RE: Agency Request for Correction Letter, Tracking Number 2020-00398, correcting 3 CCR 708-1, "Statement of basis, specific statutory authority, and purpose, incorporated on the date of adoption," of the Colorado Civil Rights Commission's *State of Colorado Civil Rights Commission Rules and Regulations*, SOS Tracking No. 2020-00129.

Dear Madame Secretary:

The Colorado Civil Rights Commission amended its rules on May 22, 2020, effective June 30, 2020. The Attorney General's rule opinion was electronically filed with your office on June 1, 2020, tracking number 2020-00129.

The rule attached to the agency's request for the Attorney General's rule opinion contained a typographical error that the agency has identified. The adopted Statement of Basis and Purpose sets forth that the effective date of the rules is June 30, 2020. Such effective date is not possible because publication to the Code of Colorado Regulations cannot occur until June 10, 2020, making the rules effective no earlier than July 15, 2020. The agency has filed a copy of the corrected Statement of Basis and Purpose along with its request for this correction letter, tracking number 2020-00398.

This requested change is submitted to you for publishing in the Code of Colorado Regulations pursuant to § 24-4-103(11)(d)(II), C.R.S., of the Administrative Procedures Act. The matter being corrected is a typographical error that does not affect the substance of the rules as adopted. Please let me know if you require any further information. Thank you for your assistance.

Sincerely,

FOR THE ATTORNEY GENERAL

/s Billy L. Seiber
