RECOMMENDATION DATE: May 16, 2024

RULE TO BE AMENDED: 3 CCR 701-10 AR16 Assessments and Fees

CORRESPONDING RULES: N/A

SUMMARY

Division of Banking (Division) staff performed a review of Rule 3 CCR 701-10 AR16 and noted the Rule does not include a current list of financial institutions that are assessed semi-annually by the Division. Additionally, as payment types evolve, staff found a revision to the remittance of assessments and other fees is necessary.

ANALYSIS

Division staff finds that the proposed amendments to this Rule are necessary as follows:

- Update the financial institutions that are assessed semi-annually by the Division of Banking.
- Update the verbiage pertaining to how assessments and fees are remitted.

RECOMMENDATION

It is recommended that the Banking Board direct Division staff to initiate the formal rulemaking process for the amendment of Rule 3 CCR 701-10 AR16 based upon the above summary and analysis.
