agreements with ranches.
 - 2. Ranches may appeal enrollment decisions to the Commission.
 - 3. Cooperative Agreements shall incorporate approved Ranching For Wildlife Management Plans as part of the Cooperative Agreement.
 - 4. The Division shall periodically evaluate ranches for enrollment, contract performance, and Tier placement, and shall establish minimum performance standards for ranches enrolled in the program, including wildlife habitat management and improvement, public recreation opportunity and experience, and any factors intended to contribute to meeting Data Analysis Unit (DAU) management objectives. Such performance standards shall be incorporated into the Cooperative Agreement with the ranch.
- D. Season Structures, Manner of Take, License Restrictions
 - 1. Public and private seasons opening and closing date parameters
 - a. Deer, elk, pronghorn, moose, and bighorn sheep seasons may not begin before the first day of the statewide archery season for that species, nor extend beyond January 31.
 - Black bear season may not begin before September 2, nor extend beyond October 31.
 - 2. Private season length
 - a. Deer, elk, or pronghorn private seasons are restricted to a maximum of ninety (90) days.
 - b. Moose or bighorn sheep private seasons are restricted to a maximum of 30 days.
 - 3. Public season length
 - Deer and elk public season length
 - 1. Antlered or either sex public hunting seasons shall be a minimum of ten (10) days in length for every licensed public hunter, either as a minimum of ten (10) consecutive days in length or divided into two (2) or more five (5) day periods.
 - 2. Ranches must offer a total of at least ten (10) days of antlerless public hunting. The season may run a minimum of ten (10) consecutive days; or may be split into two (2) or more five (5) day periods in which a

hunter's license is valid in each period; or may be split into two (2) or more five (5) day seasons in which a hunter's license is valid in one but not any other five (5) day season. Ranches electing to split seasons and limit hunter participation to a single five (5) day season must assure that total public hunter harvest and licenses available are as much or more than would be achieved in the other two antlerless season alternatives.

- 3. All public seasons or periods will include one full weekend, but seasons need not open on weekend days.
- b. Pronghorn public season length
 - 1. Buck or doe hunting seasons shall be a minimum of five (5) days in length. All public seasons shall include one full weekend, but seasons need not open on weekend days.
- c. Black Bear public season length
 - 1. Shall be a minimum of fifteen (15) days in length.
- d. Moose public season length
 - Antlered or antlerless public hunting seasons shall be a minimum of ten
 (10) days in length. Antlered seasons shall include a minimum of five (5)
 consecutive days without overlapping any antlerless moose hunting
 season on the ranch.
- e. Bighorn sheep public season length
 - 1. Public hunting seasons for rams shall be a minimum of thirty (30) days in length and shall include a minimum of fifteen (15) consecutive days of hunting without overlapping any ewe hunting season on the ranch.
 - 2. Public hunting seasons for ewes shall be a minimum of fifteen (15) days in length.
- f. Additional primitive weapon seasons may be established provided that the season is structured so there is a minimum of 5 days of opportunity in which the method of take is restricted to archery or muzzleloading rifles.
 - These seasons shall be in addition to the previously mentioned minimum season lengths. Hunters drawing licenses for these seasons shall be allowed to hunt in the season with the restricted method of take and also in at least 10 additional days of opportunity with rifle method of take for moose, or antlered or either sex deer, elk, or black bear licenses; at least 5 additional days of opportunity with rifle method of take for pronghorn, or antlerless deer or elk licenses; at least 30 additional days of opportunity with rifle method of take for ram bighorn sheep licenses; and at least 15 additional days of opportunity with rifle method of take for ewe bighorn sheep. Additional primitive weapon seasons will include one full weekend.
- Manner of Take

a. Rifle hunting shall be the designated manner of take. Provided further that additional public hunting seasons beyond the previously mentioned minimum levels may be established with more restricted manner of take. Any such seasons and licenses allocated to those seasons are additional public hunting opportunity and shall not reduce licenses that would otherwise be allocated for the rifle seasons.

License Restrictions

- a. Ranching for Wildlife licenses are the only licenses valid for hunting of species under contract on the ranch, except that auction and raffle licenses may be used when there is not a public season for the same species in progress on the ranch and antlerless deer or elk licenses may be used on a ranch when authorized in writing by the Division, subject to the following provisions:
 - 1. There is an established season in which such licenses would be valid in the Game Management Unit (GMU) in which the ranch is located.
 - 2. Such licenses shall not be used concurrently with any Ranching For Wildlife season, or at any other time when the Division determines that it would result in elk, deer, pronghorn, bighorn sheep, moose, or black bear not being available to Ranching For Wildlife public hunters.
 - 3. The Division determines that any resulting harvest achieved will contribute to achieving DAU management objectives.

E. License Allocation

- 1. A maximum of 1,000 licenses of each species and sex for deer, elk, and pronghorn, a maximum of 30 black bear licenses, a maximum of 20 licenses of each sex for bighorn sheep, and a maximum of 50 licenses of each sex for moose may be allocated to each ranch annually, and subsequently distributed to the public and private share according to the distribution table established in this regulation.
- 2. Division staff recommendations regarding license allocations for each ranch shall be forwarded to and approved by the Director based upon Data Analysis Unit harvest objectives, relative ranch land base and occupied habitat for each species on the ranch to that of the Data Analysis Unit, hunter crowding, enhancement of hunter harvest, and relative densities of the species on the ranch.
- 3. Substitution of licenses of one species or sex for licenses of another species or sex shall not be permitted.
- 4. For purposes of determining distribution of licenses allocated to each ranch, either sex licenses will be treated as antlered licenses for deer and elk and buck licenses for pronghorn.
- 5. Landowner preference shall not be used for any public or private Ranching For Wildlife license. In addition, Ranching for Wildlife property may not be used to qualify for or receive landowner preference pursuant to §33-4-103, C.R.S.
- 6. The public share of the licenses in the following distribution tables represents the minimum for each species. Fractions of licenses shall be rounded up for public distribution licenses.

DEER, ELK, AND PRONGHORN

	Private Share of	f Licenses	Public Share of Licenses		
	% of total allocations	ation to each	% of total allocation to each

F. Youth Licenses

1. The Division and the ranch may formulate and implement youth hunting opportunities on any ranch through Division approved youth hunting programs. The Division must approve the youth hunting program on the ranch prior to any season or license allocation for such youth hunts.

- 2. A maximum of 15% of the total number for deer, elk, pronghorn, or black bear licenses allocated for a ranch may be allocated as youth hunting licenses on each ranch, over and above the total number of licenses allocated for a ranch.
- 3. Youth hunting seasons may occur at any time within the broad parameters for seasons within the Ranching For Wildlife program.
- 4. Youth licenses shall be distributed to individual youth hunters by mechanisms of the approved youth hunting program on the ranch. Youth licenses shall not count as either private or public licenses for purposes of calculating the relative share of other licenses allocated for the ranch.

G. License Distribution

1. Applications

- a. Applications for private hunter licenses stamped with the ranch name and season dates shall be available to the landowner for distribution.
- b. Public hunter licenses shall be available through application and selection from the Division during the annual limited license drawing process, except as provided in this regulation.
- c. Leftover Ranching for Wildlife Licenses: Ranching for Wildlife licenses which are not issued through the regular drawing will be issued as "leftover" licenses, only through the "leftover" drawing process, rather than through the over-the-counter leftover license process.
- 2. Trinchera Ranch One hundred percent (100%) of the limited antlered public licenses and eighty percent (80%) of the limited antlerless public licenses shall be available through the Division's annual limited license drawing process. Twenty percent (20%) of the limited public antlerless licenses will be allocated by public drawing at 1:00 p.m. on the second Wednesday in August, annually, at the San Luis Community Center, San Luis, CO. Applications will be accepted between 9:00 am and noon, on the second Wednesday in August, annually.

H. Special Restrictions

- Unless otherwise provided in these Ranching for Wildlife regulations all hunters must comply with other applicable regulations, including, but not limited to, manner of take (except that private hunters may use any legal weapon during private seasons), hunting hours, application requirements and deadlines, bag limits, season participation, mandatory checks, OHV restrictions, and other generally applicable regulations for big game hunting.
- 2. A copy of the mutually agreed upon ranch rules will be provided to all public hunters prior to their hunting season. All public hunters will be required to sign a statement acknowledging that they have read, understand, and agree to comply with all ranch rules, before the hunter is allowed access to the ranch.
 - a. Compliance with ranch rules is a specific condition of the Ranching For Wildlife public licenses and subsequent access to the ranch. In addition to criminal penalties, non-compliance with ranch rules constitutes grounds for suspension and revocation of the license and/or being prohibited from further participation in

hunting on the ranch, and/or in the Ranching For Wildlife program as a public hunter.

b. Final determination on any legal action taken towards hunters found in non-compliance with ranch rules shall be made solely by officers of the Division. This includes any citation that may be issued for non-compliance with the provisions of a license, or directing a hunter to leave a ranch. Ranch personnel may not direct a hunter to leave a ranch without specific authorization of a Division officer.

#211- BIGHORN SHEEP ACCESS PROGRAM

A. Implementation Authority

1. The Director is authorized to implement the Bighorn Sheep Access Program (BSAP), including the authority to determine private land enrollment status, enter into cooperative agreements with legal landowners, establish and modify public and private season dates on each property, and establish and modify license allocations to each property including the subsequent distribution of licenses to the public and private share, and may establish additional BSAP operating guidelines subject to the following provisions. All new or renewed contracts must be signed by the Director by October 15 in order to participate in the program the following year.

B. Property Enrollment Constraints

- 1. Properties must have a minimum of 5,000 acres of privately owned land.
- 2. Except under the provisions of regulation #211(E)(5), there must be a sustainable population of Rocky Mountain bighorn sheep that are predictably present on the private lands and at times for which public hunting seasons may be set. All sheep on the property must be a part of a single bighorn sheep herd (DAU). Land under contract may not cross sheep herd boundaries. At least 60% of the sheep herd within the bighorn sheep game management unit to be hunted must be located on private land or State Trust Land.
- 3. Properties may not charge public hunters an access fee for hunting.
- 4. Except as agreed to in writing by the Division, enrolled properties must provide for equality of access in terms of geographical area and mode of transportation for both public and private hunters. No closure or restriction of land or roads shall apply to public hunters that do not also apply to private hunters.
- 5. Public hunts must be established at a time when sheep are present and available for harvest. No public seasons shall be established during times when normal winter conditions would prevent access to most of the property, nor when normal migration patterns would result in sheep having migrated off the property.
- 6. Ranches that establish coinciding or overlapping public and private hunts may not exclude public hunters from any portion of the property due to the presence of private hunters.
- 7. The private landowner(s) will provide to each public hunter a property information packet which includes, but is not limited to, property maps showing access routes and camping areas, and landowner contact information.

8. Enrolled properties shall not be eligible for game damage payments or materials for damage caused by Rocky Mountain bighorn sheep.

C. Cooperative Agreements, Enrollment, Termination of Enrollment

- 1. The Division is authorized to enter into cooperative agreements with private property owners. Multiple private property owners may participate in the program under a single contract as long as all legal owners agree to the same terms and requirements.
- The Division shall establish minimum performance standards or requirements for properties enrolled in the program. Such performance standards shall be incorporated into the cooperative agreement with each property owner(s). Each cooperative agreement will include an option to renew at the end of the contract period if agreed to by both the Division and private landowner.
- 3. Each cooperative agreement will also contain a termination clause. Potential termination will be based on public hunter satisfaction that is within the control of the property owner or manager. No future private ram licenses will be allocated to a property after their contract is terminated.

D. Season Structures, Manner of Take, License Restrictions

- 1. Public and private seasons opening and closing date parameters
 - a. Ram seasons may not begin before August 1 and may not extend beyond December 31.
 - b. Ewe seasons may not begin before September 1 and may not extend beyond January 15.
 - c. Public ram seasons shall always precede private ram seasons. When necessary for private and public seasons to be conducted in the same year, public ram seasons will occur prior to private seasons.

2. Private season length

a. Private ram seasons shall not be less than 20 days nor greater than 60 days.

3. Public season length

- a. Public ram seasons shall be equal or greater in length to the private ram seasons, but not less than 30 days nor greater than 60 days. If multiple ram seasons are necessary to spread out hunting pressure, then season length may be shortened to not less than 20 days per season.
- b. Ewe seasons shall be not less than 10 days in length with no more than a 5 day overlap with public ram seasons.
- 4. Method of take for ram hunting will be hunter's choice in accordance with regulation #203 of this chapter. Method of take for ewe hunting will be determined by contract negotiation.

5. License Restrictions

a. BSAP licenses are the only licenses valid for hunting sheep on the property, except that auction and raffle licenses may be used when there is not a public season in progress on the property.

E. License Allocation

- 1. Division staff recommendations regarding license allocations for each property shall be approved by the Director.
- 2. All ewe licenses allocated are public licenses. The Division shall determine if ewe hunting is needed or desired for sheep management on the property.
- 3. The public share of the licenses in the following distribution table represents the minimum number of licenses provided to the public. Fractions of licenses shall be rounded up for public distribution licenses.

	ROCKY MOUNTAIN BIGHORN SHEEP							
	Private Share of	f Licenses	Public Share of Licenses					
	% of total alloc	ation to each	% of total allocation to each					
	enrolled proper	ty	enrolled property					
Option	Ram	Ewe	Ram	Ewe				
A	67	0	33	100				
В	75	5 0		100				
С	50	0	50	100				

- 4. Enrolled properties with a sustainable Rocky Mountain bighorn sheep population already present will have the choice between two license distribution options (option A or B). In order to receive the license allocation percentages listed in option B, a competent, skilled guide will be provided for free to the public ram hunter. The guide must be competent and knowledgeable of the property and of bighorn sheep behavior and use patterns on the property. The guide provided to the public ram hunter must be the same guide provided to the private ram hunter, unless otherwise agreed to in writing by the Division. In order to receive the license allocation percentages listed in option A, each public sheep hunter will receive free access to the property and a free area for camping if the property is located 40 minutes or more from public accommodations. No free guiding services are provided under option A.
- 5. Option C is available for property owners who would like their land evaluated for bighorn sheep transplant or augmentation for inclusion in the BSAP under option C. Notice of interest must be submitted in writing to the local district wildlife manager by April 1 annually. If the Division approves the transplant and property enrollment, the Division and landowner will share the costs of the trap and transplant operation. When the Division and property owner determine that the transplanted herd can sustain hunting harvest, the property will be opened to hunting under option C. Properties enrolled in the BSAP under option C will be enrolled for a 10-year period with bighorn sheep ram licenses being issued at a 1:1 public/private ratio during that period. After 10 years of hunting, the landowner may choose to withdraw from the program or re-enroll in a new contract under option A or B.
- 6. Public ram hunters will be allowed to bring a maximum of two additional non-hunting persons with them onto the property during their hunt. Ewe hunters will be allowed to

bring a maximum of one additional non-hunting person with them onto the property during their hunt.

7. Landowners are not required to provide pre-draw or pre-season scouting access in any license allocation option.

F. License Distribution

1. Applications

- a. Applications for private ram licenses stamped with the ranch name and season dates shall be available to the landowner for distribution.
- b. Public hunter licenses shall be available through application and selection from the Division during the annual limited license drawing process.

#212 - 216 VACANT

#217 - SEASON TABLES AND HUNT CODE DESCRIPTIONS

A. Big Game season tables are established by species (sheep, goat, bear, lion, deer, elk, pronghorn, and moose) and hunt (archery, muzzle-loading, early, regular, plains, private land only, late, and Ranching for Wildlife). Tables contain general information describing the hunt type, season dates, unit(s) or portions thereof, hunt code, license types, and numbers.

ARTICLE III - BIGHORN SHEEP

#218 - SEASON DATES, HUNT TYPE, UNITS (AS DESCRIBED IN CHAPTER 0 OF THESE REGULATIONS), AND LICENSE NUMBERS.

A. All rams taken shall be one half (1/2) curl or larger unless otherwise specified in these regulations.

#220 - SPECIAL RESTRICTIONS

- A. All bighorn sheep harvested through hunting after July 1, 1981, shall be inspected by an employee of the Division on or before the 5th working day after the taking thereof. Any licensee who takes a bighorn sheep shall personally present the sheep with the horns and skull intact to any Division office. A mandatory check report shall be completed at the time of inspection and each legally taken bighorn sheep ram shall have a Division permanent marker attached to the horn.
- B. Any bighorn sheep licensee who does not complete and return the mandatory questionnaire to the Division within thirty (30) days after the close of the season shall not be considered for any future bighorn sheep license.
- C. No person may barter, trade, transfer, or sell any bighorn sheep ram head or horns unless the horns have been inspected and permanently marked by the Division.

- D. Only bighorn sheep rams legally taken with a valid license will be permanently marked by the Division.
- E. Sheep hunters in S42, including auction and raffle hunters, are restricted to hunt weekdays only and are required to attend an S42 Waterton Canyon hunter orientation.

#221 - 226 VACANT

#228 - SPECIAL RESTRICTIONS

- A. All mountain goat hunters who take a goat shall personally present the goat with horns and skull intact to any Division office on or before the 5th working day after the taking thereof. A mandatory check report shall be completed at the time of inspection.
- B. Any mountain goat licensee who does not complete and return the mandatory questionnaire to the Division within thirty (30) days after the close of the season shall not be considered for any future mountain goat license.
- C. Where specified in regulation #227 of this chapter, auction and raffle hunters are also restricted to hunting weekdays only.

#229 - SPECIAL PROVISIONS REGARDING BIGHORN SHEEP, MOUNTAIN GOAT, MOOSE, DEER, ELK, AND PRONGHORN LICENSES AUTHORIZED BY AUCTION OR COMPETITIVE RAFFLE

See also §§33-4-116 through 116.5, C.R.S., concerning statutes for these auctions and raffles

A. Conduct of the Auction or Raffle. Any organization selected to conduct a license auction or raffle for the Wildlife Commission shall abide by the following rules:

1. General

- a. All auctions and raffles shall be carried out in accordance with applicable Colorado and Federal laws and the laws of the state where such auction or raffle is held. In the event the auction is held outside of Colorado and there is a conflict between Colorado and local laws, such conflict will be resolved in accordance with applicable principles of conflict of laws; provided the requirements of this regulation must be complied with.
- b. Unless their hunting license privilege is revoked or under suspension pursuant to the law of any state or country, any person, without regard to resident status or citizenship, is eligible to bid at competitive auction or to participate in any raffle for any license authorized by the Commission.
- c. Except as provided herein, auction and raffle licenses are non-transferable and shall be issued only to the winner of a raffle and the highest bidder at an auction. The highest bidder in any auction may give the license as a gift to another person provided written designation of such person is received by the Director at least 30 days prior to the opening of the season. Further, the Director may authorize a transfer of an auction or raffle license prior to the opening of the season due to death or medical incapacity of the holder of any auction or raffle license.
- d. Funds received by a conservation organization which conducts any auction for the Commission and due the Division shall be paid to the Division within 60 days after the auction and at least 30 days prior to the opening of the season. Funds received by a conservation organization which conducts any raffle for the Commission and

- due the Division shall be paid to the Division within 90 days after the raffle. No license shall be issued until such funds are received by the Division.
- e. The conservation organization shall ensure no discrimination against any person on the basis of race, creed, color, national origin, religion, sex, age (except as required by Colorado raffle statutes), marital status or physical handicap.

2. Competitive Auction:

- a. Conduct the competitive auction at a location reasonably accessible to prospective bidders.
- b. Utilize the services of a professional and experienced auctioneer.
- c. Accept verbal and customary bids as well as absentee written and telephone bids.
- d. No minimum bid shall be established.
- e. No buyers premium in any form may be charged.
- f. Advertise the location, date and starting time of the auction in at least one Colorado paper with statewide circulation. Also, announce the auction through at least two conservation or wildlife oriented magazines with nationwide circulation. Such advertisement shall be accomplished at least 30 days in advance of the auction.
- g. Accept payment by legal tender, cashier's check, certified check or major credit card.
- h. Provide appropriate Colorado hunting regulations and other information to potential bidders and other interested parties at least 10 days prior to the auction upon a request basis and to any in attendance immediately prior to and during the auction.
- i. Make award to the highest bidder, but maintain a record of the second highest bidder in case of payment default or other contingency.
- j. Conduct the auction in accordance with auction procedures established and announced at the start of the auction, including, but not limited to, re-bidding procedures. In the case of any dispute, the auctioneer shall make the final determination as to the highest competitive bid. In the event of a tie, the auctioneer may reopen the bidding of those two bidders to determining the highest bidder. The auctioneer has the sole discretion to advance the bidding and may reject a nominal or fractional advance over the preceding bid. The auctioneer may refuse any bid for reasonable cause.

3. Raffle

- a. Procedures for issuing and collecting raffle tickets and related funds, the location, date and approximate time of a random drawing and all other procedures pertaining to the raffle shall be published and made available upon request at least three (3) months prior to any drawing or award.
- b. Any raffle drawing shall be conducted at a meeting of a conservation organization open to general public attendance. The location, date and time of such meeting must be advertised at least 30 days in advance.
- c. Raffle tickets shall be available for a value of not more than \$25.00 each, and the same name shall not appear on more than 25 tickets.
- d. All tickets shall include a place for a name, address and phone number of the holder and all tickets and stubs shall be numbered. Winner need not be present.
- e. The location and time of the drawing as well as the purpose of the raffle and other information pertaining to the raffle shall be printed on each ticket.
- f. The raffle license shall be issued to the person whose name appears on the winning raffle ticket.

B. Auction and Raffle Licenses

- Licenses issued by auction or raffle shall permit the taking of one animal of either sex, as
 defined or specified by unit or season in this chapter; except as otherwise provided in
 these regulations. Rocky Mountain bighorn sheep licenses are not valid for desert
 bighorn sheep.
- 2. All licenses issued as a product of a competitive auction or raffle shall be written at the Division headquarters.
- 3. There shall be no refund of any monies collected through auction or raffle.

- 4. Licenses for each species shall be valid on a unit-by-unit basis from the first open season in a unit for that species after August 1 through December 31, except as provided in regulation #210(D)(5)(a), #220(E), #228(C) or #4(a) below. Licenses are not valid in units, or portions of units, that do not have an open season for that species. An open season is any season in which licenses are issued by the Division for the species in question by drawing, over the counter, or in a Special Management License unit for bighorn sheep or mountain goat, upon request from an Auction and Raffle hunter as approved by the Division. Provided further, and except as otherwise provided herein, auction and raffle licensees must comply with all other unit specific restrictions provided by these regulations.
 - a. Licenses for deer shall be valid on a unit-by-unit basis from the first open deer season in a unit after August 1 through November 30 or the last day of the last open antlered or either-sex deer season in a unit, whichever comes later.
- 5. For sheep, goat and moose, manner of take must be consistent with manner of take restrictions for any ongoing open season, or if no open season is ongoing, restricted to the manners of take allowed in the unit or part of a unit.
- 6. For deer, elk, and pronghorn, any manner of take legal for that species can be used during the period the license is valid, except pronghorn licenses are valid by archery before the last Saturday in August.
- 7. Licenses will be valid for one year only and only in accordance with applicable provisions of this chapter and other appropriate regulations of the Commission, unless otherwise provided herein.
- 8. Prior to hunting, all holders of auction and raffle licenses shall provide the Division with the following information:
 - a. Anticipated hunting areas, including GMUs and nearest towns.
 - b. Vehicle descriptions.
 - c. Intended methods of take.
- 9. All auction and raffle hunters shall complete and return a harvest questionnaire provided by the Division within 30 days after the close of their final hunting season. All wildlife harvested through the use of an auction or raffle license shall be presented to and inspected by an employee of the Division on or before the 5th working day after the taking thereof. Failure to present harvested wildlife for inspection as required by this regulation shall make the licensee ineligible for future licenses for that species in Colorado.

C. Expenditure of Auction and Raffle Proceeds

- 1. A Project Advisory Committee (PAC) shall be established for each species qualifying for auction and raffle licenses. Each PAC shall be made up of a spokesperson representative from each nonprofit, conservation organization selling an auction or raffle license for that species and a spokesperson representative of the Division. A conservation organization can abstain from participating on a PAC if they so choose or if they do not provide representation. In addition, the USFS, BLM, and other potentially affected land management agencies shall each have the opportunity to provide a spokesperson representative for each PAC at their discretion.
- 2. The Division shall be responsible for annual solicitation of project proposals requesting auction and raffle funding with a deadline no later than April 30th of each year. Funding can potentially be provided to government agencies, including the Division, nonprofit organizations, and private entities for appropriate projects as provided by Colorado laws. Each PAC shall review the project proposals for their respective species and recommend how auction and raffle proceeds for that species shall be expended. Each PAC shall make funding recommendations to the Division Director no later than May 31st of each year. Project funding shall require approval by the Division Director or a designee of the Director.

3. As provided by Colorado laws, auction and raffle funds for deer, elk, and pronghorn can be used interchangeably among said species and auction and raffle funds for bighorn sheep, mountain goats, and moose can be used interchangeably among said species. PACs that desire to recommend funding of projects using auction and raffle funds for a different species within an interchangeable group shall include in their recommendations for funding the respective recommendations of any PAC responsible for an affected species.

D. Accounting of auction and raffle proceeds.

- Each conservation organization receiving an auction or raffle license for sale shall enter into an agreement with the Division that includes requirements for auction and raffle income and disposition records. Each organization shall maintain records of activities relating to auction and raffle proceeds retained by the organization. Such records shall be available for inspection by the Division at all reasonable times and subject to audit by the state.
- 2. The Division shall provide each conservation organization with a list of all projects that have been approved for auction and raffle funding each year.
- 3. The Division shall provide the PAC committees with current auction and raffle fund balances by May 1^{st} of each year.
- 4. Recipients of auction and raffle funds must provide an annual status report to the Division by July 1st for each fiscal year funding is provided. In some cases the Division may also request a comprehensive final report. At a minimum, such reports must provide a summary of accomplishments and results in relation to proposal objectives and a basic accounting of auction and raffle fund expenditures. The Division may request additional follow-up information such as more detailed records of results and expenditures. Failure to provide a satisfactory report or follow-up information can result in termination of auction and raffle funding at the discretion of the Division. The Division shall provide copies of available annual status reports and final reports to each PAC upon request.

#230 - SPECIAL MANAGEMENT LICENSES FOR SHEEP AND GOAT

- A. The Director is authorized to issue special management licenses for bighorn sheep or mountain goat when necessary to:
 - prevent exposure of a sheep or goat population to disease which could result from sheep or goats having had contact with domestic livestock which present a disease transmission risk; either within or outside of an established game management unit; or to prevent the potential spread of disease by sheep or goats pioneering from units with such disease.
 - 2. allow for targeted surveillance of sheep and goat populations for management purposes.
 - 3. prevent unplanned expansion of sheep or goats outside of established game management units for the species.
- B. Licenses will be offered to unsuccessful applicants for an adjacent or nearby unit for the same species, in the order in which they would have been drawn if successful.
- C. Manner of Take will be rifle and associated methods.

- D. Mandatory check requirements are the same as for established seasons for sheep or goat, except that mandatory tissue submission requirements may be stipulated for individual targeted surveillance hunts.
- E. Such licenses will not use or generate preference points.

#231-#235 - VACANT

ARTICLE V - BLACK BEAR

#236 - BAITING

A. It shall be unlawful to hunt black bear over bait as prohibited in §33-4-101.3, C.R.S.

#237 - ARCHERY BLACK BEAR SEASONS - ONLY LAWFUL HAND-HELD BOWS MAY BE USED TO HUNT OR TAKE BLACK BEAR DURING THIS SEASON.

#240 - VACANT

#241 - SPECIAL RESTRICTIONS

- A. No person shall hunt, take or harass a bear in its den.
- B. No cubs shall be killed nor shall any black bear accompanied by one (1) or more cubs be killed. As used herein a "cub" shall mean any black bear less than one (1) year of age.
- C. Inspection and Seal Required.
 - 1. Black bear taken by licensed hunters shall be personally presented to the Division or other official designated by the Division for inspection and sealing within 5 working days after the taking thereof. Bear heads and hides must be unfrozen when presented for

inspection. If not unfrozen, the Division may retain heads and hides as necessary for thawing sufficient to extract a premolar tooth. No fee shall be required for the inspection and issuance of a legal possession seal, which shall remain attached to the hide until such hide is tanned.

- Black bears shall not be transported, shipped or otherwise taken out of Colorado until the hide and skull are inspected and sealed by authorized personnel of the Division.
 Possession of any bear hide not having a seal attached within the 5 working days shall be unlawful and such hide shall become the property of the State.
- 3. Inspection and sealing shall be arranged by contacting the Division Officer or the Division office.
- 4. A mandatory check report shall be accurately completed by the hunter at the time of inspection.
- 5. At the time of the mandatory check, the Division shall be authorized to extract and retain a premolar tooth.
- D. Individuals taking black bear under authority of §33-3-106(3) shall report the bear within five (5) days after the taking thereof as required by said statute and the carcass, hide and other parts of the bear shall remain the property of the state.

ARTICLE VI - MOUNTAIN LION

#242 - RIFLE AND ASSOCIATED METHODS MOUNTAIN LION SEASONS

A. General and Extended Seasons

- Dogs may be used to hunt mountain lion. However, the pack size shall be limited to no more than eight (8) dogs.
- 2. The hunter that takes a mountain lion shall be present at the time and place that any dogs are released on the track of a mountain lion and must continuously participate in the hunt until it ends. After a mountain lion has been pursued, treed, cornered or held at bay, a properly licensed person shall take or release the mountain lion immediately. No person shall in any manner restrict or hinder the mountain lion's ability to escape for the purpose of allowing a person who was not present at the time and place that any dogs were released, to arrive and take the mountain lion.
- 3. Without regard to harvest limit quotas, unit boundaries or season dates, the Director or his designee may authorize the taking of any problem lion by any lawful means designated, including but not limited to methods permitted under Article XVIII, Section 12b, of the Colorado Constitution, when such lion are causing damage to livestock or property or are frequenting areas of incompatibility with other users as may be necessary to protect public health, safety and welfare. The taking of lion under this section shall be by licensed hunters, houndsmen, or trappers who shall be bound by all other statutes and regulations regarding the taking and possession of mountain lion.
- 4. The Director shall establish a statewide list of hunters, houndsmen, and trappers to take problem lions taking into consideration the ability to respond, skill, experience, location, and the ability of the hunters, houndsmen, or trappers who have applied to participate in removal operations; and, in selecting participants from that list for any particular removal operation shall further take into consideration the urgency dictated by the situation and the environment in which the removal will occur.

- 5. Hunt Type, Dates, Units (as described in Chapter 0 of these regulations), and Harvest Limit Quotas.
 - a. Mountain Lion, Either-sex Season and Harvest Limit Quota In Game Management Units, as follows, the day after the close of the final combined rifle season through March 31 annually:

B. Licenses and GMU Harvest Limit Quota Status

- 1. A valid mountain lion license is required to hunt any mountain lion.
- 2. Except as provided in 33-3-106 C.R.S., it is unlawful for any person to purchase or obtain a mountain lion hunting license or hunt mountain lions unless the person obtains a mountain lion education certificate issued by the Division attesting to the person's successful completion of the Division's certified mountain lion education and identification course. Any person required to obtain such a certificate shall have the certificate on his or her person while hunting or taking mountain lion.
- 3. Prior to each hunting trip in any game management unit, but not earlier than 5:00 p.m. of the day before hunting, lion hunters must contact 1-888-940-LION (1-888-940-5466), or any Division office and determine which game management units have not reached the

unit harvest quota and are open to hunting. It shall be unlawful to hunt in a unit after it is closed.

C. Special Restrictions

- Reporting and Sealing
 - a. The taking of mountain lions by licensed hunters shall be reported to the Division within 48 hours after the taking thereof, and except as provided in these regulations, the lion shall be personally presented by the hunter for inspection and sealing within five (5) days after the taking thereof. Mountain lion heads and hides must be unfrozen when presented for inspection. If not unfrozen, the Division may retain heads and hides as necessary for thawing sufficient to extract a premolar tooth. A mandatory check report shall be accurately completed by the hunter at the time of inspection, which shall include certification that all information provided is accurate.
 - b. At the time of the mandatory check, the Division shall be authorized to extract and retain a premolar tooth.
- 2. The legal possession seal when attached to the mountain lion skull or hide shall authorize possession, transportation, tanning or mounting thereof. No fee shall be required for the inspection and issuance of a legal possession seal which shall remain attached to the skull or hide until processed. Mountain lions shall not be transported, shipped or otherwise taken out of Colorado until the hide and skull are inspected and sealed.
- 3. All mountain lion taken or destroyed under Commission regulation #1702 or §33-3-106(3) C.R.S., as amended, shall remain the property of the state and shall be delivered to an officer of the Division within five (5) days. A report shall be given to an officer of the Division at the time of delivery which contains the following:
 - 1) Name(s) of person(s) who killed the animal(s).
 - 2) The county and the specific location of the kill.
 - 3) The species and number of animals killed.
 - 4) The reason for such action.
- Lions With Kittens No person shall kill a mountain lion accompanied by one or more kittens or kill a kitten.
- 5. "Kitten" shall mean a lion with spots.

#257.5 - SPECIAL RESTRICTIONS

A. Unit 512 - Air Force Academy

Hunters must apply in person, no later than May 31 annually to participate in a random drawing to be placed on a priority list of hunters. Applications along with a non-refundable application fee not to exceed \$10.00 will be accepted at the Academy's Outdoor Recreation Center, Building 5136 - Community Center Drive, AFA, Colorado Springs.

The first 15 hunters drawn will be placed on the list and will be notified of their placement by June 15 annually. When elk are available to be hunted, up to 4 hunters will be called. After obtaining a license, paying a fee not to exceed \$30.00 to the Academy and receiving a safety briefing, hunters will be escorted on the hunt. Hunters may decline one opportunity to hunt and hold their place on the list. Hunts will continue when possible until (30) antlerless elk have been taken.

B. Units 82, 682 and 791 – San Luis Valley Damage Elk Hunts

- The purpose of these hunts is to provide flexibility in managing damage by elk and maintain landowners' rights to determine who may enter their property. Most license vouchers may be issued to friends and family of the landowner. Opportunities for non-associated public hunters may exist and will be selected from a list of interested hunters.
- License vouchers may be transferred one time only, and shall only be transferred by the landowner to the hunter that will use the voucher to purchase the license. Third-party brokering of landowner vouchers is not permitted. Violation of this subsection shall invalidate the applicable landowner voucher and any license purchased with it.
- 3. Public hunters must apply no later than July 15 annually, to participate in a random drawing to be placed on a priority list of hunters. Applications will be accepted at the Monte Vista Service Center at 0722 S Rd. 1 E, Monte Vista.

- 4. Hunters drawn will be placed on the list and the top 10 hunters on the list will be notified of their placement no later than August 15 annually. When elk are available to be hunted, up to 4 hunters will be called. Hunters may decline one opportunity to hunt and hold their place on the list. Hunts will be conducted on an as-needed basis to alleviate game damage.
- C. Units 80, 82, and 83 San Luis Valley US Fish and Wildlife Refuge Permits
 - 1. Starting in 2016, the United States Fish and Wildlife Service (USFWS) will allow a limited number of elk hunters access to hunt on the Alamosa, Baca, and Monte Vista National Wildlife Refuges. To be eligible for an access permit, hunters must hold one of the following elk licenses in either GMU 80, 82, or 83:
 - a. Either-sex archery;
 - b. Antlered muzzleloader;
 - c. Antlered or either-sex first rifle;
 - d. Antlered or either-sex fourth rifle;
 - e. Any limited antlerless license.
 - 2. To be entered into the drawing for the 2016 hunting seasons, eligible hunters must email the following address starting the day after left-over license day:

montevista.wildlife@state.co.us. Emailed entries will only be accepted for five days after left-over license day. Permits for these three refuges will then be issued at the Monte Vista Service Center via a random drawing on August 17, 2016, held under the direct supervision of the area wildlife manager.

ARTICLE X - PRONGHORN

- #261 ARCHERY PRONGHORN SEASONS ONLY LAWFUL HAND HELD BOWS MAY BE USED TO HUNT OR TAKE PRONGHORN DURING THE FOLLOWING SEASONS:

E. Allocation of Licenses Between Seasons

 Allocation of these licenses will float between the moose seasons in accordance with the hunt code chosen by successful applicants.

F. Special Restrictions

- 1. All moose licensees shall complete and return a harvest questionnaire provided by the Division within 30 days after the close of their hunting season. Any moose licensee who does not complete and return the mandatory questionnaire as required shall not be considered for any future moose license.
- 2. All moose harvested through hunting shall be submitted for inspection to an employee of the Division on or before the 5th working day after the taking thereof. Any licensee who takes an antlered moose shall personally present the head, with antlers attached, to any Division office. Any licensee who takes an antlerless moose shall personally present the head to any Division office. Moose heads must be unfrozen when presented for inspection. If not unfrozen, the Division may retain heads as necessary for thawing sufficient to extract the incisor teeth. A mandatory check report shall be completed at the time of inspection.
- 3. At the time of the mandatory check, the Division shall be authorized to extract and retain the incisor teeth.

Special Seasons

ARTICLE XII - SPECIAL HUNTING SEASONS/LICENSES FOR BIG GAME

#271 - BIG GAME ANIMALS CAUSING DAMAGE AND BIG GAME POPULATIONS OVER OBJECTIVE

A. Special Population Management Seasons for Big Game Ungulates

The Director shall have the authority to establish special management seasons for antlerless or female big game ungulates in specific game management units or portions thereof which significantly exceed the population objective, when the anticipated harvest from the current year's archery, muzzle-loading and regular rifle seasons did not occur. Provided further that the Director shall have the authority to establish these hunts between November 16 and February 28, to specify a time period for each of these hunts but not to exceed ten days each, and shall authorize hunters to use designated unfilled big game licenses for these hunts and units.

- 2. The Director shall have the authority to allocate antlerless deer and/or elk licenses on existing Ranching for Wildlife properties located in game management units where deer or elk populations significantly exceed the population objective. These licenses shall be in addition to the number of licenses allocated to each ranch pursuant to the Cooperative Agreement established in #210(A)(2). The additional allocation and use of the antlerless licenses provided for in this section shall be in the same proportion, by species (not sex), as established in the ranch's respective Cooperative Agreement and subject to the following provisions:
 - a. No ranch shall be required to accept any additional antlerless licenses.
 - b. The public allocation of such additional antlerless licenses shall only be offered to hunters who have successfully drawn antlered, either-sex or antlerless licenses for the same species on the ranch. Public hunters who choose to purchase one additional antlerless license from the Division shall be required to use the additional license during the season established for the license for which they drew. No more than one additional antlerless license will be available to any public hunter.
- B. Special Game Damage Seasons for Big Game Ungulates
 - The Director shall have the authority to establish special hunting seasons for big game ungulates, between August 15 and February 28, when necessary to control damage to property. Seasons shall be for the taking of antlerless or female animals unless the Director has determined that the taking of antlered animals is necessary in order to alleviate the damage.
 - a. Game damage hunts are limited to a maximum of 50 licenses per species per Game Management Unit or 30 percent of the antlerless, either-sex, or doe licenses issued for the DAU (whichever is greater), unless a distribution management plan establishing a different percentage has been approved by the Parks and Wildlife Commission or additional permits are approved by the Director or his designee.
 - b. On private lands and Russell Lakes, Rio Grande and Higel State Wildlife Areas, the Area Wildlife Manager (AWM) is authorized to conduct these seasons based upon the following criteria:
 - The AWM finds that such a season would be consistent with the distribution management plan approved by the Parks and Wildlife Commission.
 - 2. When there is no approved distribution management plan, the AWM finds that a season will reduce or eliminate damage for which the Division is liable, and that holding a season would be desirable considering
 - aa. The species and number of animals involved.
 - bb. The number of animals that would have to be removed to reduce or eliminate damage.
 - cc. The location of the damage problem.
 - dd. The type and extent of damage.

- ee. The time of year and its relationship to the life history of the animals.
- ff. The length of time such damage will continue without big game removal.
- gg. Management closures, hunting seasons and other public use.
- hh. The effect on population objectives for the GMU and DAU.
- ii. Whether landowner operations (e.g., harvesting) or critical wildlife biological activities (e.g., fawning) would be interrupted.
- jj. Safety risks.
- kk. Any other pertinent factors.
- 3. The Area Wildlife Manager shall provide the landowner with special application forms for distribution to individuals of their choice.

 Participants shall submit the completed application form with payment to the Division office indicated on the application.
- 4. In the event the landowner cannot secure enough people to effect an adequate harvest the Division can assist in locating individuals.
- c. The Division shall
 - Verify that damage or conflicts are occurring or can reasonably be anticipated to occur.
 - 2. Designate what area shall be open to hunting.
 - 3. Determine the manner of hunting that will be permitted.
 - 4. Determine the number of hunters allowed to hunt in each designated area.
- d. Hunting will be done under the direction of a District Wildlife Manager, following approval by the owner of land where such damage is occurring.
- e. Hunters shall hunt in designated areas and on the dates indicated on the license.
 - A map or a written description of the designated area open to hunting (which would include, but would not be limited to landowner(s) name, game management unit, township, range and section(s) and/or identification of landmarks such as roads, rivers, or fence lines which coincide with boundaries), will be provided to each licensed hunter by the Division.
- f. Any person who purchases a license for a game damage season shall be required to complete a Division harvest survey form and return it to the Area office that is nearest the location of the hunt no later than 5 days after the season ends.
- C. Special Game Damage Licenses for Bear and Mountain Lion

- 1. The Director shall have the authority to establish special hunting licenses for mountain lion and bear, which allow for take in excess of the otherwise applicable limited license numbers or quotas, when necessary to control damage to private property.
 - a. AWMs are authorized to issue these bear and mountain lion licenses to address specific animals determined after an investigation to be causing damage to private property.
 - 1. Bear or mountain lion licenses above the established limited license numbers or quota for the area may be issued only where necessary to take specific animals determined after an investigation to be causing damage to private property.
 - 2. Bear hunting authorized under this provision will be conducted between September 2 and the end of the fourth regular rifle season annually.
 - 3. Mountain lion hunting authorized under this provision will be conducted during established lion seasons.
 - 4. Licenses will be issued only if licenses are not otherwise available for purchase under standard license distribution methods or where mountain lion quotas have been reached in the area.
 - License will be restricted by manner of take, period of time within the dates specified above, and location within the GMU(s) or DAU(s) in question as necessary to ensure the offending animal is appropriately targeted.
 - Hunting will be conducted under the direction of a District Wildlife Manager.
 - b. Any person who purchases a license shall be required to complete a Division harvest survey form and return it to the Area office that is nearest the location of the hunt no later than 5 days after the end of the hunting period authorized by the license.
 - c. Bear and mountain lion taken pursuant to a license issued under this provision shall not be counted against the annual bag and possession limit for the species in question.
- D. Special Hunting Season In Game Management Unit 20 For Cow Elk Normally Not Available For Harvest During Regular Or Late Big Game Seasons:
 - 1. Season dates, license types, permit numbers will be established by the Director or his designee.
 - 2. The Division will designate the area open to hunting, manner of take, and season dates which are necessary to achieve its population management objective for this population of elk. Hunting shall occur only during the designated time periods indicated on the hunter's license and only in those areas specifically designated on the map provided by the Division. Special Unit 20 cow elk hunts shall be established based on the following criteria: (a) the hunt does not fall within the criteria established for game damage hunts; (b) snow ground cover and/or other conditions favor are expected to favor successful hunting; (c) elk must be available to hunters in portions of Unit 20 which are open to

- hunter access; and (d) no special season will be created under this regulation which would extend beyond February 15th.
- 3. Eligible hunters will be selected in the following priority: a) from the list of hunters who applied for a Unit 20 limited elk license and were unsuccessful; and b) from a new list of hunters established by the Division Northeast Regional office pursuant to notice in local newspapers. Such list will be established on a first-come, first-served basis.
- 4. Individuals who participate in this special hunt may also participate in any other season for elk if otherwise eligible to do so.

#272 BIG GAME DISEASE/ANIMAL HEALTH SEASONS

- Special Hunting Seasons for Disease Management in Big Game
 - a. The Director shall have the authority to establish special hunting seasons for big game, when hunting harvest has not been adequate to reduce the incidence of disease, to reduce emigration of infected animals, or to otherwise control expansion of the disease.
 - 1. No more than 200 licenses per species shall be issued annually per Game Management Unit (GMU) unless authorized by the Director
 - 2. Seasons shall be for the taking of antlerless or female animals unless the Director has authorized the issuance of male (antlered) licenses. No more than 10% of the licenses shall be issued for male (antlered) animals unless authorized by the Director.
 - 3. Licenses will be valid only in the unit(s) specified on the license. Licenses may be restricted to specific properties or areas as determined by the Area Wildlife Manager.
 - 4. License fees may be reduced when authorized by the Director, when necessary to ensure sufficient hunter participation, provided that no license is to be sold for less than \$5.00. License fees shall be set to ensure recovery of the cost of the retail and system agent commissions.
 - 5. Multiple carcass tags may be issued with each license, as authorized by the Director. Provided further that the payment of separate license fees shall be required if licenses for more than one species are to be sold.
 - 6. Any licensee who takes deer or elk during any such season for the purpose of Chronic Wasting Disease (CWD) management shall submit the head from all animals taken when required to do so as a condition of the license, to the testing site specified at the time the license is issued, within 5 days after harvest. Hunters must complete the special survey tag available at any head collection site and attach it to the animal's head. Antlers and capes from harvested deer may be removed by hunters before submitting heads for sampling.

DEPARTMENT OF REGULATORY AGENCIES DIVISION OF REAL ESTATE COMMUNITY ASSOCIATION MANAGERS 4 CCR 725-7

NOTICE OF PROPOSED PERMANENT RULEMAKING HEARING January 5, 2016

A RULES: LICENSE QUALIFICATIONS, APPLICATIONS & EXAMINATIONS

Pursuant to and in compliance with Title 12, Article 61 and Title 24, Article 4, C.R.S. as amended, notice of proposed rulemaking is hereby given, including notice to the Attorney General of the State of Colorado and to all persons who have requested to be advised of the intention of the Director of the Division of Real Estate ("Director") to promulgate rules, or to amend, repeal or repeal and re-enact the present rules related to community association managers.

STATEMENT OF BASIS

The statutory basis for the rules titled <u>Rules Regarding Community Association Managers</u> is Part 10 of Title 12, Article 61, Colorado Revised Statutes, as amended.

STATEMENT OF PURPOSE

The purpose of this rule is to effectuate the legislative directive to promulgate necessary and appropriate rules in conformity with the state statutes of the Community Association Managers Practice Act.

SPECIFIC PURPOSE OF THIS RULEMAKING

The specific purpose of this rule is to promulgate rules with respect to the requirements for the licensing examination and ensures that community association managers are familiar with current regulations.

Proposed New, Amended and Repealed Rules

[Deleted material shown struck through, new material shown ALL CAPS. Rules, or portions of rules, which are unaffected are reproduced. Readers are advised to obtain a copy of the complete rules of the Director at www.dora.colorado.gov/dre

A RULES - LICENSE QUALIFICATIONS, APPLICATIONS AND EXAMINATIONS

A-5) Community Association Manager license examination expiration and application requirements.

The CAM license examination is made up of two parts, a general portion and a Colorado law portion. An applicant holding a credential pursuant to § 12-61-1003(5)(a)(I)(D), C.R.S., must sit for and successfully pass both portions of the examination. If the applicant fails one or both parts of the examination, the applicant may retake the failed portion(s). A passing score for the Colorado law portion of the examination is valid for one year only. If an applicant holds a credential pursuant to § 12-61-1003(5)(a)(I)(A),(B), OR (C), C.R.S., and has maintained said credential in good standing, such applicant need only sit for and successfully pass the Colorado law portion of the examination. If the applicant fails the Colorado law portion, the applicant may retake the failed portion. An application received by the Division must be accompanied by the statutory fee, proof of completion of the required credential and proof of successful completion of the required portion(s) of the examination. A passing score on the Colorado law portion of the examination must be obtained within the year prior to the application being received by the Division.

[THIS PAGE NOT FOR PUBLICATION]

A hearing on the above subject matter will be held on Wednesday, January 5, 2016, at the Colorado Division of Real Estate, 1560 Broadway, Suite 1250-C, Denver, Colorado 80202 beginning at 10:00 a.m.

Any interested person may participate in the rule making through submission of written data, views and arguments to the Division of Real Estate. Persons are requested to submit data, views and arguments to the Division of Real Estate in writing no less than three (3) days prior to the hearing date and time set forth above. However, all data, views and arguments submitted prior to or at the rulemaking hearing or prior to the closure of the rulemaking record (if different from the date and time of hearing), shall be considered.

Please be advised that the rule being considered is subject to further changes and modifications after public comment and formal hearing.

5 CCR 1002-32

Rule title

5 CCR 1002-32 REGULATION NO. 32 - CLASSIFICATIONS AND NUMERIC STANDARDS FOR ARKANSAS RIVER BASIN 1 - eff 03/01/2016

Effective date

03/01/2016

COLORADO DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT WATER QUALITY CONTROL COMMISSION

5 CCR 1002-32

REGULATION NO. 32 CLASSIFICATIONS AND NUMERIC STANDARDS FOR ARKANSAS RIVER BASIN

32.1 AUTHORITY

These regulations are promulgated pursuant to section 25-8-101 et seq. C.R.S., as amended, and in particular, 25-8-203 and 25-8-204.

32.2 PURPOSE

These regulations establish classifications and numeric standards for the Arkansas River, including all tributaries and standing bodies of water as indicated in section 32.6. The classifications identify the actual beneficial uses of the water. The numeric standards are assigned to determine the allowable concentrations of various parameters. Discharge permits will be issued by the Water Quality Control Division to comply with basic, narrative, and numeric standards and control regulations so that all discharges to waters of the state protect the classified uses. (See Regulation No. 31, section 31.14). It is intended that these and all other stream classifications and numeric standards be used in conjunction with and be an integral part of Regulation No. 31 Basic Standards and Methodologies for Surface Water.

32.3 INTRODUCTION

These regulations and tables present the classifications and numeric standards assigned to stream segments listed in the attached tables (See section 32.6). As additional stream segments are classified and numeric standards for designated parameters are assigned for this drainage system, they will be added to or replace the numeric standards in the tables in section 32.6. Any additions or revisions of classifications or numeric standards can be accomplished only after public hearing by the Commission and proper consideration of evidence and testimony as specified by the statute and the "Basic Standards and Methodologies for Surface Water".

32.4 **DEFINITIONS**

See the Colorado Water Quality Control Act and the codified water quality regulations for definitions.

32.5 BASIC STANDARDS

(1) TEMPERATURE

All waters of the Arkansas River Basin are subject to the following standard for temperature. (Discharges regulated by permits, which are within the permit limitations, shall not be subject to enforcement proceedings under this standard). Temperature shall maintain a normal pattern of diurnal and seasonal fluctuations with no abrupt changes and shall have no increase in temperature of a magnitude, rate, and duration deemed deleterious to the resident aquatic life. This standard shall not be interpreted or applied in a manner inconsistent with section 25-8-104, C.R.S.

(2) QUALIFIERS

See Basic Standards and Methodologies for Surface Water for a listing of organic standards at 31.11 and metal standards found at 31.16 Table III. The column in the tables headed "Water + Fish" are presumptively applied to all aquatic life class 1 streams which also have a water supply classification, and are applied to aquatic life class 2 streams which also have a water supply classification, on a case-by-case basis as shown in the Tables 32.6. The column in the tables at 31.11 and 31.16 Table III headed "Fish Ingestion" is presumptively applied to all aquatic life class 1 streams which do not have a water supply classification, and are applied to aquatic life class 2 streams which do not have a water supply classification, on a case-by-case basis as shown in Tables 32.6.

(3) URANIUM

- (a) All waters of the Arkansas River Basin are subject to the following basic standard for uranium, unless otherwise specified by a water quality standard applicable to a particular segment. However, discharges of uranium regulated by permits which are within these permit limitations shall not be a basis for enforcement proceedings under this basic standard.
- (b) Uranium levels in surface waters shall be maintained at the lowest practicable level.
- (c) In no case shall uranium levels in waters assigned a water supply classification be increased by any cause attributable to municipal, industrial, or agricultural discharges so as to exceed 16.8-30 µg/l or naturally-occurring concentrations (as determined by the State of Colorado), whichever is greater.
 - (i) The first number in the 16.8-30 ug/l range is a strictly health-based value, based on the Commission's established methodology for human health-based standards. The second number in the range is a maximum contaminant level, established under the federal Safe Drinking Water Act that has been determined to be an acceptable level of this chemical in public water supplies, taking treatability and laboratory detection limits into account. Control requirements, such as discharge permit effluent limitations, shall be established using the first number in the range as the ambient water quality target, provided that no effluent limitation shall require an "end-of-pipe" discharge level more restrictive than the second number in the range. Water bodies will be considered in attainment of this standard, and not included on the Section 303(d) List, so long as the existing ambient quality does not exceed the second number in the range.

(4) NUTRIENTS

Prior to May 31, 2022, interim nutrient values will be considered for adoption only in the limited circumstances defined at 31.17(e). These circumstances include headwaters, Direct Use Water Supply (DUWS) Lakes and Reservoirs, and other special circumstances determined by the Commission. Additionally, prior to May 31, 2017, only total phosphorus and chlorophyll *a* will be considered for adoption. After May 31, 2017, total nitrogen will be considered for adoption per the circumstances outlined in 31.17(e).

Prior to May 31, 2022, nutrient criteria will be adopted for headwaters on a segment by segment basis for the Arkansas River Basin. Moreover, pursuant to 31.17(e) nutrient standards will only be adopted for waters upstream of all permitted domestic wastewater treatment facilities discharging prior to May 31, 2012 or with preliminary effluent limits requested prior to May 31, 2012, and any non-domestic facilities subject to Regulation 85 effluent limits and discharging prior to May 31, 2012. The following is a list of all permitted domestic wastewater treatment facilities

discharging prior to May 31, 2012 or with preliminary effluent limits requested prior to May 31, 2012, and any non-domestic facilities subject to Regulation 85 effluent limits and discharging prior to May 31, 2012 in the Arkansas River Basin:

Prior to May 31, 2022:

- For segments located entirely above these facilities, nutrient standards apply to the entire segment.
- For segments with portions downstream of these facilities, *nutrient standards apply only above these facilities*. A footnote was added to the total phosphorus and chlorophyll *a* standards in these segments. The footnote references the table of qualified facilities at 32.5(4).
- For segments located entirely below these facilities, nutrient standards do not apply.

A footnote was added to the total phosphorus and chlorophyll *a* standards in lakes segments as nutrients standards apply only to lakes and reservoirs larger than 25 acres surface area.

32.6 TABLES

(1) Introduction

The numeric standards for various parameters in this regulation and in the tables in Appendix 32-1 were assigned by the Commission after a careful analysis of the data presented on actual stream conditions and on actual and potential water uses.

Numeric standards are not assigned for all parameters listed in the tables attached to Regulation No. 31. If additional numeric standards are found to be needed during future periodic reviews, they can be assigned by following the proper hearing procedures.

(2) Abbreviations:

(a) The following abbreviations are used in this regulation and in the tables in Appendix 32-1:

°C = degrees Celsius

CL = cold lake temperature tier

CLL = cold large lake temperature tier

CS-I = cold stream temperature tier one

CS-I = cold stream temperature tier two

D.O. = dissolved oxygen

DM = daily maximum temperature DUWS = direct use water supply

E. coli = Escherichia coli mg/l = milligrams per liter

MWAT = maximum weekly average temperature

OW = outstanding waters SSE = site-specific equation

sp = spawning t = total tr = trout

T = total recoverable
TVS = table value standard
ug/l = micrograms per liter
UP = use-protected
WS = water supply

WS-I = warm stream temperature tier one WS-II = warm stream temperature tier two WS-III = warm stream temperature tier three

WL = warm lake temperature tier

(b) In addition, the following abbreviations are used:

Fe(ch) = WS Mn(ch) = WS $SO_4 = WS$

These abbreviations mean: For all surface waters with an actual water supply use, the less restrictive of the following two options shall apply as numerical standards, as specified in the Basic Standards and Methodologies at 31.16 Table II and III:

(i) existing quality as of January 1, 2000; or

(ii) Iron = $300 \mu g/l$ (dissolved) Manganese = $50 \mu g/l$ (dissolved)

 $SO_4 = 250 \text{ mg/l}$

For all surface waters with a "water supply" classification that are not in actual use as a water supply, no water supply standards are applied for iron, manganese or sulfate, unless the Commission determines as the result of a site-specific rulemaking hearing that such standards are appropriate.

- (c) Temporary Modification for Water + Fish Chronic Arsenic Standard
 - (i) The temporary modification for chronic arsenic standards applied to segments with an arsenic standard of 0.02 μ g/l that has been set to protect the Water+Fish qualifier is listed in the temporary modification and qualifiers column as As(ch)=hybrid.
 - (ii) For discharges existing on or before 6/1/2013, the temporary modification is: As(ch)=current condition, expiring on 12/31/2021.
 - (iii) For new or increased discharges commencing on or after 6/1/2013, the temporary modification is: As(ch)=0.02-3.0 μg/l (Trec), expiring on 12/31/2021.
 - (a) The first number in the range is the health-based water quality standard previously adopted by the Commission for the segment.
 - (b) The second number in the range is a technology based value established by the Commission for the purpose of this temporary modification.
 - (c) Control requirements, such as discharge permit effluent limitations, shall be established using the first number in the range as the ambient water quality target, provided that no effluent limitation shall require an "end-ofpipe" discharge level more restrictive than the second number in the range.

(3) <u>Table Value Standards</u>

In certain instances in the tables in Appendix 32-1, the designation "TVS" is used to indicate that for a particular parameter a "table value standard" has been adopted. This designation refers to numerical criteria set forth in the Basic Standards and Methodologies for Surface Water. The criteria for which the TVS are applicable are on the following table.

	TABLE VALUE STANDARDS (Concentrations in ug/l unless noted)				
PARAMETER ⁽¹⁾	TABLE VALUE STANDARDS ⁽²⁾⁽³⁾				
Aluminum (Trec)	Acute = $e^{(1.3695[ln(hardness)]+1.8308)}$				
	pH equal to or greater than 7.0				
	Chronic=e ^{(1.3695[ln(hardness)]-0.1158)}				
	pH less than 7.0				
	Chronic= e ^{(1.3695[ln(hardness)]-0.1158)} or 87, whichever is more stringent				
Ammonia ⁽⁴⁾	Cold Water				

TABLE VALUE STANDARDS (Concentrations in ug/l unless noted)

PARAMETER ⁽¹⁾	TABLE VALUE STANDARDS ⁽²⁾⁽³⁾				
	$acute = \frac{0.275}{1+10^{7.204-pH}} + \frac{39.0}{1+10^{pH-7.204}}$				
	$chronic = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * MIN (2.85, 1.45 * 10^{0.028(25-T)})$				
	Warm Water				
	$acute = \frac{0.411}{1+10^{7.204-pH}} + \frac{58.4}{1+10^{pH-7.204}}$				
	$chronic \ (Apr1 - Aug 31) = \begin{bmatrix} \frac{0.0577}{1+10^{7.688- pH}} + \frac{2.487}{1+10^{ pH-7.688}} \end{bmatrix} * MIN \left(2.85, 1.45 * 10^{ 0.028(25-T)} \right)$				
	$chronic \; (Sep \; 1 - Mar \; 31) = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7))} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7)} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7)} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{2.487}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7)} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{0.0577}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7)} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{0.0577}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7)} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{0.0577}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7)} = \begin{bmatrix} \frac{0.0577}{1+10} + \frac{0.0577}{1+10} \end{bmatrix} * 1.45 * 10^{0.028*(25-MAX(T,\;7)} = \begin{bmatrix} \frac{0.0577}{1+10$

TABLE VALUE STANDARDS - FOOTNOTES

- (1) Metals are stated as dissolved unless otherwise specified.
- (2) Hardness values to be used in equations are in mg/l as calcium carbonate and shall be no greater than 400 mg/L, except for aluminum for which hardness shall be no greater than 220 mg/L. The hardness values used in calculating the appropriate metal standard should be based on the lower 95 per cent confidence limit of the mean hardness value at the periodic low flow criteria as determined from a regression analysis of site-specific data. Where insufficient site-specific data exists to define the mean hardness value at the periodic low flow criteria, representative regional data shall be used to perform the regression analysis. Where a regression analysis is not appropriate, a site-specific method should be used. In calculating a hardness value, regression analyses should not be extrapolated past the point that data exist.
- (3) Both acute and chronic numbers adopted as stream standards are levels not to be exceeded more than once every three years on the average.

- (4) For acute conditions the default assumption is that salmonids could be present in cold water segments and should be protected, and that salmonids do not need to be protected in warm water segments. For chronic conditions, the default assumptions are that early life stages could be present all year in cold water segments and should be protected. In warm water segments the default assumption is that early life stages are present and should be protected only from April 1 through August 31. These assumptions can be modified by the commission on a site-specific basis where appropriate evidence is submitted.
- (5) Unless the stability of the chromium valence state in receiving waters can be clearly demonstrated, the standard for chromium should be in terms of chromium VI. In no case can the sum of the instream levels of Hexavalent and Trivalent Chromium exceed the water supply standard of 50 ug/l total chromium in those waters classified for domestic water use.
- (6) Selenium is a bioaccumulative metal and subject to a range of toxicity values depending upon numerous site-specific variables.
- (7) E.coli criteria and resulting standards for individual water segments, are established as indicators of the potential presence of pathogenic organisms. Standards for E. coli are expressed as a two-month geometric mean. Site-specific or seasonal standards are also two-month geometric means unless otherwise specified.
- (8) All phosphorus standards are based upon the concentration of total phosphorus.
- (9) The pH standards of 6.5 (or 5.0) and 9.0 are an instantaneous minimum and maximum, respectively to be applied as effluent limits. In determining instream attainment of water quality standards for pH, appropriate averaging periods may be applied, provided that beneficial uses will be fully protected.

(4) Assessment Criteria

The following criteria shall be used when assessing whether a specified waterbody is in attainment of the specified standard.

- (a) Middle Arkansas Segment 4a, Wildhorse Creek, Se(ac)=2376, Se(ch)=2110: Selenium Assessment Location
 - Wildhorse Creek above Pesthouse Gulch: 38.296478, -104.649201
- (b) Middle Arkansas Segment 4g, Pesthouse Gulch, Se(ac)=389, Se(ch)=369: Selenium Assessment Location
 - Pesthouse above No Name: 38.309568, -104.672244
- (c) Middle Arkansas Segment 6b, St. Charles River, Se(ac)=173, Se(ch)=50: Selenium Assessment Locations

Determinations of attainment of the chronic and acute selenium standards will be based on the 85th and 95th percentile, respectively of all available data from the segment. The selenium assessment locations are:

- SC-5: St. Charles River approximately one mile downstream of the confluence with Edson Arroyo.
- SC-6-US: St. Charles River upstream of the confluence with Thomkins Arroyo and the Comanche discharge.
- SC-7: Approximately 2 miles upstream of the Bessemer Canal crossing.
- SC-8: Immediately upstream of the Bessemer Canal crossing.
- SC-9: St. Charles River downstream of where the river flows under U.S.
 Highway 50, approximately 3 miles upstream of the confluence with the Arkansas
 River.
- (d) Middle Arkansas Segment 20, Pueblo Reservoir: Chlorophyll a Assessment Location
 - Site 7b (USGS Site 381602104435200): Near the dam and the south outlet works.

(5) Stream Classifications and Water Quality Standards Tables

The stream classifications and water quality standards tables in Appendix 32-1 are incorporated herein by reference.

. . . .

32.55 STATEMENT OF BASIS AND PURPOSE REGARDING THE ADOPTION OF NON-SUBSTANTIVE CHANGES TO THE CLASSIFICATION AND NUMEIRC STANDARDS FOR THE ARKANSAS RIVER BASIN, JANUARY 11, 2016 RULEMAKING; EFFECTIVE DATE MARCH 1, 2016

The provisions of C.R.S. 25-8-202(1)(i) and 25-8-401(2) provide the specific statutory authority for adoption of these regulatory amendments. The Commission also adopted in compliance with 24-4-103(4) C.R.S. the following statement of basis and purpose.

BASIS AND PURPOSE

The Commission, in a public rulemaking hearing adopted extensive changes to the format of this regulation. The Commission does not intend to change any existing designations, use classifications or standards, or the implementation of any standards as the result of changing the format.

This rulemaking was in response to longstanding issues with managing the information contained in the standards tables. The changes made in this hearing reflect a change from storing the information in word processing documents to storing the information in a relational database. This change in platform will provide better consistency, facilitate error checking as well as a more readable format for the standards tables. Storing the information in a database allows it to be used more efficiently by other programs in the Division.

While it was the Commission's intent not to change the substantive meaning of the regulations in this rulemaking, in cases where there was ambiguity the revised regulation reflects the Commission's interpretation of the previous format based on Regulation #31 (the Basic Standards and Methodologies for Surface Water) and the experience of the Commission and its staff.

<u>Overall format changes</u>: The new format displays parameters by name, rather than by period table element abbreviations. The section formerly titled "Temporary Modifications and Qualifiers" does not

appear in the new format. Instead, there is a separate section for qualifiers, and an "Other" section. Temporary modifications, variances and other footnotes are displayed in the "Other" section. Many items that were formerly in the "Temporary Modifications and Qualifiers" column will be displayed in the "Other" column and will have a different appearance or modified wording, although the information is substantively the same. Each footnote in the "Other" section is preceded by a heading that indicates where the footnote applies:

- Footnotes regarding a use classification will begin with the heading "Classification..."
- Footnotes regarding the antidegradation designation begin with the heading "Designation..."
- Footnotes that relate to a particular standard begin with the name of the parameter, for example "Selenium(chronic)=..."

Also, since there is more room for information within each segment, footnotes "B" and "C" were replaced with the full text in each segment where these footnotes were applied. Footnote "A" was maintained because the text is too long to be displayed in the "Other" section for each segment where it applies.

Constraints of the new format: Some adjustments were made to the way that data is displayed in order to be compatible with the functions of the Standards Database. Database organization requires that information which relates to multiple standards must be attached to each individual parameter. For example, a segment with a temporary modification listed for "all parameters" in the old format will have a temporary modification listed for each individual parameter in the new format. There are also spacing constraints in the new format, which require some information to be moved either to the "other" box on the new format, or moved out of the segment entirely and into another location in the regulation.

<u>Clarification of changes</u>: The shift to a database organizational structure required consistency in the way each data element is addressed. To insure that data is stored and displayed correctly, the following changes were made.

- The "type" of temporary modification is no longer displayed in the segment tables, since they have no regulatory effect and have been inconsistently displayed.
- In the old format, waters that had a reviewable antidegradation designation were identified by the absence of either "UP" or "OW" in the designation column. These segments now display the word "reviewable" under the designation heading. There needed to be a value in the designation column for every segment.
- Dissolved standards are not specifically noted as dissolved in the new format. All metals standards are dissolved unless noted with a "T" or a "t". For example, a manganese standard in the old format of "WS(dis") is displayed as "WS" in the new format.
- A new footnote 7 was added to clarify that although E. coli is listed in the "chronic" column, the standard is a two-month geometric mean rather than a 30-day average. The language of footnote 7 was taken from Regulation 31, Table 1, footnote 7.
- A new footnote 8 was added to indicate that all phosphorus standards are based upon the concentration of total phosphorus. In the old format, individual phosphorus standards were noted as "total" in some basins and not others.
- A new footnote 9 was added to clarify that although pH is listed in the "acute" column, the standard is not applied as a 1-day average. The language of footnote 7 was taken from Regulation 31, Table 1, footnote 3.

- Physical and Biological Parameters: Some parameters are not specifically identified in the old format segment tables as acute or chronic. The new format requires that each parameter is placed in either the acute or chronic column. Specifically, these parameters and the basis for being identified as acute or chronic are as follows:
 - pH (acute) Regulation #31, Table 1, footnote 3
 - E. Coli (chronic) Regulation #31, Table 1, footnote 7
 - D.O. (chronic) Regulation #31, Table 1, footnote 1
 - cyanide (acute) Regulation #31, Table 2
 - sulfide (chronic) Regulation #31, Table 2
 - nitrate (acute) Regulation #31, Table 2
 - nitrite (chronic) not specified in Regulation #31. Nitrite has been implemented as a 30day average standard in permits and assessments.
 - chloride (chronic) Regulation #31, Table 2
 - boron (chronic) Regulation #31, Table 2
 - sulfate (chronic) Regulation #31, Table 2

STREAM CLASSIFICATIONS and WATER QUALITY STANDARDS - FOOTNOTES

A) Whenever a range of standards is listed and referenced to this footnote, the first number in the range is a strictly health-based value, based on the Commission's established methodology for human health-based standards. The second number in the range is a maximum contaminant level, established under the federal Safe Drinking Water Act that has been determined to be an acceptable level of this chemical in public water supplies, taking treatability and laboratory detection limits into account. Control requirements, such as discharge permit effluent limitations, shall be established using the first number in the range as the ambient water quality target, provided that no effluent limitation shall require an "end-of-pipe" discharge level more restrictive than the second number in the range. Water bodies will be considered in attainment of this standard, and not included on the Section 303(d) List, so long as the existing ambient quality does not exceed the second number in the range.

COLORADO DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT WATER QUALITY CONTROL COMMISSION

5 CCR 1002-32

REGULATION NO. 32 CLASSIFICATIONS AND NUMERIC STANDARDS FOR ARKANSAS RIVER BASIN

. . . .

32.56 STATEMENT OF BASIS, SPECIFIC STATUTORY AUTHORITY AND PURPOSE; DECEMBER 14, 2015 RULEMAKING; FINAL ACTION JANUARY 11, 2016; EFFECTIVE DATE JUNE 30, 2016

The provisions of C.R.S. 25-8-202(1)(a), (b) and (2); 25-8-203; 25-8-204; and 25-8-402; provide the specific statutory authority for adoption of these regulatory amendments. The Commission also adopted in compliance with 24-4-103(4) C.R.S. the following statement of basis and purpose.

BASIS AND PURPOSE

Pursuant to the requirements in the Basic Standards (at 31.7(3)), the Commission reviewed the status of temporary modifications scheduled to expire before December 31, 2017, to determine whether the temporary modification should be modified, eliminated or extended. Temporary modifications of standards on twelve segments were reviewed.

The Commission took no action on the temporary modifications on the following segments.

Middle Arkansas segment 6b (Lower St Charles River): Temporary modification of the temperature standard. The Commission made no change to the expiration date of 6/30/2017 as the original time allotment was deemed adequate to resolve the uncertainty.

The Commission deleted the temporary modifications on the following segments.

Lower Arkansas segments 3a, 3b, 4b, 5b, 5c, 6a, 6b, 15, 16 and 17: Temporary modification of the temperature standard. The Commission deleted these temporary modifications because they were no longer needed.

The Commission extended the expiration date of temporary modifications on the following segments.

Lower Arkansas segment 1a: Temporary modification of the selenium and sulfate standard. The Commission extended the expiration dates to 12/31/2018 to allow time for the City of Pueblo to pursue a discharger-specific variance (DSV). The Commission reviewed Pueblo's plan for resolving the uncertainty with the underlying standard and found that the remaining uncertainty (the details of the DSV) can be resolved in this time even though all the facets of source control and treatment optimization will not be resolved in this timeframe. The two major tasks for the Division and Pueblo are to develop the Alternative Effluent Limit and to fully articulate the compliance schedule.

The Commission found that keeping the "existing quality" temporary modification in place will not allow any increased impact on the uses of the stream in segment 1a or in waters located downstream. The Commission also notes that if, due to unforeseen circumstances, the City of Pueblo and the Division anticipate that they will be unable to complete the work by January 2018 (to meet the June hearing schedule), an extension of the temporary modification can be considered in the temporary modification rulemaking hearings in December 2016 or December 2017.

The Commission added temporary modifications on the following segment.

Upper Arkansas segment 8b (lower Iowa Gulch): Temporary modification of the temperature, cadmium (chronic) and zinc (chronic) standards: The Commission made no change to the expiration date of 12/31/2017, but expanded the temporary modification to include an acute zinc standard of 754 ug/L, with the same expiration date. Resurrection Mining Company provided data predicting a compliance issue associated with its permitted discharge on segment 8b and there is still uncertainty as to the appropriate acute and chronic standard for segment 8b. The acute value is equal to the 95th percentile of the same data set presented to calculate the chronic temporary modification in the 2013 Basin Hearing. It is understood that Resurrection Mining Company will collect and evaluate additional data during the temporary modification period to better define the uses and appropriate acute and chronic water quality standards for segment 8b.

PARTIES TO THE RULEMAKING HEARING

- 1. City of Delta
- 2. Resurrection Mining Company
- 3. U.S. Energy Corp.
- 4. City of Pueblo
- 5. Peabody Sage Creek Mining and Seneca Coal Company
- 6. Climax Molybdenum Company
- 7. Rio Grande Silver
- 8. City of Colorado Springs and Colorado Springs Utilities
- 9. Tri-State Generation and Transmission Association, Inc.
- 10. High Country Conservation Advocates
- 11. U.S. Environmental Protection Agency
- 12. Colorado Parks and Wildlife
- 13. Town of Crested Butte and Coal Creek Watershed Coalition
- 14. Public Service Company of Colorado

5 CCR 1002-33 REGULATION NO. 33 - CLASSIFICATIONS AND NUMERIC STANDARDS FOR UPPER COLORADO RIVER BASIN AND NORTH PLATTE RIVER (PLANNING REGION 12) 1 - eff 03/01/2016

Effective date

03/01/2016

COLORADO DEPARTMENT OF PUBLIC HEALTH AND ENVIRONMENT WATER QUALITY CONTROL COMMISSION

5 CCR 1002-33

REGULATION NO. 33 CLASSIFICATIONS AND NUMERIC STANDARDS FOR UPPER COLORADO RIVER BASIN AND NORTH PLATTE RIVER (PLANNING REGION 12)

33.1 AUTHORITY

These regulations are promulgated pursuant to section 25-8-101 et seq. C.R.S., as amended, and in particular, 25-8-203 and 25-8-204.

33.2 PURPOSE

These regulations establish classifications and numeric standards for the Colorado River, the Yampa River, and the North Platte River, including all tributaries and standing bodies of water as indicated in section 33.6. The classifications identify the actual beneficial uses of the water. The numeric standards are assigned to determine the allowable concentrations of various parameters. Discharge permits will be issued by the Water Quality Control Division to comply with basic, narrative, and numeric standards and control regulations so that all discharges to waters of the state protect the classified uses. (See section 31.14). It is intended that these and all other stream classifications and numeric standards be used in conjunction with and be an integral part of Regulation No. 31 Basic Standards and Methodologies for Surface Water.

33.3 INTRODUCTION

These regulations and tables present the classifications and numeric standards assigned to stream segments listed in the attached tables (See section 33.6). As additional stream segments are classified and numeric standards for designated parameters are assigned for this drainage system, they will be added to or replace the numeric standards in the tables in section 33.6. Any additions or revisions of classifications or numeric standards can be accomplished only after public hearing by the Commission and proper consideration of evidence and testimony as specified by the statute and the Basic Standards and Methodologies for Surface Water.

33.4 DEFINITIONS

See the Colorado Water Quality Control Act and the codified water quality regulations for definitions.

33.5 BASIC STANDARDS

(1) TEMPERATURE

All waters of Region 12 are subject to the following standard for temperature. (Discharges regulated by permits, which are within the permit limitations, shall not be subject to enforcement proceedings under this standard). Temperature shall maintain a normal pattern of diurnal and seasonal fluctuations with no abrupt changes and shall have no increase in temperature of a magnitude, rate, and duration deemed deleterious to the resident aquatic life. This standard shall not be interpreted or applied in a manner inconsistent with section 25-8-104, C.R.S.

(2) **QUALIFIERS**

See Basic Standards and Methodologies for Surface Water for a listing of organic standards at 31.11 and metal standards found at 31.16 Table III. The column in the tables headed "Water Fish" are presumptively applied to all Aquatic Life class 1 streams and are applied to Aquatic Life class 2 streams on a case-by-case basis as shown in the tables in 33.6. The column in the tables at 31.11 headed "Fish Ingestion" is presumptively applied to all Aquatic Life class 1 streams which do not have a water supply classification, and are applied to Aquatic Life class 2 streams which do not have a water supply classification, on a case-by-case basis as shown in Tables 33.6.

(3) URANIUM

- (a) All waters of the Upper Colorado River Basin, are subject to the following basic standard for uranium, unless otherwise specified by a water quality standard applicable to a particular segment. However, discharges of uranium regulated by permits which are within these permit limitations shall not be a basis for enforcement proceedings under this basic standard.
- (b) Uranium level in surface waters shall be maintained at the lowest practicable level.
- (c) In no case shall uranium levels in waters assigned a water supply classification be increased by any cause attributable to municipal, industrial, or agricultural discharges so as to exceed 16.8-30 ug/l or naturally-occurring concentrations (as determined by the State of Colorado), whichever is greater.
 - (i) The first number in the 16.8-30 ug/l range is a strictly health-based value, based on the Commission's established methodology for human health-based standards. The second number in the range is a maximum contaminant level, established under the federal Safe Drinking Water Act that has been determined to be an acceptable level of this chemical in public water supplies, taking treatability and laboratory detection limits into account. Control requirements, such as discharge permit effluent limitations, shall be established using the first number in the range as the ambient water quality target, provided that no effluent limitation shall require an "end-of-pipe" discharge level more restrictive than the second number in the range. Water bodies will be considered in attainment of this standard, and not included on the Section 303(d) List, so long as the existing ambient quality does not exceed the second number in the range.

(4) NUTRIENTS

Prior to May 31, 2022, interim nutrient values will be considered for adoption only in the limited circumstances defined at 31.17(e). These circumstances include headwaters, Direct Use Water Supply (DUWS) Lakes and Reservoirs, and other special circumstances determined by the Commission. Additionally, prior to May 31, 2017, only total phosphorus and chlorophyll *a* will be considered for adoption. After May 31, 2017, total nitrogen will be considered for adoption per the circumstances outlined in 31.17(e).

Prior to May 31, 2022, nutrient criteria will be adopted for headwaters on a segment by segment basis for the Upper Colorado and North Platte River Basins. Moreover, pursuant to 31.17(e) nutrient standards will only be adopted for waters upstream of all permitted domestic wastewater treatment facilities discharging prior to May 31, 2012 or with preliminary effluent limits requested prior to May 31, 2012, and any non-domestic facilities subject to Regulation 85 effluent limits and discharging prior to May 31, 2012. The following is a list of all permitted domestic wastewater treatment facilities discharging prior to May 31, 2012 or with preliminary effluent limits requested

prior to May 31, 2012, and any non-domestic facilities subject to Regulation 85 effluent limits and discharging prior to May 31, 2012 in the Upper Colorado and North Platte River Basins:

Prior to May 31, 2022:

- For segments located entirely above these facilities, nutrient standards apply to the entire segment.
- For segments with portions downstream of these facilities, *nutrient standards* only apply above these facilities. A footnote was added to the total phosphorus and chlorophyll a standards in these segments. The footnote references the table of qualified facilities at 33.5(4).
- For segments located entirely below these facilities, nutrient standards do not apply.

A footnote was added to the total phosphorus and chlorophyll a standards in lakes segments as nutrients standards apply only to lakes and reservoirs larger than 25 acres surface area.

33.6 TABLES

(1) <u>Introduction</u>

The numeric standards for various parameters in this regulation and in the tables in Appendix 33-1 were assigned by the Commission after a careful analysis of the data presented on actual stream conditions and on actual and potential water uses.

Numeric standards are not assigned for all parameters listed in the tables attached to 31.16. If additional numeric standards are found to be needed during future periodic reviews, they can be assigned by following the proper hearing procedures.

(2) Abbreviations:

(a) The following abbreviations are used in this regulation and in the tables in Appendix 33-1:

°C = degrees celsius CL = cold lake temperature tier

CLL = cold large lake temperature tier
CS-I = cold stream temperature tier one
CS-II = cold stream temperature tier two

DM = daily maximum

DUWS = direct use water supply
D.O. = dissolved oxygen
mg/l = milligrams per liter

MWAT = maximum weekly average temperature

OW = outstanding waters

sc = sculpin sp = spawning

SSE = site-specific equation T = total recoverable

t = total tr = trout

TVS = table value standard ug/l = micrograms per liter UP = use-protected

WAT = weekly average temperature
WL = warm lake temperature tier

WS = water supply

WS-I = warm stream temperature tier one
WS-II = warm stream temperature tier two
WS-III = warm stream temperature tier three
WS-IV = warm stream temperature tier four

(b) In addition, the following abbreviations were used:

Fe(ch) = WSMn(ch) = WSSO₄ = WS

These abbreviations mean: For all surface waters with an actual Water Supply use, the less restrictive of the following two options shall apply as numerical standards, as specified in the Basic Standards and Methodologies at 31.16 Table II and III:

(I) existing quality as of January 1, 2000; or

(ii) Iron = $300 \mu g/l$ (dissolved) Manganese = $50 \mu g/l$ (dissolved)

 $SO_4 = 250 \text{ mg/l}$

For all surface waters with a "water supply" classification that are not in actual use as a water supply, no water supply standards are applied for iron, manganese or sulfate, unless the Commission determines as the result of a site-specific rulemaking hearing that such standards are appropriate.

- (c) Temporary Modification for Water + Fish Chronic Arsenic Standard
 - (i) The temporary modification for chronic arsenic standards applied to segments with an arsenic standard of 0.02 ug/l that has been set to protect the Water+Fish qualifier is listed in the temporary modification and qualifiers column as As(ch)=hybrid.
 - (ii) For discharges existing on or before 6/1/2013, the temporary modification is: As(ch)=current condition, expiring on 12/31/2021.
 - (iii) For new or increased discharges commencing on or after 6/1/2013, the temporary modification is: As(ch)=0.02-3.0 ug/l (Trec), expiring on 12/31/2021.
 - (a) The first number in the range is the health-based water quality standard previously adopted by the Commission for the segment.
 - (b) The second number in the range is a technology based value established by the Commission for the purpose of this temporary modification.
 - (c) Control requirements, such as discharge permit effluent limitations, shall be established using the first number in the range as the ambient water quality target, provided that no effluent limitation shall require an "end-ofpipe" discharge level more restrictive than the second number in the range.

(3) Table Value Standards

In certain instances in the tables in Appendix 33-1, the designation "TVS" is used to indicate that for a particular parameter a "table value standard" has been adopted. This designation refers to numerical criteria set forth in the Basic Standards and Methodologies for Surface Water. The criteria for which the TVS are applicable are on the following table.

TABLE VALUE STANDARDS
(Concentrations in ug/l unless noted)

PARAMETER ⁽¹⁾	TABLE VALUE STANDARDS (2)(3)
Aluminum (Trec)	
Ammonia (4)	Cold Water = (mg/l as N)Total
	$acute = \frac{0.275}{1+10^{7.204-pH}} + \frac{39.0}{1+10^{pH-7.204}}$
	$chronic = \begin{bmatrix} \frac{0.0577}{1+10^{7.688-pH}} + \frac{2.487}{1+10^{pH-7.688}} \end{bmatrix} * MIN (2.85, 1.45 * 10^{0.028(25-T)})$

TABLE VALUE STANDARDS - FOOTNOTES

- (1) Metals are stated as dissolved unless otherwise specified.
- (2) Hardness values to be used in equations are in mg/l as calcium carbonate and shall be no greater than 400 mg/L, except for aluminum for which hardness shall be no greater than 220 mg/L. The hardness values used in calculating the appropriate metal standard should be based on the lower 95 percent confidence limit of the mean hardness value at the periodic low flow criteria as determined from a regression analysis of site-specific data. Where insufficient site-specific data exists to define the mean hardness value at the periodic low flow criteria, representative regional data shall be used to perform the regression analysis. Where a regression analysis is not appropriate, a site-specific method should be used. In calculating a hardness value, regression analyses should not be extrapolated past the point that data exist.
- (3) Both acute and chronic numbers adopted as stream standards are levels not to be exceeded more than once every three years on the average.
- (4) For acute conditions the default assumption is that salmonids could be present in cold water segments and should be protected, and that salmonids do not need to be protected in warm water segments. For chronic conditions, the default assumptions are that early life stages could be present all year in cold water segments and should be protected. In warm water segments the default assumption is that early life stages are present and should be protected only from April 1 through August 31. These assumptions can be modified by the Commission on a site-specific basis where appropriate evidence is submitted.
- (5) Unless the stability of the chromium valence state in receiving waters can be clearly demonstrated, the standard for chromium should be in terms of chromium VI. In no case can the sum of the instream levels of Hexavalent and Trivalent Chromium exceed the water supply standard of 50 ug/l total chromium in those waters classified for domestic water use.
- (6) Selenium is a bioaccumulative metal and subject to a range of toxicity values depending upon numerous site-specific variables.
- (7) E.coli criteria and resulting standards for individual water segments, are established as indicators of the potential presence of pathogenic organisms. Standards for E. coli are expressed as a two-month geometric mean. Site-specific or seasonal standards are also two-month geometric means unless otherwise specified.
- (8) All phosphorus standards are based upon the concentration of total phosphorus.

(9) The pH standards of 6.5 (or 5.0) and 9.0 are an instantaneous minimum and maximum, respectively to be applied as effluent limits. In determining instream attainment of water quality standards for pH, appropriate averaging periods may be applied, provided that beneficial uses will be fully protected.

(4) Assessment Criteria

The following criteria shall be used when assessing whether a specified waterbody is in attainment of the specified standard.

(a) Yampa River Segment 13d, Dry Creek: Iron Assessment Thresholds and Locations

Mar-Apr, Fe(ch) = 3040(Trec), snowmelt season median values

May-Feb, Fe(ch) = 1110(Trec), no-snowmelt season median values

Assessment locations:

- Seneca II-W Stream Site 7 on Hubberson Gulch (WSH7): located in the middle reaches of Hubberson Gulch
- Seneca II-W Flume Site 1 on Hubberson Gulch (WSHF1): located on Hubberson Gulch just upstream of its confluence with Dry Creek
- Seneca II-W Stream Site 5 on Dry Creek (WSD5): located in the middle reaches of Dry Creek
- (b) Yampa River Segment 13e, Sage Creek: Iron Assessment Thresholds and Locations

Fe(ch) = 1250(Trec), median of all data

Assessment locations:

 Yoast Stream Site 2 on Sage Creek (YSS2): located upstream of the west border of Section 18, T5N, R87W

Fe(ch) = 1000(Trec), median of all data

Assessment locations:

- Seneca II-W Stream Site 3 on Sage Creek (WSSF3): located downstream of the west border of Section 18, T5N, R87W
- (c) Yampa River Segment 13b: Iron Assessment Thresholds and Locations

Middle Creek-

Mar-Jun, Fe(ch) = 2090(Trec), median of all data

Jul-Feb, Fe(ch) = 1000 (Trec)

Foidel Creek, Fe(ch) = 1000(Trec), median of all data

Assessment locations:

- Middle Creek Site G-MC-2/Site 29: located at N40° 23' 48.3", W106° 58' 47.0"
- Foidel Creek Site 14: located at N40° 33' 48.6", W107° 08' 63.5"
- Foidel Creek Site 8: located at N40° 21' 55.7", W107° 02' 43.6"
- Foidel Creek Site 900: located at N40° 23' 24.7". W106° 59' 40.9"
- (5) Stream Classifications and Water Quality Standards Tables

The stream classifications and water quality standards tables in Appendix 33-1 are incorporated herein by reference.

. . . .

33.54 STATEMENT OF BASIS AND PURPOSE REGARDING THE ADOPTION OF NON-SUBSTANTIVE CHANGES TO THE CLASSIFICATION AND NUMEIRC STANDARDS FOR UPPER COLORADO RIVER BASIN AND NORTH PLATTE RIVER (PLANNING REGION 12), JANUARY 11, 2016 RULEMAKING; EFFECTIVE DATE MARCH 1, 2016

The provisions of C.R.S. 25-8-202(1)(i) and 25-8-401(2) provide the specific statutory authority for adoption of these regulatory amendments. The Commission also adopted in compliance with 24-4-103(4) C.R.S. the following statement of basis and purpose.

BASIS AND PURPOSE

The Commission, in a public rulemaking hearing adopted extensive changes to the format of this regulation. The Commission does not intend to change any existing designations, use classifications or standards, or the implementation of any standards as the results of changing the format.

This rulemaking was in response to longstanding issues with managing the information contained in the standards tables. The changes made in this hearing reflect a change from storing the information in word processing documents to storing the information in a relational database. This change in platform will provide better consistency, facilitate error checking as well as a more readable format for the standards tables. Storing the information in a database allows it to be used more efficiently by other programs in the Division.

While it was the Commission's intent not to change the substantive meaning of the regulations in this rulemaking, in cases where there was ambiguity the revised regulation reflects the Commission's interpretation of the previous format based on Regulation #31 (the Basic Standards and Methodologies for Surface Water) and the experience of the Commission and its staff.

Overall format changes: The new format displays parameters by name, rather than by period table element abbreviations. The section formerly titled "Temporary Modifications and Qualifiers" does not appear in the new format. Instead, there is a separate section for qualifiers, and an "Other" section. Temporary modifications, variances and other footnotes are displayed in the "Other" section. Many items that were formerly in the "Temporary Modifications and Qualifiers" column will be displayed in the "Other" column and will have a different appearance or modified wording, although the information is substantively the same. Each footnote in the "Other" section is preceded by a heading that indicates where the footnote applies:

Footnotes regarding a use classification will begin with the heading "Classification..."

- Footnotes regarding the antidegradation designation begin with the heading "Designation..."
- Footnotes that relate to a particular standard begin with the name of the parameter, for example "Selenium(chronic)= ..."

Also, since there is more room for information within each segment, footnotes "B" and "C" were replaced with the full text in each segment where these footnotes were applied. Footnote "A" was maintained because the text is too long to be displayed in the "Other" section for each segment where it applies. Footnote "D" was changed to footnote "B" and was maintained because the text is too long to be displayed in the "Other" section.

Constraints of the new format: Some adjustments were made to the way that data is displayed in order to be compatible with the functions of the Standards Database. Database organization requires that information which relates to multiple standards must be attached to each individual parameter. For example, a segment with a temporary modification listed for "all parameters" in the old format will have a temporary modification listed for each individual parameter in the new format. There are also spacing constraints in the new format, which require some information to be moved either to the "other" box on the new format, or moved out of the segment entirely and into another location in the regulation.

<u>Clarification of changes</u>: The shift to a database organizational structure required consistency in the way each data element is addressed. To insure that data is stored and displayed correctly, the following changes were made

- The "type" of temporary modification is no longer displayed in the segment tables, since they have no regulatory effect and have been inconsistently displayed.
- In the old format, waters that had a reviewable antidegradation designation were identified by the absence of either "UP" or "OW" in the designation column. These segments now display the word "reviewable" under the designation heading. There needed to be a value in the designation column for every segment.
- Dissolved standards are not specifically noted as dissolved in the new format. All metals standards are dissolved unless noted with a "T" or a "t". For example, a manganese standard in the old format of "WS(dis") is displayed as "WS" in the new format.
- A new footnote 7 was added to clarify that although E. coli is listed in the "chronic" column, the standard is a two-month geometric mean rather than a 30-day average. The language of footnote 7 was taken from Regulation 31, Table 1, footnote 7.
- A new footnote 8 was added to indicate that all phosphorus standards are based upon the concentration of total phosphorus. In the old format, individual phosphorus standards were noted as "total" in some basins and not others.
- A new footnote 9 was added to clarify that although pH is listed in the "acute" column, the standard is not applied as a 1-day average. The language of footnote 7 was taken from Regulation 31, Table 1, footnote 3.
- Physical and Biological Parameters: Some parameters are not specifically identified in the old format segment tables as acute or chronic. The new format requires that each parameter is placed in either the acute or chronic column. Specifically, these parameters and the basis for being identified as acute or chronic are as follows:
 - pH (acute) Regulation #31, Table 1, footnote 3
 - E. Coli (chronic) Regulation #31, Table 1, footnote 7

- D.O. (chronic) Regulation #31, Table 1, footnote 1
- cyanide (acute) Regulation #31, Table 2
- sulfide (chronic) Regulation #31, Table 2
- nitrate (acute) Regulation #31, Table 2
- nitrite (chronic) not specified in Regulation #31. Nitrite has been implemented as a 30day average standard in permits and assessments.
- chloride (chronic) Regulation #31, Table 2
- boron (chronic) Regulation #31, Table 2
- sulfate (chronic) Regulation #31, Table 2
- The footnote on Blue River Segment 13 was modified to reduce the text to less than 200 characters, which is the maximum that can be included in the segment. Text longer than 200 characters has to be moved to a footnote outside the segment table (either at the front of the regulation or following the segment tables). The text change is as follows:

"Any water quality based effluent shall not cause or contribute to exceedances of water quality standards adopted to protect downstream uses."
