RE: Correction to Colorado Board of Nursing Rules, 3 CCR 716-1  
Rule Opinion Correction; SOS Tracking No. 2024-00123

Dear Ms. Secretary:

Pursuant to section 24-4-103(11)(l)(I)(A), C.R.S., the Director of Professions and Occupations within the Department of Regulatory Agencies requests corrections to the Board of Nursing Rules, 3 CCR 716-1. The corrections are incorporated in SOS Tracking No. 2024-00123. Typographical and other non-substantive errors have also been corrected pursuant to section 24-4-103(11)(d)(II), C.R.S. The corrections are to add subsections (A) to (J) of new Rule 1.28. Those subsections appeared in Rule 1.28 when the Board of Nursing approved the rule at its permanent rulemaking hearing in filing number 2023-00803, but they were inadvertently removed from the redlined and clean versions of the rules when they were submitted for publication to the Secretary of State.

I submit that section 24-4-103(11)(d)(II) and (l)(II)(A), C.R.S. apply to these non-substantive rule changes and request that the Secretary of State make the changes incorporated in SOS Tracking No. 2024-00123 in the Code of Colorado Regulations.

Sincerely,

FOR THE ATTORNEY GENERAL
