RE: Correction to Regulation 4-2-78, 3 CCR 702-4, Correction Request
Tracking No. 2021-00490, Original Tracking No. 2021-00347

Dear Secretary of State Griswold:

On May 28, 2021, the Colorado Division of Insurance (“DOI”) filed with your office a notice of rulemaking regarding DOI Regulation 4-2-78, 3 CCR 702-4, Concerning Cost Sharing Reduction Enhancements, SOS Tracking No. 2021-00347.

The Commissioner of Insurance adopted the proposed permanent rule on July 8, 2021. A typographical error was subsequently discovered in the Appendix to Regulation 4-2-78. As adopted, cells D, E, and F of the Appendix refer to A², B², and C², respectively. Instead, they should refer to A², B², and C². On August 5, 2021, the DOI requested the above-described correction be made to Regulation 4-2-78. A corrected version of the regulation has been submitted to your office.

This correction is typographical and non-substantive in nature and is submitted to you for publishing in the C.C.R. pursuant to C.R.S. § 24-4-103(11)(d)(II) of the State Administrative Procedure Act.

Please contact me if you require further information. Thank you for your assistance.

Sincerely,

FOR THE ATTORNEY GENERAL
