SEPTEMBER 2019 EMERGENCY JUSTIFICATION FOR MEDICAL ASSISTANCE RULES ADOPTED AT THE SEPTEMBER 13, 2019 MEDICAL SERVICES BOARD MEETING

MSB 19-05-29-A Revision to the Adult Dental Annual Limit Increase, Section 8.201.6

To comply with state law

The 2019 Long Bill (SB19-207) passed by the Colorado General Assembly increases the Colorado Medicaid annual adult dental limit from \$1,000 to \$1,500, effective July 1, 2019. Moreover, immediate adoption is imperatively necessary for the preservation of public health, safety and welfare because clients will be able to receive additional necessary dental care.
