

Justification of Emergency Regulation 19-E-07

The Division of Insurance finds, pursuant to § 24-4-103(6)(a), C.R.S., that immediate adoption of this regulation is imperatively necessary for the preservation of public health, safety, or welfare as the requirements of HB 19-1174 to develop a carrier disclosure to be given to covered persons who may incur a claim for emergency or non-emergency services from an out-of-network provider must be implemented by January 1, 2020. Therefore, compliance with the requirements of § 24-4-103, C.R.S., would be contrary to the public interest.
