RE: SOS Correction Tracking Number 2021-00675
Social Services Rules (Volume 7; Child Welfare, Child Care Facilities)
500, 1008, 2500 Department of Human Services
Rules 7.112.B, 7.112.C, 7.112.D, 7.112.E, and 7.112.F, 12 CCR 2509-2

Dear Ms. Griswold,

I have reviewed the correction to the accompanying rule revisions and determined that the matter being corrected is a nonsubstantive error that occurred after adoption, during preparation of the rule for publication, and that the correction is necessary to ensure that the published rule and the corresponding opinion conform to the adopted rules, pursuant to section 24-4-103(11)(d)(II) C.R. S. (2020).

The correction addresses an editing error in the rule, adopted on September 3, 2021 submitted under tracking Number 2021-00576. In preparing the adopted rule for publication, subsection 7.112.A was inadvertently labeled as 7.112.B, resulting in the rest of the subsections being incorrectly labeled as well. This correction changes the labeling of the subsections from 7.112.B, 7.112.C, 7.112.D, 7.112.E, and 7.112.F to 7.112.A, 7.112.B, 7.112.C, 7.112.D, and 7.112.E. The correction is nonsubstantive because it changes the lettering of the five subsections without changing the substance of the rule.

Sincerely,

FOR THE ATTORNEY GENERAL

/s/ Virginia Carreno
