RE: Family First Prevention Services Act (FFPSA) Case Plan  
500, 1008, 2500 Department of Human Services  
12 CCR 2509-2  
SOS Correction Tracking Number 2020-00433

Dear Ms. Griswold,

I have reviewed the correction to the accompanying rule revisions and determined that the matter being corrected is a nonsubstantive error and that the correction is necessary to insure that the published rule and the corresponding opinion conform to the adopted rules, pursuant to section 26-2-114(1) and 26-2-119(1)(b)(I) C.R.S. (2019).

The correction addresses rule revisions to SOS Tracking Numbers 2019-00468. This correction addresses typographical errors in the documents filed with the Secretary of State. The correction is nonsubstantive because the State Board of Human Services, as well as the Attorney General's office in the corresponding opinion, relied on the correct documents.

Sincerely,

FOR THE ATTORNEY GENERAL
