

Emergency Rulemaking Justification:

An emergency rule-making, which waives the initial Administrative Procedure Act noticing requirements, is necessary to comply with state law. Emergency rulemaking is authorized pursuant to Section 24-4-103(6), C.R.S. as House Bill 19-1174 mandates that facilities and agencies begin to provide the disclosure, with content approved by the Board of Health, starting January 1, 2020.

This emergency rule shall become effective on adoption.* It will be effective for no more than 120 days after its adoption unless made permanent through a rulemaking that satisfies the Administrative Procedure Act noticing requirements.

*The Board chose to make the effective date of the emergency rule 1/1/2020.
