RE: Agency Request for Correction Letter, Tracking Number 2018-00101,  
correcting 8 CCR 1206-2, Part 4.8.27, Colorado Department of Agriculture  
*Rules Pertaining to the Administration and Enforcement of the Noxious Weed  
Act, § 35-5.5-101 – 119, C.R.S.*, SOS Tracking No. 2017-00432

Dear Mr. Williams:

The Commissioner of the Colorado Department of Agriculture (“Department”) adopted this Part 4.8.27 to the Department’s rules “Administration and Enforcement of the Noxious Weed Act” on February 22, 2018, effective March 30, 2018. The Attorney General’s rule opinion was electronically filed with your office on February 28, 2018, tracking number 2017-00432.

Within the rule attached to the agency’s request for the Attorney General’s rule opinion, typographical errors with regard to numerical references have been identified within Part 4.8.27. Specifically, the final rule reads “4.8.28.16,” “4.8.28.17,” and “4.8.28.18.” The numerical reference to “28” is inaccurate and should read “27.” A copy of the corrected Part 4.8.27 has been filed with the agency’s request for this correction letter, tracking number 2018-00101.

This requested change is submitted to you for publishing in the Colorado Code of Regulations pursuant to § 24-4-103(11)(d)(II), C.R.S., of the State Administrative Procedure Act. The matter being corrected is a non-substantive typographical error.

Please let me know if you require any further information. Thank you for your assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
