Denver, CO 80290

RE: Correction Request Tracking No. 2017-00233

Dear Secretary of State Williams:

On March 29, 2017, the Colorado Department of Public Health and Environment ("CDPHE") submitted the following:

- SOS tracking #2017-00126 – Proposed Amendments to 6 CCR 1007-1, Part 3, Licensing of Radioactive Material;
- SOS tracking #2017-00127 – Proposed Amendments to 6 CCR 1007-1, Part 4, Standards for Protection Against Radiation; and
- SOS tracking #2017-00128 – Proposed Amendments to 6 CCR 1007-1, Part 22, Physical Protection of Category 1 and Category 2 Quantities of Radioactive Material.

At the rulemaking hearing on May 17, 2017, the board adopted the proposed rules. It has come to CDPHE's attention that the proposed rules contain an error in the effective date. The effective date should be corrected to read June 30, 2017 instead of July 15, 2017.

On June 12, 2017, CDPHE requested an administrative change to SOS tracking #2017-00126; 2017-00127; and 2017-00128 in order to correct the errors designated above. A corrected version has been submitted.

This correction is technical and non-substantive in nature and is submitted to you for publishing in the CCR pursuant to C.R.S. § 24-4-103(11)(d)(II) of the State Administrative Procedure Act.

Please contact me at 720-508-6145 if you require further information. Thank you for your assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
