RE: Correction Request Tracking No. 2020-00744

Dear Secretary of State Griswold:

On July 15, 2020, the Colorado Commission on Higher Education ("Commission") submitted SOS Tracking No. 2020-00382, 8 CCR 1504-9, Rules for the Administration of the Colorado Opportunity Scholarship Initiative. At the final rulemaking hearing on July 15, the board adopted the proposed rule amendments.

It has come to the Commission's attention that the amended rules contain two typographical errors: 1) The new definition for "financial assistance" should be numbered 1.05 in the alphabetical list of definitions; and 2) in 2.01.1 the second "student" should be "students" to match the plural students in the first part of the sentence. The corrected rules should appear as follows:

- 1.05 "Financial Assistance" means money awarded to a student based on the student's cost of attendance at the institution of higher education.

- 2.01.1 Generate greater availability of scholarship dollars for Colorado students with an Expected Family Contribution of less than one hundred percent of the annual federal Pell grant award and students with an Expected Family Contribution between one hundred percent and two hundred fifty percent of the annual federal Pell grant award;

These corrections are technical and non-substantive in nature and are submitted to you for publishing in the C.C.R. pursuant to C.R.S. § 24-4-103(11)(d)(II) of the State Administrative Procedure Act.

Please contact me at 720-508-6140 if you require further information. Thank you for your assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
