The basis and purpose of the proposed amendments to the Private Occupational School Board Rules and Regulations (8 CCR 1504-1) in large part is due to the passage of House Bill 17-1239 which effectuated the relocation of Article 59 of Title 12, C.R.S., to Article 64 of Title 23, C.R.S. Additionally, the Board is considering revisions for purposes of clarifying definitions throughout the rules as well as relocating various rules for organizational purposes.
