RE: Correction to Regulation 2 CCR 406-5, Chapter W-5 (Small Game –  
Migratory Birds)  
Rule Opinion Correction 2021-00509 (correction to Tracking No: 2021-00061)

Dear Sir or Madam:

On March 17, 2021, the Colorado Parks and Wildlife Commission (CPW) amended 2 CCR 406-5; Chapter W-5 (Small Game – Migratory Birds). Pursuant to § 24-4-103(11)(d)(II), C.R.S., the amended regulation, together with the Attorney General's rule opinion, was submitted to the Secretary of State within 20 days of promulgation under tracking number 2021-00061. Typographical errors have since been discovered.

Specifically, the March 17, 2021 rulemaking was intended to reflect the upcoming 2021-2022 migratory bird hunting seasons and remove references to the 2020-2021 seasons. But due to a typographical error, "2020" wasn't changed to "2021" in four instances as highlighted in yellow in the attached correction filing.

Pursuant to the rulemaking provisions of the Colorado Administrative Procedures Act, typographical and other non-substantive errors may be corrected upon submission of a request by the agency. C.R.S. § 24-4-103(11)(d)(II).

The corrected pages are attached to this filing. In accordance with C.R.S. § 24-4-103(11)(d)(II), I have reviewed these errors and have determined that they are non-substantive.

PHILIP J. WEISER  
Attorney General
