Purpose

The purpose of these emergency rules is to effectuate Executive Order D 2021 122, as amended and extended by Executive Orders D 2021 124, D 2021 125, D 2021 129, D 2021 132, D 2021 136, D 2021 139, D 2021 141, D 2022 003, D 2022 010, D 2022 013, D 2022 017, D 2022 020, D 2022 028, D 2022 035, D 2022 037, and D 2022 038, and directing the Executive Director of the Department of Regulatory Agencies, through the Director of the Division of Professions and Occupations (Division Director), to promulgate and issue temporary emergency rules to expand the workforce of trained medical personnel available to provide healthcare services within inpatient facilities due to the coronavirus disease 2019 (COVID-19) pandemic in Colorado.

Through this emergency rulemaking, the Executive Director of the Department of Regulatory Agencies, through the Director of the Division of Profession and Occupations (Division Director), is promulgating these emergency rules expanding delegation in order to provide

hospitals and inpatient facilities with the flexibility to fill healthcare service gaps with readily available personnel through expanded temporary licensure.

Justification

As set forth in Executive Order D 2021 122, as amended and extended by Executive Orders D 2021 124, D 2021 125, D 2021 129, D 2021 132, D 2021 136, D 2021 139, D 2021 141, D 2022 003, D 2022 010, D 2022 013, D 2022 017, D 2022 020, D 2022 028, D 2022 035, D 2022 037, and D 2022 038, the need exists to immediately expand the available healthcare workforce in hospitals and inpatient facilities. The Executive Director of the Department of Regulatory Agencies, through the Division Director, is promulgating these emergency rules expanding scope of practice to provide hospitals and inpatient facilities with the flexibility to fill healthcare service gaps with readily available personnel through expanded temporary licensure.

Pursuant to section 24-4-103(6)(a), C.R.S., a temporary or emergency rule may be adopted without compliance with section 24-4-103(4), C.R.S., which requires the agency to hold a public hearing “at which it shall afford interested persons an opportunity to submit written data, views, or arguments and to present the same orally”; and with less than the twenty days’ notice set forth in section 24-4-103(3), C.R.S., or without notice where circumstances imperatively require, only if the agency finds that “[i]mmediate adoption of the rule is imperatively necessary to comply with a state or federal law or federal regulation or for preservation of the public health, safety or welfare and compliance with the requirements of this section would be contrary to the public interest.” Such findings must be made on the record.

The Executive Director of the Department of Regulatory Agencies, through the Division Director, hereby finds the immediate adoption of these emergency rules is imperatively necessary to comply with Executive Order D 2021 122, as amended and extended by Executive Orders D 2021 124, D 2021 125, D 2021 129, D 2021 132, D 2021 136, D 2021 139, D 2021 141, D 2022 003, D 2022 010, D 2022 013, D 2022 017, D 2022 020, D 2022 028, D 2022 035, D 2022 037, and D 2022 038, and, that due to threat posed by the COVID-19 pandemic, the adoption of emergency rules to expand the available healthcare workforce in hospitals and inpatient facilities is imperatively necessary for the preservation of the public health, safety and welfare, and cannot wait the several months required for permanent rulemaking and therefore emergency rules are appropriate pursuant to the Administrative Procedure Act.

The Executive Director of the Department of Regulatory Agencies, through the Division Director, finds, as required by section 24-4-103(4)(b), C.R.S., that the need for the emergency rulemaking exists; the proper constitutional and/or statutory authority exists for the rules; to the extent practicable, the rules are clearly and simply stated so that their meaning will be understood by any required to comply with the rules; the rules do not conflict with other provisions of the law; and any duplication or overlapping of the rules, if any, has been explained.

These temporary/emergency rules take effect September 22, 2022, and remain in effect for the longer of (A) 30 days after adoption, or (B) the duration of the State of Disaster Emergency declared by the Governor, up to a maximum of 120 days after adoption of these temporary/emergency rules.

Adopted this 22nd day of September, 2022.
