RE: Corrections to Colorado Office of Private Investigator Licensing Rule 10, 4 CCR 750-1, Rule Tracking No. 2014-01203, Correction Tracking Request No. 2015-00133

Dear Secretary of State Williams:

On January 9, 2015, the Office of Private Investigator Licensing adopted rules, tracking number 2014-01203. The Attorney General's rule opinion was electronically filed with your office on January 29, 2015.

The rule attached to the agency's request for the Attorney General's rule opinion contained an error in Rule 10.E. The adopted rule transposed two numbers and refers to a non-existent statutory cite – 12-85.5-109. Instead, the statutory cite in Rule 10.E should read 12-58.5-109, a section of the "Private Investigators Licensure Act." A copy of the corrected Rule 10 has been filed with the agency's request for this correction letter, Tracking No. 2015-00133.

The corrections are technical, non-substantive, and correctable under section 24-4-103(11)(d)(II), C.R.S. Remedying the errors by submitting the correct version of Rule 10.E changes neither the substantive content of the regulations nor the actual effective date of the regulations.

Please contact me if you need further information or review.

Sincerely,

FOR THE ATTORNEY GENERAL
