RE: Correction Request Tracking No. 2021-00298

Dear Secretary of State Griswold:

On May 07, 2021, the Colorado Division of Fire Prevention and Control (“DFPC”) submitted a request for an Attorney General Correction letter, SOS Tracking No. 2021-00298, regarding 8 CCR 1507-30, Code Enforcement and Certification of Inspectors for Public Schools, Charter Schools and Junior Colleges.

It has come to DFPC’s attention that Article 13 of the above rule contains minor errors in the form of inaccurate internal citations to other parts of the rule. Specifically, there are seven instances of references that should be corrected to refer to sections of Article 13 instead of Article 12. These citations, appearing in the corrected form, are highlighted in the attached document.

This is not a substantive change, but rather a minor correction to citations that were overlooked when DFPC made other amendments to these rules in August of 2020. Correcting these typographical errors improves clarity for readers. The corrections are attached to this letter.

This correction is technical and non-substantive in nature and is submitted to you for publishing in the C.C.R. pursuant to C.R.S. § 24-4-103(11)(d)(II) of the State Administrative Procedure Act.

Please contact me at 720-508-6704 if you require further information. Thank you for your assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
